QUESTIONS AND ANSWERS ABOUT THE MERGER

THIS QUESTION AND ANSWER SUMMARY HIGHLIGHTS SELECTED INFORMATION CONTAINED IN OTHER SECTIONS OF THIS PROXY STATEMENT. TO UNDERSTAND THE MERGER MORE FULLY, YOU SHOULD CAREFULLY READ THIS ENTIRE PROXY STATEMENT, INCLUDING THE ANNEXES THAT ARE PART OF THIS PROXY STATEMENT.

Q. What are we being asked to vote upon?

A. You are being asked to vote upon a proposal to approve and adopt the Merger Agreement and the consummation of the transactions contemplated by the Merger Agreement, including the merger of PFI with and into SBG II. SBG II will survive the merger and the separate corporate existence of PFI will terminate.

Q. **Who is entitled to vote on the merger?**

A. PFI stockholders who owned shares of PFI common stock at the close of business on March 1, 2006 (the Record Date) may vote at the special meeting of PFI stockholders and may cast one vote for each share of PFI common stock owned on that date.

Q. Why is my vote important?

A. In order to approve and adopt the merger and the Merger Agreement, the holders of at least a majority of the outstanding shares of PFI common stock entitled to vote at the special meeting of stockholders must vote in favor of adoption. Certain directors of PFI and Pelican National Bank (the Bank), and certain of their family members, who together beneficially own more than 50% of PFI s common stock, have agreed in writing to vote in favor of the proposal to approve and adopt the merger and the Merger Agreement. Such shares are sufficient to approve the merger and the Merger Agreement even if all other PFI stockholders vote against the proposal. See The Merger Material

Terms of the Merger Agreement and Related Agreements Voting Agreements, on page 39. You may vote in person or by proxy. If you fail to vote, it will have the same effect as a vote against the Merger Agreement.

Q. What is the recommendation of PFI's Board of Directors regarding the merger?

A. PFI's Board of Directors believes that the merger and the Merger Agreement are fair and in the best interests of PFI and its stockholders and unanimously recommends that you vote **FOR** the approval and adoption of the merger and the Merger Agreement. See The Merger Recommendation of PFI's Board of Directors and Reasons for the Merger on page 19.

Q. What do I need to do now?

A. After you have carefully read and considered this proxy statement, please sign your proxy card, mark your vote on it, and mail it in the enclosed postage-paid envelope. Your shares will then be voted at the special meeting in accordance with your instructions.

Q. Should PFI stockholders send in their stock certificates now?

A. No. Promptly after the effective time of the merger, Stark will arrange for Registrar & Transfer Co., referred to herein as the Exchange Agent, to mail a letter of transmittal to each person who, as of the effective time of the merger, owned shares of PFI common stock. The letter of transmittal will contain instructions for the surrender of your stock certificate(s). Please do not send in your stock certificate(s) until you receive the letter of transmittal and instructions.

Q. How will I obtain payment for my shares if my PFI common stock certificate is lost, stolen or destroyed?

A. In the event any PFI common stock certificate is lost, stolen or destroyed, the Exchange Agent will make payment to the person claiming the lost, stolen or destroyed stock certificate only upon (i) the making by such person of an affidavit that such PFI common stock certificate was lost, stolen or destroyed, and (ii) the posting by such person of a bond in such amount as the Exchange Agent may direct as indemnity against any claim that may be made against it with respect to the lost, stolen or destroyed stock certificate.

Q. What if I want to change my vote?

A. You may change your vote in any of the following three ways:

by sending written notice to PFI's Secretary, which must be received before the special meeting, stating that you revoke your proxy;

by completing, signing and dating another proxy card and returning it by mail in time to be received before the special meeting; or

by attending the special meeting, filing written notice with the Secretary of the meeting stating that you revoke your proxy, and voting in person.

