PROXY STATEMENT

INTRODUCTION

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and form of proxy are being furnished to the holders of common stock of Steven Madden, Ltd., a Delaware corporation (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") for use at the 2004 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Company's showroom located at 1370 Avenue of the Americas, 12th Floor, New York, New York on Friday, May 21, 2004 at 10:00 a.m, Eastern Daylight Time, and at any adjournments thereof. These proxy materials are being sent on or about April 28, 2004 to holders of record of common stock, \$.0001 par value (the "Common Stock"), of the Company at the close of business on April 8, 2004 (the "Record Date"). The Company's Annual Report for the fiscal year ended December 31, 2003, including audited financial statements, is being sent to stockholders together with these proxy materials.

The Annual Meeting has been called to consider and take action on the following proposals: (i) to elect seven (7) directors to the Board of Directors of the Company to serve until the next annual meeting of the Company's stockholders or until their successors are duly elected and qualified, (ii) to approve an amendment to the Company's 1999 Stock Plan (the "Plan") to increase

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

the maximum number of shares of the Company's common stock available for issuance under the plan from 2,920,000 shares to 3,220,000 shares, (iii) to ratify the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2004, and (iv) to transact such other business as may properly come before the Annual Meeting or any adjournments thereof. The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the proxy will vote on such other matters and/or for other nominees in accordance with their best judgment. The Company's Board of Directors recommends that the stockholders vote in favor of each of the proposals. Only holders of record of common stock, \$.0001 par value (the "Common Stock"), of the Company at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

The principal executive offices of the Company are located at 52-16 Barnett Avenue, Long Island City, NY 11104 and its telephone number is (718) 446-1800.

INFORMATION CONCERNING SOLICITATION AND VOTING

As of the Record Date, there were outstanding 13,333,905 shares of Common Stock (excluding treasury shares) held by approximately 70 holders of record and 3,400 beneficial owners. Only holders of shares of Common Stock on the Record Date will be entitled to vote at the Annual Meeting. The holders of Common Stock are entitled to one vote on all matters presented at the meeting for each share held of record. The presence in person or by proxy of holders of record of a majority of the shares outstanding and entitled to vote as of the Record Date shall be required for a quorum to transact business at the Annual Meeting. If a quorum should not be present, the Annual Meeting may be adjourned until a quorum is obtained. Each nominee to be elected as a director named in Proposal 1 must receive a plurality of the votes cast by the holders of Common Stock present in person or represented by proxy at the Annual Meeting with respect to such proposal. Each of the amendments to the Company's 1999 Stock Plan described in Proposal 2 and the ratification of the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2004 described in Proposal 3 must be approved by the affirmative vote of the holders of a majority of the total votes cast on such proposals in person or by proxy. Abstentions and broker non-votes are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum of shares is present at the meeting. An abstention from a vote with respect to Proposal 1 will have no effect. An abstention from a vote with respect to Proposal 2 or 3 will have the same practical effect as a vote against such proposal. Broker "non-votes" are not deemed to be "votes cast." As a result, broker "non-votes" are not included in the tabulation of the voting result on the election of directors or issues requiring approval of a majority of the

-1-

votes cast and, therefore, do not have the effect of votes in opposition in such tabulations and as such will have the practical effect of reducing the number of affirmative votes required to achieve a majority vote for a matter by reducing the total number of shares from which a majority is calculated. Brokers who hold shares in street name who have not been given specific voting instructions may not vote on behalf of beneficial owners with respect to Proposal 2. Brokers who hold shares in street name may vote on behalf of beneficial owners with respect to Proposals 1, 3 and 4. The approval of all other matters to be considered at the Annual Meeting requires the affirmative vote of a majority of the eligible votes cast at the Annual Meeting on such matters.

The expense of preparing, printing and mailing this Proxy Statement, the exhibits hereto and the proxies solicited hereby will be borne by the

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interviews, telephone, telegraph or facsimile transmission. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges. The Company has entered into an agreement with The Proxy Advisory Group of Strategic Stock Surveillance, LLC to assist the Company in the solicitation of proxies for the Annual Meeting. Under the agreement, the Company has agreed to pay The Proxy Advisory Group of Strategic Stock Surveillance, LLC a fee of approximately \$15,000 plus disbursements.

Proxies given by stockholders of record for use at the Annual Meeting may be revoked at any time prior to the exercise of the powers conferred. In addition to revocation in any other manner permitted by law, stockholders of record giving a proxy may revoke the proxy by an instrument in writing, executed by the stockholder or his attorney authorized in writing or, if the stockholder is a corporation, under its corporate seal, by an officer or attorney thereof duly authorized, and deposited either at the corporate headquarters of the Company at any time up to and including the last business day preceding the day of the Annual Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of such Annual Meeting on the day of the Annual Meeting or adjournment thereof, and upon either of such deposits the proxy is revoked.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS NAMED IN THE PROXY WITH RESPECT TO ANY OTHER BUSINESS THAT MAY COME BEFORE THE ANNUAL MEETING.

None of the matters to be acted on at the Annual Meeting give rise to any statutory right of a stockholder to dissent and obtain the appraisal of or payment for such stockholder's shares.

The Audit Committee is primarily responsible for reviewing the services performed by the Company's independent public accountants, evaluating the Company's accounting policies and its system of internal controls, and reviewing significant finance transactions. During 2003, the Audit Committee met nine (9) times.

The Audit Committee is responsible for reviewing and helping to ensure the integrity of the Company's financial statements. Among other matters, the Audit Committee, with management and independent and internal auditors, reviews the adequacy of the Company's internal accounting controls that could significantly affect the Company's financial statements. The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company's independent accountants. In addition, the Audit Committee also functions as the Company's Qualified Legal Compliance Committee (the "QLCC"). The purpose of the QLCC is to receive, retain and investigate reports made directly, or otherwise made known, of evidence of material violations of any United States federal or state law, including any breach of fiduciary duty by the Company, its officers, directors, employees or agents, and if the QLCC believes appropriate, to recommend courses of action to the Company.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company's independent public accountants and with appropriate Company financial personnel. Meetings are held with the independent public accountants who have unrestricted access to the Audit Committee. In addition, the Audit Committee reviews the Company's financing plans and reports recommendations to the full Board of Directors for approval and to authorize action. The Board has adopted a written charter setting out the audit related functions the Audit Committee is to perform. A copy of the Audit Committee Charter is attached as Annex A to this Proxy Statement.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The Nominating/Corporate Governance Committee considers and makes recommendations to the Board of Directors with respect to the size and composition of the Board of Directors and identifies potential candidates to serve as directors. The Nominating/Corporate Governance Committee identifies candidates to the Board of Directors by introduction from management, members of the Board of Directors, employees or other sources and stockholders that satisfy the Company's policy regarding stockholder recommended candidates. In considering Board of Directors candidates, the Nominating/Corporate Governance Committee takes into consideration the Company's Board Candidate Guidelines, attached as Annex C to this Proxy Statement, the Company's policy regarding stockholder recommended director candidates, as set forth above, and all other factors that they deem appropriate, including, but not limited to, the individual's character, education, experience, knowledge and skills. In addition, the Nominating/Corporate Governance Committee develops and recommends corporate governance principles for the Company; makes recommendations to the Board of Directors in support of such principles; takes a leadership role in the shaping of the corporate governance of the Company; and oversees the evaluation of the Board of Directors and management.

