Dear Pacific Premier Bancorp Shareholders:

On September 30, 2015, Pacific Premier Bancorp, Inc., which we refer to as Pacific Premier, entered into an agreement and plan of reorganization, which we refer to as the merger agreement, to acquire Security California Bancorp, which we refer to as SCB. If the required shareholder and regulatory approvals are obtained, all closing conditions are satisfied or waived and the merger is subsequently completed, SCB will be merged with and into Pacific Premier, with Pacific Premier as the surviving entity, which we refer to as the merger. Immediately thereafter, SCB's wholly-owned bank subsidiary, Security Bank of California, will be merged with and into Pacific Premier Bank, the wholly-owned bank subsidiary of Pacific Premier, with Pacific Premier Bank as the surviving entity.

You are cordially invited to attend a special meeting of shareholders of Pacific Premier, to be held at 9:00 a.m., Pacific Time, on January 25, 2016 at 17901 Von Karman Avenue, Suite 1200, Irvine, California 92614. At the Pacific Premier special meeting, the Pacific Premier shareholders will be asked to consider and vote upon a proposal to approve the issuance of shares of Pacific Premier common stock in connection with the merger. SCB will also hold a special meeting of shareholders to consider the proposed merger agreement and related matters. Pacific Premier and SCB cannot complete the proposed merger unless Pacific Premier's shareholders vote to approve the issuance of shares of Pacific Premier common stock in connection with the merger. This letter is accompanied by the attached joint proxy statement/prospectus, which Pacific Premier's board of directors is providing to solicit your proxy to vote for the approval of the issuance of shares of Pacific Premier common stock in connection with the merger.

If the required shareholder and regulatory approvals are obtained and the merger is subsequently completed, upon effectiveness of the merger, each outstanding share of SCB common stock will be cancelled and converted into the right to receive 0.9629 shares of Pacific Premier common stock, which we refer to as the merger consideration. The merger consideration will be subject to possible adjustment prior to the closing of the merger. Cash will be paid in lieu of any fractional share interest. The term aggregate merger consideration refers to the total consideration to be paid by Pacific Premier in connection with the merger, which consists of the consideration to be received by the SCB shareholders, plus the consideration to be paid to holders of options to purchase shares of SCB common stock.

The merger consideration is subject to possible downward or upward adjustment based on the average closing stock price of Pacific Premier common stock for the 20 trading day period ending on the fifth business day prior to the effective time of the merger, which we refer to as the Pacific Premier average share price. The merger consideration of 0.9629 shares of Pacific Premier common stock is subject to (i) downward adjustment if the Pacific Premier average share price is greater than \$22.391 and (ii) upward adjustment if the Pacific Premier average share price is less than \$16.550. If the Pacific Premier average share price is equal to or greater than \$16.550 but less than or equal to \$22.391, then no adjustment will be made to the merger consideration. The merger consideration is also subject to downward adjustment in the event certain of SCB's aggregate transaction-related expenses exceed amounts specified in the merger agreement.

The implied value on December 16, 2015 of the merger consideration to be paid to SCB shareholders was \$20.51, which amount was based on the closing price per share of Pacific Premier common stock on that date and the assumption that the merger consideration of 0.9629 shares of Pacific Premier common stock for each share of SCB common stock is not adjusted. The value of the merger consideration will fluctuate based on both the market price of Pacific Premier common stock and the fact that the exchange ratio may be subject to upward or downward adjustment, as discussed in the paragraph above and in more detail in the accompanying joint proxy statement/prospectus. Consequently, the value of the merger consideration will not be known at the time you vote on the issuance of shares of Pacific Premier common stock in connection with the merger. **Pacific Premier's common stock is listed on the Nasdaq Global Select Market under the symbol "PPBI." You should obtain current market quotations for the Pacific Premier common stock.**

Based on our reasons for the merger described in the accompanying document, including the fairness opinion issued by our financial advisor, D.A. Davidson & Co., our board of directors believes that the issuance of shares of Pacific Premier common stock in connection with the merger is fair to the Pacific Premier shareholders and in your best interests. **Accordingly, our board of directors unanimously recommends that you vote "FOR" the issuance of shares of Pacific Premier common stock in connection with the merger.** The accompanying joint proxy statement/prospectus gives you detailed information about the Pacific Premier special meeting, the merger and the issuance of shares of Pacific Premier common stock in connection with the merger and related matters. In addition to being a proxy statement of Pacific Premier, this document is the proxy statement for the solicitation of proxies from SCB shareholders to vote to approve the merger agreement and is the prospectus of Pacific Premier for the shares of its common stock that will be issued to SCB shareholders in connection with the merger.

**We advise you to read this entire document carefully, including the considerations discussed under "Risk Factors" beginning on page 28, and the appendices to the accompanying joint proxy statement/prospectus, which include the merger agreement.**

Your vote is very important. The merger cannot be completed unless the holders of a majority of the shares for which votes are cast at the Pacific Premier special meeting vote in favor of approval of the issuance of shares of Pacific Premier common stock in connection with the merger. Whether or not you plan to attend the Pacific Premier special meeting, please take the time to vote by completing and mailing the enclosed proxy card or by following the instructions to vote via the Internet or by telephone indicated on the proxy card.

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form S-4/A

We appreciate your continuing loyalty and support and, should you choose to attend, we look forward to seeing you at the Pacific Premier special meeting.

Sincerely,

Steven R. Gardner

*President and Chief Executive Officer*

**Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the shares of Pacific Premier common stock to be issued in the merger or determined if this joint proxy statement/prospectus is accurate or adequate. Any representation to the contrary is a criminal offense.**

**The securities to be issued in connection with the merger are not savings accounts, deposits or other obligations of any bank or savings association and are not insured by the Federal Deposit Insurance Corporation or any other governmental agency.**

This joint proxy statement/prospectus is dated December 17, 2015 and is being first mailed to shareholders of Pacific Premier and SCB on or about December 24, 2015.

**QUESTIONS AND ANSWERS  
ABOUT THE MERGER AND THE SPECIAL MEETINGS**

*The following are some questions that you may have regarding the merger and the special meetings, and brief answers to those questions. Pacific Premier and SCB advise you to read carefully the remainder of this joint proxy statement/prospectus because the information in this section does not provide all of the information that might be important to you with respect to the merger and the special meetings of Pacific Premier and SCB. Additional important information is also contained in the documents incorporated by reference into this joint proxy statement/prospectus. See "Where You Can Find More Information" beginning on page 164.*

**Q:**  
**What am I being asked to vote on?**

**A:**  
Pacific Premier and SCB have entered into an agreement and plan of reorganization, which we refer to as the merger agreement, pursuant to which Pacific Premier would acquire SCB. If the required shareholder and regulatory approvals are obtained and the merger is subsequently completed, SCB will be merged with and into Pacific Premier with Pacific Premier as the surviving entity. Immediately thereafter, SCB's wholly-owned bank subsidiary, Security Bank of California, will be merged with and into Pacific Premier Bank, the wholly-owned bank subsidiary of Pacific Premier, with Pacific Premier Bank as the surviving entity.

If you are a Pacific Premier shareholder, you are being asked to vote to approve the issuance of shares of common stock of Pacific Premier, or Pacific Premier common stock, to be issued in connection with the merger. If you are a SCB shareholder, you are being asked to vote to approve the merger agreement. As a result of the merger, SCB will cease to exist and SCB shareholders will exchange each of their shares of common stock of SCB, or SCB common stock, for the merger consideration, consisting of 0.9629 shares of Pacific Premier common stock, subject to adjustment prior to the consummation of the merger, as further described in "The Merger The Merger Consideration" beginning on page 74.

Each of the Pacific Premier and SCB shareholders is also being asked to consider and vote upon a proposal to grant discretionary authority to adjourn the special meeting of their respective shareholders, if necessary, to permit further solicitation of proxies if there are not sufficient votes at the time of either or both special meetings to approve the matters being presented at such special meetings.

The merger cannot be completed unless the Pacific Premier shareholders approve the issuance of Pacific Premier common stock in the merger and SCB shareholders approve the merger agreement. At each of the shareholders' meetings, Pacific Premier and SCB shareholders will vote on the proposals necessary to complete the merger. Information about these shareholders' meetings, the merger agreement and the merger and the other business to be considered by shareholders at each of the shareholders' meetings is contained in this document.

This document constitutes both a joint proxy statement of Pacific Premier and SCB and a prospectus of Pacific Premier. It is a joint proxy statement because each of the boards of directors of Pacific Premier and SCB is soliciting proxies using this document for their respective shareholders. It is a prospectus because Pacific Premier, in connection with the merger, is offering shares of Pacific Premier common stock in exchange for outstanding shares of SCB common stock in the merger.

Table of Contents

**Q: Will SCB shareholders be able to trade the Pacific Premier common stock that they receive in the merger?**

A: Yes. The Pacific Premier common stock issued in the merger to SCB shareholders will be listed on the NASDAQ Global Select Market under the symbol "PPBI." Unless you are deemed an "affiliate" of Pacific Premier, you may sell the shares of Pacific Premier common stock you receive in the merger without restriction.