Q. If my shares are held in street name by my broker, will my broker vote my shares for me?

A. Maybe. Your broker will vote your shares only if you provide instructions on how to vote. You should follow the directions provided by your broker. Without instructions, your broker will not vote your shares on the Merger Agreement, which will have the same effect as a vote against the Merger Agreement. Likewise, if you want to revoke your vote provided through your broker, you must follow your broker's instructions.

Q. Will I have dissenters' rights?

A. Yes. PFI stockholders are entitled to dissenters' appraisal rights under Delaware law if they comply strictly with the requirements specified in Section 262 of the Delaware General Corporation Law, or DGCL. We have attached a copy of Section 262 of the DGCL to this proxy statement as Annex C. Generally, you will be required take the following steps to enforce your dissenters' rights:

You must make a written demand for appraisal of your shares to PFI before the vote on the merger and the Merger Agreement is taken at the special meeting.

You must not vote your shares of PFI common stock for approval of the merger and the Merger Agreement proposal.

You must continuously hold your shares of PFI common stock from the date you make the demand for appraisal through the effective time of the merger.

If you and PFI cannot agree on the fair cash value of your dissenting shares, then within 120 days after the effective time of the merger, but not after, either SBG II, as the surviving corporation in the merger, or any stockholder who has complied with the required conditions of Section 262 of the DGCL and who is otherwise entitled to appraisal rights, may file a petition in the Delaware Court of Chancery demanding that the court determine the value of the shares of PFI common stock held by all of the stockholders who are entitled to appraisal rights.

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

For a more detailed summary, see The Merger Material Terms of the Merger Agreement and Related Agreements Dissenters Rights of Appraisal, beginning on page 40.

Q. When do you expect the merger to be completed?

A. We are working to complete the merger by the end of the first quarter of 2006. All the conditions set forth in the Merger Agreement must be satisfied or waived prior to completing the merger. We must also obtain the necessary regulatory approvals prior to

completing the merger. We cannot assure you as to if and when all of the conditions of the merger will be met. It is possible we will not complete the merger.

Q. What will I receive in the merger?

A. Except for dissenting shares, each share of PFI common stock issued and outstanding as of the effective time of the merger shall, without any action on the part of the holders thereof, be automatically converted into the right to receive \$6.00 for each share of PFI common stock held, subject to reduction for certain costs incurred by PFI in excess of \$3 million (the Per Share Merger Consideration), and minus an escrow of \$0.20 per share to cover possible liabilities of the Bank from the sale of certain marine loans to Morgan Keegan Mortgage Company, Inc., sometimes referred to as Morgan Keegan, and any additional amounts escrowed pursuant to the Merger Agreement with respect to disputed costs. In connection with the sale of the marine loans, the Bank is liable to Morgan Keegan for breaches of its representations, warranties, covenants and agreements in the purchase agreement covering the sale of the marine loans for a period of five years ending in December 2010. Any claims for liability will be resolved by representatives of the Bank and Morgan Keegan and Charles C. Huffman, as the representative of the PFI stockholders. Upon resolution of claims, amounts will be distributed from escrow to Stark and/or the stockholders, as applicable. Any cash held in the escrow, after settlement of any claims of Stark covered by the escrow, will be paid to stockholders following termination of the escrow in December 2010.

For more details regarding the consideration to be paid to PFI stockholders, and the costs that may reduce the Per Share Merger Consideration, see The Merger Material Terms of the Merger Agreement and Related Agreements Merger Consideration, beginning on page 27.

Q. What will holders of options receive in the merger?

A. Each option to purchase PFI common stock, whether vested or unvested, that is outstanding and unexercised prior to the effective time shall cease to represent a right to acquire shares of PFI common stock. Any option with an exercise price less than the Per Share Merger Consideration, however, shall be converted into the right to receive an amount equal to the difference between the Per Share Merger Consideration and the per share option exercise price, minus an escrow of \$0.20 per share to cover possible liabilities from the sale of certain marine loans and any additional amounts escrowed pursuant to the Merger Agreement with respect to disputed costs. Within 10 business days after the effective time of the merger, Stark will issue checks to such optionholders for the amount owed to each of them.

