PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD JUNE 18, 2008

This Proxy Statement and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of CirTran Corporation (the "Company," "CirTran," "we," "us") from the holders of shares of common stock of the Company to be voted at the 2008 Annual

Edgar Filing: CIRTRAN CORP - Form DEF 14A

Meeting of Shareholders (the "Meeting") to be held at 11:00 a.m. Mountain Daylight Time at the offices of the Company's affiliate, Global Marketing Alliance, LLC, 3135 South 1300 East, Salt Lake City, Utah (the "Meeting"). Distribution of this Proxy Statement and the accompanying proxy card is scheduled to begin on or about April 29, 2008.

The enclosed proxy is solicited by the Board.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Why did I receive this Proxy Statement?

We have sent you the Notice of Annual Meeting of Shareholders, this Proxy Statement, and the enclosed proxy or voting instruction card because the CirTran Board of Directors is soliciting your proxy to vote at CirTran's Annual Meeting on June 18, 2008. This Proxy Statement contains information about matters to be voted on at the Meeting.

Who is entitled to vote?

The Board has designated April 21, 2008 as the record date for the Meeting. You may vote if you owned common stock as of the close of business on April 21, 2008. On April 21, 2008, there were 1,163,490,266 shares of our common stock that were outstanding and entitled to vote at the Meeting.

How many votes do I have?

Each share of common stock that you own at the close of trading on April 21, 2008 entitles you to one vote.

What am I voting on?

You will be voting on proposals to:

- o Elect two directors to serve for one year each, until the next Meeting of Shareholders or until a successor is elected and shall qualify;
- o Approve the 2006 Stock Plan of the Company that was adopted by the Board in January 2007;
- o Approve the 2008 Stock Plan of the Company that was adopted by the Board in January 2008;
- o Ratify the Audit Committee's selection of Hansen Barnett & Maxwell, P.C. as the Company's independent registered public accountant for fiscal year 2008; and
- o Consider and act upon such other business as may properly come before the meeting or at any postponement or adjournment thereof.

5

How do I vote?

You can vote in the following ways:

- o By Mail: If you are a holder of record, you can vote by marking,

Edgar Filing: CIRTRAN CORP - Form DEF 14A

dating and signing your proxy card and returning it by mail in the enclosed postage-paid, addressed envelope. If you hold your shares in street name, please complete and mail the voting instruction card that you will receive from your broker or bank.

- o At the Meeting: If you are planning to attend the Meeting and wish to vote your shares in person, we will give you a ballot at the meeting. If your shares are held in street name, you need to bring an account statement or letter from your broker, bank or other nominee, indicating that you are the beneficial owner of the shares on April 21, 2008, the record date for voting. Even if you plan to be present at the meeting, we encourage you to complete and mail the enclosed card in advance of the meeting to vote your shares by proxy.

What if I return my proxy or voting instruction card but do not mark it to show how I am voting?

Your shares will be voted according to the instructions you have indicated on your proxy or voting instruction card. You can specify whether your shares should be voted for all, some, or none of the nominees for director. You can also specify whether you approve, disapprove, or abstain from the other proposals. If no direction is indicated, your shares will be voted FOR the election of both of the nominees for director, FOR approval of the 2006 Stock Plan, FOR approval of the 2008 Stock Plan, and FOR the ratification of the selection of Hansen Barnett & Maxwell, P.C. as our independent public accountant.

May I revoke my proxy or change my vote after I return my proxy card or voting instruction card?

You may revoke your proxy or change your vote at any time before it is exercised in one of three ways:

- o Notify our Corporate Secretary in writing before the Meeting that you are revoking your proxy;
- o Submit another proxy card (or voting instruction card if you hold your shares in street name) with a later date; or
- o Vote in person at the Meeting on June 18, 2008.

What does it mean if I receive more than one proxy or voting instruction card?

It means that you have multiple accounts at the transfer agent and/or with banks and stockbrokers. Please vote all of your shares by returning all proxy and voting instruction cards you receive.

What constitutes a quorum?

A quorum must be present to properly convene the Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares that are entitled to vote at the Meeting constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy or voting instruction card or if you attend the Meeting. Abstentions and broker non-votes will be counted as shares present at the meeting for purposes of determining whether a quorum exists, but not as shares cast for any proposal. Because abstentions and broker non-votes are not treated as shares cast, they would have no impact on any of the proposals.

What vote is required in order to approve each proposal?

Edgar Filing: CIRTRAN CORP - Form DEF 14A

The required vote is as follows:

Election of Directors: The election of the nominees for director requires the affirmative vote of a plurality of the shares cast at the Meeting. This means that the nominees receiving the greatest number of votes in favor of their election will be elected, even if they receive less than a majority of such votes. If you do not want to vote your shares for a particular nominee, you may so indicate in the space provided on the proxy card or on the voting instruction card. In the unanticipated event that any of the nominees is unable or declines to

6

serve, the proxy holder will have the discretion to vote the proxy for another person, as shall be designated by the Board to replace the nominee, or, in lieu thereof, the Board may reduce the number of directors. Although abstentions are counted as shares present and entitled to be voted, abstentions will have no effect on the election of directors. Broker non-votes, if any, will not have any effect on the result of the vote.

Approval of the 2006 Stock Plan and the 2008 Stock Plan: The proposals for the approval of the 2006 Stock Plan and the 2008 Stock Plan requires the affirmative vote of a majority of the shares present or represented by proxy at the Meeting and entitled to vote. In determining whether these proposals received the requisite number of affirmative votes, abstentions will have the same effect as votes against the proposals. Broker non-votes, if any, will not have any effect on the result of the vote.

