It is anticipated that the mailing of this Proxy Statement and the accompanying Proxy to Stockholders will commence on or about April 21, 2004.

VOTING SECURITIES AND PRINCIPAL STOCKHOLDERS

Outstanding Shares And Voting Rights

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

Only holders of record of the Company's Common Stock, par value \$.10 per share ("Common Stock"), at the close of business on March 31, 2004, will be entitled to notice of and to vote at the Annual Meeting. On March 31, 2004, there were 4,929,539 shares of Common Stock outstanding. Each outstanding share of Common Stock is entitled to one vote on all matters, which vote may be given in person or by proxy. There are no cumulative voting rights.

The nine (9) nominees for director receiving the greatest number of votes cast by the holders of Common Stock will be elected directors.

If a quorum is present at the Annual Meeting, Proposal No. 2 to approve and adopt the 2004 Employee Incentive Stock Option Plan and Non-Statutory Stock Option Plan (the "2004 Stock Option Plan") requires a majority of the votes properly cast at the meeting. American Stock Exchange (or AMEX) rules require stockholder approval of the 2004 Stock Option Plan. Also, the stockholders must approve the proposal in order for incentive stock options issuable under the plan to qualify for favorable tax treatment under the Internal Revenue Code. Abstentions with respect to this proposal will count as being present and represented and entitled to vote, and will be included in calculating the number of votes cast. Abstentions will therefore have the effect of a vote "AGAINST" the proposal. Broker non-votes will not be included in calculating the number of vote cast on this proposal.

The affirmative vote of the holders of a majority of shares of Common Stock eligible to vote at the Annual Meeting is necessary for the approval of the proposal to ratify the selection by the Company of Eisner LLP to audit the financial statements of the Company for the fiscal year ending December 31, 2004.

Under Delaware law, shares as to which a stockholder abstains or withholds authority to vote and shares as to which a broker indicates that it does not have discretionary authority to vote ("broker non-votes") will be treated as present at the Annual Meeting for the purposes of determining a quorum. Proxies marked "Withhold Authority" with respect to the election of one or more directors will not be counted in determining who are the nine persons who received the greatest number of votes in the election of directors. Proxies marked "Abstain" with respect to the ratification of the selection of Eisner LLP to audit the financial statements of the Company for the fiscal year ending December 31, 2004, will have the effect of a vote against ratification.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES NAMED. PROXIES WILL BE VOTED "FOR" THE ELECTION OF THE NOMINEES NAMED IF NO DIRECTION IS GIVEN IN THE PROXIES.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Act") requires the Company's officers, directors and persons who own more than 10% of a class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based on (i) a review of copies of Forms 3, 4, and 5 and any amendments thereto furnished to the Company and (ii) statements signed by each responsible person regarding his or her obligation to file Forms 3, 4, and 5 during the fiscal year ended December 31, 2003, the Company believes that all persons subject to the reporting requirements pursuant to Section 16(a) filed the required reports on a timely basis.

9

Meetings And Compensation

During the fiscal year ended December 31, 2003, the Board of Directors held four meetings. Messrs. Benjamin Wm. Mehlman, Henry P. Globus, and Arthur Dresner were each absent for one meeting. All other Directors attended all four meetings. The Company does not have a policy with regard to directors' attendance at annual meetings. In 2003 only Mr. Dresner was absent at the annual meeting.

The Board of Directors has an Audit Committee to meet and review with the Company's independent auditors the plan, scope and results of its audits. Members of the Audit Committee are Messrs. Benjamin Wm. Mehlman, Arthur M. Dresner, and Andrew A. Boccone. All of the Audit Committee members are independent as that term is defined in Section 121(A) of the listing standards of the American Stock Exchange. Under newly adopted rules of the American Stock Exchange ("AMEX"), the Board of Directors is required to make certain findings about the independence and qualifications of the members of the Audit Committee

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

of the Board. In addition to assessing the independence of the members under AMEX rules, the Board also considered the requirements of Section 10A(m)(3) and Rule 10A-3 under the Securities Exchange Act of 1934. As a result of its review, the Board determined that all of the members of the Audit Committee are independent.

The Audit Committee does not have a financial expert because it did have one when the new requirement became effective, and the Board of Directors determined that the small size of the Company does not justify recruiting one. Instead Mr. Lawrence F. Maietta, a Certified Public Accountant and former member of the audit committee, now acts as an advisor to the audit committee. Mr. Maietta is not independent, as that term is defined by the listing standards of the American Stock Exchange.

