MANNATECH, INCORPORATED
NOTICE OF OUR 2012 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON MAY 30, 2012

TO THE SHAREHOLDERS OF MANNATECH, INCORPORATED,

The 2012 Annual Shareholders' Meeting of Mannatech, Incorporated will be held at the Grapevine Convention Center, located at 1209 South Main Street, Grapevine, Texas, on Wednesday, May 30, 2012, at 9:00 a.m., Central Daylight Time, for the following purposes:

- Proposal 1 - To elect Messrs. Gerard E. Gilbert, Larry A. Jobe, and Marlin Ray Robbins as Class I directors.
- Proposal 2 - To ratify the appointment of BDO USA, LLP as our independent registered public accounting firm, for the year ending December 31, 2012.
- Proposal 3 – To approve an amendment to the 2008 Stock Incentive Plan to increase the number of shares of common stock subject to the plan by 100,000.

and

- To act upon such other matters as may properly come before our annual meeting.

Our Board of Directors has set the close of business on April 5, 2012 as the record date for the determination of shareholders entitled to receive notice of and to vote at our 2012 Annual Shareholders' Meeting or any adjournment(s) thereof.

By order of our Board of Directors,

J. Stanley Fredrick

Chairman of the Board of Directors

Coppell, Texas

April 19, 2012

IMPORTANT

Whether or not you expect to attend the 2012 Annual Shareholders' Meeting, we strongly urge you to cast your vote by telephone or through the Internet by following the instructions included on the Notice of Internet Availability of Proxy Materials that you received, or if you received a paper copy of the proxy card, to mark, date, sign and return the proxy card in the envelope provided, prior to the meeting on May 30, 2012, to help ensure the presence of a quorum for the meeting and to save the expense and extra work of additional solicitation. Voting by proxy by any method prior to the meeting will not prevent you from attending the 2012 Annual Shareholders' Meeting or

revoking your prior vote and voting at the 2012 Annual Shareholders' Meeting.

In accordance with rules promulgated by the SEC, we are providing access to our proxy materials, including this proxy statement and our annual report on Form 10-K, for the year ended December 31, 2011, over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access those proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials. All shareholders who do not receive a notice will receive a paper copy of our proxy materials by mail. We believe that this process reduces the environmental impact and lowers the costs of printing and distributing our proxy materials.

PROXY STATEMENT FOR OUR 2012 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON MAY 30, 2012

GENERAL INFORMATION ABOUT OUR 2012 ANNUAL SHAREHOLDERS' MEETING

General Information

Our Board of Directors (the "Board") is soliciting the enclosed proxy for use at our 2012 Annual Shareholders' Meeting to be held on May 30, 2012 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center located at 1209 South Main Street, Grapevine, Texas. The Notice of Internet Availability of Proxy Materials is being mailed or delivered on or about April 20, 2012, to shareholders of record owning our common stock on the close of business on April 5, 2012. Paper copies of our proxy materials are being mailed or delivered on or about April 25, 2012, to shareholders of record who have previously requested to receive paper copies of proxy materials. The list of frequently asked questions is attached to this proxy statement as Appendix A. Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech, Incorporated, a Texas corporation.

Shareholders Entitled to Vote

Shareholders who owned our common stock as of the close of business on April 5, 2012, the record date, are called "shareholders of record" and are entitled to vote at the 2012 Annual Shareholders' Meeting. As of April 5, 2012, we had 2,596,219 outstanding shares of our common stock, \$0.0001 par value per share, which is our only class of outstanding voting securities. As of April 5, 2012, we had 1,172 shareholders of record. Each share of our common stock entitles a shareholder to one vote. A complete list of direct shareholders entitled to vote at the 2012 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to the 2012 Annual Shareholders' Meeting at our corporate headquarters in Coppell, Texas during normal business hours from May 18, 2012 until May 29, 2012. The shareholder list will also be available for review prior to and during the 2012 Annual Shareholders' Meeting to be held on May 30, 2012. A shareholder who wants to examine the list prior to our Annual Shareholders' Meeting should arrange an appointment by contacting our Investor Relations department at (972) 471-6512.

Voting in Person

If you are a shareholder of record and plan to attend the 2012 Annual Shareholders' Meeting, you may deliver your completed and signed proxy card in person. If a broker or bank holds your Mannatech shares in street name, and you wish to vote in person at the 2012 Annual Shareholders' Meeting, you will need to obtain a legal proxy form from your broker or bank that holds your shares of record and you must bring that document to the 2012 Annual Shareholders' Meeting.

Voting by Proxy

The proxy process is the means by which shareholders can exercise their rights to vote for the election of directors and other strategic corporate proposals. The notice of meeting and this proxy statement provide notice of a scheduled shareholder meeting, describe the directors presented for re-election, include information regarding the selection of BDO USA, LLP as our independent registered public accounting firm for 2012 and include other information required to be disclosed to shareholders. Shareholders may vote by telephone, through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person.

By executing a proxy, you authorize Robert A. Toth, to act as your proxy to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary shareholder approval of proposals, a “quorum” of shareholders (a majority of the issued and outstanding shares of common stock as of the record date entitled to vote) must be represented at the meeting in person or by proxy. Since few shareholders can spend the time or money to attend shareholder meetings in person, voting by proxy is necessary to obtain a quorum and complete the shareholder vote. It is important that you attend the meeting in person or grant a proxy to vote your shares to assure a quorum is present so corporate business may be transacted. If a quorum is not present, we must postpone the meeting and solicit additional proxies; this is an expensive and time-consuming process that is not in the best interest of the Company or our shareholders.

Properly executed votes by proxy received prior to or at the 2012 Annual Shareholders’ Meeting on May 30, 2012 or at any adjournment(s) or postponement(s) thereof will be counted by Broadridge Financial Solutions, Inc., our Inspector of Elections. If a shareholder specifies how such shareholder’s proxy-vote is to be cast on any business to come before the meeting, such proxy-vote will be voted in accordance with such specifications. If no specification is made on a properly executed proxy card, the shareholder’s vote by proxy will be voted “FOR” each of our 3 proposals consistent with the recommendations made by the Board.

Revoking or Changing a Proxy

A shareholder may revoke a vote by proxy at any time prior to the 2012 Annual Shareholders’ Meeting. If you are a shareholder of record with direct ownership over your Mannatech common stock, your proxy can be revoked by (i) timely delivery of a written revocation delivered to B. Keith Clark, Chief Operating Officer, Chief Legal Officer, and Corporate Secretary, Mannatech Incorporated, 600 South Royal Lane, Suite 200, Coppell Texas 75019; (ii) submission of another valid proxy bearing a later date; or (iii) attendance at the 2012 Annual Shareholders’ Meeting in person and notice to the Inspector of Elections that you intend to vote your shares in person. If your Mannatech shares are held in street name by a broker or bank (“broker”), you must contact your broker in order to revoke your proxy, but generally, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the 2012 Annual Shareholders’ Meeting and voting in person.

Effects of Not Voting

The effect of not voting depends on how you own your shares. If you own shares directly, as a holder of record, rather than indirectly through a broker of record, your unvoted shares will not be represented at our meeting and will not count toward the quorum requirement. Assuming a quorum is obtained, your unvoted shares will not affect whether a proposal is approved or rejected. If you own shares through a broker and do not vote, your broker may represent your shares at the meeting for purposes of obtaining a quorum. As described below, if you own your shares through a broker and you do not vote, your broker may or may not vote your shares, depending upon the proposal.

If you own your shares through a broker and you do not vote, your broker may vote your shares at its discretion on “routine matters.” However, with respect to other proposals, a broker may not vote a non-voting shareholder’s shares. With respect to proposals on which a broker may not vote a non-voting shareholder’s shares, the aggregate number of non-voted shares is reported as “broker non-votes” (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) and counted only for purposes of determining a quorum.

If you do not vote your shares on Proposal 1 (Election of Directors) and Proposal 3 (Incentive Plan Amendment), your brokerage firm cannot vote them for you and they will remain unvoted. Therefore, it is very important that you vote your shares for all proposals including the election of directors. Proposal 2 (Ratification of Auditors) set forth in this

proxy statement is a routine matter on which brokers will be permitted to vote “broker non-votes” shares.

3

Direct Ownership

For the purpose of determining how to vote your shares at the 2012 Annual Shareholders' Meeting, registered holders of record are deemed to have "direct ownership" over their Mannatech shares if they hold their shares directly in their name. This is typically evidenced by the receipt of our mailings directly from us or from our transfer agent, Computershare.

Beneficial Ownership

For the purposes of determining how to vote your shares at the 2012 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you: (i) previously deposited your stock certificates with a broker; (ii) purchased your shares directly through a broker; or (iii) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder's receipt of our mailings from either a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc.

As a beneficial owner, a shareholder still holds Mannatech shares, but neither we nor our transfer agent has access to any list of individual shareholders' names from the various brokers of record. The only information our transfer agent has concerning shareholders who own stock through a broker is the broker's name, the aggregate total number of shares held by each broker on behalf of their clients, and the aggregate number of votes cast for any of our proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions. As a result, a shareholder should always read all the information provided in each of the proxy information packets received and follow the specific voting instructions enclosed in each packet with respect to applicable telephone numbers, Internet addresses, mailing addresses, and attending or voting at the 2012 Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet, such shareholder's shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in such shareholder's proxy information packet to ensure such shareholder's vote for all of its owned shares is properly included in the tabulation of votes for our meeting.

Beneficial shareholders are also instructed to read their proxy-voting card instructions given to them by their brokers or their brokers' solicitors prior to the meeting in order to obtain instructions on how to vote at the meeting. If a beneficial shareholder does not follow the brokers' specific instructions, our Inspector of Elections is not allowed to count such beneficial shareholder's vote by ballot at the 2012 Annual Shareholders' Meeting.

Tabulating the Votes

A representative from Broadridge Financial Solutions, Inc., which will act as our Inspector of Elections, is responsible for tabulating the votes for the 2012 Annual Shareholders' Meeting. The presence, in person or by proxy, of the holders of at least a majority of the shares of our common stock outstanding as of April 5, 2012, our record date, is necessary to establish a quorum for the 2012 Annual Shareholders' Meeting. Abstentions and "broker non-votes," if any, will be counted as shares present and entitled to vote for purposes of determining a quorum for the 2012 Annual Shareholders' Meeting. A "broker non-vote" occurs when brokers do not receive a properly executed proxy and, therefore, have not been given discretionary power to vote shares on behalf of the beneficial holders thereof. If a proxy-voting card is signed by the shareholder but submitted without specific voting instructions, the shareholder's vote will automatically be counted as a vote "FOR" Proposal 1 (Election of Directors), Proposal 2 (Ratification of Auditors), and Proposal 3 (Incentive Plan Amendment).

For Proposal 1 (Election of Directors) — Assuming a quorum is obtained, our Class I directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2012 Annual Shareholders' Meeting and entitled to vote. This means that the three nominees receiving the highest number of affirmative votes at the meeting will be elected as our three Class I directors. Votes marked "FOR ALL" will be counted in favor of all nominees. Votes marked "WITHHOLD ALL" will be counted against all nominees. To specify differently, a shareholder must check the "FOR ALL EXCEPT" box and then write the names of the nominees for whom the shareholder wishes to vote against. Votes marked "WITHHOLD ALL" have no effect on the vote since a plurality of the votes is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at the meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "FOR ALL EXCEPT" box and identify each of the nominees for which the shareholder does not wish to vote in the space provided. The shareholder will then be allowed to write-in only as many nominees as the shareholder has withheld votes from. For example, if there are a total of three nominees listed on the ballot and the shareholder wishes to withhold its vote for two of the three nominees, the shareholder should list the names of the two nominees for whom the vote is withheld and write-in up to two additional names for nominees to the Board.

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2012 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2 (Ratification of Auditors), the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2012, will be approved. Votes marked "FOR" Proposal 2 (Ratification of Auditors) will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2012. An abstention from voting on Proposal 2 (Ratification of Auditors) will be treated as a vote against the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2012.

For Proposal 3 (Incentive Plan Amendment) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2012 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 3 (Incentive Plan Amendment), our 2008 Stock Incentive Plan will be amended to increase the number of shares of common stock subject to the plan by 100,000. Votes marked "FOR" Proposal 3 (Incentive Plan Amendment) will be counted in favor of amendment of the 2008 Stock Incentive Plan to increase the number of shares of common stock subject to the plan by 100,000. An abstention from voting on Proposal 3 (Incentive Plan Amendment) will be treated as a vote against Proposal 3 (Incentive Plan Amendment). A broker non-vote will be treated as a vote against Proposal 3 (Incentive Plan Amendment).

(THE BOARD RECOMMENDS A VOTE "FOR" ALL PROPOSALS.)

"Say on Pay" and "Say on Frequency" — The Company is classified under the Securities and Exchange Commission (the "SEC") rules as a "smaller reporting company;" therefore, we are not subject to the new "say on pay" and "say on frequency" rules adopted under the Dodd-Frank Wall Street Reform and Consumer Protection Act until our 2013 Annual Shareholders' Meeting.

Solicitation of Proxy-Votes

We may solicit proxy-votes through the mail, in person, and by telecommunications. We will bear all expenses in preparing, printing, and mailing the proxy materials to our shareholders.

Admission and Voting at Our 2012 Annual Shareholders' Meeting

Voting at the 2012 Annual Shareholders' Meeting is limited to shareholders of record having evidence of ownership as of the record date, April 5, 2012. If your shares are NOT held in your name, we may require you to show evidence of your ownership at our meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on April 5, 2012, such as your April 2012 brokerage statement or a printout of shares held at the close of April 5, 2012. At our 2012 Annual Shareholders' Meeting,

shareholders of record will be given a ballot upon verification of stock ownership.

We will not allow any cameras or recording equipment in the meeting room. As a courtesy and as time permits, we will provide a brief question and answer period for our shareholders of record.

Shareholders of record will be given ballots upon verification of stock ownership. REMEMBER that beneficial shareholders must obtain a power of attorney form or legal proxy from their brokers prior to the meeting in order for their votes by ballot to be counted since their brokers may have already reported their shares as “broker non-votes”. Prior to our May 30, 2012 meeting, beneficial shareholders are strongly urged to read their proxy-voting card instructions on how to vote at our 2012 Annual Shareholders’ Meeting. They should also contact their brokers by the Monday prior to our 2012 Annual Shareholders’ Meeting to ensure they obtain the proper paperwork in order to vote at our meeting. If a beneficial shareholder does not follow its broker’s instructions, our Inspector of Elections will not count such shareholder’s vote by ballot at the 2012 Annual Shareholders’ Meeting. The instructions are usually located on the back of each proxy-voting card.

Shareholder Procedures for Nominating Board Members or Introducing Proposals

a) For the 2012 Annual Shareholders’ Meeting

For the 2012 Annual Shareholders’ Meeting, the deadline for recommending a nominee for nomination to the Board expired on December 31, 2011. A shareholder of record is prohibited from writing in nominees for the Board on their proxy-voting card. However, a shareholder of record may write-in nominees for the Board on its ballot at the 2012 Annual Shareholders’ Meeting by following the instructions outlined above on pages 4 and 5, under the heading “Tabulating the Votes.” We reserve the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

The deadline for submitting written shareholder proposals that comply with all applicable provisions of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and are intended to be presented at our 2012 Annual Shareholders’ Meeting for inclusion in our proxy statement and proxy-voting card expired on December 31, 2011.