Ratification of the Selection of Independent Registered Public Accountant: Ratification of the selection of Hansen Barnett & Maxwell, P.C. as our independent registered public accountant requires the affirmative vote of a majority of the shares cast at the Meeting. If the shareholders do not ratify the appointment of Hansen Barnett & Maxwell, P.C., the Audit Committee of the Board may, but is not required to, reconsider such appointment. In determining whether this proposal received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against the proposal. Broker non-votes, if any, will not have any effect on the result of the vote.

What is the Board's recommendation?

The Board's recommendations are set forth together with a description of the proposals in this Proxy Statement. In summary, the Board recommends that you vote:

FOR election of the two directors named in this Proxy Statement to serve until the Annual Meeting of Shareholders in 2009 and until their successors are duly elected and qualified;

FOR approval of the 2006 Stock Plan;

FOR approval of the 2008 Stock Plan; and

FOR the appointment of Hansen Barnett & Maxwell, P.C. as the Independent Registered Public Accounting Firm and Auditor of the Company and the authorization of the Board to fix the remuneration of the Independent Registered Public Accounting Firm and Auditor.

Edgar Filing: CIRTRAN CORP - Form DEF 14A

How will voting on any other business be conducted?

We do not know of any business or proposals to be considered at the Meeting other than those that are described in this Proxy Statement. If any other business is proposed and we decide to allow it to be presented at the Meeting, the proxies that we receive from our shareholders give the proxy holders the authority to vote on that matter according to their best judgment.

Who will count the votes?

Representatives of the Company will tabulate the votes that are received prior to the Meeting and will act as the inspectors of election and will tabulate the votes, if any, that are cast in person at the Meeting.

Who pays to prepare, mail, and solicit the proxies?

We will pay all of the costs of soliciting these proxies. We will ask banks, brokers, and other nominees and fiduciaries to forward the proxy materials to the beneficial owners of our common stock and to obtain the authority of executed proxies. We will reimburse them for their reasonable expenses. In addition to the use of the mail, proxies may be solicited by our officers, directors, and other employees by telephone or by personal solicitation. We will not pay additional compensation to these individuals in connection with their solicitation of proxies.

7

How do I submit a shareholder proposal for next year's Annual Meeting?

Any shareholder who intends to present a proposal at the 2009 Annual Meeting of Shareholders must deliver such proposal to the Corporate Secretary, c/o CirTran Corporation, 4125 South 6000 West, West Valley City, Utah 84128, not later than November 15, 2008, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934.

What do I need for admission to the Meeting?

You may attend the Meeting only if you are a shareholder of record or a beneficial owner as of April 21, 2008, the record date, or you hold a valid proxy for the Meeting. You should be prepared to present photo identification for admittance. If you are a shareholder of record, your name will be verified against the list of shareholders of record prior to your being admitted to the Meeting. If you hold your shares in street name, you should provide proof of beneficial ownership on the record date, such as a brokerage account statement showing that you owned CirTran common stock as of the record date, a copy of the voting instruction card provided by your broker, bank, or other nominee, or other similar evidence of ownership as of the record date. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the Meeting.

Who should I call if I have questions?

If you have questions about the proposals or the Meeting, you may call David Harmon, Chief Financial Officer, at (801) 963-5112. You may also send an e-mail to investors@cirtran.com.

PROPOSAL #1

Edgar Filing: CIRTRAN CORP - Form DEF 14A

ELECTION OF DIRECTORS

Our Bylaws provide that the shareholders or the Board shall determine the number of directors from time to time, but that there shall be no less than three directors. The Board has set the number of directors at three. The Board currently consists of three members: Iehab J. Hawatmeh, Fadi Nora, and Donald L. Buehner. Two of the current directors are nominees for re-election at the Meeting.

Following the preparation of this Proxy Statement but prior to its filing, Mr. Buehner announced that he would retire from our Board of Directors following the Annual Meeting. As such, the two remaining directors, Messrs. Hawatmeh and Nora, are presented for shareholder vote. Additionally, Messrs. Hawatmeh and Nora have begun a search for an additional director, and anticipate that a new member of our Board of Directors will be appointed, pursuant to our Bylaws, as soon as a qualified candidate is identified and agrees to serve.

Each director who is elected at the Meeting will hold office until the Company's Annual Meeting in 2009, until a successor is elected and qualified, or until the director resigns, is removed, or becomes disqualified. The Board has no reason to believe that any of the nominees for director will be unwilling or unable to serve, if elected. If due to unforeseen circumstances a nominee should become unavailable for election, the Board may either reduce the number of directors or may substitute another person for that nominee, in which event your shares will be voted for that other person.

The following information is furnished with respect to the Board's nominees for election as directors of the Company, including the nominee's position with the Company, tenure as director and age as of April 15, 2008. Stock ownership information is shown under the heading "Security Ownership of Certain Beneficial Owners and Management" and is based upon information furnished by the respective individuals.

Name and Place of Residence	Position with the Company and Principal Occupation	Age	Director Since
Iehab Hawatmeh..... West Valley, Utah	President, Chief Executive Officer, Director	41	2000
Fadi Nora..... Mission Viejo, California	Director, Businessman	47	2007

Set forth below is information regarding each of the above named individuals, including a description of his positions and offices with the Company, a description of his principal occupation and business experience during at least the last five years and directorships presently held by him in other companies. Biographical information regarding Mr. Buehner can be found below on page 15.

