NEVSTAR GAMING AND ENTERTAINMENT CORPORATION

Item 1 - Business

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-K

General. The Company, a Nevada Corporation, filed a financial report with the Securities and Exchange Commission ("SEC") on Form 10-Q, for the quarter ended March 31, 1999. At that time, the Company owned and operated the Mesquite Star, a hotel and casino in Mesquite, Nevada. The Company filed no further reports with the SEC until September, 2002. The Company has insufficient financial records or supporting documentation to recreate these records for the interim period because those records were lost or destroyed as a result of the foreclosure of the principal asset of the Company, the Mesquite Star Hotel and Casino.

During 2002, the SEC was apprised of the Company's deficiencies, and a report was filed on Form 8-K dated September 30, 2002 summarizing the events which had occurred during the period since its last reporting. No reports on Form 10-K will be filed by the Company for the periods ended June 30, 1999, 2000, 2001, 2002, and the interim period ended November 22, 2002. Certain comparative financial reporting required to be disclosed on this Form 10-K as been omitted because of this lack of Company financial data.

December 1, 1999, the Company filed a voluntary petition for relief under Chapter 11 (the "First Chapter 11 Proceeding") in the United States Bankruptcy Court, District of Nevada (the "Bankruptcy Court"), Case No. 99-19566RCJ. The Company acted as debtor in possession during the First Chapter 11 Proceeding. In part as a result of the objections of certain of the Company's secured creditors and the Bankruptcy Court's belief that the Company could not be successfully reorganized in view of such objections, the Bankruptcy Court dismissed the First Chapter 11 Proceeding on or about March 2, 2000.

On March 3, 2000, Randy Black was appointed by the District Court of Clark County, Nevada as receiver for the Company. On or about March 8, 2000, Black caused the casino to cease all meaningful operations and the casino was closed. The Company has not engaged in business operations since that date. Subsequently, Black acquired the first trust deed on the casino from the bank and he began foreclosure proceedings against the casino. On July 10, 2000, the Company again filed a voluntary petition for relief under Chapter 11 (the "Second Chapter 11 Proceeding") in the Bankruptcy Court, Case No. BK-S-00-15075-LBR. During the Second Chapter 11 Proceeding, the Company acted as debtor in possession. During the course of the Second Chapter 11 Proceeding, the Bankruptcy Court permitted Black to foreclose on the casino, which occurred on November 13, 2000.

In April, 2001, the Company and W/F Investment Corp. ("W/F") submitted to the Bankruptcy Court a plan of reorganization, which was amended from time to time (the "Plan of Reorganization").

On February 20, 2002, the Bankruptcy Court issued an order confirming the Plan of Reorganization.

On November 22, 2002 the Plan of Reorganization became effective. The Company issued 15,141,674 shares of common stock to holders of unsecured claims; 156,428 shares of common stock to certain administrative claimants and to a previously secured claim holder, and 27,807,219 shares of common stock to the Plan Proponents. The 7,583,687 shares of Common Stock that were previously outstanding were retained by the holders of those shares. There are a total of 50,715,008 shares of common Stock outstanding after the issuance of shares under the Plan of Reorganization. The Plan of Reorganization authorized a reverse split of the Common Stock, which it is anticipated will be implemented concurrently with the Company's acquisition of a business opportunity. The Company is in the process of completing the administrative procedures to allow it to formally emerge from the oversight of the Bankruptcy Court.

The Company does not currently have any operations.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Nevstar Gaming and Entertainment Corporation

We have audited the accompanying balance sheets of Nevstar Gaming and Entertainment Corporation (the "Company") as of November 22, 2002 and June 30, 2003, and the related statements of operations, shareholders' deficit and cash flows for the period from November 22, 2002 through June 30, 2003. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-K

all material respects, the financial position of Nevstar Gaming and Entertainment Corporation as of November 22, 2002 and June 30, 2003, and the results of its operations and its cash flows for the period from November 22, 2002 through June 30, 2003 in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company did not generate revenue and is not operating which raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are described in Note 2. The financial statement does not include any adjustments that might result from the outcome of this uncertainty.

