**Item 1.01. Entry into a Material Definitive Agreement.**

*Matthias Employment Agreements*

On April 28, 2005, the Company entered into amendments of its Employment Agreements with Dan W. Matthias, its Chairman and Chief Executive Officer, and Rebecca C. Matthias, its President and Chief Operating Officer. Mr. and Mrs. Matthias' Amended and Restated Employment Agreements are filed with this Current Report on Form 8-K as Exhibits 10.20 and 10.21, respectively.

The amended agreements clarify provisions of the existing agreements relating to the payment of salary continuation in the event of disability and the calculation of the portion of severance benefits attributable to option compensation. In addition, the amended agreements increase the flexibility of the Company's Compensation Committee in the determination of annual bonuses and option compensation, and change the duration of the executives' non-compete and non-solicit covenants. Each amended agreement further provides that, under certain circumstances, the executive will receive an additional payment from the Company if amounts that the executive becomes entitled to receive in connection with a change in control of the Company would result in an excise tax under the Internal Revenue Code for excess parachute payments.

*Krell Employment Agreement*

On April 26, 2005, the Company entered into an amendment of its Employment Agreement with Edward M. Krell, its Chief Financial Officer. Mr. Krell's Amended and Restated Employment Agreement is filed with this Current Report on Form 8-K as Exhibit 10.22.

The amended agreement modifies the executive's severance benefits, makes severance benefits available upon a resignation for good reason (as defined), eliminates any correlation between severance benefits and a change in control of the Company, and provides for benefits in the event of termination due to disability. In addition, the new agreement provides substantially the same treatment of excise taxes under the Internal Revenue Code as described above with respect to the restated Matthias Employment Agreements.
