**Item 8.01. Other Event**

On June 12, 2006, U.S. Energy Corp. (“USE”) received the Final Arbitration Award from the Arbitrator in the litigation initiated by Coastline Capital Partners as plaintiff (USE as defendant) in May 2005, in U.S. District Court, District of Wyoming. The parties agreed to binding arbitration on March 30, 2006, and the matter was tried before the Arbitrator on April 18 and 19, 2006. For information on the background of the dispute, please see Item 1 of Part II in USE’s Form 10-Q for the three months ended March 31, 2006.

The Arbitrator found in favor of the plaintiff for recovery of partial performance fees related to a breach of contract claim, related to an engagement letter and various transactions in 2004. Pursuant to an agreement between the parties setting the lower and upper limits of recovery from arbitration, USE will pay the maximum amount (\$395,000) to Coastline. Upon payment, the dispute is fully resolved and will be dismissed with prejudice by the parties. Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