Management estimates that the amount to be paid on the options is \$743,428, based on \$6.00 Per Share Merger Consideration. Optionholders consist of directors of PFI and the Bank and, in some cases, officers. Charles C. Huffman and his son, Robert C. Huffman, each a director of PFI, own options to purchase 131,500 and 77,390 shares of PFI common stock, respectively.

For more information regarding the treatment of PFI stock options and the escrow arrangement, and the costs that may reduce the Per Share Merger Consideration, see The Merger Material Terms of the Merger Agreement and Related Agreements Merger Consideration and Treatment of PFI Stock Options, beginning on page 29.

Q. What are the financial interests of PFI and Bank directors, officers and employees, and their affiliates, in the merger?

A. PFI stockholders should note that certain directors of PFI and the Bank, and certain of their family members, have financial interests in the merger that are different from your interests as stockholders of PFI generally. These include the following:

Certain directors, officers and employees of PFI and the Bank, and certain of their family members, beneficially own 2,247,505 shares of PFI common stock, which represents more than 50% of the outstanding PFI common stock. These holders consist of Charles C. Huffman, the Chairman of the Board, President and Chief Executive Officer of PFI, his son, Robert C. Huffman, Jr., also a director of PFI, his daughter, Jennifer A. Goldstein and James J. Crandall, Jr., a director of the Bank. Each of these holders has agreed in writing to vote in favor of the Merger Agreement, thus assuring its approval.

PFI and Bank directors, officers and employees hold in the money options to purchase 323,705 shares of PFI common stock at exercise prices ranging from \$3.45 per share to \$5.07 per share, which will be converted into the right to receive an amount equal to the difference between the Per Share Merger Consideration and the exercise price, less escrowed amounts. Assuming no adjustment to the Per Share Merger Consideration, these persons will receive \$743,428 for their in the money options, less escrowed amounts. Of this amount, approximately \$54,025 will be paid for options that will vest by virtue of the merger.

Assuming no adjustment to the Per Share Merger Consideration, directors and officers of PFI will in the aggregate receive \$12,168,654 for their shares of PFI common stock and \$637,539 for their in the money options, for a total of \$13,356,193, less escrowed amounts.

Certain PFI executives have rights under employment, change in control and similar agreements with PFI. These agreements provide certain executives with severance benefits if their employment is terminated at or after the completion of the merger. The aggregate value of the severance, employment and change in control agreements is \$580,000. For more details regarding those agreements, see page 46.

PFI directors and officers will be entitled to be indemnified by Stark under the Merger Agreement and also will be covered under a directors and officers liability insurance policy.

Q. When will PFI stockholders receive cash in the merger?

A. Promptly after the merger is completed, PFI stockholders will be sent a letter of transmittal and instructions for surrendering their stock certificates. Those PFI stockholders will be sent their cash immediately after the Exchange Agent receives their surrendered stock certificates. Any cash held in the escrow, after settlement of any claims of Stark covered by the escrow, will be paid to stockholders following termination of the escrow in December 2010.

Q. What are the tax consequences of the merger to me?

A. In general, the exchange of PFI common stock for cash pursuant to the Merger Agreement will be a taxable transaction for federal income tax purposes. See *The Merger* Material United States Federal Income Tax Consequences, beginning on page 44. **Tax matters are very complicated and the tax consequences of the merger to you will depend on the facts of your own situation. You should consult your tax advisors for a full understanding of the tax consequences of the merger to you.**

Q: **Who can I call with questions about the merger?**

A: If you are a PFI stockholder, you can contact:

Howard M. Nathan, Vice President and Chief Financial Officer of PFI, at (800) 242-6698.

SUMMARY

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

This brief summary highlights material information contained in this document and does not include all of the information that may be important to you. To understand the merger more fully, and for more complete descriptions of the legal terms of the merger, you should carefully read this entire document and the documents to which we have referred you. See [Where You Can Find More Information](#) on page 49. Each item in this summary contains a page reference directing you to a more complete description of that item.

