**SPECIAL MEETING OF SHAREHOLDERS**

**TO BE HELD OCTOBER 14, 2005**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of PRB Gas Transportation, Inc. (referred to as the Company, we, our or us ), a Nevada corporation, for use at our Special Meeting of Shareholders of the Company ( Special Meeting ) to be held at our executive offices located at 1875 Lawrence Street, Suite 450, Denver, Colorado 80202 at 9:00 a.m. on October 14, 2005, or at any adjournment or postponement thereof. The Notice of Special Meeting, this Proxy Statement and the accompanying proxy card are being mailed to our Shareholders on or about September 27, 2005. The shares represented by all proxies that are properly executed and submitted will be voted at the meeting in accordance with the instructions indicated thereon. Approval of the proposal to amend our Amended and Restated Articles of Incorporation requires the affirmative vote of the holders of a majority of the Company's issued and outstanding shares. The presence in person or by proxy of Shareholders owning a majority of the issued and outstanding shares of Common Stock constitutes a quorum for the Special Meeting. Abstentions and broker non-votes will be treated as a no vote for purposes of determining whether approval of the proposal has been obtained.

Any Shareholders giving a proxy may revoke it at any time before it is exercised by delivering written notice of such revocation to us, by substituting a new proxy executed at a later date, or by requesting, in person, at the Special Meeting, that the proxy be returned.

All of the expenses involved in preparing, assembling and mailing this Proxy Statement and the materials enclosed herewith and all costs of soliciting proxies will be paid by the Company. In addition to the solicitation by mail, proxies may be solicited by officers and regular employees of the Company by telephone, facsimile or personal interview. Such persons will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in so doing.

**VOTING SHARES AND PRINCIPAL SHAREHOLDERS**

The close of business on September 23, 2005 has been fixed by our Board of Directors as the record date (the record date ) for the determination of Shareholders entitled to notice of and to vote at the Special Meeting. On the record date, there were outstanding 7,461,000 shares of Common Stock, each share of which entitles the holder thereof to one vote on each matter which may come before the Special Meeting.

The holders of a majority of the outstanding shares of Common Stock, whether present in person or represented by proxy, will constitute a quorum for purposes of the proposal to change Article Sixth to provide that the number of directors shall be a variable number consisting of at least one director but no more than nine directors and that the exact number of directors shall be established by the board of directors.

## Edgar Filing: PRB Gas Transportation, Inc. - Form PRER14A

Broker non-votes and the shares as to which a stockholder abstains from voting are included for purposes of determining whether a quorum of shares is present at a meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal, because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

The affirmative vote of a majority of our issued and outstanding shares of common stock are required to approve the amendment to our Amended and Restated Articles of Incorporation to change Article Sixth to provide that the number of directors shall be a variable number consisting of at least one director but no more than nine directors and that the exact number of directors shall be established by the board of directors. In tabulating the votes on the proposal, abstentions and broker non-votes will be treated as shares that are present but that have not been voted and accordingly will be treated as a no vote in determining whether the proposal is approved.

**Proposed Amendment to Certificate of Incorporation**

The Board of Directors has adopted resolutions setting forth the proposed amendment to Article Sixth of the Company's Amended and Restated Articles of Incorporation (the Amendment), the advisability of the Amendment, and a call for submission of the Amendment for approval by the Company's Shareholders at a Special Meeting of Shareholders. The following is the text of the Amendment to Article Sixth of the Amended and Restated Articles of Incorporation of the Company, as proposed to be amended:

Sixth: The members of our governing board shall be known as directors. The board of directors shall be a variable number consisting of at least one director but no more than nine directors. The exact number of directors shall be established by the board of directors.

**Purpose and Effect of Proposed Amendment**

Currently, our Amended and Restated Articles of Incorporation limit us to no more than five directors. The authorization of the proposed amendment to our Amended and Restated Articles of Incorporation would permit us to have up to nine directors giving us the opportunity to add directors who can provide additional expertise to us.
