ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On April 28, 2008, we entered into an Asset Purchase Agreement (the "Agreement") with American Teleconferencing Services, Ltd. (the "Purchaser"), a subsidiary of Premiere Global Services, Inc., related to the sale of certain assets comprising our audio conferencing business with the exception of our event services. The closing of the transactions contemplated by the Agreement ("Closing") occurred on May 2, 2008.

At Closing, Purchaser paid to us cash in the amount of \$3,300,000, and will pay post-closing the payments attributable to accounts receivable, the transition payment, and, potentially, the earn-out payment referenced below.

Edgar Filing: ILINC COMMUNICATIONS INC - Form 8-K

Purchaser will pay within ten (10) days of Closing cash equal to the amount of accounts receivable related to the audio conferencing business that is less than 90 days old, with the payment estimated to be \$770,000. After the date that our audio customer accounts are transitioned to Purchaser's audio conferencing infrastructure (the "Transition Date"), Purchaser will also pay within ten (10) calendar days of the Transition Date a sum equal to 103% of the accounts receivables actually collected from the audio conferencing accounts as of the Transition Date, less the payment already received for the transferred accounts receivable. Purchaser will also pay in cash a transition payment ten (10) business days after the Transition Date equal to \$833,000. As a further earn-out payment, post-closing the Purchaser will pay to us, on or before June 1, 2009, a sum equal to 1.25 times the amount that the Purchaser's collected revenue from the transitioned audio accounts (as defined in the Agreement) exceeds \$2.7 million during the twelve months ended April 30, 2009.

Under the terms of the Agreement, we have agreed that for the three (3) year period beginning May 2, 2008 we will not engage within the United States in the "audio conference business" (as defined in the Agreement), except as a reseller of Purchaser. These restrictive covenants do not restrict our ability to conduct our audio conferencing events business (as defined in the Agreement) or our web conferencing business (as defined in the Agreement).