Subject and pursuant to Rule 14a-4(c)(1) under the Exchange Act, we have not been given notice of any shareholder proposals intended to be presented at the 2012 Annual Shareholders’ Meeting without inclusion in our proxy statement. Because we did not receive notice of any shareholder proposals intended to be presented at the 2012 Annual Shareholders’ Meeting by March 15, 2012, your properly executed proxy card will confer discretionary authority on the holder of your proxy to vote your shares, in the manner the holder so chooses, on any such shareholder proposals properly presented at the 2012 Annual Shareholders’ Meeting. The Board reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements. We also did not receive any nominees for directors from shareholders for the 2012 Annual Shareholders’ Meeting.

b) For our 2013 Annual Shareholders’ Meeting

Under our Fourth Amended and Restated Bylaws, dated August 8, 2001, as amended (our “Bylaws”), the Nominating and Governance Committee of our Board of Directors recommends all candidates for nomination to the Board. If a shareholder would like our Nominating and Governance Committee to consider specific candidates for nomination to the Board, a shareholder should deliver written notice to our Chief Financial Officer at our United States corporate headquarters, located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019, or by fax at (972) 471-7342. Written notice of such proposed candidates for director should be delivered no later than December 31, 2012 to allow the Board time to consider such persons for nomination at our 2013 Annual Shareholders’ Meeting. The written notice should include the candidates’ full name, age, biographical background, and qualifications.

Our Chief Financial Officer is required to forward all received written notices to our Nominating and Governance Committee. Our Nominating and Governance Committee consists of four independent directors who review each proposed candidate and submits a recommended list of proposed candidates to the Board. The Board then approves a list of proposed candidates, which are the only nominees that are listed on our ballot, the proxy-voting card, and our proxy statement on Schedule 14A. We expect to file our 2013 proxy statement with the SEC on or before April 30, 2013.

Proposals by shareholders that comply with all applicable provisions of Rule 14a-8 under the Exchange Act and are intended to be presented at our 2013 Annual Shareholders' Meeting must be delivered in writing to our Chief Financial Officer at our United States corporate offices, on or before December 19, 2012, in order to be eligible for inclusion in our 2013 proxy statement and proxy-voting card.

Subject to and pursuant to Rule 14a-4(c)(1) under the Exchange Act if a shareholder proposal is intended to be presented at our 2013 Annual Shareholders' Meeting without inclusion in our 2013 proxy statement, and notice of such proposal is not submitted in writing to our Chief Financial Officer by March 4, 2013, then with regard to any such shareholder proposals, a properly executed proxy card for our 2013 Annual Shareholders' Meeting will confer discretionary authority on the holder of a shareholder's proxy to vote such shareholder's shares in the manner the proxy holder so chooses. However, the Board reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

A copy of our Bylaws is published on our corporate website or may be obtained upon written request to our Chief Operating Officer, Chief Legal Officer, and Corporate Secretary, Mr. B. Keith Clark, at our United States headquarters located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019. In addition, our Bylaws were furnished as Exhibits 3.2 and 3.1 to our Form 10-K and Form 8-K, respectively, filed with the SEC on March 16, 2007 and December 6, 2007, respectively.

PROPOSAL 1 — ELECTION OF DIRECTORS

Our Bylaws provide for a classified Board of Directors, divided into three staggered classes – I, II, and III. The terms of office for each of these classes are scheduled to expire on the date of our annual shareholders' meeting in 2012, 2013, and 2014, respectively. All of our Class I directors are up for election at the 2012 Annual Shareholders' Meeting.

Nominees. The Board has nominated Messrs. Gerard E. Gilbert, Larry A. Jobe, and Marlin Ray Robbins as nominees for election as our Class I directors. Once elected, each of our Class I directors' terms will expire on the earlier of the date of our 2015 Annual Shareholders' Meeting or the date of such director's disqualification, resignation, death, or removal. The nominees' biographical information is as follows:

- Gerald E. Gilbert has served as a Class I director since June 2003 and he is the Chairman of the Compliance Committee. His current term as director expires in 2012. (THE BOARD RECOMMENDS A VOTE “FOR ALL” TO ELECT ALL THREE OF THESE NOMINEES.)

PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Neither our Articles of Incorporation, Bylaws nor any other applicable legal requirements require shareholder ratification of the selection of our independent registered public accounting firm. However, the Board, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. The Board is seeking shareholder ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012.

Our Audit Committee appoints our independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, the estimated audit fees, and any non-auditing services that are performed by the independent registered public accounting firm.

Representatives from BDO USA, LLP will attend the 2012 Annual Shareholders' Meeting and will have the opportunity to make a statement, if they so desire. They will also be available to respond to any appropriate questions from our shareholders.

Pre-Approval Policies and Procedures

Our Audit Committee must preapprove all services provided by our independent registered public accounting firm. The non-audit services, specified in Section 10-A(g) of the Exchange Act may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related services, and routine tax services takes place at an Audit Committee meeting. In addition, during the course of the year, requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by our Audit Committee, except for those qualifying for the "de minimis exception." The de minimis exception provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided constitutes not more than 5% of the total fees paid to our independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of our Audit Committee.

Our Audit Committee may delegate to its Chairman the authority to grant pre-approvals. In such event, the decisions of the Chairman of the Audit Committee regarding pre-approvals will then be presented to our full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to our Chief Financial Officer prior to each Audit Committee annual planning meeting. The revised estimate is then reviewed at our Audit Committee annual planning meeting.

Fees Paid to Our Independent Registered Public Accounting Firm

For the years ended December 31, 2011 and 2010, we were billed the following fees by our current independent registered public accounting firm, BDO USA, LLP (formerly, BDO Seidman, LLP), as follows:

Type of Service	2011	2010
	(in thousands)	
Audit Fees, including the audit of our consolidated financial statements and annual report on Form 10-K, assessment of our internal control over financial reporting in compliance with Section 404 of the Sarbanes-Oxley Act of 2002, when applicable, review of our quarterly financial statements and quarterly reports filed on Form 10-Q, and international statutory audits	\$ 759	\$ 779
Audit-Related Fees, including fees related to the annual audit of employee 401(k) benefit plan	15	23
Tax Fees, including fees for tax services, tax advice, transfer pricing, state, and international tax consultation	140	235
All Other Fees, related to all other services including expatriation issues and miscellaneous consulting and advisory services	—	—
Total Fees	\$ 914	\$ 1,037

The “de minimis exception” described above was not used for any fees paid to BDO USA, LLP in 2011 and 2010. All fees were pre-approved by our Audit Committee. As of April 9, 2012, we were advised by BDO USA, LLP that neither the firm, nor any member of its firm, had any direct or indirect financial interest in any capacity in our Company. The members of our Audit Committee believe the payment of all fees set forth above did not prohibit BDO USA, LLP from maintaining its independence.

(THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED ACCOUNTING FIRM.)

PROPOSAL 3 — INCENTIVE PLAN AMENDMENT

Our shareholders are asked to approve an amendment to the 2008 Stock Incentive Plan (the “2008 Plan”) to increase the number of shares of common stock subject to the 2008 Plan by 100,000. The 2008 Plan was adopted by our Board on February 22, 2008 and approved by the Company’s shareholders on June 18, 2008 at the 2008 Annual Shareholders’ Meeting.

The 2008 Plan replaced our 2000 Stock Option Plan (the “Prior Plan”). As originally adopted, the 2008 Plan had 100,000 shares of common stock reserved for issuance, plus all available but unissued shares under the Prior Plan. In addition, shares underlying awards granted under the Prior Plan that were outstanding on the effective date of the 2008 Plan and that subsequently expire by their terms, are terminated or forfeited without having been exercised in full are returned to the pool of shares reserved for issuance under the 2008 Plan. As of April 18, 2008, there were 71,551 shares issuable under the Prior Plan upon exercise of outstanding options and 2,339 shares remaining available for future issuance.

At the Company’s 2010 Annual Shareholders’ Meeting held on June 9, 2010, the Company’s shareholders approved amendments to the 2008 Plan to permit a one-time stock option exchange program that allowed eligible optionholders (including employees, officers and members of the Board) to exchange their “out of the money” stock options for fewer replacement options at a lower exercise price. Under the program, conducted on July 16, 2010 through August 13, 2010, optionholders exchanged 78,493 out of the money stock options for replacement options to purchase 44,056 shares of common stock. All shares underlying the exchanged options were returned to the pool of shares reserved for issuance under the 2008 Plan.

As of the record date, options to purchase an aggregate of 124,265 shares of common stock were outstanding, no shares of unvested restricted stock awards were outstanding, and 46,658 shares were available for grants of awards under the 2008 Plan.

On March 21, 2012, the Board approved an amendment to the 2008 Plan, subject to shareholder approval, to increase the number of shares reserved for issuance by 100,000, thereby increasing the total number of shares issuable under the 2008 Plan from 170,923 to 270,923. The total number of shares issuable under the 2008 Plan includes shares subject to awards granted under the Prior Plan that were outstanding on the effective date of the 2008 Plan and that were subsequently terminated, forfeited, or that expired by their terms and thereafter returned to the pool of shares available for grant and issuance under the 2008 Plan. Subject to shareholder approval, the Company plans to register the additional 100,000 shares reserved under the 2008 Plan on a Registration Statement on Form S-8.

The following description of the 2008 Plan is a summary of its key provisions and is qualified by reference to the complete text of our 2008 Plan. A copy of the 2008 Plan is attached to this proxy statement as Appendix B.

General Description. The purpose of our 2008 Plan is to enhance our ability and the ability of our affiliates to obtain and retain the services of the types of employees, consultants, and directors (collectively the “Participants”) who will contribute to our long-range success and to provide incentives that are linked directly to increases in share value, which will inure to the benefit of all of our shareholders. Pursuant to the 2008 Plan, eligible recipients may be granted one or more of the following awards: stock options and restricted stock (each an “Award”). Options granted under the

2008 Plan may be either “incentive stock options,” as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”), or non-statutory stock options.

Administration. The Board administers the 2008 Plan.

Shares Reserved. The shares with respect to which Awards may be made under the 2008 Plan are authorized but unissued shares of our common stock and shares of our common stock that we have reacquired. The maximum aggregate number of shares of common stock that may be issued upon exercise of all Awards under the 2008 Plan is currently 100,000 shares plus any shares that were reserved under the Prior Plan but not yet subject to issued awards and any shares of our common stock underlying awards granted pursuant to the Prior Plan prior to the effective date of the 2008 Plan that expire, are forfeited or terminate for any reason without having been exercised in full.

Eligibility. Awards other than incentive stock options may be granted to the employees, directors, and consultants, of the Company and our parent companies and subsidiaries. Incentive stock options may be granted only to the employees of the Company and its subsidiaries. The Board, in its discretion, approves all Awards to be granted under the 2008 Plan. As of April 19, 2012, we had approximately 380 employees and seven non-employee directors who would be eligible to participate in the 2008 Plan.

Transferability of Awards. Unless otherwise determined by the Board, most Awards granted under the 2008 Plan are not transferable other than by a domestic relations order, the laws of descent and distribution or certain limited not-for-value transfers to family members.

Limitation on Awards. Under the 2008 Plan, no employee may be granted Awards covering more than 50,000 shares during any single fiscal year.

Stock Options

Exercise Price. The Board determines the exercise price of options at the time the options are granted. Subject to certain exceptions, no stock option, including an incentive stock option, may have an exercise price less than the fair market value of a share of the Company's common stock on the date of grant. The exercise price of an incentive stock option granted to a ten percent shareholder may not be less than 110% of the fair market value of a share of the Company's common stock on the date of grant of such option. The fair market value of a share of the Company's common stock is generally determined to be the closing sales price as quoted on the NASDAQ Global Market for the date the value is being determined. As of April 12, 2012, the market value of a share of the Company's common stock was \$4.38.

Exercise of Option; Form of Consideration. The Board determines at the time of grant when options become exercisable. The means of payment for shares issued upon exercise of an option include cash, certified or bank check, or wire transfer, and such other payment methods as may be specified by the Board, including tender of Company shares previously owned by the exercising optionholder or broker-assisted same-day sale.

Term of Option. The term of an option may not be more than ten years from the date of grant. The term of an incentive stock option granted to a ten percent shareholder may not be more than five years from the date of grant. No option may be exercised after the expiration of its term.

Vesting. Each option granted under the 2008 Plan will become vested and exercisable pursuant to the vesting schedule set forth in the applicable option agreement, as determined by the Board.

Termination of Service. Unless otherwise provided in an option agreement or in an employment agreement, the terms of which have been approved by the Board, if an optionholder's service to the Company as an employee, consultant, or director terminates for any reason other than for death, disability, or for cause, such optionholder's vested options will remain exercisable for a period of time ending on the earlier of i) the date three months following the termination of the optionholder's service or ii) the expiration of the term of the option as set forth in the applicable option agreement. Unless otherwise provided in an option agreement or in an employment agreement, the terms of which have been approved by the Board, in the event that an optionholder's service to the Company as an employee, consultant, or director terminates as a result of the optionholder's death or disability, such optionholder's vested options will remain exercisable for a period of time ending on the earlier of i) the date that is twelve months following the termination of such optionholder's service or ii) the expiration of the term of the option as set forth in the applicable option agreement. If an optionholder's service to the Company as an employee, consultant or director is terminated by the Company for cause, all of such optionholder's outstanding options, whether or not vested, shall be forfeited and expire

as of the beginning of business on the date of the termination of such optionholder's service for cause.

Repricing. Options may not be repriced, replaced, or regranted through cancellation or modification without shareholder approval.

Restricted Stock Awards

The Board may grant Awards of restricted stock, consisting of actual shares of the Company's common stock, at its discretion.

Restrictions. At the time a grant of restricted stock is made, the Board may establish a restricted period applicable to the restricted stock during which the shares of restricted stock may not be sold, assigned, transferred or otherwise disposed of. The restricted period may expire upon the passage of time or the attainment of performance objectives as the Board, in its sole discretion, determines.

Consideration. The consideration for Awards of restricted stock is paid either: i) in cash at the time of purchase or ii) in any other form that may be acceptable to the Board in its discretion including, without limitation, property, a stock for stock exchange or prior services that the Board determines have a value at least equal to the fair market value of such restricted stock.

Vesting. Restricted stock granted pursuant to the 2008 Plan will vest pursuant to the vesting schedule established in the applicable restricted stock award agreement. The Board at its discretion may provide for an acceleration of vesting in the terms of any restricted stock award agreement, at any time, including in the event a change in control of the Company occurs.

Termination of Service. Unless otherwise provided in a restricted stock award agreement or in an employment agreement the terms of which have been approved by the Board, in the event a grantee's service to the Company as an employee, consultant, or director terminates for any reason, the grantee will forfeit all shares of restricted stock which have not vested as of the date of such termination under the terms of the applicable restricted stock award agreement and shall have no rights with respect to such shares of restricted stock.

Transferability. Restricted stock is transferable by the holder thereof only upon such terms and conditions as set forth in the applicable restricted stock award agreement.

Repurchase Right. Each restricted stock award agreement may provide that, following the termination of a grantee's service to the Company as an employee, consultant, or director, the Company will have the right to repurchase such grantee's unvested shares of restricted stock acquired under the 2008 Plan. The Company's right to repurchase unvested restricted stock is exercisable at a price equal to the lesser of the purchase price at which such restricted stock award was acquired under the 2008 Plan or the fair market value of such restricted stock (if an award of restricted stock is granted solely in consideration of past services without payment of any additional consideration, the unvested restricted stock award will be forfeited without any repurchase). The restricted stock award agreement may specify the period of time following a termination of a grantee's service to the Company during which its right of repurchase may be exercised.

Adjustments on Changes in Capitalization, Merger, or Change in Control

Changes in Capitalization. In the event of any merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, stock split, dividend in property other than cash, liquidating dividend, combination of shares, exchange of shares, change in corporate structure, or other change to the Company's capital structure, appropriate equitable adjustments will be made to:

§ the aggregate number of shares of common stock or class of shares which may be purchased pursuant to Awards;

§ the number and/or class of shares of common stock covered by outstanding Awards;

§ the maximum number of shares of common stock with respect to which option awards may be granted to any single optionholder during any calendar year; and

§ the exercise price of any stock option in effect prior to such change.

