Part III - Narrative

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, N-SAR or the transition report or portion thereof, could not be filed within the prescribed time period.

Due to extraordinary demands on the registrant's staff due to pending negotiations for disposition of a subsidiary company (Rocky Mountain Gas, Inc.), as reported on Form 8-K filed February 28, 2005, the registrant's financial statements for the year ended December 31, 2004 have not been completed. The Form 10-K, including the financial statements with audit report, will be filed by the close of business on Friday, April 15, 2005.

Due to the significance of the full year financial statements on the disclosures in the Form 10-K, the registrant does not believe that any portion of the Form 10-K should be filed without the audited financial statements.
