YUM! BRANDS INC. REPORTS ESTIMATED PERIOD 2 SALES

FOR ITS INTERNATIONAL, CHINA AND U.S. BUSINESSES

Louisville, Ky. February 24, 2005 Yum! Brands Inc. (NYSE: YUM) today reported system sales for its International Division increased 6% prior to foreign currency conversion or 10% after conversion to U.S. dollars. System sales for its China Division decreased 1% versus last year prior to foreign currency conversion or remained even after conversion to U.S. dollars. As expected, China Division sales results were adversely affected by the later timing of the Chinese New Year holiday period in 2005, which will benefit Period 3 results. U.S. blended same-store sales at company restaurants increased 4%.

International Division System Sales Growth (Estimated)

	Reported (U.S. \$)	Local Currency	Local Currency
Period 2	+10%	+6%	+3%
Quarter to Date	+11%	+7%	+4%

Note: These results exclude the China Division.

The company's annual target growth rate for International Division system sales is at least +5% prior to foreign currency conversion.

China Division System Sales Growth (Estimated)

	2005	2005	2004
	Reported (U.S. \$)	Local Currency	Local Currency
Period 2	Even	(1)%	+38%
Quarter to Date	Even	(1)%	+38%

Note: The China Division includes the People's Republic of China, Thailand, and KFC Taiwan. In 2004, the Chinese New Year occurred in Period 2.

Edgar Filing: YUM BRANDS INC - Form 8-K

For 2005, the benefit of the Chinese New Year holiday period will be included in China Division's Period 3 system-sales growth resulting in an expected system-sales-growth rate of at least +40% prior to foreign currency conversion. The company's annual target growth rate for China Division system sales is at least +22% prior to foreign currency conversion.

U.S. Company Same-Store Sales Growth (Estimated)

	Period 2, 2005	Period 2, 2004
U.S. BLENDED	+4%	+5%
Taco Bell	+7%	+6%

Period 3 Sales Release

Sales results for Period 3 (the four-week period ending March 19, 2005, for the U.S. businesses) will be released Thursday, March 24, 2005.

International Division includes all operations outside the U.S., with the exception of those reported in the China Division. Currently, the International Division includes more than 11,000 system restaurants in more than 100 countries and territories. The International Division's period close remains one period earlier than the company's period-end date to facilitate consolidated reporting. Please refer to the reporting calendar posted on Yum! Brands' Web site at the following URL http://investors.yum.com/ireye/ir_site.zhtml?ticker=YUM&script=1000.

China Division includes the People's Republic of China, Thailand, and KFC Taiwan. Based on restaurant counts at the end of 2004, the China Division includes 1,416 restaurants in the People's Republic of China, 358 restaurants in Thailand, and 131 KFC restaurants in Taiwan.

Since the China Division reports on a 12-month basis, rather than a 13-fiscal-period calendar, the first month's system sales growth for this division is being reported with Period 2 results. Specifically, Period 2 China Division sales results reflect January 2005 system-sales growth for the People's Republic of China (*China*). For 2005, we have moved forward China's business reporting calendar to more closely align the timing of reporting its results of operations with our U.S. business.

For purposes of this sales release, we have compared January 2005 sales for China with the same month last year. In 2004, the month of January was reported as Period 3 results.

System-sales growth includes total sales from all restaurants regardless of ownership, including company-owned, franchise, license, and unconsolidated affiliate (joint-venture) restaurants. Sales of franchise, unconsolidated affiliate (joint-venture) and license restaurants generate franchise and license fees for the company (typically at a rate of 4% to 6% of sales). Franchise, unconsolidated affiliate (joint-venture) and license restaurant sales are not included in the company sales we present on our Consolidated Statements of Income in accordance with U.S. GAAP; however, the fees are included in the company's revenues. We believe system-sales growth is useful to investors as a significant indicator of our company's market share relative to competitors and the overall strength of our brands in the market place.

Edgar Filing: YUM BRANDS INC - Form 8-K

U.S. same-store sales include only company restaurants that have been open one year or more. U.S. blended same-store sales include KFC, Pizza Hut, and Taco Bell company-owned restaurants only. U.S. same-store sales for Long John Silver's and A&W restaurants are not included. U.S. systemwide same-store-sales results are reported quarterly within the company's earnings release and include only KFC, Pizza Hut and Taco Bell restaurants.

2005 Period 2 End Dates

International Division	1/24/2005
China Division	1/31/2005
U.S. Business	2/19/2005