There were four meetings in the fiscal year ended December 31, 2003. Committee members receive a fee of \$1,000.00 for the Annual Committee Meeting and \$500 for each quarterly meeting. Mr. Lawrence F. Maietta receives \$1,000 for the Annual Committee Meeting. The Committee Chairman, Mr. Arthur M. Dresner, receives an additional \$500.00 for each meeting and the member who records the minutes of each meeting receives an additional \$100.00.

The Board of Directors had a Stock Option Committee which met periodically to grant options under the 1993 Employee Incentive Stock Option Plan and the Non-Statutory Stock Option Plan For Directors, both of which have now expired. The committee consisted of two directors. No fee was paid to such committee members. There were no Stock Option Committee meetings during the fiscal year ended December 31, 2003.

The Board of Directors formed a Compensation Committee in 1999 for the purpose of recommending to the Board the compensation for corporate officers for the ensuing year. Members of the Compensation Committee are Messrs. Lawrence F. Maietta, Arthur Dresner, and Andrew A. Boccone. Kenneth H. Globus acts as advisor to the Committee representing management. The Committee held one meeting in 2003. Committee members receive a fee of \$1,000.00 for attending each meeting.

10

The Board does not have a Nominating Committee. The full Board of Directors fulfills the role of a nominating committee. Final selections are made by a majority of the independent directors. It is the position of the Board that it is appropriate for the Company not to have a separate nominating committee because the size, composition and collective independence of the Board enables it to adequately fulfill the functions of a standing committee. The Board will be studying the nominating process in light of the new disclosure requirements and expects to reach a conclusion on this issue soon. The American Stock Exchange does not require the Company to have a separate nominating committee but does require that board nominees be selected by either a nominating committee comprised solely of independent directors or by a majority of the of the independent directors. Within the meaning of the listing standards of the American Stock Exchange three directors are considered independent. They are Messrs. Benjamin W. Mehlman, Arthur M. Dresner, and Andrew A. Boccone.

Compensation of Directors -----

Non-officer directors receive a fee of \$1,500.00 for each meeting attended. All other directors receive \$1,000.00 for each meeting.

Audit Committee Report

The Audit Committee of the Board of Directors is comprised of three directors: Benjamin Wm. Mehlman, Arthur Dresner, and Andrew A. Boccone. All of the Audit Committee members are independent as that term is defined in Section 121(A) of the listing standards of the American Stock Exchange.

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities by reviewing the Company's consolidated financial reports, its internal financial and accounting controls, and its auditing, accounting and financial reporting processes generally. In June 2000, the Board of Directors approved and adopted a written Audit Committee Charter.

In discharging its oversight responsibilities regarding the audit process, the Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended December 31, 2003, with Company management and Eisner LLP ("Eisner"), the independent auditors. The Audit Committee received the written disclosures and the letter from Eisner required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with Eisner any relationships which might impair that firm's independence from management and the Company and satisfied itself as to the auditors' independence. The Audit Committee reviewed and discussed with Eisner all communications required by generally accepted auditing standards, including Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended.

Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

The foregoing Audit Committee Report shall not be deemed "filed" with the Securities and Exchange Commission or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934.

Principal Accountant Fees and Services

Audit Fees

The aggregate fees billed by Eisner LLP for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's quarterly reports on Form 10-QSB for FY-2003 were approximately \$49,000, including out of pocket expenses. In November, 2002 the Company changed its principal accounting firm to Eisner LLP from Grant Thornton. The aggregate fees billed by Grant Thornton for the reviews of the financial statements included in the Company's quarterly reports on Form 10-QSB for FY-2002 were estimated to be approximately \$12,000. (The actual fee paid to Grant Thornton in 2002 was an annual fee; as a result, the Company has used Eisner LLP's fee to estimate the amount of Grant Thornton's fee that would have related to the three quarterly reports). The aggregate fees billed by Eisner LLP for the audit of the Company's annual financial statements for FY-2002 were approximately \$35,417.

Audit-Related Fees

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

Tax Fees

There were no other fees billed by Eisner LLP or Grant Thornton during the last two fiscal years that related to tax preparation or compliance that were not reported under "Audit Fees" above.

