PROXY STATEMENT

ABOUT THE ANNUAL MEETING

Who Is Soliciting My Vote?

The Board of Directors of j2 Global, Inc. (“j2 Global” or the “Company”) is soliciting your vote at the 2013 Annual Meeting of j2 Global’s stockholders (the “Annual Meeting”).

What Will I Be Voting On?

1. A proposal to elect six members to the j2 Global Board of Directors (see page 4);
2. A proposal to ratify the appointment of SingerLewak LLP (“SingerLewak”) to serve as j2 Global’s independent auditors for fiscal 2013 (see page 7); and
3. A proposal to provide an advisory vote on the compensation of j2 Global’s named executive officers (see page 8).

How Many Votes Do I Have?

You will have one vote for every share of j2 Global common stock you owned at the close of business on March 19, 2013 (the “record date”).

How Many Votes Can Be Cast By All Stockholders?

45,968,901, which represents the total number of shares of j2 Global common stock that were outstanding and eligible to vote on the record date.

How Many Votes Must Be Present to Hold the Meeting?

A majority of the votes that can be cast, or 22,984,451 votes. We urge you to vote by proxy even if you plan to attend the Annual Meeting so that we will know as soon as possible that enough votes will be present for us to hold the Annual Meeting.

What is the Required Vote to Approve Each Proposal?

For Proposal 1 – Election of Directors – to be elected to the j2 Global Board of Directors, each of the six nominees must receive the affirmative vote of the majority of shares of j2 Global common stock present or represented by proxy and voting at the Annual Meeting (meaning the number of shares voted “for” a nominee must exceed the number of shares voted “against” such nominee). If the votes cast “for” a nominee do not exceed the votes cast “against” a nominee, pursuant

to our Corporate Governance Guidelines, the nominee must promptly tender his resignation for consideration by the Company's Corporate Governance and Nominating Committee, which will recommend to the Board of Directors the action to be taken.

- 1 -

For Proposal 2 – Ratification of Selection of Independent Auditors – and Proposal 3 – Advisory Vote on the Compensation of the Named Executive Officers – approval requires the affirmative vote of holders of a majority of shares of j2 Global common stock present or represented and entitled to vote at the Annual Meeting.

How Do I Vote?

If you are a stockholder of record, you can vote either in person at the Annual Meeting, by proxy without attending the Annual Meeting or as otherwise provided in this mailing. To vote by proxy, you must fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope.

If you own your j2 Global stock through a bank or broker, you may instruct your broker or other nominee to vote your shares by following the instructions that the broker or nominee provides to you. Most brokers offer voting by mail, by telephone and on the Internet.

If you want to vote in person at the Annual Meeting and you hold your j2 Global stock through a bank or broker (that is, in street name), you must obtain a proxy from your bank or broker and bring that proxy to the Annual Meeting.

Can I Revoke My Proxy?

Yes. If you are a stockholder of record, just send in a new proxy card with a later date or send a written notice of revocation to j2 Global's Secretary at 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028. If you own your j2 Global stock through a bank or broker, follow the instructions provided by your bank or broker. In addition, if you are a stockholder of record, attend the Annual Meeting and want to vote in person, you can request that your previously submitted proxy not be used. Attendance at the Annual Meeting will not by itself revoke a proxy.

What If I Don't Vote For a Matter Listed On My Proxy Card?

If you return a proxy card without indicating your vote, your shares will be voted FOR the director nominees listed on the card, FOR ratification of the appointment of SingerLewak as j2 Global's independent auditors, FOR approval of an advisory resolution approving the compensation paid to j2 Global's named executive officers, and otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Annual Meeting.

What If I Vote "Abstain"?

Abstentions are counted as votes present for purposes of determining whether a quorum exists for the transaction of business at the Annual Meeting. An abstention has no effect on the outcome of Proposal 1 – Election of Directors. An abstention has the same effect as a vote against Proposal 2 – Ratification of Selection of Independent Auditors – and Proposal 3 – Advisory Vote on Compensation of the Named Executive Officers.

Can My Shares Be Voted If I Don't Return My Proxy Card and Don't Attend the Annual Meeting?

If you don't vote your shares held in street name, your broker will not be able to vote your shares on certain matters scheduled to come before the Annual Meeting. If you want your vote to count in the

election of directors, it is critical that you cast your vote on Proposal 1 – Election of Directors. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your broker was allowed to vote those shares on your behalf as it felt appropriate. Recent changes in regulation take away the ability of your broker to vote your uninstructed shares in the election of directors on a discretionary basis. In addition, your broker is not permitted to vote your uninstructed shares on Proposal 3 – Advisory Vote on Compensation of the Named Executive Officers. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, or the approval, on an advisory basis, of compensation of the named executive officers, no votes will be cast on your behalf. Your broker will, however, continue to have discretion to vote any uninstructed shares on Proposal 2 – Ratification of Selection of Independent Auditors.

If your broker does not have discretion to vote your shares held in street name on a particular proposal and you don't give your broker instructions on how to vote your shares, or your broker has such discretion but does not exercise it, the votes will be broker non-votes, which will be counted for purposes of determining whether a quorum is present for transaction of business at the Annual Meeting. Broker non-votes will have no effect on the vote for Proposal 1 – Election of Directors, Proposal 2 – Ratification of Selection of Independent Auditors or Proposal 3 – Advisory Vote on Compensation of the Named Executive Officers.

If you are the owner of record, and you don't vote your shares held in your name, your shares will not be counted as present for purposes of determining whether a quorum exists for transaction of business at the Annual Meeting, and no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

What Happens if the Meeting is Postponed or Adjourned?

Your proxy will still be good and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

Who Can I Contact if I Have Questions Concerning the Annual Meeting?

If you have any further questions about voting your shares or attending the Annual Meeting, or wish to obtain directions to the Annual Meeting, please call or email j2 Global's Investor Relations Department at 323-657-5371 or investor@j2global.com.

Director Backgrounds and Qualifications

The following paragraphs provide information as of the date of this proxy statement about each director nominee. The information presented includes information each director has given us about his age, all positions he holds, his principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he currently serves as a director or has served as a director during the past five years. Also included is a brief discussion of the specific experience, qualifications, attributes and skills of each nominee that led our Board of Directors to the conclusion that the nominee should serve as a director. In addition to the specifically noted criteria, j2 Global believes that each nominee has a reputation for integrity and honesty and has demonstrated business acumen and an ability to exercise sound judgment.

Richard S. Ressler has been Chairman of the Board of Directors and a director of j2 Global since 1997, and served as j2 Global's Chief Executive Officer from 1997 to 2000, serving in each of these capacities pursuant to a consulting agreement between j2 Global and Orchard Capital Corporation ("Orchard Capital"). Mr. Ressler is the founder and President of Orchard Capital, a firm that provides consulting and advisory services to companies (including j2 Global) in which Orchard Capital or its affiliates invest. He has been President of Orchard Capital since 1994. Through his affiliation with Orchard Capital, Mr. Ressler serves in various senior capacities with, among others, CIM Group, L.P., (together with its affiliates, "CIM"), a real estate investment and management company and Orchard First Source Asset Management (together with its affiliates, "OFSAM"), an investment adviser focusing on middle market debt investments. Both OFSAM and its wholly owned subsidiary, OFS Capital Management, LLC, are registered with the U.S. Securities and Exchange Commission as registered investment advisers. Mr. Ressler also serves as a board member for various private companies in which Orchard Capital or its affiliates invest. Mr. Ressler's extensive experience with, and knowledge of, business management and finance are invaluable to our Board's discussions.

