**STOCK OPTION EXCHANGE PROGRAM
SUPPLEMENT TO OFFER TO EXCHANGE**

June 26, 2003

This supplement provides additional information relating to the stock option exchange offer being made by ADC Telecommunications, Inc. The information set forth below supplements and amends the relevant sections of the Offer to Exchange dated June 2, 2003. Terms not defined in this memorandum have the meanings assigned to them in the Offer to Exchange.

SUMMARY OF TERMS

Replacement Grant Date

The Company currently anticipates that the new options will be granted on December 29, 2003. However, we have the discretion to delay the replacement grant date to a later date that is more administratively practicable. One case in which the replacement grant date would be later than December 29, 2003 is the situation in which the offer period is extended beyond June 27, 2003. In addition, the replacement grant date could be delayed due to problems with the Company's computer system or the closing of the U.S. securities markets due to national crisis.

THE OFFER

Acceptance of Options for Exchange

The Company will notify participants of its acceptance of their options for cancellation and exchange promptly after the expiration of the offer (which is expected to occur on June 27, 2003).

Conditions of the Offer

The offer may be terminated if, in the reasonable judgment of our Board of Directors, certain events make it inadvisable for the Company to proceed with the offer or to accept and cancel options. Conditions to the offer include litigation, law changes and other related events that would materially impair the contemplated future conduct of our business or materially impair the contemplated benefits of the offer. For example, litigation or legislation challenging the desired tax or accounting consequences of the offer to the Company or the desired tax consequences to the participants would be covered by these conditions. In addition, a significant lawsuit that could materially affect the future operations of the Company could trigger these conditions.

The Company will not terminate or amend the offer if there are events or circumstances causing instability with respect to U.S. homeland security, infrastructure, economic conditions or securities markets, unless such instability is material.

ADDITIONAL INFORMATION

Incorporation by Reference

Notwithstanding the statement to the contrary in the Offer to Exchange, no additional documents filed by the Company with the Securities and Exchange Commission between the date of the Offer of Exchange and the expiration of the offer will be incorporated by reference into the Offer to Exchange.
