Delta today will host a conference for investors that will also be webcast. Materials to be used in conjunction with the conference are furnished as Exhibit 99.1 to this Form 8-K.

In accordance with general instruction B.2 of Form 8-K, the information in this report (including any exhibits) that is being furnished pursuant to Item 7.01 of Form 8-K shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act, as amended, or otherwise subject to liabilities of that section, nor shall they be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as expressly set forth in such filing. This report will not be deemed an admission as to the materiality of any information in the report that is required to be disclosed solely by Regulation FD.

Statements in this Form 8-K and the attached exhibits that are not historical facts, including statements regarding our estimates, expectations, beliefs, intentions, projections or strategies for the future, may be “forward-looking statements” as defined in the Private Securities Litigation Reform Act of 1995. All forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially from the estimates, expectations, beliefs, intentions, projections and strategies reflected in or suggested by the forward-looking statements. These risks and uncertainties include, but are not limited to, the cost of aircraft fuel; the impact that our indebtedness will have on our financial and operating activities and our ability to incur additional debt; the restrictions that financial covenants in our financing agreements will have on our financial and business operations; labor issues; interruptions or disruptions in service at one of our hub airports; our increasing dependence on technology in our operations; our ability to retain management and key employees; the ability of our credit card processors to take significant holdbacks in certain circumstances; the effects of terrorist attacks; and competitive conditions in the airline industry; and our ability to achieve expected synergies from our merger with Northwest.

Additional information concerning risks and uncertainties that could cause differences between actual results and forward-looking statements is contained in Delta’s Securities and Exchange Commission filings, including its Annual Report on Form 10-K for the fiscal year ended December 31, 2007 and Form 10-Q for the quarterly period ended September 30, 2008. Caution should be taken not to place undue reliance on Delta’s forward-looking statements, which represent Delta’s views only as of December 9, 2008, and which Delta has no current intention to update.
