INFORMATION CONCERNING SOLICITATION AND VOTING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

The board of directors of Affordable Residential Communities Inc., a Maryland corporation ("ARC" or the "Company"), seeks your proxy for use in voting at our 2005 annual meeting of stockholders or at any postponements or adjournments of the annual meeting. Our annual meeting will be held at the Oxford Hotel, 1600 17th Street, Denver, CO 80202, on Thursday June 30, 2005, at 9:00 a.m., local Denver, Colorado time. We intend to begin mailing this proxy statement, the attached notice of annual meeting and the accompanying proxy card on or about May 27, 2005, to all holders of our common stock, par value \$0.01 per share, and special voting stock, par value \$0.01 per share, which together we refer to as our voting securities, entitled to vote at the annual meeting.

ON WHAT AM I VOTING?

At the annual meeting, stockholders will act upon:

- (1) the election of directors to serve on our board until the 2006 annual meeting of stockholders; and
- (2) ratification of the selection of PricewaterhouseCoopers LLP as our independent auditor for the fiscal year ending December 31, 2005.

WHO CAN VOTE?

Only holders of record of our voting securities at the close of business on Friday, April 15, 2005, the record date, will receive notice of, and be entitled to vote at, our annual meeting. At the close of business on April 15, 2005, 40,875,729 shares of our common stock and 4,620,367 shares of our special voting stock were outstanding and entitled to vote. Our common stock and our special voting stock are the only securities entitled to vote at the annual meeting. In deciding all matters, a holder of common stock on the record date will be entitled to cast one vote for each share of common stock registered in that holder's name and a holder of our special voting stock on the record date will be entitled to cast 0.519 vote for each share of our special voting stock registered in that holder's name, on each matter to be voted upon at the annual meeting.

Stockholder of Record: Shares Registered in Your Name.

If, on April 15, 2005, your common shares were registered directly in your name with ARC's transfer agent, American Stock Transfer & Trust Company, or, in the case of special voting shares, with us, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Nominee.

If, on April 15, 2005, your shares were held in an account at a bank, brokerage firm, or other agent or nominee, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your bank, broker or other agent or nominee on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy card from your bank, broker or other agent or nominee.

WHAT CONSTITUTES A QUORUM?

The presence in person or by proxy of holders entitled to cast a majority of all the votes entitled to be cast at the annual meeting on any matter will constitute a quorum. Broker non-votes, if any, will be counted as shares present for purposes of determining the presence of a quorum.

WHAT ARE THE VOTING RIGHTS OF THE HOLDERS OF OUR VOTING SECURITIES?

In deciding all matters, a holder of common stock on the record date will be entitled to cast one vote for each share of common stock registered in that holder's name, on each matter to be voted upon at the annual meeting.

In deciding all matters, a holder of our special voting stock on the record date will be entitled to cast 0.519 vote for each share of special voting stock registered in that holder's name, on each matter to be voted upon at the annual meeting.

Holders of shares of our common stock and our special voting stock vote collectively as one class on all matters submitted to a vote of stockholders of the Company.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Election of Directors.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast at the annual meeting by holders of our voting securities. The candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the board of directors' nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

Ratification of Independent Auditor.

Ratification of the selection of PricewaterhouseCoopers LLP as our independent auditor for the fiscal year ending December 31, 2005, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast at the annual meeting by holders of our voting securities. If this selection is not ratified by holders of our voting securities, the audit committee and board may reconsider its recommendation and appointment, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal.

WHO CONDUCTS THE PROXY SOLICITATION?

ARC's board of directors is soliciting the proxies and ARC will bear the entire cost of this solicitation, including the preparation, assembly, printing and mailing of this proxy statement and any additional materials furnished to our stockholders. Copies of solicitation material will be furnished to banks, brokerage houses, other agents and nominees holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to these beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the solicitation material to the beneficial owners. ARC has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record. ARC also has made arrangements with Innisfree M&A Incorporated to assist the board in soliciting proxies and has agreed to pay them a fee for these services, which it reasonably estimates to be approximately \$10,000, plus reasonable expenses.

HOW DO I VOTE IF I ATTEND THE ANNUAL MEETING?

If you are a stockholder of record, you can attend the annual meeting and vote in person the shares you hold directly in your name. If you choose to do that, please bring the enclosed proxy card or proof of identification. If you want to vote in person at our annual meeting and you hold our voting securities through a bank, broker or other agent or nominee, you must obtain a power of attorney or other proxy authority from that organization and bring it to our annual meeting. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a power of attorney or other proxy authority. If you vote in person at the annual meeting, you will revoke any prior proxy you or your bank, broker or other agent or nominee may have submitted with respect to the shares of voting securities you own of record or beneficially.

HOW DO I VOTE IF I DO NOT ATTEND THE ANNUAL MEETING?

Please sign, date and return the proxy card in the enclosed pre-paid envelope. By casting your vote, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions. **Whether or not you plan to attend the meeting, we urge you to sign, date and return the enclosed proxy card to ensure your vote is counted.**

If you are a beneficial owner of shares registered in the name of your bank, broker or other agent or nominee, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from ARC. Simply sign, date and mail the proxy card to ensure that your vote is counted. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a proxy card.

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED ON THE PROXY CARD?

If the proxy card does not specify how your shares are to be voted, your shares represented by the proxy card will be voted as follows:

- (1) **FOR** the election of all of the nominees for director proposed by the board of directors; and
- (2) **FOR** the ratification of the selection of PricewaterhouseCoopers LLP as our independent auditor for the fiscal year ending December 31, 2005.

If any other matter is properly presented at the meeting, the individuals named on your proxy card will vote your shares using their best judgment.