Douglas Y. Bech has served as a director of j2 Global since November 2000. From August 1988 through November 2000, he served as a director of eFax.com, a company j2 Global acquired in November 2000. Since August 1997, Mr. Bech has served as Chairman and Chief Executive Officer of Raintree Resorts International, a company that owns and operates vacation ownership resorts throughout North America. Mr. Bech practiced securities and corporate finance law from 1970 until 1997. He has served on the board of Frontier Oil Corporation since 1993, which merged with Holly Corporation in July 2011 and is now Hollyfrontier Corporation, and is currently the lead independent director of Hollyfrontier. Mr. Bech's previous work as a securities and corporate finance lawyer, as a director of another public company and his current experience as a chief executive officer of a private enterprise engaged in marketing, management and consumer finance in three different countries provide expertise on corporate governance and a unique perspective to the Board.

Robert J. Cresci has been a director of j2 Global since 1998. Mr. Cresci has been a Managing Director of Pecks Management Partners Ltd., an investment management firm, since 1990. He currently serves on the boards of Luminex Corporation and OFS Capital Corporation. Mr. Cresci previously served on the board of Continucare Corporation until 2011 and the board of Sepracor, Inc. until 2009. Mr. Cresci's extensive knowledge of investment management and accounting from his experience with Pecks Management Partners and his experience serving on other public company boards of directors have proven invaluable to our Board's discussions regarding investment strategies, accounting issues and public company matters.

W. Brian Kretzmer was elected to j2 Global's Board of Directors in July 2007. He is currently an investor in several private firms where he serves in multiple capacities. From 1999 to 2006, Mr. Kretzmer was Chief Executive Officer of MAI Systems Corporation (which operated principally through its

subsidiary Hotel Information Systems), a provider of enterprise management solutions for lodging organizations. He also served as Chief Financial Officer of MAI Systems Corporation from 1999 to 2000. Mr. Kretzmer's experience with MAI Systems Corporation provides the Board a valuable operational and financial perspective and accounting expertise.

Stephen Ross was elected to j2 Global's Board of Directors in July 2007. From 1989 to the present, he has served in various positions with Warner Bros Entertainment, Inc. He is currently Executive Vice President – Recreational Enterprises. Until 2009, Mr. Ross also served as a director of Grill Concepts, Inc., a restaurant company. Mr. Ross' more than 20 years of broad experience with one of the world's premiere entertainment companies provides the Board a unique perspective.

Michael P. Schulhof has been a director of j2 Global since 1997. Mr. Schulhof is a managing partner of GTI Capital Group, a New York and India based firm that specializes in private equity investments, as well as advisory services in the aerospace, healthcare, energy and media sectors. From 1993 to 1996, he was President and Chief Executive Officer of Sony Corporation of America. Mr. Schulhof is a member of the Board of Trustees of the Solomon R. Guggenheim Foundation, an Honorary Trustee of the Brookings Institution and Chairman of the American Hospital of Paris Foundation. Mr. Schulhof's extensive experience with global business operations and finance, together with his leadership roles with major educational, charitable and arts institutions, brings the Board a diverse and valuable perspective.

PROPOSAL 2 — RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

General

The Audit Committee of the Board of Directors has selected SingerLewak as independent auditors for j2 Global for the fiscal year ending December 31, 2013. SingerLewak has served as j2 Global's independent auditors since March 2007. Notwithstanding the ratification of SingerLewak as j2 Global's independent auditors, the Audit Committee, in its discretion, may direct appointment of new independent auditors at any time during the year if the Audit Committee believes that such a change would be in the best interests of j2 Global and its stockholders. In addition, if the stockholders do not ratify the appointment of SingerLewak, the Audit Committee will consider the appointment of other independent auditors, but is not required to do so. Representatives of SingerLewak are expected to be present at the Annual Meeting and available to respond to appropriate questions. Those representatives will have the opportunity to make a statement if they wish to do so.

Vote Required

Ratification of SingerLewak as j2 Global's auditors for the fiscal year ending December 31, 2013, requires the affirmative vote of the holders of a majority of shares of j2 Global common stock present or represented and entitled to vote at the Annual Meeting.

THE j2 GLOBAL BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2 – RATIFICATION OF SELECTION OF SINGERLEWAK AS j2 GLOBAL'S INDEPENDENT AUDITORS.

PROPOSAL 3 — ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

j2 Global is seeking approval of an advisory resolution on its compensation of the named executive officers, as reported in this proxy statement. As described below in the “Compensation Discussion and Analysis” section of this proxy statement, the Compensation Committee has structured j2 Global’s executive compensation program to link compensation to continuous improvements in corporate performance and increase in stockholder value. j2 Global’s executive compensation program goals include the following:

to establish pay levels that attract, retain and motivate highly qualified executive officers, while considering the overall market competitiveness for such executive talent and balancing the relationship between total stockholder return and direct compensation;

to align executive officer remuneration with the interests of the stockholders;

to recognize superior individual performance;

to balance base and incentive compensation to complement j2 Global’s annual and longer-term business objectives and strategies and encourage the fulfillment of those objectives and strategies through executive officer performance; and

to provide compensation opportunities based on j2 Global’s performance.

j2 Global urges stockholders to read the “Compensation Discussion and Analysis” beginning on page 19 of this proxy statement, which describes in more detail how j2 Global’s executive compensation policies and procedures operate and are designed to achieve its compensation goals, as well as the Summary Compensation Table and other related compensation tables and narrative, appearing on pages 27 through 32, which provide detailed information on the compensation of j2 Global’s named executive officers. The Compensation Committee and the Board of Directors believe that the policies and procedures articulated in the “Compensation Discussion and Analysis” are effective in achieving j2 Global’s goals, and that the compensation of the named executive officers reported in this proxy statement has contributed to the Company’s recent and long-term success.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), j2 Global is asking stockholders to approve the following advisory resolution at the 2013 Annual Meeting of Stockholders:

RESOLVED, that the stockholders of j2 Global, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2013 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a “say-on-pay” resolution, is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee will review and consider the voting results when making future decisions regarding the Company’s executive compensation program.

THE J2 GLOBAL BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 3 – APPROVAL OF THE ADVISORY RESOLUTION ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

CORPORATE GOVERNANCE

j2 Global's Board of Directors has adopted Corporate Governance Principles and a Code of Business Conduct and Ethics (the "Code"), which are both posted, along with the charters for the Audit, Compensation and Corporate Governance and Nominating Committees, in the corporate governance section of j2 Global's website at <http://investor.j2global.com/documents.cfm>.

