## Edgar Filing: CIRTRAN CORP - Form 8-K

CV, a Mexican business corporation with its principal place of business at Torcuato Tasso 245-722, Polanco, Mexico D.F. 11560 Mexico (the "Distributor").

Under the Agreement, the Company appointed the Distributor as its exclusive distributor for the Playboy Energy Drink and the Playboy Energy Drink Low Sugar (collectively, the "Products") in Mexico (the "Territory").

In connection with the execution of the Agreement, and as a condition precedent to the effectiveness of the Agreement, the Distributor agreed to place with the Company a non-cancellable purchase order for an initial amount of Products (exclusive of promotional Products), and deliver to the Company a deposit towards the purchase price for the Product as required under the Agreement. The Company and the Distributor agreed that after the Distributor has qualified the Products for sale in the Territory, it may draw down on such purchase order, specifying the quantity of the Products and anticipated delivery dates.

The Company and the Distributor agreed that the Agreement would be effective as of the Effective Date, i.e., the date on which the Distributor placed the initial order and paid a deposit for the Products in the order. As of October 30, 2008, the Distributor had placed the order and remitted its deposit. The parties also agreed the Agreement will remain in force for ten years (the "Term"), unless terminated earlier. The Agreement will automatically renew for a renewal Term of five years if at the end of the initial Term (i) Distributor is not in default under the Agreement, (ii) Distributor has satisfied the Minimum Sales Requirement described in the Agreement for each contract year of the initial Term, (iii) the parties have agreed upon the Minimum Sales Projections for the renewal term, and (iv) Distributor has not notified the Company that it does not intend to renew the Term, which notice must be given at least 90 days prior to the expiration of the then-current Term.

The Agreement may be terminated by mutual consent, upon the occurrence of any of the enumerated events of default, or for underperformance by the Distributor.

Under the Agreement, the Distributor's obligations include development of the Territory; compliance with the November 1, 2006, License Agreement between the Company's licensors, Play Beverages, LLC, and Playboy Enterprises International, Inc.; purchase and distribution of the Products; marketing; quality control; and maintaining storage and handling standards. The Company agreed to sell the Products to the Distributor during the Term of the Agreement; and to provide promotional materials and promotional Products for use in the Territory.