**Q: Why is my vote important?**

A: The merger agreement must be approved by the holders of a majority of the outstanding shares of SCB common stock. The issuance of the Pacific Premier common stock in connection with the merger must be approved by the holders of Pacific Premier common stock constituting at least a majority of the shares for which votes are cast at the Pacific Premier special meeting. The merger cannot be completed unless the Pacific Premier shareholders approve the issuance of Pacific Premier common stock in the merger and SCB shareholders approve the merger agreement. The Pacific Premier shareholders will vote on the applicable proposals necessary to complete the merger at the Pacific Premier special meeting and the SCB shareholders will vote on the applicable proposals necessary to complete the merger at the SCB special meeting. Information about the Pacific Premier special meeting and the SCB special meeting, the merger and the other business to be considered by shareholders at each of the special meetings is contained in this document.

If you are a SCB shareholder and you do not vote, it will have the same effect as a vote against the merger agreement. Holders of 1,841,853 shares of SCB common stock, representing approximately 30.50% of the outstanding shares of SCB common stock, have signed shareholder agreements with Pacific Premier agreeing to vote in favor of the merger agreement.

If a Pacific Premier shareholder does not vote, it will have no impact on the proposal to approve the issuance of the Pacific Premier common stock in connection with the merger.

**Q: Why must the Pacific Premier shareholders approve the issuance of shares of Pacific Premier common stock in connection with the merger?**

A: The Pacific Premier shareholders are required to approve the issuance of shares of the Pacific Premier common stock, which is estimated to equate to approximately 27% of Pacific Premier's issued and outstanding shares of common stock, in connection with the merger because Pacific Premier is listed on the NASDAQ Global Select Market and is subject to the NASDAQ Global Select Market listing rules. Because Pacific Premier will likely issue in excess of 20% of its outstanding shares of common stock to the SCB shareholders in connection with the merger, under the NASDAQ Global Select Market listing rules, the shareholders of Pacific Premier are required to approve the issuance of shares of Pacific Premier common stock in connection with the merger. The merger cannot be completed unless the Pacific Premier shareholders approve the issuance of shares of Pacific Premier common stock in the merger.

**Q: What do each of the Pacific Premier and the SCB boards of directors recommend?**

A: The Pacific Premier board of directors unanimously recommends that Pacific Premier shareholders vote "**FOR**" approval of the issuance of Pacific Premier common stock in connection with the merger and "**FOR**" approval of the proposal to adjourn the special meeting, if necessary, to solicit additional proxies in favor of the issuance of Pacific Premier common stock in connection with the merger.

Table of Contents

The SCB board of directors unanimously recommends that SCB shareholders vote "**FOR**" approval of the merger agreement and "**FOR**" approval of the proposal to adjourn the special meeting, if necessary, to solicit additional proxies in favor of approval of the merger agreement.

**Q:**  
**Will I have dissenters' rights in connection with the merger?**

**A:**  
Only holders of SCB common stock have the right to dissent from the merger and assert dissenters' rights, provided the requirements of California law governing dissenters' rights are specifically followed. Please read the section entitled "The Merger Dissenters' Rights" beginning on page 99 and the sections of California law, which are set forth in Appendix D to this proxy statement/prospectus.

Pacific Premier has the option to terminate the merger agreement if dissenters' rights are perfected and exercised with respect to ten percent (10%) or more of the outstanding shares of SCB common stock. Please see "The Merger Conditions to the Merger" beginning on page 78.

**Q:**  
**Are there any risks I should consider in deciding whether I vote for the matters required to be voted on by the respective shareholders of Pacific Premier and SCB?**

**A:**  
Yes. Set forth under the heading of "Risk Factors," beginning on page 28, are a number of risk factors that each of the shareholders of Pacific Premier and SCB should consider carefully.

**Q:**  
**When do Pacific Premier and SCB expect to complete the merger?**

**A:**  
The parties expect to complete the merger in the first quarter of 2016. However, there is no assurance when or if the merger will occur. Prior to the consummation of the merger, SCB shareholders must approve the merger agreement at the SCB special meeting, Pacific Premier shareholders must approve the issuance of Pacific Premier common stock in connection with the merger at the Pacific Premier special meeting and all requisite bank regulatory approvals must be obtained and other conditions to the consummation of the merger must be satisfied.

**Q:**  
**When and where is the Pacific Premier special meeting?**

**A:**  
The Pacific Premier special meeting will be held at 9:00 a.m., Pacific Time, on January 25, 2016 at 17901 Von Karman Avenue, Suite 1200, Irvine, California 92614.

**Q:**  
**Who is entitled to vote at the Pacific Premier special meeting?**

**A:**  
The holders of record of Pacific Premier common stock at the close of business on December 18, 2015 which is the date Pacific Premier's board of directors has fixed as the record date for the Pacific Premier special meeting, are entitled to vote at the Pacific Premier special meeting.

**Q:**  
**When and where is the SCB special meeting?**

**A:**  
The SCB special meeting will be held at 10:00 a.m., Pacific Time, on Monday, January 25, 2016 at The Mission Inn Hotel and Spa, in the Spanish Art Gallery Room, located at 3649 Mission Inn Avenue, Riverside, California 92501.

**Q:**  
**Who is entitled to vote at the SCB special meeting?**

A:

The holders of record of SCB common stock at the close of business on December 18, 2015 which is the date SCB's board of directors has fixed as the record date for the SCB special meeting, are entitled to vote at the SCB special meeting.

Table of Contents

**Q: What do I need to do now?**

A: After you have carefully read this joint proxy statement/prospectus, indicate on your proxy card how you want your shares of SCB common stock or Pacific Premier common stock, as the case may be, to be voted. Then sign, date and mail your proxy card in the enclosed postage-paid return envelope as soon as possible or follow the instructions to vote via the Internet or by telephone indicated on the proxy card.

**Q: If my shares are held in street name by my bank, broker, or other nominee will my bank, broker or other nominee automatically vote my shares for me?**

A: No. Your bank, broker or other nominee will not be able to vote shares held by it in street name on your behalf without instructions from you. You should instruct your bank, broker or other nominee to vote your shares by following the directions your bank, broker or other nominee provides to you.

**Q: What if I abstain from voting or fail to instruct my bank, broker or other nominee?**

A: If you are a holder of SCB common stock and you abstain from voting or fail to instruct your bank, broker or other nominee to vote your shares and the bank, broker or other nominee submits an unvoted proxy, referred to as a broker non-vote, then the abstention or broker non-vote will be counted towards a quorum at the special meeting, but it will have the same effect as a vote against approval of the merger agreement.

Abstentions and broker non-votes of shares of SCB common stock will not have any effect on the proposal of the SCB board of directors to adjourn the special meeting, if the number of affirmative votes cast for the adjournment is a majority of the votes cast and such votes constitute a majority of the quorum required to transact business at the special meeting. However, if the number of affirmative votes cast for the adjournment proposal is a majority of the votes cast, but such votes do not constitute a majority of the quorum required to transact business at the special meeting, then abstentions and broker non-votes will have the same effect as a vote against the proposal of the SCB board of directors to adjourn the SCB special meeting.

Abstentions and broker non-votes of shares of Pacific Premier common stock will not have any effect on the approval of the issuance of Pacific Premier common stock in connection with the merger or the adjournment of the Pacific Premier special meeting.

**Q: Can I attend the special meeting and vote my shares in person?**

A: Yes. While not required to, all Pacific Premier shareholders are invited to attend the Pacific Premier special meeting. Likewise, all SCB shareholders are invited to attend the SCB special meeting. Shareholders of record can vote in person at their respective special meeting. If your shares are held in street name, then you are not the shareholder of record and you must bring a legal proxy from your broker, bank or other nominee confirming that you are the beneficial owner of the shares in order to vote in person at the applicable special meeting.

**Q: Can I change my vote?**

A: Yes. Regardless of the method used to cast a vote, you may change your vote at any time before your proxy is voted at the Pacific Premier special meeting or the SCB special meeting. You may do so in one of the following ways:

if you are a SCB shareholder, by delivering to SCB prior to the SCB special meeting a written notice of revocation addressed to Michael Vanderpool, Executive Vice President and Corporate Secretary, Security California Bancorp, 3403 Tenth Street, Suite 830, Riverside, California 92501;

Table of Contents

if you are a Pacific Premier shareholder, by delivering to Pacific Premier prior to the Pacific Premier special meeting, a written notice of revocation addressed to Allen Nicholson, Executive Vice President, Chief Financial Officer and Corporate Secretary, Pacific Premier, 17901 Von Karman Ave., Suite 1200, Irvine, California 92614;

completing, signing and returning a new proxy card with a later date before the date of the applicable special meeting, and any earlier proxy will be revoked automatically; or

attending the Pacific Premier special meeting or the SCB special meeting and voting in person, and any earlier proxy will be revoked. However, simply attending the Pacific Premier special meeting or the SCB special meeting, as the case may be, without voting will not revoke an earlier proxy voted by such person.