All Other Fees

There were no other fees billed by Eisner LLP or Grant Thornton during the last two fiscal years for other products and services provided by Eisner LLP or Grant Thornton.

Pre-Approval Policies for Audit Services

The Audit Committee recommends to Company management a number of public accounting firms who are to be considered for audit and non-audit services. Company management meets with the recommended firms and after receiving proposals from these firms presents this information to the Audit Committee for final review and selection by the Committee.

approved and adopted a new stock option plan (the "Plan"), subject to the approval of the Company's stockholders. The Plan provides for the granting of two types of stock options ("Options") to acquire common stock of the Company ("Stock"): (a) options that qualify under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") ("Incentive Stock Options"); and (b) options that do not qualify under Section 422 of the Code ("Non-Qualified Stock Options"). It will be administered by a committee of two or more Directors selected by the Board of Directors, which shall determine when and to whom Options shall be granted, whether an Option is an Incentive Stock Option or a Non-Qualified Stock Option, the number of shares of Stock, the exercise price, and the duration of each Option.

Incentive Stock Options may be granted to any employees of the Company ("Employees"). Non-Qualified Stock Options may be granted to Employees and to such other persons, including directors, officers and consultants of the Company who are not Employees. A grantee of Options under this Plan is referred to as an "Optionee". Currently, approximately 43 officers and employees of the Company (including all of our named executive officers), and each of our five non-employee directors, are considered eligible under the Plan at the present time.

The stock option committee is authorized to grant Options to acquire up to a total of up to 500,000 shares of Stock. In the event that any outstanding Option expires or is terminated for any reason, the Stock allocable to the unexercised portion of such Option may again be subject to an Option; however, any cancelled Options will be counted against the maximum number of shares with respect to which Options may be granted to any particular person.

Each Option granted under this Plan shall be evidenced by a written agreement that specifies the number of shares of Stock to which it pertains, whether the Option is intended to be an Incentive Stock Option or a

Non-Qualified Stock Option, the date of the grant, the exercise price (which shall not be less than the fair market value of the stock on the date of the grant (or not less than 110% of the fair market value at the date of grant in the case of greater-than-ten percent (>10%) shareholders ("Ten Percent Holders")).

No person shall be granted options to purchase more than 50,000 shares of Stock, and the aggregate fair market value of the Stock with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year granted under this Plan and all other Incentive Stock Option plans of the Company shall not exceed \$100,000.

Options shall be exercisable after one (1) year from the date of grant and shall expire ten (10) years from the grant date, with the exception of Incentive Stock Options granted to Ten Percent Holders, which shall expire five (5) years from the grant date. In addition, in the case of Employees, Options shall also terminate (a) on the date an Optionee's employment with the Company is terminated for cause; (b) the expiration of 30 days from the date of an Optionee's employment is terminated for reasons other than cause; (c) the expiration of one year from termination of an Optionee's employment by reason of death; or (d) the expiration of six months from termination of an Optionee's employment by reason of disability. In the case of Directors, Options will also terminate (a) on the date of an Optionee is removed as a director for cause; (b) the expiration of one year from the Optionee's date of the death; (c) six (6) months from cessation of the Optionee's service as a director of the Company by reason of disability; and (d) 30 days from the date the Optionee ceases to serve

15

as a director for reasons other than cause (unless the Optionee continues to be engaged by the Company as an Employee, officer or consultant).

If less than all of the shares included in any Option are purchased, the remainder may be purchased at any subsequent time prior to the expiration of the Option term. Options or portions thereof may be exercised by giving written notice to the Company, which shall be accompanied by (a) full payment in the form of cash, certified or cashier's check; or (b) irrevocable instructions to a broker to promptly sell a sufficient portion of the Stock and deliver directly to the Company the amount of sale proceeds necessary to pay the exercise price ("cashless exercise");

Unless sooner terminated by the Board of Directors, the Plan shall terminate on the tenth anniversary of the effective date.

A copy of the proposed Plan as approved and adopted by the Board of Directors is attached as Exhibit "A" to this Proxy Statement.

If a quorum is present at the Annual Meeting, Proposal No. 2 to approve and adopt the Plan requires a majority of the votes properly cast at the meeting. American Stock Exchange (or AMEX) rules require stockholder approval of the Plan. Also, stockholders must approve the proposal in order for incentive stock options issuable under the plan to qualify for favorable tax treatment under the Internal Revenue Code. Abstentions with respect to this proposal will count as being present and represented and entitled to vote, and will be included in calculating the number of votes cast. Abstentions will therefore have the effect of a vote "AGAINST" the proposal. Broker non-votes will not be included in calculating the number of votes cast on this proposal.