Since the Company's Nominating/Corporate Governance Committee was established in April 2004, it did not have any meetings during 2003.

Certain Legal Proceedings

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

Between June and August 2000, eight putative securities fraud class action lawsuits have been commenced in the United States District Court for the Eastern District of New York against the Company, Steven Madden and, in five of the actions, Rhonda J. Brown (the former President and a former director of the Company) and Arvind Dharia. These actions are captioned: Wilner v. Steven Madden, Ltd., et al., 00 CV 3676 (filed June 21, 2000); Connor v. Steven Madden, et al., 00 CV 3709 (filed June 22, 2000); Blumenthal v. Steven Madden, Ltd., et al., 00 CV 3709 (filed June 23, 2000); Curry v. Steven Madden, Ltd., et al., 00 CV 3766 (filed June 26, 2000); Dempster v. Steven Madden Ltd., et al., 00 CV 3702 (filed June 30, 2000); Salafia v. Steven Madden, Ltd., et al., 00 CV 4289 (filed July 24, 2000); Fahey v. Steven Madden, Ltd., et al., 00 CV 4712 (filed August 11, 2000); Process Engineering Services, Inc. v. Steven Madden, Ltd., et al., 00 CV 5002 (filed August 22, 2000). By Order dated December 8, 2000, the Court consolidated these eight actions, appointed Process Engineering, Inc., Michael Fasci and Mark and Libby Adams as lead plaintiffs and approved their selection of lead counsel. On February 26, 2001, Plaintiffs served a Consolidated Amended Complaint. On or about October 31, 2001, plaintiffs filed a Second Consolidated Amended Class Action Complaint. The pleading names the Company, Steven Madden, Rhonda J. Brown and Arvind Dharia as defendants. It principally alleges that the Company and the individual defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated under the 1934 Act by issuing false and misleading statements, and failing to disclose material adverse information, generally relating to matters arising from Mr. Madden's June 2000 indictment. The plaintiffs seek an unspecified amount of damages, costs and expenses on behalf of themselves and all other purchasers of the Company's common stock during the period June 21, 1997 through June 20, 2000. On November 30, 2001, all of the defendants served motions to dismiss the Consolidated Amended Complaint. The motions were fully briefed on January 14, 2002. Since that time, an agreement has been reached to resolve all claims in this action, subject to notices to the putative class members, a hearing and approval by the District Court. The tentative settlement is within the limits of the Company's insurance coverage.

On or about September 26, 2000, a putative shareholders derivative action was commenced in the United States District Court for the Eastern District of New York, captioned Herrera v. Steven Madden and Steven Madden, Ltd., 00 CV 5803 (JG). The Company is named as a nominal defendant in the action. The complaint seeks to recover alleged damages on behalf of the Company from Mr. Madden arising from his June 2000 indictment and to require him to disgorge certain profits, bonuses and stock option grants he received. On January 3, 2001, plaintiff filed an Amended Shareholder's Derivative Complaint. On February 2, 2001, both the Company and Mr. Madden filed motions to dismiss the Amended Complaint because of plaintiff's failure to make a pre-litigation demand upon the Company's board of directors. On October 1, 2001, plaintiff filed a Second Amended Complaint. On November 2, 2001, the Company filed a motion to dismiss this pleading on grounds that plaintiff had failed to make a pre-litigation demand upon the Company's board of directors. On February 7, 2002, the Magistrate Judge filed a Report recommending that the Company's motion to dismiss be denied. The Company filed its objections to the Report on March 4, 2002. On March 22, 2002, the District Judge entered an order adopting the Magistrate Judge's report and recommendation in full. Since that time, an agreement has been reached to resolve all claims in this action, subject to such notice to the Company's shareholders (if any) as may be required by the District Court, a hearing and approval by the District Court. The Company believes, after consultation with counsel, that its defense costs and certain attorneys fees in connection with this action will be subject to coverage by the Company's insurance.

On or about November 28, 2001, a purported shareholder derivative complaint was filed in the United States District Court for the Eastern District of New York, captioned Herrera v. Karson, et al., 00 CV 7868. Named as

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

defendants therein are the Company (as nominal defendant) and certain of the Company's present and/or former directors. The complaint alleges that the individual defendants breached their fiduciary duties to the Company in connection with a decision by the Board of Directors of the Company to enter into an employment agreement with Mr. Steven Madden in or about May 2001 that, among other things, entitles Mr. Madden to receive an annual base salary of \$700,000 during periods that Mr. Madden is not actively engaged in the duties of Creative and Design Chief (including during the period of his incarceration). The complaint seeks declaratory and other equitable relief, as well as an unspecified amount of compensatory damages, costs and expenses. On or about February 1, 2002, plaintiff filed an Amended Shareholder Derivative Complaint

-9-

(the "Amended Complaint"). The Amended Complaint contains substantially the same allegations and names the same defendants as the original complaint. Since that time, an agreement has been reached to resolve all claims in this action, subject to such notice to the Company's shareholders (if any) as may be required by the District Court, a hearing and approval by the District Court. The Company believes, after consultation with counsel, that its defense costs and certain attorneys fees in connection with this action will be subject to coverage by the Company's insurance.

The Company and certain of the Company's present and/or former directors have been named in an action commenced in the United States District Court for the Eastern District of New York by the Safeco Surplus Lines Insurance Company captioned, Safeco Surplus Lines Ins. Co. v. Steven Madden Ltd., et al., 02 CV 1151 (JG). The complaint principally seeks rescission of the excess insurance policy issued by Safeco to the Company for the February 4, 2000 to June 13, 2001 period and an order declaring that Safeco does not owe any indemnity obligation to the Company or any of its officers and directors in connection with the putative shareholder class action and derivative cases described in the Form 10Q filed by the Company for the quarter ended March 31, 2002. The parties have agreed to a resolution of Safeco's claims, the implementation of which is conditioned upon judicial approval of the settlements of the shareholder class action and derivative claims discussed above.

On September 12, 2001, the State of Florida, Department of Banking and Finance, Division of Securities and Investor Protection (the "Department") issued a Final Order adopting the Stipulation and Consent Agreement to Final Order dated May 15, 2001 ("Stipulation and Consent Agreement") between John Madden and the Department relating to the Department's investigation of alleged sales of unregistered securities in 1997. Under the Stipulation and Consent Agreement, Mr. Madden neither admitted nor denied the allegations against him; however, Mr. Madden agreed to pay an administrative fine in the amount of \$5,000 and agreed to abide by certain limitations related to his employment in the securities or investment advisory industry for a period of five years, including Mr. Madden's agreement to not act in any principal, supervisory, or managerial capacity in the securities industry and to not exercise discretionary authority in any account of any person.

