Item 1.01. Entry into a Material Definitive Agreement.

On May 2, 2013, we entered into a new lease for our Seattle headquarters. The 11-year office building lease between RealNetworks, Inc. and 1501 First Avenue South Limited Partnership is for approximately 85,000 square feet of office space in the SoDo neighborhood of Seattle, Washington.

The initial term of the lease is estimated to commence on August 15, 2013. We will be obligated to pay approximately \$3.5 million in annual rent, which includes our pro rata share of certain real property taxes, operating expenses and common area maintenance expenses.

Pursuant to the lease, within 365 days of the expiration of the initial term, we have the option to extend the lease for two additional five-year terms, with certain increases in base rent. In addition, provided that we meet certain conditions, we have the option to lease an additional floor of the building at any time during the first five years of the term and have a right of first refusal with regard to such floor during the first two years of the term. We may terminate the lease effective as of the seventh anniversary of commencement, upon the payment of certain termination costs.

The information set forth in Item 1.02 below regarding an amendment to terminate our current office lease is incorporated by reference into this Item 1.01.

Item 1.02. Termination of a Material Definitive Agreement.

On May 2, 2013, we entered into an amendment to our current headquarters office lease with SRI-WR Elliott Avenue LLC that provides for an early termination of such lease effective in three stages, with the termination of a majority of the premises taking place on August 31, 2013. In connection with the early termination of the lease, we will pay the landlord a termination payment of approximately \$6.6 million against an obligation of approximately \$10.5 million. Prior to the execution of the amendment, the lease had been scheduled to expire in September 2014.

As a result of our entry into the new lease for the SoDo office and the termination of our old lease, we expect a near-term savings of approximately \$7.0 million in facilities costs.