HAS THE ARC BOARD OF DIRECTORS MADE A RECOMMENDATION REGARDING THE MATTERS TO BE ACTED UPON AT THE ANNUAL MEETING?

The ARC board of directors recommends that you vote "FOR" the election of all of its nominees for director and "FOR" the ratification of the selection of PricewaterhouseCoopers LLP as ARC's independent auditor for the fiscal year ending December 31, 2005.

CAN I CHANGE MY VOTE?

You may revoke your proxy by doing any of the following:

- (1) Send a written notice of revocation to our Corporate Secretary, dated later than the proxy you want to revoke, but before the vote is taken at the annual meeting;
- (2) Execute and deliver a later dated proxy before the vote is taken at the annual meeting; or

Edgar Filing: AFFORDABLE RESIDENTIAL COMMUNITIES INC - Form DEF 14A

(3)

Vote in person at the annual meeting (your attendance at the annual meeting, in and of itself, will not revoke the earlier proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Affordable Residential Communities Inc.
600 Grant Street, Suite 900
Denver, CO 80203
Attention: Scott L. Gesell, Corporate Secretary

YOUR VOTE AT THIS YEAR'S MEETING IS IMPORTANT, NO MATTER HOW MANY OR HOW FEW SHARES YOU OWN. PLEASE SIGN AND DATE THE ENCLOSED PROXY CARD AND RETURN IT IN THE ENCLOSED POSTAGE-PAID ENVELOPE PROMPTLY.

CORPORATE GOVERNANCE PROFILE

We are committed to good corporate governance practices and as such we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education, management succession, and executive sessions. The board's current practice is to hold an executive session of its independent directors at least once per quarter. The individual who serves as the chair at these executive sessions shall rotate each year among the chairs (if such chair is not a member of management) of the committees of the board of directors. A copy of the corporate governance guidelines may be found at our corporate website at www.aboutarc.com under the heading "Investor Relations Governance." A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above.

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer. We also have adopted a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at www.aboutarc.com under the heading "Investor Relations Governance." Copies also may be obtained upon request from the Company's Corporate Secretary at the address provided above. Amendments to, and waivers from, the senior officer code of ethics will be disclosed at the same website address provided above and in such filings as may be required pursuant to applicable law or listing standards.

The audit committee of the board of directors has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding accounting or auditing matters. We have established a confidential website address and hotline for employees to report violations of the Company's employee code of conduct or other company policy and to report any ethical concerns.

Of our 11 director nominees, 9 have been determined by our board of directors to be independent for purposes of the New York Stock Exchange's ("NYSE's") listing standards. In determining director/nominee independence, we reviewed whether any transactions or relationships currently exist, or during the past three years existed, between each director and nominee and the Company and its subsidiaries, affiliates and equity investors or independent auditors. The board also examined whether there were any transactions or relationships between each director and nominee and members of the senior management of the Company or their affiliates. As a result of this review, the board affirmatively

determined at a meeting held May 25, 2005, that all of our directors and nominees, except for Messrs. Jackson and Sprengle, were independent under the standards set forth in the Company's Director Independence Criteria and by the NYSE. The full text of the Director Independence Criteria is attached as Appendix A to this proxy statement and also can be found in the "Investor Relations Governance" section of the Company's website at www.aboutarc.com. A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above.

DIRECTOR COMPENSATION

Members of our board of directors who are employees of our company will not receive any compensation for their service on the board. Currently, all non-employees and non-institutional stockholder affiliated members of our board of directors receive compensation of \$30,000 annually, half of which is to be paid in cash and half of which is to be paid in shares of our common stock, which shares will be issued under our 2003 equity incentive plan. The directors currently do not receive any additional fees for board or committee meetings. Each member of our board is reimbursed for out-of-pocket expenses associated with service on our behalf and associated with attendance at or participation in board meetings or committee meetings.

Directors Clayton, Green and Mercy each received 563, 257 and 299 shares under the 2003 equity incentive plan on November 5, 2004, January 7, 2005, and April 8, 2005, respectively.

BOARD COMMITTEES

Our board of directors has an audit committee, a compensation committee, and a nominating and corporate governance committee. Each of the directors appointed to serve on these committees meets the independence standards applicable to NYSE listed companies. The information below is current as of the date of this proxy statement. Following the annual meeting, and depending on the results of the director elections, the board will review committee memberships and appoint directors to each of the committees.

Audit Committee.

ARC has a standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the "Exchange Act"). The audit committee helps the board of directors ensure the integrity of our financial statements, the qualifications and independence of our independent auditor, and the performance of our internal audit function and independent auditor. In furtherance thereof, the audit committee assists in the establishment and maintenance of our internal audit controls, selects, meets with and assists the independent auditor, oversees each annual audit and quarterly review, and prepares the report that federal securities laws require be included in our annual proxy statement, which appears below. Mr. Green has been designated as Chairman and Mr. Greene and departing director Randall A. Hack have been appointed as members of the audit committee. The board has determined that Mr. Green qualifies as an "audit committee financial expert" as defined by the rules of the Securities and Exchange Commission ("SEC").

The board adopted a formal charter to govern the audit committee on December 23, 2003, a copy of which is available on our website, www.aboutarc.com, under the heading "Investor Relations Governance." A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above. Pursuant to the audit committee charter, the committee will meet once every fiscal quarter or more frequently as it determines is necessary to carry out its duties and responsibilities. The formal report of the audit committee can be found beginning on page 12 of this proxy statement. During 2004, the audit committee met on 8 occasions.

Compensation Committee.

