PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS TO
BE HELD ON NOVEMBER 30, 2004**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Artemis International Solutions Corporation, a Delaware corporation (referred to throughout this Proxy Statement as "Artemis International," the "Company," "we," "our" or "us") for the Company's Annual Meeting of Stockholders to be held on November 30, 2004 (the "Annual Meeting") at 10:00 a.m., local time, at the Company's corporate headquarters located at 4041 MacArthur Boulevard, Suite 401, Newport Beach, CA 92660 and at any adjournment thereof. This Proxy Statement and the accompanying proxy are being mailed to our stockholders on or about November 5, 2004.

THE PROXY

The persons named as proxyholders, Robert Stefanovich and Charles F. Savoni, were selected by the Board of Directors of the Company. Mr. Stefanovich and Mr. Savoni are both executive officers of the Company: Mr. Stefanovich is Executive Vice President and Chief Financial Officer; and Mr. Savoni is Senior Vice President, General Counsel and Secretary.

All shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted in the manner specified therein. If no specification is made on the proxy as to any one or more of the proposals, the common stock, \$.001 par value (the "Common Stock") of the Company represented by the proxy will be voted for the election of the directors named in the Proxy Statement and with respect to any other matters that may come before the Annual Meeting, at the discretion of the proxyholders. The Company does not currently know of any other such business to be conducted at the Annual Meeting. An executed proxy may be revoked at any time before its exercise by filing with the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect a stockholder's right to vote in person should such stockholder find it convenient to attend the Annual Meeting and desire to vote in person.

VOTING AT THE ANNUAL MEETING

Only holders of record at the close of business on October 22, 2004 (the "Record Date"), are entitled to receive notice of and to vote at the Annual Meeting and any adjournment thereof. On the Record Date, the Company had issued and outstanding 9,965,018 shares of Common Stock and 4,090,909 shares of Series A Convertible Preferred Stock, \$.001 par value.

The holders of the Common Stock are entitled to one vote per share on all matters to be voted on at the Annual Meeting. The holders of the Series A Preferred Stock are entitled to one vote per share on all matters to be voted upon at the Annual Meeting, which is on an as converted basis, voting together with the holders of the Common Stock. The Company's Bylaws do not provide for cumulative voting by stockholders.

At the Annual Meeting, when the Series A Preferred Stock votes together with the Common Stock as one class, all such shares would represent an aggregate of 14,055,927 votes.

The holders of a majority of the Company's outstanding Common Stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions (also referred to as withheld votes), the Company believes that abstentions should be counted for purposes of determining if a quorum is present at the Annual Meeting for the transaction of business. With respect to broker nominee votes, the Delaware Supreme Court has held that broker nominee votes may be counted as present or represented for purposes of determining the presence of a quorum. Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals.

SOLICITATION

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of mail, but directors, officers and regular employees of the Company may solicit proxies personally or by telephone or special letter without any additional compensation. The Company also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

PROPOSAL 1**ELECTION OF CLASS I AND CLASS III DIRECTORS**

At the Annual Meeting, four individuals are to be elected to hold office until their term expires and until their successors are elected and qualified. It is intended that the accompanying proxy will be voted in favor of the following persons to serve as directors unless the shareholder indicates to the contrary on the proxy. The election of the Company's directors requires a plurality of the votes cast in person or by proxy at the meeting. Management expects that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH NOMINEE AS EITHER CLASS I OR CLASS III DIRECTORS. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE ELECTION OF THE FOUR NOMINEES AND THEIR RESPECTIVE DIRECTOR CLASSES DESCRIBED BELOW.

The following table sets forth the names and ages as of September 30, 2004, and positions of directors and the nominees, as well as the committees that the director is or the nominee shall be a member of, and their respective Class of Director. A summary of the background and experience of each of these individuals is set forth after the table.

NAME	AGE	POSITION	COMMITTEE	DIRECTOR CLASS
<u>Nominees</u>				
Steve Yager	50	Chairman of the Board		Class III
Mike Murphy	46	Director	Audit and Compensation	Class III
Joseph Liemandt	36	Director	Compensation and Nominating	Class I
David Cairns	58	Director	Audit and Nominating	Class I
<u>Continuing Directors</u>				
Pekka Pere	46	Director		Class II
Olof Odman	61	Director	Audit, Compensation and Nominating	Class II
Bengt-Ake Algevik	54	Director		Class II

Artemis International's Certificate of Incorporation and Bylaws provide for the Board of Directors to be divided into three classes, with each class to be as nearly equal in number of directors as possible. The term of each class of director should expire in a year that is different than either of the other two respective classes of directors. In this regard, the director nominees as identified above shall serve as follows: Messrs. Liemandt and Cairns shall comprise the Class I directors, serving from 2004 - 2007. Messrs. Yager and Murphy shall comprise the Class III directors, serving from 2004 - 2006. Messrs. Pere, Odman and Algevik comprise the Class II directors and are continuing to serve through 2005.

Each nominee has consented to being named in this Proxy Statement and to serve if elected. If, prior to the Annual Meeting, any nominee should become unavailable to serve, the voting securities of the Company, represented by a properly executed and returned proxy, will be voted for such additional person as shall be designated by the Board of Directors, unless the Board of Directors determines to reduce the number of

directors in accordance with the Company's Certificate of Incorporation and Bylaws.

Mr. Odman and Mr. Liemandt became members.

(7) The principal address of Emancipation Capital, LP, or EC, is 153 East 53rd Street, Suite 26B, New York, NY 10022. Emancipation Capital, LLC acts as the general partner of EC and has voting and dispositive power over the securities held by EC. The managing member of Emancipation Capital, LLC is Mr. Frumberg. Emancipation Capital, LLC and Mr. Frumberg disclaim beneficial ownership of the securities held by EC, except for their pecuniary interest therein. Six

Month Price means the greater of \$1.75 or the lowest average closing price of the Common Stock of the Company for any 15 consecutive day period during the six month period immediately following June 16, 2004. EC also owns Series A convertible preferred stock arising from the private placement transaction completed by the Company on June 16, 2004. Assuming that all of the shares of the Company's Common Stock beneficially owned by Series A Holders were issued and outstanding, and that EC does not purchase or sell any common stock of the Company, EC's ownership of the Company would approximate 11%.

(8) Samuelson Investment, Inc. is wholly owned by Trilogy, Inc. Mr. Liemandt is Chairman of the Board, President and CEO of Trilogy, Inc.

(9) Director disclaims beneficial ownership of 1,250,000 shares held by Samuelson Investment, Inc.

Six Month Price means the greater of \$1.75 or the lowest average closing price of the Common Stock of the Company for any 15 consecutive day period during the six month period immediately following June 16, 2004. Samuelson also owns Series A convertible preferred stock arising from the private placement transaction completed by the Company on June 16, 2004. As of September 30, 2004, Samuelson's preferred stock is convertible into 1,136,364 shares of the Company's restricted common stock, which are included above. Additional information related to the private placement transaction can be obtained from the Form S-1/A (which is not yet effective) as filed by the Company with the SEC on August 24, 2004, a copy of which is available upon request. Assuming that all of the shares of the Company's Common Stock beneficially owned by Series A Holders were issued and outstanding, and that Samuelson does not purchase or sell any common stock of the Company, Samuelson's ownership of the Company would approximate 9%.

COMPENSATION COMMITTEE REPORT

The Compensation Committee (Compensation Committee) of the Board of Directors is comprised of three directors who are not officers or employees of the Company. During the fiscal year ended December 31, 2003, the Compensation Committee, consisting of Mr. Odman, Mr. Klaus Cawen and Mr. Jim Cannavino, was responsible for establishing and administering the policies that govern the compensation of executive officers, including the Named Executive Officers. On May 29, 2003, the Board adopted a written Compensation Committee charter, which is attached to this Proxy Statement as an Appendix. Mr. Cawen resigned from the Board of Directors and all related committees on December 17, 2003, while Mr. Cannavino so resigned, effective February 24, 2004. As of September 10, 2004, the Compensation Committee is comprised of Mr. Odman, Mr. Murphy and Mr. Liemandt. The Compensation Committee has furnished the following report on executive compensation:

The Compensation Committee reviews and administers the Company's various compensation plans, including the base compensation levels of Executive Officers, the Company's bonus plan and the Company's stock incentive plans.

General Compensation Policy. The Compensation Committee's fundamental compensation policy is to make a substantial portion of an executive's total potential compensation contingent upon the financial performance of the Company. Accordingly, in addition to each executive's base salary, the Company offers the opportunity for an annual cash bonus, which is tied to the Company's achievement of financial performance goals, and stock option awards to provide incentives to the executive officers through an equity interest in the Company. The Compensation Committee believes that the stockholders benefit by aligning the long-term interests of stockholders and executive employees.

Base Salary. For the fiscal year 2003, the Compensation Committee reviewed the recommendations of the Chief Executive Officer as to proposed base salaries for all executives other than the Chief Executive Officer. Increases in base salaries generally reflect increased responsibilities over the prior fiscal year and/or strong individual performance in the prior fiscal year, or adjustments to changes in market conditions to help assure retention.

The Compensation Committee performed an annual review of the base salary of each of the executive officers with reference to the executive's performance, level of responsibility and experience to determine whether the current base salary is appropriate and competitive. The Compensation Committee evaluated the reasonableness of the base salary based upon the median salary range paid to executive officers with comparable duties at companies of similar size in the same geographic area in the computer technology industry. No specific quantitative weight was given to any particular performance measurement.

Cash Bonuses. The Company's Board of Directors approved and implemented a senior management quarterly bonus plan for fiscal 2003. The plan was designed to provide an incentive to certain designated senior managers to maximize stockholder value by achieving targeted levels of revenue and operating profit. Participants in the plan included all executive officers of the Company and certain other key senior managers.

Pursuant to the terms of the plan, the criterion for earning a bonus was based on the Company's revenue and operating profit for fiscal 2003 being equal to or greater than 80% of the revenue and operating profit set forth in the Company's annual operating plan (AOP) as approved by the Company's Board of Directors, with specific quarterly goals established and incorporated into the plan. The only quarter in which the specific goals were attained was in the first quarter of 2003. As such, the only bonuses paid for fiscal year 2003 pertained to the first quarter.

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

Stock Option Awards. The Company has granted stock options under its various stock option plans at prices equal to the fair market value of the Company's Common Stock at the date of grant. Grants to executive officers are based on their responsibilities and relative positions in the Company and are considered an integral component of total compensation. The Compensation Committee believes the granting of options to be beneficial to stockholders, because it increases management's incentive to enhance stockholder value. Grants are proposed by the Chief Executive Officer and reviewed by the Compensation Committee based on the individual's overall performance. The Compensation Committee believes that stock option grants can serve as an important incentive in retaining and motivating key employees of the Company. In fiscal year 2003, however, no such grants were issued.

