INTUITIVE SURGICAL, INC.  
PROXY STATEMENT

For Special Meeting of Stockholders to be Held  
September 22, 2017 at 3:00 p.m. Pacific Time

This proxy statement is delivered to you by Intuitive Surgical, Inc., a Delaware corporation (“we,” “us,” “our,” “our company” or “Intuitive Surgical”), in connection with our Special Meeting of Stockholders to be held on Friday, September 22, 2017, at 3:00 p.m. Pacific Time at our corporate offices located at 1020 Kifer Road, Sunnyvale, California 94086 (the “Special Meeting”). The Special Meeting is being held for the purpose of approving a proposal to further amend our Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock that we may issue from 100 million shares to 300 million shares for the purpose of, among other things, effecting a three-for-one stock split of our issued and outstanding Common Stock as part of the amendment (the “Proposal”), and to transact such other business as may properly come before the meeting or any adjournments thereof. The Board of Directors of Intuitive Surgical is soliciting proxies to be voted at the Special Meeting. The approximate date on which this proxy statement and the enclosed proxy will be first mailed to stockholders is August 30, 2017.

If your shares of Common Stock are registered directly in your name you are considered, with respect to those shares, the stockholder of record. Stockholders of record may vote in person at the Special Meeting or by proxy using the enclosed proxy card, by telephone or electronically through the Internet.

The deadline for stockholders of record to vote by telephone or electronically through the Internet is 11:59 p.m., Eastern Time, on September 21, 2017. Set forth below is a summary of the three voting methods which stockholders of record may utilize to submit their votes by proxy:

**Vote by Telephone** - You may vote by proxy by calling the toll-free number found on the voting instruction form. Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your proxy card (which contains your control number) in hand when you call, and follow the instructions provided.

**Vote Electronically through the Internet** - You may vote by proxy via the Internet by visiting [www.proxyvote.com](http://www.proxyvote.com). Use the Internet to vote your proxy 24 hours a day, 7 days a week. Have your proxy card (which contains your control number) in hand when you access the Web site. Follow the instructions to obtain your records and to create an electronic voting instruction form. The Internet voting procedures comply with Delaware law.

**Vote by Mail** - Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided you. We urge you to vote promptly using one of these methods to ensure your vote is counted.

If you vote by telephone or electronically through the Internet, you do not need to return your proxy card.

Please note that although there is no charge to you for voting by telephone or electronically through the Internet, there may be costs associated with electronic or telephonic access such as usage charges of Internet service providers and telephone companies. We do not cover these costs; they are solely your responsibility.

If your shares of Common Stock are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and you should have received these proxy materials from that organization rather than us. The organization holding your shares is considered the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct the organization holding your shares on how to vote the shares held in your account using the voting instructions received from such organization. You may vote in person at the Special Meeting only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the Special Meeting.

If a proxy in the accompanying form is duly executed and returned, the shares represented by the proxy will be voted as directed. If no direction is given, the shares represented by the proxy will be voted FOR the proposal. If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Special Meeting by:

- delivering written notice of revocation to our Corporate Secretary at 1020 Kifer Road, Sunnyvale, California 94086;
- submitting a later dated proxy; or
- attending the Special Meeting and voting in person.

Attendance at the Special Meeting will not in itself constitute a revocation of your proxy. If your shares are held in street name and you want to change your vote, please contact your broker, bank or other nominee to find out how to do so. We will incur

the cost of this solicitation of proxies that will be made by mail. In addition, our officers and other regularly engaged employees may, in a limited number of instances, solicit proxies personally or by telephone. We will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy materials to beneficial owners of our Common Stock. We have retained Mackenzie Partners, Inc. to solicit proxies for a fee of \$12,000 plus a reasonable amount to cover out-of-pocket expenses for proxy solicitation services.

Only stockholders of record at the close of business on August 25, 2017, will be entitled to vote at the Special Meeting. There were 37,283,807 shares of Common Stock outstanding on that date. Each share of Common Stock is entitled to one vote. The presence in person or by proxy of holders of a majority of the outstanding shares of stock entitled to vote is necessary to constitute a quorum for the Special Meeting. A quorum must be established to consider any matter.