If you have instructed a bank, broker or other nominee to vote your shares of either SCB or Pacific Premier common stock, you must follow directions received from the bank, broker or other nominee to change such vote.

**Q: Will SCB be required to submit the merger agreement to its shareholders even if the SCB board of directors has withdrawn, modified or qualified its recommendation?**

A: Yes. Unless the merger agreement is terminated before the SCB special meeting, SCB is required to submit the merger agreement to its shareholders even if the SCB board of directors has withdrawn, modified or qualified its recommendation, consistent with the terms of the merger agreement.

**Q: What is the procedure for sending in SCB stock certificates?**

A: Promptly following the closing of the merger, SCB shareholders will be receiving a transmittal letter that will provide instructions for SCB shareholders to surrender their SCB common stock certificates in exchange for the merger consideration. SCB shareholders should follow the instructions in the transmittal letter for how to deliver their SCB common stock certificates in exchange for the merger consideration. The SCB common stock certificates should **NOT** be sent with your proxy card now. Instead, follow the instructions in the transmittal letter and use the separate envelope specifically provided with the transmittal letter for returning the SCB stock certificates.

**Q: Who should I call with questions?**

A: If you have any questions concerning the merger or this joint proxy statement/prospectus, would like additional copies of the joint proxy statement/prospectus or need help voting your shares of SCB common stock, please contact Ernest Hwang, SCB's President, at (951) 368-2265, or Michael Vanderpool, SCB's Executive Vice President and Corporate Secretary, at (951) 368-2265.

Please read the entire merger agreement. It is the legal document that governs the merger. Pursuant to the terms and conditions set

Table of Contents

forth in the merger agreement, SCB will be acquired by Pacific Premier in a transaction in which SCB will merge with and into Pacific Premier, with Pacific Premier as the surviving institution. Immediately following the consummation of the merger, Security Bank will be merged with and into Pacific Premier Bank, with Pacific Premier Bank as the surviving institution. The parties expect to complete the mergers in the first quarter of 2016.

**Pacific Premier's Reasons for Merger and Factors Considered by Pacific Premier's Board of Directors (Page 48)**

As part of its business strategy, Pacific Premier evaluates opportunities to acquire bank holding companies, banks and other financial institutions, which is an important element of its strategic plan. The acquisition of SCB is consistent with this strategy. Pacific Premier believes that the acquisition of SCB will (i) create opportunities for Pacific Premier Bank to provide additional products and services to the SCB customers, (ii) strengthen Pacific Premier Bank's deposit base with low cost core deposits and (iii) solidify its brand within its existing footprint within Orange County, the Inland Empire region of Southern California and the broader Coachella Valley.

Based on Pacific Premier's reasons for the merger described in this joint proxy statement/prospectus, including the fairness opinion of D.A. Davidson & Co., or Davidson, an independent investment banking firm, the Pacific Premier board of directors believes that the merger is fair to Pacific Premier's shareholders and in their best interests, and unanimously recommends that Pacific Premier shareholders vote "**FOR**" approval of the issuance of Pacific Premier common stock in connection with the merger. For a discussion of the circumstances surrounding the merger and the factors considered by Pacific Premier's board of directors in approving the merger agreement, see "The Merger Pacific Premier's Reasons for the Merger" beginning on page 48.

**SCB's Reasons for Merger and Factors Considered by SCB's Board of Directors (Page 49)**

Based on SCB's reasons for the merger described in this joint proxy statement/prospectus, including the fairness opinion of Oppenheimer & Co. Inc., or Oppenheimer, an independent investment banking firm, the SCB board of directors believes that the merger is fair to SCB shareholders and in their best interests, and unanimously recommends that SCB shareholders vote "FOR" approval of the merger agreement. For a discussion of the circumstances surrounding the merger and the factors considered by SCB's board of directors in approving the merger agreement, see "The Merger SCB's Reasons for the Merger" beginning on page 49.

**Pacific Premier's Financial Advisor Believes that the Merger Consideration payable by Pacific Premier to SCB shareholders in the Merger is Fair, From a Financial Point of View, to Pacific Premier (Page 51)**

Davidson delivered its written opinion to Pacific Premier's board of directors that, as of September 30, 2015, and based upon and subject to assumptions made, procedures followed, matters considered and limitations and qualification on the review undertaken set forth in its opinion, the merger consideration to be paid by Pacific Premier to SCB shareholders in the merger pursuant to the merger agreement was fair, from a financial point of view, to Pacific Premier.

The full text of the written opinion of Davidson, dated September 30, 2015, which sets forth assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken is attached as Appendix B to this joint proxy statement/prospectus. Pacific Premier's shareholders should read the opinion in its entirety. Davidson provided its opinion for the information and assistance of Pacific Premier's board of directors in connection with its consideration of the transaction. The Davidson opinion does not address the underlying business decision to proceed with

Table of Contents

the merger and is not a recommendation as to how any holder of Pacific Premier common stock should vote on matters to be considered at the Pacific Premier special meeting.

**SCB's Financial Advisor Provided a Fairness Opinion to SCB's Board of Directors in connection with the Merger (Page 66)**

Oppenheimer delivered its written opinion to SCB's board of directors that, as of September 30, 2015, and based upon and subject to assumptions made, procedures followed, matters considered and limitations and qualification on the review undertaken set forth in its opinion, the merger consideration to be paid by Pacific Premier to SCB shareholders in the merger pursuant to the merger agreement was fair, from a financial point of view, to SCB and the holders of SCB common stock.

The full text of the written opinion of Oppenheimer, dated September 30, 2015, which sets forth assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken is attached as Appendix C to this joint proxy statement/prospectus. SCB's shareholders should read the opinion in its entirety. Oppenheimer provided its opinion for the information and assistance of SCB's board of directors in connection with its consideration of the transaction. The Oppenheimer opinion does not address the underlying business decision to proceed with the merger and is not a recommendation as to how any holder of SCB common stock should vote on matters to be considered at the SCB special meeting.

**SCB Shareholders Will Receive Shares of Pacific Premier Common Stock for Each Share of SCB Common Stock Exchanged in the Merger (Page 74)**

At the effective time of the merger, each outstanding share of SCB common stock (subject to certain exceptions) will, by virtue of the merger and without any action on the part of an SCB shareholder, be converted into the right to receive 0.9629 shares of Pacific Premier common stock, subject to upward or downward adjustment based on changes in the stock price of Pacific Premier common stock as described below. Cash will be paid in lieu of any fractional share interest.

*Merger Consideration and Possible Adjustment.*

The merger consideration of 0.9629 shares of Pacific Premier common stock is subject to possible downward or upward adjustment based on the average closing stock price of Pacific Premier common stock for the 20 trading day period ending on the fifth business day prior to the effective time of the merger, or the Pacific Premier average share price. If the Pacific Premier average share price is greater than \$22.391, then the merger consideration will be adjusted downward to equal (i) \$21.560 divided by (ii) the Pacific Premier average share price, rounded to the nearest ten-thousandth. If the Pacific Premier average share price is less than \$16.550, then the merger consideration will be adjusted upward to equal (x) \$15.936 divided by (y) the Pacific Premier average share price, rounded to the nearest ten-thousandth. The thresholds for the Pacific Premier average share price identified above of \$22.391 and \$16.550 were based on a 15% increase and decrease, respectively, from the 20-day average share price of Pacific Premier common stock of \$19.47 as of August 31, 2015, which is the date the parties agreed upon for establishing any possible adjustment to the merger consideration. Assuming a closing date of December 16, 2015, which is the date immediately prior to the date of filing of this joint proxy statement/prospectus, the Pacific Premier average share price would be calculated to be \$22.98, and therefore the merger consideration would be adjusted to 0.9383 shares of Pacific Premier common stock. If this adjustment were to occur, the merger consideration would amount to approximately \$120.7 million, based on a \$21.30 closing price of Pacific Premier's common stock on December 16, 2015, or \$19.99 per SCB common share, and would result in 5,666,635 shares of Pacific Premier common stock being issued.

Table of Contents

The per share stock consideration of 0.9629 shares of Pacific Premier common stock is also subject to possible downward adjustment in the event certain of SCB's aggregate transaction-related expenses exceed amounts specified in the merger agreement, as described below under "The Merger Expenses of the Merger" at page 97.

*Aggregate Merger Consideration.*

The total consideration to be paid by Pacific Premier in connection with the merger to the SCB shareholders and the holders of stock options to purchase shares of SCB's common stock is referred to in this joint proxy statement/prospectus as the aggregate merger consideration. In this joint proxy statement/prospectus, we refer to each stock option to purchase shares of SCB's common stock as an SCB option.