Corporate Governance Principles

j2 Global's Corporate Governance Principles provide guidelines that govern the qualifications and conduct of the Board of Directors. The Corporate Governance Principles are consistent with the corporate governance requirements of the Sarbanes-Oxley Act of 2002 ("SOX") and the corporate governance listing requirements applicable to companies whose securities are listed on the Nasdaq Global Select Market (the "Nasdaq listing standards"). The Corporate Governance Principles address, among other things:

the independence and other qualifications of members of the j2 Global Board of Directors and its committees. The Corporate Governance Principles provide that a majority of the directors, and all members of the Audit, Compensation and Corporate Governance and Nominating Committees, shall be independent of j2 Global and its management;

the functions of the Board of Directors in relation to oversight of j2 Global;

the selection, evaluation and approval of compensation of j2 Global's executive officers;

the organization and basic function of committees of the Board of Directors; and

the authority of the Board of Directors and committees to engage outside advisors.

Code of Business Conduct and Ethics

j2 Global's Code of Business Conduct and Ethics applies to all directors, officers and employees of j2 Global, including j2 Global's Chief Executive Officer, President, Chief Financial Officer, Chief Accounting Officer and Vice President, General Counsel & Secretary. The Code embodies j2 Global's commitment to conduct its business in accordance with all applicable laws, rules and regulations, and the highest ethical standards. The Code is posted on the corporate governance page of j2 Global's website, and can be accessed at <http://investor.j2global.com/documents.cfm>.

Board Leadership

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the different responsibilities fulfilled by the Chief Executive Officer and the Chairman of the Board at j2 Global. The Chief Executive Officer is responsible for setting the strategic direction for j2 Global and for the day-to-day leadership and performance of j2 Global, while the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for, and presides over, meetings of the Board of Directors.

Director Independence

Douglas Y. Bech, Robert J. Cresci, W. Brian Kretzmer, Stephen Ross and Michael P. Schulhof are independent directors, as defined in the Nasdaq listing standards and as determined by j2 Global's Board of Directors.

In July 2010, Congress adopted the Dodd Frank Wall Street Reform and Consumer Protection Act. As part of this legislation, Congress commissioned the Securities and Exchange Commission (“SEC”) to issue rules requiring that members of the compensation committees of the board of directors of publicly listed companies and their compensation advisors be independent. In January 2013, the SEC approved proposed Nasdaq listing standards relating to the independence of compensation committees and their compensation advisors. The Company has reviewed the new independence criteria approved by the SEC to ensure that the members of its Compensation Committee and its compensation advisors will meet the new independence requirements.

Communications with the Board of Directors and the Audit Committee

The Board of Directors welcomes communications from stockholders and has adopted a procedure for receiving and addressing them. Interested parties may also submit complaints regarding accounting, internal accounting controls or auditing matters to j2 Global’s Audit Committee. Stockholders may send written communications to the entire Board of Directors, to the Audit Committee or to individual members, addressing them to j2 Global, Inc., 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028, Attention: Corporate Secretary. Communications by e-mail should be addressed to investor@j2global.com and marked “Attention: Corporate Secretary” in the “Subject” field.

The Board of Directors has instructed the Secretary to review all communications so received (via e-mail or otherwise), and to exercise his discretion not to forward to members of the Board of Directors correspondence that is inappropriate, such as business solicitations, frivolous communications, advertising, routine business matters (i.e., business inquiries, complaints or suggestions) and personal grievances. However, any director may at any time request the Secretary to forward any and all communications received by the Secretary but not forwarded to the Board of Directors.

Risk Management

The Board of Directors plays an active role, as a whole and also at the committee level, in overseeing management of j2 Global’s risks and strategic direction. The Board of Directors regularly reviews information regarding j2 Global’s liquidity and operations, as well as the risks associated with each. j2 Global’s Compensation Committee is responsible for overseeing the management of risks relating to j2 Global’s executive compensation plans and arrangements. The Audit Committee oversees the process by which j2 Global’s senior management and the relevant departments assess and manage j2 Global’s exposure to, and management of, financial risks. The Corporate Governance and Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed about such risks.

MEETINGS AND COMMITTEES OF THE BOARD

Board Meetings and Attendance at Annual Meeting

The Board of Directors of j2 Global held a total of nine meetings during 2012 and also conducted business by written consent. During 2012, each director attended at least seventy-five percent (75%) of all of the meetings of the Board of Directors and the committees of which he was a member. j2 Global encourages, but does not require, members of the Board of Directors to attend annual stockholder meetings. Five of j2 Global’s six directors attended j2 Global’s 2012 Annual Meeting of Stockholders.

Executive Sessions

In accordance with j2 Global's Corporate Governance Principles, executive sessions of non-management directors are held at least twice a year. The sessions are scheduled and chaired by the Chairman of the Audit Committee. Any non-management director can request that an additional executive session be scheduled.

Board Committees

The Board of Directors has established four standing committees: Audit, Compensation, Corporate Governance and Nominating, and Executive. The Audit, Compensation and Corporate Governance and Nominating Committees are composed solely of independent directors as defined in the Nasdaq listing standards and determined by the Board of Directors. The charters of the Audit, Compensation and Corporate Governance and Nominating Committees are each posted on the corporate governance portion of j2 Global's website at <http://investor.j2global.com/documents.cfm>.

Audit Committee

The Audit Committee currently consists of Messrs. Kretzmer, Ross and Cresci, who is the Chairman of the Committee. The Audit Committee is comprised solely of directors who meet all the independence standards for audit committee members as set forth in SOX, the rules of the SEC adopted pursuant to SOX and the Nasdaq listing standards. The Board of Directors has determined that Mr. Cresci is an "audit committee financial expert" as that term is defined in the SEC rules adopted pursuant to SOX and that he has accounting or related financial management expertise, in each case in accordance with the rules of the SEC and the Nasdaq listing standards. The Board of Directors has determined that each member of the Audit Committee is able to read and understand fundamental financial statements. The Audit Committee is responsible for, among other things, retaining and overseeing j2 Global's independent auditors, approving the services performed by them and reviewing j2 Global's financial reports and reporting process, accounting principles and its system of internal accounting controls. The Audit Committee held seven meetings in 2012. See the "Audit Committee Report" below.

Compensation Committee

The Compensation Committee currently consists of Messrs. Bech, Cresci and Schulhof, who is the Chairman of the Committee. The Compensation Committee is comprised solely of directors who meet all the independence standards for compensation committee members as set forth in the Nasdaq listing standards. The Compensation Committee is responsible for, among other things:

- administering j2 Global's compensation programs, including its stock-based compensation plans;

- reviewing the performance of j2 Global's executives and recommending to the Board of Directors, for approval by a majority of independent directors, goals and objectives, as well as compensation (including, salary, bonus and equity grants) for j2 Global's executives;

- periodically evaluating compensation paid to non-management members of the Board of Directors, including monitoring the competitiveness and composition of director compensation;

- recommending to the Board of Directors changes to j2 Global's compensation policies and benefits programs; and

otherwise seeking to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented.