The compensation committee reviews and approves the compensation and benefits of our executive officers, administers our management incentive and 2003 equity incentive plans and produces the annual report on executive compensation for inclusion in our proxy statement. The current members of the compensation committee are Mr. Mercy (Chairman) and departing director Charles J. Santos-Buch. Former directors Thomas M. Hagerty (Chairman) and Todd M. Abbrecht served on the compensation committee before their resignations in January 2005. The board adopted a formal charter to govern the compensation committee on December 23, 2003, a copy of which is available on our website, www.aboutarc.com, under the heading "Investor Relations Governance." A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above. During 2004, the compensation committee met on 4 occasions.

Nominating and Corporate Governance Committee.

The nominating and corporate governance committee's purpose is to (i) identify, screen and recommend to the board of directors individuals qualified to serve as directors of ARC and on committees of the board of directors, (ii) advise the board of directors with respect to the composition, procedures and committees of the board of directors, (iii) advise the board of directors with respect to the corporate governance principles applicable to ARC, and (iv) oversee the evaluation of the board of directors and ARC's management. Mr. Mercy has been designated as Chairman and Mr. Green and departing director James L. Clayton have been appointed as members of the nominating and corporate governance committee. Former director Scott A. Schoen served on the Nominating and Corporate Governance Committee before his resignation in January 2005. The charter of the nominating and corporate governance committee is available on our website, www.aboutarc.com, under the heading "Investor Relations Governance." A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above. The nominating and corporate governance committee was formed on December 23, 2003, and held 4 meetings in 2004.

Our board of directors may from time to time establish certain other committees to facilitate the management of our company.

STOCKHOLDER COMMUNICATIONS WITH DIRECTORS

The board of directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the board by mail. To communicate with the board of directors, any individual director or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at Affordable Residential Communities Inc., 600 Grant Street, Suite 900, Denver, CO, 80203.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee(s). In the case of communications to the board or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

DIRECTOR NOMINATION PROCEDURES

The nominating and corporate governance committee believes that, at a minimum, candidates for membership on the board of directors should have demonstrated an ability to make a meaningful

contribution to the board of directors' oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The nominating and corporate governance committee recommends director nominees to the board of directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the board of directors, the nominating and corporate governance committee also seeks to have the board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The nominating and corporate governance committee expects, in the future, to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above. The nominating and corporate governance committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the nominating and corporate governance committee also will consider candidates recommended by stockholders.

Once a person has been identified by the nominating and corporate governance committee as a potential candidate, the committee expects to collect and review publicly available information regarding the person to assess whether the person should be considered further. If the nominating and corporate governance committee determines that the candidate warrants further consideration, and if the person expresses a willingness to be considered and to serve on the board of directors, the nominating and corporate governance committee expects to request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the nominating and corporate governance committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our Amended and Restated Bylaws, as summarized below under "Stockholder Proposals for 2006," the nominating and corporate governance committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the nominating and corporate governance committee "c/o Corporate Secretary" at Affordable Residential Communities Inc., 600 Grant Street, Suite 900, Denver, CO, 80203. Director recommendations submitted by stockholders should include the following regarding the individual(s) recommended for nomination:

name, age, business address and residence address;

the class, series and number of any shares of stock of ARC beneficially owned;

the date(s) that shares of stock of ARC were acquired and the investment intent of such acquisition; and

all other information that would be required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act and the rules thereunder (including each individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

The stockholder recommendation and information described above must be delivered to the Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual

Edgar Filing: AFFORDABLE RESIDENTIAL COMMUNITIES INC - Form DEF 14A

meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, notice by the stockholder must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (i) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (ii) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The nominating and corporate governance committee expects to use a similar process to evaluate candidates to the board of directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

For the 2005 annual meeting there are 6 nominees standing for election to the board of directors of ARC for the first time.

The director nominees have been identified by our chief executive officer, after consultation with our current board of directors, and are individuals known to our chief executive officer from prior associations.

No fee was paid to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

The nominating committee did not receive within the time period specified by SEC regulations, the name of any recommended director nominee from a stockholder who beneficially owned more than 5% of ARC's common voting stock for at least one year as of the date of the recommendation.

DIRECTOR ATTENDANCE AT ANNUAL MEETING

We do not have a policy requiring our directors to attend our annual meeting; however, attendance by our directors is encouraged. Two directors, Messrs. Jackson and Sprengle, attended our 2004 annual meeting.

AUDIT COMMITTEE REPORT AND DISCLOSURES

The audit committee oversees the Company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and for issuing a report thereon. The committee reviews and oversees these processes, including oversight of (i) the integrity of the Company's financial statements, (ii) the Company's independent auditor's qualifications and independence, (iii) the performance of the Company's independent auditor and the Company's internal audit function and (iv) the Company's compliance with legal and regulatory requirements.

In this context, the committee met and held discussions with management and the independent auditor. Management represented to the committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the committee reviewed and discussed the consolidated financial statements with management and the independent auditor. The committee also discussed with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the committee discussed with the independent auditor the auditor's independence from the Company and its management, and the independent auditor provided to the committee the

written disclosures and letter required from the independent auditor by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the committee recommended to the board of directors, and the board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC. The committee and the board also have recommended the selection of the Company's independent auditors for the fiscal year ending December 31, 2005.

As of May 15, 2005, 23,000 of these restricted common stock shares have vested and 72,000 shares remain unvested. EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

Employment Agreements.

We have entered into employment agreements with Messrs. Jackson and Sprengle. We had also entered into an employment agreement with George W. McGeeney, who left ARC in November 2004, at which time his employment agreement was terminated. The employment agreements provide for Mr. Jackson to serve as our Chief Executive Officer and Mr. Sprengle to serve as our Vice Chairman. These employment agreements require the executives to devote substantially all of their business attention and time to our affairs, with certain specified exceptions with respect to Mr. Jackson.

The employment agreements each have a term of three years, with automatic one-year renewals having commenced on February 18, 2005, unless either party provides at least 60 days notice of non-renewal.

