The following is a brief account of the education and business experience during at least the past five years of each director, executive officer and key employee of our company, indicating the person's principal occupation during that period, and the name and principal business of the organization in which such occupation and employment were carried out.

Mr. Nawrot's company Gospodarstwo Orgodniczo Pieczarskie is involved in the commercial production of mushrooms only; it is not a consulting company to the mushroom industry. Even though Mr. Nawrot has not provided consulting services to mushroom growers, his has over 22 years of experience in mushroom growing industry. His experience, qualifications and attributes have led to our conclusion that Mr. Ireneusz Antoni Nawrot should be serving as a member of our Board of Directors in light of our business and structure. Mr. Nawrot has not been a member of the board of directors of any corporations during the last five years

Odelio Arouca

Mr. Arouca has over eight years of experience in private equity. There are no family relationships between any of our directors, executive officers and proposed directors or executive officers.

Involvement in Certain Legal Proceedings

Edgar Filing: Indigo International, Corp. - Form SC 14F1

None of our directors, executive officers, promoters or control persons, or any proposed directors, has been involved in any of the following events during the past five years:

- a bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;
-

- conviction in a criminal proceeding or being subject to a pending criminal proceeding, excluding traffic violations and other minor offenses;
- being subject to any order, judgement or decree, not substantially reversed, suspended or vacated, of any court of competent jurisdiction, permanently enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking business; and/or
- being found by a court of competent jurisdiction, in a civil action, the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgement has not been reversed, suspended or vacated.

Legal Proceedings

We know of no material, existing or pending legal proceedings against us, nor are we involved as a plaintiff in any material proceeding or pending litigation. There are no proceedings in which any of our directors, officers or affiliates, or any registered or beneficial shareholder, is an adverse party or has a material interest adverse to our company.

CORPORATE GOVERNANCE

Our board of directors held no formal meetings during the most recently completed fiscal year ended November 30, 2010. All proceedings of the board of directors were conducted by resolutions consented to in writing by our directors and filed with the minutes of the proceedings of the board. Such resolutions consented to in writing by our directors are, according to the corporate laws of the State of Nevada and our By-laws, as valid and effective as if they had been passed at a meeting of the board of directors duly called and held.

Nominating and Audit Committee

As of the date of this Information Statement, we currently do not have nominating, compensation or audit committees or committees performing similar functions nor do we have a written nominating, compensation or audit committee charter. Our board of directors does not believe that it is necessary to have such committees because it believes that the functions of such committees can be adequately performed by our board of directors.

As of the date of this Information Statement, our board of directors has determined that Mr. Nowrot qualifies as independent as defined by Rule 4200(a)(15) of the NASDAQ Marketplace Rules. Upon his resignation expected 10 days after this Schedule 14f-1 is filed and mailed, no director will qualify as independent .

None of our directors qualify as an audit committee financial expert . We believe that our board of directors is capable of analyzing and evaluating our financial statements and understanding internal controls and procedures for financial reporting. We believe that retaining an independent director who would qualify as an audit committee financial expert would be overly costly and burdensome and is not warranted in our circumstances given the small size of our business and the fact that we have not generated any material revenues to date.

We do not have any defined policy or procedure requirements for shareholders to submit recommendations or nominations for directors. Our board of directors believes that, given the early stages of our development, a specific nominating policy would be premature and of little assistance until our business operations develop to a more advanced level. We do not currently have any specific or minimum criteria for the election of nominees to our board of directors and we do not have any specific process or procedure for evaluating such nominees. Our board of directors assesses all candidates, whether submitted by management or shareholders, and makes recommendations for election or appointment.

A shareholder who wishes to communicate with our board of directors may do so by directing a written request addressed to the address appearing on the first page of this Information Statement.

Code of Business Conduct and Ethics

As of the date of this Information Statement, we have not adopted a corporate code of business conduct and ethics.

Mr. Nawrot will be repaid from revenues of operations if and when we generate revenues to repay the obligation. There is no assurance that we will ever generate revenues from our operations. The obligation to Mr. Nawrot is based on an oral contract and does not bear interest. There is no written agreement evidencing the advancement of funds by Mr. Nawrot or the repayment of the funds to Mr. Nawrot.