Upon completion of the merger and based on a \$20.32 closing price of Pacific Premier's common stock on September 30, 2015 approximately \$118.9 million of aggregate merger consideration will be payable to the SCB shareholders and the holders of SCB options. For SCB shareholders, this implies an aggregate consideration of \$19.57 per SCB common share. The foregoing sentence assumes (i) that the holders of SCB options will receive 100% cash consideration in connection with the cancellation of their respective SCB options based on \$18.75 price per share and that there are 267,129 SCB options outstanding at the closing with a weighted average exercise price of \$15.88 per share, (ii) there are 6,039,257 shares of SCB common stock outstanding at the closing, and (iii) the SCB shareholders will receive an aggregate of 5,815,201 shares of Pacific Premier common stock after applying the exchange ratio of 0.9629 and that there is no adjustment to the merger consideration.

*Merger Consideration Example.*

The following table illustrates what the exchange ratio and aggregate merger consideration values would be depending upon changes to the Pacific Premier average share price, ranging from 20% above \$20.32 per share, which was the closing price per share of Pacific Premier's common stock on September 30, 2015, the date prior to announcement of entry into the merger agreement by the parties, to 20% below \$20.32 per share. The table also illustrates the values which would result to the extent that the Pacific Premier average share price reached the cap or collar price of \$22.391 or \$16.550, respectively, which would constitute 10.19% increase and 18.55% decrease, respectively, from a \$20.32 share price of Pacific Premier common stock. The following table assumes there are 6,039,257 shares of SCB common stock outstanding as of the closing date. The table reflects that the merger consideration paid will consist of whole shares of Pacific Premier common stock and that an aggregate of \$766,660 in cash will be paid to holders of outstanding options to acquire shares of SCB common stock. The table

- (1) Exchange ratio has been rounded to the nearest ten-thousandth.
- (2) Includes \$766,660, which is the aggregate cash amount payable to holders of outstanding SCB options.
- (3) Reflects the maximum value for Pacific Premier common stock to the extent that average share price is greater than \$24.384 and the minimum value for Pacific Premier common stock to the extent the Pacific Premier average share price is less than \$16.256. Assumes no adjustment resulting from the amount of SCB's transaction-related expenses. See "The Merger Expenses of the Merger" on page 97.

The implied value on December 16, 2015 of the merger consideration to be paid to SCB shareholders was \$20.51, which amount was based on the closing price per share of Pacific Premier common stock on that date and the assumption that the merger consideration of 0.9629 shares of Pacific Premier common stock for each share of SCB common stock is not adjusted. The value of the merger consideration will (i) fluctuate based on the market price of Pacific Premier common stock and such value on the closing date of the merger, (ii) be subject to upward or downward adjustment if the Pacific Premier average share price is either less than \$16.550 or greater than \$22.391, and (iii) be subject to downward adjustment in the event certain of SCB's aggregate transaction-related expenses exceed amounts specified in the merger agreement, and therefore, the value of the stock portion of the merger consideration will not be known at the time the SCB shareholders vote on the merger agreement or at the time the Pacific Premier shareholders vote on the issuance of the Pacific Premier common stock in connection with the merger. Pacific Premier's common stock is listed on the Nasdaq Global Select Market under the symbol "PPBI." Shareholders of SCB and Pacific Premier should obtain current market quotations for the Pacific Premier common stock.

Table of Contents

Upon completion of the merger, and based on 6,039,257 shares of SCB common stock outstanding as of the date of this joint proxy statement/prospectus and assuming there is no adjustment to the merger consideration, SCB shareholders are expected to receive 5,815,201 shares of Pacific Premier common stock. Following the completion of the merger, and based on 21,510,746 shares of Pacific Premier common stock outstanding as of December 16, 2015, the former SCB shareholders will own approximately 21% of the outstanding shares of Pacific Premier common stock and the current shareholders of Pacific Premier will own the remaining approximately 79% of the outstanding shares of Pacific Premier common stock.

The examples above are illustrative only and are based on the assumptions indicated. The value of the merger consideration that an SCB shareholder actually receives will be based on the actual Pacific Premier average share price calculated prior to completion of the merger.

*Fractional Shares.*

No fractional shares of Pacific Premier common stock will be issued, and in lieu thereof, each holder of SCB common stock who would otherwise be entitled to a fractional share interest will receive an amount in cash, without interest, determined by multiplying such fractional interest by the Pacific Premier average share price, rounded to the nearest whole cent.

**What Will Happen to Outstanding SCB Stock Options (Page 77)**

Pursuant to the terms of the merger agreement, each SCB option that is outstanding and unexercised will be cancelled in accordance with the Security California Bancorp 2015 Equity Incentive Plan and the Security California Bancorp 2005 Amended and Restated Equity Incentive Plan, as the case may be, referred to in this joint proxy statement/prospectus as the SCB Stock Option Plans, upon the closing of the merger, and each holder of such SCB option will be entitled to receive from Pacific Premier, at the effective time of the merger, a single lump sum cash payment equal to the product of (i) the aggregate number of shares of SCB common stock subject to such SCB option immediately prior to the closing of the merger, and (ii) the excess, if any, of \$18.75 over the exercise price per share of such SCB option, less any applicable taxes required to be withheld with respect to such payment. If the exercise price per share of any such SCB option is equal to or greater than \$18.75, such SCB option will be canceled without any cash payment being made in respect thereof.

**Transmittal Materials (Page 77)**

After the transmittal materials have been received and processed and following the closing of the merger, the SCB shareholders will be sent the Pacific Premier common stock and any cash in lieu of fractional shares to which they are entitled. If a SCB shareholder holds shares in street name, he or she will receive information from his or her bank, broker or other nominee advising such SCB shareholder of the process for receiving the Pacific Premier common stock and any cash in lieu of fractional shares to which he or she is entitled.

Each SCB shareholder will need to surrender his or her SCB common stock certificates to receive the appropriate merger consideration, but such SCB shareholder should not send any certificates now. Each SCB shareholder will receive detailed instructions on how to exchange his or her shares along with transmittal materials.

**Per Share Market Price and Dividend Information (Page 103)**

Table of Contents

The following table sets forth the closing sale prices of (i) Pacific Premier common stock as reported on the Nasdaq Stock Market, and (ii) SCB common stock as quoted on the OTCQB, on September 29, 2015, the last trading-day before Pacific Premier announced the merger, and on December 16, 2015, the last practicable trading-day before the distribution of this joint proxy statement/prospectus. To help illustrate the market value of the per share merger consideration to be received by SCB's shareholders, the following table also presents the equivalent market value per share of SCB common stock as of September 29, 2015 and December 16, 2015, which were determined by multiplying the closing price for the Pacific Premier common stock on those dates by the exchange ratio of 0.9629 of a share of Pacific Premier common stock for each share of SCB common stock. The equivalent market value per share of SCB common stock presented below does not reflect the possible upward or downward adjustment if the Pacific Premier average share price is either less than \$16.550 or greater than \$22.391, or the possible downward adjustment in the event certain of SCB's aggregate transaction-related expenses exceed amounts specified in the merger agreement. See "The Merger The Merger Consideration" beginning on page 74 for additional information about the merger consideration to be received by holders of SCB common stock.

	Pacific Premier Common Stock	SCB Common Stock	Equivalent Market Value Per Share of SCB
At September 29, 2015	\$ 20.30	\$ 13.00	\$ 19.547
At December 16, 2015	\$ 21.30	\$ 20.15	\$ 20.51

The market price of Pacific Premier common stock and SCB common stock will fluctuate prior to the date of each of Pacific Premier's and SCB's special meeting and the date such SCB shareholder receives the merger consideration. SCB shareholders should obtain a current price quotation for the shares of Pacific Premier common stock to update the implied value for a share of SCB common stock.

Pacific Premier has never declared or paid dividends on its common stock and does not anticipate declaring or paying any cash dividends in the foreseeable future. It is Pacific Premier's current policy to retain earnings to provide funds for use in its business.

SCB has never declared or paid dividends on its common stock. Pursuant to the merger agreement, SCB has certain restrictions on the payment of dividends to its shareholders pending the closing of the merger. See "The Merger Business Pending the Merger" beginning on page 81.

**Material Federal Income Tax Consequences of the Merger (Page 94)**

The merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which is referred to in this joint proxy statement/prospectus as the Code, and it is a condition to completion of the merger that Pacific Premier and SCB receive a legal opinion to that effect. If the merger is completed, the merger consideration that will be paid to the holders of SCB common stock will consist of shares of Pacific Premier common stock (and cash for any fractional shares).

Assuming the merger qualifies as a reorganization, subject to the limitations and more detailed discussion set forth in "The Merger Material Federal Income Tax Consequences" of this joint proxy statement/prospectus, an SCB shareholder that is a U.S. holder generally will not recognize gain or loss on such exchange, other than with respect to cash received in lieu of fractional shares of Pacific Premier common stock.

**Tax matters are complicated, and the tax consequences of the merger to a particular SCB shareholder will depend in part on such shareholder's individual circumstances. Accordingly, each SCB shareholder is urged to consult his or her own tax advisor for a full understanding of the tax**

and "FOR" the proposal to adjourn the SCB special meeting if necessary to permit further solicitation of proxies on the proposal to approve the merger agreement.