Chief Executive Officer Compensation. The base salary of the Chief Executive Officer was recommended by the Compensation Committee and approved by the Board of Directors. The Compensation Committee reviewed the salaries of comparable executive officers at companies of similar size and in the same geographic area as the Company and in the software industry. The Compensation Committee's policy is to have a substantial portion of the Chief Executive Officer's total compensation based on the Company's financial performance. As such, Mr. Rusert's annual base salary was set at \$285,000 with a potential bonus of \$200,000 based on the fiscal 2003 AOP. Upon Mr. Rusert's resignation in January of 2004, Mr. Ternier was provided the same levels of targeted compensation: a \$285,000 annual base salary with a potential bonus of \$200,000 based on the fiscal 2004 AOP.

Policy Regarding Deductibility of Compensation. Section 162(m) of the Internal Revenue Code (Section 162(m)) provides that for federal income tax purposes, the otherwise allowable deduction for compensation paid or accrued to a covered employee of a publicly

held corporation is limited to no more than \$1 million per year. Section 162(m) does not presently affect the Company because, for the fiscal year ended December 31, 2003, no executive officer's compensation exceeded \$1 million, and the Company does not believe that the compensation of any executive officer will exceed \$1 million for the 2004 fiscal year. Options granted under the Company's Stock Incentive Plans would be considered performance-based compensation. As performance-based compensation, compensation attributable to options granted under the Plan and awarded to covered employees will not be subject to the compensation deduction limitations of Section 162(m).

If the agreement is terminated for cause, Mr. Stefanovich is entitled only to receive that portion of his base salary owed through the date of termination. If events that constitute a change in control of the Company occur, or if the agreement is terminated without cause, Mr. Stefanovich would be entitled, (i) to receive payment continuation of his base salary for a twelve month period, (ii) to receive a continuation of Company provided medical benefits at the same level he was receiving prior to termination for the same twelve month period, and (iii) to receive any incentive bonus payment earned but not paid as of the termination date pro-rated for the quarter in which any such termination would take effect based on the termination date. In addition, all options granted which have not vested at the date of termination would immediately vest. The agreement also contains certain restrictions on competition. Additionally, the Company in its sole discretion may grant to Mr. Stefanovich stock options to purchase shares of Common Stock, consistent with the policy pertaining to executive officers as described in the above Compensation Committee Report.

We have an employment agreement with Mr. Savoni, Senior Vice President, General Counsel and Secretary. Mr. Savoni is entitled to receive an annual base salary (as of November 30, 2004, the date of the Annual Meeting - \$155,000 per year) and is eligible for an annual bonus of \$45,000, subject to the achievement of certain annual performance criteria set by the Compensation Committee (applicable to fiscal year ending December 31, 2004). If the agreement is terminated for cause, Mr. Savoni is entitled only to receive that portion of his base salary owed through the date of termination. If events that constitute a change in control of the Company occur, or if the agreement is terminated without cause, Mr. Savoni would be entitled, (i) to a lump sum payment equivalent to his base salary for a nine month period, and (ii) to receive any incentive bonus payment earned but not paid as of the termination date pro-rated for the quarter in which any such termination would take effect based on the termination date. In addition, all options granted which have not vested at the date of termination would immediately vest. The agreement also contains certain restrictions on competition. Additionally, the Company in its sole discretion may grant to Mr. Savoni stock options to purchase shares of Common Stock, consistent with the policy pertaining to executive officers as described in the above Compensation Committee Report.

On January 23, 2004, the Company announced the appointment of Patrick Ternier as President and Chief Executive Officer. We have an employment agreement with Mr. Ternier. Mr. Ternier is entitled to receive a targeted annual base salary (as of November 30, 2004, the date of the Annual Meeting - \$285,000 per year) and is eligible for a targeted bonus of \$200,000, subject to the achievement of certain annual performance criteria set by the Compensation Committee (applicable to fiscal year ending December 31, 2004). In addition, Mr. Ternier is entitled to receive an annual car allowance of up to \$18,000. If the agreement is terminated for cause, Mr. Ternier is entitled only to receive that portion of his base salary owed through the date of termination. If events that constitute a change in control of the Company occur, or if the agreement is terminated without cause, Mr. Ternier would be entitled, (i) to receive payment continuation of his base salary for a twelve month period, and (ii) to receive any incentive bonus payment earned but not yet paid as of the termination date. In addition, all options granted which have not vested at the date of termination would immediately vest. The agreement also contains certain restrictions on competition. Additionally, the Company has granted Mr. Ternier in his first year of employment as President and Chief Executive an Initial Grant of 250,000 stock options to purchase shares of Common Stock at an exercise price equal to the fair market value of the Common Stock as of the grant date. One third of the Initial Grant of options vest on the grant date and the balance vest in equal increments on the first two successive anniversaries of the grant date. Commencing in the second year, Mr. Ternier is eligible to receive additional option grants (which may have a different vesting schedule), based on meeting certain annual performance criteria as recommended by the Compensation Committee and approved by the Board.

Mr. Rusert resigned as director and Chief Executive Officer and President of the Company as of the close of business effective January 16, 2004. Effective January 22, 2004, Mr. Rusert and the Company executed a Separation Agreement and Mutual Release, pursuant to which the Company is required: (i) to provide Mr. Rusert with severance payments extending over twelve months, for a total of \$285,000; and (ii) to pay on Mr. Rusert's behalf his automobile lease payments for fifteen months, for a total of \$19,000.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company is composed of three directors who are not officers or employees of the Company and operates under a written charter adopted by the Board of Directors on March 16, 2000. The Audit Committee charter is attached to this Proxy Statement as an Appendix. During the fiscal year ended December 31, 2003, the Audit Committee was comprised of Mr. Cannavino (Chairman), Mr. Odman and Mr. Cawen. Mr. Cawen resigned from the Board of Directors and all related committees on December 17, 2003, while Mr. Cannavino so resigned, effective February 24, 2004. Since February 24, 2004, the Audit Committee has been comprised of Mr. Odman (Chairman), Mr. Murphy and Mr. Pere.

Artemis management (Management) is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. In January 2003, the Audit Committee recommended to the Board of Directors that the Company change its independent accountants from KPMG, LLP (KPMG) to Squar, Milner, Reehl & Williamson LLP (Squar Milner). The Board accepted the Audit Committee's recommendation to make the change to Squar Milner from KPMG, as the Company would be able to obtain a greater level of service on a more cost-efficient basis.

The Company's independent accountants, Squar Milner, are responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit Committee is responsible for overseeing the conduct of these activities and recommending them to the Board of Directors.

The Audit Committee is responsible for pre-approving all audit and permitted non-audit services to be performed for us by our independent auditor as outlined in the Audit Committee charter. Prior to engagement of the independent auditor for each year's audit, management or the independent auditor submits to the Audit Committee for approval an aggregate request of services expected to be rendered during that year, which the Audit Committee pre-approves. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor. The Audit Committee does not delegate to management its responsibility to pre-approve services performed by the independent auditor.

The Audit Committee held nine meetings during fiscal year 2003. The Audit Committee reviewed Squar Milner's audit scope, audit plans and identification of audit risks. The interim financial information contained in each quarterly financial report was reviewed by the Audit Committee and discussed with Management and Squar Milner prior to release.

In the spring of 2003, the Audit Committee engaged independent counsel to examine the independence of the Audit Committee members in light of the Sarbanes-Oxley Act and other potential conflicts of interest. The examination by independent counsel was completed in October 2003. Independent counsel reported to the full Board, concluding that the Audit Committee members were independent and that no changes in the composition of the committee were needed. As such, the examination was closed, no further actions were taken, and the composition of the committee remained unchanged.

The Audit Committee also reviewed and discussed the Company's consolidated financial statements for the year ended December 31, 2003, with Management and Squar Milner. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee discussed with Squar Milner those matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees.

The Audit Committee also received and reviewed the written disclosures and the letter from Squar Milner required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and has discussed with Squar Milner their independence.

Based on the reviews and discussions referred to above, Management recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K/A for the fiscal year ended December 31, 2003, filed with the Securities and Exchange Commission on July 16, 2004.

Effective upon the close of this Annual Meeting, and assuming that Proposal 1 is passed, Mr. Pere would be replaced on the Audit Committee with Mr. Cairns. At that point, all of the members of the Audit Committee would be independent as defined in NASDAQ Marketplace Rule 4200(A)(15). In addition, Mr. Cairns would also qualify as being a financial expert for purposes of serving on the Audit Committee as defined in NASDAQ Marketplace Rule 4200(d)(2)(A).

The foregoing Audit Committee Report shall not be deemed to be incorporated by reference in any previous or future documents filed by the Company with the Securities and Exchange Commission under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates such Report by reference in any such document.

PROPOSAL 2 (a)

**AMEND OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION
TO REDUCE THE TOTAL NUMBER OF AUTHORIZED SHARES OF
COMMON STOCK TO 50,000,000**

The Company's Board of Directors has approved an amendment to our Amended and Restated Certificate of Incorporation. Specifically, the Board approved amending the first paragraph of Article III of the Amended and Restated Certificate of Incorporation, reducing the number of shares of Common Stock that the Company may issue from 500,000,000 to 50,000,000, thereby reducing the total number of shares of all classes of capital stock that the Company may issue from 525,000,000 to 75,000,000 (including 25,000,000 shares of authorized preferred stock).

The existing number of authorized shares of capital stock is far greater than we expect to require. In addition, under Delaware law, we are required to pay an annual franchise tax to the state of Delaware based on the number of authorized shares. The principal purpose of the proposed amendment is to reduce our authorized shares and thereby reduce our tax liability with respect to Delaware's annual franchise tax.

The decrease in the number of authorized Common Stock will not have any effect on the rights of existing stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION REDUCING THE TOTAL NUMBER OF AUTHORIZED SHARES OF COMMON STOCK TO 50,000,000. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION REDUCING THE TOTAL NUMBER OF AUTHORIZED SHARES OF COMMON STOCK TO 50,000,000.

PROPOSAL 2 (b)

**AMEND OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO
ADOPT THE NASDAQ 20 % RULE**

The Company's Board of Directors has approved an amendment to our Amended and Restated Certificate of Incorporation. Specifically, the Board approved adding to the end of Article III of the Amended and Restated Certificate of Incorporation the following, which effectively implements the 20% Rule from NASDAQ Marketplace Rule 4350:

Shareholder approval shall be required in connection with a transaction other than a public offering involving:

(i) the sale, issuance or potential issuance of common stock (or securities convertible into or exercisable for common stock) at a price less than the greater of book value or market value which together with sales by officers, directors or substantial shareholders of the Company equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance; or

(ii) the sale, issuance or potential issuance by the Company of common stock (or securities convertible into or exercisable common stock) equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book value or market value of the stock.

The primary purpose for adopting this amendment to our Amended and Restated Certificate of Incorporation is for the Company to align more closely to the NASDAQ standard for maintaining proper corporate governance.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION EFFECTIVELY ADOPTING THE NASDAQ 20% RULE. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION EFFECTIVELY ADOPTING THE NASDAQ 20% RULE.