The employment agreements provide for:

an annual base salary of \$500,000 for Mr. Jackson and \$375,000 for Mr. Sprengle, subject to increase by our board of directors in its sole discretion;

eligibility for annual cash performance bonuses under our management incentive plan (see "Compensation Committee Report on Executive Compensation Management Incentive Plan"), conditional upon and subject to the satisfaction of performance goals established in accordance with the terms of such plan, with no minimum bonus amount guaranteed;

eligibility for participation in our 2003 equity incentive plan; and

participation in all of the employee compensation, welfare and benefit plans and arrangements made available by us to our similarly situated executives.

Mr. Jackson's employment agreement provides that, if his employment is terminated by us without "cause" (which is defined as the willful and continued failure to substantially perform his duties which has not been cured within 30 days after notice is delivered to him; the willful engagement in conduct which is demonstrably and materially injurious to us; or his having been convicted of or having pled guilty or no contest to a felony) or by Mr. Jackson for "good reason" (which is defined as a material breach by us of our obligations under the employment agreement; any termination of Mr. Jackson's employment with us not made in accordance with the terms of the employment agreement; or a substantial reduction in Mr. Jackson's base salary or his opportunity to participate in the aggregate in

our incentive compensation or other employee welfare and benefit plans) regardless of whether a change in control has occurred, Mr. Jackson will be entitled to the following severance payments and benefits:

payment equal to two times the sum of Mr. Jackson's then-current annual base salary plus his average cash bonus payment for the last three years following December 31, 2003, with the amount paid out over two years;

his prorated target annual bonus for the year in which the termination occurs; and

medical and other benefits for the two-year period immediately following termination of his employment, subject to reduction to the extent that comparable benefits are made available by a subsequent employer.

Mr. Jackson's employment agreement also provides for payment of the same severance payment and benefits in the event of his death or "disability" (as defined in the employment agreement), except that in the case of Mr. Jackson's death, benefit continuation will be for a period of one year rather than two years, and in the case of Mr. Jackson's death or disability, all equity incentive awards then held by Mr. Jackson will become fully vested, to the extent not then vested.

Mr. Sprengle's employment agreement provides that, if his employment is terminated by us without "cause" (which is defined as the willful and continued failure to substantially perform his duties which has not been cured within 30 days after notice is delivered to him; the willful engagement in conduct which is demonstrably and materially injurious to us; or his having been convicted of or having pled guilty or no contest to a felony) or by Mr. Sprengle for "good reason" (which is defined as any termination of Mr. Sprengle's employment with us not made in accordance with the terms of the employment agreement or a substantial reduction in Mr. Sprengle's salary, incentive compensation plans and other benefits in the aggregate), prior to a "change in control" (which means, in general, (i) the acquisition of 50% of the Company's voting securities by any "person"; (ii) a change in the majority membership of the Company's board of directors; (iii) the consummation of a merger or consolidation of the Company with another corporation or (iv) the Company's stockholders approve a plan of complete liquidation or dissolution of the Company), Mr. Sprengle will be entitled to the following severance benefits:

payment of Mr. Sprengle's then-current annual base salary for a period of two years; and

continuation of medical and other benefits for the two-year period immediately following termination of Mr. Sprengle's employment, subject to reduction to the extent that comparable benefits are made available by a subsequent employer.

Mr. Sprengle's employment agreement provides that if his employment is terminated by us without cause or by him for good reason following a change in control, he will be entitled to the following severance benefits:

payment equal to two times the sum of Mr. Sprengle's then-current annual base salary plus his average cash bonus payment for the last three years following December 31, 2003, with the amount paid out over two years;

his prorated target annual bonus for the year in which the termination occurs; and

medical and other benefits for the two-year period immediately following termination of his employment, subject to reduction to the extent that comparable benefits are made available by a subsequent employer.

Pursuant to his employment agreement, in the event of death or disability, Mr. Sprengle will be entitled to receive the same severance payments and benefits as described immediately above, except that in the case of his death, benefit continuation will be for a period of one year rather than

two years, and in the case of his death or disability, all equity incentive awards then held by him will become fully vested, to the extent not then vested.

Each of the employment agreements requires us to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive pursuant to his employment agreement or otherwise in connection with a change in control would be subject to the excise tax imposed on certain so-called "excess parachute payments" under Section 4999 of the Internal Revenue Code of 1986, as amended, (the "Code").

Each of the employment agreements contains confidentiality provisions which apply indefinitely, non-competition covenants which apply during the employment period and for a two-year period thereafter and non-solicitation provisions which apply during the employment period and for a two-year period thereafter, unless termination follows a change in control.

Mr. Jackson's employment agreement also contains an exception to his non-competition covenant to permit him to devote time to the management and operation of Global Mobile Limited Liability Company and JJ&T Enterprises, Inc. consistent with past practice. In addition, Mr. Jackson's agreement prohibits him from directly or indirectly acquiring any manufactured home communities and also provides us with a right of first refusal, for so long as he serves as our Chairman or Chief Executive Officer, in connection with any proposed sale by Mr. Jackson of any or all communities he owns directly or indirectly. Pursuant to this right, we may acquire such community or communities at 95% of their fair market value.

Severance Agreements.

We have entered into severance agreements, which became effective on February 18, 2004, with each of Messrs. Kreider and Gesell. Both of the severance agreements have a term of three years, with automatic one-year renewals commencing on the first anniversary of the severance agreements, unless either party to the respective agreement provides at least 60 days notice of non-renewal. The severance agreements provide that if, prior to a change in control, the executive's employment is terminated by us other than for "cause" (as defined in the severance agreements) or by the executive for any reason, the executive will be entitled to receive continued payment of his then-current base salary, paid in accordance with our ordinary payroll schedule, for the one-year period immediately following termination of employment.