The Compensation Committee also has the authority to retain and terminate compensation consultants. The Compensation Committee retained Pearl Meyer & Partners, LLC ("Pearl Meyer") as its compensation consultant for fiscal 2012, to provide information to the Compensation Committee related to compensation of our peer group of comparison companies.

The Compensation Committee's charter does not provide for the delegation of the Compensation Committee's responsibilities. The Compensation Committee held six meetings in 2012. See the "Compensation Committee Report" below.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee currently consists of Messrs. Kretzmer, Schulhof and Bech, who is the Chairman of the Committee. The Corporate Governance and Nominating Committee is responsible for, among other things:

identifying, evaluating and nominating qualified individuals to become director nominees at j2 Global's annual meetings of stockholders or to fill vacancies occurring between annual meetings of stockholders;

recommending members of the Board of Directors for nomination to, or to fill vacancies on, the standing committees of the Board of Directors;

developing and recommending to the Board of Directors standards for addressing conflicts of interest;

developing, recommending to the Board of Directors and reviewing j2 Global's Corporate Governance Principles; and

evaluating the performance of the Board of Directors and its committees.

The Corporate Governance and Nominating Committee has not established specific minimum age, education, experience or skill requirements for potential director nominees. In selecting director nominees, the Corporate Governance and Nominating Committee takes into consideration various factors to find candidates that will be able to represent the interests of the stockholders, including judgment, skill, diversity, integrity, educational background, experience with businesses and other organizations of a comparable size, the interplay of the candidate's experience with that of the other members of the Board of Directors and the extent to which a candidate would be a desirable addition to the Board of Directors and any committees of the Board of Directors. Although the Corporate Governance and Nominating Committee does not have a formal policy with respect to diversity, in accordance with the Company's Corporate Governance Principles, the Corporate Governance and Nominating Committee endeavors to seek nominees representing diverse experience in policy-making positions in business and technology, and in areas that are relevant to the Company's global activities. The Corporate Governance and Nominating Committee evaluates the diversity in experience of its directors annually in recommending the slate of nominees to the full Board of Directors, and j2 Global believes that the current Board of Directors reflects the diversity of experience it seeks.

The Corporate Governance and Nominating Committee may consider candidates proposed by management or by stockholders, but is not limited to such candidates. The Corporate Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same way that it evaluates candidates recommended by other sources. j2 Global sets forth its policy with regard to

the consideration of any director candidates recommended by stockholders in its Bylaws. See “Deadline for Submitting Stockholder Proposals and Director Nominations for the Next Annual Meeting” for more information regarding the procedures for the consideration of any director candidates recommended by stockholders.

The Corporate Governance and Nominating Committee held three meetings in 2012.

Executive Committee

The Executive Committee currently consists of Messrs. Cresci, Schulhof and Ressler, who is the Chairman of the Committee. The Executive Committee may take certain action permitted by law and j2 Global’s Bylaws in the intervals between meetings of the full Board of Directors. The Executive Committee held one meeting in 2012 and advised the Board of Directors on various issues delegated to it throughout the year.

DIRECTOR COMPENSATION

During fiscal 2012, each director, except Richard S. Ressler, received an annual retainer payable in equal monthly installments (the “Annual Retainer”). In addition to the Annual Retainer, the Chairman of each of the Audit, Compensation and Corporate Governance and Nominating Committees received an additional fee, payable in equal monthly installments. In March 2012, the Compensation Committee recommended and the Board of Directors approved increasing the Annual Retainer from \$50,000 to \$60,000. In addition, the Board of Directors approved increases in the fee payable to the Chairman of the Audit Committee from \$10,000 to \$20,000, and the fees payable to the Chairman of each of the Compensation and Corporate Governance and Nominating Committees from \$10,000 to \$15,000. Mr. Ressler is separately compensated for his services as Chairman of the Board of Directors pursuant to a consulting agreement between j2 Global and Orchard Capital, a company controlled by Mr. Ressler. Under this consulting arrangement, which runs for consecutive six-month terms, Orchard Capital receives compensation of \$23,000 per month. The agreement is terminable by either party by written notice delivered at least 30 days prior to commencement of the next six-month term.

At the first scheduled Board of Directors meeting following the 2012 Annual Meeting of stockholders, each director received restricted shares of the Company’s common stock with a fair market value of \$180,000 on the date of grant which fully vest on April 30, 2013.

The following table contains information with respect to the compensation of j2 Global's directors for the fiscal year ended December 31, 2012.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires j2 Global's officers (as defined in Rule 16a-1(f)), directors and persons who own more than 10% of a registered class of j2 Global's equity securities to file reports of ownership and changes in ownership with the SEC. Such persons are required by SEC regulations to furnish j2 Global with copies of all Section 16(a) forms they file. Based solely on j2 Global's review of the copies of such forms received by j2 Global and written representations from certain reporting persons that they have complied with the relevant filing requirements, j2 Global believes that all filing requirements applicable to j2 Global's officers, directors and 10% stockholders were complied with during the fiscal year ended December 31, 2012, except that Mr. Bech filed a late Form 5 on February 27, 2013, to report a bona fide gift of common stock made by him on December 31, 2011.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

General

The Compensation Committee of j2 Global's Board of Directors:

administers j2 Global's compensation programs, including its stock-based compensation plans;

recommends to the Board of Directors the compensation to be paid to j2 Global's executives;

recommends to the Board of Directors changes to j2 Global's compensation policies and benefit programs; and

otherwise seeks to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented.

The Compensation Committee currently is comprised of three non-employee directors whom the Board of Directors has determined meet the independence requirements for compensation committee membership set forth in Nasdaq Marketplace Rule 5605.

Compensation Philosophy and Objectives

j2 Global's executive compensation program is designed to attract, retain and motivate j2 Global's executive officers in a manner that is tied directly to achievement of j2 Global's overall operating and financial goals, and thereby increase j2 Global's overall equity value. The Compensation Committee reviews j2 Global's compensation strategy annually. As part of this process, the Compensation Committee considers whether j2 Global's current compensation programs should be modified and whether new programs or elements of compensation should be introduced in order to better meet j2 Global's overall compensation objectives.

At j2 Global's 2012 annual meeting of stockholders held on May 10, 2012, the Company held a stockholder advisory vote on the compensation of the named executive officers, commonly referred to as a "say-on-pay" vote. j2 Global's stockholders overwhelmingly approved the compensation of the named executive officers, with nearly 99% of stockholder votes cast in favor of the Company's say-on-pay proposal. The Compensation Committee believes this affirms stockholders' support of the Company's approach to executive compensation and, as a result, the Compensation Committee decided to retain its general approach to executive compensation. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

Compensation for j2 Global's executives consists of salary, an executive bonus program, a supplemental bonus program for the Chief Executive Officer and President beginning in 2010, stock option grants and restricted stock awards. j2 Global's Compensation Committee has not adopted any formal policy for allocating compensation between long-term and short-term, between cash and non-cash or among different forms of non-cash compensation. Rather, the Compensation Committee assesses past performance and anticipated future contribution of each executive officer and recommends to the Board of Directors the total amount and mix of each element of compensation.

