- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act

## Section 8 Other Event

### Item 8.01. Other Event

The Arbitration Panel (“Panel”) in the Nukem uranium case, held a Status Conference Hearing in Denver, Colorado on August 26, 2005 to consider the procedures, schedule and scope of the remand. The U.S. District Court of Colorado previously remanded the case to the Panel pursuant to the mandate of the 10<sup>th</sup> Circuit Court of Appeals to clarify the following issues:

1. The definition of “Purchase rights” and the “profits there from” including the valuation of either that are contained in the Constructive Trust;
2. The duration of the Constructive Trust;
3. What costs should be deducted when computing the value of the Constructive Trust; and
4. Whether prejudgment interest should be awarded on the value of the Constructive Trust.

On August 26, 2005, the Panel directed the parties to make written submissions to resolve the issues concerning the definition of the Constructive Trust and its components (e.g. purchase rights). The Panel issued a written order on August 31, 2005 confirming this directive. Nukem’s request to present new facts and evidence on the issue of the Constructive Trust was rejected by the Panel. All submissions are specifically limited to the facts introduced into evidence before the Panel in the 1994 and 1995 hearings, currently in the record. Initial submissions to the Panel are due on November 4, 2005 and reply submissions are due on December 6, 2005. A one day hearing will be held in New York City on December 20, 2005.

For information on the Nukem litigation, please see the Form 10-K for the year ended December 31, 2004.

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

U.S. ENERGY CORP.