PROPOSAL 3

**ADOPTION OF AMENDED AND RESTATED
2000 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN**

The Company's Board of Directors has approved an amendment to and restatement of the 2000 Non-Employee Directors Stock Option Plan (Non-Employee Director Plan). The primary reasons for amending and restating the Non-Employee Director Plan are to, (i) replenish the plan with additional options authorized for issuance under the plan, (ii) to provide a specific grant to newly elected directors, and (iii) to provide for an automatic, annual grant for continuing directors. The Company needs to be able to grant its directors sufficient options in order both to recruit new, independent directors, and to retain current directors. This need is especially critical in today's corporate environment where, due to the increased exposure that individuals serving on boards of publicly traded companies have as a result of more stringent securities laws and increased governmental enforcement of those laws, such companies are facing increasing difficulties in recruiting new independent directors and/or retaining continuing directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL AND ADOPTION OF THE AMENDED AND RESTATED 2000 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE ADOPTION OF THE AMENDED AND RESTATED 2000 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN.

Summary Description of the Amended and Restated 2000 Non-Employee Directors Stock Option Plan

The amended and restated Non-Employee Director Plan is attached to this Proxy Statement as an Appendix. Under the current Non-Employee Director Plan - that is, prior to the amended and restated Non-Employee Director Plan becoming effective - 45,000 shares of our Common Stock are reserved for issuance. However, upon the amended and restated Non-Employee Director Plan becoming effective, 300,000 shares of our Common Stock shall be reserved for issuance.

Upon the amended and restated Non-Employee Director Plan becoming effective, each non-employee director who is elected or appointed to the Board after February 24, 2004, shall receive an initial grant of options to purchase 15,000 shares of our Common Stock at an exercise price equal to the fair market value of the common stock as of the date of his or her election or appointment. For each non-employee director already serving on the Board as of February 24, 2004, he or she received a grant of options on February 24, 2004, to purchase 7,500 shares of our Common Stock at an exercise price equal to the fair market value of the common stock as of February 24, 2004, unless the non-employee director was provided a special initial grant greater than 7,500 shares. Thereafter, commencing in 2005, each non-employee director shall receive a grant of options on his or her Board anniversary date to purchase up to 7,500 shares of Common Stock at an exercise price equal to the fair market value of the common stock as of such anniversary date.

With respect to directors serving on committees and upon the amendment and restatement of the Non-Employee Director Plan becoming effective, each non-employee director who, on or after February 24, 2004, is elected or appointed as, or was already, a member of the Audit, Compensation and/or the Nominating Committee, shall receive a grant of options to purchase 3,500 shares of our Common Stock at an exercise price equal to the fair market value of the common stock as of February 24, 2004, if already so serving on any such committee, or as of any later

date applicable when first becoming a member of any such committee.

Option grants shall vest as the Board shall determine from time-to-time. ARTEMIS INTERNATIONAL SOLUTIONS CORPORATION

2000 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN

(As Adopted By the Board of Directors on March 16, 2000
and amended and restated as of November 30, 2004)

1. PURPOSE OF THIS PLAN.

The purpose of this **ARTEMIS INTERNATIONAL SOLUTIONS CORPORATION 2000 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN** (this Plan) is to further promote the success of **ARTEMIS INTERNATIONAL SOLUTIONS CORPORATION**, a Delaware corporation (the Company), by encouraging the attraction and retention of Non-Employee Directors (as defined in Section 4) of the Company. This Plan seeks to achieve this purpose by providing for automatic, non-discretionary grants of options (collectively, the Options) to Non-Employee Directors upon the terms and conditions set forth herein. All Options granted under this Plan shall be non-qualified stock options (each, a NSO) not intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended (the Code).

2. ADMINISTRATION OF THIS PLAN.

(a) **Board of Directors.** This Plan shall be administered by the Board of Directors of the Company (the Board).

(b) **Powers of the Board.** Except as otherwise expressly provided in this Plan, the Board shall have all powers with respect to the administration of this Plan, including, without limitation, full power and authority to (i) to determine, upon review of relevant information and in accordance with Section 6(b) of this Plan, the fair market value of the Common Stock, (ii) to interpret the provisions of this Plan, any Option Agreement (as defined in Section 5(c)) and any other agreement or document executed pursuant to this Plan, (iii) resolve all questions arising under this Plan, any Option Agreement and any other such agreement or plan, (iv) correct any defect, supply any omission or reconcile any inconsistency in or among this Plan, any Option or any Option Agreement, (v) grant waivers of Plan or Option conditions, and (vi) make all other determinations necessary or advisable for the administration of this Plan. All decisions of the Board shall be conclusive and binding on all participants in this Plan.

3. SHARES OF STOCK SUBJECT TO THIS PLAN.

(a) **Number of Available Shares.** Subject to the provisions of Section 9 (relating to adjustments upon changes in capital structure and other corporate transactions) and the further provisions of this Section 3(a), the number of shares of Common Stock available at any one time for issuance upon the exercise of Options granted under this Plan shall not exceed 300,000 shares of Common Stock (without making any adjustment under this Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring after the date

of the most current amendment and restatement of the Plan). If, and to the extent that, (i) Options granted under this

C - 1

Plan terminate, expire or are canceled without having been fully exercised, new Options may be granted under this Plan for the shares of Common Stock constituting the unexercised portion of such terminated, expired or canceled Options, and (ii) any shares of Common Stock issued upon the exercise of Options granted under this Plan are forfeited to or repurchased by the Company, new Options may be granted under this Plan for up to an equivalent number of shares of Common Stock (but, in the case of any such repurchased share, only if such share is repurchased for consideration not greater than the purchase price for such share specified in the applicable Option).

(b) **Character of Shares.** The shares of Common Stock issuable upon the exercise of an Option granted under this Plan shall be (i) authorized but unissued shares of Common Stock, (ii) shares of Common Stock held in the Company's treasury or (iii) a combination of the foregoing.

(c) **Reservation of Shares.** The number of shares of Common Stock reserved for issuance under this Plan shall at no time be less than the maximum number of shares of Common Stock that may be purchased at any time pursuant to outstanding Options.

4. **ELIGIBILITY.**

An Option shall be granted pursuant to Section 5 of this Plan only to each director of the Company (each, a Non-Employee Director) who, as of the date of the grant of such Option pursuant to such Section, is not an employee of the Company or any of its Subsidiaries (as defined below) and has not been such an employee at any time during the 12-month period immediately prior to such date. For purposes of this Plan, the term Subsidiary means Subsidiary Corporation as defined in Section 424(f) of the Code.

5. **GRANT OF OPTIONS.**

(a) **Automatic, Nondiscretionary Grants.** Subject to the provisions of Section 5(b) and the other terms and conditions set forth in this Plan, all grants of Options hereunder shall be automatic and nondiscretionary and shall be made to Non-Employee Directors (each, an Optionee and collectively, the Optionees) as follows:

(i) Each person who is elected or appointed a director of the Corporation for the first time starting February 24, 2004, whether by reason of his or her election or appointment to such position by the stockholders of the Company or the Board, and who qualifies as a Non-Employee Director on the date of such election or appointment (after giving effect to such election or appointment) shall be automatically granted an Option pursuant to this Section 5(a) on the date of such election or appointment to purchase up to 15,000 shares of Common Stock (without making any adjustment under this Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring after the date of the most current amendment and restatement of the Plan).

(ii) In 2004, each Non-Employee Director who was elected or appointed to the position of director of the Company prior to February 24, 2004, shall be granted an Option pursuant to this Section 5(a) on February 24, 2004, to purchase up to 7,500 shares of Common Stock (without making any adjustment under this Plan or otherwise for any

stock split, stock dividend or similar recapitalization event occurring on or prior to the date of this restatement); provided, however, (i) that with respect to any Board member in 2004 who may have been provided an initial grant of shares greater than 7,500 shares, he or she shall not receive any such grant. Commencing in 2005, each Non-Employee Director shall be automatically granted an Option pursuant to this Section 5(a) on his or her Board anniversary date, to purchase up to 7,500 shares of Common Stock (without making any adjustment under this Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring after the date of the most current amendment and restatement of the Plan); provided, however, that any such Board anniversary date must be at least one year from the date that the director first joined the Board.

(iii) Each Non-Employee Director who, on or after February 24, 2004, is elected or appointed as, or was already, a member of the Audit, Compensation and/or a special committee (such as a Nominating Committee), shall be automatically granted pursuant to this Section 5(a) on February 24, 2004, or on any subsequent date when first so elected or appointed, an Option to purchase up to 3,500 shares of Common Stock (without making any adjustment under this Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring on or prior to the date of this restatement). Each Non-Employee Director who continues to serve on any such committee upon his or her applicable committee anniversary date shall be automatically granted an Option pursuant to this Section 5(a) on such anniversary date to purchase up to 3,500 shares of Common Stock (without making any adjustment under this Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring after the date of the most current amendment and restatement of the Plan).

(b) **Reduction of Grants.** Notwithstanding anything to the contrary contained in this Plan, if the grant on any single date of one or more Options pursuant to any provision of Section 5 (collectively, the Additional Options) would result in the number of shares of Common Stock issuable upon the exercise of outstanding Options granted under this Plan to exceed the aggregate number of shares of Common Stock available at any one time for issuance pursuant to Section 3(a) upon the exercise of Options granted under this Plan, then the number of shares of Common Stock subject to each such Additional Option shall be permanently reduced to such number which equals the quotient (rounded down to the nearest integer) obtained by dividing (i) the aggregate number of shares of Common Stock available at any one time for issuance pursuant to Section 3(a) which are not already subject to issuance upon the exercise of outstanding Options (before giving effect to the grant of the Additional Options on such date), by (ii) the number of Additional Options to be granted on such date. In such case, each Optionee to whom such an Additional Option was granted shall not be entitled to any additional Options under this Plan to take into account the reduction pursuant to this Section 5(b) in the number of shares of Common Stock subject to such Additional Option and any further grants of Options pursuant to Section 5 to Non-Employee Directors shall be deferred until such time, if any, as additional shares of Common Stock become available for issuance pursuant to Section 3(a).

(c) **Option Agreements.** Each Option granted under this Plan shall be designated by the Board as a NSO. In addition, each Option shall be evidenced by a written agreement (each, an Option Agreement) containing such terms and conditions and in such form, not

inconsistent with this Plan, as the Board shall from time to time approve, in its discretion, provide. Each Option Agreement shall be executed by the Company and the Optionee.

(d) **No Evidence of Continued Service.** Nothing contained in this Plan or in any Option Agreement shall confer upon any Optionee any right with respect to the continuation of such Optionee's service as a director of the Company or the nomination of such Optionee as a director of the Company or interfere in any way with any rights which such Optionee or the Company may have to terminate such Optionee's service as a director of the Company at any time.

(e) **Date of Grant.** The date of grant of an Option under this Plan shall be the date specified in Section 5 for the grant of such Option.

6. **OPTION PRICE.**

(a) **General.** Subject to Section 5 and Section 9, the price (the Option Price) at which each share of Common Stock subject to an Option granted under this Plan (each, an Option Share) may be purchased shall be the Fair Market Value (as determined in accordance with Section 6(b)) of a share of Common Stock on the date of grant of such Option under this Plan.