The Proposal will be considered as having passed if it receives the affirmative “for” vote of the holders of a majority of the stock of the Company entitled to vote.

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote your uninstructed shares on “routine” matters but cannot vote on “non-routine” matters. The Proposal is considered a “routine” matter under applicable rules. If the organization that holds your shares does not receive instructions from you on how to vote your shares on the Proposal, the organization that holds your shares will be able to vote your shares on the Proposal. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. Accordingly, no broker non-votes will likely result from this proposal. A properly executed proxy marked “Abstain” with respect to the Proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. The Proposal will be determined by a majority of the stock of the Company entitled to vote as described in the preceding paragraph, and proxies marked “Abstain” as to the Proposal will have the same effect as a vote cast against the Proposal.

By properly signing and returning the enclosed proxy card or by voting through the Internet or by telephone, you are giving the persons who are designated by the Board of Directors as proxies the authority to vote your shares in the manner that you indicate on your proxy card. The Board of Directors has designated Gary G. Guthart, Ph.D. and Alan C. Mendelson to serve as proxies for the Special Meeting. If any other matters properly come before the Special Meeting or any postponement or adjournment of the meeting, the persons designated as proxies intend to vote in accordance with their best judgment on such matters. The proxy confers discretionary authority to the persons designated in our proxy to vote with respect to all other matters that may properly come before the Special Meeting. Our principal executive office is located at 1020 Kifer Road, Sunnyvale, California 94086.

PROPOSAL NO. 1

AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Description of the Proposed Amendment

Our Amended and Restated Certificate of Incorporation (“Certificate of Incorporation”) currently authorizes the issuance of up to 100 million shares of Common Stock, \$0.001 par value per share (“Common Stock”) and 2.5 million shares of Preferred Stock, \$0.001 par value per share (“Preferred Stock”).

On August 11, 2017, our Board of Directors adopted resolutions approving, subject to stockholder approval at the Special Meeting, an amendment (the “Amendment”) to the Certificate of Incorporation to increase the number of authorized shares of Common Stock from 100 million shares to 300 million shares for the purpose of, among other things, effecting a three-for-one split of our issued and outstanding Common Stock as part of such amendment. The Amendment would not affect the number of authorized shares of Preferred Stock. Currently, there are no shares of Preferred Stock issued and outstanding. The Board of Directors determined that the Amendment is advisable and in the best interests of Intuitive Surgical and directed that the proposed Amendment be submitted for approval by stockholders at the Special Meeting. The full text of the Amendment to the Certificate of Incorporation is set forth in Appendix A to this Proxy Statement.

Purposes and Effects of the Proposed Amendment

Our Board of Directors has approved, subject to stockholder approval of the Amendment, a three-for-one split of our issued and outstanding Common Stock (the “Stock Split”) to be effected as part of the Amendment. If our stockholders approve the Amendment, the Amendment will become effective on the date that it is filed with the Secretary of State of the State of Delaware, and each stockholder of record at the close of business on such date will become the record owner of, and be entitled to receive, two additional shares of Common Stock for each share of Common Stock then owned of record by such stockholder. If the Amendment is approved, the Company currently anticipates filing the Amendment with the Secretary of State of the State of Delaware on September 29, 2017.

All shares issued as a result of the proposed Stock Split will be issued in book-entry form, either through the Direct Registration System (“DRS”) or as a credit to an existing account of a stockholder of record. Consequently, certificates representing shares of Common Stock currently issued should be retained by each stockholder and should not be returned to the Company or to its transfer agent, as it will not be necessary to submit outstanding certificates for exchange.