Information Concerning PFI, Stark and SBG II

PFI

PFI's principal office is located at 3767 Ranchero Drive, Ann Arbor, Michigan 48108. Its telephone number at that location is (800) 242-6698.

PFI has no employees other than executive officers who do not receive compensation from PFI for serving in this capacity. PFI engages in no other operations other than the management of its investment in the Bank, its wholly owned subsidiary. The Bank is engaged primarily in retail banking. PFI is registered with the Board of Governors of the Federal Reserve System pursuant to the Bank Holding Company Act of 1956. Because PFI is a bank holding company, its primary federal regulator is the Federal Reserve Board. At December 31, 2005, PFI had no employees other than executive officers. At December 31, 2005, the Bank had 48 full-time equivalent employees.

The Bank originates or acquires loans through its banking operations. It has a diversified loan portfolio with no concentration to any one borrower or industry. Loans are held either for investment or held as available for sale in the secondary market. In addition to residential mortgage loan production, the Bank engages in the origination of commercial, commercial real estate, construction, and consumer loans. The Bank also purchases loan packages to supplement its loan portfolio. For the nine months ended September 30, 2005 and the years ended December 31, 2004 and 2003, net loss from continuing operations were \$562,000, \$251,000 and \$918,000, respectively.

Residential mortgage loans are typically underwritten to secondary marketing standards. The types of loans offered include fixed rate, variable rate and balloon products. Construction loans are offered as well; however, the underwriting criteria are more restrictive than a traditional mortgage loan for this type of product. The Bank may retain a portion of residential mortgage loans depending on its liquidity position and the type of loan.

Commercial loan products include: commercial real estate; non real estate loans for items such as equipment, inventory and working capital lines; construction; and multifamily. Commercial loans are underwritten to ensure adequate cash flow exists to cover the debt service. The Bank also looks to ensure there is adequate collateral to minimize its risk. Finally, the Bank may obtain guarantors with a strong personal financial status to further protect its interests.

Stark and SBG II

Stark's principal office is located at 1207 Central Avenue, Fort Dodge, Iowa 50501, Its telephone number at that location is (515) 573-2154.

Stark was incorporated in the state of Iowa in 1981 under the name First American Bank Group, Ltd. In July of 1982, FAB Fort Dodge was formed as a successor to First American Bank under the terms of a Plan of Reorganization and Merger Agreement pursuant to which Stark became the sole stockholder of FAB Fort Dodge, and previous stockholders of FAB Fort Dodge became stockholders of Stark. Since 1982, First American Bank has grown through acquisition and expansion into other Iowa banking markets. Stark has reported consolidated net income of \$6,872,317 and \$8,565,423 for the years ended December 31, 2003 and 2004 respectively. Through the first nine months of 2005, Stark's consolidated net income was \$ 8,159,958.

It is engaged in the general commercial banking business and provides full service banking to individuals and businesses, including checking and savings services, commercial loans, agricultural loans, consumer loans, real estate loans, safe deposit facilities, treasury management service, wealth management services, trust services and other banking services as are usual and customary for commercial banks. First American Bank is a state chartered bank that is insured by the Federal Deposit Insurance Corporation and is regulated by the Iowa Department of Commerce Division of Banking. First American Bank is a member of the Federal Reserve Bank of Chicago, and the Federal Reserve Bank of Chicago is designated as the institution's primary federal regulator.

SBG II is an Iowa corporation that was formed as a wholly-owned subsidiary of Stark. PFI will merge into SBG II, which will survive the merger.

As with the PFI stockholders, \$0.20 of the amount payable to each optionholder will be held, and later distributed, in accordance with the terms of the Escrow Agreement.