The severance agreements also provide that if, following a change in control, the executive's employment is terminated by us without cause or by the executive for "good reason" (which is defined as a substantial reduction in the executive's salary, incentive compensation plans and other benefits, in the aggregate), the executive will be entitled to the following severance payments and benefits:

payment equal to the sum of the executive's then-current annual base salary plus average cash bonus over the last three years following our initial public offering in February 2004, with the amount paid out over one year;

the executive's prorated target annual bonus for the year in which the termination occurs; and

the opportunity to elect continued coverage under the Company's group health plans in accordance with Section 4980B of the Code for the two-year period immediately following termination of employment, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer.

If at any time during the term of the severance agreement, the executive's employment is terminated because of his death or "disability" (as defined in the severance agreements), the executive will be entitled to receive continued payment of his then-current base salary, paid in accordance with our ordinary payroll schedule, for the one-year period immediately following termination of employment. In addition, all equity awards previously granted to the executive will become immediately vested and/or exercisable.

Edgar Filing: AFFORDABLE RESIDENTIAL COMMUNITIES INC - Form DEF 14A

The severance agreements also contain confidentiality provisions which apply indefinitely, and non-competition and non-solicitation provisions which apply during the employment period and for a one-year period thereafter. Each of the severance agreements requires us to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive pursuant to his severance agreement or otherwise in connection with a change in control would be subject to the excise tax imposed on certain so-called "excess parachute payments" under Section 4999 of the Code.

Management Incentive Plan.

We have adopted the management incentive plan, which provides for cash bonus awards to those key employees of our company and its subsidiaries selected by our compensation committee for participation in the plan. A participant may receive a cash bonus under the management incentive plan based upon the attainment, during each performance period, of performance objectives which are established by our compensation committee. These performance objectives may be based on one or more of the following criteria, determined in accordance with generally accepted accounting principles, where applicable:

total stockholder return;

earnings per share (which may include the manner in which such earnings goals were met);

net income (before or after taxes);

earnings before interest, taxes, depreciation and amortization;

revenues;

return on assets;

market share;

cost reduction goals;

funds from operations; or

any combination of, or a specified increase in, any of the foregoing.

Performance objectives may be applied to one or more of our company, any of our subsidiaries or affiliates, or any of our divisions or strategic business units, and may be applied to performance relative to a market index or a group of other companies. The compensation committee will have the authority to make adjustments to the performance objectives in recognition of unusual or non-recurring events. The performance goals may include a threshold level of performance below which no compensation will be earned, levels of performance at which specified compensation will be earned, and a maximum level of performance beyond which no additional compensation will be earned.

The amount of each participant's bonus will be based upon a bonus formula determined by our compensation committee, in its sole discretion, that ties such bonus to the attainment of the applicable performance goals, and will, unless otherwise determined by our compensation committee, range from 75% to 125% of certain specified target amounts. Under the management incentive plan, none of our executive officers may receive a bonus payment for any performance period that exceeds 125% of his base salary. Except as otherwise provided in a participant's employment or other individual agreement, the payment of a cash bonus to a participant for a performance period will be conditioned upon the participant's continued employment on the last day of the performance period. However, in the event of a change in control (as defined in the management incentive plan) the performance period then in effect will be deemed to have been completed, the maximum level of performance will be deemed to have been achieved, and all participants will receive payment within ten business days after the change in control, regardless of whether the individual is then employed by us or any of our affiliates. We may

amend, suspend or terminate the management incentive plan at any time, provided that no amendment of the plan may adversely affect an award granted prior to the amendment without the participant's consent.

2003 Equity Incentive Plan.

On December 23, 2003, we adopted the 2003 equity incentive plan, which provides for the grant of equity-based incentives, including restricted shares of our common stock, stock options, grants of shares and other equity-based awards, to our directors, officers and other employees and those of our subsidiaries selected by our compensation committee for participation in the plan. Up to 1,992,387 shares will be available for grants pursuant to this plan, of which 625,000 shares were granted on February 18, 2004, 80,000 of which subsequently were forfeited during 2004 pursuant to the terms of their issuance and returned to the plan. On April 29, 2005, an aggregate of 80,000 shares were granted to Scott D. Jackson, 20,000 shares of which vested upon issuance and 20,000 shares of which vest on each of the anniversary dates until April 29, 2008. Vesting is subject to Mr. Jackson's continued employment with the Company and may be accelerated in the event of his death, a change in the Company's control or termination of his employment other than for cause. Vested shares under this award cannot be sold within one year from date of vesting without the consent of the compensation committee. All shares, vested and unvested, are entitled to receive dividends and to vote unless forfeited. No participant in our 2003 equity incentive plan may be granted awards in any fiscal year covering more than 500,000 shares of our common stock.

The 2003 equity incentive plan will be administered by our compensation committee, which will have discretion, among other things, to determine the persons to whom awards will be granted, the number of shares of our common stock to be subject to awards and the other terms and conditions of the awards, including whether the vesting and/or exercisability of the award will be subject to the attainment of one or more performance goals. These performance goals may be based on one or more of the following criteria, determined in accordance with generally accepted accounting principles, where applicable:

total stockholder return;

earnings per share (which may include the manner in which such earnings goals were met);

net income (before or after taxes);

earnings before interest, taxes, depreciation and amortization;

revenues;

return on assets;

market share;

cost reduction goals;

funds from operations; or

any combination of, or a specified increase in, any of the foregoing.

Performance objectives may be applied to one or more of our company, any of our subsidiaries or affiliates, or any of our divisions or strategic business units, or may be applied to performance relative to a market index or a group of other companies. The compensation committee will have the authority to make adjustments to the performance objectives in recognition of unusual or non-recurring events. The 2003 equity incentive plan provides that in no event will the compensation committee be authorized to reprice stock options, or to lower the base or exercise price of any other award granted under the plan, without obtaining the approval of our stockholders.