Director Nominees

The nominees to the Board in 2008 are Iehab J. Hawatmeh and Fadi Nora. Each of these nominees currently serves as a member of our Board. The following

Edgar Filing: CIRTRAN CORP - Form DEF 14A

information is furnished with respect to these nominees:

Iehab J. Hawatmeh founded our predecessor company in 1993 and has been our Chairman, President and CEO since July 2000. Mr. Hawatmeh oversees all daily operation including technical, operational and sales functions for the Company. Prior to his involvement with the Company, Mr. Hawatmeh was the Processing Engineering Manager for Tandy Corporation overseeing that company's contract manufacturing printed circuit board assembly division. In addition, he was responsible for developing and implementing Tandy's facility Quality Control and Processing Plan model. Mr. Hawatmeh received a Master's of Business Administration from University of Phoenix and a Bachelor's of Science in Electrical and Computer Engineering from Brigham Young University.

Fadi Nora is a self-employed investment consultant. He was formerly a director of ANAHOP, Inc., a private financing company, and was a consultant for several projects and investment opportunities, including CirTran Corporation, NFE records, Focus Media Group, and other projects. He has been a member of our Board since February 2007. Prior to his affiliation with ANAHOP, Mr. Nora worked with Prudential Insurance services and its affiliated securities brokerage firm Pru-Bach, as District Sales Manager. Mr. Nora received a B.S. in Business Administration from St. Joseph University, Beirut, Lebanon, in 1982, and an MBA - Masters of Management from the Azusa Pacific University School of Business in 1997. He also received a degree in financial planning from the University of California at Los Angeles.

We will vote your shares as you specify in your proxy card. If you sign, date, and return your proxy card but do not specify how you want your shares voted, we will vote them FOR the election of each of the director nominees who are listed above.

RECOMMENDATION - The Board recommends a vote FOR each director nominee.

PROPOSAL #2 APPROVAL OF THE 2006 STOCK PLAN

In January 2007, the Board adopted the Cirtran Corporation 2006 Stock Plan (the "2006 Stock Plan"), which provides for the reservation of 50,000,000 shares of common stock of the Company for grants to employees, consultants and advisors of the Company. In 2007, our shareholders approved a 1.2 for 1 forward split of the Company's common stock; this action caused an adjustment to the aggregate number of shares authorized for issuance under the 2006 Stock Plan from 50,000,000 to 60,000,000 shares. The 2006 Stock Plan and the 2008 Stock Plan contain substantially identical terms and conditions.

The Company has adopted five stock option plans since 2002. As of December 31, 2007, no options remained outstanding from the three plans adopted through 2004.

2006 and 2008 Stock Plan Descriptions

The 2006 Stock Plan was adopted by the Board in January 2007. Both the 2006 and 2008 Stock Plans provide for grants to employees, officers, directors and consultants of both non-qualified (or non-statutory) stock options ("NSO") and "incentive stock options" ("ISO") within the meaning of Section 422 of the

Internal Revenue Code of 1986, as amended (the "Code"). The plans also provide for the grant of certain stock purchase rights, which are subject to a purchase agreement between the Company and the recipient. The purpose of each plan is to

Edgar Filing: CIRTRAN CORP - Form DEF 14A

enable the Company to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to such persons, and to promote the success of our business.

The Board determines the persons to whom options are granted, the option price, the number of shares to be covered by each option, the period of each option, the times at which options may be exercised and whether the option is an incentive or non-statutory option. The exercise price may not be less than the fair market value of the Company's common stock on the date of grant. The term of stock options will be determined by the Committee, but may not exceed ten years from the date of grant, provided that the term of an ISO granted to a ten percent holder may not exceed five years from the date of grant. No employee may be granted options or stock purchase rights under the either plan for more than an aggregate of 6,000,000 shares in any given fiscal year. We do not receive any monetary consideration upon the granting of options. Options are exercisable in accordance with the terms of an option agreement entered into at the time of grant.

The Board may also award our shares of common stock under the plans as stock purchase rights. The Board determines the persons to receive awards, the number of shares to be awarded and the time of the award. Shares received pursuant to a stock purchase right are subject to the terms, conditions and restrictions determined by the Board at the time the award is made, as evidenced by a restricted stock purchase agreement.

During 2007, the Company granted awards to purchase 56,800,000 shares of common stock under the 2006 Stock Plan. Option awards are generally granted with an exercise price equal to the market price of the Company's stock at the date of grant, most granted in the past have vested immediately, and most have had four-year contractual terms. The Board has granted awards for 22,960,000 shares of common stock under the 2008 Stock Plan as of the date of this Proxy Statement.

The plans are administered by the Board, which designates from time to time the individuals to whom awards are made under the plans, the amount of any such award and the price and other terms and conditions of any such award. Each of the plans is to continue in effect until the date which is ten years from the date of its adoption by the Board, subject to earlier termination by the Board. The Board may suspend or terminate a plan at any time; provided that no such amendment, alteration, suspension, discontinuation or termination may be made without shareholder approval if such shareholder approval is necessary to comply with any tax, securities or regulatory law or requirement; provided, further, that the Board may not reduce the exercise price of outstanding options and stock appreciation rights by amending the terms of such options and stock appreciation rights or by canceling such stock option in exchange for cash or the grant of a new award without first obtaining approval from the Company's shareholders. The Board has the authority to interpret the plans, determine the terms and conditions of incentive awards and make all other determinations necessary and/or advisable for the administration of the plans.

In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split or other change in corporate structure affecting the Company's common stock, an equitable substitution or proportionate adjustment will be made in (i) the aggregate number of shares of common stock reserved for issuance under the plans and the maximum number of shares of common stock that may be granted to any participant in any calendar year, (ii) the kind, number and exercise (grant) price of shares of common stock subject to outstanding stock options and stock appreciation rights, and (iii) the kind, number and purchase price of shares of common stock subject to outstanding awards to maintain the same estimated fair value of the award before and after such event. In connection with any event described in this paragraph, the Board may provide for the cancellation of any outstanding awards and payment

Edgar Filing: CIRTRAN CORP - Form DEF 14A

in cash or other property therefor.