Merger or Change in Control. In the event of a change in control, dissolution, liquidation or any corporate separation or division, including, but not limited to, a sale of all or substantially all of the assets of the Company or a merger or consolidation in which the Company is not the surviving entity, the Company, to the extent permitted by applicable law, but otherwise in the sole discretion of the Board, may provide for: i) the continuation of all outstanding Awards (if the Company is the surviving entity); ii) the assumption of the 2008 Plan and all outstanding Awards by the

surviving entity; iii) the substitution by the surviving entity of Awards with substantially the same terms for all outstanding Awards; iv) the cancellation of all outstanding Awards in exchange for consideration; or iv) the cancellation of all outstanding Awards without payment of any consideration.

Amendment and Termination of the 2008 Plan. The Board may amend, alter, suspend or terminate the 2008 Plan, or any part thereof, at any time and for any reason. However, it must obtain shareholder approval for any amendment to the 2008 Plan to the extent necessary and desirable to comply with any applicable laws of any securities exchange listing requirements. Generally, no such action by the Board or shareholders may alter or impair any Award previously granted under the 2008 Plan without the written consent of the grantee. The 2008 Plan will terminate on February 21, 2018, unless terminated earlier by the Board.

Federal Income Tax Consequences of the 2008 Plan

The following is a discussion of material United States federal income tax consequences to participants in the 2008 Plan. This discussion is based on statutory provisions, Treasury regulations thereunder, judicial decisions, and rulings of the Internal Revenue Service in effect on the date of this proxy statement. This discussion does not purport to be complete, and does not cover, among other things, state, local, or foreign tax treatment of participation in the 2008 Plan. Furthermore, differences in participants' financial situations may cause federal, state, and local tax consequences of participation in the 2008 Plan to vary.

Non-Statutory Stock Options. Under current federal income tax law, the grant of a non-statutory stock option with an exercise price at or above fair market value under the 2008 Plan will have no federal income tax consequences to the Company or the participant. Generally, upon exercise of a non-statutory stock option, the excess of the fair market value of the Company's common stock at the date of exercise over the exercise price, which is referred to as the "Spread," is taxable to the participant as ordinary income. All amounts taxable to a participant are deductible by the Company as compensation expense. The deduction will be allowed for the taxable year of the Company which includes the end of the taxable year in which the participant includes an amount in income.

Code Section 162(m) generally denies us a tax deduction for compensation that exceeds \$1 million paid in a taxable year to our chief executive officer and each of our three highest compensated officers (other than our chief executive officer and our chief financial officer), subject to an exception for “performance-based compensation” as defined in Section 162(m). The 2008 Plan provides for granting stock options to executive officers who may be subject to Section 162(m) in a manner that is intended to satisfy the performance-based compensation exception. The Company reserves the authority, however, to award non-deductible compensation as it deems appropriate. In addition, notwithstanding the Company’s efforts, ambiguities and uncertainties regarding the application and interpretation of Section 162(m) make it impossible to provide assurance that performance-based compensation will, in fact, satisfy the requirements for deductibility under Section 162(m). Thus, Section 162(m) could limit the Company’s deductibility of compensation related to the exercise of options granted in the future under the 2008 Plan.

Generally, the shares received on exercise of a stock option under the 2008 Plan are not subject to restrictions on transfer or risks of forfeiture and, therefore, the participant will recognize income on the date of exercise of a non-statutory stock option. However, if the optionholder is subject to Section 16(b) of the Exchange Act, the Section 16(b) restriction will be considered a substantial risk of forfeiture for tax purposes. Under current law, employees who are either directors or officers of the Company will be subject to restrictions under Section 16(b) of the Exchange Act during their term of service and for up to six months after termination of service. SEC Rule 16b-3 provides an exemption from the restrictions of Section 16(b) for the grant of derivative securities, such as stock options, under qualifying plans. Because the 2008 Plan will satisfy the requirements for exemption under SEC Rule 16b-3, the grant of Awards will not be considered a purchase and the exercise of the Awards to acquire the underlying shares of the Company’s common stock will not be considered a purchase or a sale. Thus, ordinary income will be recognized and the Spread will be measured on the date of exercise.

The taxable income resulting from the exercise by an employee of a non-statutory stock option will constitute wages subject to withholding and the Company will be required to make whatever arrangements are necessary to ensure that funds equaling the amount of tax required to be withheld are available for payment, including the deduction of required withholding amounts from the employee’s other compensation and requiring payment of withholding amounts as part of the exercise price. The participant’s tax basis for the Company common stock acquired is the sum of the exercise price and the taxable income recognized. A participant will recognize gain or loss on the subsequent sale of shares acquired upon exercise of a non-statutory stock option in an amount equal to the difference between the amount realized and the tax basis of the shares. The gain or loss will be long-term or short-term capital gain or loss, depending upon whether the shares have been held for more than one year.

Incentive Stock Options. There are no federal income tax consequences to the Company or the employee as a result of the grant of an incentive stock option. The optionholder also will not recognize income when the incentive stock option is exercised. However, this incentive stock option treatment is available only if the participant has been an employee of the Company or its subsidiaries within three months of the date of exercise. Generally, the Company receives no deduction at the time of exercise.

In the event of a disposition of shares acquired upon exercise of an incentive stock option, the tax consequences depend upon how long the employee has held the shares. If the employee does not dispose of the shares within two years after the incentive stock option was granted, or within one year after the incentive stock option was exercised and shares were purchased, then the employee should recognize the Spread as income characterized as long-term capital gain or loss. The Company is not entitled to any deduction under these circumstances.

If the participant fails to satisfy either of the foregoing holding periods, then he or she must recognize ordinary income in the year of disposition, which is referred to as a “disqualifying disposition.” The amount of the ordinary income generally is determined under the rules applicable to non-statutory stock options (see above) based on the Spread at the date of exercise. However, the ordinary income will in no event exceed the amount of the gain realized on the sale, provided that the disposition involves an arm’s-length sale or exchange with an unrelated party. Any gain in excess of

the amount taxed as ordinary income will be treated by the participant, as capital gain and loss. The Company, in the year of the disqualifying disposition, is entitled to a deduction equal to the amount of ordinary income recognized by the participant.

The Spread under an incentive stock option is treated as an adjustment in computing alternative minimum taxable income for the year of exercise. A subsequent disqualifying disposition of shares acquired upon exercise of an incentive stock option will eliminate the alternative minimum taxable income adjustment if the disposition occurs in the same taxable year as the exercise. A disqualifying disposition in a subsequent taxable year will not affect the alternative minimum tax computation in the earlier year.

Payment of Option Exercise Price in Shares. To the extent the participant pays all or part of the option exercise price of a non-statutory stock option by tendering shares of common stock owned, the tax consequences described above apply except that no income will be recognized on the number of shares of common stock received upon exercise which is equal to the number of shares surrendered in payment of the option exercise price and the exchanged shares will have the same tax basis and holding periods as the shares surrendered. The additional shares of common stock received upon exercise will have a tax basis equal to the amount of ordinary income recognized on exercise and a holding period which commences on the day following the date of recognition of the income. Under Treasury regulations, if an employee exercises an incentive stock option by tendering shares of Company common stock previously acquired by the exercise of an incentive stock option that have not satisfied statutory holding period requirements, a disqualifying disposition will occur and the employee will recognize income and be subject to other basis allocation and holding period requirements.

Restricted Stock Awards. Stock granted under the 2008 Plan may, in the determination of the Board, be subject to rights of repurchase and other transfer restrictions. The tax consequences of stock granted under the 2008 Plan depends on whether the stock is subject to restrictions and if so, whether the restrictions are deemed to create a “substantial risk of forfeiture” under Code Section 83 (for example, stock granted under the 2008 Plan which is subject to our right to repurchase the stock at a price that is less than fair market value which right lapses over a period of continued employment is considered a “substantial risk of forfeiture” under Section 83).

If stock is not subject to a “substantial risk of forfeiture,” the participant normally will recognize taxable ordinary income equal to the value of the stock in the year in which the stock is granted less the amount paid for that stock. If the stock is subject to a “substantial risk of forfeiture,” the participant normally will recognize taxable ordinary income as and when the “substantial risk of forfeiture” lapses, in the amount of the fair market value of the shares no longer subject to the “substantial risk of forfeiture” less the amount paid for the stock. Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for the stock plus any amount recognized as ordinary income upon grant or vesting of the stock. The gain or loss will be long or short-term depending on how long the recipient held the stock.

A recipient of stock subject to a “substantial risk of forfeiture” may make an election under Code Section 83(b) to recognize ordinary income in the year the recipient purchases or receives the restricted stock, rather than waiting until the “substantial risk of forfeiture” lapses. If the stock recipient makes a Section 83(b) election, the recipient will be required to recognize as ordinary income in the year the recipient purchases or receives the stock the difference between the fair market value of the stock on the purchase or grant date and the purchase price paid, if any. If the stock recipient makes a Section 83(b) election, the recipient will not be required to recognize any income when the “substantial risk of forfeiture” lapses.

Generally, with respect to employees, the Company is required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) and the satisfaction of a tax reporting obligation, the Company will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the stock recipient.

Compliance with Section 409A of the Code. Code Section 409A imposes requirements on nonqualified deferred compensation plans. The requirements include the timing of elections to defer, the timing of distributions and prohibitions on the acceleration of distributions. Failure to satisfy these requirements may result in the immediate taxation of the arrangement when there is no longer a substantial risk of forfeiture, the imposition of an additional 20% income tax on the participant and the possible imposition of penalty interest on the unpaid tax. Treasury regulations generally provide that the type of Awards provided under the 2008 Plan will not be considered nonqualified deferred compensation. However, some Awards could be covered by Section 409A. For example, the

grant or modification of a stock option with an exercise price less than the fair market value of the underlying common stock on the date of grant could constitute nonqualified deferred compensation. In that event, the Board normally would expect to design and administer that Award in a manner that ordinarily should avoid adverse federal income tax consequences under Section 409A to any affected participant. Notwithstanding the foregoing, the 2008 Plan expressly provides that there is no commitment or guarantee that any federal, state, or local tax treatment will apply or be available to any person who participates or is eligible to participate in the 2008 Plan.

New 2008 Plan Benefits

The number of Awards that will be received by or allocated to the Company's executive officers, directors, employees, and consultants under the 2008 Plan if the amendment were approved by shareholders is undeterminable because the Awards under the 2008 Plan are discretionary.

Mrs. Wier's executive experience at Encyclopedia Britannica and director service at NICOR Inc., a publicly traded gas utility company, provide her with an understanding of corporate governance issues and make her a valued member of the Board.

Consideration of Director Nominees

Although the Board has not formally established criteria for Board membership, the Board does consider several factors before recommending a candidate for Board membership. These factors include the following:

- the experience level, mix of skills and other business qualities a potential nominee may possess;
 - the general experience and skill levels of current Board members;
 - the potential nominee’s experience with accounting rules and practices;
- the verification of background, work, and education of a potential nominee; and
- other factors as the Nominating and Governance Committee may deem in the best interests of our shareholders.

In addition, the Nominating and Governance Committee will recommend director candidates in order to ensure that:

- a majority of the Board of Directors are “independent” as defined by NASDAQ and SEC rules;
- each of the Audit, Compensation and Stock Option Plan, and Nominating and Governance Committees are comprised entirely of independent directors; and
- at least one member of the Audit Committee has the experience, education and qualifications necessary to qualify as an “audit committee financial expert” as defined by the SEC.

The Nominating and Governance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The Nominating and Governance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the Nominating and Governance Committee’s procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a director for re-election, the Nominating and Governance Committee will also consider the director’s past performance on the Board. The Nominating and Governance Committee will evaluate all proposed director candidates based on the same criteria, with no regard to the source of the initial recommendation of the proposed director candidate.

The Nominating and Governance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating and Governance Committee believe it is important that Board members represent diverse viewpoints. In considering candidates, the Nominating and Governance Committee considers the entirety of each candidate’s credentials, including such candidate’s diverse skills, experience and qualifications.

Board Leadership Structure and Role in Risk Oversight

Meetings of the Board are presided over by the Chairman of the Board, currently Mr. Fredrick. Our Bylaws do not require that the Chairman be independent. However, the Board believes in the separation of the Chairman and CEO roles. Therefore, these positions have been separated. Most important among the considerations was that the separation of the Chairman and CEO positions allows our CEO to focus on operational issues and the Chairman to focus on governance and other related issues.

Each member of the Board is sophisticated and has significant business experience. In addition, we believe that the effectiveness of the Board is enhanced by having separate Chairman and CEO positions.

It is management's responsibility to manage risk and bring to the Board's attention any material risks facing the Company. The Board as a whole and through its committees, regularly reviews various areas of significant risk, and advises and directs management on the scope and implementation of policies, strategic initiatives and other actions designed to mitigate various types of risks. Specific examples of risks primarily overseen by the full Board include competition risks, industry risks, economic risks, liquidity risks, business operations risks, regulatory risks and risks posed by significant litigation matters. Our Audit Committee regularly discusses with management and the independent auditors significant financial risk exposures and the processes management has implemented to monitor, control and report such exposures. Specific examples of risks primarily overseen by the Audit Committee include risks related to the preparation of the Company's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act of 2002, accounting, financial and auditing risks, matters reported to the Audit Committee through the internal audit department and through anonymous reporting procedures.

Our Executive Officers and designated officials may be given access to such shareholder communications with the Board, except in instances in which the charters of our committees require anonymity.

Code of Ethics

In order to help promote the highest levels of business ethics, the Board adopted a Code of Ethics for our executive officers and directors in 2003. The Code of Ethics was amended in April 2006 and is published on our corporate website at www.mannatech.com. Any change in or waiver from and the grounds for such change or waiver of our Code of Ethics shall be promptly disclosed by publishing such change or waiver on our corporate website at www.mannatech.com. Our Code of Ethics applies to all of our executive officers and directors. Our Code of Ethics was designed to ensure that our business is conducted in a consistent legal and ethical manner and sets forth guidelines for all areas of professional conduct, including conflicts of interest, employment policies, protection of confidential information, and fiduciary duties.

Compensation of Directors

We compensate our non-employee directors for serving and participating on the Board, for chairing committees, and for attending Board and Board committee meetings. However, we do not compensate our employee directors for serving on the Board. Our Nominating and Governance Committee reviews the compensation of our non-employee directors and recommends to the Compensation and Stock Option Plan Committee any changes to director compensation that the Nominating and Governance Committee deems appropriate. Our Compensation and Stock Option Plan Committee then reviews such recommendations and after due deliberation and consideration approves any such changes it deems appropriate and recommends them to the Board. The Board then reviews such recommendations and after due deliberation and consideration approves any such changes it deems appropriate. Non-employee director fees during 2011 were as follows:

	Board Member	Audit Committee	Compensation and Stock Option Plan Committee	Nominating and Governance Committee	Compliance Committee	Science Committee
Chairman fee(1)	\$ 372,910	\$ 20,000	\$ 7,500	\$ 7,500	\$ 7,500	\$ 7,500
Independent director retainer(1)	\$ 35,000	\$ —	\$ —	\$ —	\$ —	\$ —
In-person meeting fee	\$ 1,000	\$ 1,000	\$ 1,000	\$ 1,000	\$ 1,000	\$ 1,000
Telephonic meeting fee	\$ 500	\$ 500	\$ 500	\$ 500	\$ 500	\$ 500
Re-elected Board members(2)	\$ 150,000	\$ —	\$ —	\$ —	\$ —	\$ —

-
- (1) The Chairman and director retainer fees are paid monthly during the calendar year.
- (2) Each non-employee director re-elected to the Board by our shareholders was granted \$150,000 in stock options based on the grant date market value of the common stock. The stock options are priced on the date of grant and expire in ten years. One-third of the stock options vest on the date of grant, another one-third of the stock options vest on the first anniversary date of grant, and the remaining one-third of the stock options vest on the second anniversary of the date of grant. Beginning in 2012, each non-employee director re-elected to the Board by our shareholders will be granted 5,000 stock options. The stock options are priced on the date of grant and expire in ten years. One-third of the stock options vest on the date of grant, another one-third of the stock options vest on the first anniversary date of grant, and the remaining one-third of the stock options vest on the second anniversary of the date of grant.

All directors are reimbursed for any reasonable out-of-pocket travel expenses in connection with their travel to and attendance at any of the Board's meetings or committee meetings.