Stock options granted under the 2003 equity incentive plan may be either "incentive stock options" within the meanings of Section 422 of the Code, or nonqualified stock options. Holders of restricted stock generally will be entitled to vote and receive dividends on their restricted shares, but our compensation committee may determine in its discretion that dividends paid while the shares are subject to restrictions may be reinvested in additional shares of restricted stock. Except as otherwise permitted by our compensation committee, awards granted under the 2003 equity incentive plan will be transferable only by will or through the laws of descent and distribution, and each stock option will be exercisable during the participant's lifetime only by the participant. We intend that the portion of director fees to be paid to our outside directors that is to be paid in shares of stock will be paid through this plan.

In the event of a change in control of our company (as defined in the 2003 equity incentive plan), all awards then outstanding under the 2003 equity incentive plan will become vested and/or exercisable, and any performance goals imposed with respect to then-outstanding awards will be deemed to be fully achieved.

Directors Clayton, Green and Mercy each received 563, 257 and 299 shares under the 2003 equity incentive plan on November 5, 2004, January 7, 2005, and April 8, 2005, respectively.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following is the report of the compensation committee of the board of directors, describing compensation policy, practice and philosophy, specifically regarding ARC's executive officers. We, the members of the compensation committee of the board of directors, are presenting this report which provides an overview of compensation paid to executive officers for the fiscal year ended December 31, 2004, and a general description of the manner in which compensation for our executive officers will be determined for the 2005 fiscal year.

Committee Membership and Organization.

The compensation committee currently consists of Eugene Mercy, Jr. (Chairman) and Charles J. Santos-Buch. ARC's board has determined that the members of the compensation committee meet (i) the independence requirements of the NYSE, (ii) the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act, and (iii) the outside director definition in Section 162(m) of the Code.

Purpose.

Acting on the behalf of the board of directors, the compensation committee's responsibilities include the following:

approving the salaries and other compensation of executive officers and other key employees;

approving change in control agreements and accelerated vesting of stock;

administering our management incentive plans, including both cash and equity plans;

overseeing guidelines regarding grants of stock options and other awards, and approving grants to all executive officers, other key employees, and grants outside of the guidelines; and

advising the board on ARC's compensation, incentive compensation and employee benefit plans, including adoption or amendment of all stock plans and adoption of company-wide bonus plans, merit and promotional increase programs, profit sharing plans, incentive compensation plans and retirement plans.

Compensation Philosophy.

The compensation committee believes that the compensation of the executive officers and key management should be linked to performance and the creation of long-term stockholder value. In line with the philosophy of creating stockholder value, a significant portion of executive pay is tied to success in meeting performance goals and appreciation in the market price of ARC's common stock. Consistent with this philosophy, our compensation programs include a combination of salary, at-risk incentives and equity designed to retain, reward and motivate talent within ARC.

The goal of the compensation committee is to align compensation packages with the long-term interests of ARC's stockholders. In structuring compensation, the compensation committee has been particularly mindful of several key issues. The compensation committee has had to address the difficulty of attracting exceptional talent and retaining existing talent. The compensation committee believes it is critical to ARC's long-term prospects to establish compensation programs that attract and retain those with the talent, skill and experience necessary for ARC to realize its strategic objectives.

Base Salary.

The base salary of our executive officers is individually negotiated at the time each officer joins us or assumes his/her position. The compensation committee approves changes to each executive officer's base salary. The compensation committee considers individual performance, scope of responsibility, prior experience, breadth of knowledge and competitive pay practices. The weight given to each of these factors differs from individual to individual, as the compensation committee deems appropriate.

Management Incentive Plan.

The compensation committee selects the key executives eligible to participate in and administers the management incentive plan. The compensation committee has the authority to make adjustments to the performance objectives in recognition of unusual or non-recurring events under the plan, which may include a threshold level of performance below which no compensation will be earned, levels of performance at which specified compensation will be earned, and a maximum level of performance beyond which no additional compensation will be earned.

The amount of each participant's bonus is determined by our compensation committee, in its sole discretion, and ties such bonus to the attainment of the applicable performance goals. Bonuses paid pursuant to the management incentive plan will, unless otherwise determined by the committee, range from 75% to 125% of certain specified target amounts.

2003 Equity Incentive Plan.

The compensation committee administers the 2003 equity incentive plan and has discretion, among other things, to determine the persons to whom awards will be granted, the number of shares of our common stock to be subject to awards and the other terms and conditions of the awards, including whether the vesting and/or exercisability of the award will be subject to the attainment of one or more performance goals. In setting performance goals, the compensation committee intends to look to some or all of the following criteria, determined in accordance with generally accepted accounting principles, where applicable:

total stockholder return;

earnings per share (which may include the manner in which such earnings goals were met);

net income (before or after taxes);

earnings before interest, taxes, depreciation and amortization;

revenues;

return on assets;

market share;

cost reduction goals;

funds from operations; or

any combination of, or a specified increase in, any of the foregoing.

The compensation committee has the authority and intends to make necessary adjustments to the performance objectives in recognition of unusual or non-recurring events.

Share Grants and Restricted Share Grants to Named Executive Officers.

Other than the initial grants totaling 95,000 shares issued in conjunction with our IPO and the 80,000 share grant made to Mr. Jackson on April 29, 2005, as discussed above, no additional share grants or restricted share grants have been made as of May 15, 2005, under this plan.

Chief Executive Officer Compensation.