PFI and Bank directors, officers and employees hold in the money options to purchase 323,705

shares of PFI common stock at exercise prices ranging from

\$3.45 per share to \$5.07 per share, which will be converted into the right to receive an amount equal to the difference between the Per Share Merger Consideration and the exercise price, less escrowed amounts. Assuming no adjustment to the Per Share Merger Consideration, these persons will receive \$743,428 for their in the money options, less escrowed amounts. Of this amount, approximately \$54,025 will be paid for options that will vest by virtue of the merger.

Certain PFI executives have rights under employment, change in control and similar agreements between these executives and PFI. These agreements provide certain executives with severance benefits if their employment is terminated at or after the completion of the merger. The aggregate value of the severance, employment and change in control agreements is \$580,000 and consist of the following:

PFI was party to an employment agreement, dated August 1, 2004, with Mr. Howard B. Montgomery, the President of the Bank, that provided, among other things, for a bonus of \$400,000 if the Bank was sold for a multiple greater than 1.75 times its book value. On February 10, 2006, PFI entered into a Severance Agreement and Mutual General Release of Claims (Severance Agreement) with Mr. Montgomery, Jr., who resigned as president of the Bank effective as of the close of business on February 10, 2006. Under the Severance Agreement, the Bank paid Mr. Montgomery a severance of \$482,500 in satisfaction of amounts due or to become due to him under his employment agreement, including the bonus of \$400,000 payable as a result of the merger. In addition, all of the 50,000 options to purchase PFI's stock previously awarded to Mr. Montgomery became immediately exercisable and will not expire prior to the close of business on August 2, 2015, the original expiration date of the options. The Severance Agreement also contains a mutual release of claims.

PFI has also entered into an agreement, dated September 27, 2004, with Mr. Howard N. Nathan, the Chief Financial Officer of PFI. Under that agreement, Mr. Nathan is entitled to receive a cash bonus in a lump sum amount of \$150,000 bonus payment if during his tenure as Chief Financial Officer PFI and/or the Bank is sold to a third party.

In addition to the agreements with Messrs. Montgomery and Nathan, PFI's Board of Directors has authorized the payment of a stay bonus in the amount of \$30,000 to Mr. Kenneth P. Werner, the Cashier and Senior Vice President of the Bank.

PFI directors and officers will be entitled to be indemnified by Stark under the Merger Agreement and also will be covered under a directors and officers liability insurance policy.

The Board of Directors of PFI was aware of these interests at the time the merger and the Merger Agreement were approved.

PFI stockholders have dissenters rights of appraisal (see page 40)

PFI stockholders are entitled to dissenters rights of appraisal under Delaware law if they comply strictly with the requirements specified in Section 262 of the DGCL. We have attached a copy of Section 262 of the DGCL to this proxy statement as Annex C. Generally, you will be required take the following steps to enforce your dissenters rights:

You must make a written demand for appraisal of your shares to PFI before the vote on the merger and the Merger Agreement is taken at the special meeting.

You must not vote your shares of PFI common stock for approval of the merger and the Merger Agreement proposal.

You must continuously hold your shares of PFI common stock from the date you make the demand for appraisal through the effective time of the merger.

If you and PFI cannot agree on the fair cash value of your dissenting shares, then within 120 days after the effective time of the merger, but not after, either SBG II, as the surviving corporation in the merger, or any stockholder who has complied with the required conditions of Section 262 of the DGCL and who is otherwise entitled to appraisal rights, may file a petition in the Delaware Court of Chancery demanding that the court determine the value of the shares of PFI common stock held by all of the stockholders who are entitled to appraisal rights.

For a more detailed summary, see The Merger Material Terms of the Merger Agreement and Related Agreements Dissenters Rights of Appraisal, beginning on page 40.

Conditions to the merger (see page 37)

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The completion of the merger depends upon the satisfaction or waiver of a number of conditions, including the approval and adoption of the merger and the Merger Agreement by the stockholders of PFI and receipt of all required regulatory approvals.