**Approval of the Issuance of Pacific Premier Common Stock in Connection with the Merger by the Pacific Premier Shareholders Requires that a Majority of the Shares of Pacific Premier Common Stock for which Votes Are Cast at the Pacific Premier Special Meeting to be Voted in Favor of the Issuance of Pacific Premier Common Stock in Connection with the Merger (Page 37)**

The affirmative vote of the holders of a majority of shares of Pacific Premier common stock for which votes are cast at the Pacific Premier special meeting is necessary to approve the issuance of the Pacific Premier common stock in connection with the merger. At the close of business on the record date, there were 21,510,746 shares of Pacific Premier common stock outstanding held by 420 holders of record. Each holder of record of Pacific Premier common stock on the record date is entitled to one vote for each share held on all matters to be voted upon at the Pacific Premier special meeting. If a Pacific Premier shareholder does not vote, it will have no impact on the proposal to approve the issuance of the Pacific Premier common stock in connection with the merger.

**Approval of the Merger Agreement Requires the Affirmative Vote of Holders of a Majority of the Issued and Outstanding Shares of SCB Common Stock (Page 41)**

The affirmative vote of the holders of a majority of the issued and outstanding shares of SCB common stock is necessary to approve the merger agreement on behalf of SCB. At the close of business on the record date, there were 6,039,257 shares of SCB common stock outstanding held by 294 holders of record. Each holder of record of SCB common stock on the record date is entitled to one vote for each share held on all matters to be voted upon at the special meeting. If a SCB shareholder does not vote, it will have the same effect as a vote against the merger agreement.

Holders of 1,850,285 shares of SCB common stock, representing approximately 30.64% of the outstanding shares of SCB common stock, have signed shareholder agreements with Pacific Premier agreeing to vote their shares of SCB common stock in favor of the merger agreement.

**Management of Pacific Premier Owns Shares Which May Be Voted at the Pacific Premier Special Meeting**

As of the record date, the executive officers and directors of Pacific Premier, as a group, held 486,491 shares of Pacific Premier common stock, or approximately 2% of the outstanding Pacific Premier common stock. While the executive officers and directors of Pacific Premier have not entered into voting agreements agreeing to vote their shares of Pacific Premier common stock in a particular manner, it is anticipated that the executive officers and directors of Pacific Premier will vote consistent with the recommendation of the Pacific Premier board of directors, which is to vote "FOR" the Pacific Premier proposal to approve the issuance of Pacific Premier common stock in connection with the merger.

**Management of SCB Owns Shares Which May Be Voted at the SCB Special Meeting (Page 91)**

As of the record date, the executive officers and directors of SCB, as a group, held 1,850,285 shares of SCB common stock, or approximately 30.64% of the outstanding SCB common stock, and have each entered into shareholder agreements with Pacific Premier and SCB pursuant to which they have agreed, among other things, in their capacity as shareholders of SCB, to vote their shares of SCB common stock in favor of the merger agreement. The form of shareholder agreement is attached as Annex A to the merger agreement, which is attached as Appendix A to this joint proxy statement/prospectus.

**SCB's Shareholders Have Dissenters' Rights (Page 99)**

Under the California General Corporation Law, or CGCL, holders of SCB common stock have the right to demand appraisal of their shares of SCB common stock, in connection with the merger and to receive, in lieu of the merger consideration, payment in cash, for the fair value of their shares of SCB common stock. Any SCB shareholder electing to exercise dissenters' rights must not have voted his, her or its shares of SCB common stock "FOR" approval of the merger agreement and must specifically comply with the provisions of the CGCL in order to perfect its rights of dissent and appraisal. Strict compliance with the statutory procedures is required to perfect dissenters' rights. These procedures are described under "The Merger Dissenters' Rights" in this joint proxy statement/prospectus, and a copy of the relevant provisions of the CGCL is attached as Appendix D.

**SCB is Prohibited from Soliciting Other Offers (Page 85)**

SCB has agreed that, while the merger is pending, it will not solicit, initiate, encourage or, subject to some limited exceptions, engage in discussions with any third party other than Pacific Premier regarding extraordinary transactions such as a merger, business combination or sale of a material amount of its assets or capital stock.

**Pacific Premier and SCB Must Meet Several Conditions to Complete the Merger (Page 78)**

Completion of the merger depends on meeting a number of conditions, including the following:

shareholders of Pacific Premier must approve the issuance of Pacific Premier common stock in connection with the merger;

shareholders of SCB must approve the merger agreement;

Pacific Premier and SCB must receive all required regulatory approvals for the merger, and any waiting periods required by law must have passed and no such approval may contain any condition that Pacific Premier's board of directors reasonably determines in good faith would materially reduce the benefits of the merger to such a degree that, had such condition been known, Pacific Premier would not have entered into the merger agreement;

there must be no law, injunction or order enacted or issued preventing completion of the merger;

the Pacific Premier common stock to be issued in the merger must have been approved for trading on the Nasdaq Global Select Market;

the representations and warranties of each of Pacific Premier and SCB in the merger agreement must be true and correct, subject to the materiality standards provided in the merger agreement;

Pacific Premier and SCB must have complied in all material respects with their respective obligations in the merger agreement;

Pacific Premier and SCB must have received a written opinion that the merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code;

as of the month end prior to the closing date, the aggregate outstanding balance of SCB's non-maturity deposits must not be less than \$508.2 million;

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form S-4/A

as of the closing date, SCB's tangible common equity (as defined and subject to certain specified adjustments set forth in the merger agreement) must not be less than \$68.0 million;

dissenting shares must not represent 10% or more of the outstanding shares of SCB common stock;

Table of Contents

all required regulatory approvals for the merger of Security Bank with and into Pacific Premier Bank must be received, any waiting periods required by law must have passed and there must be no law, injunction or order enacted or issued preventing completion of the merger of Security Bank and Pacific Premier Bank; and

employment agreements between Pacific Premier and each of Ernest Hwang, SCB's President, and James A. Robinson, Jr., SCB's Commercial Banking Manager, must become effective on the closing date.

Unless prohibited by law, either Pacific Premier or SCB could elect to waive a condition that has not been satisfied and complete the merger. The parties cannot be certain whether or when any of the conditions to the merger will be satisfied, or waived where permissible, or that the merger will be completed.

**Pacific Premier and SCB Have Received Regulatory Approvals to Complete the Merger (Page 81)**

To complete the merger, the parties need the prior approval from the Board of Governors of the Federal Reserve System, or the Federal Reserve, and the California Department of Business Oversight, or CA DBO. Pacific Premier and SCB have received approval from each of these banking regulators for the merger. The U.S. Department of Justice is also able to provide input into the approval process of federal banking agencies and will have between fifteen (15) and thirty (30) days following the Federal Reserve's approval on December 1, 2015 to challenge the approval on antitrust grounds.

**Litigation Relating to the Merger (Page 94)**

A purported shareholder of SCB has filed a complaint seeking class action status against SCB and each of its directors, and Pacific Premier alleging, among other things, that the SCB directors breached their fiduciary duties with regard to the proposed merger. Among other things, the complaint seeks class action status, a court order enjoining SCB and its directors from proceeding with or consummating the merger, and the payment of attorneys' and experts' fees. SCB intends to defend this lawsuit vigorously.

**Pacific Premier and SCB may Terminate the Merger Agreement (Page 88)**

Pacific Premier and SCB can mutually agree at any time to terminate the merger agreement before completing the merger, even if shareholders of SCB have already voted to approve it.

Pacific Premier or SCB can also terminate the merger agreement:

if the other party breaches any of its representations, warranties, covenants or agreements under the merger agreement that  
(i) cannot be or has not been cured within thirty (30) days of the giving of written notice to the breaching party or parties and  
(ii) would entitle the non-breaching party or parties not to consummate the merger;

if the merger is not consummated by June 30, 2016, except to the extent that the failure to consummate by that date is due to  
(i) the terminating party's failure to perform or observe its covenants and agreements in the merger agreement, or (ii) the failure of any of the SCB shareholders (if SCB is the party seeking to terminate) to perform or observe their respective covenants under the relevant shareholder agreement;

if any required governmental approval of the merger has been denied by final non-appealable action or an application for approval of the merger has been permanently withdrawn at the request of a governmental authority, provided that no party has the right to terminate the merger agreement if the denial is due to the terminating party's failure to perform or observe its covenants in the merger agreement;

Table of Contents

if the shareholders of Pacific Premier do not approve the issuance of Pacific Premier common stock in connection with the merger; or

if the shareholders of SCB do not approve the merger agreement.

In addition, Pacific Premier may terminate the merger agreement at any time prior to the Pacific Premier special meeting if the board of directors of SCB withdraws or modifies its recommendation to the SCB shareholders that the merger agreement be approved in any way which is adverse to Pacific Premier, or breaches its covenants requiring the calling and holding of the SCB special meeting to consider the merger agreement and prohibiting the solicitation of other offers. Pacific Premier also may terminate the merger agreement if a third party commences a tender offer or exchange offer for 15% or more of the outstanding SCB common stock and the board of directors of SCB recommends that SCB shareholders tender their shares in the offer or otherwise fails to recommend that they reject the offer within a specified period.