(b) **Determination of Fair Market Value.** For purposes of this Plan, the Fair Market Value of a share of Common Stock, as of any date, shall be determined as follows:

(i) if the Common Stock is a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system (including, but not limited to, The Nasdaq National Market), the closing sale price of the Common Stock on such date or, if no such sale takes place on such date, the average of the closing bid and ask prices for Common Stock on such date, in each case as officially reported on the principal national securities exchange or national market system on which such securities are then listed, admitted to trading or traded;

(ii) if the Common Stock is not a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system, or else if no closing sale price or closing bid and ask prices thereof are then so reported by any such exchange or system, the average of the reported closing bid and ask prices for the Common Stock in the over-the-counter market on such date as shown by the NASD automated quotation system, or if the Common Stock is not a class of securities then quoted on such system, as published by the National Quotation Bureau, Incorporated or any similar successor organization, and in either case as reported by any member firm of the New York Stock Exchange selected by the Company; and

(iii) if the Common Stock is not of a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system, or else if no closing sale price or closing bid and ask prices for the Common Stock are then so reported by such exchange or system, or else if no closing bid and ask prices for the Common Stock are then so quoted or published in the over-the-counter

market, the fair value of such share of Common Stock on such date, which shall be determined in good faith by the Board.

7. EXERCISABILITY OF OPTIONS.

(a) Vesting of the Options.

(i) Each Option granted under this Plan shall vest and become exercisable pursuant to the Option Agreement as shall be applicable consistent with Section 5(c) above. Unless otherwise provided by the Board pursuant to Section 7(a)(iii), (i) only the vested portion of an Option granted under this Plan shall be exercisable as to any related Option Shares and (ii) an Optionee shall be vested as to any Option Shares issued upon the exercise of an Option granted to such Optionee under this Plan.

(ii) Upon the occurrence of a Change of Control (as defined below), each Option granted under this Plan shall vest and become exercisable as to all of the unvested Option Shares covered thereby, so that such Option at such time shall become vested and exercisable as to all of the Option Shares covered thereby.

(iii) With respect to any Option, the Board may, at any time prior to the complete termination of such Option, accelerate the vesting and exercise date(s) of such Option (subject, in the sole discretion of the Board, to the continuation of the vesting of the related Option Shares) or continue the vesting and exercisability (whether before, on or after the date of Termination of the Optionee to whom such Option is granted) of all or a portion of such Option and/or the related Option Shares.

(iv) The Board may, in its discretion, amend any term or condition of an outstanding Option, provided (i) such term or condition as amended is permitted by this Plan and (ii) any such amendment shall be made only with the consent of the Optionee to whom the Option was granted, or in the event of the death of the Optionee, the Optionee's Representatives (as defined in Section 10(d)), if the amendment is materially adverse to the Optionee.

(v) For purposes of this Plan, the term Change of Control shall be deemed to have occurred upon the first to occur of any of the following events: (x) the consummation of the merger or consolidation of the Company with or into another entity, other than a merger or consolidation in which persons (as such term is used in Sections 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended (the 1934 Act)), who or which are the beneficial owners (within the meaning of Rule 13d-3 under the 1934 Act), directly or indirectly, of securities of the Company immediately prior to the consummation of such merger or consolidation representing more than 50% of the combined voting power of the securities of the Company entitled to vote generally in the election of directors of the Company, are the beneficial owners, directly or indirectly, of securities of the surviving or resulting entity immediately after the consummation of such merger or consolidation representing more than 50% of the combined voting power of the securities of such entity entitled to vote generally in the election of directors of such entity (or, in the absence of a board of directors, members of the equivalent governing

body of such entity), (y) the consummation of the sale of all or substantially all of the assets of the Company (in one or a series of related transactions), other than to a wholly owned Subsidiary of the Company, or (z) a change in the composition of the Board during any 12-month period such that the directors of the Company who at the beginning of such period constituted the members of the Board (together with any new directors of the Company whose election by the Board or whose nomination for election by the stockholders of the Company has been approved by a majority of the members of the Board then still in office who either were members of the Board at the beginning of such period or whose election or nomination for election was previously so approved) cease to constitute a majority of the members of the Board.

(b) **Term of Option.** The unexercised portion of any Option granted under this Plan shall automatically terminate and shall become null and void and be of no further force or effect upon the first to occur of the following:

(i) the ten-year anniversary of the date on which such Option is granted;

(ii) the three-month anniversary of the date on which the Optionee to whom such Option was granted ceases to be a Non-Employee Director (such event, a Termination), unless such Termination occurs by reason of such Optionee's death or Disability (as defined in subparagraph (iii) below) or is a Termination for Cause (as defined in subparagraph (iv) below); provided, however, that if such Optionee shall die after the date of Termination but before the three-month anniversary of such Optionee's date of Termination, the unexercised portion of such Option shall automatically terminate and become null and void and be of no further force or effect upon the 12-month anniversary of such date of Termination;

(iii) the 12-month anniversary of the date of Termination of the Optionee to whom such Option was granted, if such Termination occurs by reason of such Optionee's (x) death or (y) permanent and total disability (within the meaning of Section 22(e)(3) of the Code) (a Disability);

(iv) the date of the Termination of the Optionee to whom such Option was granted, if such Termination is for cause (within the meaning of the General Corporation Law of the State of Delaware) (a Termination for Cause);

(v) on the effective date of a Corporate Transaction (as defined in Section 9(b)) to which Section 9(b)(ii) (relating to assumptions and substitutions of Options) does not apply; provided, however, that an Optionee's right to exercise any Option outstanding prior to such effective date shall in all events be suspended during the period beginning ten days prior to the proposed effective date of such Corporate Transaction and ending on either the actual effective date of such Corporate Transaction or upon receipt of notice from the Company that such Corporate Transaction will not in fact occur; and

(vi) except to the extent permitted by Section 10(d), the date on which such Option or any part thereof or right or privilege relating thereto is transferred (other than

by will or the laws of descent and distribution), assigned, pledged, hypothecated, attached or otherwise disposed of by the Optionee to whom such Option was granted.

8. PROCEDURE FOR EXERCISE.

(a) **Payment.** At the time an Option is granted under this Plan, the following forms of payment may be used by an Optionee (but only to the extent permitted by applicable law) upon exercise of his or her Option:

(i) by cash (by wire transfer of immediately available funds to a bank account held by the Company designated by the Board or a personal or certified check payable to the Company);

(ii) by surrender of shares of Common Stock which either (A) have been owned by the Optionee for more than six months and have been paid for within the meaning of Rule 144 under the Securities Act of 1933 (the Securities Act) (and, if such shares of Common Stock were purchased from the Company or any Subsidiary thereof by means of a promissory note, such note has been fully paid with respect to such shares); or (B) were obtained by the Optionee in the public market (but, subject in any case, to the applicable limitations of Rule 16b-3 (Rule 16b-3) under Section 16 of the 1934 Act); or

(iii) a combination of the methods set forth in clauses (i) and (ii).

(b) **Notice.** An Optionee (or other person, as provided in Section 10(d)) may exercise an Option granted under this Plan in whole or in part, as provided in the Option Agreement evidencing his or her Option, by delivering a written notice (the Notice) to the Board (or such other person or entity designated by the Board from time to time).

(c) **Content of the Notice.** The Notice shall:

(i) state that the Optionee elects to exercise the Option;

(ii) state the number of shares with respect to which the Option is being exercised (the Optioned Shares);

(iii) state the method of payment for the Optioned Shares (which method must be available to the Optionee under the terms of his or her Option Agreement);

(iv) state the date upon which the Optionee desires to consummate the purchase of the Optioned Shares (which date must be prior to the termination of such Option, be no later than 30 days from delivery of such Notice and be not otherwise prohibited under the terms of his or her Option Agreement);

(v) include any representations and warranties of the Optionee required pursuant to Section 10(b);

C - 7

(vi) if the Option is exercised pursuant to Section 10(d) by any person other than the Optionee, include evidence to the satisfaction of the Company (or such other person or entity designated by the Board from time to time) of the right of such person to exercise the Option; and

(vii) include such further provisions consistent with this Plan as the Board (or such other person or entity designated by the Board from time to time) may from time to time require.

(d) **Issuance of Stock Certificates.** The Company shall issue a stock certificate in the name of the Optionee (or such other person exercising the Option in accordance with the provisions of Section 10(d)) for the Optioned Shares with respect to which such Option is being exercised as soon as practicable after receipt of the Notice and payment of the aggregate Option Price for such shares. Neither the Optionee nor any person exercising an Option in accordance with the provisions of Section 10(d) shall have any privileges as a stockholder of the Company with respect to any shares of stock subject to an Option granted under this Plan until the date of issuance of a stock certificate pursuant to this Section 8(d).

9. ADJUSTMENTS.

(a) **Changes in Capital Structure.** Subject to Section 9(b), if after the Effective Date the Common Stock is changed by reason of a stock split, reverse stock split, stock dividend or recapitalization, or converted into or exchanged for other securities as a result of a merger, consolidation or reorganization, the Board shall make such adjustments in the number and class of shares of stock with respect to which Options may be granted under this Plan as shall be equitable and appropriate in order to make such Options, as nearly as may be practicable, equivalent to such Options immediately prior to such change. A corresponding adjustment changing the number and class of shares allocated to, and the Option Price of, each Option or portion thereof outstanding at the time of such change shall likewise be made.

(b) **Corporate Transactions.** The following rules shall apply in connection with the dissolution or liquidation of the Company, a reorganization, merger or consolidation in which the Company is not the surviving corporation, or a sale of all or substantially all of the capital stock or assets of the Company to another person or entity (a Corporate Transaction):

(i) each holder of an Option outstanding at such time shall be given (A) written notice of such Corporate Transaction at least 20 days prior to its proposed effective date (as specified in such notice) and (B) an opportunity, during the period commencing with delivery of such notice and ending 10 days prior to such proposed effective date, to exercise the Option to the full extent to which such Option would have been exercisable by the Optionee at the expiration of such 20-day period; provided, however, that upon the occurrence of a merger or consolidation in which the Company is not the surviving corporation and the stockholders of the Company receive distributions of cash, securities or other property of a third party in complete exchange for their equity interests in the Company, or a sale of all of the capital stock or all or substantially all of the assets of the Company to another person or entity, under circumstances in which provision for assumption or substitution of options in accordance with Section 9(b)(ii) is

not made, the vesting and exercise dates of all Options granted under this Plan shall accelerate and such Options shall become fully vested and exercisable with respect to all of the shares of Common Stock covered thereby, and if and to the extent not so exercised as provided in this Section 9(b)(i), such Options shall automatically terminate; and

(ii) anything contained in this Plan to the contrary notwithstanding, Section 9(b)(i) shall not be applicable if provision shall be made in connection with such Corporate Transaction for the assumption of outstanding Options by, or the substitution for such Options of new options covering the stock of, the surviving, successor or purchasing entity, or an entity of which such surviving, successor or purchasing entity is a Subsidiary, or any Subsidiary thereof, with appropriate adjustments as to the number, kind and option prices of the stock subject to such options.

