Item 5. Other Information

On January 15, 2002, Bergen Brunswig Corporation, the supplier of the vitamins, minerals, nutritional supplements, homeopathic remedies and natural products sold on our Nutripure.com website terminated our distribution license for these products. As a result, we have closed our e-commerce division. Sales to date from the e-commerce division have been minimal and closing the e-commerce division will result in cost savings of approximately \$35,000 per quarter in maintenance and service fees, amortization and labor costs. In the present fiscal quarter ending January 31, 2002. we anticipate writing off approximately \$70,000 of the value attributed to the Bergen Brunswig Corporation license. The website software with a value of approximately \$75,000 will be held as an asset for resale.