**Termination Fee (Page 88)**

SCB must pay Pacific Premier a termination fee of \$4.5 million if the merger agreement is terminated under specified circumstances.

**Pacific Premier and SCB May Amend the Merger Agreement (Page 87)**

The parties may amend or supplement the merger agreement by written agreement at any time before the merger actually takes place; provided, however, no amendment may be made after the SCB special meeting which by law requires further approval by the shareholders of SCB without obtaining such approval.

**SCB's Directors and Officers Have Some Interests in the Merger that Are in Addition to or Different than the Interests of SCB Shareholders (Page 91)**

SCB directors and officers have interests in the merger as individuals that are in addition to, or different from, their interests as shareholders of SCB, which are:

SCB's directors and executive officers will receive an aggregate amount of approximately \$766,660.23 in connection with the cancellation of their SCB options upon the consummation of the merger;

the agreement of Pacific Premier to honor indemnification obligations of SCB for a period of six (6) years, as well as to purchase liability insurance for SCB's directors and officers for six (6) years following the merger, subject to the terms of the merger agreement;

cash payments to certain executive officers of SCB in the aggregate amount of \$3.2 million, on a pre-tax basis, pursuant to the terms of their respective executive change in control severance agreements with SCB;

the appointment of Ayad Fargo and Zareh Sarrafian, each a current director of SCB, to serve on the boards of directors of Pacific Premier and Pacific Premier Bank effective upon completion of the merger; and

James A. Robinson, SCB's Chairman and Chief Executive Officer, has entered into a consulting agreement with Pacific Premier, to be effective as of the closing of the merger, and Ernest Hwang and James A. Robinson, Jr., will enter into employment agreements with Pacific Premier, each of which will be effective as of the closing of the merger and provide compensation to those individuals for continued provision of services to, or employment with, Pacific Premier following the merger.

Table of Contents

The board of directors of Pacific Premier and SCB were aware of the foregoing interests and considered them, among other matters, in approving the merger agreement and the merger.

**Accounting Treatment of the Merger (Page 97)**

The merger will be accounted for under the acquisition method of accounting under generally accepted accounting principles, or GAAP.

**Redemption of SCB Preferred Stock (Page 91)**

SCB and Pacific Premier have agreed to use their reasonable best efforts to redeem the \$7.2 million of outstanding Senior Non-Cumulative Perpetual Preferred Stock, Series C, of SCB immediately prior to or concurrently with the consummation of the merger.

**Shareholders of Pacific Premier and SCB Have Different Rights (Page 154)**

The rights of shareholders of Pacific Premier differ from the rights of shareholders of SCB. Pacific Premier is incorporated under the laws of the State of Delaware and SCB is incorporated under the laws of the State of California. The rights of holders of Pacific Premier common stock are governed by the Delaware General Corporation Law, or DGCL, as well as its amended and restated certificate of incorporation and amended and restated bylaws, and the rights of holders of SCB common stock are governed by the CGCL, as well as its articles of incorporation and bylaws. Shareholders of SCB will receive shares of Pacific Premier common stock in exchange for their shares of SCB common stock and become shareholders of Pacific Premier, and their rights as shareholders of Pacific Premier will be governed by Pacific Premier's amended and restated certificate of incorporation and amended and restated bylaws and the DGCL.

**SELECTED HISTORICAL FINANCIAL DATA**

The following tables present selected consolidated historical financial data of Pacific Premier and selected consolidated historical financial data of SCB.

**Selected Consolidated Historical Financial Data of Pacific Premier**

Set forth below are selected historical financial data derived from Pacific Premier's audited consolidated financial statements as of and for the years ended December 31, 2014, 2013, 2012, 2011 and 2010 and Pacific Premier's unaudited interim consolidated financial statements as of and for the nine months ended September 30, 2015 and 2014. **RISK FACTORS**

*In addition to the other information included and incorporated by reference into this joint proxy statement/prospectus, including the matters addressed in the section entitled "Cautionary Statement Concerning Forward-Looking Statements" beginning on page 32, you should be aware of and carefully consider the following risks and uncertainties that are applicable to the merger agreement, the merger, Pacific Premier and SCB before deciding whether to vote for (i) if you are a Pacific Premier shareholder, the issuance of shares of Pacific Premier common stock to the SCB shareholders in connection with the merger and the approval of the adjournment of the Pacific Premier special meeting, if necessary, to solicit additional proxies to approve the issuance of shares of Pacific Premier common stock, or (ii) if you are a SCB shareholder, the approval of the merger agreement and the other transactions contemplated by the merger and the approval of the adjournment of the SCB special meeting, if necessary, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement. You should also consider the risks relating to the businesses of Pacific Premier and ownership of Pacific Premier common stock contained in Part I, Item 1A of Pacific Premier's Annual Report on Form 10-K for the year ended December 31, 2014 that has been filed with the Commission, as well as any subsequent documents filed by Pacific Premier with the Commission, which are incorporated into this joint proxy statement/prospectus by reference. See "Where You Can Find More Information" beginning on page 164.*

***Because the market price of Pacific Premier common stock will fluctuate, and because of limitations on the amount of SCB transaction-related expenses, you cannot be sure of the exact value of the merger consideration you will receive.***

Upon the effective time of the merger, each share of SCB common stock will be cancelled and converted into the right to receive the merger consideration, consisting of shares of Pacific Premier common stock pursuant to the terms of the merger agreement. The value of the merger consideration to be received by SCB shareholders will be based on an exchange ratio, and will fluctuate depending on the Pacific Premier average share price. The Pacific Premier average share price may vary from the market price of Pacific Premier common stock on the date the merger was announced, on the date that this joint proxy statement/prospectus is mailed to SCB shareholders, on the date that the SCB shareholders vote on the merger agreement and on the date of the SCB and Pacific Premier special meetings. The exchange ratio of 0.9629 shares of Pacific Premier common stock for each share of SCB common stock is subject to (i) downward adjustment if the Pacific Premier average share price is greater than \$22.391 and (ii) upward adjustment if the Pacific Premier average share price is less than \$16.550. Any change in the price of Pacific Premier common stock prior to the date that the exchange ratio is set will affect the value of the merger consideration that the SCB shareholders will receive upon the effective time of the merger.

Because the price of Pacific Premier common stock could fluctuate during the period of time of the SCB special meeting and the time they actually receive their shares of Pacific Premier common stock as merger consideration, the SCB shareholders will be subject to the risk of a decline in the price of Pacific Premier common stock during this period. SCB does not have the right to terminate the merger agreement or to resolicit the vote of its shareholders solely because of changes in the market prices of Pacific Premier's common stock. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in the values and perceptions of financial services stocks generally and Pacific Premier in particular, changes in Pacific Premier's business, operations and prospects and regulatory considerations. Many of these factors are beyond Pacific Premier's control. Accordingly, at the time of the SCB special meeting, the SCB shareholders will not know or be able to calculate the exact value of the shares of Pacific Premier common stock they will receive upon completion of the merger.

Table of Contents

The merger consideration is also subject to downward adjustment if certain of SCB's transaction-related expenses exceed amounts specified in the merger agreement. The merger consideration is subject to possible downward adjustment in the event certain expenses related to the termination of specified contracts related to technology and data processing services provided to Security Bank, referred to as the technology expenses, exceed \$3.25 million, which is referred to as the technology expense cap, and/or certain transaction-related expenses incurred by SCB, referred to as deal expenses, exceed \$5.0 million, which is referred to as the deal expense cap. The aggregate of any excess amount above the technology expense cap and/or the deal expense cap is referred to as the excess expenses. The technology expense cap may exceed \$3.25 million without resulting in an adjustment to the 0.9629 exchange ratio so long as, and only to the extent that, the excess expenses do not exceed \$8.25 million in the aggregate, with any excess over \$8.25 million resulting in a reduction in the exchange ratio. See "The Merger Expense of the Merger" beginning on page 97.

***Directors and officers of SCB have interests in the merger that are in addition to or different than the interests of SCB shareholders.***

SCB directors and officers have interests in the merger as individuals that are in addition to, or different from, their interests as shareholders of SCB, which are:

SCB's directors and executive officers will receive an aggregate amount of approximately \$766,660.23 in connection with the cancellation of their SCB options upon the consummation of the merger, which assumes that agreements have been entered into with Pacific Premier providing for the cash-out of outstanding SCB options;

the agreement of Pacific Premier to honor indemnification obligations of SCB for a period of six (6) years, as well as to purchase liability insurance for SCB's directors and officers for six (6) years following the merger, subject to the terms of the merger agreement;

cash payments to certain executive officers in the aggregate amount of \$3.2 million, on a pre-tax basis, pursuant to the terms of their respective executive change in control severance agreements with SCB;

the appointment of Ayad Fargo and Zareh Sarrafian, each a current director of SCB, to serve on the boards of directors of Pacific Premier and Pacific Premier Bank effective upon completion of the merger; and

James A. Robinson has entered into a consulting agreement with Pacific Premier, which will be effective upon the closing of the merger, and Ernest Hwang and James A. Robinson, Jr., will enter into employment agreements with Pacific Premier, which will each be effective upon the closing of the merger and provide compensation to those individuals for continued provision of services to, or employment with, Pacific Premier following the merger.