Employment Agreements with Certain Executive Officers

In May 2001, the Company entered into an employment agreement with Jamieson A. Karson pursuant to which Mr. Karson agreed to serve as the Company's Chief Executive Officer and Vice Chairman of the Board. This agreement was amended in February 2004. The term of Mr. Karson's employment under the agreement (as amended) is five (5) years commencing on July 1, 2001 and ending on June 30, 2006. The term will be automatically extended for successive one year periods unless the Company timely notifies Mr. Karson of its intention not to extend the term. In connection with the execution of his Employment Agreement, Mr. Karson surrendered 5,000 options which had been granted to him for his service as an outside director. The agreement (as amended) provides that the Company pay Mr. Karson an annual salary of \$467,500 which base salary is subject to a 10% annual increase on each July 1st of the term if the Company's net income for the four calendar quarters ending on the most recent June 30th is greater than the net income for the four calendar quarters ending on the preceding June 30th. In addition, the agreement provides that for each fiscal year (beginning with 2002) that occurs during the term of employment, Mr. Karson receive a cash bonus, in an amount determined by the Board, not less than four percent (4%) of the increase in the Company's EBITDA (earnings before interest, tax, depreciation and amortization) over the EBITDA of the prior fiscal year. On or about July 10, 2001, Mr. Karson received options to purchase 100,000 shares of the Company's Common Stock at an exercise price equal to the closing market price on the date prior to the grant date as quoted on The Nasdaq National Market. These options vested quarterly over the one year period following the date of grant and are exercisable for a period of five (5) years from the date of grant. On or about July 10, 2001, the Company issued to Mr. Karson 10,000 shares of restricted common stock, 25% of which became unrestricted at the end of each of the four quarters following the date of issuance. Subject to approval by the Company's stockholders of the Amendment of the Company's 1999 Stock Plan and subject to availability of shares under such plan or any other plan designated by the Board of Directors and approved by the Company's stockholders, on or about the date of the Company's annual meeting for each year of the term of the agreement (beginning in 2002), Mr. Karson is entitled to receive, annual options to purchase shares of the Company's Common Stock equal to the dollar amount of the annual bonus received by Mr. Karson for the previous fiscal year; provided, however, that no annual option shall be for greater than 100,000 shares. The annual options shall vest quarterly over the one year period following the date of grant and shall be exercisable after vesting for a period of five (5) years from the date of grant at an exercise price equal to the closing price of the Company's Common Stock on the applicable date of grant, as quoted on The Nasdaq National Market (or such other market or exchange on which

the Company's Common Stock is listed or traded). In addition, in the event of Mr. Karson's total disability or his death, the Company is obligated to continue to pay Mr. Karson (or Mr. Karson's estate) his base salary for the twelve (12) month period immediately subsequent to the date of such total disability or death. In the event Mr. Karson's employment agreement is terminated (or not extended) for any reason other than For Cause (as defined in the agreement) or due to his death or his total disability, the Company is obligated to pay Mr. Karson an amount equal to the product of (i) Mr. Karson's base salary plus the

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

cash bonus which Mr. Karson was paid for the immediately preceding fiscal year multiplied by (ii) the greater of (A) the number of years remaining on the term of the agreement or (B) two. In the event that there is a "change of control" transaction terminating Mr. Karson's employment, all unvested options to purchase shares of the Company's Common Stock held by Mr. Karson will vest on the date of termination and Mr. Karson will be entitled to receive a lump sum cash payment equal to (a) the amount of compensation that is accrued and unpaid through the date of termination and (b) three (3) times the total compensation (base salary and cash bonus) received by Mr. Karson for the preceding 12 month period ending December 31. Mr. Karson's employment agreement contains other customary provisions, including provisions regarding confidentiality, solicitation and competition.

The Company entered into an employment agreement with Richard Olicker, the Company's President and Chief Operating Officer on January 3, 2001, which agreement was amended as of July 1, 2002. The term of Mr. Olicker's employment ends on January 1, 2005. The Company agreed to pay Mr. Olicker an annual base salary of \$375,000, which, subject to certain net income requirements, will be increased annually by 10%. In addition, Mr. Olicker is entitled to receive a cash bonus equal to four percent (4%) of the amount by which the aggregate EBIT-D (earnings before the payment of interest or taxes or a deduction for depreciation) for the fiscal year ending on the most recent December 31st exceeds EBIT-D for the fiscal year ending on the preceding December 31st. The agreement provides that Mr. Olicker receive a one time cash bonus of \$125,000 in the event that the aggregate EBIT-D for any 4 consecutive fiscal quarters during the term of the agreement equals or exceeds \$40,000,000. The agreement also provides that, on each June 30th during the term of the agreement, Mr. Olicker receive an option bonus to purchase a number of shares of common stock equal to thirty percent (30%) of the dollar amount of the annual cash bonus due for the fiscal year ending on the preceding December 31st. The options comprising the option bonus shall vest quarterly over a one (1) year period commencing on the September 30th following the date of grant and be exercisable at a price equal to the closing bid price of the Company's shares of Common Stock on the date of grant, as reported by The Nasdaq National Market. Pursuant to the amendment to Mr. Olicker's agreement, in September 2002, Mr. Olicker received options to purchase 75,000 shares of the Company's Common Stock and on or about the date of the Company's annual meeting for each year of the term of the agreement (beginning in 2003), Mr. Olicker is entitled to receive, annual options to purchase 75,000 shares of the Company's Common Stock, which options shall vest quarterly over the one year period following the date of grant and shall have an exercise price equal to the closing bid price of the Company's Common Stock on the applicable date of grant, as quoted on The Nasdaq National Market. In the event that Mr. Olicker's employment is terminated for any reason other than (i) the Company terminating employment for cause or (ii) Mr. Olicker terminating employment without good reason, Mr. Olicker shall receive a pro rata option bonus based on the performance of the Company for the full fiscal year in which his employment was terminated. In addition, if Mr. Olicker is employed by the Company on January 1, 2005, he will be entitled to 20,000 unrestricted shares of the Company's Common Stock. Mr. Olicker also received a signing bonus of one hundred thousand dollars (\$100,000). Mr. Olicker's employment agreement contains other customary provisions.