Our Board of Directors is recommending the proposed increase in the number of authorized shares of Common Stock to provide adequate shares of Common Stock for the Stock Split and to give Intuitive Surgical the flexibility to issue shares of Common Stock for future corporate needs. As a general matter, the Board of Directors would be able to issue these additional shares of Common Stock in its discretion from time to time without further action or approval of our stockholders, subject to and as limited by any rules or listing requirements of the NASDAQ Stock Market or of any other applicable rules or regulations.

**The Stock Split.** The trading price of our Common Stock has risen significantly over the past several years. Our Board of Directors regularly evaluates the effect of the trading price of our Common Stock on the liquidity and marketability of our Common Stock and believes the considerable price appreciation has made our Common Stock less affordable and, therefore, attractive to fewer investors. The closing market price of our Common Stock on August 25, 2017, was \$978.63 as reported on the NASDAQ Global Select Market. The Board of Directors believes that effecting the Stock Split would make our shares more affordable and attractive to a broader group of potential investors, increase liquidity in the trading of our Common Stock and increase the attractiveness of our employee equity awards. The Board of Directors believes it is in our best interests to increase the number of authorized shares of Common Stock to accommodate the Stock Split.

**Effects of the Stock Split.** Following the payment date of the Stock Split, each stockholder will own three times the number shares of our Common Stock such stockholder held prior to the effective date. However, the Stock Split will affect all of our stockholders uniformly and will not affect any stockholder’s percentage ownership of our Common Stock. Proportionate voting rights and other rights and preferences of the holders of our Common Stock will not be affected by the Stock Split. The number of stockholders of record will also not be affected by the Stock Split. The Stock Split will also proportionately increase the number of shares of Common Stock available for issuance under our

equity compensation plans.

Assuming the proposed Amendment is adopted and we effect the Stock Split, based on the shares of Common Stock outstanding as of July 31, 2017, the following number of shares of Common Stock would be authorized, outstanding and available for future issuance after the Stock Split:

3

---

	Shares of Common Stock as of July 31, 2017	
	Pre-Amendment & Pre-Stock Split	Post-Amendment & Post-Stock Split
Common Stock authorized	100,000,000	300,000,000
Common Stock outstanding	37,229,982	111,689,946
Common Stock available for future grant:		
2009 Employment Commencement Incentive Plan	32,290	96,870
2010 Incentive Award Plan	2,150,467	6,451,401
2000 Non-employee Directors' Stock Option Plan	44,018	132,054
2000 Employee Stock Purchase Plan	544,259	1,632,777
Total Common Stock authorized and available for issuance <sup>(1)</sup>	59,998,984	179,996,952

(1) Assumes all of the shares of Common Stock available for grant pursuant to our equity compensation plans are in fact issued.

**Accounting Consequences of Stock Split.** The par value per share of our Common Stock will remain unchanged at \$.001 per share after the Stock Split. As a result, on the payment date of the Stock Split, the stated capital on our consolidated balance sheet attributable to Common Stock will be increased proportionately and the additional paid-in-capital account will be decreased by the amount by which the stated capital is increased. Per share net income or loss will be decreased for current and prior periods because there will be additional shares of our Common Stock outstanding. We do not anticipate that any other accounting consequences, including changes to the amount of stock-based compensation expense to be recognized in any period, will arise as a result of the Stock Split.

**Reservation of Right to Abandon Stock Split.** We reserve the right to not proceed with the Amendment and to abandon the Amendment, including the Stock Split, without further action by our stockholders at any time before the effectiveness of the filing of the Amendment with the Secretary of State of the State of Delaware, even if the authority to effect the Amendment is approved by our stockholders at the Special Meeting. By voting in favor of the Amendment, you are expressly also authorizing our Board of Directors to delay, not proceed with, and abandon, the proposed Amendment and the Stock Split if it should so decide, in its sole discretion, that such action is in the best interests of our company and its stockholders. If the Board elects to abandon the Amendment, the number of authorized shares of Common Stock will remain 100,000,000 and the Stock Split will not be effected.