(c) **Special Rules.** The following rules shall apply in connection with Sections 9(a) and (b):

(i) no fractional shares shall be issued as a result of any such adjustment, and any fractional shares resulting from the computations pursuant to Sections 9(a) or (b) shall be eliminated without any consideration due to any Optionees;

(ii) no adjustment shall be made for cash dividends or the issuance to stockholders of rights to subscribe for additional shares of Common Stock or other securities; and

(iii) any adjustments referred to in Sections 9(a) or (b) shall be made by the Board in its sole discretion and shall be conclusive and binding on all persons holding Options granted under this Plan.

10. RESTRICTIONS ON OPTIONS AND OPTIONED SHARES.

(a) **Compliance With Securities Laws.** No Options shall be granted under this Plan, and no shares of Common Stock shall be issued and delivered upon the exercise of Options granted under this Plan, unless and until the Company and/or the Optionees to whom such Options shall be granted shall have complied with all applicable Federal or state registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction. The Company may delay the issuance of shares of Common Stock upon the exercise of Options granted under this Plan until completion of any action or the receipt of any consent which the Company deems necessary under any applicable law (including, without limitation, state securities or blue sky laws).

(b) **Representations and Warranties.** The Board in its discretion may, as a condition to the exercise of any Option granted under this Plan, require the Optionee to whom such Option shall be granted (i) to represent and warranty in writing that the shares of Common Stock to be received upon exercise of such Option are being acquired for investment and not with a view to distribution and (ii) to make such other representations and warranties as are deemed appropriate by the Company.

(c) **Legends.** Each certificate issued by the Company (or its transfer agent) that represents shares of Common Stock acquired upon the exercise of Options that have not been registered under the Securities Act shall, unless otherwise directed by the Board, be stamped or otherwise imprinted with a legend in substantially the following form (in addition to any other legends and other restrictions as the Board may deem necessary or advisable, including restrictions under any applicable federal, state or foreign securities laws, or any rules, regulations and other requirements of the promulgated by the Securities and Exchange Commission or any securities exchange or automated quotation system on which such the Common Stock may be listed, admitted for trading or traded, or any applicable agreement):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 (THE ACT). THESE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE, AND MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR SUCH SECURITIES UNDER THE ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER THAT SUCH REGISTRATION IS NOT REQUIRED.

(d) **Nonassignability of Option Rights.** No Option granted under this Plan shall be assignable or otherwise transferable by the Optionee except by will or by the laws of descent and distribution. An Option may be exercised during the lifetime of the Optionee only by the Optionee. If an Optionee dies, his or her Option shall thereafter be exercisable during the period specified in Section 7(b)(ii) or (iii), as applicable, by his or her executors or administrators (collectively, the Representatives) to the full extent to which such Option was exercisable by the Optionee at the time of his or her death.

11. ADOPTION AND STOCKHOLDER APPROVAL.

This Plan shall become effective on the date (the Effective Date) which is the later of (i) the date of its adoption by the Board and (ii) the first date on which price quotations for the Common Stock are reported on the national securities exchange or national market system on which the Common Stock shall first be listed, admitted to trading or traded. This Plan shall be approved by the stockholders of the Company, consistent with applicable laws, within 12 months after the Effective Date. Upon the Effective Date, the Board may grant Options pursuant to this Plan; provided, however, that (i) no Option may be exercised prior to initial stockholder approval of this Plan, (ii) no Option granted pursuant to an increase in the number of shares of Common Stock available under this Plan by the Board's amendment of this Plan may be exercised prior to the time such increase has been approved by the stockholders of the Company, consistent with applicable laws; (iii) in the event that initial stockholder approval of this Plan is not obtained within the time period provided herein, all Options granted under this Plan shall be canceled; and (iv) in the event that stockholder approval of any increase in the number of shares of Common Stock available under this Plan is not obtained within the time period provided herein, all Options granted under this Plan pursuant to such increase shall be canceled.

12. EXPIRATION AND TERMINATION OF THIS PLAN.

Except with respect to Options then outstanding, this Plan shall expire on the first to occur of (i) the tenth anniversary of the date on which this Plan is first adopted by the Board, (ii) the tenth anniversary of the date on which this Plan is first approved by the stockholders of the Company in accordance with applicable laws and (iii) the date as of which the Board, in its sole discretion, determines that this Plan shall terminate (the Expiration Date). Any Options outstanding as of the Expiration Date shall remain in effect until they have been exercised or terminated or have expired by their respective terms.

13. AMENDMENT OF THIS PLAN.

This Plan may be amended by the stockholders of the Company. This Plan may also be amended by the Board. Any modification or amendment of this Plan shall not, without the consent of an Optionee, adversely affect his or her rights under an Option previously granted to him or her. With the consent of the Optionee affected, the Board may amend such Optionee's outstanding Option Agreements in a manner which may be materially adverse to such Optionee but which is not inconsistent with this Plan. In the discretion of the Board, outstanding Option Agreements may be amended by the Board in a manner that is not materially adverse to the Optionee.

14. CAPTIONS.

The use of captions in this Plan is for convenience. The captions are not intended to provide substantive rights or to affect the construction or interpretation of the provisions of this Plan.

15. WITHHOLDING TAXES.

In the event that any federal, state, or local income taxes, employment taxes, Federal Insurance Contributions Act withholdings or other amounts are required by applicable law or governmental regulation to be withheld from the Optionee's remuneration in connection with the exercise of an Option, the Company may withhold from such Optionee's remuneration, or may require the Optionee to advance in cash to the Company, the amount of such withholdings, unless a different withholding arrangement is authorized by the Board; provided, however, any such withholding arrangement shall be in compliance with any applicable provisions of Rule 16b-3. The Board may condition the transfer of any shares of Common Stock or the removal of any restrictions on any Option on the satisfaction by the Optionee of the foregoing withholding obligations.

16. NUMBER AND GENDER.

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, and vice-versa, as the context requires.

17. NONEXCLUSIVITY OF THIS PLAN.

Neither the adoption of this Plan by the Board, the submission of this Plan to the stockholders of the Company for approval, nor any provision of this Plan shall be construed as creating any limitations on the power of the Board or the Board to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either generally available or applicable only in specific cases.

18. GOVERNING LAW.

The validity and construction of this Plan and the instruments evidencing the Options granted hereunder shall be governed by the laws of the State of Delaware without regard to conflict of laws provisions thereunder.

Unless the context otherwise requires, any ISO or NSO shall hereinafter be referred to as an Option. For purposes of this Plan, the term Subsidiary means Subsidiary Corporation as defined in Section 424(f) of the Code.

2. ADMINISTRATION OF THIS PLAN.

(a) **Compensation Committee.** This Plan shall be administered by the Board of Directors of the Company (the Board) or the Compensation Committee of the Board (the Committee) consisting of such number of persons appointed to such Committee from time to time by the Board; provided, however, that following the date on which Common Stock is registered under the Securities and Exchange Act of 1934, as amended (the 1934 Act), in order to permit officers and directors of the Company to be exempt from the provisions of Section 16(b) of the 1934 Act with respect to transactions pursuant to this Plan, each person appointed to the Committee, at the effective date of his or her appointment to the Committee, shall, to the extent such a person exists, be a Non-Employee Director within the meaning of Rule 16b-3 (Rule 16b-3) promulgated by the Securities and Exchange Commission (the SEC) under the 1934 Act. The members of the Committee may be removed at any time either with or without cause by the Board. Any vacancy on the Committee, whether due to action of the Board or any other cause, shall be filled by the Board. The term Committee shall, for all purposes of this Plan, other than this Section 2, be deemed to refer to the Board if the Board is administering this Plan.

(b) **Procedures.** If this Plan is administered by the Committee, the Committee shall from time to time select a Chairman from among the members of the Committee. The Committee shall adopt such rules and regulations as it shall deem appropriate concerning the holding of meetings and the administration of this Plan. A majority of the entire Committee shall constitute a quorum and the actions of a majority of the members of the Committee present

at a meeting at which a quorum is present, or actions approved in writing by all of the members of the Committee (but only to the extent permitted by applicable law and the applicable rules and regulations of the principal national securities exchange or national market system (if any) on which the Common Stock is a class of securities then listed or admitted for trading), shall be the actions of the Committee; provided, however, that if the Committee consists of only two members, both shall be required to constitute a quorum and to act at a meeting or to approve actions in writing.

(c) **Interpretation.** Except as otherwise expressly provided in this Plan, the Committee shall have all powers with respect to the administration of this Plan, including, without limitation, full power and authority to (i) interpret the provisions of this Plan, any Option Agreement (as defined in Section 5(b)) and any other agreement or document executed pursuant to this Plan, (ii) resolve all questions arising under this Plan, any Option Agreement and any other such agreement or plan, (iii) correct any defect, supply any omission or reconcile any inconsistency in or among the Plan, any Option or any Option Agreement, (iv) grant waivers of Plan or Option conditions and (v) make all other determinations necessary or advisable for the administration of this Plan. All decisions of the Board or the Committee, as the case may be, shall be conclusive and binding on all participants in this Plan.

3. SHARES OF STOCK SUBJECT TO THE PLAN.

(a) **Number of Available Shares.** Subject to the provisions of Section 9 (relating to adjustments upon changes in capital structure and other corporate transactions) and the further provisions of this Section 3(a), the number of shares of Common Stock available at any one time for issuance upon the exercise of Options granted under this Plan shall not exceed 2,000,000 shares of Common Stock (before making any applicable adjustments under this Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring after the date of the most current amendment and restatement of the Plan). In addition, (i) any shares of Common Stock available for issuance under the Company's 1998 Stock Option Plan (the 1998 Plan) which are not subject to issuance upon the exercise of outstanding options or stock purchase rights granted under the 1998 Plan on or prior to the Effective Date (the 1998 Plan Awards), shall no longer be available for issuance under the 1998 Plan, but shall be available for issuance under this Plan as reflected herein, (ii) any shares of Common Stock constituting the unexercised portion of any 1998 Plan Awards which terminate, expire or are canceled on or after the Effective Date without having been fully exercised, shall no longer be available for issuance under the 1998 Plan, but shall be available for issuance under this Plan as reflected herein, and (iii) any shares of Common Stock issued under 1998 Plan Awards and forfeited to or repurchased by the Company on or after the Effective Date shall no longer be available for issuance under the 1998 Plan, but shall be available for issuance under this Plan as reflected herein (but, in the case of any such repurchased share, only if such share is repurchased for consideration not greater than the purchase price for such share specified in the applicable 1998 Plan Award). In addition, on each January 1, the number of shares of Common Stock which may be available for issuance upon the exercise of Options granted under this Plan shall be increased automatically by that number of shares of Common Stock equal to five percent (5%) of the total number of outstanding shares of Common Stock determined as of the immediately preceding December 31; provided, however, that in no event shall more than 5,000,000 shares (before making any applicable adjustments under this Plan or otherwise for any stock split, stock

dividend or similar recapitalization event occurring after the date of the most current amendment and restatement of the Plan) of Common Stock be issued in the aggregate upon the exercise of ISOs granted under this Plan. If, and to the extent that, (i) Options granted under this Plan terminate, expire or are canceled without having been fully exercised, new Options may be granted under this Plan for the shares of Common Stock constituting the unexercised portion of such terminated, expired or canceled Options, and (ii) any shares of Common Stock issued upon the exercise of Options granted under this Plan are forfeited to or repurchased by the Company, new Options may be granted under this Plan for up to an equivalent number of shares of Common Stock (but, in the case of any such repurchased share, only if such share is repurchased for consideration not greater than the purchase price for such share specified in the applicable Option).