The Compensation Committee also considers from time to time the market compensation of similarly-situated executives at other companies and periodically purchases third-party compensation surveys or engages third-party compensation consultants to assist in providing comparative compensation data. In fiscal 2012, the Compensation Committee engaged Pearl Meyer as its compensation advisor to review and determine whether any updates were appropriate to the group of peer companies previously used by the Compensation Committee for compensation comparison purposes (the "Peer Group"). The Compensation Committee had also engaged Pearl Meyer in fiscal 2011 as its compensation consultant to review the Company's executive compensation program and in connection with that engagement Pearl Meyer prepared a report (the "Compensation Report") that included compensation data by job function for the Peer Group. The Peer Group, which remains unchanged following Pearl Meyer's 2012 review, is comprised of the following 14 companies of roughly similar size and industry to j2 Global: Cbeyond, Inc., Constant Contact Inc., Digital River, Inc., Earthlink Inc., IntraLinks Holdings Inc, LogMeIn Inc., Neustar, Inc., NIC Inc., Premiere Global Services, Inc., Rackspace Hosting Inc, RightNow Technologies, Inc., United Online Inc., ValueClick, Inc. and Websense, Inc.

The Compensation Committee recognizes that it is essential to receive objective advice from its external advisors. Consequently, the Compensation Committee is solely responsible for retaining and terminating Pearl Meyer, Pearl Meyer reports directly to the Compensation Committee and Pearl Meyer did not provide any other services to j2 Global during fiscal 2012.

In setting compensation for any given year, the Compensation Committee generally does not consider the amount of compensation from prior periods or amounts realizable from prior compensation.

j2 Global's compensation objective is to link compensation to improvements in corporate performance and increase in stockholder value. j2 Global's executive compensation program goals include the following:

- to establish pay levels that attract, retain and motivate highly qualified executive officers, while considering the overall market competitiveness for such executive talent and balancing the relationship between total stockholder return and direct compensation;

- to align executive officer remuneration with the interests of the stockholders;

- to recognize superior individual performance;

- to balance base and incentive compensation to complement j2 Global's annual and longer-term business objectives and strategies and encourage the fulfillment of those objectives and strategies through executive officer performance; and

- to provide compensation opportunities based on j2 Global's performance.

Compensation Components

Executive compensation consists of the following elements:

Salary. Base salary is the fixed portion of executive pay and is set to reward individuals' current contributions to j2 Global and compensate them for their expected day-to-day performance. Base salaries are evaluated annually for all executive officers. In determining appropriate salary levels for the executive officers generally, the Compensation Committee considers, among other factors, the officer's scope of responsibility, prior experience and past performance, and data on prevailing compensation levels in relevant markets for executive talent. In 2011, the Compensation Committee generally targeted executive salaries near the median percentile for comparable positions at comparable companies based upon third-party compensation survey information, including the Compensation Report. In

determining 2012 base salaries, the Compensation Committee considered a number of factors including the information in the Compensation Report for 2011, together with various other factors such as Company performance and general economic conditions, among others.

- 20 -

Based on the factors described above, in August 2012 the Compensation Committee recommended, and the Board of Directors approved, the following increases to the base salaries of the named executive officers:

Name	Previous Base Salary	New Base Salary
Nehemia Zucker	\$559,000	\$591,000
R. Scott Turicchi	\$390,000	\$413,000
Kathleen Griggs	\$287,000	\$298,000
Jeffrey D. Adelman	\$280,000	\$291,000
Steve P. Dunn	\$180,000	\$200,000

Non-Equity Incentive Compensation. j2 Global has established an executive bonus program (the “Senior Management Bonus Program”) for awarding cash bonuses to j2 Global’s senior executives, including the named executive officers. Bonus guidelines under the Senior Management Bonus Program are established each year and are designed to encourage and reward senior management for (a) attaining company-wide financial goals, (b) improving the financial and operational health of j2 Global, and (c) meeting or exceeding individually defined goals and objectives for each executive. The Senior Management Bonus Program provides guidelines only as to payment of bonuses to executive program participants, is non-binding, and does not create any contract right between j2 Global and the participants.

The process for determining bonuses under the Senior Management Bonus Program begins with development of corporate financial targets. In addition, individual goals and objectives are set for each program participant except the Chief Executive Officer and the President, who bear ultimate responsibility for achievement of the corporate financial targets and the budget. Mr. Adelman’s individual goals and objectives for fiscal 2012 included the following: effective oversight of mergers and acquisitions transactions, regulatory matters, litigation and intellectual property matters, and legal cost containment. Ms. Griggs’ individual goals and objectives for fiscal 2012 included the following: evaluate and implement process automations, reduce costs, expand billing and collections capabilities, evaluate investment alternatives, integrate acquired companies into compliance environment, reduce churn rates and expand and streamline domestic and international finance capabilities. The financial objectives are generally in alignment with j2 Global’s budget for the year, which budget is used as a basis for j2 Global’s public disclosures regarding its expected annual financial performance. The individual goals and objectives are designed to help j2 Global achieve its financial goals. The corporate financial objectives and all individual goals and objectives are recommended by the Compensation Committee for approval by the Board of Directors. Mr. Dunn did not participate in the 2012 Senior Management Bonus Plan (defined below) because he was not an executive officer on the first day of fiscal 2012.

Under the Senior Management Bonus Program established for fiscal 2012 (the “2012 Senior Management Bonus Plan”), j2 Global established a “bonus pool” based upon an aggregate of specified percentages of base salary of all eligible executives, ranging from 25% to 75%. For the Chief Executive Officer, the “target” bonus percentage was 75% of his base salary. For the President, the “target” bonus percentage was 50% of his base salary. For the Vice President, General Counsel and Secretary and for the Chief Financial Officer, the “target” bonus percentage was 35% of each of their respective base salaries. These percentages were determined based on the named executive officers’ relative level of responsibility, size and complexity of the job, past contributions to j2 Global’s performance and expected

contributions to j2 Global's future success, based on the executive's articulated goals and objectives, as well as the market compensation of similarly-situated executives at other companies, as reflected in third-party compensation surveys, including the Compensation Report. However, the Compensation Committee retained the discretion to award bonus percentages higher or lower than these targets based on the overall plan funding level and the Committee's subjective assessment of each individual's achievement of his or her individual goals and objectives, as applicable.

The 2012 Senior Management Bonus Plan provided that the bonus pool would be "funded" only if j2 Global achieved at least 95% of the budgeted fiscal 2012 operating income, net income and earnings per fully diluted share (\$158.2 million, \$120.0 million and \$2.58 per share, respectively), exclusive of any benefit to earnings from prior periods (the "Threshold Earnings Targets"). Even if the Threshold Earnings Targets were achieved, the pool would be funded only if they were achieved in a manner consistent with j2 Global achieving other specified financial targets; specifically, revenue of \$357.2 million, assuming ASC 718 expense of approximately \$0.11 to \$0.15 per diluted share and a tax rate of between 24% and 26% (the "Other Corporate Objectives"). Notwithstanding the achievement of the 2012 Senior Management Bonus Plan criteria, the Compensation Committee retained discretion to increase or decrease the funding of the bonus pool based on factors it deemed appropriate.