These arrangements may create potential conflicts of interest. These interests of SCB's directors and officers may cause some of these persons to view the proposed transaction differently than how other SCB shareholders view it. The SCB board of directors was aware of these interests and considered them, among other things, in their approval of the merger agreement and the transactions contemplated by the merger agreement. SCB shareholders should consider these interests in conjunction with the recommendation of the SCB board of directors with respect to approval of the merger. See "The Merger Interests of Certain SCB Officers and Directors in the Merger" beginning on page 91.

Table of Contents

***The termination fee and the restrictions on solicitation contained in the merger agreement may discourage other companies from trying to acquire SCB.***

Until the closing of the merger, with some limited exceptions, SCB is prohibited from soliciting, initiating, encouraging or participating in any discussion of or otherwise considering any inquiries or proposals that may lead to an acquisition proposal, such as a merger or other business combination transaction, with any person other than Pacific Premier. In addition, SCB has agreed to pay a termination fee to Pacific Premier in specified circumstances. See "The Merger Termination Fee" beginning on page 88. These provisions could discourage other companies from trying to acquire SCB even though those other companies might be willing to offer greater value to SCB shareholders than Pacific Premier has offered in the merger. The payment of the termination fee could also have a material adverse effect on SCB's financial condition.

***Pacific Premier may fail to realize the anticipated benefits of the merger.***

The success of the merger will depend on, among other things, Pacific Premier's ability to realize the anticipated revenue enhancements and efficiencies and to combine the businesses of Pacific Premier and SCB in a manner that does not materially disrupt the existing customer relationships of SCB or result in decreased revenues resulting from any loss of customers and that permits growth opportunities to occur. If Pacific Premier is not able to successfully achieve these objectives, the anticipated benefits of the merger may not be realized fully or at all or may take longer to realize than expected.

Pacific Premier and SCB have operated and, until the completion of the merger, will continue to operate, independently. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect Pacific Premier's ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the merger. Integration efforts between the two companies could also divert management attention and resources. These integration matters could have an adverse effect on each of Pacific Premier and SCB during the transition period and on the combined company following completion of the merger.

***The market price of Pacific Premier common stock after the merger may be affected by factors different from those affecting the shares of SCB or Pacific Premier currently.***

Upon completion of the merger, holders of SCB common stock will become holders of Pacific Premier common stock. Pacific Premier's business differs from that of SCB, and, accordingly, the financial condition and results of operations of the combined company and the market price of Pacific Premier common stock after the completion of the merger may be affected by factors different from those currently affecting the financial condition and results of operations of SCB.

***The fairness opinion received by Pacific Premier's board of directors from its financial advisor, Davidson, and the fairness opinion received by SCB's board of directors from SCB's financial advisor, Oppenheimer, will not reflect any changes since the date of such opinions.***

Changes in the operations and prospects of Pacific Premier or SCB, general market and economic conditions and other factors that may be beyond the control of Pacific Premier and SCB may alter the value of Pacific Premier or SCB or the market price for shares of Pacific Premier common stock or SCB common stock by the time the merger is completed. Neither the fairness opinion delivered by Davidson to the Pacific Premier board of directors nor the fairness opinion delivered by Oppenheimer to the SCB board of directors speaks as of any date other than the date of such opinion, which was September 30, 2015 in the case of both Davidson's opinion and Oppenheimer's opinion. The merger agreement does not require that either Davidson's or Oppenheimer's fairness opinion be updated as a condition to the completion of the merger, and neither Pacific Premier nor SCB intends to request that

Table of Contents

the respective fairness opinions be updated. Davidson's fairness opinion is attached as Appendix B to this joint proxy statement/prospectus and Oppenheimer's fairness opinion is attached as Appendix C to this joint proxy statement/prospectus. For a description of Davidson's opinion, see "The Merger Opinion of Pacific Premier's Financial Advisor" beginning on page 51. For a description of Oppenheimer's opinion, see "The Merger Opinion of SCB's Financial Advisor" beginning on page 66. For a description of the other factors considered by Pacific Premier's board of directors in determining to approve the merger, see "The Merger Pacific Premier's Reasons for the Merger" beginning on page 48. For a description of the other factors considered by SCB's board of directors in determining to approve the merger, see "The Merger SCB's Reasons for the Merger" beginning on page 49.

***The merger is subject to the receipt of approvals or waivers from regulatory authorities that may impose conditions that could have an adverse effect on Pacific Premier.***

Before the merger can be completed, various approvals or waivers must be obtained from bank regulatory authorities. These authorities may impose conditions on the completion of the merger or require changes to the terms of the merger. Although Pacific Premier and SCB do not currently expect that any such conditions or changes will be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the merger, imposing additional costs on, or limiting the revenues of Pacific Premier following the merger or causing the merger transaction between Pacific Premier and SCB to terminate. See "The Merger Bank Regulatory Approvals" beginning on page 81 and "The Merger Conditions to the Merger" beginning on page 78.

***The merger cannot be completed unless the Pacific Premier shareholders approve the issuance of Pacific Premier common stock in the merger and the SCB shareholders approve the merger agreement.***

In order for the merger to be completed, the Pacific Premier shareholders must approve the issuance of Pacific Premier common stock in the merger and the SCB shareholders must approve the merger agreement and the other transactions contemplated by the merger agreement. While a vote of Pacific Premier's shareholders is not required to approve the merger, the approval of Pacific Premier's shareholders is required under applicable NASDAQ rules in order for Pacific Premier to be authorized to issue the shares of Pacific Premier common stock to SCB shareholders as the merger consideration. Approval of the issuance of Pacific Premier common stock to SCB stockholders under NASDAQ rules requires approval of at least a majority of the total votes cast at the Pacific Premier special meeting. The approval the merger agreement by the SCB shareholders requires the affirmative vote of the holders of a majority of the outstanding shares of SCB common stock. If either or both of these required votes is not obtained from the shareholders of each of the respective companies, the merger may not be consummated.

***The merger is subject to certain closing conditions that, if not satisfied or waived, will result in the merger not being completed, which may cause the prices of Pacific Premier common stock and SCB common stock to decline.***

Consummation of the merger is subject to customary conditions to closing in addition to the receipt of the required regulatory approvals and approval of the SCB shareholders of the merger agreement and the approval of the Pacific Premier shareholders of the issuance of Pacific Premier common stock in connection with the merger. If any condition to the merger is not satisfied or waived, to the extent permitted by law, the merger will not be completed. In addition, Pacific Premier and SCB may terminate the merger agreement under certain circumstances even if the merger agreement is approved by SCB shareholders and the issuance of Pacific Premier common stock in connection with the merger is approved by Pacific Premier shareholders, including if the merger has not been completed on or before June 30, 2016. If the merger is not completed, the respective trading prices of Pacific Premier common stock on the NASDAQ Global Select Market and of SCB common stock on

Table of Contents

the OTCQB market may decline to the extent that the current prices reflect a market assumption that the merger will be completed. In addition, neither company would realize any of the expected benefits of having completed the merger. For more information on closing conditions to the merger agreement, see "The Merger Conditions to the Merger" beginning on page 78.

***The unaudited condensed pro forma combined financial data included in this joint proxy statement/prospectus are presented for illustrative purposes only and may not be an indication of the combined company's financial condition or results of operations following the merger.***

The unaudited condensed pro forma combined financial data contained in this joint proxy statement/prospectus are presented for illustrative purposes only, are based on various adjustments, assumptions and preliminary estimates and may not be an indication of the combined company's financial condition or results of operations following the merger for several reasons. The actual financial condition and results of operations of the combined company following the merger may not be consistent with, or evident from, these unaudited pro forma condensed combined financial data. In addition, the assumptions used in preparing the unaudited pro forma condensed combined financial data may not prove to be accurate, and other factors may affect the combined company's financial condition or results of operations following the merger. Any potential decline in the combined company's financial condition or results of operations may cause significant variations in the stock price of the combined company.

***The shares of Pacific Premier common stock to be received by SCB shareholders as a result of the merger will have different rights than shares of SCB common stock.***

Upon completion of the merger, SCB shareholders will become Pacific Premier shareholders and their rights as shareholders will be governed by the Pacific Premier amended and restated certificate of incorporation, the Pacific Premier amended and restated bylaws and the DGCL. The rights associated with SCB common stock are different from the rights associated with Pacific Premier common stock. See "Comparison of the Rights of Shareholders" beginning on page 154.

**CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS**

This joint proxy statement/prospectus contains or incorporates by reference a number of forward-looking statements regarding the financial condition, results of operations, earnings outlook and business prospects of Pacific Premier, Pacific Premier Bank and SCB and the potential combined company and may include statements for the periods following the completion of the merger. Shareholders of either Pacific Premier or SCB can find many of these statements by looking for words such as "expects," "projects," "anticipates," "believes," "intends," "estimates," "strategy," "plan," "potential," "possible" and other similar expressions. Statements about the expected timing, completion and effects of the merger and all other statements in this joint proxy statement/prospectus or in the documents incorporated by reference in this joint proxy statement/prospectus other than historical facts constitute forward-looking statements. Forward-looking statements involve certain risks and uncertainties that are subject to change based on factors which are, in many instances, beyond Pacific Premier's or SCB's control. The ability of either Pacific Premier or SCB to predict results or actual effects of its plans and strategies, or those of the combined company, is inherently uncertain. Accordingly, actual results may differ materially from those expressed in, or implied by, the forward-looking statements. Some of the factors that may cause actual results or earnings to differ materially from those contemplated by the forward-looking statements include, but are not limited to, those discussed under "Risk Factors" and those discussed in the filings of Pacific Premier that are incorporated into this joint proxy statement/prospectus by reference, as well as the following:

estimated revenue enhancements, costs savings and financial benefits from the merger may not be fully realized within the expected time frames or at all;

Table of Contents

deposit attrition, customer loss or revenue loss following the merger may occur or be greater than expected;

that required regulatory, shareholder or other approvals are not obtained or other closing conditions are not satisfied in a timely manner or at all;

reputational risks and the reaction of the companies' customers to the merger;

diversion of management time on merger-related issues;

competitive pressure among depository and other financial institutions may increase significantly;

costs or difficulties related to the integration of the businesses of Pacific Premier and SCB may be greater than expected;

changes in the interest rate environment may reduce interest margins;

the effects of, and changes in, trade, monetary and fiscal policies and laws, including interest rate policies of the Federal Reserve;

general economic or business conditions, either nationally or in the states or regions in which Pacific Premier and SCB do business, may be less favorable than expected, resulting in, among other things, a deterioration in credit quality or a reduced demand for credit;

legislation or changes in regulatory requirements may adversely affect the businesses in which Pacific Premier and SCB are engaged;

adverse changes may occur in the securities markets; and

competitors of Pacific Premier may have greater financial resources and develop products and technology that enable those competitors to compete more successfully than Pacific Premier.

Because these forward-looking statements are subject to assumptions and uncertainties, Pacific Premier's and SCB's actual results may differ materially from those expressed or implied by these forward-looking statements. These forward-looking statements are predicated on the beliefs and assumptions of the management of each of Pacific Premier and SCB based on information known to them as of the date of this joint proxy statement/prospectus. SCB and Pacific Premier shareholders are cautioned not to place undue reliance on these statements, which speak only as of the date of this joint proxy statement/prospectus or the date of any document incorporated by reference in this joint proxy statement/prospectus.

All subsequent written and oral forward-looking statements concerning the merger or other matters addressed in this joint proxy statement/prospectus and attributable to Pacific Premier or SCB or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Pacific Premier and SCB undertake no obligation to update these forward-looking statements to reflect events or circumstances after the date of this joint proxy statement/prospectus or to reflect the occurrence of unanticipated events, unless obligated to do so under the federal securities laws.

**Recommendation of the Pacific Premier Board of Directors**

The Pacific Premier board of directors has unanimously (i) determined that each of the merger agreement and the transactions contemplated by the merger agreement is fair and reasonable, advisable and in the best interests of Pacific Premier and its shareholders; (ii) approved the merger agreement, the merger and the transactions contemplated thereby and (iii) recommends that the Pacific Premier shareholders approve the issuance of shares of Pacific Premier common stock to SCB shareholders pursuant to the merger agreement. The Pacific Premier board of directors unanimously recommends that Pacific Premier shareholders vote "**FOR**" the proposal to approve the issuance of shares of Pacific Premier common stock to SCB shareholders pursuant to the merger agreement. See "The Merger Pacific Premier's Reasons for the Merger" beginning on page 48.

The Pacific Premier board of directors also unanimously recommends that Pacific Premier shareholders vote "**FOR**" the proposal to adjourn the Pacific Premier special meeting, if necessary, to permit further solicitation of proxies on the proposal to approve the issuance of shares of Pacific Premier common stock to the SCB shareholders pursuant to the merger agreement.

**Shares Outstanding and Entitled to Vote; Record Date**

The close of business on December 18, 2015 has been fixed by Pacific Premier as the record date for the determination of Pacific Premier shareholders entitled to notice of and to vote at the Pacific Premier special meeting and any adjournment or postponement of the Pacific Premier special meeting. At the close of business on the record date, there were 21,510,746 shares of Pacific Premier common stock outstanding and entitled to vote, held by 420 holders of record. Each share of Pacific Premier common stock entitles the holder to one vote at the Pacific Premier special meeting on all matters properly presented at the special meeting.

As of the close of business on the record date, directors of SCB own and have the power to vote approximately 298,084 shares of Pacific Premier common stock, or approximately 0.01% of the outstanding shares of Pacific Premier common stock.

**How to Vote Pacific Premier Shares**

*Shareholders of Record.*

Pacific Premier shareholders of record may vote by mail, telephone, via the Internet or by attending the Pacific Premier special meeting and voting in person. If a Pacific Premier shareholder chooses to vote by mail, he or she should simply mark the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided. Internet and telephone voting is available until 11:59 p.m., Eastern Time, on January 24, 2016.

*Shares Held in "Street Name."*

If a Pacific Premier shareholder's shares of Pacific Premier common stock are held through a bank, broker or other nominee, such Pacific Premier shareholder is considered the beneficial owner of such shares held in "street name." In such case, this joint proxy statement/prospectus has been forwarded by such Pacific Premier shareholder's bank, broker or other nominee, who is considered, with respect to such shares, the shareholder of record. As the beneficial owner, a Pacific Premier shareholder has the right to direct such bank, broker or other nominee how to vote the shares by following the voting instructions that they have sent, or will send, to the Pacific Premier shareholder. Without specific instructions from the Pacific Premier shareholder, the bank, broker or other nominee is not empowered to vote a Pacific Premier shareholder's shares on non-routine matters such as the proposal to approve the issuance of shares of common stock of Pacific Premier to the shareholders of SCB pursuant to the merger agreement or the proposal of the Pacific Premier board of directors to adjourn the Pacific

Pacific Premier special meeting, if necessary. Not voting these shares will not have any effect on the vote to approve the proposal to issue of shares of common stock of Pacific Premier to the shareholders of SCB pursuant to the merger agreement or the proposal of the Pacific Premier board of directors to adjourn the special meeting, if necessary. When the vote is tabulated for the proposals, broker non-votes, if any, will only be counted for purposes of determining whether a quorum is present. Accordingly, we advise each Pacific Premier shareholder to promptly give instructions to his or her bank, broker or other nominee to vote "**FOR**" approval of the issuance of shares of Pacific Premier common stock to the SCB shareholders pursuant to the merger agreement and "**FOR**" the proposal to adjourn the Pacific Premier special meeting, if necessary, by using the voting instruction card provided to such Pacific Premier shareholder by his or her bank, broker or other nominee. Alternatively, if a Pacific Premier shareholder is a beneficial owner and wishes to vote in person at the Pacific Premier special meeting, the Pacific Premier shareholder must provide a proxy executed in such Pacific Premier shareholder's favor by the bank, broker or other nominee.

### **Revocation of Proxies**

A Pacific Premier shareholder can revoke a proxy at any time before his or her shares are voted. If the Pacific Premier shareholder is a shareholder of record, the Pacific Premier shareholder can revoke a proxy by:

delivering to Pacific Premier prior to the Pacific Premier special meeting a written notice of revocation addressed to:  
Secretary, Pacific Premier Bancorp, Inc., 17901 Von Karman Avenue, Suite 1200, Irvine, California 92614;

completing, signing and returning a new proxy card with a later date before the date of the Pacific Premier special meeting, and any earlier dated proxy will be revoked automatically;

calling the toll-free number listed on the Pacific Premier proxy card or by accessing the Internet site listed on the Pacific Premier proxy card to change his or her vote by 11:59 p.m., Eastern Time, on January 24, 2016, in which case the later submitted proxy via telephone or Internet, as the case may be, will be recorded and the earlier dated proxy will be revoked;  
or

attending the Pacific Premier special meeting and voting in person, and any earlier proxy will be revoked. However, simply attending the Pacific Premier special meeting without voting will not revoke a Pacific Premier proxy.

If a Pacific Premier shareholder has instructed a bank, broker or other nominee to vote such Pacific Premier shareholder's shares of Pacific Premier common stock, the Pacific Premier shareholder must follow directions received from the bank, broker or other nominee to change his or her vote.

Attendance at the Pacific Premie