(b) **Limitations on the PeopleMover, Inc. 1999 Stock Incentive Plan.** Any shares of the common stock of the Company, PeopleMover, Inc. or any other entity available for issuance on the Effective Date under the PeopleMover, Inc. 1999 Stock Incentive Plan (the PM Plan) which are not subject to issuance upon the exercise of outstanding options or stock purchase rights granted under the PM Plan prior to the Effective Date (the PM Awards) shall no longer be reserved or available for issuance under the PM Plan, any shares of such common stock constituting the unexercised portion of any PM Awards which terminate, expire or are canceled on or after the Effective Date without having been fully exercised shall no longer be reserved or available for issuance under the PM Plan, and any shares of such common stock issued under the PM Awards and forfeited to or repurchased by the Company on or after the Effective Date shall no longer be reserved or available for issuance under the PM Plan.

(c) **Character of Shares.** The shares of Common Stock issuable upon the exercise of an Option granted under this Plan shall be (i) authorized but unissued shares of Common Stock, (ii) shares of Common Stock held in the Company's treasury or (iii) a combination of the foregoing.

(d) **Reservation of Shares.** The number of shares of Common Stock reserved for issuance under this Plan shall at no time be less than the maximum number of shares of Common Stock that may be purchased at any time pursuant to outstanding Options.

4. ELIGIBILITY.

(a) **General.** Options may be granted under this Plan only to persons who are directors, officers or employees of, advisors to, or independent consultants or independent contractors to, the Company or its Subsidiaries. Options granted to employees (including officers or directors who are employees) of the Company or any of its Subsidiaries shall be, in the discretion of the Committee, either ISOs or NSOs, and Options granted to directors or officers of, advisors to, or independent consultants or independent contractors to, the Company or any of its Subsidiaries who are not employees of the Company or any of its Subsidiaries shall be NSOs. Persons who are not employees of the Company or any of its Subsidiaries shall be ineligible for grants of ISOs.

(b) **Exceptions.** Anything contained in Section 4(a) to the contrary notwithstanding, no ISO may be granted under this Plan to any employee who owns, directly or

indirectly (within the meaning of Sections 422(b)(6) and 424(d) of the Code), stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, unless (i) the Option Price (as defined in Section 6(a)) of the shares of Common Stock subject to such ISO is fixed at not less than 110% of the Fair Market Value (as determined in accordance with Section 6(b)) on the date of grant of such ISO and (ii) such ISO by its terms is not exercisable after the expiration of five years from the date it is granted.

5. GRANT OF OPTIONS.

(a) **General.** Options may be granted under this Plan at any time and from time to time on or prior to the tenth anniversary of the Effective Date. Subject to the provisions of this Plan, the Committee shall have plenary authority and discretion, to determine:

(i) the persons (from among the classes of persons eligible to receive Options under this Plan) to whom Options shall be granted (the Optionees);

(ii) the form and terms of Options;

(iii) whether Options will be granted singly, in combination with, in tandem with, in replacement of, or as alternatives to, other Options under this Plan or any other incentive or compensation plan of the Company or any Subsidiary of the Company;

(iv) the time or times at which Options shall be granted;

(v) the number of shares of Common Stock subject to each Option;

(vi) the Option Price of the shares of Common Stock subject to each Option; and

(vii) the time or times after grant when each Option and the shares of Common Stock covered thereby shall become vested and/or exercisable and the duration of the exercise and/or vesting periods.

(b) **Option Agreements.** Each Option granted under this Plan shall be designated by the Committee as an ISO or an NSO and shall be subject to the terms and conditions applicable to ISOs and/or NSOs (as the case may be) set forth in this Plan. In addition, each Option shall be evidenced by a written notification or agreement (each, an Option Agreement), containing such terms and conditions and in such form, not inconsistent with this Plan, as the Committee shall from time to time approve, in its discretion. Each Option Agreement shall be executed by

the Company and the Optionee.

(c) **No Evidence of Employment or Service.** Nothing contained in this Plan or in any Option Agreement shall confer upon any Optionee any right with respect to the continuation of his or her employment by, or services to, the Company or interfere in any way with the right of the Company (subject to the terms of any separate agreement to the contrary) at any time to terminate such employment or service or to increase or decrease the compensation of the Optionee from the rate in existence at the time of the grant of an Option to such Optionee.

D - 4

(d) **Date of Grant.** The date of grant of an Option under this Plan shall be the date specified by the Committee for the grant of such option; provided, however, that in the case of an ISO, the date of grant shall in no event be earlier than the date as of which the Optionee becomes an employee of the Company.

(e) **Exchange and Buyout of Options.** The Committee may, at any time or from time to time, authorize the grant of new Options under this Plan in exchange for the surrender and cancellation of any or all Outstanding Options. The Committee may at any time buy from an Optionee an Option previously granted with payment in cash, Securities of the Company or other consideration, based on such terms and conditions as the Company (acting through the Committee) and the Optionee may agree.

6. OPTION PRICE.

(a) **General.** Subject to Section 9, the price (the Option Price) at which each share of Common Stock subject to an Option granted under this Plan may be purchased shall be determined by the Committee at the time the Option is granted; provided, however, that in the case of an ISO, such Option Price shall in no event be less than 100% (or 110%, if the provisions of Section 4(b) are applicable) of the Fair Market Value (as determined in accordance with Section 6(b)) on the date of grant of such share of Common Stock.

(b) **Determination of Fair Market Value.** Subject to the requirements of Section 422 of the Code, for purposes of this Plan, the Fair Market Value of a share of Common Stock, as of any date, shall be determined as follows:

(i) if the Common Stock is a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system (including, but not limited to, The Nasdaq National Market), the closing sale price of the Common Stock on such date or, if no such sale takes place on such date, the average of the closing bid and ask prices for Common Stock on such date, in each case as officially reported on the principal national securities exchange or national market system on which such securities are then listed, admitted to trading or traded;

(ii) if the Common Stock is not a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system, or else if no closing sale price or closing bid and ask prices thereof are then so reported by any such exchange or system, the reported closing sale price on, or if no such single price is reported, the average of the reported closing bid and ask prices for the Common Stock in the over-the-counter market on such date as shown by the NASD automated quotation system, or if the Common Stock is not a class of securities then quoted on such system, as published by the National Quotation Bureau, Incorporated or any similar successor organization, and in either case as reported by any member firm of the New York Stock Exchange selected by the Company; and

(iii) if the Common Stock is not of a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system, or else if no closing sale price or closing bid and ask prices for the Common

Stock are then so reported by such exchange or system, or else if no closing sale price or closing bid and ask prices for the Common Stock are then so quoted or published in the over-the-counter market, the fair value of such share of Common Stock on such date, which shall be determined in good faith by the Board.

Notwithstanding anything contained in this Plan to the contrary, (i) in the case of a determination of the Fair Market Value of a share of Common Stock as of a date which is the first day on which price quotations for the Common Stock are reported on the national securities exchange or national market system on which the Common Stock shall first be listed, admitted to trading or traded, the Fair Market Value of a share of Common Stock on such date shall be the price per share at which shares of Common Stock are initially offered for sale to the public by the Company's underwriters in the Company's initial public offering of Common Stock (the "IPO") pursuant to a registration statement on Form S-1 filed with the SEC under the Securities Act of 1933, as amended (the "1933 Act"), and (ii) all determinations pursuant to Section 6(b)(iii) shall be made without regard to any restriction other than a restriction which, by its terms, will never lapse.

(c) **Repricing of NSOs.** Subsequent to the date of grant of any NSO, the Committee may, in its sole discretion, subject to the consent of the Optionee to whom such NSO was granted, establish a new Option Price for such NSO so as to increase or decrease the Option Price of such NSO.

7. EXERCISABILITY OF OPTIONS.

(a) **Committee Determination.**

(i) Each Option and the shares of Common Stock covered thereby granted under this Plan shall be vested and/or exercisable at such time or times, or upon the occurrence of such event or events, and for such number of shares of Common Stock subject to such Option or in such portions or amounts thereof, as shall be determined by the Committee and set forth in the Option Agreement evidencing such Option; provided, however, if the Company files a registration statement on Form S-1 with the SEC under the 1933 Act for the IPO, no Option granted under this Plan shall be exercisable as to any of the shares of Common Stock covered thereby during the 180-day period immediately following the effective date of such registration statement (the "Lock-up Period"); and, provided, further, however, that if an Option by its terms is to expire during the Lock-up Period, the Committee may extend the expiration date of such Option for a period equal in duration to that of the period from the commencement date of the Lock-up Period up to (and including) the expiration date of such Option.

(ii) Subject to the provisions of clause (i) above, if an Option, or the shares of Common Stock covered thereby, are not at the time of grant of such Option immediately exercisable and/or fully vested, the Committee may (A) in the Option Agreement evidencing such Option, provide for the acceleration of the exercise or vesting date(s) of such Option, the acceleration of the vesting of all or a portion of the shares of Common Stock covered thereby, or the continuation of the vesting (whether before, on or after the date of Termination of the Optionee to whom such Option is

granted) of all or a portion of such Option and/or the shares of Common Stock covered thereby, upon the occurrence of specified events and/or (B) at any time prior to the complete termination of such Option, accelerate the exercise or vesting date(s) of such Option, accelerate the vesting of all or a portion of the shares of Common Stock covered thereby, or continue the vesting (whether before, on or after the date of Termination of the Optionee to whom such Option is granted) of all or a portion of such Option and/or the shares of Common Stock covered thereby.

(iii) The Committee may, in its discretion, amend any term or condition of an outstanding Option provided (i) such term or condition as amended is permitted by this Plan, (ii) any such amendment shall be made only with the consent of the Optionee to whom the Option was granted, or in the event of the death of the Optionee, the Optionee's Representatives (as defined in Section 10(d)), if the amendment is materially adverse to the Optionee, and (iii) any such amendment of any ISO shall be made only after the Committee, after consulting with counsel for the Company, determines whether such amendment would constitute a modification (as that term is defined in Section 424(h) of the Code) of any Option which is an ISO.