Under the 2012 Senior Management Bonus Plan, if the Threshold Earnings Targets were achieved in a manner consistent with the Other Corporate Objectives, the bonus pool would be funded based upon the operating income portion of the Threshold Earnings Targets (the "Operating Income Targets"). If the Operating Income Targets were achieved in a manner consistent with the Other Corporate Objectives, the bonus pool would be funded at 100%. If less than 95% of the Operating Income Targets were achieved, the bonus pool would not be funded at all. If 95% or more of the Operating Income Targets were achieved in a manner consistent with the Other Corporate Objectives, the bonus pool could be funded at between 50% and 150% of the target pool amount, or between \$676,956 and \$2,030,867, depending on the actual percentage of the Operating Income Targets achieved. The bonus pool was capped at 150% if more than 107.5% of the Operating Income Targets were achieved in a manner consistent with the Other Corporate Objectives.

Once the bonus pool was funded, individual bonuses were to be established by evaluating each executive's relative contribution to the success of j2 Global as a whole, as well as his or her success in meeting his or her individual objectives. Individual bonus amounts were to be recommended by the Compensation Committee for approval by the Board of Directors.

On February 11, 2013, the Compensation Committee recommended for approval by the Board of Directors, and the Board of Directors approved, funding the pool established under the 2012 Senior Management Bonus Plan (the "2012 Pool") at the 140% level based upon the program formula. On February 25, 2013, the Compensation Committee recommended for approval by the Board of Directors, and the Board of Directors approved, awarding the following bonuses from the 2012 Pool to the named executive officers: Nehemia Zucker – \$607,508; R. Scott Turicchi – \$357,312; Jeffrey D. Adelman – \$168,867; and Kathleen M. Griggs – \$123,471. The bonus levels for Messrs. Zucker and Turicchi were based on the overall financial performance of j2 Global for 2012. The bonus levels for Mr. Adelman and Ms. Griggs were based on an assessment of their satisfaction of their individual goals and objectives.

In addition to the Senior Management Bonus Program described above, the Chief Executive Officer and President also participate in a Supplemental Deferred Compensation Bonus Program (the "Supplemental Plan"). The Supplemental Plan is designed to further incentivize the most senior executives, who are ultimately responsible for j2 Global's performance, to achieve j2 Global's financial goals and improve its financial and operational health. The Supplemental Plan was adopted in recognition of the increased level of responsibility that the participants have assumed in light of the continued growth

of j2 Global, and the increased expectations of these executives to continue to innovate and grow and promote j2 Global's vision. Under the Supplemental Plan the Chief Executive Officer and President are eligible to receive an additional 37.5% and 25% of their base salary, respectively, in any year in which the Senior Management Bonus Plan is funded at the 90% or better threshold.

Awards under the Supplemental Plan are determined on the date on which the level of funding of the Senior Management Bonus Plan is determined (the "Determination Date"), and are paid out in three equal annual installments on the first, second and third anniversary of the applicable Determination Date. Payments are made only if the recipients are active employees of the Company on the date of distribution. Notwithstanding the achievement of the funding criteria under the Supplemental Plan, the Compensation Committee and Board of Directors reserve the right to increase or decrease the amount payable under the Supplemental Plan as they deem appropriate under the circumstances.

Upon approval by the Board of Directors to fund the 2012 Senior Management Bonus Plan at the 140% level, the Supplemental Plan was also automatically funded in accordance with its terms, and the participants received the following supplemental bonuses, one-third of which will be paid in each of three equal annual installments commencing on or around February 11, 2014: Nehemia Zucker – \$221,625 and R. Scott Turicchi – \$103,250.

The following table describes the installments previously paid, and to be paid in the future, to Messrs. Zucker and Turicchi under the Supplemental Plan.

j2 Global does not currently have any policy regarding the adjustment or recovery of awards under the bonus program in the event that the Company's financial statements are later restated or adjusted. In July 2010, Congress adopted the Dodd Frank Wall Street Reform and Consumer Protection Act. As part of this legislation, Congress has commissioned the SEC to issue rules requiring that all public companies adopt a policy whereby, in the event of a restatement, the company will recover from current and former executives, for the three years preceding the restatement, any incentive-based compensation that would not have been awarded under the restated financial statements. The SEC has not yet adopted such rules. Upon their adoption, j2 Global will consider and adopt a policy that complies with the new requirements and, as necessary, enter into appropriate agreements with the employees covered by any such policy.

2012 Cash Bonuses. On February 27, 2013, the Compensation Committee recommended for approval by the Board of Directors, and the Board of Directors approved, awarding Steve P. Dunn a bonus in the amount of \$60,000, which amount was outside of the 2012 Senior Management Bonus Plan and the Ziff Davis Bonus Program (defined below). Mr. Dunn's bonus was based on an assessment of the satisfaction of his individual goals and objectives for fiscal 2012 which included the following: integrate accounting functions of acquired companies, oversee tax department duties and streamline billing and collections capabilities.

On February 11, 2013, the Board of Directors approved the funding of a bonus program (the “Ziff Davis Bonus Program”) to reward members of senior management in connection with the acquisition and oversight of Ziff Davis, Inc., which j2 Global acquired in November 2012. On February 25, 2013, the Compensation Committee recommended for approval by the Board of Directors, and the Board of Directors approved, awarding the following cash bonuses under the Ziff Davis Bonus Program: Nehemia Zucker – \$32,492; R. Scott Turicchi – \$22,688; Jeffrey D. Adelman – \$16,133; and Kathleen M. Griggs – \$16,529.

Stock-Based Compensation. Stock-based compensation awards, including stock options, restricted stock, stock appreciation rights, restricted stock units and performance shares, are designed to align the interests of executives and employees with the long-term interests of the stockholders. j2 Global approves stock-based compensation awards subject to vesting periods to retain executives and employees and encourage sustained contributions. To date, j2 Global has only awarded stock-based compensation in the form of stock options, restricted stock and restricted stock units because it believes that these forms of compensation are most likely to retain and incentivize the employees to improve stockholder value. j2 Global has historically made these awards every three to five years based upon individual performance and the amount of previously approved awards that have not yet vested. In fiscal 2012, the Compensation Committee adopted a policy of making annual stock-based compensation awards to better align the Company’s compensation practices with members of the Peer Group.

In general, the Compensation Committee determines the appropriate size of stock-based compensation awards by evaluating the relative importance of the contributions of each executive and the expected future value of each award over the vesting period. The Compensation Committee also takes into account from time to time information provided by third-party compensation surveys that provide market compensation data of similarly-situated executives at similar companies. This process is designed to achieve the proper balance between incentivizing and retaining the services of our executive officers and other key employees, while continuing to preserve stockholder value. In striking this balance, in 2012, the Compensation Committee issued shares of restricted stock to the Company’s senior management, including the named executive officers, with shares vesting over a period of five years, with a pro rata portion vesting on each anniversary of the award date. Prior to 2012, the Compensation Committee had used a combination of (a) stock options vesting ratably over five years and having an exercise price equal to the closing market price on the date of grant and (b) restricted stock vesting over five years on the following graduated schedule on each anniversary of the date of award: 10% on the first anniversary, 15% on the second anniversary, 20% on the third anniversary, 25% on the fourth anniversary and 30% on the fifth anniversary. In fiscal 2012, to better align the Company’s compensation practices with members of the Peer Group, the Compensation Committee adopted a policy of having restricted stock vest ratably over the vesting period, with awards made in 2012 vesting one-fifth on each of the first five anniversaries of the date of the award provided that the recipient is still employed by j2 Global at the applicable vesting date.

