Item 1.01 Entry into a Material Definitive Agreement

On April 16, 2012, Intellicell Biosciences, Inc. our wholly owned subsidiary (the “Company”), entered into a technology license and administrative services agreement (the “Agreement”) with Regen Medical P.C., the medical practice which is owned by, and through which, our Chief Executive Officer, Dr. Steven Victor, engages in the practice of Cosmetic Dermatology (“Regen Medical”). Pursuant to the Agreement, the Company, among other things, (i) granted Regen Medical the non-exclusive and non-assignable license to utilize the Company's proprietary process and technology for its patients, (ii) granted Regen Medical a license to use a laboratory which can be used by Regen Medical for use of the Company's proprietary process and (iii) was appointed as the exclusive manager and administrator of Regen Medical's operations which relates to the implementation of the Company's proprietary process as well as Regen Medical's cosmetic dermatology practice, and (iv) was appointed the sole provider of non-medical managerial, administrative and business functions for Regen Medical's cosmetic dermatology practice. The Agreement is effective as of April 16, 2012 and shall continue until April 16, 2017. The Agreement shall thereafter be automatically renewed for successive five year periods unless either party shall notify the other in writing of its intention not to renew the Agreement, which notice shall be given at least 12 months but no more than 15 months prior to the expiration of the then current term. Either party may terminate the Agreement, for among other things, the failure to cure a material breach of the agreement within 30 days after receipt of written notice or in the event any state or federal laws or regulations, now existing or enacted or promulgated after the effective date, are interpreted in such a manner as to indicate that the structure of the agreement may be in violation of any such laws or regulations.

In consideration for the services to be provided under the Agreement, Regen Medical shall pay the Company (i) an annual administrative fee of \$600,000, payable in equal monthly installments during the term of the term of the agreement (subject to an annual increase of up to a maximum of ten percent (10%) beginning on the second anniversary of the effective date), (ii) an annual technology license fee of \$120,000, payable in equal monthly installments during the term of the term of the agreement, for the use of our proprietary process (including the laboratory and the laboratory technician) and (iii) a processing fee of \$1,000 for each tissue processing case that utilizes our proprietary process. The Company shall also be entitled to a an annual performance fee during the term of either (i) \$150,000, in the event total income to Regen Medical exceeds \$5,500,000 or (ii) \$200,000, in the event that total income to Regen Medical exceeds \$7,000,000. In addition, beginning on October 16, 2013 and on each six month anniversary thereafter during the term, the Company shall be entitled to a share of Regen Medical's Savings (as defined below), minus its share of any Loss (as defined below”), based upon an agreed upon base burden percentage for Regen Medical (the “Base Burden Percentage”). The Base Burden Percentage shall be calculated by dividing (a) the aggregate actual costs of Regen Medical paid by the Company during the period ending on December 31, 2011 by (b) the aggregate revenue of Regen Medical collected by the Company during the period ending on December 31, 2011; provided, however, that the Base Burden Percentage shall be recalculated on January 1, 2013 and every 12 months thereafter during the term by dividing (i) the aggregate actual costs for the Regen Medical paid by the Company during the preceding three six-month periods by (ii) the aggregate Savings or Loss shall be calculated by subtracting (a) the aggregate actual costs for the Regen Medical paid by the Company during the preceding Period from (b) an amount equal to (I) the Base Burden Percentage multiplied by (ii) the aggregate revenue of the Regen Medical collected by the Company during the preceding Period (the “Burden Amount”). If the Burden Amount exceeds the Period Actual Costs (the “Savings”) or the Period Actual Costs exceed the Burden Amount (the “Loss”), Regen Medical and the Company shall share such Savings or Loss 65% for the account of the Regen Medical and 35% for the account of the Company.

The foregoing information is a summary of the agreement involved in the transaction described above, is not complete, and is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as an exhibit to this Current Report on Form 8-K.