**Other Purposes.** After completion of the Stock Split, the remaining newly authorized shares of Common Stock would be issuable for any proper corporate purpose, including future acquisitions, capital-raising or financing transactions involving Common Stock, convertible securities or other equity securities, stock splits, stock dividends and current or future equity compensation plans. Our Board of Directors believes that these additional shares will provide Intuitive Surgical with needed flexibility to issue shares in the future without the potential expense or delay incident to obtaining stockholder approval for any particular issuance. We may issue the additional shares, together with currently authorized but unused and unreserved shares, at such time, to such persons and for such consideration as the Board of Directors may determine to be in our best interests without further stockholder approval, except as otherwise required by law or stock exchange rules. Except for shares of Common Stock available for grant pursuant to our equity compensation plans and shares of Common Stock to be issued to effect the Stock Split, Intuitive Surgical does not currently have any other plans, agreements, commitments or understandings with respect to the issuance of the additional shares (or the currently authorized but unissued shares) of Common Stock, nor does Intuitive Surgical currently have any plans, arrangements, commitments or understandings with respect to the issuance of any shares of Preferred Stock.

#### Rights of Additional Authorized Shares of Common Stock

Any additional authorized shares of Common Stock, if and when issued, would be part of our existing class of Common Stock, and would have the same rights and privileges as the currently outstanding shares of Common Stock. The holders of Common Stock are not entitled to preemptive rights or cumulative voting.

Potential Effects of Future Issuances

The Stock Split will affect all of our stockholders uniformly and will not affect any stockholder's percentage ownership of our Common Stock. However, other future issuances of shares of Common Stock or securities convertible into shares of Common Stock could have a dilutive effect on Intuitive Surgical's earnings per share, book value per share and the voting power and interest of current stockholders. While we do not intend the Amendment to deter or to prevent a change in control, we could use the additional shares of Common Stock (as we could use the currently authorized but unissued shares of our stock) to hinder persons

seeking to acquire or take control of our company or to dilute voting power of the outstanding shares. We are not aware of any efforts to obtain control of our company and we have not made this proposal in response to any such efforts.

**Effective Date of Proposed Amendment and Issuance of Shares for Stock Split**

If the Amendment is adopted by the required vote of stockholders, such Amendment will become effective on the date the Amendment is filed with the Secretary of State of the State of Delaware, which will become the record date for the determination of the owners of Common Stock entitled to additional shares. If the Amendment is approved, the Company currently anticipates that the record date will be September 29, 2017, and the distribution date for such additional shares will be October 5, 2017. Our Board of Directors reserves the right, notwithstanding stockholder approval of the Amendment to the Certificate of Incorporation, and without further action by the stockholders, to elect not to proceed with the Amendment if, at any time prior to filing the Amendment, the Board of Directors determines that it is no longer in the best interests of the Company and stockholders to proceed with the Stock Split.

Please do not destroy or send your existing stock certificates to the Company. If the Amendment is adopted, those certificates will remain valid for the number of shares shown thereon, and should be carefully preserved by you. All shares issued as a result of the proposed Stock Split will be issued in book-entry form, either through DRS or as a credit to an existing stockholder of record account. You will receive information about the additional shares to which you are entitled on or around the distribution date.

If the amendment is approved, the Company will provide additional details about the implementation of the Stock Split on its website following the Special Meeting.

**IMPORTANT NOTE: PLEASE DO NOT DESTROY OR RETURN YOUR EXISTING STOCK CERTIFICATES. CERTIFICATES REPRESENTING SHARES OF COMMON STOCK ISSUED PRIOR TO THE STOCK SPLIT WILL CONTINUE TO REPRESENT THE SAME NUMBER OF SHARES OF COMMON STOCK AFTER THE EFFECTIVE DATE OF THE STOCK SPLIT.**

**Vote Required**

Approval of the Amendment to the Amended and Restated Certificate of Incorporation requires the affirmative vote of the holders of a majority of the outstanding stock of the Company entitled to vote thereon.