- (a) Represents the calculated stock-based compensation expense recognized in our consolidated financial statements for the fair value of the option awards in accordance with FASB ASC Topic 718 “Stock Compensation”. Assumptions made in the calculation of these amounts are included in Note 11 to our audited financial statements for the fiscal year ended December 31, 2011, included in our Annual Report on Form 10-K filed with the SEC on March 29, 2012.
- (b) Represents costs recognized in connection with our stock option exchange program and consists of 2011 expenses applicable to the surrendered options, the remaining unamortized compensation cost of the surrendered options, if any, prorated based on the number of days outstanding. There was no incremental stock option expense resulting from the exchange because the fair value of the replacement options was approximately equal to the fair value of the surrendered options they replaced.

Directors' Stock Ownership Guidelines

The Board voted to eliminate the non-employee independent director requirements for equity ownership, which had previously been suspended for the period between the June 2011 Annual Shareholders' Meeting and the May 2012 Annual Shareholders' Meeting. In prior years, each of our non-employee independent directors was required to own shares of our common stock equal in value to three times such director's annual board retainer within three years from the date of the director's election or re-election to the Board. However, in order to demonstrate to our shareholders and the investment community that our directors are personally committed to our success, our non-employee independent directors are encouraged to own shares of our common stock equal to three times the value of a director's annual board retainer.

COMPENSATION DISCUSSION & ANALYSIS

Executive Summary

This compensation discussion and analysis describes our compensation program for the year ended December 31, 2011 for our Named Executive Officers listed below, which we refer to collectively as our “Named Executive Officers”.

- Robert A. Sinnott, Ph.D. – CEO (December 2011 to present), Co-CEO (December 2009 to December 2011) and Chief Science Officer;
- Stephen D. Fenstermacher – Co-CEO (December 2009 to December 2011) and Chief Financial Officer (October 1999 to December 2011);
- B. Keith Clark – Chief Operating Officer, Chief Legal Officer, and Corporate Secretary; and
- Alfredo Bala – Executive Vice President, Sales & Marketing.

Mr. Fenstermacher and Dr. Sinnott were Named Executive Officers in 2011 based on their positions while the other individuals listed above were Named Executive Officers based on compensation earned in 2011.

Compensation Philosophy and Objective

The philosophy behind our executive compensation program is to maintain a fair, equitable, and competitive compensation package that will allow us to attract and retain top executive talent. In general, our executive compensation program for senior management, including our Named Executive Officers, consists of payment of an annual base salary; participation in our Management Non-Equity Incentive Bonus Plan; stock option awards; and certain benefits and perquisites. We do not allow loans to our officers or directors nor do we maintain any pension retirement program, other than our 401(k) Plan, for any of our employees or directors.

The Process of Setting Executive Compensation

All compensation related to our executive officers, including our Named Executive Officers, is approved by the Board based on recommendations made by our Compensation and Stock Option Plan Committee (the “Committee”). No member of the Committee is or has ever been one of our officers or employees.

In 2011, our Co-CEOs played a significant role in determining the compensation of each of our executive officers, including our Named Executive Officers (although the Co-CEOs did not determine their own compensation). Our Co-CEOs evaluated the performance of our other Named Executive Officers, established business performance targets and objectives for our other Named Executive Officers and recommended salary, bonus levels and option awards for our other Named Executive Officers to the Committee. The Committee discussed the recommendations with our Co-CEOs, as appropriate, and then made its recommendations to the Board.

While the Committee has a general understanding of the compensation practices of other companies, it has not historically established compensation levels based on benchmarking. While we recognize that our compensation practices must be competitive in the marketplace, such general marketplace information is just one of the many factors that we consider in assessing the reasonableness of compensation. During 2011, the Committee used the Co-CEOs’ recommendations and the Committee’s general familiarity with compensation paid in the marketplace to make salary adjustments to our Named Executive Officers. In 2011, we did not engage a compensation consultant.

We have developed a base salary range for our Named Executive Officers through evaluation of the following criteria:

- the Named Executive Officer's potential impact on our overall success;
- the Named Executive Officer's knowledge and experience level; and
- competitive compensation levels.

In 2011, based on all relevant factors, the Committee recommended and the Board approved the compensation package, including base salary, bonus and stock option awards, for each of our Co-CEOs. The Committee's recommendations were based on:

- the Co-CEO's performance targets and objectives;
- the Co-CEO's total compensation;
- the Co-CEO's prior salary levels; and
- competitive compensation levels.

The evaluation of each of our Co-CEO's performance for the fiscal year is based on the Co-CEO's success in achieving the performance goals and objectives which include financial, strategic and company culture/leadership goals. Once the Committee has completed its evaluation, it makes recommendations to the Board. The Board in its sole discretion may accept or reject the Committee's recommendations. Based on the results of the Committee's evaluation process, and a review of relevant data, the Board will then approve the Co-CEOs' compensation packages.

In 2011, the Committee also recommended and the Board approved the compensation package, including base salary, bonus and stock option awards, for our Named Executive Officers, other than the Co-CEOs. These recommendations were based on:

- the scope of the executive officer's responsibilities;
- internal comparisons to the compensation of other executive officers;
- evaluations of performance for the fiscal year, as submitted by the Co-CEOs; and
- the Co-CEOs' recommendations for base salary, bonus and stock option awards.

Each of our Named Executive Officers' functions is reviewed annually. In addition to our internal review process, the functions of our Named Executive Officers are also periodically compared with companies of our size and with our business model. We review the salary ranges each year as part of our annual budgetary process to ensure that they remain competitive. In 2011, the Committee did not identify a peer group of companies in considering increases in the base salary of each Named Executive Officer.

Components of Compensation

Prior to 2006, we had paid our Named Executive Officers 100% of their annual compensation in cash and have granted periodic discretionary stock option awards when the Committee determined that such grants were warranted based upon past performance and achievements. In 2006, we changed our compensation program to primarily include cash compensation, with stock option awards made upon hiring or promotion as described under the heading Long-Term Compensation below. Nonetheless, the Committee retains the discretion to make grants at other times based on performance or other considerations. For 2011, the primary components of compensation paid to our Named Executive Officers were as follows:

(a) Annual base salary. During each year, the Committee reviews the annual base salaries of our Named Executive Officers to ensure their salaries are reasonable based upon a number of factors, including corporate performance (to the extent such performance can fairly be attributed or related to each Named Executive Officer's performance), and the nature of each Named Executive Officer's responsibilities, capabilities, loyalties, and contributions. While no formal comparisons were done, we believe the annual base salaries of our Named Executive Officers are reasonable in relation to executive compensation practices of other similarly-sized companies and other companies within the same industry. The Committee does not apply any specific weighting to these factors in determining an executive's base salary. However, subject to the limitations found in each executive's employment agreement, the Committee may adjust an executive's base salary at its discretion.

In 2011, there were no increases to the base salaries of the Named Executive Officers. In conjunction with the January 2012 appointments to the Senior Executive Office and their respective positions, the Board increased the base salaries of Mr. Bala and Mr. Clark. See "Executive Employment Agreements" below for 2010, 2011, and 2012 salary schedules.

(b) **Bonus.** We award annual cash bonuses under our Management Non-Equity Incentive Bonus Plan for achievement of specified performance objectives within a specific performance period, which is typically one year or less. We make awards from an established incentive pool. The Committee determines the total size of our incentive pool by taking into account our financial performance. We believe this pool-based bonus system helps foster teamwork and ensures that all executives work collectively to improve our performance.

The net operating cash flow target (the “cash flow target”) for purposes of establishing the bonus pool is set on a periodic basis. The total pool available for our Named Executive Officers and other senior executives designated by the Committee is dependent upon achievement of the cash flow target. In 2011, the amount of the incentive pool was set at approximately 17% of the calculated cash flow target for the last half of 2011, with the calculated cash flow target defined as income from operations before depreciation and stock option expenses.

For 2011, the maximum bonus opportunity (expressed as a percentage of base salary) that could be earned as a bonus by each Named Executive Officer was as follows:

Named Executive Officer	Position	Potential Bonus (percentage of base salary)
Robert A. Sinnott, Ph.D.	CEO (December 2011 to present), Co-CEO (December 2009 to December 2011) and Chief Science Officer	30%
Stephen D. Fenstermacher	Co-CEO (December 2009 to December 2011) and Chief Financial Officer (October 1999 to December 2011)	30%
B. Keith Clark	Chief Operating Officer, Chief Legal Officer and Corporate Secretary	30%
Alfredo Bala	Executive Vice President, Sales & Marketing	30%

Due to the decline in sales and losses incurred in the last half of 2011, the cash flow target was not met and no bonuses were earned under our Management Non-Equity Incentive Bonus Plan.

For 2012, the Board has approved the following bonus opportunities for our Named Executive Officers and other senior executives designated by the Committee under the Management Non-Equity Incentive Bonus Plans:

1. **Net Operating Cash Flow Target.** This bonus opportunity is only available to senior executive officers. For 2012, the Board lowered the incentive pool available for meeting the cash flow target to 14% and established new criteria for earning this bonus. The bonus potential as a percentage of salary was increased in 2012 as compared to prior years due to the implementation of interim cash flow measures. Senior executive officers will be entitled to earn bonuses of up to 100% of their base salary if the Company meets all prescribed cumulative cash flow targets for 2012, which are measured at the end of the second quarter, at the end of the third quarter and on an annual basis. Senior executive officers will be eligible for 25% of the bonus if the Company reaches its cash flow target at the end of the second quarter, another 25% of the bonus if the Company reaches its cash flow target at the end of the third quarter and the remaining 50% of the bonus if the Company reaches its annual cash flow target for 2012. If the cash flow target is not achieved during the prescribed period, the Named Executive Officers and other participating senior executives lose the

ability to earn the prescribed bonus opportunities for such period, thereby reducing the maximum bonus opportunity.

The following table represents the 2012 cash flow targets and bonus opportunities:

2012 Cash Flow Targets

	End of 2nd Quarter	End of 3rd Quarter	End of Year
Cash Flow	\$3,200,000	\$6,300,000	\$9,750,000
Bonus Opportunity	25%	25%	50%

2. **Net Operating Income Targets.** The Board also established annual performance targets based on net operating income from operations (the “operating income targets”). This bonus opportunity is available to senior management of the Company (including our senior executive officers). Our Named Executive Officers and other senior management designated by the Committee will be eligible for a bonus if the Company achieves one of the three operating income targets as of the end of fiscal year 2012. To achieve a bonus opportunity, the actual net operating income for fiscal year 2012 must be equal to or greater than the annual performance target as set forth below. For example, if actual net operating income for fiscal year 2012 were \$2,500,000, the bonus opportunity would be 37% because the actual net operating income would exceed the second operating income target. For 2012, the Board set the amount of the incentive pool at approximately 29% of the calculated operating income target. The maximum potential bonus that an eligible executive will be entitled to receive under this bonus opportunity is 56% of his or her base salary.

The following table represents the 2012 net operating income targets and bonus opportunities:

2012 Net Operating Income Targets

	1st Target	2nd Target	3rd Target
Net Operating Income	\$1,000,000	\$2,000,000	\$2,900,000
Bonus Opportunity	19%	37%	56%

The Named Executive Officers and other senior executives participating in both bonus opportunities will be paid the greater of the bonus amounts achieved pursuant to the two bonus opportunities, but cannot be paid under both the cash flow target and operating income target bonus opportunities. For 2012, the maximum bonus opportunity (expressed as a percentage of base salary) that could be earned by each Named Executive Officer under each of the two bonus opportunities discussed above is as follows:

Named Executive Officer	Position	Maximum Potential Bonus (under cash flow target opportunity) (percentage of base salary)	Maximum Potential Bonus (under operating income target opportunity) (percentage of base salary)
Robert A. Sinnott, Ph.D.	CEO (December 2011 to present), Co-CEO (December 2009 to December 2011) and Chief Science Officer	100%	56%
Stephen D. Fenstermacher	Co-CEO (December 2009 to December 2011) and Chief Financial Officer (October 1999 to December 2011)	N/A	N/A
B. Keith Clark	Chief Operating Officer, Chief Legal Officer, and Corporate Secretary	100%	56%
Alfredo Bala	Executive Vice President, Sales & Marketing	100%	56%

(c) Long-Term Equity Compensation. We maintain stock incentive plans to reward our Named Executive Officers and other executives and employees for the attainment of certain goals and as an incentive for certain new hires. In 2006, we began awarding 2,000 stock options to each newly appointed or hired executive at the Vice President level and 3,000 stock options to each newly appointed or hired Senior or Executive Vice President. The stock options are granted with an exercise price equal to 100% of the fair market value of our common stock on the grant date, vest ratably over two to three years, and have a term of 10 years. We believe that such stock option awards will reinforce the practice of encouraging executives to hold our common stock and closely link executives' interests with those of our shareholders. Fair market value is determined as the closing price of our common stock listed on the NASDAQ Global Market on the date of grant. Each year, our executive team reviews all stock option grants and makes recommendations to our Committee for additional stock option awards to our Named Executive Officers and other executives and employees based upon past achievements and performance. We believe, based on our general

understanding of the compensation practices of other companies, that these long-term equity compensation arrangements are reasonable in relation to executive compensation practices of other similar companies within our industry.

In February 2008, the Board approved the 2008 Plan (described above under “Proposal 3 – Approval of Amendment to the 2008 Stock Incentive Plan” and below under “Equity Compensation Plan Information”), which currently reserves up to 100,000 shares of common stock for issuance of stock options and restricted stock to our employees, Board members, and consultants, plus any shares reserved under our then-existing, unexpired stock plan for which options had not been issued plus any shares underlying outstanding options under the then-existing stock option plans that terminate without having been exercised in full. The 2008 Plan was approved by our shareholders at the 2008 Annual Shareholders’ Meeting held on June 18, 2008. Currently, the 2008 Plan is the only stock incentive plan under which we may grant options. There were no stock awards granted to our Named Executive Officers in 2011, and Mr. Clark was the only Named Executive Officer to receive an award of stock options in 2011.

In 2011, our Board awarded discretionary stock options to some of our Named Executive Officers. See “Grants of Plan Based Awards” below for the stock options awarded to each Named Executive Officer.

(d) Other Benefits and Perquisites. We maintain certain other plans and arrangements for the benefit of our Named Executive Officers and other members of our management, including participation in our 401(k) Plan (including Company matching contributions), payment of travel expenses for family members to attend corporate events, and enrollment in health, life, automobile, and long-term disability insurance programs. All of our Named Executive Officers are paid an automobile allowance of \$1,000 per month or provided with a Company-leased vehicle. We believe these benefits are reasonable in relation to executive compensation practices of other similarly sized companies and other companies within the same industry.

Severance/Change in Control

We believe that severance protections can play a valuable role in attracting and retaining key executive officers. Accordingly, we provide such protections for our Named Executive Officers in their respective employment agreements. Our Named Executive Officers are entitled to certain payments upon termination of employment pursuant to the terms of each of their employment agreements, which typically award cash severance payments in the event the Named Executive Officer is terminated without cause, resigns for good reason or becomes disabled. In addition, to reduce any reluctance on the part of executives to pursue potential transactions that could increase our value, our stock incentive plans provide for the accelerated vesting of options in the event of a change in control. For more information see “Executive Compensation - Potential Payments Upon Termination or Change in Control” below.

Named Executive Officers Stock Ownership Guidelines

We do not have stock ownership guidelines for our Named Executive Officers.

\$1 Million Pay Deductibility Cap

Under Section 162(m) of the Code (as interpreted by IRS Notice 2007- 49), public companies are precluded from receiving a tax deduction on compensation paid to their chief executive officer and the three most highly compensated officers of the company (other than the chief executive officer and the chief financial officer) if such officer’s compensation exceeds \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. Currently, our executive officers’ cash compensation levels have not exceeded the \$1 million limit, and our stock option grants qualify as performance-based compensation under Section 162(m). Nonetheless, we annually review all of our executive officers’ compensation in an effort to comply with Section 162(m).