(b) **Automatic Termination of Option.** Except as otherwise determined by the Committee and set forth in the Option Agreement, the unexercised portion of any Option granted under this Plan shall automatically terminate and shall become null and void and be of no further force or effect upon the first to occur of the following:

(i) the ten-year anniversary of the date on which such Option is granted or, in the case of any ISO that is granted to a person described in Section 4(b), the five-year anniversary of the date on which such ISO is granted;

(ii) the three-month anniversary of the date on which the Optionee to whom such Option was granted ceases to be a director, officer or employee of, advisor to, or independent consultant or independent contractor to, the Company or any Subsidiary thereof (such event, a Termination), unless such Termination occurs by reason of such Optionee's death or Disability (as defined in subparagraph (iii) below) or is for Cause (as defined below); provided, however, that if such Optionee shall die after the date of Termination but before the three-month anniversary of such Optionee's date of Termination, the unexercised portion of such Option shall automatically terminate and become null and void and be of no further force or effect upon the 12-month anniversary of such date of Termination;

(iii) the 12-month anniversary of the date of Termination of the Optionee to whom such Option was granted, if such Termination occurs by reason of such Optionee's (x) death or (y) permanent and total disability (within the meaning of Section 22(e)(3) of the Code) (a Disability);

(iv) the date of the Termination of the Optionee to whom such Option was granted, if such Termination is for Cause (as defined below) (a Termination for Cause);

(v) the expiration of such period of time or the occurrence of such event as the Committee in its discretion may provide in the Option Agreement;

(vi) on the effective date of a Corporate Transaction (as defined in Section 9(b)) to which Section 9(b)(ii) (relating to assumptions and substitutions of Options) does not apply; provided, however, that an Optionee's right to exercise any Option outstanding prior to such effective date shall in all events be suspended during the period beginning ten days prior to the proposed effective date of such Corporate Transaction and ending on either the actual effective date of such Corporate Transaction or upon receipt of notice from the Company that such Corporate Transaction will not in fact occur; and

(vii) except to the extent permitted by Section 10(d), the date on which such Option or any part thereof or right or privilege relating thereto is transferred (other than by will or the laws of descent and distribution), assigned, pledged, hypothecated, attached or otherwise disposed of by the Optionee to whom such Option was granted.

For purposes of this Plan, the term Cause means, with respect to any Optionee, the Termination of such Optionee because of (i) the commission by such Optionee of any act of fraud, theft or financial dishonesty with respect to the Company or any of its Subsidiaries, or such Optionee has been convicted of, or pleads guilty to, a felony, (ii) any material breach by such Optionee of any material provision of this Plan or any one or more agreements or understandings between the Company or any Subsidiary thereof on the one hand and such Optionee on the other hand (whether written or oral) regarding the terms of such Optionee's service as a director, officer or employee of, or advisor, independent consultant or independent contractor to, the Company or any Subsidiary thereof, including, without limitation, the willful and continued failure or refusal of such Optionee to perform the material duties required of such Optionee as an director, officer or employee of, or as an advisor, independent consultant or independent contractor to, the Company or any Subsidiary thereof, other than as a result of such Optionee having a Disability, or a breach of any applicable invention assignment and confidentiality agreement or similar agreement between the Company or any Subsidiary thereof on the one hand and such Optionee on the other hand or termination of such Optionee's employment or service with the Company for cause as such term is defined in any employment or consulting agreement between such Optionee and the Company, (iii) such Optionee's intentional or willful disregard of the policies of the Company or any Subsidiary thereof so as to cause loss, damage or injury to the property, reputation or employees of the Company or any Subsidiary thereof, or (iv) any other misconduct by such Optionee which is otherwise materially injurious to the financial condition or business reputation of, or is otherwise materially injurious to, the Company or a Subsidiary thereof.

Anything contained in this Plan to the contrary notwithstanding, unless otherwise provided in the applicable Option Agreement, a Termination of an Optionee shall not be deemed to occur solely by reason of the Company's change of the duties of the Optionee, so long as such Optionee continues to be a director, officer or employee of, advisor to, or independent consultant or independent contractor to, the Company or any Subsidiary thereof. For purposes of Section 7(b), an Optionee employed by the Company or any Subsidiary thereof shall not be deemed to have terminated his or her employment with the Company or such Subsidiary in the case of sick leave, military leave, or any other leave of absence approved by the Committee; provided, that

such leave is for a period of not more than ninety (90) days or reemployment upon the expiration of such leave is guaranteed by contract or statute.

8. PROCEDURE FOR EXERCISE.

(a) **Payment.** At the time an Option is granted under this Plan, the Committee shall, in its sole discretion, specify one or more of the following forms of payment which may be used by an Optionee (but only to the extent permitted by applicable law) upon exercise of his or her Option:

(i) by cash (by wire transfer of immediately available funds to a bank account held by the Company or a personal or certified check payable to the Company);

(ii) by cancellation of indebtedness of the Company to the Optionee;

(iii) by surrender of shares of Common Stock which either (A) have been owned by the Optionee for more than six months and have been paid for within the meaning of Rule 144 promulgated by the SEC under the 1933 Act (and, if such shares of Common Stock were purchased from the Company or any Subsidiary thereof by means of a promissory note, such note has been fully paid with respect to such shares); or (B) were obtained by the Optionee in the public market (but, subject in any case, to the applicable limitations of Rule 16b-3);

(iv) by tender of a full recourse promissory note having such terms as may be approved by the Committee and bearing interest at a rate sufficient to avoid imputation of income under Sections 483 and 1274 of the Code; provided, however, that an Optionee who is not a director, officer or employee of the Company or any of its Subsidiaries will not be entitled to tender such a promissory note unless the note is adequately secured by collateral other than the shares of Common Stock being purchased upon the exercise of the Option;

(v) by waiver of compensation due or accrued to the Optionee for services rendered to the Company or any of its Subsidiaries;

(vi) if the Common Stock is a class of securities then listed or admitted to trading on any national securities exchange or traded on any national market system (including, but not limited to, The Nasdaq National Market) or on the over-the-counter bulletin board or other, similar public trading mechanism, in compliance with any cashless exercise program authorized by the Committee for use in connection with this Plan at the time of such exercise (but, subject in any case, to the applicable limitations of Rule 16b-3); or

(vii) a combination of the methods set forth in clauses (i) through (vi).

(b) **Notice.** An Optionee (or other person, as provided in Section 10(d)) may exercise an Option granted under this Plan in whole or in part, as provided in the Option Agreement evidencing his or her Option, by delivering a written notice (the Notice) to the Committee (or such other person or entity designated by the Committee from time to time).

D - 9

- (c) **Content of the Notice.** The Notice shall:
- (i) identify the Option to be exercised and state that the Optionee elects to exercise the Option;
 - (ii) state the number of shares with respect to which the Option is being exercised (the Optioned Shares);
 - (iii) state the method of payment for the Optioned Shares (which method must be available to the Optionee under the terms of his or her Option Agreement);
 - (iv) state the date upon which the Optionee desires to consummate the purchase of the Optioned Shares (which date must be prior to the termination of such Option, be no later than 30 days from delivery of such Notice and be not otherwise prohibited under the terms of his or her Option Agreement);
 - (v) include any representations and warranties of the Optionee required pursuant to Section 10(b);
 - (vi) if the Option is exercised pursuant to Section 10(d) by any person other than the Optionee, include evidence to the satisfaction of the Company (or such other person or entity designated by the Committee from time to time) of the right of such person to exercise the Option; and
 - (vii) include such further provisions consistent with this Plan as the Committee (or such other person or entity designated by the Committee from time to time) may from time to time require.
- (d) **Issuance of Stock Certificates.** The Company shall issue a stock certificate in the name of the Optionee (or such other person exercising the Option in accordance with the provisions of Section 10(d)) for the Optioned Shares with respect to which such Option is being exercised as soon as practicable after receipt of the Notice and payment of the aggregate Option Price for such shares. Neither the Optionee nor any person exercising an Option in accordance with the provisions of Section 10(d) shall have any privileges as a stockholder of the Company with respect to any shares of stock subject to an Option granted under this Plan until the date of issuance of a stock certificate pursuant to this Section 8(d).
- (e) **83(b) Elections.** Each Optionee shall deliver to the Company a copy of any election filed by such Optionee with the Internal Revenue Service relating to any Optioned Shares no later than 30 days following the filing of such election with the Internal Revenue Service.

9. ADJUSTMENTS.

(a) **Changes in Capital Structure.** Subject to Section 9(b), if the Common Stock is changed by reason of a stock split, reverse stock split, stock dividend or recapitalization, or converted into or exchanged for other securities as a result of a merger, consolidation or reorganization, the Committee shall make such adjustments in the number and class of shares of

D - 10

stock with respect to which Options may be granted under this Plan as shall be equitable and appropriate in order to make such Options, as nearly as may be practicable, equivalent to such Options immediately prior to such change. A corresponding adjustment changing the number and class of shares allocated to, and the Option Price of, each Option or portion thereof outstanding at the time of such change shall likewise be made. Anything contained in this Plan to the contrary notwithstanding, in the case of ISOs, no adjustment under this Section 9(a) shall be appropriate if such adjustment (i) would constitute a modification, extension or renewal of such ISOs within the meaning of Sections 422 and 424 of the Code, and the regulations promulgated by the Treasury Department thereunder, or (ii) would, under Section 422 of the Code and the regulations promulgated by the Treasury Department thereunder, be considered as the adoption of a new plan requiring stockholder approval.

(b) **Corporate Transactions.** The following rules shall apply in connection with the dissolution or liquidation of the Company, a reorganization, merger or consolidation in which the Company is not the surviving corporation, or a sale of all or substantially all of the capital stock or assets of the Company to another person or entity (a Corporate Transaction):

(i) each holder of an Option outstanding at such time shall be given (A) written notice of such Corporate Transaction at least 20 days prior to its proposed effective date (as specified in such notice) and (B) an opportunity, during the period commencing with delivery of such notice and ending 10 days prior to such proposed effective date, to exercise the Option to the full extent to which such Option would have been exercisable by the Optionee at the expiration of such 20-day period; provided, however, that upon the occurrence of a merger or consolidation in which the Company is not the surviving corporation and the stockholders of the Company receive distributions of cash, securities or other property of a third party in complete exchange for their equity interests in the Company, or a sale of all of the capital stock or all or substantially all of the assets of the Company to another person or entity, under circumstances in which provision for assumption or substitution of options in accordance with Section 9(b)(ii) is not made, the vesting and exercise dates of all Options granted under this Plan shall accelerate, such Options shall become fully vested and exercisable with respect to all of the shares of Common Stock covered thereby and all of such shares shall become fully vested, and if and to the extent not so exercised as provided in this Section 9(b)(i), such Options shall automatically terminate; and

(ii) anything contained in this Plan to the contrary notwithstanding, Section 9(b)(i) shall not be applicable if provision shall be made in connection with such Corporate Transaction for the assumption of outstanding Options by, or the substitution for such Options of new options covering the stock of, the surviving, successor or purchasing entity, or a Parent Corporation or Subsidiary Corporation thereof (as defined in Sections 424(e) and (f), respectively of the Code), with appropriate adjustments as to the number, kind and option prices of the stock subject to such options; provided, however, that in the case of ISOs, the Committee shall, to the extent consistent with the best interests of the Company (such best interests to be determined in good faith by the Committee in its sole discretion), consult with counsel to ensure that any such assumption or substitution will not constitute a modification, extension or renewal of the

ISOs within the meaning of Section 424(h) of the Code and the regulations promulgated by the Treasury Department thereunder.