The Chief Executive Officer's compensation is based upon the same philosophy and guidelines outlined above. Mr. Jackson's base salary was established by the board of directors on December 13, 1999, after considering his responsibilities and objectives and analyzing the compensation paid to chief executive officers of companies the board considered to be peer companies at that time. Mr. Jackson's compensation package remained unchanged until 2004, after the Company adopted the 2003 equity incentive plan and entered into his employment agreement described above.

Compensation Committee:

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal year 2004, Messrs. Mercy and Santos-Buch and former directors Thomas M. Hagerty (Chairman) and Todd M. Abbrecht served on the compensation committee. There are, and during fiscal year 2004 were, no compensation committee interlocks or participation on the compensation committee by any of our employees.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than five percent (5%) of our common stock to file initial reports of ownership and reports of changes in ownership of our common stock with the SEC and the NYSE. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such reports furnished to us, we believe that during 2004 our officers, directors and greater than 5% beneficial owners complied with all applicable Section 16(a) filing requirements, except that between the dates of August 25, 2004, and September 15, 2004, 620,000 shares of our common stock deemed to be beneficially owned by Mr. Hack were sold by others in 14 transactions consisting of open market or private sale(s) of non-derivative or derivative securities and a Form 4 reporting these transactions was not filed until November 23, 2004.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

each of the named executive officers; and

all of our directors, nominees for director and executive officers as a group.

This table is based upon information supplied by officers, directors, nominees for director and Schedules 13D and 13G and amendments thereto filed with the SEC. Except as otherwise indicated in the footnotes to this table, the stockholders and their percentage of ownership have been determined as of May 15, 2005 based upon the number of outstanding shares of our common stock on that date. As of May 15, 2005, to the best knowledge of the Company, nominees James F. Kimsey, James R. Staff, Carl B. Webb and Larry A. Willard do not own any shares of our voting securities. Except as otherwise indicated in the footnotes to this table, the persons named in the table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them, subject to community property laws where applicable.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Global E Portfolio.

Our Chairman and Chief Executive Officer, Scott D. Jackson, is the sole stockholder of JJ&T, and together with JJ&T is the 99% owner of Global Mobile. Global Mobile and JJ&T own 100% of the membership interests of Global E, which owns six manufactured home communities with 554 total homesites located in Wyoming. One of our subsidiaries is a party to a property management agreement with Global E pursuant to which the subsidiary manages all of the communities owned by Global E in consideration for a management fee equal to 3% of gross revenues. This subsidiary also is a party to an accounting services agreement with Global E whereby it provides accounting services for Global Mobile in exchange for a fee of \$800 per month. For the years ended December 31, 2004 and December 31, 2003 our management services subsidiary received \$132,000 and \$96,000, respectively, pursuant to these agreements. Neither the property management agreement nor the accounting services agreement can be amended without our consent. Mr. Jackson has agreed that he may not terminate either the property management agreement or the accounting services agreement for so long as he is serving as our Chairman or our Chief Executive Officer. We may terminate either of these agreements upon 30 days prior written notice. The right of first refusal granted to us pursuant to his employment agreement would apply to the disposition of any communities currently owned by Global E.

In addition, beginning April 1, 2005, we entered into a written lease agreement with JJ & T for a homesite for our Cheyenne, Wyoming city manager's office for a monthly rental fee of \$230. We have placed a manufactured home we own on the homesite. In the event that the lease is terminated or the property management agreement discussed above is terminated, then JJ & T is obligated to buy the home from us at our cost for the purchase and set up of the home, which aggregates to approximately \$75,000.

Lease by Windstar Aviation Corp.

Global Mobile also has an airplane hangar located at Centennial Airport, Englewood, Colorado. Windstar Aviation Corp., a wholly owned subsidiary of our operating partnership, owns airplanes that we use in connection with our operations and leases office and airplane hangar space from Global Mobile at Centennial Airport. The leases were entered into in June 1999, with a 60-month primary term and a renewal option for an additional 60-month term. Lease payments total \$4,400 per month during the initial term, and an adjustment tied to the consumer price index is provided for the renewal term.

Affiliate Accounts Receivable.

At December 31, 2004, companies owned and controlled by Mr. Jackson owed our management subsidiary approximately \$68,000 in accounts receivable, primarily related to rental homes acquired and property management services performed on behalf of these companies. Pursuant to the terms of the property management agreements between these companies and our management subsidiary, monthly fees for property management services are paid by these companies in the month following incurrence of the fees. At March 31, 2005, these companies owed our management subsidiary approximately \$9,000.

Directors Holding OP Units.

Two of our directors, J. Markham Green and Eugene Mercy, Jr., hold OP units through which each of Messrs. Green and Mercy has deferred gains associated with certain properties we own. Any decision by our board of directors to dispose of one or more of these properties in which Mr. Green or Mr. Mercy has an interest could have tax consequences for Mr. Green or Mr. Mercy, as the case may be.

In connection with any such decision, our board of directors will determine whether either of Messrs. Green or Mercy has a material financial interest in the transaction that is different from the interests of stockholders generally, and if either Mr. Green or Mr. Mercy has such an interest, then such director will abstain from the vote of our board with respect to such proposed transaction.

Clayton Homes.