Executive Employment Agreements

We enter into employment agreements with certain executive officers, including our Named Executive Officers. Pursuant to the terms of the employment agreements, some of our executive officers are entitled to severance in certain events of early termination. These provisions are described in the section titled “Potential Payments Upon Termination or Change in Control” appearing later in this Proxy Statement. In the employment agreements, we have agreed to pay relocation expenses for newly-hired executives, provide a leased vehicle or pay a monthly automobile allowance, and allow our executives to participate in our Management Non-Equity Incentive Bonus Plan and in all of our other employee benefit plans. In addition, the employment agreements contain covenants regarding (i) confidentiality and non-disparagement that apply to the executive both during and after employment and (ii) non-competition and non-solicitation that apply to the executive during employment and for one year after termination. The following is a description of the other material terms of the employment agreements with our Named Executive Officers as of December 31, 2011:

2011 Grants of Plan Based Awards Table

No stock awards were granted to our Named Executive Officers in 2011. Mr. Clark was the only Named Executive Officer to receive an award of stock options in 2011. The following table sets forth stock options granted in 2011 as well as non-equity incentive plan awards approved for our Named Executive Officers in 2011:

Name	Estimated Future Payouts Under Non-Equity Incentive Plan Awards 2011 target payout(1)	Grant Date	Number of Securities Underlying Options (#)(2)	Exercise Price of Option Awards (\$/Share) (3)	Grant Date Fair Value of Option Awards (\$)(4)

As discussed in the Compensation Discussion and Analysis above, the performance targets were not achieved and no awards were earned.
- (2) All stock option awards were granted under the 2008 Plan.
- (3) The amounts reported in this column represent the exercise price of the stock options reported in the previous column, which is equal to the closing price of our stock on the date of grant.
- (4) The amounts reported in this column represent the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 "Stock Compensation". Assumptions made in the calculation of these amounts are included in Note 11 to our audited financial statements for the fiscal year ended December 31, 2011, included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 29, 2012.

Equity Compensation Plan Information

We use stock option plans to encourage investment by our officers, employees, and non-employee directors in shares of our common stock so they will have an increased vested interest in and greater concern for Mannatech's welfare.

We had one stock option plan in effect as of December 31, 2011, which is as follows:

The Board and a majority of our shareholders approved our 2008 Plan in February 2008. Our 2008 Plan enables us to attract and retain employees, consultants and directors who will contribute to our long-term success and aligns the interests of those individuals with the interests of our shareholders. Awards of stock options, including incentive and nonstatutory stock options, and restricted stock may be issued under our 2008 Plan. The 2008 Plan is administered by

the Committee.

There are 100,000 shares of our common stock currently reserved for issuance under our 2008 Plan, which does not include certain shares available for issuance under our predecessor stock plan. In the event of certain changes to our common stock, including due to a merger, consolidation, reorganization, reincorporation, stock dividend, non-cash dividend, stock split, liquidation, combination, stock exchange, or change in corporate structure, we may adjust the number of shares subject to our 2008 Plan and to any outstanding awards.

Generally, the exercise price with respect to stock options granted pursuant to our 2008 Plan cannot be less than 100% of the fair market value per share of our common stock on the date of grant. Unless the Committee specifies otherwise, in general, stock options vest annually over a two- or three- year period and have a ten-year term.

Participants in our 2008 Plan may pay the exercise price for stock options in cash, shares of common stock, via a broker-assisted cashless exercise method or in any other form of legal consideration that the Committee approves.

Our 2008 Plan also permits awards of restricted shares of our common stock, or restricted stock, and the vesting schedule for such restricted stock is determined by the Committee.

If we undergo a change in control or certain other significant corporate transactions, our 2008 Plan provides that we may assume, continue, substitute for, or cancel any outstanding awards. For purposes of our 2008 Plan, a “change in control” generally means (i) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of our assets to a third-party, (ii) the replacement of the majority of the incumbent members of the Board, (iii) the adoption of a plan relating to our liquidation or dissolution, or (iv) the consummation of any transaction (including a merger or consolidation) that results in a third-party becoming the beneficial owner of more than 50% of our voting power.

In the event that any award under our 2008 Plan is determined to be nonqualified deferred compensation subject to Section 409A of the Code, the award will have to comply with certain technical tax limitations with respect to when awards may be exercised or paid for.

Our 2008 Plan will terminate automatically on February 20, 2018, unless the Board terminates it sooner. The Board may amend our 2008 Plan at any time but to the extent shareholder approval is necessary pursuant to the 2008 Plan or marketplace rules of NASDAQ, an amendment may not become effective until we obtain shareholder approval.

401(k) Plan

On May 9, 1997, we adopted a 401(k) Pre-tax Savings Plan (the “401(k) Plan”). All full time employees, including our Named Executive Officers, who have completed three months of service and are at least 21 years of age are eligible to participate in our 401(k) Plan. During 2011, employees were allowed to contribute to our 401(k) Plan up to the maximum annual limit of their current annual compensation, as statutorily prescribed. The 401(k) plan permits matching employer contributions, although in response to adverse market conditions we suspended the matching contributions under the 401(k) Plan in the first quarter of 2009 through June 30, 2010. In July 2010, we reinstated regular matching contributions to our 401(k) Plan in the amount of \$0.50 for each \$1.00 contributed by a participating employee up to a maximum of 2% of the participant’s annual salary. The 401(k) Plan also allows us to make discretionary profit-sharing contributions each year based upon our profit. We did not make any profit-sharing contributions in 2011. Employee contributions and our matching contributions are paid to a corporate trustee and are invested as directed by the participant. Our contributions to our 401(k) Plan vest over five years or earlier if the participant retires at age 65, becomes disabled, or dies. Payments to participants may be made in the case of financial hardship, and distributions may be made in a lump sum. Our 401(k) Plan is intended to qualify under Section 401(a) of the Code, so that contributions made by employees or by us to our 401(k) Plan, and income earned on these contributions, are not taxable to our employees until withdrawn from the 401(k) Plan.

Pension Benefits and Non-Qualified Deferred Compensation

Our Named Executive Officers do not participate in any pension plans (other than the 401(k) Plan) or non-qualified deferred compensation plans.

Option Exercises and Stock Vested

We have not granted stock awards to our Named Executive Officers and therefore, no stock awards vested in 2011. Our Named Executive Officers did not exercise any stock options during 2011.

Potential Payments Upon Termination or Change in Control

Each of our employment agreements with our Named Executive Officers provides for certain payments and benefits in the event of early termination. However, none of these employment agreements requires payment upon a change in control of the Company. The 2008 Plan does, however, provide for accelerated vesting of options in the event of a change in control or other event for which the Board determines such accelerated vesting would be equitable under the circumstances. The following discussion summarizes our payment obligations to our Named Executive Officers upon termination or change in control (as defined under “Equity Compensation Plan Information” above) assuming such termination or change in control occurred on December 31, 2011:

Stephen D. Fenstermacher – Co-CEO and Chief Financial Officer:

Mr. Fenstermacher resigned as our Co-CEO and Chief Financial Officer in December 2011. As of his resignation, Mr. Fenstermacher’s annual salary was \$350,000. Mr. Fenstermacher did not receive any severance payments pursuant to his employment contract. However, in 2012 the Company paid Mr. Fenstermacher amounts earned in 2008 under the 2008 Bonus Plan and transferred the title of the automobile leased by the Company to him.

Dr. Robert A. Sinnott, Ph.D. – CEO and Chief Science Officer:

Under the terms of his employment agreement, if Dr. Sinnott resigns for good reason or we terminate Dr. Sinnott without cause or due to disability, he will continue to receive his base salary for twelve months from the termination date. Notwithstanding the statement above, if Dr. Sinnott’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the employment agreement, a termination for “cause” means (A) we determined that Dr. Sinnott has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under his employment agreement, (B) Dr. Sinnott’s violation of any provision or obligation under his employment agreement, (C) Dr. Sinnott’s indictment for, or plea of no contest with respect to, any crime that adversely affects or may adversely affect us or the utility of Dr. Sinnott’s services to us, or (D) any other act or omission of Dr. Sinnott involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. Dr. Sinnott may resign for “good reason” if we (W) deny any compensation due under his employment agreement, (X) require him to be based outside of Dallas County, Texas, (Y) decrease his title or pay or remove a material portion of his significant duties or responsibilities without his consent, or (Z) breach his employment agreement. For purposes of the agreement, the term “disability” means Dr. Sinnott becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Dr. Sinnott mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2011, Dr. Sinnott’s annual base salary was \$350,000, and his employment agreement will expire on December 15, 2012.

The following table shows the potential payments upon termination of Dr. Sinnott’s employment under the circumstances described above or the occurrence of a change in control assuming such termination or change in control occurred on December 31, 2011.

The agreement defines a resignation for “good reason” as (W) any denial of compensation due and owing to Mr. Bala under the agreement, (X) any requirement that Mr. Bala be based anywhere other than Dallas County, Texas, except for travel incident to our business, (Y) our demotion of Mr. Bala in title or pay, or our removal of a material portion of Mr. Bala’s significant duties or responsibilities without Mr. Bala’s consent, or (Z) our material breach of the agreement. For purposes of the agreement, the term “disability” means Mr. Bala becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Mr. Bala mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2011, Mr. Bala’s annual base salary was \$290,000. Notwithstanding the statement above, if Mr. Clark’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Review and Approval of Related Party Transactions

Our Audit Committee reviews all relationships and transactions, including relationships and transactions with our directors, director nominees, executive officers and their immediate family members, as well as holders known by us to own more than 5% of any class of our voting securities and their family members, who have a direct or indirect material interest. Although the Board does not have a formal policy with respect to related party transactions, in approving or rejecting such proposed transactions, our Audit Committee considers the nature of the related party transaction, the amount and material terms of the transaction, whether the transaction is on terms no less favorable to Mannatech than terms generally available in a similar transaction with an unaffiliated third party, whether the transaction would impair the judgment of a director or executive officer to act in the best interest of Mannatech, and other facts and circumstances available and deemed relevant to our Audit Committee.

REPORT OF THE AUDIT COMMITTEE

Our purpose is to assist the Board in overseeing its financial reporting, internal controls, and audit functions. Larry A. Jobe has been the Audit Committee's Chairman since February 2007 and is designated by the Board as the financial expert of our Audit Committee. Other members include Mrs. Patricia A. Wier and Messrs. Gerald E. Gilbert, Alan D. Kennedy and Robert A. Toth. The Board has determined that each of the Audit Committee's members meet the independence and financial literacy requirements for purposes of serving on such committee under applicable rules of NASDAQ and the SEC. We operate under a written charter adopted by the Board. We review and address the adequacy of our charter on an annual basis. See our Amended Audit Committee Charter, which is posted on the Company's corporate website at www.mannatech.com.

We are responsible for reviewing the Company's consolidated financial statements, its systems of internal controls, and internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). Our activities are in no way designed to supersede or alter our responsibilities or the responsibilities of the Company's independent registered public accounting firm. We assist the Board in fulfilling its responsibilities for oversight of the quality and integrity of the Company's accounting, auditing, and reporting practices, and such other duties as directed by the Board. Our role does not provide any special assurances with regard to the Company's consolidated financial statements, nor does it involve a professional evaluation of the quality of audits performed by the Company's independent registered public accounting firm. We strengthened our ability to assist the Board of Directors, and formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of high level employees and officers who report to us and the Company's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is responsible for reviewing all of the Company's filings with the SEC. We have furnished the Board with the following report:

We have reviewed and discussed with the Company's management their consolidated audited financial statements as of and for the year ended December 31, 2011, and the certification process required by the Sarbanes-Oxley Act of 2002. The Company has represented to us that its consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also discussed the following with BDO USA, LLP, the Company's independent registered public accounting firm: (i) the auditor's responsibilities, (ii) any significant issues arising during the audit, and (iii) other matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended by Statement on Auditing Standards No. 90, "Communications with Audit Committees" and No. 114 "The Auditor's Communication with those Charged with Governance." We received the written disclosures from BDO USA, LLP required by Rule 3520 of the PCAOB. We have discussed with the Company's independent registered public accounting firm the accounting firm's independence from Company management. In addition, we have discussed the adequacy of the Company's internal control over financial reporting with the Company's independent registered public accounting firm and its management.

Based on the review and discussions referred to above, we recommended to the Board and the Board subsequently approved, that the Company's year-end audited consolidated financial statements be included in the Company's 2011 Annual Report on its Form 10-K for the year ended December 31, 2011 for filing with the SEC.

MANNATECH, INCORPORATED
FREQUENTLY ASKED QUESTIONS

Our Board of Directors (the “Board”) urges all shareholders to read all of the information included in the proxy materials provided to them. As a courtesy, the Board is providing each shareholder with the following list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and keeping our shareholders informed of the various policies and procedures that must be followed for the 2012 Annual Shareholders’ Meeting.

1. Why did I receive a Notice of Internet Availability of Proxy Materials this year instead of a paper copy of the proxy materials?

Pursuant to rules promulgated by the SEC, we are providing access to our proxy materials over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access our proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials by mail.

2. Why didn’t I receive a Notice of Internet Availability of Proxy Materials?

We are providing some of our shareholders, including those who have previously requested to receive paper copies of the proxy materials, with paper copies of the proxy materials instead of the Notice of Internet Availability of Proxy Materials. In addition, we are providing the Notice of Internet Availability of Proxy Materials by e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where materials are available.

If you received a paper copy of the proxy materials, you may elect to receive future proxy materials electronically by following the instructions on your proxy card or voting instruction form. Choosing to receive your future proxy materials by e-mail will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials.

3. How can I access the proxy materials over the Internet?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to view our proxy materials for the 2012 Annual Shareholders’ Meeting on the Internet. Our proxy materials are also available on our company website at <http://www.mannatech.com>.

4. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote prior to our 2012 Annual Shareholders’ Meeting by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or through a broker. Shareholders should read and follow all of the instructions in their packets to ensure their votes are counted. Ballots will be handed out at the 2012 Annual Shareholders’ Meeting to shareholders of record who own shares on the close of business on April 5, 2012.

5. What shares owned by a shareholder can be voted either by proxy or at the 2012 Annual Shareholders' Meeting?

All shares owned directly by a shareholder of record or indirectly as a beneficial owner as of the record date, April 5, 2012, may be voted by the shareholder prior to the meeting by telephone or through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person. At the 2012 Annual Shareholders' Meeting, shares may be voted using a ballot by (i) shareholders of record who are verified with a valid form of identification and (ii) beneficial owners who are verified with a power of attorney from the broker of record giving them authority to vote at the meeting. If a shareholder does not have this information from his or her broker, our Inspector of Elections will not be able to count such shareholder's vote because the broker may have already cast a vote on such shareholder's behalf. We strongly recommend that a shareholder read the instructions on the Notice of Internet Availability of Proxy Materials or on the proxy-voting card received by the shareholder or provided by the shareholder's broker prior to the 2012 Annual Shareholders' Meeting to understand how to cast a vote at the meeting. A shareholder's broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

A-1

6. What is the difference between direct ownership and beneficial ownership?

A shareholder has **DIRECT OWNERSHIP** over its shares if such shareholder is a holder of record of our common stock, meaning the shareholder either holds stock certificates in the shareholder's own name or holds book-entry shares registered in the shareholder's own name. This is evidenced by the shareholder's receipt of all mailings directly from either us or our transfer agent, Computershare. A shareholder has **BENEFICIAL OWNERSHIP** over its shares if such shareholder has delivered its stock certificates to a broker or purchased shares through a broker and receives all of our mailings either from a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc. As a beneficial owner, the shareholder still owns the shares, but our transfer agent does not have individual shareholders' names from the brokers. The only information our transfer agent has is the aggregate total number of shares each broker of record holds on behalf of its clients.

7. How is voting different for direct holders versus beneficial owners?

Our transfer agent has the names of the shareholders who directly hold shares of our common stock, but it does not have any detailed information (such as the individual names or number of shares held) concerning shareholders who own shares through brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership. Each brokerage group is responsible for reporting its clients' votes to our transfer agent and for providing all mailings to our shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm.