All members of our Board of Directors are eligible for non-qualified stock option awards under the Plan and thus have a personal interest in the approval of the Plan.

The Annual Report to Stockholders for the fiscal year ended December 31, 2003 accompanies this Proxy Statement.

STOCKHOLDER PROPOSALS

Proposals of stockholders for possible consideration at the 2005 Annual Meeting (expected to be held in May 2005) must be received by the Secretary of the Company not later than December 15, 2004 to be considered for inclusion in the proxy statement for that meeting if appropriate for consideration under applicable securities laws. The proxy for the 2005 Annual Meeting may confer discretionary authority to the proxy holders for that meeting with respect to voting on any stockholder proposal received by the Secretary of the Company after March 1, 2005. Stockholders who wish to make a proposal at the 2005 Annual Meeting—other than one that will be included in the Company's proxy materials—must notify the Company no earlier than November 15, 2004 and no later than December 15, 2004. If a stockholder who wishes to present a proposal fails to notify the Company by December 15, 2004, the stockholder would not be entitled to present the proposal at the meeting. If, however, notwithstanding the foregoing procedure, the proposal is brought before the meeting, then under the Securities and Exchange Commission's proxy rules the proxies solicited by management with respect to the 2005 Annual Meeting will confer discretionary voting authority with respect to the stockholder's proposal on the persons selected by management to vote proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the Securities and Exchange Commission's proxy rules.

EXHIBIT "A"

UNITED-GUARDIAN, INC.
2004 STOCK OPTION PLAN

1. PURPOSE

United-Guardian, Inc., a Delaware corporation (the "Company"), has adopted this 2004 Stock Option Plan (the "Plan"), effective as of March 23, 2004 ("Effective Date"), to (a) provide additional incentive for Employees to further the growth, development and financial success of the Company by personally benefiting through the ownership of Company stock, and (b) enable the Company to obtain and retain the services of Employees, members of its Board of Directors ("Director"), and consultants considered essential to the long range success of

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

the Company.

The Plan provides for the granting of two types of stock options ("Options") to acquire common stock of the Company ("Stock"):

a. Options that qualify under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), which will be referred to in this Plan as "Incentive Stock Options"; and

b. Options that do not qualify under Section 422 of the Code, which will be referred to in this Plan as "Non-Qualified Stock Options".

This Plan shall at all times be subject to all legal requirements relating to the administration of stock option plans, if any, under applicable corporate laws, applicable United States federal and state securities laws, the Code, the rules of any applicable stock exchange or stock quotation system, and the rules of any foreign jurisdiction applicable to Options granted to residents therein (collectively, the "Applicable Laws").

19

2. ADMINISTRATION

a. This Plan shall be administered by a committee of two (2) or more Directors ("Committee") selected by the Board of Directors ("Board"). The Board will have the right to replace at any time a Committee member, or fill any vacancy. Any dispute among the two Committee members will be resolved by a majority of disinterested directors.

b. If and so long as the Common Stock is registered under Section 12(b) or 12(g) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Board shall consider in selecting the Committee, with respect to any persons subject or likely to become subject to Section 16 of the Exchange Act, the provisions regarding (a) "outside directors" as contemplated by Section 162(m) of the Code, and (b) "Non-Employee Directors" as contemplated by Rule 16b-3 under the Exchange Act.

c. The Committee shall have the powers and authority vested in the Board hereunder (including the power and authority to interpret any provision of the Plan or of any Option). The members of any such Committee shall serve at the pleasure of the Board. All decisions and actions of the Committee shall be taken unanimously by both members. Any action may be taken by a written instrument signed by both members of the Committee and any action so taken shall be fully effective as if it had been taken at a meeting. Subject to the provisions of this Plan and any Applicable Laws, and with a view to effecting its purpose, the Committee shall have sole authority, in its absolute discretion, to:

- i. construe and interpret this Plan;
- ii. define the terms used in the Plan;
- iii. amend and rescind the rules and regulations relating to this Plan;
- iv. correct any defect, supply any omission or reconcile any inconsistency in this Plan;
- v. grant both Incentive Stock Options and Non-Qualified Stock Options under this Plan;
- vi. determine the individuals to whom Options shall be granted under this Plan and whether an Option is an Incentive Stock Option or a Non-Qualified Stock Option;

