Item 8.01

Other Events.

Due to certain accounting requirements related to unvested restricted stock awards, in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2013 ("10-K") filed today, the earnings per share for the 2013 fiscal year and for the quarter ended September 30, 2013 have been corrected from the numbers reported in the Company's press release dated October 29, 2013. For the 2013 fiscal year, the diluted earnings per share have been corrected to \$2.14 (as opposed to \$2.16 in the press release), and for the quarter ended September 30, 2013 the diluted earnings per share have been corrected to \$.69 (as opposed to \$.70 in the press release). Similar corrections were made for basic earnings per share in the 10-K. The corrections have been made to account for the effects of unvested restricted stock awards with a right to receive non-forfeitable dividends, which are participating securities under the two-class method as prescribed by ASC 260, Earnings Per Share. The Company has concluded that the impacts of the earnings per share differences are not material.