**Recommendation of the Board**

**THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 100 MILLION SHARES TO 300 MILLION SHARES FOR THE PURPOSE OF, AMONG OTHER THINGS, EFFECTING A THREE-FOR-ONE SPLIT OF OUR ISSUED AND OUTSTANDING COMMON STOCK AS PART OF SUCH AMENDMENT.**

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The information in the following table sets forth the ownership of our common stock, as of July 31, 2017, by: (i) any person who is known by us to be the beneficial owner of more than five percent of our common stock; (ii) each of our Named Executive Officers named in the Compensation Discussion and Analysis section of our definitive proxy statement on Schedule 14A for our 2017 Annual Meeting of Stockholders filed with the SEC on March 3, 2017; (iii) each of our directors; and (iv) all executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to securities. For the purposes of calculating the percent ownership, as of July 31, 2017, approximately 37.7 million shares were issued and outstanding, including any individual who beneficially owns shares represented by options exercisable or RSUs vested within 60 days of July 31, 2017, these shares are treated as if outstanding for that person, but not for any other person.

In order to be considered for inclusion in the proxy material to be disseminated by the Board, your proposal must comply with the requirements of Rule 14a-8 under the Exchange Act and be submitted in writing by notice delivered or mailed by first-class United States mail, postage prepaid, to our Corporate Secretary at:

Intuitive Surgical, Inc.  
Attn: Corporate Secretary

- the number of shares of stock you hold of record, beneficially own and represent by proxy as of the date of your notice; and
- a representation that you intend to appear in person or by proxy at the Annual Meeting to introduce the proposal specified in your notice.

The chairperson of the meeting may refuse to acknowledge the introduction of your proposal if it is not made in compliance with the foregoing procedures or the applicable provisions of our Bylaws. Our Bylaws also provide for separate notice procedures to recommend a person for nomination as a director or to propose business to be considered by stockholders at a meeting outside the processes of Rule 14a-8. To be considered timely under these provisions, the stockholder's notice must be received by our Corporate Secretary at our principal executive offices at the address set forth above no earlier than December 21, 2017, and no later than January 22, 2018. If the date of our 2018 Annual Meeting is more than 30 days before or more than 60 days after April 20, 2018, the stockholder's notice must be received not later than the 90th day prior to such annual meeting or, if later, the 10th day following the day on which public announcement of the date of such annual meeting was first made. A stockholder providing such notice must also further update and supplement such notice so that the information provided or required to be provided is true and correct as of the record date for the meeting and as of the date that is 10 business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement must be received by our Corporate Secretary at our principal executive offices not later than 5 business days after the record date for the meeting (in the case of the update and supplement required to be made as of the record date) and not later than 8 business days prior to the date for the meeting or, if practicable, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of 10 business days prior to the meeting or any adjournment or postponement thereof). Our Bylaws also specify requirements as to the form and content of a stockholder's notice. We recommend that any stockholder wishing to make a nomination for director or to bring any other item before an annual meeting, other than proposals intended to be included in the proxy materials pursuant to Rule 14a-8, review a copy of our Bylaws, as amended and restated to date, which can be found at [www.intuitivesurgical.com](http://www.intuitivesurgical.com) or, without charge, from our Corporate Secretary at the address above.

In addition, our Bylaws permit certain of our stockholders who have beneficially owned 3% or more of our outstanding common stock continuously for at least three years to submit nominations to be included in the our proxy materials for up to 25% of the total number of directors then serving. Notice of proxy access director nominations for the 2018 annual meeting of stockholders must be delivered to our Corporate Secretary at our principal executive offices at the address noted above no earlier than December 21, 2017, and no later than the close of business on January 22, 2018. The notice must set forth the information required by our Bylaws with respect to each proxy access director nomination that an eligible stockholder or stockholders intend to present at the 2018 annual meeting of stockholders and must otherwise be in compliance with our Bylaws.

OTHER BUSINESS

Our Board of Directors does not know of any other matter to be acted upon at the meeting. However, if any other matter shall properly come before the meeting, the proxy holders named in the proxy accompanying this proxy statement will have authority to vote all proxies in accordance with their discretion.