Unless otherwise provided in an incentive award agreement, if, within twenty-four (24) months following a "change in control," a participant's employment or service with the Company or any of its affiliates or any successor is terminated by the Company other than for "cause," then (i) all outstanding time-based vesting of incentive awards granted to the participant will vest in full, and if applicable, become fully and immediately exercisable and (ii) all outstanding performance-based vesting awards granted to the participant will immediately vest as if target performance has been achieved and, if applicable, become fully and immediately exercisable.

Section 162(m) of the Code generally provides that publicly held companies may not deduct compensation paid to certain top executive officers to the extent such compensation exceeds \$1 million per officer in any year. However, pursuant to regulations issued by the Treasury Department, certain limited exceptions to Section 162(m) apply with respect to "performance-based compensation."

10

Federal Income Tax Consequences of Stock Options

The following discussion is for general information only and is based on the Federal income tax laws now in effect, which are subject to change, possibly retroactively. This summary does not discuss all aspects of Federal income taxation which may be important to individual participants. Moreover, this summary does not address specific state, local or foreign tax consequences. This summary assumes that the common stock acquired under the plans will be held as a "capital asset" (generally, property held for investment) under the Code.

Nonqualified Stock Options

A participant will generally not be subject to Federal income taxation upon the grant of an NSO. Rather, at the time of exercise of an NSO, the participant will recognize ordinary income for Federal income tax purposes in an amount equal to the excess of the fair market value of the shares purchased over the option price. The Company will generally be entitled to a tax deduction at such time and in the same amount that the participant recognizes ordinary income.

If shares of common stock acquired upon exercise of an NSO (or upon untimely exercise of an ISO) are later sold or exchanged, then the difference between the sales price and the fair market value of the common stock on the date that ordinary income was recognized with respect thereto will generally be taxable as capital gain or loss.

Incentive Stock Options

A participant will generally not be subject to Federal income taxation upon the grant of an ISO or upon its timely exercise. Exercise of an ISO will be timely if made during its term and if the participant remains an employee of the Company or of any parent or subsidiary of the Company at all times during the period beginning on the date of grant of the ISO and ending on the date three months before the date of exercise (or one year before the date of exercise in the case of a disabled employee). Exercise of an ISO will also be timely if made by the legal representative of a participant who dies (i) while in the employ of the Company or of any parent or subsidiary of the Company or (ii) within three months after termination of employment (or one year in the case of a disabled employee). The tax consequences of an untimely exercise of an ISO will be

Edgar Filing: CIRTRAN CORP - Form DEF 14A

determined in accordance with the rules applicable to NSOs.

If shares of common stock acquired pursuant to a timely exercised ISO are later disposed of, the participant will, except as noted below with respect to a "disqualifying disposition," recognize a capital gain or loss equal to the difference between the amount realized upon such sale and the option price. Under these circumstances, the Company will not be entitled to any deduction for Federal income tax purposes in connection with either the exercise of the ISO or the sale of the common stock by the participant.

If, however, a participant disposes of shares of common stock acquired pursuant to the exercise of an ISO prior to the expiration of two years from the date of grant of the ISO or within one year from the date the common stock is transferred to the participant upon exercise (a "disqualifying disposition"), generally (i) the participant will realize ordinary income at the time of the disposition in an amount equal to the excess, if any, of the fair market value of the common stock at the time of exercise (or, if less, the amount realized on such disqualifying disposition) over the option exercise price, and (ii) any additional gain recognized by the participant will be subject to tax as capital gain. In such case, the Company may claim a deduction for Federal income tax purposes at the time of such disqualifying disposition for the amount taxable to the participant as ordinary income.

The amount by which the fair market value of the common stock on the exercise date of an ISO exceeds the option price will be an item of adjustment for purposes of the "alternative minimum tax" imposed by Code Section 55.

11

Capital Gain or Loss

Net capital gain (i.e., generally, capital gain in excess of capital losses) recognized by a participant upon the sale of shares of common stock held for more than twelve months will generally be subject to tax at a rate not to exceed 15%. Net capital gain recognized from the sale of shares of common stock held for twelve months or less will be subject to tax at ordinary income rates.

Approval of the 2006 Stock Plan requires the affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Meeting. For purposes of the vote on the 2006 Stock Plan, abstentions will have the same effect as votes against the proposal. Broker non-votes, if any, will not have any effect on the result of the vote. Unless instructed to the contrary in the proxy, the shares represented by proxies will be voted FOR the proposal to approve the 2006 Stock Plan.

Policy on Pre-Approval of Audit and Permissible Non-Audit Services

The Board pre-approves any engagement of Hansen Barnett & Maxwell, P.C. and has the ultimate authority and responsibility to select, evaluate and where appropriate, replace the independent registered public accountants and nominate an independent registered public accounting firm for shareholder approval. While ratification of the selection of the independent registered public accounting firm by the shareholders is not required and is not binding upon the Board or the Company, in the event of a negative vote on such ratification, the Board might choose to reconsider its selection.

Prior to the performance of any services, the Board approves all audit and non-audit services to be provided by the Company's independent registered public accountant and the fees to be paid therefor. Although the Sarbanes-Oxley Act of 2002 permits the audit committee of the Board to pre-approve some types or categories of services to be provided by the independent registered public accountants, as the Company does not currently have an audit committee, it is the current practice of the Board to specifically approve all services provided by the independent registered public accountants in advance, rather than to pre-approve any type of service. In connection with this practice, the Board has considered whether the provision of non-audit services is compatible with maintaining Hansen Barnett & Maxwell, P.C.'s independence.