8. What does it mean if I received more than one set of materials?

This means your shares are registered with different names. For example, you may own some shares directly as a "holder of record" and other shares through a broker in "street name," or you may own shares through more than one broker. In these situations you may receive multiple sets of proxy materials. It is necessary for you either to attend in person (please note, however, that if a broker or other nominee holds your shares of record and you wish to vote at the meeting, you must obtain from that registered holder a proxy card issued in your name), follow the instructions to vote your shares by telephone or through the Internet provided in the Notice of Internet Availability of Proxy Materials or return a signed, dated and marked proxy card if you received a paper copy of the proxy card. If you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

9. Can I change my proxy vote?

Both direct shareholders and beneficial shareholders can revoke a proxy-vote prior to commencement of the 2012 Annual Shareholders' Meeting. Attendance at the 2012 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at our 2012 Annual Shareholders' Meeting. Shareholders should call the telephone number listed within the shareholder information packets to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke a proxy-vote may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder.

Each set of instructions should include the shareholder's account number and the solicitor's telephone number and email address. Our Inspector of Elections will only count the verified proxy-votes received from each shareholder and brokerage firm with the latest date. Each share of our common stock represents one vote. Shareholders should call the telephone number provided to them in their shareholder information packets if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different

brokerage firms.

10. How can I attend the 2012 Annual Shareholders' Meeting?

The 2012 Annual Shareholders' Meeting will be held on May 30, 2012 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in. No cameras or recording equipment will be permitted in the meeting room.

11. Where can I find the voting results of the 2012 Annual Shareholders' Meeting?

We will announce preliminary voting results of the 2012 Annual Shareholders' Meeting in a press release issued on or about May 31, 2012, and will publish final voting results on Form 8-K, which is expected to be filed with the Securities and Exchange Commission ("SEC") on or before June 5, 2012.

A-2

12.Can I have someone else cast a vote for me at the 2012 Annual Shareholders' Meeting?

In order to have someone else cast your vote at the meeting, you must provide the person with whom you would like to cast your vote a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares you hold and to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- the expiration date that terminates the designee's rights to cast your vote on your behalf; and
- your signature.

The original power of attorney form must be attached to the ballot that is turned in at the meeting by the designee. If you are a beneficial owner, you must also provide the proper documentation from your broker of record to the designee, which would allow you to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at the 2012 Annual Shareholders' Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as your designee.

13.How can I vote against some or all of the nominees for the Board?

To vote against some or all of our Board nominees, you should check the "WITHHOLD ALL" or the "FOR ALL EXCEPT" boxes next to the name of each of the applicable nominees on the proxy-voting card or ballot.

14.How can I write-in a nominee for the Board?

You CANNOT write-in additional Board nominees on your proxy-voting card when voting by mail, telephone, or the Internet. You may ONLY write-in the names of additional nominees for whom you wish to vote in person on the ballot at the 2012 Annual Shareholders' Meeting.

To write-in a nominee on the ballot at the 2012 Annual Shareholders' Meeting, you should check the "FOR ALL EXCEPT" box and identify the nominees for which you desire to vote against. You should then write-in your nominee(s) in the blank provided. You may only write-in as many nominees as you voted against. For example, if there were a total of three nominees listed on the ballot and you withheld a vote for two of the three nominees, two additional nominees may be written in.

15.How can I recommend that a person be listed on the ballot as a nominee for the Board?

Shareholder recommendations for nominee(s) for the Board should have been submitted to our CFO by December 31, 2011, in order for the Board to have considered such persons for nomination at the 2012 Annual Shareholders' Meeting. Nominee recommendations should include a candidate's name, age, biographical information, and

qualifications. Upon receipt, our CFO forwards the list of nominees to our Nominating and Governance Committee. Our Nominating and Governance Committee reviews all of the nominees and recommends a list of nominees to the Board. The Board then votes on the nominees. Only the nominees approved by the Board will be listed on our ballot, proxy-voting card, and in our proxy statement on Schedule 14A, which is expected to be filed with the SEC on or before April 19, 2012. To submit recommendations for a nominee to the Board at the 2013 Annual Shareholder Meeting, a shareholder should submit in writing the nominees information to our CFO by December 31, 2012. The nomination should be either faxed to (972) 471-7342 or mailed to our CFO at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppel, Texas 75019.

16. How are the votes counted?

Our Inspector of Elections will be responsible for tabulating all of the votes for the 2012 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding, as of the record date, is necessary to have a quorum for the 2012 Annual Shareholders' Meeting. "ABSTAIN" votes and "broker non-votes" will be counted as present for purposes of determining a quorum. A "broker non-vote" occurs when brokers or nominees return a properly executed proxy but do not vote on a particular matter because they have no discretionary power to vote and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote "FOR" each of the proposals.

For Proposal 1 (Election of Directors) — If a quorum is obtained, our Class I directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2012 Annual Shareholders' Meeting and entitled to vote. This means that the three nominees receiving the highest number of affirmative votes at the 2012 Annual Shareholders' Meeting will be elected as our three Class I directors. Votes marked "FOR ALL" will be counted in favor of all nominees. Votes marked "WITHHOLD ALL" will be counted against all nominees. To specify differently, a shareholder must check the "FOR ALL EXCEPT" box and then identify the nominees for whom the shareholder wishes to vote against. Selecting "WITHHOLD ALL" votes for a nominee has no effect on the vote since a plurality of the votes at the 2012 Annual Shareholders' Meeting is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2012 Annual Shareholders' meeting and entitled to vote, are voted in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm will be approved. Votes marked "FOR" will be counted in favor of the ratification of the appointment of our independent registered public accounting firm. An "ABSTAIN" vote from voting on Proposal 2 will be treated as a vote against the ratification of the appointment of our independent registered public accounting firm. Because the ratification of our independent registered public accounting firm is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 2.

For Proposal 3 (Incentive Plan Amendment) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2012 Annual Shareholders' Meeting and entitled to vote, are voted in favor of Proposal 3 (Incentive Plan Amendment), our 2008 Stock Incentive Plan will be amended to increase the number of shares of common stock subject to the plan by 100,000. Votes marked "FOR" Proposal 3 (Incentive Plan Amendment) will be counted in favor of amendment of the 2008 Stock Incentive Plan. An abstention from voting on Proposal 3 (Incentive Plan Amendment) will be treated as a vote against Proposal 3 (Incentive Plan Amendment). A broker non-vote will be treated as a vote against Proposal 3 (Incentive Plan Amendment).

17. What should I do if I never received my proxy materials or if the proxy materials have been lost?

You should contact your broker's customer service department. The broker should verify that you were a shareholder on the close of business on April 5, 2012 and give you specific instructions on how to obtain new proxy materials and cast a vote. Anyone can view our 2012 proxy statement by logging onto our corporate website, www.mannatech.com.

3.4. Decisions Final. All decisions made by the Administrator pursuant to the provisions of the Plan shall be final and binding on the Company and the Participants, unless such decisions are determined by a court having jurisdiction to be arbitrary and capricious.

3.5. The Committee.

(a) General. The Board may delegate administration of the Plan to a Committee or Committees of one or more members of the Board, and the term “Committee” shall apply to any person or persons to whom such authority has been delegated. If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board or the Administrator shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan. The members of the Committee shall be appointed by and serve at the pleasure of the Board. From time to time, the Board may increase or decrease the size of the Committee, add additional members to, remove members (with or without cause) from, appoint new members in substitution therefor, and fill vacancies, however caused, in the Committee. The Committee shall act pursuant to a vote of the majority of its members or, in the case of a committee comprised of only two members, the unanimous consent of its members, whether present or not, or by the written consent of the majority of its members and minutes shall be kept of all of its meetings and copies thereof shall be provided to the Board. Subject to the limitations prescribed by the Plan and the Board, the Committee may establish and follow such rules and regulations for the conduct of its business as it may determine to be advisable.

(b) Committee Composition when Common Stock is Registered. At such time as the Common Stock is required to be registered under Section 12 of the Exchange Act, in the discretion of the Board, a Committee may consist solely of two or more Non-Employee Directors who are also Outside Directors. The Board shall have discretion to determine whether or not it intends to comply with the exemption requirements of Rule 16b-3 and/or Section 162(m) of the Code. However, if the Board intends to satisfy such exemption requirements, with respect to Awards to any Covered Employee and with respect to any insider subject to Section 16 of the Exchange Act, the Committee shall be a compensation committee of the Board that at all times consists solely of two or more Non-Employee Directors who are also Outside Directors. Within the scope of such authority, the Board or the Committee may (i) delegate to a committee of one or more members of the Board who are not Outside Directors the authority to grant Awards to eligible persons who are either (A) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Award or (B) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code or (ii) delegate to a committee of one or more members of the Board who are not Non-Employee Directors the authority to grant Awards to eligible persons who are not then subject to Section 16 of the Exchange Act. Nothing herein shall create an inference that an option is not validly granted under the Plan in the event Awards are granted under the Plan by a compensation committee of the Board that does not at all times consist solely of two or more Non-Employee Directors who are also Outside Directors.

3.6. Indemnification. In addition to such other rights of indemnification as they may have as Directors or members of the Committee, and to the extent allowed by applicable law, the Administrator shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit or proceeding or in connection with any appeal therein, to which the Administrator may be party by reason of any action taken or failure to act under or in connection with the Plan or any option granted under the Plan, and against all amounts paid by the Administrator in settlement thereof (provided, however, that the settlement has been approved by the Company, which approval shall not be unreasonably withheld) or paid by the Administrator in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Administrator did not act in good faith and in a manner which such person reasonably believed to be in the best interests of the Company, and in the case of a criminal proceeding, had no reason to believe that the conduct complained of was unlawful; provided, however, that within sixty (60) days after institution of any such action, suit or proceeding, such Administrator shall, in writing, offer the Company the opportunity at its own expense to handle and defend such action, suit or proceeding.

3.7. Option Exchange Program. The Board shall have the authority to institute one, and only one, Option Exchange Program. Such Option Exchange Program must commence no more than six months after the date of approval by the shareholders of the Company, and shall be subject to the requirements of Section 6 hereof and to the conditions set forth in this Section 3.7.

(a) Each eligible Optionholder will be permitted to exchange all, or none, of the Options deemed eligible for exchange for replacement Options (the "Eligible Options") on a grant-by-grant basis.

(b) The Board shall determine, before the commencement of the Option Exchange Program, the exchange ratio of shares of Common Stock subject to each Eligible Option surrendered in exchange for replacement Options granted, which ratio will depend on the original exercise price of the Eligible Option and the then-current fair value of the Option (calculated using the Black-Scholes option pricing model). The Board shall determine the exchange ratio or ratios in a manner intended to result in the grant of replacement Options that have a fair value approximately equal to the fair value of the Eligible Options they replace.

(c) In any event, the number of shares of Common Stock subject to Options under the Option Exchange Program shall be reduced, such that each replacement Option will provide for the purchase of fewer shares of Common Stock than were subject to the Eligible Option surrendered in exchange for the replacement Option.

(d) Replacement Options exchanged for Eligible Options will be unvested and non-exercisable on the Date of Grant. The replacement Options will vest and become exercisable in three equal annual installments beginning 12 months after their Date of Grant.

(e) Such other terms as have been approved by the Company's shareholders.

4. Shares Subject to the Plan.

4.1. Share Reserve. Subject to the provisions of Section 12.1 relating to adjustments upon changes in Common Stock, the shares that may be issued pursuant to Awards shall consist of the Company's authorized but unissued Common Stock, and the maximum aggregate amount of such Common Stock which may be issued upon exercise of all Awards under the Plan shall not exceed 100,000 200,000 shares of Common Stock plus any shares of Common Stock that were reserved under the Existing Plan but not yet subject to issued awards and any shares of Common Stock underlying awards granted to Employees prior to the Effective Date under the Existing Plan that have been issued and are outstanding on the Effective Date that expire, are forfeited or terminate for any reason without having been exercised in full. As of April 18, 2008, there are 2,339 shares reserved for issuance under the Existing Plan that are not subject to issued awards and 71,551 shares that are reserved for issuance under outstanding but unexercised awards, as

adjusted for the 1-for-10 reverse stock split effected January 13, 2012. All shares reserved for issuance under this Plan may be used for Incentive Stock Options or any other Award. Awards for fractional shares of Common Stock may not be issued under the terms of the Plan.

B-7

4.2. Reversion of Shares to the Share Reserve. If any Award shall for any reason expire or otherwise terminate, in whole or in part, or is surrendered pursuant to an Option Exchange Program, the shares of Common Stock not acquired under such Award shall revert to and again become available for issuance under the Plan. If shares of Common Stock issued under the Plan are reacquired by the Company pursuant to the terms of any forfeiture provision, including the Right of Repurchase of unvested Common Stock under Section 11.7, such shares shall again be available for purposes of the Plan.

4.3. Source of Shares. The shares of Common Stock subject to the Plan may be authorized but unissued Common Stock or reacquired Common Stock, bought on the market, pursuant to any forfeiture provision or otherwise.

5. Eligibility.

5.1. Eligibility for Specific Awards. Incentive Stock Options may be granted only to Employees. Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

5.2. Ten Percent Shareholders. A Ten Percent Shareholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least 110% of the Fair Market Value of the Common Stock at the Date of Grant and the Option is not exercisable after the expiration of five (5) years from the Date of Grant.

5.3. Section 162(m) Limitation. Subject to the provisions of Section 12.1 relating to adjustments upon changes in the shares of Common Stock, no Employee shall be eligible to be granted Awards covering more than 50,000 shares during any fiscal year. This Section 5.3 shall not apply prior to the Listing Date and, following the Listing Date, this Section 5.3 shall not apply until: (a) the earliest of: (i) the first material modification of the Plan (including any increase in the number of shares of Common Stock reserved for issuance under the Plan in accordance with Section 4.1); (ii) the issuance of all of the shares of Common Stock reserved for issuance under the Plan; (iii) the expiration of the Plan; or (iv) the first meeting of shareholders at which Directors are to be elected that occurs after the close of the third (3rd) calendar year following the calendar year in which occurred the first registration of an equity security under Section 12 of the Exchange Act; or (b) such other date required by Section 162(m) of the Code and the rules and regulations promulgated thereunder.

5.4. Consultants.

(a) Prior to the Listing Date, a Consultant shall not be eligible for the grant of an Award if, at the time of grant, either the offer or the sale of the Company's securities to such Consultant is not exempt under Rule 701 of the Securities Act ("Rule 701") because of the nature of the services that the Consultant is providing to the Company, or because the Consultant is not a natural person, or as otherwise provided by Rule 701, unless the Company determines that such grant need not comply with the requirements of Rule 701 and will satisfy another exemption under the Securities Act as well as comply with the securities laws of all other relevant jurisdictions.

(b) From and after the Listing Date, a Consultant shall not be eligible for the grant of an Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act ("Form S-8") is not available to register either the offer or the sale of the Company's securities to such Consultant because of the nature of the services that the Consultant is providing to the Company (i.e., capital raising), or because the Consultant is not a natural person, or as otherwise provided by the rules governing the use of Form S-8, unless the Company determines both (i) that such grant (A) shall be registered in another manner under the Securities Act (e.g., on a Form S-3 Registration Statement) or (B) does not require registration under the Securities Act in order to comply with the requirements of the Securities Act, if applicable, and (ii) that such grant complies with the securities laws of all other relevant jurisdictions.

5.5. Directors. Each Director of the Company shall be eligible to receive discretionary grants of Awards under the Plan. If the Board separately adopts a compensation policy covering some or all directors that provides for a predetermined formula grant that specifies the type of Award, the timing of the Date of Grant and the number of shares to be awarded under the terms of this Plan, such formula grant shall be incorporated by reference and will be administered as if such terms were provided under the terms of the Plan without any requirement that the Administrator separately take action to determine the terms of such Awards.