Where the law permits, a party to the Merger Agreement could elect to waive a condition to its obligation to complete the merger, even if that condition has not been satisfied. However, stockholder approval and regulatory approvals are not waivable conditions. We cannot be certain when (or if) the conditions to the merger will be satisfied or waived or that the merger

will be completed. We currently anticipate, however, that the merger will be consummated by the end of the first quarter of 2006.

Termination of the Merger Agreement (see page 37)

The Merger Agreement may be terminated if PFI and Stark mutually agree in writing to do so, as authorized by a majority vote of their respective Boards of Directors. In addition, the Merger Agreement may be terminated by either PFI or Stark:

within 30 days after the date on which any request or application for a regulatory approval was denied or withdrawn at the request or recommendation of the applicable governmental entity, unless within the 30-day period following such denial or withdrawal a petition for rehearing or an amended application has been filed, and provided that no party shall have such right of termination if such denial or withdrawal is due to the failure of the party seeking termination to perform or observe the covenants and agreements of such party set forth in the Merger Agreement;

if any governmental entity of competent jurisdiction shall have issued a final nonappealable order enjoining or otherwise prohibiting the merger;

if the merger is not consummated on or before the Termination Date (as defined in the Merger Agreement), unless the failure of the closing to occur by such date shall be due to the failure of the party seeking termination to perform or observe its covenants and agreements set forth in the Merger Agreement;

if PFI has not obtained the approval of its stockholders; or

in event of a material breach of any of the representations, warranties, covenants or agreements set forth in the Merger Agreement on the part of the other party, and such breach is not cured within 30 days following the giving of such written notice, or which, by its nature, cannot be cured prior to the closing; provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained in the Merger Agreement.

In addition, the Merger Agreement can be terminated:

within 30 days after the date on which any request or application for a regulatory approval

by PFI, if PFI enters into another agreement with respect to an acquisition proposal, as permitted by the Merger Agreement; or

by Stark, if PFI's Board of Directors, in accordance with the Merger Agreement, does not recommend the Merger Agreement and the merger to PFI stockholders for their approval.

Termination and Breakup Fees (see page 38)

Under certain circumstances, PFI is liable for termination and breakup fees as follows:

PFI will pay to Stark a termination fee of \$1,000,000 if PFI terminates the Merger Agreement if it entered into another agreement with respect to an acquisition proposal.

PFI will pay to Stark a breakup fee of \$250,000 if (i) PFI or Stark terminate the Merger Agreement for any reason or (ii) the effective time of the merger is later than the Termination Date.

Merger of PFI and SBG II

Stark and PFI currently expect that immediately after the completion of the merger, subject to receipt of necessary regulatory approvals, PFI will be merged with and into SBG II. The name of the surviving entity will be SBG II, Ltd. and the separate corporate existence of PFI shall terminate.

Regulatory approvals are required to complete the merger

The merger is subject to the prior approval of the Federal Reserve Board, referred to as the FRB. Approval by the FRB is not an endorsement of the merger or a determination that the terms of the merger are fair to the PFI stockholders. We cannot assure you when or if the FRB's approval will be obtained.

The PFI Board of Directors received an opinion regarding the fairness of the merger consideration (see page 21)

PFI's Board of Directors received an opinion from its financial advisor, Hovde Financial, LLC (Hovde) that the merger consideration is fair from a financial point of view to the stockholders of PFI. This opinion is attached as Annex B to this proxy statement. We encourage you to read the opinion in its entirety. Hovde's fairness opinion is directed to PFI's Board of Directors only and does not constitute a recommendation to a PFI stockholder as to how such stockholder should vote at the special meeting. PFI has agreed to pay Hovde an aggregate transaction fee of \$404,000, plus expenses, for Hovde's services in connection with the transaction, including Hovde's preparation of its opinion. A significant portion of the transaction fee (\$384,000) is payable to Hovde only upon the consummation of the merger.

PFI's reasons for the merger (see page 19)

The PFI Board of Directors unanimously approved the merger because the Board believes that the merger will be beneficial to PFI stockholders.