Independence

Hansen Barnett & Maxwell, P.C. has advised us that it has no direct or indirect financial interest in the Company or in any of its subsidiaries and that it has had, during the last three years, no connection with the Company or any of its subsidiaries, other than as independent auditors or in connection with certain other activities, as described below.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We are required to provide information regarding the compensation program in place for our Chief Executive Officer, Chief Financial Officer, and the three other most highly-compensated executive officers. We have also voluntarily elected to include information concerning additional executive officers. In this Proxy Statement, we refer to our CEO, CFO, and the other highly-compensated executive officers named herein as our "Named Executive Officers." This section includes information regarding, among other things, the overall objectives of our compensation program and each element of compensation that we provide to these and other executives of the Company. This section

Edgar Filing: CIRTRAN CORP - Form DEF 14A

should be read in conjunction with the detailed tables and narrative descriptions contained in this Proxy Statement.

As of the date of this Proxy Statement, the Company did not have a compensation committee; the Company's Board was responsible for determining the Company's compensation policies.

Compensation Objectives

The Company's compensation program encompasses several factors to determine the compensation of the Named Executive Officers. The following are the main objectives of the compensation program for the Named Executive Officers:

- o Retain qualified officers
- o Provide overall corporate direction for the officers and also to provide direction that is specific to the officers' respective areas of authority. The level of compensation amongst the officer group, in relation to one another, is also considered in order to maintain a high level of satisfaction within the leadership group. We consider the relationship that the officers maintain to be one of the most important elements of the leadership group.
- o Provide a performance incentive
- o Reward the officers in the following areas:
 - o Achievement of specific goals, budgets, and objectives;
 - o Professional education and development;
 - o Creativity, innovative ideas, and analysis of new programs and projects;
 - o New program implementation;
 - o Results-oriented determination and organization;
 - o Positive and supportive direction for company personnel; and
 - o Community involvement.

As of the date of this Proxy Statement, there were four principal elements of Named Executive Officer compensation. The Board determines the portion of compensation allocated to each element for each individual Named Executive Officer. The discussions of compensation practices and policies are of historical practices and policies. Our Board is expected to continue these policies and practices, but will reevaluate the practices and policies as it considers advisable.

16

The primary elements of the compensation program include:

- o Base salary;
- o Performance bonus and commissions;
- o Stock options and stock awards
- o Employee benefits in the form of:
 - o Health and dental insurance;
 - o Life insurance;
 - o Paid parking and auto reimbursement; and
 - o Other de minimis benefits.

Base salary

Edgar Filing: CIRTRAN CORP - Form DEF 14A

Base salary is intended to provide competitive compensation for job performance and to attract and retain qualified individuals. The base salary level is determined by considering several factors inherent in the market place such as: the size of the company; the prevailing salary levels for the particular office or position; prevailing salary levels in a given geographic locale; and the qualifications and experience of the officer.

Performance bonus and commissions

Bonuses are in large part based on company performance. An earnings before interest, taxes, depreciation, and amortization ("EBITDA") formula and sales growth are the determining factors used to calculate the performance bonus for the Chief Executive Officer and Chief Operating Officer. These two officers are also paid a commission based on a percentage that sales revenue increases as compared to the prior year. In addition, the Chief Executive Officer and Chief Operating Officer are eligible to receive a bonus equal to a certain percentage of, respectively, the value of an acquisition, and the amount of investment proceeds, that the Company achieves during the preceding year attributable solely to their specific efforts. The Chief Financial Officer receives a performance bonus based on performance, as determined by the Board, in addition to any bonus required under an employment contract. Policy decisions to waive or modify performance goals have not been a significant factor to date.

Stock options and stock awards

Stock ownership is provided to enable Named Executive Officers and directors to participate in the success of the Company. The direct or potential ownership of stock will also provide the incentive to expand the involvement of the Named Executive Officer to include, and therefore be mindful of, the perspective of stockholders of the Company.

Employee benefits

Several of the employee benefits for the Named Executive Officers are selected to provide security for the Named Executive Officers. Most notably, insurance coverage for health, life, and liability are intended to provide a level of protection to that will enable the Named Executive Officers to function without having the distraction of having to manage undue risk. The health insurance also provides access to preventative medical care which will help the officers function at a high energy level, manage job related stress, and contribute to the overall well being, all of which contribute to an enhanced job performance.

Other de minimis benefits

Other de minimis employee benefits such as cell phones, parking, and auto usage reimbursements are directly related to job functions but contain a personal use element which is considered to be a goodwill gesture that contributes to enhanced job performance.

As discussed above, the Board determines the portion of compensation allocated to each element for each individual Named Executive Officer. As a general rule, salary is competitively based, while giving consideration to employee retention, qualifications, performance, and general market conditions. Typically, stock options are based on the current market value of the option and how that will contribute to the overall compensation of the Named Executive Officer. Consideration is also given to the fact that the option has the potential for an appreciated future value. As such, the future value may be the most significant factor of the option, but it is also more difficult to quantify as a benefit to the Named Executive Officer.

Accordingly, in determining the compensation program for the Company, as well as setting the compensation for each Named Executive Officer, the Board attempts to attract the interest of the Named Executive Officer within in the constraints of a compensation package that is fair and equitable to all parties involved.

The following table summarizes all compensation paid to the Named Executive Officers in each of the last two fiscal years.