NEVSTAR GAMING AND ENTERTAINMENT CORP
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2003

1. ORGANIZATION, INTERMIN EVENTS AND BANKRUPTCY PROCEEDINGS

The Company, a Nevada Corporation, filed its last financial report to the Securities and Exchange Commission on Form 10-Q, for the quarter ended March 31, 1999. At that time, the Company owned and operated the Mesquite Star, a hotel and casino in Mesquite, Nevada.

December 1, 1999, the Company filed a voluntary petition for relief under Chapter 11 (the "First Chapter 11 Proceeding") in the United States Bankruptcy Court, District of Nevada (the "Bankruptcy Court"), Case No.

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-K

99-19566RCJ. The Company acted as debtor in possession during the First Chapter 11 Proceeding. In part as a result of the objections of certain of the Company's secured creditors and the Bankruptcy Court's belief that the Company could not be successfully reorganized in view of such objections, the Bankruptcy Court dismissed the First Chapter 11 Proceeding on or about March 2, 2000.

On March 3, 2000, Randy Black was appointed by the District Court of Clark County, Nevada as receiver for the Company. On or about March 8, 2000, Black caused the casino to cease all meaningful operations and the casino was closed. The Company has not engaged in business operations since that date. Subsequently, Black acquired the first trust deed on the casino from the bank and he began foreclosure proceedings against the casino. On July 10, 2000, the Company again filed a voluntary petition for relief under Chapter 11 (the "Second Chapter 11 Proceeding") in the Bankruptcy Court, Case No. BK-S-00-15075-LBR. During the Second Chapter 11 Proceeding, the Company acted as debtor in possession. During the course of the Second Chapter 11 Proceeding, the Bankruptcy Court permitted Black to foreclose on the casino, which occurred on November 13, 2000.

In April, 2001, the Company and W/F Investment Corp. ("W/F") submitted to the Bankruptcy Court a plan of reorganization, which was amended from time to time (the "Plan of Reorganization").

On February 20, 2002, the Bankruptcy Court issued an order confirming the Plan of Reorganization.

On November 22, 2002 the Plan of Reorganization became effective. The Company issued 15,141,674 shares of common stock to holders of unsecured claims; 156,428 shares of common stock to certain administrative claimants and to a previously secured claim, and 27,807,219 shares of common stock to the Plan Proponents. The 7,583,687 shares of Common Stock that were previously outstanding were retained by the holders of those shares. There are a total of 50,715,008 shares of common Stock outstanding after the issuance of shares under the Plan of Reorganization.

The Company is in the process of completing the administrative procedures to allow it to formally emerge from the oversight of the Bankruptcy Court.

The Company does not currently have any operations.

Note 2 - Going Concern and Summary of Significant Accounting Policies

Going Concern

The accompanying financial statement has been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company does not generate any revenue, and has a net capital deficiency. These factors among others may indicate that the Company will be unable to continue as a going concern for a reasonable period of time. The Company currently funds its disbursements by a line of credit from one of its Plan Proponents.

The financial statement does not include any adjustments relating to the recoverability of assets and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

The Company is no longer operating, and will attempt to locate a new business (operating company) and offer itself as a merger vehicle for a company that may desire to go public through a merger rather than through its own public stock offering.

See independent auditors' report.

NEVSTAR GAMING AND ENTERTAINMENT CORPORATION
 NOTES TO FINANCIAL STATEMENTS
 JUNE 30, 2003

Note 2 - Going Concern and Summary of Significant Accounting Policies
 (Continued)

Accounting for Reorganization

The Company applied Financial Accounting Standards No. 15 ("Accounting for Debtors and Creditors for Troubled Debt Restructuring") for its emergence from Bankruptcy. The Company also adopted the Fresh Start Reporting (see Note 6).

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts and disclosures reported in the accompanying financial statements. Significant estimates made in preparing these financial statements include the value of shares of common stock issued to the unsecured creditors in accordance with the Plan of Reorganization. Management uses its knowledge and expertise in making these estimates. Actual results could differ from those estimates.

Income Taxes

The Company utilizes the liability method to account for income taxes. Under this method, deferred taxes and liabilities are determined based on differences between financial reporting and tax bases of assets and liabilities and are measured using the enacted rates and laws expected to apply when the differences are expected to reverse.