However, the term of the agreement is subject to automatic extension for one (1) year unless either party terminates the agreement with ninety (90) days' prior notice. The Company agreed to pay Mr. Dharia an annual salary of \$169,400 until September 30, 2001, \$200,000 from October 1, 2001 through December 31, 2002, \$220,000 from January 1, 2003 through December 31, 2003, \$234,000 from January 1, 2004 through December 31, 2004, and \$240,000 from January 1, 2005 through

Also, Mr. Dharia shall, at the end of a calendar quarter, receive a bonus of \$50,000 if the Company has had sales of \$300,000,000 or more for such calendar quarter and the immediately preceding three (3) calendar quarters, provided, however, that Mr. Dharia shall not receive this \$50,000 bonus more than once in any given calendar year. In addition, during the term of the agreement, the Company is obligated to pay life insurance premiums on behalf of Mr. Dharia of approximately \$80,000 per year. Also, if Mr. Dharia is employed by the Company on January 1, 2005, he will be entitled to 20,000 unrestricted shares of the Company's Common Stock. In the event of Mr. Dharia's total disability or death, the Company is obligated to pay Mr. Dharia or his estate an amount equal to the appropriate salary for the twelve (12) month period immediately subsequent to the date of his total disability or death. In the event Mr. Dharia's employment agreement is terminated by the Company for any reason other than "for cause" or due to his "total disability", the Company is obligated to pay Mr. Dharia an amount equal to the product of (a) Mr. Dharia's base salary on the effective date of such termination plus the bonus paid or payable for the fiscal year ended on the December 31st immediately preceding the date of termination multiplied by (b) the number of years (and fractions of years) remaining in the term of the employment agreement. In addition, the Company will be obligated to continue to pay the life insurance premiums on behalf of Mr. Dharia provided for above. The payments due Mr. Dharia upon his termination for any reason other than "for cause" or due to his "total disability" will be payable in two installments: fifty percent (50%) on January 1 after the date of termination and the remaining fifty percent (50%) one year after. Further, Mr. Dharia may terminate the agreement in the event of a "change in control" of the Company without Mr. Dharia's prior written consent, and within ten (10) days of termination Mr. Dharia is entitled to receive an amount equal to three (3) times the total compensation (including base salary, cash bonus, and other employee benefits) received by Mr. Dharia for the preceding twelve (12) month period ending on the most recent December 31st, provided that Mr. Dharia's then-current Base Salary shall be used in determining the foregoing. In the event of a change in control, all unvested options will vest on the date of the change of control, priced as of the closing market price on the date of transfer as quoted on The Nasdaq National Market. Subject to the approval of the Company's shareholders, if Mr. Schmertz is employed by the Company through June 30, 2005, he will be entitled to receive 50,000 shares of Common Stock.

The Company also agreed to provide Mr. Koppelman with an annual \$125,000 non-accountable expense allowance.

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

Pursuant to the agreement, on or about July 10, 2001 Mr. Koppelman received options to purchase 100,000 shares of the Company's Common Stock at an exercise price equal to the closing market price on the date prior to the grant date, as quoted on The Nasdaq National Market. These options vested quarterly over the one year period following the date of grant and are exercisable for a period of five (5) years from the date of grant. On or about July 10, 2001, the Company issued to Mr. Koppelman 10,000 shares of restricted common stock, 25% of which became unrestricted at the end of each of the four quarters following the date of issuance. As of May 31, 2001, Mr. Koppelman received fully-vested options to purchase 75,000 shares of the Company's Common Stock, which are exercisable for a period of five (5) years from the date of grant at an exercise price of \$7.00. These options were granted pursuant to an outstanding letter agreement between the Company and Mr. Koppelman (the "Option Letter"). Mr. Koppelman surrendered the remaining 225,000 options to be granted to him pursuant to the Option Letter in connection with the execution of his agreement. Pursuant to the terms of the agreement, Mr. Koppelman is also entitled to receive annual options to purchase 100,000 shares of the Company's Common Stock on the date of the Company's annual meeting held in each of 2002, 2003, and 2004. Twenty five percent (25%) of each annual option will vest at the end of each of the four full calendar quarters after the applicable grant date. In the event that Mr. Koppelman ceases to be either an employee or director of the Company, any annual option not yet granted shall be forfeited as of the date of termination; provided however, that if the agreement shall have been terminated (or not extended) by the Company other than For Cause (as defined in the agreement) or by Mr. Koppelman with Good Reason (as defined in the agreement) any annual options which were granted prior to such termination shall be deemed granted as of the date prior to the date of such termination. The agreement also provides that in the event there is a "change of control" of the Company, (i) all unvested options granted to Mr. Koppelman prior to such "change of control" shall immediately vest (ii) if Mr. Koppelman is an employee or director of the Company at the time of such "change of control", any annual options which have not been granted prior to such change of control shall immediately be granted and vest, and (iii) the exercise price of all unexercised options shall be reduced to \$7.00. Agreement with Steven Madden

In May 2001, the Company entered into an agreement with Steven Madden, the Company's founder, pursuant to which Mr. Madden agreed to serve as the Company's Creative and Design Chief. The term of Mr. Madden's employment under the agreement is ten (10) years commencing on July 1, 2001 and ending on June 30, 2011. The Company has agreed to pay Mr. Madden an annual base salary of \$700,000, which the Board may increase, but not decrease, at any time. Mr. Madden is entitled to receive base salary payments during periods that he is not actively engaged in the duties of Creative and Design Chief. For each fiscal year during the term of the agreement, Mr. Madden is entitled to receive a cash bonus in an amount determined by the Board, but not

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

less than 2% of the Company's EBITDA (earnings before interest, tax, depreciation and amortization) for such year; provided however, that the Company is not required to pay such cash bonus for any fiscal year during which Mr. Madden is not actively engaged in the duties of Creative and Design Chief for at least six months. Subject to availability of shares under the Company's 1999 Stock Plan or any other plan designated by the Board of Directors and approved by the Company's stockholders, on or about the date of the Company's annual meeting for each year of the term (beginning in 2002), Mr. Madden is eligible to receive, during the term of the agreement, annual options to purchase shares of the Company's common stock in an amount equal to not less than 150% of the largest aggregate amount of options granted to any other continuing full time employee of the Company over the 12 month period up to and including the applicable grant date; provided that all annual options shall be subject to final approval of the Board. The annual options will vest quarterly over the 1 year period following the date of grant and will be exercisable after vesting for a period of 5 years from the grant date at an exercise price equal to the closing price of the Company's Common Stock on the grant date as quoted on The Nasdaq National Market (or such other market or exchange on which the Company's Common Stock is listed or traded). The Company is not required to grant an annual option if Mr. Madden is not actively engaged in the duties of Creative and Design Chief for at least six months out of the twelve months immediately preceding the grant date for such annual option. The Company also agreed to provide Mr. Madden with an annual \$200,000 non-accountable expense allowance which amount is payable in equal monthly installments; however, the Company is not required to pay the non-accountable expense allowance for any month during which Mr. Madden is not actively engaged in the duties of Creative and Design Chief.

In addition, in the event of Mr. Madden's total disability or death, the Company is obligated to continue to pay Mr. Madden (or Mr. Madden's estate) Mr. Madden's base salary for the twelve (12) month period immediately subsequent to the date of such total disability or death. In the event Mr. Madden's agreement is terminated for any reason other than "for cause" or due to his death or his total disability, the Company is obligated to pay Mr. Madden the balance of his base salary that would have been paid over the full term of the agreement if the agreement had not been terminated, fifty percent (50%) upon termination and the remaining fifty percent (50%) in equal annual installments until June 30, 2011. In the event there is a "change of control" transaction terminating Mr. Madden's employment, all unvested options to purchase shares of the Company's Common Stock held by Mr. Madden will vest on the date of termination and Mr. Madden will be entitled to receive a lump sum cash payment equal to (a) the amount of compensation that is accrued and unpaid through the date of termination and (b) three (3) times the total compensation (base salary, cash bonus and non-accountable expense allowance) received by Mr. Madden for the preceding 12 month period ending December 31.

To the extent not previously assigned or consented to, except as provided below, (i) Mr. Madden sold, assigned and transferred to the Company the exclusive right and interest to his name and (ii) Mr. Madden consented to the use of his name as trademarks, service marks, corporate names and/or internet domain name addresses of the Company (the "Marks"). Mr. Madden also agreed to never challenge the Company's ownership of his name or the validity of the Company's ownership of the Marks or of any registration or application for registration thereof. Mr. Madden may however use his name for all non-commercial purposes and for use in connection with any business that is not in the design, manufacture, sale, marketing or distribution of (i) branded or designer footwear, apparel, accessories and other products in the categories of products sold by, or under license from, the Company or any of its affiliates, (ii) jewelry and other giftware, (iii) cosmetics, fragrances and other health and beauty care items, (iv) housewares, furniture, home furnishings and related products and (v) other products related to fashion, cosmetics or lifestyle (any of such activities being a "competitive business"). Further, Mr. Madden agreed

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

to not directly or indirectly (i) engage in any competitive business in any relationship or capacity, (ii) solicit any customers of the Company, or (iii) solicit or employ any employee or agent to the Company, until the later of (a) June 30, 2011 or (b) the date which is twelve (12) months after the date on

-20-

which Mr. Madden is no longer employed by the Company, or until twelve months after the date of termination should Mr. Madden be terminated in connection with a change of control. Mr. Madden's agreement contains other customary provisions.

In May 2001, Mr. Madden entered into a plea agreement with the U.S. Attorney's Office, pursuant to which he pled guilty to four securities fraud and money laundering charges that had been previously filed against him. In 2002, Mr. Madden was sentenced to forty-one (41) months' imprisonment in connection with the charges. Mr. Madden began serving his sentence in September of 2002. While serving his sentence, Mr. Madden is not actively engaged in the duties of Creative and Design Chief and is therefore only entitled to receive base salary payments under the agreement.

On April 26, 2004, the SEC sent the Company a letter requesting information and documents relating to, among other things, Mr. Madden's employment by the Company and the officer and director bar against Mr. Madden. The Company intends to fully comply with the SEC's request.

Compensation Committee Report On Executive Compensation

The Compensation Committee is responsible for reviewing and approving

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

the Company's compensation policies and the compensation paid to its executive officers, including the Chief Executive Officer and the other named executive officers. During 2003, the Compensation Committee was comprised of directors Peter Migliorini (chairman) and Roger Gladstone. Each member of the Compensation Committee was a non-employee director of the Company during 2003.

The Compensation Committee's goal is to develop executive compensation policies and practices that are consistent with and linked to the Company's long term goal of maximizing stockholder value. The program is designed to facilitate the long-term success and growth of the Company through the attraction, motivation, and retention of outstanding executives.

-21-

The objectives of the Company's executive compensation programs are to: (i) attract and retain the highest quality executives, (ii) inspire and motivate executive officers to increase Company performance, (iii) align executive officers' financial interest with those of the Company's long-term investors, and (iv) reward executive officers for exceptional individual contributions to the achievement of the Company's objectives.

Executive compensation consists of three components: base salary, annual incentive bonuses and long-term incentive awards (stock options). Each compensation component is offered to executives in varying combinations, structured in each case, to meet varying business objectives and to provide a level of total compensation comparable to similarly situated public companies.

The total compensation of Jamieson A. Karson, the Company's Chief Executive Officer, is determined pursuant to his employment agreement with the Company. Mr. Karson was appointed Chief Executive Officer effective as of July 1, 2001. In 2003, Mr. Karson's compensation consisted of \$467,500 in base salary payments and a total of \$108,056 in bonus payments, which total bonus amount was fully paid by April 21, 2004. In addition, in 2003 the Company paid Mr. Karson \$250,000 in lieu of granting him the option to purchase 100,000 shares to purchase Common Stock that he was entitled to under his employment agreement. Mr. Karson is also entitled to receive options to purchase an additional 58,056 shares of Common Stock for his service as Chief Executive Officer in 2003. In February 2004, the Compensation Committee approved an amendment to Mr. Karson's employment agreement which extended the term of the agreement to June 30, 2006. The Compensation Committee believes that Mr. Karson's compensation should be heavily weighted towards enhancing stockholder value, and accordingly, Mr. Karson's employment agreement provides that a significant portion of his future compensation will be based upon the Company's overall performance. See "Employment Agreements with Certain Executive Officers."

The Company has negotiated employment agreements with respect to base salary, annual incentive awards and stock option awards for each of the Company's named executive officers based upon the Company's performance and the individual performance of such named executives.

The Internal Revenue Code of 1986 prohibits the Company from taking a tax deduction in any year for compensation paid the persons who would be named executive officers in that year in excess of \$1 million unless such compensation is "performance-based compensation." The Company did not pay in 2003 any officer compensation which will be subject to the \$1 million deduction limitation. The Compensation Committee will take into consideration the \$1 million deduction limitation when structuring future compensation packages for the Company's executive officers and, if appropriate and in the best interests of the Company, will conform such packages to permit the Company to take a deduction for the full amount of all compensation.

PROPOSAL TWO

AMENDMENT OF THE 1999 STOCK PLAN

At the 1999 Annual Meeting of Stockholders, the Company's stockholders approved the adoption of the Company's 1999 Stock Plan (the "1999 Plan"). The Board of Directors has amended the 1999 Plan, subject to stockholder approval, to authorize 300,000 additional shares for future awards (the "1999 Plan Proposal"). The affirmative vote of the holders of a majority of the total votes cast on the 1999 Plan Proposal is needed to approve the 1999 Plan Proposal.

Because of the limited number of remaining shares that may be granted under the 1999 Plan, the Board of Directors believes it is appropriate and necessary at this time to authorize additional shares for future awards. Authorization of these additional shares will allow grants to employees, consultants and directors in furtherance of the Company's goal of continuing to achieve significant gains in stockholder value and operating results.

As of March 31, 2004, options to purchase 2,174,000 shares of the Company's common stock were outstanding. These options had a weighted average exercise price of \$11.74 and a weighted average remaining contractual life of 5.93 years.

The Company intends to continue awarding options in order to attract and retain the services or advice of such directors, employees, officers, agents, consultants, and independent contractors and to provide additional incentive for such persons to exert maximum efforts for the success of the Company and its affiliates. The following is a summary of the principal features of the 1999 Plan. The summary is qualified in its entirety by reference to the complete text of the 1999 Plan, as proposed to be amended. The proposed amendment to the 1999 Plan is set forth as Annex E to this Proxy Statement.

Description of the 1999 Plan

The maximum number of shares of Common Stock with respect to which awards may be presently granted pursuant to the 1999 Plan is 2,920,000 shares. The 1999 Plan Proposal would authorize the use of up to an additional 300,000 shares of the Company's common stock for a total of 3,220,000 shares being available for issuance under the 1999 Plan. Shares issuable under the 1999 Plan may be either treasury shares or authorized but unissued shares. The number of shares available for issuance will be subject to adjustment to prevent dilution in the event of stock splits, stock dividends or other changes in the capitalization of the Company.

Subject to compliance with Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act"), the Plan shall be administered by the Board of Directors of the Company (the "Board") or, in the event the Board shall appoint and/or authorize a committee, such as the Compensation Committee, of two or more members of the Board to administer the Plan, by such committee (the "Plan Administrator"). Except for the terms and conditions explicitly set forth in the Plan, the Plan Administrator shall have the authority, in its discretion, to determine all matters relating to the options to be granted under the Plan, including, without limitation, selection of whether an option will be an incentive stock option or a nonqualified stock option, selection of the individuals to be granted options, the number of shares to be subject to each option, the exercise price per share, the timing of grants and all other terms and conditions of the options. In May 2003 the stockholders of the Company approved an amendment to the Plan which provided that (i) the exercise price of an option granted under the plan shall be no less than the fair market value of the Company's common stock on the date of grant (except to the extent otherwise

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

provided in agreements with the Company dated prior to the effective date of the amendment) and (ii) prohibited the Board from amending the terms of any option granted pursuant to the Plan to reduce the option price.

Options granted under the 1999 Plan may be "incentive stock options" ("Incentive Options") within the meaning of Section 422 of the Internal Revenue Code (the "Code") or stock options which are not incentive stock options ("Non-Incentive Options" and, collectively with Incentive Options, hereinafter referred to as "Options"). Each Option may be exercised in whole or in part; provided, that only whole shares may be issued pursuant to the exercise of any Option. Subject to any other terms and conditions herein, the Plan Administrator may provide that an Option may not be exercised in whole or in part for a stated period or periods of time during which such Option is outstanding; provided,

-26-

that the Plan Administrator may rescind, modify, or waive any such limitation (including by the acceleration of the vesting schedule upon a change in control of the Company) at any time and from time to time after the grant date thereof. During an optionee's lifetime, any incentive stock options granted under the Plan are personal to such optionee and are exercisable solely by such optionee.

The Plan Administrator can determine at the time the Option is granted in the case of Incentive Options, or at any time before exercise in the case of Non-Incentive Options, that additional forms of payment will be permitted. To the extent permitted by the Plan Administrator and applicable laws and regulations (including, without limitation, federal tax and securities laws and regulations and state corporate law), an Option may be exercised by:

(a) delivery of shares of Common Stock of the Company held by an optionee having a fair market value equal to the exercise price, such fair market value to be determined in good faith by the Plan Administrator;

(b) delivery of a properly executed notice of exercise, together with irrevocable instructions to a broker, all in accordance with the regulations of the Federal Reserve Board, to promptly deliver to the Company the amount of sale or loan proceeds to pay the exercise price and any federal, state, or local withholding tax obligations that may arise in connection with the exercise; or

(c) delivery of a properly executed notice of exercise, together with instructions to the Company to withhold from the shares of Common Stock that would otherwise be issued upon exercise that number of shares of Common Stock having a fair market value equal to the Option exercise price.

Upon a Change in Control of the Company, any award carrying a right to exercise that was not previously exercisable shall become fully exercisable, the restrictions, deferral limitations and forfeiture conditions applicable to any other award granted shall lapse and any performance conditions imposed with respect to awards shall be deemed to be fully achieved.

Options granted under the 1999 Plan may not be transferred, pledged, mortgaged, hypothecated or otherwise encumbered other than by will or under the laws of descent and distribution, except that the Plan Administrator may permit transfers of awards for estate planning purposes if, and to the extent, such transfers do not cause a participant who is then subject to Section 16 of the Exchange Act to lose the benefit of the exemption under Rule 16b-3 for such transactions.

For federal income tax purposes, the grant to an optionee of a Non-Incentive Option will not constitute a taxable event to the optionee or to

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

the Company. Upon exercise of a Non-Incentive Option, in general, the optionee will recognize compensation income taxable as ordinary income, measured by the excess of the fair market value of the Common Stock purchased on the exercise date over the amount paid by the optionee for such Common Stock, and will be subject to tax withholding. The Company may claim a deduction for the amount of such compensation. The optionee will have a tax basis in the Common Stock purchased equal to the amount paid plus the amount of ordinary income recognized upon exercise of the Non-Incentive Option. Upon the subsequent sale of the Common Stock received upon exercise of the Non-Incentive Option, an optionee will recognize capital gain or loss equal to the difference between the amount realized on such sale and his or her tax basis in the Common Stock, which may be long-term capital gain or loss if the optionee holds the Common Stock for more than one year from the exercise date.

For federal income tax purposes, neither the grant nor the exercise of an Incentive Option will constitute a taxable event to the optionee or to the Company, assuming the Incentive Option qualifies as an "incentive stock option" under Code ss.422. If an optionee does not dispose of the Common Stock acquired upon exercise of an Incentive Option during the statutory holding period, any gain or loss upon subsequent sale of the Common Stock will be long-term capital gain or loss, assuming the shares represent a capital asset in the optionee's hands. The statutory holding period is the later of two years from the date the Incentive Option is granted or one year from the date the Common Stock is transferred to the optionee pursuant to the exercise of the Incentive Option. If the statutory holding period requirements are satisfied, the Company may not claim any federal income tax deduction upon either the exercise of the Incentive Option or the subsequent sale of the Common Stock received upon exercise thereof. If the statutory holding period requirement is not satisfied, the optionee will recognize compensation income taxable as ordinary income on the date the Common Stock is sold, in general, in an amount equal to the lesser of

-27-

(i) the fair market value of the Common Stock on that date less the amount paid by the optionee for such Common Stock, or (ii) the amount realized on the disposition of the Common Stock less the amount paid by the optionee for such Common Stock; the Company may then claim a deduction for the amount of such compensation income.

The federal income tax consequences summarized hereinabove are based upon current law and are subject to change.

The Board may amend, alter, suspend, discontinue or terminate the 1999 Plan at any time, except that any such action shall be subject to stockholder approval at the annual meeting next following such Board action if such stockholder approval is required by federal or state law or regulation or the rules of any exchange or automated quotation system on which the Common Stock may then be listed or quoted, or if the Board of Directors otherwise determines to submit such action for stockholder approval. In addition, no amendment, alteration, suspension, discontinuation or termination to the 1999 Plan may materially impair the rights of any participant with respect to any Option granted before amendment without such participant's consent. Unless terminated earlier by action of the Board of Directors, the 1999 Plan shall terminate ten (10) years after adoption by the stockholders.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR approval of the 1999 Plan Amendment Proposal. Unless marked to the contrary, proxies received from Stockholders will be voted in favor of the 1999 Plan Proposal.

PROPOSAL THREE

RATIFICATION OF THE APPOINTMENT OF EISNER LLP AS THE COMPANY'S INDEPENDENT
AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2004

The Audit Committee has appointed Eisner LLP as the Company's independent auditors to conduct the audit of the Company's books and records for the fiscal year ending December 31, 2004. Eisner LLP also served as the Company's independent auditors for the previous fiscal year. Representatives of Eisner LLP are expected to be present at the Annual Meeting to respond to questions and to make a statement should they so desire.

The affirmative vote of a majority of the shares of Common Stock represented at the meeting and entitled to vote is required for the ratification of the appointment of Eisner LLP as the Company's independent auditors. The Audit Committee is directly responsible for the appointment and retention of the Company's independent auditors. Although ratification by stockholders is not required by our organizational documents or other applicable law, the Audit Committee has determined that requesting ratification by stockholders of its appointment of Eisner LLP as the Company's independent auditors is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Eisner LLP, but may still retain them. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2004. Unless marked to the contrary, proxies received from stockholders will be voted in favor of the appointment of Eisner LLP as the Company's independent auditors for the fiscal year ending December 31, 2004.

AUDIT COMMITTEE'S PRE-APPROVAL POLICIES AND PROCEDURES

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to review and pre-approve all audit and permissible non-audit services provided by the independent auditor. These services may include audit services, audit-related services, tax services and other services.

Prior to engagement of the independent auditor for next year's audit, the Audit Committee will pre-approve all auditing services and all permitted non-audit services (including the fees and terms thereof), except those excluded from requiring pre-approval based upon the de minimus exception set forth in Section 10A(i)(1)(b) of the Exchange Act.

The Audit Committee's pre-approval policies and procedures are as follows: (a) prior to each fiscal year, the Audit Committee pre-approves a schedule of estimated fees for proposed non-prohibited audit and non-audit services and (b) actual amounts paid are monitored by financial management of the Company and reported to the Audit Committee.

All work performed by Eisner LLP as described above under the captions Audit Fees, Audit Related Fees, Tax Fees and All Other Fees has been approved or pre-approved by the Audit Committee pursuant to the provisions of the Audit Committee charter attached as Annex A. The Audit Committee has considered and concluded that the provision of non-audit services is compatible with maintaining the principal accountant's independence.

ANNEX D

STEVEN MADDEN, LTD.

CODE OF BUSINESS CONDUCT AND ETHICS

Introduction

All employees, officers and directors of Steven Madden, Ltd. (the "Company") are responsible for conducting themselves in compliance with this Code of Business Conduct and Ethics (the "Code"), other policies of the Company and applicable laws, rules and regulations. The Company adopted the Code in order to assist the Company and its employees, officers and directors with the Company's goals of conducting its business and affairs in accordance with applicable laws, rules and regulations and maintaining the highest standards of ethical conduct, fair dealing and honesty.

The Company also expects that any consultants or other service providers it retains will adhere to the Code. In addition, for purposes of Section 406 of the Sarbanes-Oxley Act of 2002 and the rules of the Securities and Exchange Commission (the "Commission") promulgated thereunder, Sections I through IV of the Code shall constitute the Company's code of ethics for "Senior Financial Officers" (as defined in Section I below).

I. Compliance and Reporting

Employees, officers and directors should strive to identify and raise potential issues before they lead to problems for the Company and should ask about the application of the Code whenever there is a question as to whether a violation of the Code has occurred or will occur. Any employee or officer who becomes aware of any existing or potential violation of the Code should promptly notify the Chief Operating Officer (COO). Should the Chief Executive Officer (CEO), the Chief Financial Officer (CFO) and the Principal Accounting Officer (collectively, the "Senior Financial Officers") or any director become aware of an existing or potential violation of the Code, he or she should promptly notify the Company's COO. Notifications or reports required under this Code should be made to the Company's CEO instead of the Company's COO if the issue or activity requiring such notification or report involves the Company's COO. The Company shall take such disciplinary, corrective or preventative action as it deems appropriate to address any existing or potential violation of this Code brought to its attention.

Confidentiality regarding those who make compliance reports and those potentially involved is maintained to the extent possible during a compliance investigation. The Company does not tolerate retribution, retaliation or adverse personnel action of any kind against any person for lawfully reporting a situation of potential noncompliance with the Code, or providing to the Company or any law enforcement or other governmental agency any information or assistance relating to the commission or possible commission of any federal or state offense.

The Senior Financial Officers have a responsibility to create an environment within the Company in which compliance with the Code is treated as a serious obligation and in which violations of the Code are not tolerated. The Senior Financial Officers will establish and, if necessary, modify the procedures by which violations of the Code are to be reported.

After reading the Code, every employee and officer of the Company must submit a signed acknowledgement indicating that he or she has read, understands and, to the best of his or her knowledge, is in compliance with the Code. Senior Financial Officers must submit a written certification regarding their responsibilities under the Code in lieu of the acknowledgement.

II. Conflicts of Interest

All business decisions must be made in the Company's best interest. A "conflict of interest" arises when an individual's judgment is or may be influenced considerations of improper personal gain or benefit to the individual or another person. Even if no actual conflict of interest occurs, situations that create the appearance of a conflict may harm the Company's

D-1

public relations or cause other problems damaging to the Company, and, as such, also should be avoided. Conflicts of interest are prohibited as a matter of Company policy, unless they have been approved in advance by the Company.

For example, an employee, officer or director must never use or attempt to use his or her position at the Company to obtain any improper personal benefit for himself or herself, for his or her family members or for any other person, including loans or guarantees of obligations, from any other person or entity. In this regard, service to the Company should never be subordinated to personal gain and advantage. To the extent possible, conflicts of interest always should be avoided. Any employee, officer or director who is aware of a material transaction or relationship that could reasonably be

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

expected to give rise to a conflict of interest should promptly discuss the matter with the Company's COO.

In addition, as a result of their close relationships to the Company and its business, the Senior Financial Officers have a special responsibility to:

- o refrain, without the approval of the Board of Directors, from transacting business with the Company through any entity in which the officer or a member of his or her immediate family owns all or a controlling interest;
- o refrain, without the approval of the Board of Directors, from participating in other employment or serving as a director for other organizations if such activity reasonably could be expected to interfere with the officer's ability to act in the best interests of the Company or reasonably could be expected to require the officer to use proprietary, confidential or non-public information of the Company;
- o refuse gifts, favors or hospitality that would influence or appear to influence the recipient to act other than in the best interests of the Company; and
- o report to the Audit Committee or to the Board of Directors any existing or potential director positions they hold, including positions on non-profit or charitable organization boards of directors.

III. Public Disclosure

It is the Company's policy that the information in its public communications and disclosures, including its filings with the SEC, be full, fair, accurate, timely and understandable. All employees, officers and directors who are involved in the Company's disclosure process, including the Senior Financial Officers, are responsible for acting in furtherance of this policy. Specifically, these individuals are required to maintain familiarity with the disclosure requirements applicable to the Company and are prohibited from knowingly misrepresenting, omitting or causing others to misrepresent or omit, material facts regarding the Company to others, whether within or outside the Company, including the Company's independent accountants. In addition, any employee, officer or director who has a supervisory role in the Company's disclosure process has an obligation to diligently discharge his or her responsibilities.

The Senior Financial Officers, in particular, must act in good faith and with due care and diligence in connection with the preparation of the Company's public disclosures. The Senior Financial Officers must ensure that the financial statements and reports submitted to the SEC are full, fair, accurate, timely and understandable. The Senior Financial Officers must also promptly report any irregularities or deficiencies in the Company's internal controls for financial reporting to the Audit Committee or the Board of Directors.

IV. Compliance with Laws, Rules and Regulations

As noted, it is the Company's policy to comply with all applicable laws, rules and regulations. It is the personal responsibility of each employee, officer and director to adhere to the standards and restrictions imposed by those laws, rules and regulations.

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

It is both illegal and against Company policy for any employee, officer or director who is aware of material, nonpublic information relating to the Company, any of the Company's customers or clients or any other

D-2

private or governmental issuer or securities to purchase or sell any securities of those issuers, or recommend that another person purchase, sell or hold the securities of those issuers.

In general, information is "material" if it could affect a person's decision to purchase, sell or hold a company's securities. Material information includes, for example, a company's anticipated earnings, plans to acquire or sell significant assets and changes in senior executives. Employees, officers and directors should try to limit transactions to times when it can reasonably be assumed that all material information about a company has been disclosed. Officers and directors of the Company, in particular, should consult with the Company's COO regarding the safest times to trade in the Company's securities.

In addition, employees, officers and directors may not disclose material, nonpublic information about the Company or another company to any person (i) inside the Company, unless they need to know the information for legitimate business purposes, or (ii) outside of the Company, unless prior approval is obtained from management in consultation with the Company's COO. Bear in mind that this information belongs to the Company and no person may misappropriate it for anyone's benefit. Providing a "tip" based on material, nonpublic information is unethical and illegal, and is prohibited, even if you do not profit from it. Certain persons who regularly have access to material, nonpublic information or who hold certain positions within the Company must obtain clearance from the Company's COO prior to trading in the Company's securities. All affected individuals will be personally notified about this clearance requirement.

More detailed rules governing the trading of Company securities by employees, officers and directors are set forth in the Company's Insider Trading Policy. You may obtain a copy of this policy by contacting the Company's COO.

Other laws, rules, regulations and Company policies to which employees, officers and directors are subject relate to business practices. For example, employees, officers and directors may not misrepresent facts, contractual terms or Company policies to a stockholder, service provider or regulator. Even if done inadvertently, you must correct the misrepresentation as soon as possible after consulting with the Company's COO. In addition, employees, officers and directors must adhere to appropriate procedures governing the retention and destruction of the Company's records, consistent with applicable laws, regulations, Company policies and business needs. No person should destroy, alter or falsify any document that may be relevant to a threatened or pending lawsuit or governmental investigation. You should consult with, and follow the instructions of, the Company's COO in these situations.

Employees, officers and directors must also comply with the U.S. Foreign Corrupt Practices Act, which prohibits American businesses, and in many cases their foreign subsidiaries, from offering, paying or authorizing payment to foreign government officials, political parties or their officials, or political candidates.

The Senior Financial Officers, in particular, have a responsibility to ensure compliance with the applicable rules and regulations of federal, state and local governments and of appropriate public and private

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

regulatory agencies or organizations. In addition to adhering to established Company policies and procedures, these individuals must take steps to ensure that other employees and officers follow such policies and procedures.

Any employee, officer or director who is uncertain about the legal rules and regulations to which he or she or the Company is subject should consult with the Company's COO.

V. Employment Practices

In making employment and personnel decisions, the Company employment decisions must be based only on an employee's or applicant's qualifications, demonstrated skills and achievements without regard to race, color, sex, religion, national origin, age, disability, veteran status, citizenship, sexual orientation, gender identity or marital status.

All employees are entitled to be treated with respect and dignity. Management must not tolerate harassment of, or by, any employee in situations involving another employee, stockholder, service provider or business associate. Employees, officers and directors must not engage in conduct that could be construed as sexual harassment, which may include, for example,

D-3

unwelcome sexual advances, offensive touching, sexually suggestive statements, offensive jokes, requests for sexual favors or other verbal or physical conduct of a sexual nature.

Any person who believes he or she has been harassed in the course of performing his or her employment with the Company should notify the Company's COO. Company policy prohibits retaliation against any individual who complains of, or reports an instance of, harassment or participates in an investigation of a harassment complaint.

More detailed information governing the Company's employment practices is set forth in the Company's Employee Handbook. You may obtain a copy of this handbook by contacting the Company's Director of Human Resources.

VI. Corporate Opportunities

Employees, officers and directors owe a duty to the Company to advance the Company's legitimate business interests when the opportunity to do so arises. In this regard, employees, officers and directors are prohibited from (i) taking for themselves personally (or directing to a third party) business opportunities that are discovered through the use of Company property, information or position (unless the Company has already been offered the opportunity and rejected it); (ii) using Company property, information or position for improper personal gain; and (iii) competing with the Company.

It may be difficult to decipher whether or not a particular personal benefit is proper, as sometimes both personal and Company benefits may be derived from certain activities. The best course of action in these circumstances is to consult with the Company's COO.

VII. Confidentiality

In carrying out the Company's business, employees, officers and directors may learn confidential or proprietary information about the

Edgar Filing: MADDEN STEVEN LTD - Form DEF 14A

Company or third parties. Employees, officers and directors must maintain the confidentiality of all information entrusted to them, except when disclosure is authorized or legally mandated. Confidential or proprietary information includes, for example, any nonpublic information concerning the Company, including its business, properties, financial performance, results or prospects, and any nonpublic information provided by a third party with the expectation or contractual agreement that the information will be kept confidential and used solely for the business purpose for which it was conveyed. Employees, officers and directors are required to secure from unauthorized access and public view documents under their control that contain confidential or proprietary information. When such information is discarded, appropriate steps must be taken to ensure proper and complete destruction.

In addition, employees, officers and directors are prohibited from taking confidential or proprietary information with them upon termination of employment with the Company or from using or disclosing such information for any purpose elsewhere, including with a different employer or company. Any confidential or proprietary information must be promptly returned to the Company upon termination of employment or affiliation with the Company.

VIII. Fair Dealing

Company policy is to conduct business fairly through honest business competition and the Company does not seek competitive advantages through unethical or illegal business practices. Each employee, officer and director should endeavor to deal fairly with the Company's stockholders, service providers, competitors and employees. No employee, officer or director should take unfair advantage of anyone through manipulation, concealment, abuse of privileged information, misrepresentation or omission of material facts or any other practice involving unfair dealing.

D-4

IX. Protection and Proper Use of Company Assets

All employees, officers and directors should protect the Company's assets and ensure their efficient use. It is important to bear in mind that theft, carelessness and waste have a direct impact on the Company's profitability. Thus, all assets of the Company should be used only for legitimate business purposes.

X. Waivers of the Code

The Company may elect to waive certain provisions of the Code on a case-by-case basis. Any employee, officer or director who would like to request a waiver of one or more of the Code's provisions must discuss the matter with the Company's COO. Waivers for executive officers and directors of the Company only may be granted by the Board of Directors or a committee of the Board.