Each director, officer, or 5% or more shareholder, as the case may be, has furnished us information with respect to beneficial ownership. Except as otherwise indicated, we believe that the beneficial owners of the common stock listed above, based on the information each of them has given to us, have sole or shared investment and voting power with respect to their shares, except where community property laws may apply.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires CirTran's officers, directors, and persons who beneficially own more than 10% of the

Company's common stock to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater-than-ten-percent shareholders are also required by the SEC to furnish us with copies of all Section 16(a) forms that they file.

Based solely upon a review of these forms that were furnished to the

Edgar Filing: CIRTRAN CORP - Form DEF 14A

Company, and based on representations made by certain persons who were subject to this obligation that such filings were not required to be made, the Company believes that all reports that were required to be filed by these individuals and persons under Section 16(a) were filed on time in fiscal year 2007, except for: Iehab J. Hawatmeh who filed late three Forms 4; Fadi Nora who filed late one Form 3 and two Forms 4; and Donald L. Buehner who filed late one Form 3 and two Forms 4. In addition, Iehab J. Hawatmeh, Shaher Hawatmeh, and Trevor Saliba failed to file reports of transactions occurring in prior periods. However, these individuals subsequently reported all transactions related to the late and any missing forms under Section 16(a) on a Form 5, filed during 2008.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Play Beverages, LLC

During 2006, Playboy Enterprises International, Inc. ("Playboy") entered into a licensing agreement with Play Beverages, LLC ("PlayBev"), then an unrelated Delaware limited liability company, whereby PlayBev agreed to internationally market and distribute a new energy drink carrying the Playboy name and related "Rabbit Head" logo symbol. In May 2007, PlayBev entered into an exclusive agreement with us to arrange for the manufacture, marketing and distribution of the energy drinks, other Playboy-licensed beverages, and related merchandise through various distribution channels throughout the world.

In an effort to finance the initial development and marketing of the new drink, we and other investors formed After Bev Group LLC ("AfterBev"), a California limited liability company and partially-owned, consolidated subsidiary of the Company. We contributed our expertise in exchange for an initial 84 percent membership interest in AfterBev. The other initial AfterBev members contributed \$500,000 in exchange for the remaining 16 percent. We borrowed an additional \$250,000 from an individual, and AfterBev contributed the total \$750,000 to PlayBev in exchange for a 51 percent interest in PlayBev's cash distributions. We recorded this \$750,000 amount as an investment in PlayBev. PlayBev then remitted these funds to Playboy as part of a guaranteed royalty prepayment. Along with the membership interest granted to us, PlayBev agreed to appoint Iehab J. Hawatmeh, our president, and Fadi Nora, one of our directors, to two of PlayBev's three executive management positions. In addition, during 2007, Mr. Hawatmeh and Mr. Nora personally purchased membership interests from other PlayBev members which aggregated 11.1 percent. Despite the combined 62.1 percent interest owned by Mr. Hawatmeh, Mr. Nora, and the Company, and the resultant ability to partially influence PlayBev, the operating agreement for PlayBev requires that various major operating and organizational decisions be agreed to by members owning at least 75 percent of the membership interests. The other members of PlayBev are not affiliated with us. Accordingly, while PlayBev is a related party, we cannot unilaterally control significant operating decisions of PlayBev, and have not accounted for PlayBev's operations as if it was a consolidated subsidiary.

PlayBev has no operations; therefore, under the terms of the exclusive manufacturing and distribution agreement we were appointed the master manufacturer and distributor of the beverages and other products that PlayBev licensed from Playboy. In so doing, we assumed all the risk of collecting amounts owed from customers, and contracting with vendors for manufacturing and marketing activities. We also agreed to pay PlayBev a royalty equal to our gross profits from collected beverage sales, less 20 percent of our related cost of goods sold, and 6 percent of our collected gross sales. During 2007, we incurred \$93,104 in royalty expenses due to PlayBev at December 31, 2007.

We also agreed to provide services to PlayBev for initial development, marketing, and promotion of the new beverage. These services are to be billed to PlayBev and recorded as an account receivable from PlayBev. We agreed to carry up to a maximum of \$1,000,000 as a receivable due from PlayBev in connection

Edgar Filing: CIRTRAN CORP - Form DEF 14A

with these billed services, to be repaid by PlayBev out of the royalties due PlayBev from our distribution sales as described in the preceding paragraph. Amounts billed to PlayBev for marketing and development services amounted to \$1,532,071 during 2007, and were included in revenues for our marketing and media segment. After netting this amount due from PlayBev with amounts due to PlayBev for royalties, the amount owed to us was \$1,438,967 at December 31, 2007.

24

On March 19, 2008, we agreed to increase the receivable maximum under our agreement with PlayBev from \$1,000,000 to \$3,000,000, and to begin charging interest at a rate of 7 percent per annum.

After Bev Group, LLC

Following AfterBev's organization in May 2007, we entered into consulting agreements with Mr. Nora and an unrelated individual who had loaned us \$250,000 when we invested in PlayBev. The agreements provided that we assign to each of Mr. Nora and the other individual approximately one-third of the Company's share in future AfterBev cash distributions, in exchange for their assistance in the initial AfterBev organization and planning, along with their continued assistance in subsequent beverage development and distribution activities. The agreements also provided that if and when we sold a portion of our membership interest in AfterBev, these individuals would each be owed their proportional assigned share distributions in the proceeds of such sales. The actual payment of the distributions depended on the use of the sale proceeds. If we were to use the proceeds to help finance beverage development and marketing activities, the payment of distributions was to be deferred, pending collections from customers once beverage product sales eventually commenced. Otherwise, the proportional assigned share distributions were due to the two individuals.