Note 3 - Pre-petition Tax Liabilities

Pre-petition tax liabilities consist of \$194,858 payable to the Nevada Department of Taxation and the Nevada Gaming Authority. Pursuant to the Bankruptcy Code and stipulations entered into between the parties and the Company, the amounts will be paid in full, plus interest at 5% in quarterly payments commencing January, 2004 and ending September, 2009. Payments due on these liabilities during the next five years are as follows:

Fiscal Year Ending June 30,	

2003	\$ -
2004	\$ 16,000
2005	\$ 32,000
2006	\$ 32,000
2007	\$ 32,000

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-K

Note 4 - Long Term Credit Facility, Related Party

The credit facility consists of \$261,915 outstanding on a \$250,000 revolving line of credit issued to the Company by W/F Investment Corp, a shareholder of the Company and a proponent of the Bankruptcy Plan of Reorganization. The line of credit has been used to pay the Company's obligations, including the bankruptcy related allowed administrative expenses, accounting, legal and related expenses. The line of credit bears interest at prime plus 2%, payable monthly. It is due no earlier than October 31, 2003 and no later than October 31, 2007. Accrued interest on the credit facility totalled \$9,771 as of June 30, 2003.

See independent auditors' report.

17

NEVSTAR GAMING AND ENTERTAINMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2003

Note 5 - Income Taxes

At June 30, 2003 the Company had net operating loss carryforwards of approximately \$19 million for federal tax purposes, which expire from 2012 to 2015. Because of statutory ownership changes, the amount of net operating losses which may be utilized in future years may be subject to significant annual limitations. At June 30, 2003, total deferred tax assets, consisting principally of net operating loss carry forwards, amounted to approximately \$6.5 million. For financial reporting purposes, a valuation allowance has been recognized in an amount equal to such deferred tax assets due to the uncertainty surrounding their ultimate realization.

Note 6 - Fresh Start Reporting

In accordance with its Plan of Reorganization, the Company converted unsecured liabilities amounting to approximately \$18,300,000 to 15,167,674 shares of its common stock. The Company also issued 156,428 shares of its common stock in payment of administrative claims totaling approximately \$20,000, and 27,807,219 shares of its common stock to its Plan Proponents. The shares issued were valued at \$0.01 per share, generating a gain on debt forgiveness of approximately \$18,000,000. The amount of accumulated deficit prior to the reclassification in accordance with Fresh Start Reporting amounted to approximately \$19,000,000. Management estimated the fair value of the shares issued at par value, based on the fact that no cash flows are expected in the foreseeable future. The balance of accumulated deficit after the adjustment required by the Fresh Start Reporting represents the "Excess Reorganization Value", which was impaired due to the fact that no cash flows are expected in the foreseeable future.

Note 7 - Other Income

On October 12, 2001, the Company entered into a settlement agreement with certain former creditors of the Company by which, among other conditions of mutual release, the creditors were to pay the Company \$35,000 on the Effective Date of the Plan of Reorganization. The Company received the funds, net of \$15,000 paid to a former director and a party to the agreement, in June, 2003 and recorded the receipt as Other Income.

Item 9 - Changes In and Disagreements with Accountants on Accounting or Financial Disclosure

As reported on Form 8-K dated December 3, 2002, on November 25, 2002 the Company engaged Rose, Snyder & Jacobs ("Rose Snyder") as the Company's independent auditors and for other independent accounting and tax-related services on an ongoing basis, to replace the firm of Piercy Bowler Taylor & Kern, who were dismissed as auditors of the Company. Piercy Bowler Taylor & Kern were engaged on March 18, 2002 and did not issue any reports on the Company's financial statements. In connection with the audit of the Company's financial statements during the interim period of Bowler Taylor and Kern's engagement, there were no disagreements with Piercy Bowler Taylor and Kern on any matter of accounting principles or practice, financial statement disclosure, or auditing scope or procedures.

PART III

Item 10 - Directors and Executive Officers of the Registrant

The Company's by-laws provide for the number of Directors of the Company to be fixed from time to time by resolution of the Board. The Board has not made a resolution determining the allowed number of Directors. Directors are elected at each Annual Meeting of Shareholders to serve thereafter until their successors have been duly elected and qualified.

The following table provides certain information as of September 15, 2003 for each director and executive officer of the Company:
