EXPLANATORY NOTE

This Form 10-Q/A (this "Second Amendment") amends the Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2004, filed on August 16, 2004 (the "Original Filing"). iLinc Communications, Inc. ("the Company" or

## Edgar Filing: ILINC COMMUNICATIONS INC - Form 10-Q/A

"iLinc") has filed this Second Amendment to revise Item 4, which revisions iLinc deems necessary to clarify language used in Item 4 of the Original Filing. Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended, the complete text of Item 4 as amended is set forth below. Additionally, this Second Amendment includes a certification pursuant to Item 601(b)(31) of Regulation S-K. The remainder of the Original Filing is unchanged and is not reproduced in this Second Amendment. This Second Amendment speaks as of the filing date of the Original Filing and reflects only the changes discussed above. No other information included in the Original Filing, including the Company's financial statements and the footnotes thereto, has been modified or updated in any way. This Second Amendment should be read together with other documents that iLinc has filed with the Securities and Exchange Commission subsequent to the date of the Original Filing.

### ITEM 4. CONTROLS AND PROCEDURES

We evaluated the design and operation of our disclosure controls and procedures to determine whether they are effective in ensuring that we disclose the required information in a timely manner and in accordance with the Securities Exchange Act of 1934, as amended, or the Exchange Act, and the rules and forms of the Securities and Exchange Commission. Management, including our principal executive officer and principal financial officer, supervised and participated in the evaluation. The evaluation was completed as of June 30, 2004. The principal executive officer and principal financial officer concluded, based on their review, that our disclosure controls and procedures, as defined by Exchange Act Rules 13a-14(c) and 15d-14(c), are effective and ensure that (i) we disclose the required information in reports that we file under the Exchange Act and that the filings are recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms and (ii) information required to be disclosed in reports that we file under the Exchange Act is accumulated and communicated to the Company's management, including our principal executive officer and principal financial officer to allow timely decisions regarding required reporting. No changes were made to our internal controls over financial reporting during the quarter ended June 30, 2004 that materially affected or were reasonably likely to materially affect these internal controls over financial reporting.

A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Because of the inherent limitations in all control systems no evaluation of controls can provide absolute assurance that all control issues if any, within a company have been detected.

On August 11, 2004, the Company's independent auditors orally notified the Company's Audit Committee that they had identified significant deficiencies regarding the Company's internal controls. The deficiencies noted were the lack of sufficient management oversight over and the proper segregation of duties of the accounting department. Management of the Company has informed the Audit Committee that it is in process of hiring appropriate personnel and making changes in assigned roles and responsibilities to correct for such deficiencies.

### SIGNATURE

Pursuant to the requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
