Item 1.01 Entry Into A Material Definitive Agreement

On October 28, 2009 Doral Energy Corp. (the Company) has, through its wholly owned subsidiary, Doral West Corp., entered into an agreement (the Blugrass Agreement) with Blugrass Energy Inc. (Blugrass) to purchase a 40% interest in certain oil and gas properties (the Cave Pool Unit Properties) located in and around the Cave Pool Unit located in Eddy County, New Mexico. The Cave Pool Unit Properties are adjacent to 3 leases currently owned and operated by the Company.

The Cave Pool Unit Properties were acquired by Blugrass from Robinhood L.L.C. on October 12, 2009. Under the terms of the Blugrass Agreement, the Company will acquire 40% of Blugrass right, title and interest in and to the Cave Pool Unit Properties, including the production and sales generated from those properties. In consideration for this interest, the Company will:

- (1) Grant Blugrass access to all of the Company s geological and engineering data on those of the Company s oil and gas properties that are located adjacent to the Cave Pool Unit Properties;
- (2) Pay for the preparation of an independent third party reserve report on the Cave Pool Unit Properties;
- (3) Pay for and obtain title opinions for the Cave Pool Unit Properties within 6 months of closing; and
- (4) Act as the operator for the Cave Pool Unit Properties. The Company and Blugrass are currently finalizing the terms of a joint operating agreement for the Cave Pool Unit Properties.

Blugrass has agreed to pay for the first \$200,000 of well repairs and workovers on the Cave Pool Unit Properties, with the Company and Blugrass proportionately sharing cost of repairs and workovers thereafter. The Company has currently identified 10 shut-in wells on the Cave Pool Unit Properties that it intends to rework and return to production.

In addition, the Company has an option, exercisable for a period of 24 months from closing, to purchase all of Blugrass remaining interest in the Cave Pool Unit Properties at the greater of:

- (a) \$2,000,000; or
 - (b) \$40,000 per producing net barrel of oil equivalent per day (BOEPD) from the Cave Pool Unit Properties.
- After the option period, the Company shall have a right of first refusal in the event that Blugrass decides to sell the Cave Pool Unit Properties.
