MTS Announces Subscriber Growth Numbers for August 2004

Moscow, Russian Federation September 6, 2004 Mobile TeleSystems OJSC (MTS - NYSE: MBT), the largest mobile phone operator in Russia and the CIS, announces that its consolidated subscriber base reached 25.54 million users on August 31, 2004.

During August 2004, MTS consolidated subscriber base increased by 1.43 million subscribers. The growth was due to continuing dynamic development of the Company's business, as well as the consolidation of Volgograd Mobile and Astrakhan Mobile (around 10 thousand users in Russia) and Uzdunrobita (around 0.24 million users in Uzbekistan).

Commenting on the subscriber growth numbers, MTS Vice President and Chief Marketing Officer, Mikhail Susov, said: "In August MTS subscriber base reached two symbolic milestones – more than 20 million subscribers in Russia and more than 5 million in Ukraine. We introduced a range of new marketing programs aimed at attracting new subscribers and increasing customer loyalty. For example, in Russia we offered a 50% discount on calls to subscribers who sign an annual contract and launched a number of unique location-based services."