Throughout 2007, as energy drink development and marketing activities progressed, we raised additional funds by selling portions of our membership interest in AfterBev to other investors, some of whom were our stockholders or other affiliates. In some cases, we sold a portion of our membership interest, including voting rights. In other cases, we sold merely a portion of our share of future AfterBev profits and losses. By December 31, 2007, we had raised a total of \$3,663,000 from such sales; we also owed one investor \$75,000 for returning a portion of an interest. We retained a 14 percent interest in AfterBev's profits and losses, but also retained 52 percent of all voting rights in AfterBev. We recorded the receipt of these net funds as \$1,015,710 in increases to our existing minority interest in AfterBev, and \$2,572,290 in amounts owing as distributable proceeds payable to Mr. Nora and the other individual to whom we had assigned interests of our original share of AfterBev. Of this amount, Mr. Nora was owed \$1,192,290, of which \$445,000 was paid, leaving \$747,290 owing at December 31, 2007.

Global Marketing Alliance

We entered into an agreement with Global Marketing Alliance ("GMA"), a Utah limited liability company and certain of its affiliates, and hired GMA's owner as the Vice President of our subsidiary, CirTran Online Corp. ("CTO"). Under the terms of the agreement, we outsource to GMA the online marketing and sales activities associated with our CTO products. In return, we provide bookkeeping and management consulting services to GMA, and pay GMA a fee equal to five percent of CTO's net sales. In addition, GMA assigned to us all of its web-hosting and training contracts effective as of January 1, 2007, along with the revenue earned thereon, and we also assumed the related contractual

Edgar Filing: CIRTRAN CORP - Form DEF 14A

performance obligations.

Other transactions involving Officers, Directors, and Stockholders

Don L. Buehner was appointed to our Board of Directors as of October 1, 2007. For services to be rendered in 2008, we granted Mr. Buehner an option during 2007 to purchase 2,400,000 shares of our common stock. Prior to his appointment as a director, Mr. Buehner bought the building housing our principal executive offices in Salt Lake City in a sale/leaseback transaction. The term of the lease is for 10 years, with an option to extend the lease for up to three additional five-year terms. We pay Mr. Buehner a monthly lease payment of \$17,083, which is subject to annual adjustments in relation to the Consumer Price Index. Lease payments during 2007 to Mr. Buehner totaled \$136,664. We believe that the amount charged and payable to Mr. Buehner under the lease is reasonable and in line with local market conditions. As discussed above, Mr. Buehner has announced his intention to resign from our Board of Directors following the Annual Meeting of Shareholders.

In February 2007, we appointed Fadi Nora to our Board of Directors. Prior to his appointment with us, Mr. Nora was also an investor in the Company (see the discussion below related to ANAHOP). For services rendered in 2007 and to be rendered in 2008, we granted Mr. Nora options during 2007 to purchase a total of 4,800,000 shares of common stock. In addition, Mr. Nora is entitled to a quarterly bonus equal to 0.5 percent of any gross sales earned by us directly through his efforts. Mr. Nora also is entitled to a bonus equal to five percent of the amount of any investment proceeds received by us that are directly generated and arranged by him if the following conditions are satisfied: (i) his sole involvement in the process of obtaining the investment proceeds is our introduction to the potential investor, but that he does not participate in the recommendation, structuring, negotiation, documentation, or selling of the investment, (ii) neither we nor the investor are otherwise obligated to pay any

25

commissions, finders fees, or similar compensation to any agent, broker, dealer, underwriter, or finder in connection with the investment, and (iii) the Board in its sole discretion determines that the investment qualifies for this bonus, and that the bonus may be paid with respect to the investment. During 2007, Mr. Nora received \$345,750 in compensation associated with sales of portions of our interest in AfterBev.

In May 2007, we issued a 10 percent promissory note to a family member of Iehab J. Hawatmeh in exchange for \$300,000. The note is due on demand after one year. During 2007, along with interest we repaid principal of \$61,109.

During 2007, Mr. Hawatmeh advanced us \$30,000; this obligation was repaid prior to the end of the year. During 2006, Mr. Hawatmeh advanced us a net \$110,837, all of which had been repaid by the end of 2006. At the end of 2005, Mr. Hawatmeh had advanced us \$95,806, all of which was repaid in January 2006.

Transactions involving ANAHOP, Inc.

In May 2006, we closed a private placement of shares of the Company's common stock and warrants (the "May Private Offering"). Pursuant to a securities purchase agreement we issued 14,285,715 shares of common stock (the "May Shares") to ANAHOP, Inc. ("ANAHOP"), a California company partially owned by Fadi Nora. The consideration paid for the May Shares was \$1,000,000. In addition to the Shares, the Company issued warrants (the "Warrants") to designees of ANAHOP to purchase up to an additional 36,000,000 shares of common stock. Of this amount, Mr. Nora was designated to receive Warrants to purchase 10,000,000

Edgar Filing: CIRTRAN CORP - Form DEF 14A

shares of common stock.

In June 2006, the Company closed a second private placement of shares of its common stock and warrants (the "June Private Offering"). Pursuant to a securities purchase agreement (the "Agreement"), the Company agreed to issue up to 28,571,428 shares of common stock (the "June Shares") to ANAHOP. The total consideration to be paid for the June Shares will be \$2,000,000 if all tranches of the sale close.

Pursuant to the Agreement, ANAHOP agreed to pay \$500,000 (the "First Tranche Payment"). Upon the receipt of the First Tranche Payment, the Company agreed to issue a certificate or certificates to the Purchaser representing 7,142,857 of the June Shares.