B-8

6. Option Provisions.

Each Option shall be in such form and shall contain such terms and conditions as the Administrator shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for shares of Common Stock purchased on exercise of each type of Option. Notwithstanding the foregoing, the Company shall have no liability to any Participant or any other person if an Option designated as an Incentive Stock Option fails to qualify as such at any time or if an Option is determined to constitute “nonqualified deferred compensation” within the meaning of Section 409A of the Code and the terms of such Option do not satisfy the additional conditions applicable to nonqualified deferred compensation under Section 409A of the Code and Section 8 of the Plan. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

6.1. Term. Subject to the provisions of Section 5.2 regarding Ten Percent Shareholders, no Incentive Stock Option shall be exercisable after the expiration of ten (10) years from the date it was granted.

6.2. Exercise Price of an Incentive Stock Option. Subject to the provisions of Section 5.2 regarding Ten Percent Shareholders, the exercise price of each Incentive Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

6.3. Exercise Price of a Nonstatutory Stock Option. The exercise price of each Nonstatutory Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted; provided, however, any Nonstatutory Stock Option granted with an exercise price less than 100% of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted shall satisfy the additional conditions applicable to nonqualified deferred compensation under Section 409A of the Code, in accordance with Section 6.15 and Section 8 hereof. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code, as if the Option was a statutory option.

6.4. Consideration. The exercise price of Common Stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (a) in cash, wire, or by certified or bank check at the time the Option is exercised or (b) in the discretion of the Administrator, upon such terms as the Administrator shall approve, the exercise price may be paid: (i) by delivery of Company Common Stock held by the Optionholder, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the aggregate exercise price (or portion thereof) due for the number of shares being acquired, or by means of attestation whereby the Participant identifies for delivery specific shares of Common Stock that have been held for more than six (6) months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes) that have a Fair Market Value on the date of attestation equal to the exercise price (or portion thereof) and receives a number of shares of Common Stock equal to the difference between the number of shares thereby purchased and the number of identified attestation shares of Common Stock (a “Stock for Stock Exchange”); (ii) during any period for which the Common Stock is readily tradable on an established securities market (i.e., the Common Stock is listed on any national securities exchange or traded in any recognized securities market system), by a copy of instructions to a broker directing such broker to sell the Common Stock for which such Option is exercised, and to remit to the Company the aggregate Exercise Price of such Options (a “Cashless Exercise”); or (iii) in any other form of legal consideration that may be acceptable to the Administrator; provided, however, if applicable law requires, the par value

(if any) of Common Stock, if newly issued, shall be paid in cash or cash equivalents. If the Administrator determines that the exercise price may be paid by a promissory note, any Common Stock acquired upon exercise with a promissory note shall be pledged as security for payment of the principal amount of the promissory note and interest thereon. The interest rate payable under the terms of such promissory note shall not be less than the minimum rate (if any) required to avoid the imputation of additional interest under the Code. Unless the Administrator determines otherwise, shares of Common Stock having a Fair Market Value at least equal to the principal amount of any loan shall be pledged by the holder to the Company as security for payment of the unpaid balance of the loan and such pledge shall be evidenced by a pledge agreement, the terms of which shall be determined by the Administrator, in its discretion; provided, however, that each loan shall comply with all applicable laws, regulations and rules of the Board of Governors of the Federal Reserve System and any other governmental agency having jurisdiction. Unless otherwise specifically provided in the Option, the purchase price of Common Stock acquired pursuant to an Option that is paid by delivery (or attestation) to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of the Common Stock of the Company that have been held for more than six (6) months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes). Notwithstanding the foregoing, during any period for which the Common Stock is publicly traded (i.e., the Common Stock is listed on any national securities exchange or traded in any recognized securities market system), an exercise with a promissory note or other transaction by a Director or executive officer that involves or may involve a direct or indirect extension of credit or arrangement of an extension of credit by the Company, or an Affiliate in violation of Section 402(a) of the Sarbanes-Oxley Act (codified as Section 13(k) of the Exchange Act) shall be prohibited with respect to any Award under this Plan. Unless otherwise provided in the terms of an Option Agreement, payment of the exercise price by a Participant who is an officer, director or other “insider” subject to Section 16(b) of the Exchange Act in the form of a Stock for Stock Exchange is subject to pre-approval by the Administrator, in its sole discretion. Any such pre-approval shall be documented in a manner that complies with the specificity requirements of Rule 16b-3, including the name of the Participant involved in the transaction, the nature of the transaction, the number of shares to be acquired or disposed of by the Participant and the material terms of the Options involved in the transaction.

6.5. Transferability of an Incentive Stock Option. An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

6.6. Transferability of a Nonstatutory Stock Option. A Nonstatutory Stock Option may, in the sole discretion of the Administrator, be transferable to a Permitted Transferee upon written approval by the Administrator to the extent provided in the Option Agreement. A Permitted Transferee includes: (a) a transfer by gift or domestic relations order to a member of the Optionholder's immediate family (child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships), any person sharing the Optionholder's household (other than a tenant or employee), a trust in which these persons have more than fifty percent (50%) of the beneficial interest, a foundation in which these persons (or the Optionholder) control the management of assets, and any other entity in which these persons (or the Optionholder) own more than fifty percent (50%) of the voting interests; (b) third parties designated by the Administrator in connection with a program established and approved by the Administrator pursuant to which Participants may receive a cash payment or other consideration in consideration for the transfer of such Nonstatutory Stock Option; and (c) such other transferees as may be permitted by the Administrator in its sole discretion. If the Nonstatutory Stock Option does not provide for transferability, then the Nonstatutory Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

6.7. Vesting. The Option may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Administrator may deem appropriate. The vesting provisions of individual Options may vary. The Administrator may, but shall not be required to, provide that no Option may be exercised for a fraction of a share of Common Stock. The Administrator may, but shall not be required to, provide for an acceleration of vesting and exercisability in the terms of any Option Agreement upon the occurrence of a specified event.

6.8. Termination of Continuous Service. Unless otherwise provided in an Option Agreement or in an employment agreement the terms of which have been approved by the Administrator, in the event an Optionholder's Continuous Service terminates (other than upon the Optionholder's death or Disability or termination by the Company for Cause), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination) but only within such period of time ending on the earlier of (a) the date three (3) months following the termination of the Optionholder's Continuous Service, or (b) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified in the Option Agreement, the Option shall terminate. Unless otherwise provided in an Option Agreement or in an employment agreement the terms of which have been approved by the Administrator, or as otherwise provided in Sections 6.10 and 6.11 of this Plan, outstanding Options that are not exercisable at the time an Optionholder's Continuous Service terminates for any reason other than for Cause (including an Optionholder's death or Disability) shall be forfeited and expire at the close of business on the date of such termination. If the Optionholder's Continuous Service terminates for Cause, all outstanding Options shall be forfeited (whether or not vested) and expire as of the beginning of business on the date of such termination for Cause.

6.9. Extension of Termination Date. An Optionholder's Option Agreement may also provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service for any reason other than Cause (other than upon the Optionholder's death or Disability) would be prohibited at any time because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act or any other state or federal securities law or the rules of any securities exchange or interdealer quotation system, then the Option shall terminate on the earlier of (a) the expiration of the term of the Option in accordance with Section 6.1 or (b) the expiration of a period after termination of the Participant's Continuous Service that is three (3) months after the end of the period during which the exercise of the Option would be in violation of such registration or other securities law requirements.

6.10. Disability of Optionholder. Unless otherwise provided in an Option Agreement, in the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination), but only within such period of time ending on the earlier of (a) the date that is twelve (12) months following such termination or (b) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified herein, the Option shall terminate.

6.11. Death of Optionholder. Unless otherwise provided in an Option Agreement, in the event an Optionholder's Continuous Service terminates as a result of the Optionholder's death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the Option upon the Optionholder's death, but only within the period ending on the earlier of (a) the date that is (12) months following the date of death or (b) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the Option is not exercised within the time specified herein, the Option shall terminate.

6.12. Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.

6.13. Early Exercise. The Option may, but need not, include a provision whereby the Optionholder may elect at any time before the Optionholder's Continuous Service terminates to exercise the Option as to any part or all of the shares of Common Stock subject to the Option prior to the full vesting of the Option. In such case, the shares of Common Stock acquired on exercise shall be subject to the vesting schedule that otherwise would apply to determine the exercisability of the Option. Any unvested shares of Common Stock so purchased may be subject to any other restriction the Administrator determines to be appropriate.

6.14. Reload Options. At the discretion of the Administrator, the Option may include a "reload" feature pursuant to which an Optionholder exercising an option by the delivery of a number of shares of Common Stock in accordance with Section 6.4(b)(i) hereof would automatically be granted an additional Option (with an exercise price equal to the Fair Market Value of the Common Stock on the date the additional Option is granted and with the same expiration date as the original Option being exercised, and with such other terms as the Administrator may provide) to purchase that number of shares of Common Stock equal to the number delivered in a Stock for Stock Exchange of the original Option.

6.15. Additional Requirements Under Section 409A. Each Option Agreement shall include a provision whereby, notwithstanding any provision of the Plan or the Option Agreement to the contrary, the Option shall satisfy the additional conditions applicable to nonqualified deferred compensation under Section 409A of the Code, in

accordance with Section 8 hereof, in the event any Option under this Plan is granted with an exercise price less than Fair Market Value of the Common Stock subject to the Option on the date the Option is granted (regardless of whether or not such exercise price is intentionally or unintentionally priced at less than Fair Market Value, or is materially modified at a time when the Fair Market Value exceeds the exercise price), or is otherwise determined to constitute “nonqualified deferred compensation” within the meaning of Section 409A of the Code.

7. Provisions of Awards Other Than Options.

7.1. Restricted Stock Award. A Restricted Stock Award is an Award of actual shares of Common Stock (“Restricted Stock”), which may, but need not, provide that such Award of Restricted Stock may not be sold, assigned, transferred or otherwise disposed of, pledged or hypothecated as collateral for a loan or as security for the performance of any obligation or for any other purpose for such period (the “Restricted Period”) as the Administrator shall determine. Each Award of Restricted Stock shall be evidenced by an Award Agreement in such form and shall contain such terms, conditions and Restricted Periods as the Administrator shall deem appropriate, including the treatment of dividends or dividend equivalents, as the case may be. The Administrator in its discretion may provide for an acceleration of the end of the Restricted Period in the terms of any Award of Restricted Stock, at any time, including in the event a Change in Control occurs. The terms and conditions of the Award of Restricted Stock may change from time to time, and the terms and conditions of separate Award of Restricted Stock need not be identical, but each Award of Restricted Stock shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(a) Purchase Price. The purchase price of Restricted Stock, if any, shall be determined by the Administrator, and may be stated as cash, property or prior services.

(b) Consideration. The consideration for the Restricted Stock shall be paid either: (i) in cash at the time of purchase; or (ii) in any other form of legal consideration that may be acceptable to the Administrator in its discretion including, without limitation, property or a Stock for Stock Exchange, or prior services that the Administrator determines have a value at least equal to the Fair Market Value of such Common Stock.

(c) Vesting. The Award of Restricted Stock may, but need not, be subject to a Restricted Period that specifies a Right of Repurchase in favor of the Company in accordance with a vesting schedule to be determined by the Administrator, or forfeiture in the event the consideration was in the form of services. The Administrator in its discretion may provide for an acceleration of vesting in the terms of any Restricted Stock Award, at any time, including in the event a Change in Control occurs.

(d) Termination of Participant’s Continuous Service. Unless otherwise provided in an Award Agreement or in an employment agreement the terms of which have been approved by the Administrator, in the event a Participant’s Continuous Service terminates for any reason, the Company may exercise its Right of Repurchase or otherwise reacquire, or the Participant shall forfeit the unvested portion of an Award of Restricted Stock acquired in consideration of prior or future services, and any or all of the shares of Restricted Stock held by the Participant which have not vested as of the date of termination under the terms of the Restricted Stock Award shall be forfeited and the Participant shall have no rights with respect to the Award.

(e) Transferability. Restricted Stock shall be transferable by the Participant only upon such terms and conditions as are set forth in the Award Agreement, as the Administrator shall determine in its discretion, so long as Common Stock awarded under the Award of Restricted Stock remains subject to the terms of the Award Agreement.

(f) Concurrent Tax Payment. The Administrator, in its sole discretion, may (but shall not be required to) provide for payment of a concurrent cash award in an amount equal, in whole or in part, to the estimated after tax amount required to satisfy applicable federal, state or local tax withholding obligations arising from the receipt and deemed vesting of restricted stock for which an election under Section 83(b) of the Code may be required.

(g) Lapse of Restrictions. Upon the expiration or termination of the Restricted Period and the satisfaction of any other conditions prescribed by the Administrator (including, without limitation, the Participant’s satisfaction of applicable tax withholding obligations attributable to the Award), the restrictions applicable to the Restricted Stock shall lapse

and a stock certificate for the number of shares of Common Stock with respect to which the restrictions have lapsed shall be delivered, free of any restrictions except those that may be imposed by law, the terms of the Plan or the terms of an Award of Restricted Stock, to the Participant or the Participant's beneficiary or estate, as the case may be, unless such Restricted Stock is subject to a deferral condition that complies with the 409A Award requirements that may be allowed or required by the Administrator in its sole discretion. The Company shall not be required to deliver any fractional share of Common Stock but will pay, in lieu thereof, the Fair Market Value of such fractional share in cash to the Participant or the Participant's beneficiary or estate, as the case may be. Unless otherwise subject to a deferral condition that complies with the 409A Award requirements, the Common Stock certificate shall be issued and delivered and the Participant shall be entitled to the beneficial ownership rights of such Common Stock not later than (i) the date that is two and one-half (2-1/2) months after the end of the Participant's taxable year for which the Restricted Period ends and the Participant has a legally binding right to such amounts; (ii) the date that is two and one-half (2-1/2) months after the end of the Company's taxable year for which the Restricted Period ends and the Participant has a legally binding right to such amounts, whichever is later; or (iii) such earlier date as may be necessary to avoid application of Code Section 409A to such Award.

B-12

8. Additional Conditions Applicable to Nonqualified Deferred Compensation Under Section 409A of the Code.

In the event any Award under this Plan is granted with an exercise price less than Fair Market Value of the Common Stock subject to the Award on the Date of Grant (regardless of whether or not such exercise price is intentionally or unintentionally priced at less than Fair Market Value, or such Award is materially modified and deemed a new Award at a time when the Fair Market Value exceeds the exercise price), or is otherwise determined to constitute a 409A Award, the following additional conditions shall apply and shall supersede any contrary vesting or exercise provisions of this Plan or the terms of any 409A Award agreement.

8.1. Exercise and Distribution. Notwithstanding any vesting or exercise provisions to the contrary, no 409A Award shall be exercisable or distributable earlier than upon one of the following:

(a) Specified Time. A specified time or a fixed schedule set forth in the written instrument evidencing the 409A Award, but not later than after the expiration of ten (10) years from the Date of Grant. If the written grant instrument does not specify a fixed time or schedule, such time shall be the date that is the fifth anniversary of the Date of Grant.

(b) Separation from Service. Separation from service (within the meaning of Section 409A of the Code) by the 409A Award recipient; provided, however, if the 409A Award recipient is a “specified employee” (as defined in Section 1.409A-1(i) of the Treasury Regulations) and any of the Company’s stock is publicly traded on an established securities market or otherwise, exercise or distribution under this Section 8.1(b) may not be made before the date which is six (6) months after the date of separation from service. Nothing herein shall be deemed to extend the date that an Award would otherwise expire under the terms of the Award Agreement and this Plan.

(c) Death. The date of death of the 409A Award recipient.

(d) Disability. The date the 409A Award recipient becomes disabled (within the meaning of Section 8.4(b) hereof).

(e) Unforeseeable Emergency. The occurrence of an unforeseeable emergency (within the meaning of Section 8.4(c) hereof), but only if the net value (after payment of the exercise price) of the number of shares of Common Stock that become issuable does not exceed the amounts necessary to satisfy such emergency plus amounts necessary to pay taxes reasonably anticipated as a result of the exercise, after taking into account the extent to which the emergency is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant’s other assets (to the extent such liquidation would not itself cause severe financial hardship).

