PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Company has determined that it is required to file its annual report for the year ended December 31, 2014 with the Securities Exchange Commission on Form 20-F as it is not eligible to file its annual report on Form 40-F for this fiscal year. As a result of being required to file on Form 20-F, the Company has become subject to the additional financial statement requirements of Item 3-09 of Regulation S-X. The Company was not subject to the financial statement requirements of Item 3-09 of Regulation S-X for the fiscal years ended December 31, 2013 and 2012 as it filed its annual report on Form 40-F for each of these fiscal years. The financial statement requirements of Item 3-09 of Regulation S-X will require that the Company include with its Form 20-F for the year ended December 31, 2014 the separate audited financial statements of the Pebble Limited Partnership ("PLP"), which was an "equity method investee", as contemplated in Item 3-09 of Regulation S-X, during (i) the fiscal year ended December 31, 2012, and (ii) the period from January 1, 2013 to December 10, 2013, being the date that PLP became a wholly owned subsidiary of the Company. The separate audited financial statements of PLP could not be completed without unreasonable effort or expense given that the separate financial statements had not been prepared in connection with the audit of the Company's financial statements for the prior years ended December 31, 2013 and 2012. Accordingly, the requirements to complete the preparation and audit of the separate financial statements of PLP will result in delay in the filing of the Form 20-F.

The Company anticipates that the Form 20-F will be filed on or before the fifteenth calendar day following the prescribed due date.