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

vii. determine the time or times at which Incentive Stock Options and Non-Qualified Stock Options shall be granted under this Plan;

viii. determine the amount of Stock subject to each Incentive Stock Option or Non-Qualified Stock Option, the exercise price of each Incentive Stock Option or Non-Qualified Stock Option, and the duration of each Incentive Stock Option or Non-Qualified Stock Option;

ix. determine all other terms and conditions of the Incentive Stock Options and Non-Qualified Stock Options;

x. make all other determinations and interpretations necessary and advisable for the administration of the Plan.

20

All decisions, determinations and interpretations made by the Committee shall be binding and conclusive on all participants in the Plan and on their legal representatives, heirs and beneficiaries

3. ELIGIBILITY

a. Incentive Stock Options may be granted to any individual who, at the time the Incentive Stock Option is granted, is an employee of the Company ("Employees").

b. Non-Qualified Stock Options may be granted to Employees and to such other persons, including directors, officers and consultants of the Company who are not Employees as the Committee shall select, subject to any Applicable Laws.

c. Options may be granted in substitution for outstanding Options of another corporation in connection with the merger, consolidation, acquisition of property or stock or other reorganization between such other corporation and the Company or any subsidiary of the Company. Options also may be granted in exchange for outstanding Options.

d. Any person to whom an Option is granted under this Plan is referred to as an "Optionee". Any person who is the owner of an Option is referred to as a "Holder".

4. STOCK

The Committee is authorized to grant Options to acquire up to a total of up to 200,000 shares of Stock. The amount of Stock with respect to which Options may be granted hereunder is subject to adjustment as set forth in Section 5(k) hereof. In the event that any outstanding Option expires or is terminated for any reason, the Stock allocable to the unexercised portion of such Option may again be subject to an Option granted to the same Optionee or to a different person eligible under Section 3 of this Plan; provided however, that any cancelled Options will be counted against the maximum number of shares with respect to which Options may be granted to any particular person as set forth in Section 5 hereof.

5. TERMS AND CONDITIONS OF OPTIONS

Each Option granted under this Plan shall be evidenced by a written agreement approved by the Committee ("Option Agreement"). Option Agreements may contain such provisions, not inconsistent with this Plan or any Applicable Laws, as the Committee in its discretion may deem advisable. All Options also shall comply with the following requirements:

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

a. Number of Shares and Type of Option. Each Option Agreement shall specify the number of shares of Stock to which it pertains and whether the Option is intended to be an Incentive Stock Option or a Non-Qualified Stock Option; provided that:

i. the amount of Stock that may be reserved pursuant to the exercise of Options granted to any person shall not exceed 50,000 shares of Stock and the amount of Stock that may be reserved pursuant to the exercise of Incentive Stock Options granted to any person shall not exceed 50,000 shares of Stock;

21

ii. the aggregate fair market value (determined at the Date of Grant, as defined below) of the Stock with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year granted under this Plan and all other Incentive Stock Option plans of the Company shall not exceed \$100,000, or such other limit as may be prescribed by the Code as it may be amended from time to time (the "Annual Limit"); and

iii. any portion of an Option which exceeds the Annual Limit shall not be void but rather shall be a Non-Qualified Stock Option.

b. Date of Grant. Each Option Agreement shall state the date the Committee has deemed to be the effective date of the Option for purposes of this Plan (the "Date of Grant").

c. Option Price. Each Option Agreement shall state the price per Common Share at which it is exercisable. The Committee shall act in good faith to establish the exercise price in accordance with Applicable Laws; provided that:

i. the per share exercise price for an Option shall not be less than the fair market value per Common Share at the Date of Grant as determined by the Committee in good faith;

ii. with respect to Incentive Stock Options granted to greater-than-ten percent (>10%) shareholders of the Company (as determined with reference to Section 424(d) of the Code), the exercise price per share shall not be less than one hundred ten percent (110%) of the fair market value at the Date of Grant as determined by the Committee in good faith;

d. Vesting and Duration. All Options granted under this Plan shall be exercisable after one (1) year from the Date of Grant, and shall expire ten (10) years from the Date of Grant with the exception of Incentive Stock Options granted to Ten Percent Holders, which shall expire five (5) years from the Date of Grant.