(f) Change in Control Event. The occurrence of a Change in Control Event (within the meaning of Section 8.4(a) hereof), including the Company’s discretionary exercise of the right to accelerate vesting of such Award upon a Change in Control Event or to terminate the Plan or any 409A Award granted hereunder within twelve (12) months of the Change in Control Event.

8.2. Term. Notwithstanding anything to the contrary in this Plan or the terms of any 409A Award agreement, the term of any 409A Award shall expire and such Award shall no longer be exercisable on the date that is the later of: (a) two and one-half (2-1/2) months after the end of the Company's taxable year in which the 409A Award first becomes exercisable or distributable pursuant to Section 8 hereof and is not subject to a substantial risk of forfeiture; or (b) two and one-half (2-1/2) months after the end of the 409A Award recipient's taxable year in which the 409A Award first becomes exercisable or distributable pursuant to Section 8 hereof and is not subject to a substantial risk of forfeiture, but not later than the earlier of (i) the expiration of ten (10) years from the date the 409A Award was granted or (ii) the term specified in the 409A Award agreement.

8.3. No Acceleration. A 409A Award may not be accelerated or exercised prior to the time specified in Section 8 hereof, except in the case of one of the following events:

(a) Domestic Relations Order. The 409A Award may permit the acceleration of the exercise or distribution time or schedule to an individual other than the Participant as may be necessary to comply with the terms of a domestic relations order (as defined in Section 414(p)(1)(B) of the Code).

(b) Conflicts of Interest. The 409A Award may permit the acceleration of the exercise or distribution time or schedule to the extent reasonably necessary to avoid the violation of an applicable federal, state or local ethics law or conflicts of interest law (as provided by Treasury Regulations § 1.409A-3(j)(4)(iii)).

(c) Change in Control Event. The Administrator may exercise the discretionary right to accelerate the vesting of such 409A Award upon a Change in Control Event or to terminate the Plan or any 409A Award granted thereunder within twelve (12) months of the Change in Control Event and cancel the 409A Award for compensation. In addition, the Administrator may exercise the discretionary right to accelerate the vesting of such 409A Award provided that such acceleration does not change the time or schedule of payment of such Award and otherwise satisfies the requirements of this Section 8 and the requirements of Section 409A of the Code.

8.4. Definitions. Solely for purposes of this Section 8 and not for other purposes of the Plan, the following terms shall be defined as set forth below:

(a) "Change in Control Event" means the occurrence of a change in the ownership of the Company, a change in effective control of the Company, or a change in the ownership of a substantial portion of the assets of the Company (as defined in Treasury Regulations § 1.409A-3(i)(5)). For example, a Change in Control Event will occur if:

(i) a person or more than one person acting as a group:

(A) acquires ownership of stock that brings such person's or group's total ownership in excess of fifty percent (50%) of the outstanding stock of the Company; or

(B) acquires ownership of thirty-five percent (35%) or more of the total voting power of the Company within a twelve (12) month period; or

(ii) acquires ownership of assets from the Company equal to forty percent (40%) or more of the total value of the Company within a twelve (12) month period.

(b) "Disabled" means a Participant (i) is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, or (ii) is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not

less than twelve (12) months, receiving income replacement benefits for a period of not less than three (3) months under an accident and health plan covering Employees.

(c) “Unforeseeable Emergency” means a severe financial hardship to the Participant resulting from an illness or accident of the Participant, the Participant’s spouse, or a dependent (as defined in Section 152(a) of the Code) of the Participant, loss of the Participant’s property due to casualty, or similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant.

B-14

9. Covenants of the Company.

9.1. Availability of Shares. During the terms of the Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Awards.

9.2. Securities Law Compliance. Each Award Agreement shall provide that no shares of Common Stock shall be purchased or sold thereunder unless and until (a) any then applicable requirements of state or federal laws and regulatory agencies shall have been fully complied with to the satisfaction of the Company and its counsel and (b) if required to do so by the Company, the Participant shall have executed and delivered to the Company a letter of investment intent in such form and containing such provisions as the Administrator may require. The Company shall use reasonable efforts to seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell shares of Common Stock upon exercise of the Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Award or any Common Stock issued or issuable pursuant to any such Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Awards unless and until such authority is obtained.

10. Use of Proceeds from Stock.

Proceeds from the sale of Common Stock pursuant to Awards shall constitute general funds of the Company.

11. Miscellaneous.

11.1. Acceleration of Exercisability and Vesting. The Administrator shall have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest. The Administrator shall inform the Company's accounting department of any such changes to an Award.

11.2. Shareholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Award unless and until such Participant has satisfied all requirements for exercise of the Award pursuant to its terms and no adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date is prior to the date such Common Stock certificate is issued, except as provided in Section 12.1 hereof.

11.3. No Employment or Other Service Rights. Nothing in the Plan or any instrument executed or Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or shall affect the right of the Company or an Affiliate to terminate (a) the employment of an Employee with or without notice and with or without Cause, (b) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (c) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

11.4. Transfer, Approved Leave of Absence. For purposes of the Plan, no termination of employment by an Employee shall be deemed to result from either (a) a transfer to the employment of the Company from an Affiliate or from the Company to an Affiliate, or from one Affiliate to another; or (b) an approved leave of absence for military

service or sickness, or for any other purpose approved by the Company, if the Employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Administrator otherwise so provides in writing.

11.5. Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Award, (a) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Award; and (b) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (i) the issuance of the shares of Common Stock upon the exercise or acquisition of Common Stock under the Award has been registered under a then currently effective registration statement under the Securities Act or (ii) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

11.6. Withholding Obligations. To the extent provided by the terms of an Award Agreement and subject to the discretion of the Administrator, the Participant may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of Common Stock under an Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (a) tendering a cash payment; (b) authorizing the Company to withhold shares of Common Stock from the shares of Common Stock otherwise issuable to the Participant as a result of the exercise or acquisition of Common Stock under the Award, provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law; (c) delivering to the Company previously owned and unencumbered shares of Common Stock of the Company; or (d) by execution of a recourse promissory note by a Participant who is not a Director or executive officer. Unless otherwise provided in the terms of an Option Agreement, payment of the tax withholding by a Participant who is an officer, director or other "insider" subject to Section 16(b) of the Exchange Act by delivering previously owned and unencumbered shares of Common Stock of the Company or in the form of share withholding is subject to pre-approval by the Administrator, in its sole discretion. Any such pre-approval shall be documented in a manner that complies with the specificity requirements of Rule 16b-3, including the name of the Participant involved in the transaction, the nature of the transaction, the number of shares to be acquired or disposed of by the Participant and the material terms of the Award involved in the transaction.

11.7. Right of Repurchase. Each Award Agreement may provide that, following a termination of the Participant's Continuous Service, the Company may repurchase the Participant's unvested Common Stock acquired under the Plan as provided in this Section 11.7 (the "Right of Repurchase"). The Right of Repurchase for unvested Common Stock shall be exercisable at a price equal to the lesser of the purchase price at which such Common Stock was acquired under the Plan or the Fair Market Value of such Common Stock (if an Award is granted solely in consideration of past services without payment of any additional consideration, the unvested Common Stock shall be forfeited without any repurchase). The Award Agreement may specify the period of time following a termination of the Participant's Continuous Service during which the Right of Repurchase may be exercised.

12. Adjustments Upon Changes in Stock.

12.1. Capitalization Adjustments. If any change is made in the Common Stock subject to the Plan, or subject to any Award, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), then (a) the aggregate number of shares of Common Stock or class of shares which may be purchased pursuant to Awards granted hereunder; (b) the aggregate number of shares of Common Stock or class of shares which may be purchased pursuant to Incentive Stock Options granted hereunder; (c) the number and/or class of shares of Common Stock covered by outstanding Options and Awards; (d) the maximum number of shares of Common Stock with respect to which Options may be granted to any single Optionholder during any calendar year; and (e) the exercise price of any Option in effect prior to such change shall be proportionately adjusted by the Administrator to reflect any increase or decrease in the number of issued shares of Common Stock or change in the Fair Market Value of such Common Stock resulting from such transaction; provided, however, that any fractional shares resulting from the adjustment may be eliminated by a cash payment. The Administrator shall make such adjustments in a manner that is intended to provide an appropriate adjustment that neither increases nor decreases the value of such Award as in effect immediately prior to such corporate change, and its determination shall be final, binding and conclusive. The conversion of any securities of the Company that are by their terms convertible shall not be treated as a transaction "without receipt of consideration" by the Company.

12.2. Dissolution or Liquidation. In the event of a dissolution or liquidation of the Company, then all outstanding Awards shall terminate immediately prior to such event.

12.3. Change in Control – Asset Sale, Merger, Consolidation or Reverse Merger. In the event of a Change in Control, a dissolution or liquidation of the Company, or any corporate separation or division, including, but not limited to, a split-up, a split-off or a spin-off, or a sale, in one or a series of related transactions, of all or substantially all of the assets of the Company; a merger or consolidation in which the Company is not the Surviving Entity; or a reverse merger in which the Company is the Surviving Entity, but the shares of Common Stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise, then the Company, to the extent permitted by applicable law, but otherwise in the sole discretion of the Administrator may provide for: (a) the continuation of outstanding Awards by the Company (if the Company is the Surviving Entity); (b) the assumption of the Plan and such outstanding Awards by the Surviving Entity or its parent; (c) the substitution by the Surviving Entity or its parent of Awards with substantially the same terms (including an award to acquire the same consideration paid to the shareholders in the transaction described in this Section 12.3) for such outstanding Awards and, if appropriate, subject to the equitable adjustment provisions of Section 12.1 hereof; (d) the cancellation of such outstanding Awards in consideration for a payment (in the form of stock or cash) equal in value to the Fair Market Value of vested Awards, or in the case of an Option, the difference between the Fair Market Value and the exercise price for all shares of Common Stock subject to exercise (i.e., to the extent vested) under any outstanding Option; or (e) the cancellation of such outstanding Awards without payment of any consideration. If such Awards would be canceled without consideration for vested Awards, the Participant shall have the right, exercisable during the later of the ten (10) day period ending on the fifth day prior to such merger or consolidation or ten (10) days after the Administrator provides the Award holder a notice of cancellation, to exercise such Awards in whole or in part without regard to any installment exercise provisions in the Option Agreement.

13. Amendment of the Plan and Awards.

13.1. Amendment of Plan. The Board at any time, and from time to time, may amend or terminate the Plan. However, except as provided in Section 12.1 relating to adjustments upon changes in Common Stock, no amendment shall be effective unless approved by the shareholders of the Company to the extent shareholder approval is necessary to satisfy any applicable law or any securities exchange listing requirements. At the time of such amendment, the Board shall determine, upon advice from counsel, whether such amendment will be contingent on shareholder approval.

13.2. Shareholder Approval. The Board may, in its sole discretion, submit any other amendment to the Plan for shareholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers.

13.3. Contemplated Amendments. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options or to the nonqualified deferred compensation provisions of Section 409A of the Code and/or to bring the Plan and/or Awards granted under it into compliance therewith.

13.4. No Impairment of Rights. Rights under any Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (a) the Company requests the consent of the Participant and (b) the Participant consents in writing. However, a cancellation of an Award where the Participant receives a payment equal in value to the Fair Market Value of the vested Award or, in the case of vested Options, the difference between the Fair Market Value and the exercise price, shall not be an impairment of the Participant's rights that requires consent of the

Participant.

13.5. Amendment of Awards. The Administrator at any time, and from time to time, may amend the terms of any one or more Awards; provided, however, that the Administrator may not effect any amendment which would otherwise constitute an impairment of the rights under any Award unless (a) the Company requests the consent of the Participant and (b) the Participant consents in writing. For the avoidance of doubt, the cancellation of a vested Award where the Participant receives a payment equal in value to the Fair Market Value of the vested Award or, in the case of vested Options, the difference between the Fair Market Value of the Common Stock underlying the Option and the aggregate exercise price, shall not be an impairment of the Participant's rights that requires consent of the Participant.

14. General Provisions.

14.1. Other Compensation Arrangements. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

14.2. Recapitalizations. Each Award Agreement shall contain provisions required to reflect the provisions of Section 12.1.

14.3. Delivery. Upon exercise of a right granted pursuant to an Award under this Plan, the Company shall issue Common Stock or pay any amounts due within a reasonable period of time thereafter. Subject to any statutory or regulatory obligations the Company may otherwise have, for purposes of this Plan, thirty (30) days shall be considered a reasonable period of time.

14.4. Other Provisions. The Award Agreements authorized under the Plan may contain such other provisions not inconsistent with this Plan, including, without limitation, restrictions upon the exercise of the Awards, as the Administrator may deem advisable.

14.5. Cancellation and Rescission of Awards for Detrimental Activity.

(a) Upon exercise, payment or delivery pursuant to an Award, the Participant shall certify in a manner acceptable to the Company that the Participant has not engaged in any Detrimental Activity described in Section 2.19.

(b) Unless the Award Agreement specifies otherwise, the Administrator may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid or deferred Awards at any time if the Participant engages in any Detrimental Activity described in Section 2.19.

(c) In the event a Participant engages in Detrimental Activity described in Section 2.19 after any exercise, payment or delivery pursuant to an Award, during any period for which any restrictive covenant prohibiting such activity is applicable to the Participant, such exercise, payment or delivery may be rescinded within one (1) year thereafter. In the event of any such rescission, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the exercise, payment or delivery, in such manner and on such terms and conditions as may be required by the Company. The Company shall be entitled to set-off against the amount of any such gain any amount owed to the Participant by the Company.

14.6. Disqualifying Dispositions. Any Participant who shall make a “disposition” (as defined in Section 424 of the Code) of all or any portion of shares of Common Stock acquired upon exercise of an Incentive Stock Option within two (2) years from the Date of Grant of such Incentive Stock Option or within one (1) year after the issuance of the shares of Common Stock acquired upon exercise of such Incentive Stock Option shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such shares of Common Stock.

15. Market Stand-Off.

Each Option Agreement and Award Agreement shall provide that, in connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act, the Participant shall agree not to sell, make any short sale of, loan, hypothecate, pledge, grant any option for the repurchase of, transfer the economic consequences of ownership or otherwise dispose or transfer for value or otherwise agree to engage in any of the foregoing transactions with respect to any Common Stock without the prior written consent of the Company or its underwriters, for such period of time from and after the effective date of such

registration statement as may be requested by the Company or such underwriters (the “Market Stand-Off”). In order to enforce the Market Stand-Off, the Company may impose stop-transfer instructions with respect to the shares of Common Stock acquired under this Plan until the end of the applicable stand-off period. If there is any change in the number of outstanding shares of Common Stock by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification, dissolution or liquidation of the Company, any corporate separation or division (including, but not limited to, a split-up, a split-off or a spin-off), a merger or consolidation; a reverse merger or similar transaction, then any new, substituted or additional securities which are by reason of such transaction distributed with respect to any shares of Common Stock subject to the Market Stand-Off, or into which such shares of Common Stock thereby become convertible, shall immediately be subject to the Market Stand-Off.

B-18

16. Effective Date of Plan.

The Plan became effective as of the Effective Date. No Award granted on or after the Effective Date may be exercised (or, in the case of a stock Award, may be granted) unless and until the Plan has been approved by the shareholders of the Company, which approval shall be within twelve (12) months before or after the date the Plan is adopted by the Board.

17. Termination or Suspension of the Plan.

The Plan shall terminate automatically on the day before the tenth (10th) anniversary of the Effective Date. No Award shall be granted pursuant to the Plan after such date, but Awards theretofore granted may extend beyond that date. The Board may suspend or terminate the Plan at any earlier date pursuant to Section 13.1 hereof. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

18. Choice of Law.

The law of the State of Texas shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of law rules.

19. Execution.

To record the adoption of the Plan by the Board, the Company has caused its authorized officer to execute the Plan as of the date specified below.