(c) **Special Rules.** The following rules shall apply in connection with Sections 9(a) and (b):

(i) no fractional shares shall be issued as a result of any such adjustment, and any fractional shares resulting from the computations pursuant to Sections 9(a) or (b) shall be eliminated without any consideration due to any Optionees;

(ii) no adjustment shall be made for cash dividends or the issuance to stockholders of rights to subscribe for additional shares of Common Stock or other securities; and

(iii) any adjustments referred to in Sections 9(a) or (b) shall be made by the Committee in its sole discretion and shall be conclusive and binding on all persons holding Options granted under this Plan.

10. **RESTRICTIONS ON OPTIONS AND OPTIONED SHARES.**

(a) **Compliance With Securities Laws.** No Options shall be granted under this Plan, and no shares of Common Stock shall be issued and delivered upon the exercise of Options granted under this Plan, unless and until the Company and/or the Optionees to whom such Options shall be granted shall have complied with all applicable Federal or state registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction. The Company may delay the issuance of shares of Common Stock upon the exercise of Options granted under this Plan until completion of any action or the receipt of any consent which the Company deems necessary under any applicable law (including, without limitation, state securities or blue sky laws).

(b) **Representations and Warranties.** The Committee in its discretion may, as a condition to the exercise of any Option granted under this Plan, require the Optionee to whom such Option shall be granted (i) to represent and warranty in writing that the shares of Common Stock to be received upon exercise of such Option are being acquired for investment and not with a view to distribution and (ii) to make such other representations and warranties as are deemed appropriate by the Company.

(c) **Legends.** (i) Each certificate issued by the Company (or its transfer agent) that represents shares of Common Stock acquired upon the exercise of Options that have not been registered under the Securities Act shall, unless otherwise directed by the Committee, be stamped or otherwise imprinted with a legend in substantially the following form (in addition to any other legends and other restrictions as the Committee may deem necessary or advisable, including restrictions under any applicable federal, state or foreign securities laws, or any rules, regulations and other requirements of the SEC or any securities exchange or automated quotation system on which such the Common Stock may be listed, admitted for trading or traded, or any applicable agreement):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 (THE ACT). THESE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE, AND MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR SUCH SECURITIES UNDER THE ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER THAT SUCH REGISTRATION IS NOT REQUIRED.

(ii) Any stock certificate issued upon exercise of an ISO shall contain, at the direction of the Company, a legend requiring the transfer agent to notify the Company of any transfer prior to the expiration of the holding period required to prevent such transfer to qualify as a Disqualifying Disposition (as defined in Section 16 hereof).

(d) **Nonassignability of Option Rights.** Except as otherwise determined by the Committee and set forth in the applicable Option Agreement, no Option granted under this Plan shall be assignable or otherwise transferable by the Optionee except by will or by the laws of descent and distribution. Except as otherwise determined by the Committee and set forth in the Option Agreement, an Option may be exercised during the lifetime of the Optionee only by the Optionee. If an Optionee dies, his or her Option shall thereafter be exercisable, except as otherwise determined by the Committee and set forth on the Option Agreement, during the period specified in Section 7(b)(ii) or (iii), as applicable, by his or her executors or administrators (collectively, the Representatives) to the full extent to which such Option was exercisable by the Optionee at the time of his or her death. Notwithstanding the foregoing, if an Option is granted to an Optionee then residing in Italy, such Option shall not be transferable.

11. ADOPTION AND STOCKHOLDER APPROVAL.

This Plan shall become effective on the date (the Effective Date) of its adoption by the Board. This Plan shall be approved by the stockholders of the Company, consistent with applicable laws, within 12 months before or after the Effective Date. Upon the Effective Date, the Committee may grant Options pursuant to this Plan; provided, however, that (i) no Option may be exercised prior to initial stockholder approval of this Plan, (ii) no Option granted pursuant to an increase in the number of shares of Common Stock available under this Plan by the Board s or the Committee s amendment of this Plan may be exercised prior to the time such increase has been approved by the stockholders of the Company, consistent with applicable laws; (iii) in the event that initial stockholder approval of this Plan is not obtained within the time period provided herein, all Options granted under this Plan shall be canceled; and (iv) in the event that stockholder approval of any increase in the number of shares of Common Stock available under this Plan is not obtained within the time period provided herein, all Options granted under this Plan pursuant to such increase shall be canceled. Stockholder approval of the Plan as amended and restated on October 18, 2001 and amended and restated as of _____, 2004, was obtained on _____, 2004.

12. CONVERSION OF ISOs INTO NON-QUALIFIED OPTIONS; TERMINATION OF ISOs.

The Committee, at the written request of any Optionee, may in its discretion take such actions as may be necessary to convert such Optionee's ISOs (or any portions thereof) that have not been exercised on the date of conversion into NSOs at any time prior to the expiration of such ISOs, regardless of whether the Optionee is an employee of the Company at the time of such conversion. Such actions may include, but not be limited to, extending the exercise period or reducing the exercise price of the appropriate installments of such Options. At the time of such conversion, the Committee (with the consent of the Optionee) may impose such conditions on the exercise of the resulting NSOs as the Committee in its discretion may determine, provided that such conditions shall not be inconsistent with this Plan. Nothing in this Plan shall be deemed to give any Optionee the right to have such Optionee's ISOs converted into NSOs, and no such conversion shall occur until and unless the Committee takes appropriate action. The Committee, with the consent of the Optionee, may also terminate any portion of any ISO that has not been exercised at the time of such conversion.

13. EXPIRATION AND TERMINATION OF THE PLAN.

Except with respect to Options then outstanding, this Plan shall expire on the first to occur of (i) the tenth anniversary of the date on which this Plan is adopted by the Board, (ii) the tenth anniversary of the date on which this Plan is approved by the stockholders of the Company in accordance with applicable laws and (iii) the date as of which the Board, in its sole discretion, determines that this Plan shall terminate (the Expiration Date). Any Options outstanding as of the Expiration Date shall remain in effect until they have been exercised or terminated or have expired by their respective terms.

14. AMENDMENT OF THIS PLAN.

This Plan may be amended by the stockholders of the Company. This Plan may also be amended by the Board or the Committee, including, without limitation, to the extent necessary to qualify any or all outstanding Options granted under this Plan or Options to be granted under this Plan for favorable federal income tax treatment (including deferral of taxation upon exercise) as may be afforded incentive stock options under Section 422 of the Code, to the extent necessary to ensure the qualification of this Plan under Rule 16b-3, at such time, if any, as the Company has a class of stock registered pursuant to Section 12 of the 1934 Act, and to the extent necessary to qualify the shares of Common Stock issuable upon exercise of any outstanding Options granted, or Options to be granted, under this Plan for listing or admission for trading on any securities exchange or automated quotation system. Any amendment approved by the Committee which is of a scope that requires stockholder approval under applicable law or in order to ensure favorable federal income tax treatment for any ISOs or requires stockholder approval in order to ensure the compliance of this Plan with Rule 16b-3 at such time, if any, as the Company has a class of capital stock registered pursuant to Section 12 of the 1934 Act, shall be subject to obtaining such stockholder approval. Any modification or amendment of this Plan shall not, without the consent of an Optionee, adversely affect his or her rights under an Option previously granted to him or her. With the consent of the Optionee affected, the Committee may amend such Optionee's outstanding Option Agreements in a

manner which may be materially adverse to such Optionee but which is not inconsistent with this Plan. In the discretion of the Committee, outstanding Option Agreements may be amended by the Committee in a manner that is not materially adverse to the Optionee.

15. CAPTIONS.

The use of captions in this Plan is for convenience. The captions are not intended to provide substantive rights or to affect the construction or interpretation of the provisions of this Plan.

16. DISQUALIFYING DISPOSITIONS.

If Optioned Shares acquired by exercise of an ISO granted under this Plan are disposed of within two years following the date of grant of the ISO or one year following the transfer of the Optioned Shares by the Company to the Optionee upon the exercise of such ISO (a Disqualifying Disposition), the Optionee shall, immediately prior to such Disqualifying Disposition, notify the Company in writing of the date and terms of such Disqualifying Disposition and provide such other information regarding the Disqualifying Disposition as the Company may reasonably require.

17. WITHHOLDING TAXES.

In the event that any federal, state, or local income taxes, employment taxes, Federal Insurance Contributions Act withholdings or other amounts are required by applicable law or governmental regulation to be withheld from the Optionee's salary, wages or other remuneration in connection with the exercise of an Option or a Disqualifying Disposition (as defined in Section 16), the Company may withhold from such Optionee's wages, if any, or other remuneration, or may require the Optionee to advance in cash to the Company the amount of such withholdings unless a different withholding arrangement, including the use of shares of the Company's Common Stock, is authorized by the Committee (and permitted by applicable law); provided, however, that with respect to persons subject to Section 16 of the 1934 Act, any such withholding arrangement shall be in compliance with any applicable provisions of Rule 16b-3 promulgated under Section 16 of the 1934 Act. For purposes of this Section 17, the fair market value of the shares of Common Stock (if any) withheld for purposes of payroll withholding shall be determined as of the most recent date practicable prior to the date of exercise and in the manner provided in Section 6(b). If the fair market value of the shares of Common Stock withheld is less than the amount of the payroll withholdings required, the Optionee may be required to advance the difference in cash to the Company. The Committee may condition the transfer of any shares of Common Stock or the removal of any restrictions on any Option on the satisfaction by the Optionee of the foregoing withholding obligations.

18. OTHER PROVISIONS.

Each Option granted under this Plan may contain such other terms and conditions not inconsistent with this Plan as may be determined by the Committee, in its sole discretion. Notwithstanding the foregoing, each ISO granted under this Plan shall include those terms and conditions which are necessary to qualify the ISO as an incentive stock option within the meaning of Section 422 of the Code and the regulations thereunder and shall not include any terms or conditions which are inconsistent therewith.

19. NUMBER AND GENDER.

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, and vice-versa, as the context requires.

20. NONEXCLUSIVITY OF THIS PLAN.

Neither the adoption of this Plan by the Board, the submission of this Plan to the stockholders of the Company for approval, nor any provision of this Plan shall be construed as creating any limitations on the power of the Board or the Committee to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either generally available or applicable only in specific cases.

21. LIABILITY OF THE COMPANY.

By accepting any benefits under the Plan, each Optionee and each person claiming under or through such Optionee shall be conclusively deemed to have indicated acceptance and ratification to, and consented to, any action taken or made under the Plan by the Company, including, without limitation, the Board of Directors and the Committee. No Optionee or any person claiming under or through a Optionee shall have any right or interest, whether vested or otherwise, in the Plan or any Award hereunder, contingent or otherwise, unless and until such Optionee shall have complied with all of the terms, conditions and provisions of the Plan and any Award agreement related thereto. Neither the Company nor any of its Subsidiaries, nor any of their respective directors, officers, employees or agents shall be liable to any Optionee or any other person if it is determined for any reason by the Internal Revenue Service or any court having jurisdiction that any Incentive Stock Option granted hereunder does not qualify for tax treatment as an incentive stock option under Section 422 of the Code.

22. GOVERNING LAW.

The validity and construction of this Plan and the instruments evidencing the Options granted hereunder shall be governed by the laws of the State of Delaware without regard to conflict of laws provisions thereunder.