e. Termination

i. To the extent not previously exercised, Options shall terminate upon the occurrence of the first of the following events:

1. the expiration of the Option

2. the date an Optionee's employment or contractual relationship with the Company is terminated for cause (as determined by the Committee, acting reasonably);

3. the expiration of 30 days from the date of an Optionee's employment or contractual relationship with the Company is terminated for any

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

reason whatsoever other than cause, death or Disability (as defined below); or

4. the expiration of one year from termination of an Optionee's employment or contractual relationship by reason of death, or the expiration of six months from termination of an Optionee's employment or contractual relationship by reason of Disability (as defined below).

ii. Notwithstanding clause (e)(i) above, any Options that have been granted to the Optionee in the Optionee's capacity as a Director shall terminate upon the occurrence of the first of the following events:

22

1. the expiration of the Option

2. the date of an Optionee is removed as a director for cause (as determined by the Committee, acting reasonably);

3. the expiration of one year from the date of the death of the Optionee, or six (6) months from cessation of the Optionee's service as a director of the Company by reason of Disability (as defined below); and

4. the expiration of 30 days from the date the Optionee ceases to serve as a director of the Company unless the Optionee continues to be engaged by the Company as an Employee, officer or consultant and in such case, the terms of the Option shall be governed by the provisions of clause (e)(i) of this section.

iii. Upon the death of an Optionee, any vested Options held by the Optionee shall be exercisable only by the person or persons to whom such Optionee's rights under such Option shall pass by the Optionee's will or by the laws of descent and distribution of the Optionee's domicile at the time of death and only until such Options terminate as provided above.

iv. For purposes of the Plan, unless otherwise defined in the Option Agreement, "Disability" shall mean medically determinable physical or mental disability which no accommodation otherwise required under the Americans with Disabilities Act can be made and which has lasted or can be expected to last for a continuous period of not less than twelve (12) months or that can be expected to result in death. The Committee shall determine whether an Optionee has incurred a Disability on the basis of medical evidence acceptable to the Committee. Upon making a determination of Disability, the Committee shall, for purposes of the Plan, determine the date of an Optionee's termination of employment or contractual relationship.

v. For purposes of this Plan, Employment shall be deemed to continue while the Optionee is on military leave, sick leave or other bona fide leave of absence (as determined by the Committee), but under no circumstances beyond the first ninety (90) days of such leave, unless the Optionee's re-employment rights are guaranteed by statute or by contract.

f. Exercise of Options.

i. Options shall be exercisable, in full or in part, at any time after one year from the Date of Grant until termination. If less than all of the shares of any Option are purchased, the remainder may be purchased at any subsequent time prior to the expiration of the Option term. Only whole shares may be issued pursuant to an Option, and to the extent that an Option covers less than one (1) share, it is unexercisable.

ii. Options or portions thereof may be exercised by giving written notice to the Company, which notice shall specify the number of shares to be

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

purchased, and be accompanied by payment in the amount of the aggregate exercise price for the Stock so purchased, which payment shall be in the form specified in paragraph (g) below in this section. The Company shall not be obligated to issue, transfer or deliver a certificate representing Stock to the Holder of any Option, until provision has been made by the Holder, to the satisfaction of the Company, for the payment of the aggregate exercise price for all shares for which the Option shall have been exercised and for satisfaction of any tax withholding obligations associated with such exercise. During the lifetime of an Optionee, Options are exercisable only by the Optionee.

23

g. Payment upon Exercise of Option.

Upon the exercise of any Option, the aggregate exercise price shall be paid to the Company in cash, certified or cashier's check, or such other payment method acceptable to the Company. In addition, if pre-approved in writing by the Committee, which may arbitrarily withhold consent, the Holder may pay for all or any portion of the aggregate exercise price by complying with one or more of the following alternatives:

i. by delivering a properly executed exercise notice together with irrevocable instructions to a broker to promptly sell a sufficient portion of the Stock and deliver directly to the Company the amount of sale proceeds necessary to pay the exercise price ("cashless exercise"); or

ii. by complying with any other payment mechanism approved by the Committee at the time of exercise.

