ITEM 8.01 Other Events.

In connection with the submission by SunCom Wireless Holdings, Inc. (the "Company") of its Section 303A Annual Written Affirmation to the New York Stock Exchange (the "NYSE"), at the NYSE's request, the Company is filing this amended Current Report on Form 8-K/A to set forth the various corporate governance matters required to be disclosed by Section 303A of the NYSE Listed Company Manual (the "Manual"). The NYSE has advised the Company that the disclosures set forth in this amended Current Report on Form 8-K/A will satisfy the requirements of Section 303A of the Manual.

Director Independence

As required by Section 303A.01 of the Manual, the Company's Board of Directors (the "Board") has a majority of independent directors. As required by Section 303A.02 of the Manual, the Board has affirmatively determined that the following directors are independent under Section 303A.02 of the Manual: Scott I. Anderson, Niles K. Chura, Patrick H. Daugherty, Jerry V. Elliott, G. Edward Evans, Karim Samii, and Joseph Thornton. In addition, as further required by Section 303A.02 of the Manual, the Board examined relevant facts and circumstances of transactions and relationships between the Company or its management and directors or their affiliates and among directors and their affiliates. The Board also considered shares beneficially owned by each of the directors although the Board generally believes that stock ownership tends to further align a director's interest with those of the Company's other stockholders. The purpose of this review was to determine whether any such transactions or relationships were inconsistent with a determination that the director is independent. Based on this review, the Board has affirmatively determined that, other than in respect of their positions as directors, no material relationship exists between the Company and any independent director.

Executive Sessions of Non-Management Directors

As required by Section 303A.03 of the Manual, the Company's non-management directors hold regularly scheduled executive sessions without management present. The Company's independent directors also meet at regularly scheduled sessions, without the participation of directors who do not qualify as independent directors. The presiding director at these executive sessions rotates among the independent directors in alphabetical order.

Communication by Interested Parties

Any interested party may communicate with the Board and its committees. The Board has established the following system to receive, track and respond to communications from interested parties addressed to the Board, its committees and its members. Any interested party may address his or her communication to the Board, the independent directors, a committee of the Board or an individual Board member by sending a communication addressed to the recipient group or individual, care of SunCom Wireless Holdings, Inc. Corporate Secretary, 1100 Cassatt Road, Berwyn, Pennsylvania 19312. Depending on the subject matter of the communication, it may be forwarded to the director(s) to whom it is addressed, handled directly by management, or not forwarded if it is primarily commercial in nature, if it relates to an improper or irrelevant topics or if it requires investigation to verify its content. Communications regarding accounting, internal controls over financial reporting or auditing matters will be delivered to and reviewed by the Audit Committee.