In fiscal 2012, the following stock-based compensation awards were made to the named executive officers (the “2012 Awards”):

Nehemia Zucker	53,000 restricted shares
R. Scott Turicchi	42,000 restricted shares
Kathleen Griggs	13,000 restricted shares
Jeffrey D. Adelman	13,000 restricted shares
Steve P. Dunn	4,500 restricted shares

One-fifth of the 2012 Awards will vest on each of the first five anniversaries of the date of award, provided that the applicable executive is still employed by j2 Global at the applicable vesting date.

Employee Stock Purchase Plan. j2 Global offers all of its employees, including j2 Global's executive officers, the opportunity to purchase j2 Global's common stock through a tax-qualified employee stock purchase plan ("ESPP"). Under the ESPP, eligible employees can withhold up to 15% of their earnings, up to certain maximums, to be used to purchase shares of j2 Global's common stock at certain plan-defined dates. The price of j2 Global common stock purchased under the ESPP for the offering periods is equal to 95% of its fair value at the end of the offering period.

Other Compensation. j2 Global's executive officers are entitled to participate in j2 Global's health, vision, dental, life and disability insurance plans, j2 Global's innovation and patent award program and j2 Global's tax-qualified 401(k) plan, to the same extent as j2 Global's other employees. j2 Global's innovation and patent award program provides monetary incentives for participants who submit patent ideas to the Company, or file patent applications with, or are granted patents by, the U.S. Patent and Trademark Office. Participants in the 401(k) plan are eligible to receive an annual company match up to \$500, which vests over a three-year period. In addition, j2 Global pays a higher portion of employer contributions toward premiums for executives who participate in the health, vision and dental plans.

Change in Control and Severance Arrangements. j2 Global has not provided change of control or severance arrangements to any of its executive officers, except Mr. Zucker. Mr. Zucker has an employment agreement which has no specified term and is terminable at will by either party, but provides for severance payments equal to six months' salary in the event of a termination by j2 Global without cause. Under Mr. Zucker's employment agreement, "cause" means (i) any act or failure to act, done or omitted in bad faith, (ii) persistent unavailability for service, habitual neglect, material misconduct (after notice and a reasonable opportunity to cure) or dishonesty, or (iii) conviction of a felony (other than ordinary traffic violations or similar minor offenses). If Mr. Zucker had been terminated without cause on December 31, 2012, he would have been entitled to receive \$295,500.

In addition, in the event of a change of control of j2 Global, each option granted under the 2007 Stock Plan will become immediately exercisable in full and all outstanding restrictions on each share of restricted stock and each restricted stock unit awarded under the 2007 Stock Plan will immediately be canceled in full, in each case unless the Board of Directors determines that the holder has been offered substantially identical replacement options, shares of restricted stock or restricted stock units, as the case may be, and a comparable position at the acquiring company.

Prohibition on Hedging Transactions

On February 12, 2013, the Board of Directors adopted an anti-hedging policy that prohibits officers and directors from engaging in transactions that would allow such officer or director to continue to own the Company's common stock without taking on the full risks and rewards of stock ownership. The Board of Directors believes that when such transactions occur, those directors or officers engaged in any such transactions may no longer have the same objectives as the Company's other shareholders under such circumstances and, therefore, such hedging and monetization transactions are prohibited.

Summary

After its review of all existing programs, consideration of current market and competitive conditions and alignment with j2 Global's overall compensation objectives and philosophy, the Compensation Committee believes that the total compensation program for j2 Global's executive officers is focused on increasing value for stockholders and enhancing j2 Global's performance. The Compensation Committee currently believes that, although it does not target a specific percentage as being incentive compensation, a significant portion of compensation of executive officers is properly tied to stock appreciation or stockholder value through stock-based compensation awards and annual cash incentive bonus measures. j2 Global's Compensation Committee believes that its executive compensation levels are competitive

with the compensation programs offered by other corporations with which it competes for executive talent.

COMPENSATION COMMITTEE REPORT

Management of j2 Global has prepared the Compensation Discussion and Analysis as required by Item 402(b) of Regulation S-K, and the Compensation Committee of the Board of Directors has reviewed and discussed it with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the proxy statement for j2 Global's 2013 Annual Meeting of Stockholders.

Submitted by the Compensation Committee of the Board of Directors,

Michael P. Schulhof, Chairman
Douglas Y. Bech
Robert J. Cresci

COMPENSATION RISK

The Compensation Committee has reviewed the Company's compensation policies and practices for all employees, including executive and non-executive officers, and determined that j2 Global's compensation programs do not give rise to risks reasonably likely to have a material adverse effect on the Company. The Committee noted several design features of j2 Global's cash and equity incentive programs for all executive officers in particular that reduce the likelihood of excessive risk-taking and instead encourage behaviors that support sustainable value creation:

The program design provides a balanced mix of cash and equity, annual and longer-term incentives, and performance metrics (revenue, earnings, and total stockholder return).

There is a significant weighting towards long-term incentive compensation that discourages short-term risk taking.

Goals are appropriately set to avoid targets that, if not achieved, result in a large percentage loss of compensation.

Maximum funding level of the Senior Management Bonus Program is capped at 150 percent of target, and the Supplemental Plan is capped at 37.5% of base salary for the Chief Executive Officer and 25% of base salary for the President.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee currently consists of Messrs. Bech, Cresci and Schulhof. j2 Global has no interlocking relationships or other transactions involving any of its Compensation Committee members that are required to be reported pursuant to applicable SEC rules. No member of the Compensation Committee has ever been an officer or employee of j2 Global.

(1) Amounts reported in this column represent compensation earned in the year in which they were reported and were paid in the following fiscal year.

(2)

These amounts represent the grant date fair value under ASC 718 for restricted stock awards granted in 2012. The ASC 718 value as of the grant date for stock awards is spread over the number of months of service required for the grant to become non-forfeitable. There can be no assurance that the ASC 718 amount will ever be realized. Assumptions used in the calculation of these amounts for awards granted in 2012 are included in Note 13, "Stock Options and Employee Stock Purchase Plan" to the audited financial statements for the fiscal year ended December 31, 2012, included in j2 Global's Annual Report on Form 10-K filed with the SEC on March 1, 2013.