The remaining \$1,500,000 is to be paid by the ANAHOP as follows:

(i) No later than thirty calendar days following the date on which any class of the Company's capital stock is first listed for trading on either the Nasdaq Small Cap Market, the Nasdaq Capital Market, the American Stock Exchange, or the New York Stock Exchange, ANAHOP agreed to pay an additional \$500,000 to the Company; and

(ii) No later than sixty calendar days following the date on which any class of the Company's capital stock is first listed for trading on either the Nasdaq Small Cap Market, the Nasdaq Capital Market, the American Stock Exchange, or the New York Stock Exchange, ANAHOP agreed to pay an additional \$1,000,000 to the Company. (The payments of \$500,000 and \$1,000,000 are referred to collectively as the "Second Tranche Payment.")

Upon receipt by the Company of the Second Tranche Payment, the Company agreed to issue a certificate or certificates to ANAHOP representing the remaining 21,428,571 June Shares.

Additionally, once the Company has received the Second Tranche Payment, the Company agreed to issue warrants to designees of ANAHOP to purchase up to an additional 63,000,000 shares.

On April 11, 2008, Mr. Nora disassociated himself from the other principals of ANAHOP, and as part of the asset settlement, relinquished ownership of 12,857,144 shares of CirTran Corporation common stock and all of the warrants previously assigned to him.

Transactions involving Abacas Ventures, Inc.

Two trusts, the Saliba Living Trust and the Saliba Private Annuity Trust (collectively, the "Saliba Trusts"), were investors in Circuit Technology, our predecessor entity. The trustees of the trusts are Tom and Betty Saliba, and Tom Saliba, respectively. (Tom Saliba is the nephew of the grandfather of Trevor Saliba, one of our former directors.) In July 2000, we merged with Circuit

Technology. Through that merger, the Saliba Trusts became our shareholders. The Saliba Trusts were also two of the shareholders of an entity named Abacas Ventures, Inc. ("Abacas"). At the time of the 2000 merger, we were in default on several of our obligations, including an obligation to Imperial Bank. The Saliba Trusts, through Abacas, purchased the bank's claim against us to protect their investment. Subsequently, Abacas continued to settle our debts in order to improve their position, and to take advantage of certain discounts that our creditors offered in order to settle creditor claims. On two occasions, the

Edgar Filing: CIRTRAN CORP - Form DEF 14A

Abacas shareholders agreed to convert outstanding debt owed by us to Abacas into shares of our common stock (discussed below). Abacas continued to work with us to settle claims by creditors, and to provide us with funding.

In 2002, we entered into an agreement with Abacas under which we issued an aggregate of 19,987,853 shares of common stock to four of Abacas's shareholders in exchange for cancellation by Abacas of \$1,499,090 in senior debt owed by us to our the creditors. The shares were issued with an exchange price of \$0.075 per share, for an aggregate amount of \$1,500,000. We also entered into another agreement with Abacas in which we issued an aggregate of 30,000,000 shares of common stock to four of Abacas's shareholders in exchange for cancellation by Abacas of an aggregate amount of \$1,500,000 in senior debt owed to our creditors. The shares were issued with an exchange price of \$0.05 per share, for an aggregate amount of \$1,500,000.

During 2002, we also entered into a bridge loan agreement with Abacas. This agreement allowed us to request funds from Abacas to finance the build-up of inventory relating to specific sales. The loan charged interest of 24 percent and was payable on demand. There were no required monthly payments. During the years ended December 31, 2004 and 2003, we received draws of \$3,128,281 and \$350,000, respectively, and made cash payments of \$3,025,149 and \$875,000, respectively.

During 2004, Abacas completed negotiations with several of our vendors whereby Abacas purchased various past-due amounts for goods and services, as well as notes payable. The total of these obligations was \$1,263,713.

The total principal amount owed to Abacas pursuant to the note payable and the bridge loan was \$1,530,587 and \$163,742 as of December 31, 2004 and 2003, respectively. The total accrued interest owed to Abacas in relation to these agreements was \$430,828 and \$230,484 as of December 31, 2004 and 2003, respectively, and was included in accrued liabilities at the time.

In 2005, the shareholders of Abacas agreed to cancel \$2,050,000 of principal and accrued interest in return for our issuing 51,250,000 shares of our restricted common stock to Abacas shareholders. Subsequently we have borrowed no further amounts or issued any more shares of common stock.

As of December 31, 2001, Iehab J. Hawatmeh had loaned us a total of \$1,390,125. The loans were demand loans, bore interest at 10 percent per annum and were unsecured. Effective January 14, 2002, we entered into four substantially identical agreements with existing shareholders pursuant to which we issued an aggregate of 43,321,186 shares of restricted common stock at a price of \$0.075 per share for \$500,000 in cash and the cancellation of \$2,749,090 principal amount of our debt. Two of these agreements were with the Saliba Trusts. The Saliba Trusts are also principals of Abacas Ventures, Inc., which entity purchased our line of credit in May 2000 (see above). Pursuant to the Saliba agreements, the Saliba Trusts were issued a total of 26,654,520 shares of common stock in exchange for \$500,000 cash and the cancellation of \$1,499,090 of debt. We used the \$500,000 cash from the sale of the shares for working capital. As a result of this transaction, the percentage of our common stock owned by the Saliba Trusts increased from approximately 7 percent to approximately 18 percent. Mr. Trevor Saliba, one of our former directors and officers, is a passive beneficiary of the Saliba Private Annuity Trust. Pursuant to the other two agreements made in January 2002, we issued an aggregate of 16,666,666 shares of restricted common stock at a price of \$0.075 per share in exchange for the cancellation of \$1,250,000 of notes payable by two shareholders, Mr. Hawatmeh, and Rajai Hawatmeh, his cousin. Of these shares, 15,333,333 were issued to Iehab J. Hawatmeh in exchange for the cancellation of \$1,150,000 in debt.