During 2004, we purchased manufactured homes, related materials, supplies and services from Clayton Homes, Inc. for an aggregate purchase price of approximately \$4.7 million. During 2004 we also paid servicing fees to Vanderbilt Mortgage and Finance, Inc. ("VMF"), a wholly-owned subsidiary of Clayton Homes, in the aggregate amount of approximately \$35,000, and purchased repossessed manufactured homes from VMF in an amount of approximately \$1.6 million. We expect to continue to pay loan servicing fees to and purchase repossessed manufactured homes from VMF. Prior to August 2003 and before joining our board, departing director James L. Clayton and members of his immediate family held a greater than 10% equity interest in Clayton Homes and Mr. Clayton served as its Chairman. In August 2003, Berkshire Hathaway Inc. acquired all of the outstanding common stock of Clayton Homes. Immediately following that transaction, Mr. Clayton's ownership interest in, and role as a director of, Clayton Homes terminated. Mr. Clayton joined our board of directors in February 2004 immediately following the completion of our initial public offering. Mr. Clayton's son currently acts as the chief executive officer of Clayton Homes.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The board of directors, following the recommendation of the nominating and corporate governance committee, has recommended that Messrs. Jackson, Sprengle, Brinkerhoff, Ford, Green, Greene, Kimsey, Mercy, Staff, Webb, and Willard be elected to serve until the annual meeting of stockholders for 2006. For certain information regarding each nominee, see "BOARD OF DIRECTORS GENERAL" above.

Each nominee has consented to being named in this proxy statement and to serve if elected. If, prior to the annual meeting, any director nominee should become unavailable to serve, the shares of voting securities represented by a properly executed and returned proxy through the return of the enclosed proxy card will be voted for such additional person as shall be designated by the board of directors, unless the board of directors determines to reduce the number of directors in accordance with the Company's Articles of Amendment and Restatement and Amended and Restated Bylaws.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast at the annual meeting by the holders of our voting securities. The candidates receiving the highest number of affirmative votes of shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld for one or more director nominees with respect to all of the director nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES IDENTIFIED ABOVE.

PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT AUDITOR

On March 31, 2005, our board, acting upon the recommendation of the audit committee, selected PricewaterhouseCoopers LLP as our independent auditor to audit our consolidated financial statements for the fiscal year ending December 31, 2005, and has further directed that management submit the selection of our independent auditor for ratification by the stockholders at the annual meeting. PricewaterhouseCoopers LLP, or a predecessor of that firm, has audited our consolidated financial statements since the fiscal year ended December 31, 1998. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting and will be available to respond to appropriate questions from our stockholders and will be given an opportunity to make a statement if he or she desires to do so.

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent auditor is not required by our bylaws or otherwise. However, the board is submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate governance. Ratification of the selection of PricewaterhouseCoopers LLP as our independent auditor for fiscal year 2005 requires the affirmative vote of a majority of the votes cast at the annual meeting by holders of our voting securities.

If this selection is not ratified by our stockholders, the audit committee may reconsider its recommendation and appointment, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent auditor at any time during the year if it determines that such a change would be in the best interests of ARC and its stockholders.

All Other Fees

The aggregate fees for other services for the year ended December 31, 2004 were \$2,400. The fees related to subscriptions for accounting reference(s) and financial statement disclosure checklist tools. No such fees were incurred in fiscal year 2003.

Audit Committee Pre-Approval Policy.

In accordance with applicable laws and regulations, the audit committee reviews and pre-approves any non-audit services to be performed by PricewaterhouseCoopers LLP to ensure that the work does not compromise their independence in performing their audit services. The audit committee also reviews and pre-approves all audit services. In some cases, pre-approval is provided by the full committee for up to a year, and relates to a particular category or group of services and is subject to a specific budget. In other cases, the chairman of the audit committee has the delegated authority from the committee to pre-approve additional services, and such pre-approvals are then communicated to the full audit committee.

The policy contains a de minimis provision that operates to provide retroactive approval for permissible non-audit services under certain circumstances. No services were provided by PricewaterhouseCoopers LLP during 2004 under such provision.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT AUDITOR.

Stockholders are advised to review our Articles of Amendment and Restatement and Amended and Restated Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

OTHER MATTERS

Our board knows of no other matters that have been submitted for consideration at this annual meeting. If any other matters properly come before our stockholders at this annual meeting, the persons named on the enclosed proxy card intend to vote the shares they represent in accordance with their best judgment.

**APPENDIX A:
DIRECTOR INDEPENDENCE CRITERIA**

**Revised Director Independence Criteria of
Affordable Residential Communities Inc.
as Adopted by the
Board of Directors on February 3, 2005**

It is the policy of the Board of Directors (the "Board of Directors") of Affordable Residential Communities Inc., a Maryland corporation ("ARC"), that a majority of the members of the Board of Directors be independent of ARC's management. For a director to be deemed "independent," the Board of Directors shall affirmatively determine that the director has no material relationship with ARC or its controlled affiliates or any member of the senior management of ARC or his or her affiliates. This determination shall be disclosed in ARC's annual proxy statement distributed to stockholders. In making this determination, a director of ARC who satisfies all of the following criteria shall be presumed to be independent:

Within the last three years, ARC has not employed the director or (except in a non-officer capacity) any of his or her immediate family members.

(A) Neither the director nor any of his or her immediate family members is a current partner of a firm that is ARC's internal or external auditor; (B) the director is not a current employee of such firm; (C) the director does not have an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; and (D) neither the director nor any of his or her immediate family members was within the last three years a partner or employee of such a firm and personally worked on ARC's audit within that time.

For purposes of these director independence criteria:

the term "affiliate" means any corporation or other entity that controls, is controlled by or is under common control with ARC, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity; and

the term "immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than employees) sharing a person's home.

The Board of Directors shall undertake an annual review of the independence of all non-employee directors of ARC. In advance of the meeting at which this review occurs, each non-employee director of ARC shall be asked to provide the Board of Directors with full information regarding such director's business and other relationships with ARC and its affiliates and with ARC's senior management and their affiliates to allow the Board of Directors to evaluate the director's independence.

Each director of ARC has an affirmative obligation to advise the Board of Directors of any material changes in his or her circumstances or relationships that may reasonably be expected to impact his or her designation by the Board of Directors as "independent." This obligation includes all business relationships between a director of ARC, on the one hand, and ARC and its affiliates or members of ARC's senior management and their affiliates, on the other.