- (3) In the Summary Compensation Table included in the proxy statement for the Company's 2012 Annual Meeting, the Non-Equity Incentive Plan Compensation earned in 2011 for Messrs. Zucker and Turicchi in respect of the Supplemental Plan only included the amount actually paid. As noted above under "Compensation Discussion and Analysis—Compensation Components—Bonus", awards under the Supplemental Plan are paid out in three equal annual installments. The 2011 amounts in this Summary Compensation Table report the full amount earned by the named executive officers for 2011 even though portions are paid or payable in later years.

- (4) Mr. Dunn was appointed Chief Accounting Officer in May 2012.

- (1) These amounts were calculated based on each named executive officer's contribution to the bonus pool under the Senior Management Bonus Program. Potential Payments Upon Termination or Change in Control

j2 Global has not provided change of control or severance arrangements to any of its executive officers, except Mr. Zucker. Mr. Zucker has an employment agreement which has no specified term and is terminable at will by either party. The agreement provides for severance payments equal to six months' salary in the event of a termination by j2 Global without cause. Under Mr. Zucker's employment agreement, "cause" means (i) any act or failure to act, done or omitted in bad faith, (ii) persistent unavailability for service, habitual neglect, material misconduct (after notice and a reasonable opportunity to cure) or dishonesty, or (iii) conviction of a felony (other than ordinary traffic violations or similar minor offenses). If Mr. Zucker had been terminated without cause on December 31, 2012, he would have been entitled to receive \$295,500.

In the event of a change of control of j2 Global, each option granted under the Second Amended and Restated 1997 Stock Option Plan or the 2007 Stock Plan will become immediately vested and exercisable in full and all outstanding restrictions on each share of restricted stock and each restricted stock unit shall immediately be canceled in full unless the Board of Directors determines that the holder has been offered substantially identical replacement options, replacement shares of restricted stock or replacement restricted stock units, as the case may be, and a comparable

position at the acquiring company.

As of December 31, 2012, the named executive officers would have realized the following gains from the acceleration of unvested stock options, measured by the difference between the closing price of j2 Global common stock on the Nasdaq Global Select Market on December 31, 2012, or \$30.60, and the option grant price, multiplied by the number of options that remain subject to vesting: Nehemia Zucker – \$831,420; R. Scott Turicchi – \$536,400; Jeffrey D. Adelman – \$230,652; Kathleen M. Griggs – \$230,652; and Steve P. Dunn – \$63,706.

In addition, the named executive officers would have realized the following gains from the acceleration of unvested restricted stock, measured by multiplying the number of unvested restricted shares by the closing price of j2 Global common stock on the Nasdaq Global Select Market on December 31, 2012, or \$30.60: Nehemia Zucker – \$4,230,450; R. Scott Turicchi – \$2,968,200; Jeffrey D. Adelman – \$1,121,490; Kathleen M. Griggs – \$1,121,490; and Steve P. Dunn – \$384,795.

Notwithstanding anything to the contrary set forth in any of j2 Global's filings under the Securities Act or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the following Audit Committee Report shall not be deemed to be "Soliciting Material," is not deemed "filed" with the SEC and shall not be incorporated by reference into any filings under the Securities Act or Exchange Act whether made before or after the date hereof and irrespective of any general incorporation language in such filings.

AUDIT COMMITTEE REPORT

j2 Global's management has the primary responsibility for establishing and maintaining adequate internal financial controls, for preparing the financial statements and for the public reporting process. SingerLewak LLP, j2 Global's independent auditor for 2012, was responsible for expressing opinions on the conformity of j2 Global's 2012 audited financial statements with generally accepted accounting principles and on the effectiveness of j2 Global's internal control over financial reporting as of December 31, 2012. The Audit Committee reviewed j2 Global's financial reporting process on behalf of the Board of Directors. As part of this review for fiscal 2012, the Audit Committee met privately with SingerLewak and j2 Global's internal auditors to discuss the Company's financial statements and disclosures, accounting policies and their application, internal controls over financial reporting, and other matters of importance to the Audit Committee, SingerLewak or the internal auditors.

In this context, the Audit Committee reviewed and discussed with management and SingerLewak the audited financial statements for the year ended December 31, 2012, j2 Global's internal control over financial reporting and SingerLewak's evaluation of j2 Global's internal control over financial reporting. The Audit Committee discussed with SingerLewak the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from SingerLewak required by applicable requirements of the Public Company Accounting Oversight Board regarding SingerLewak's communications with the Audit Committee concerning independence, and has discussed with SingerLewak that firm's independence. The Audit Committee concluded that SingerLewak's provision of audit and non-audit services to j2 Global and its affiliates through December 31, 2012, was compatible with SingerLewak's independence.

Based on the considerations referred to above, the Audit Committee recommended to j2 Global's Board of Directors that the audited financial statements for the fiscal year ended December 31, 2012, be included in j2 Global's Annual Report on Form 10-K for 2012.

Submitted by the Audit Committee of
j2 Global's Board of Directors,

Pre-Approval Procedure for Services

The Audit Committee pre-approves all audit and non-audit services. Requests for the independent auditors to provide any services to j2 Global must be submitted to the Audit Committee by both the independent auditors and the Chief Financial Officer and must be pre-approved. The Audit Committee may delegate pre-approval authority to one or more of its members.

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PERSONS

j2 Global has adopted a written policy requiring disclosure by certain employees, including all executive officers, of all transactions involving j2 Global, if the employee or a family member, significant other, employer or close associate will receive a benefit or gain. All such transactions are reviewed by the Chief Executive Officer and/or President and/or the Board of Directors, as appropriate. The employee with an interest in the transaction may be asked to recuse himself or herself from any discussion and/or final decision relating to the transaction and/or any oversight of any ongoing relationship associated with such transaction.

Any proposed transactions requiring disclosure as discussed above may only proceed or continue if j2 Global determines that it will realize at least the same business advantage from the transaction as it would from operating at arms-length with any third party or, alternatively, that the transaction does not represent an actual conflict of interest.

In addition, j2 Global's Board of Directors has a policy that all transactions between a Board member and j2 Global be approved by a majority of members of the Board of Directors with the interested Board member recusing himself from such vote.

CERTAIN TRANSACTIONS

Consulting Agreements

j2 Global has entered into the following consulting agreements with directors, officers and beneficial owners of more than five percent (5%) of j2 Global's common stock:

Richard S. Ressler's services as Chairman of the Board are provided pursuant to a consulting arrangement with Orchard Capital, a company controlled by Mr. Ressler. Under this consulting arrangement, which runs for consecutive six-month terms, Orchard Capital receives compensation of \$23,000 per month. The agreement is terminable by either party by written notice delivered at least 30 days prior to commencement of the next six-month term.

j2 Global believes that the arrangement described above was made on terms no less favorable than could have been obtained from third parties. The above arrangement was negotiated at arms' length. j2 Global intends to have all future transactions between j2 Global and certain of its employees, its directors and affiliates approved by the Chief Executive Officer, President or a majority of disinterested members of j2 Global's Board of Directors or one of its committees, as appropriate, in each case in accordance with its policies described above and in a manner consistent with Nasdaq listing standards, Delaware law and the fiduciary duties of j2 Global's directors.

DEADLINE FOR SUBMITTING STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR THE NEXT ANNUAL MEETING
