As the Registrant has previously reported, the Company is authorized to repurchase up to 100,000 shares of its common stock from time to time as, in the opinion of management, market conditions warrant (the Program ). Repurchases may be made on the open market or in privately negotiated transactions at prices not exceeding prevailing market rates. Repurchased shares will be held as unissued stock and will be available for general corporate purposes.

On September 20, 2007, the Registrant's Board of Directors approved an amendment (the Amendment ) to the Program. The Amendment increases the number of shares of common stock that the Registrant can repurchase under the Program from 100,000 to 150,000. As of September 20, 2007, the Registrant has repurchased 96,314 shares of its common stock under the Program.
