The Perficient 401(k) Employee Savings Plan

Austin, Texas

We have audited the accompanying statements of net assets available for benefits (Form 5500, Schedule H) as of December 31, 2002 and 2001, and the related statements of changes in net assets available for benefits for the years ended December 31, 2002 and 2001 (Form 5500, Schedule H) of the Perficient 401(k) Employee Savings Plan. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Perficient 401(k) Employee Savings Plan as of December 31, 2002 and 2001, and the changes in its net assets available for benefits for the years ended December 31, 2002 and 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2002, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan s management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

**The Perficient 401(k) Employee Savings Plan**

**Notes to Financial Statements**

**1. Description of Plan**

The following description of The Perficient 401(k) Employee Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Perficient, Inc. (the Company) who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Each year participants may contribute up to 20% of their pretax annual compensation to any of the investment funds. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions up to specified amounts at its discretion. The Company may not make a contribution to the Plan for any Plan year to the extent the contribution would exceed the participant's maximum permissible amount. The matching contribution for 2002 and 2001 was 25% of the first 6% of eligible compensation deferred by the participant.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Participant-Directed Investments**

All assets of the Plan are participant-directed investments.

Edgar Filing: PERFICIENT INC - Form 11-K

Participants have the option of directing their account balance to one or more different investment funds. The investment options available are Janus Worldwide Fund, Janus Twenty Fund, Janus Balanced Fund, American Century Ultra Fund, American Century Income and Growth Fund, T. Rowe Price Mid Cap Growth Fund, T. Rowe Price Small Cap Stock Fund, Putnam High Yield Advantage Fund, Hartford Index Fund, Hartford Money Market HLS, and Perficient, Inc. Common Stock.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Company matching contributions vest based on years of service as follows:

| Years of Service | Nonforfeitable<br>Percentage |
|------------------|------------------------------|
| Less than 1      | 0                            |
| 1                | 33                           |
| 2                | 66                           |
| 3 or more        | 100                          |

**Payment of Benefits**

Participants are entitled to receive benefit payments at the normal retirement age of 65, in the event of the participant's death or disability, or in the event of termination under certain circumstances other than normal retirement, disability or death, or if the participant reaches age 70 ½ while still employed. Benefits may be paid in a lump-sum distribution or by an annuity.

**Forfeited Accounts**

In accordance with the Plan provisions, the forfeitures of participants leaving the Plan are reallocated to the remaining participants. Forfeitures during the years ended December 31, 2002 and 2001, were \$9,278 and \$10,678, respectively.

**Participant Loans**

Upon written application of a participant, the Plan may make a loan to the participant. Participants are allowed to borrow no less than \$1,000 and no greater than the lesser of 50% of the participant's vested account balance, or \$50,000. Loans are amortized over a maximum of 60 months unless used to purchase the participant's principal residence and repayment is made through payroll deductions. The amount of the loan is deducted from the participant's investment accounts and bears interest at a rate commensurate with local rates for similar plans.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Plan have been prepared on the accrual basis of accounting, except for benefit payments, which are reported when paid.

**Valuation of Investments**

Investments in mutual funds, employer securities, and the general insurance account are stated at fair value, which is determined based on quoted market prices. Participant loans are stated at cost, which approximates fair value.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**3. Investments**

The following investments represented 5% or more of the Plan's net assets available for benefits at December 31, 2002:

|                                    | <b>Current<br/>Value</b> |

**4. Income Tax Status**

The Plan's latest determination letter is dated August 7, 2001, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the application requirements of the Internal Revenue Code. Effective January 1, 2002, the Plan was amended and restated to comply with applicable law changes. Perficient, Inc. believes the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is

Edgar Filing: PERFICIENT INC - Form 11-K

**5. Plan Termination**