h. No Rights as a Shareholder. A Holder shall have no rights as a shareholder with respect to any Stock covered by an Option until such Holder becomes a record holder of such Stock, irrespective of whether such Holder has given notice of exercise. Subject to the provisions of paragraph (k) in this section, no rights shall accrue to a Holder and no adjustments shall be made on account of dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights declared on, or created in, the Stock for which the record date is prior to the date the Holder becomes a record holder of the Stock covered by the Option, irrespective of whether such Holder has given notice of exercise.

i. Non-transferability of Options. Options granted under this Plan and the rights and privileges conferred by this Plan may not be transferred, assigned, pledged or hypothecated in any manner (whether by operation of law or otherwise) other than by will, by applicable laws of descent and distribution, and shall not be subject to execution, attachment or similar process. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of any Option or of any right or privilege conferred by this Plan contrary to the provisions hereof, or upon the sale, levy or any attachment or similar process upon the rights and privileges conferred by this Plan, such Option shall thereupon terminate and become null and void.

j. Securities Regulation and Tax Withholding

i. Stock shall not be issued with respect to an Option unless the exercise of such Option and the issuance and delivery of such Stock shall comply with all Applicable Laws, and such issuance shall be further subject to the approval of counsel for the Company with respect to such compliance, including the availability of an exemption from prospectus and registration requirements for the issuance and sale of such Stock. The inability of the Company to obtain from any regulatory body the authority deemed by the Company to be necessary for the lawful issuance and sale of any Stock under this Plan, or the unavailability of an exemption from prospectus and registration requirements for the issuance

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

and sale of any Stock under this Plan, shall relieve the Company of any liability with respect to the non-issuance or sale of such Stock.

ii. By accepting an Option, the Optionee represents and agrees that none of the Stock purchased upon exercise of the Option will be distributed in violation of any Applicable Laws. As a condition to the exercise of an Option,

24

the Committee may require the Holder to represent and warrant in writing at the time of such exercise that the Stock is being purchased only for investment and without then-present intention to sell or distribute such Stock. If necessary under Applicable Laws, the Committee may cause a stop-transfer order against such Stock to be placed on the stock books and records of the Company, and a legend indicating that such Stock may not be pledged, sold or otherwise transferred unless an opinion of counsel is provided stating that such transfer is not in violation of any Applicable Laws, may be stamped on the certificates representing such Stock in order to assure an exemption from registration. The Committee also may require such other documentation as may from time to time be necessary to comply with applicable securities laws. THE COMPANY HAS NO OBLIGATION TO UNDERTAKE REGISTRATION OF OPTIONS OR THE COMMON SHARES ISSUABLE UPON THE EXERCISE OF OPTIONS.

iii. Unless other arrangements are made, the Holder shall be responsible for the payment of all federal, state, local and foreign withholding taxes related to the exercise of an Option, and the Company shall have the Holder sign an acknowledgment of that responsibility. The Company shall, however, assess to, and/or withhold from, the Holder any taxes that the Company is legally required to assess or withhold, including but not limited to FICA.

k. Adjustments Upon Changes In Capitalization

i. The aggregate number and class of shares for which Options may be granted under this Plan, the number and class of shares covered by each outstanding Option, and the exercise price per share thereof (but not the total price), and each such Option, shall all be proportionately adjusted for any increase or decrease in the number of issued Stock of the Company resulting from:

1. a subdivision or consolidation of shares or any like capital adjustment, or

2. the issuance of any Stock, or securities exchangeable for or convertible into Stock, to the holders of all or substantially all of the outstanding Stock by way of a stock dividend (other than the issue of Stock, or securities exchangeable for or convertible into Stock, to holders of Stock pursuant to their exercise of options to receive dividends in the form of Stock, or securities convertible into Stock, in lieu of dividends paid in the ordinary course on the Stock).

ii. Except as provided in sub-paragraph (iii) of this section hereof, upon a merger (other than a merger of the Company in which the holders of Stock immediately prior to the merger have the same proportionate ownership of common stock in the surviving corporation immediately after the merger), consolidation, acquisition of property or stock, separation, reorganization (other than a mere re-incorporation or the creation of a holding corporation) or liquidation of the Company, as a result of which the shareholders of the Company, receive cash, shares or other property in exchange for or in connection with their Stock, any Option granted hereunder shall terminate, but the Holder shall have the right to exercise such Holder's vested Option immediately prior to any such merger, consolidation, acquisition of property or shares, separation, reorganization or liquidation, and to be treated as a shareholder of record for the purposes

Edgar Filing: UNITED GUARDIAN INC - Form DEF 14A

thereof, to the extent the vesting requirements set forth in the Option Agreement have been satisfied.

25

iii. If the shareholders of the Company receive shares in the capital of another corporation ("Exchange Shares") in exchange for their Stock in any transaction involving a merger (other than a merger of the Company in which the holders of Stock immediately prior to the merger have the same proportionate ownership of Stock in the surviving corporation immediately after the merger), consolidation, acquisition of property or shares, separation or reorganization (other than a mere re-incorporation or the creation of a holding corporation), all Options granted hereunder shall be converted into options to purchase Exchange Shares unless the Company and the corporation issuing the Exchange Shares, in their sole discretion, determine that any or all such Options granted hereunder shall not be converted into options to purchase Exchange Shares but instead shall terminate in accordance with, and subject to the Holder's right to exercise the Holder's Options pursuant to, the provisions of sub-paragraph (ii) of this section. The amount and price of converted options shall be determined

by adjusting the amount and price of the Options granted hereunder in the same proportion as used for determining the number of Exchange Shares the holders of the Stock receive in such merger, consolidation, acquisition or property or stock, separation or reorganization. Unless accelerated by the Board, the vesting schedule set forth in the Option Agreement shall continue to apply to the options granted for the Exchange Shares.

iv. In the event of any adjustment in the amount of Stock covered by any Option, any fractional shares resulting from such adjustment shall be disregarded and each such Option shall cover only the number of full shares resulting from such adjustment.

v. All adjustments pursuant to this section shall be made by the Committee, and its determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive.

vi. The grant of an Option shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge, consolidate or dissolve, to liquidate or to sell or transfer all or any part of its business or assets.

6. EFFECTIVE DATE; AMENDMENT; SHAREHOLDER APPROVAL

a. Options may be granted by the Committee from time to time on or after the Effective Date.

b. Unless sooner terminated by the Board, this Plan shall terminate on the tenth anniversary of the Effective Date. No Option may be granted after such termination or during any suspension of this Plan.

c. Any Incentive Stock Options granted by the Committee prior to the ratification of this Plan by the shareholders of the Company shall be granted subject to approval of this Plan by the holders of a majority of the Company's outstanding voting shares within twelve (12) months before or after the Effective Date. If such shareholder approval is sought and not obtained, all such Incentive Stock Options granted prior thereto and thereafter shall be considered Non-Qualified Stock Options and any such Incentive Stock Options granted to Covered Employees will not be eligible for the exclusion set forth in Section 162(m) of the Code with respect to the deductibility by the Company of certain compensation.

7. NO OBLIGATIONS TO EXERCISE OPTION

The grant of an Option shall impose no obligation upon the Optionee to exercise such Option.

8. NO RIGHT TO OPTIONS OR TO EMPLOYMENT

Whether or not any Options are to be granted under this Plan shall be exclusively within the discretion of the Committee, and nothing contained in this Plan shall be construed as giving any person any right to participate under this Plan. The grant of an Option shall in no way constitute any form of agreement or understanding binding on the Company, express or implied, that the Company will employ or contract with an Optionee for any length of time, nor shall it interfere in any way with the Company's right to terminate Optionee's employment at any time, which right is hereby reserved.

9. APPLICATION OF FUNDS

The proceeds received by the Company from the sale of Stock issued upon the exercise of Options shall be used for general corporate purposes, unless otherwise directed by the Board.

10. INDEMNIFICATION OF COMMITTEE

In addition to all other rights of indemnification they may have as members of the Board, members of the Committee shall be indemnified by the Company for all reasonable expenses and liabilities of any type or nature, including attorneys' fees, incurred in connection with any action, suit or proceeding to which they or any of them are a party by reason of, or in connection with, this Plan or any Option granted under this Plan, and against all amounts paid by them in settlement thereof (provided that such settlement is approved by independent legal counsel selected by the Company), except to the extent that such expenses relate to matters for which it is adjudged that such Committee member is liable for willful misconduct; provided, that within fifteen (15) days after the institution of any such action, suit or proceeding, the Committee member involved therein shall, in writing, notify the Company of such action, suit or proceeding, so that the Company may have the opportunity to make appropriate arrangements to prosecute or defend the same.

11. AMENDMENT OF PLAN