The Bank has entered into a Consulting Agreement with a subsidiary of Stark (see page 39)

Under certain circumstances, PFI is liable for termination and breakup fees as follows:

On January 30, 2006, the Bank entered in to a consulting agreement with Stark Consulting Group, Ltd., a wholly-owned subsidiary of Stark, pursuant to which the consultant will identify best practices/profit improvement opportunities and operating efficiencies for the Bank and will be entitled to fees based on the savings.

SPECIAL MEETING OF STOCKHOLDERS

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

We are sending you this proxy statement in order to provide you with important information regarding the merger and to solicit your proxy for use at the special meeting and at any adjournments or postponements of the special meeting. The special meeting is scheduled to be held at the time and place described below.

General. The PFI special meeting is scheduled to be held on March 30, 2006 at 9:30 a.m., local time, at the Holiday Inn Express Hotel and Suites, 600 Briarwood Circle, Ann Arbor, Michigan. The purpose of the PFI special meeting is to consider and vote upon the Merger Agreement. **The PFI Board of Directors has approved the Merger Agreement and recommends that PFI stockholders vote For the merger and the Merger Agreement.**

Record Date. The PFI Board of Directors has fixed the close of business on March 1, 2006 as the PFI record date for the determination of holders of shares of PFI stock entitled to notice of and to vote at the PFI special meeting.

Stock Entitled to Vote. On the Record Date, there were 4,494,365 shares of PFI common stock outstanding. Holders of PFI common stock will be entitled to one vote for each share of PFI common stock that they held of record on the Record Date.

Quorum. The presence in person or by properly executed proxy of the holders of a majority of the outstanding shares of PFI common stock entitled to vote at the PFI special meeting is necessary to constitute a quorum.

Required Vote. Pursuant to PFI's Amended and Restated Bylaws, the affirmative vote of at least a majority of the PFI shares outstanding is required for approval of the Merger Agreement.

Stock Ownership. As of the Record Date, certain directors of PFI and the Bank, and certain of their family members, had the right to vote, in the aggregate, 2,247,505 shares of PFI common stock, representing more than 50% of the total votes entitled to be cast at the PFI special meeting. Such stockholders have agreed in writing to vote their shares at the PFI special meeting in favor of the Merger Agreement. Such shares are sufficient to approve the Merger Agreement even if all other PFI stockholders vote against the proposal.

Voting and Revocation of Proxies. Shares of PFI common stock represented by a proxy properly signed and received at or prior to the PFI special meeting, unless subsequently revoked, will be voted in accordance with the instructions on the proxy. **If you sign and return your proxy without indicating any voting instructions, the shares of PFI common stock represented by the proxy will be voted For the Merger Agreement.** You may revoke your proxy at any time by giving written notice of revocation to the Secretary of PFI at any time before it is voted, by submitting to PFI a duly executed, later-dated proxy or by attending the special meeting, notifying the secretary of the meeting that you are revoking your proxy and voting the shares at the special meeting. You should send all written notices of revocation and other communications with respect to revocation of PFI proxies to: Pelican Financial, Inc., 3767

Ranchero Drive, Ann Arbor, Michigan 48108, Attention: Secretary. Attendance at the PFI special meeting will not, in and of itself, constitute a revocation of a proxy.

Other Business. The PFI Board of Directors is not aware of any business to be acted upon at the PFI special meeting other than as described in this proxy statement. If, however, other matters are brought before the PFI special meeting which are incident to the conduct of the PFI special meeting, the persons appointed as proxies will have discretion to vote or act on matters according to their best judgment.

Abstentions and Broker Non-Votes. Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum is present. However, abstentions and broker non-votes will have the effect of a vote against the Merger Agreement. Similarly, the failure to either return your proxy card or attend the PFI special meeting in person and vote in favor of the Merger Agreement will have the same effect as a vote against the Merger Agreement.

Solicitation of Proxies. The proxies are being solicited on behalf of the PFI Board of Directors. The solicitation of proxies may be made by directors, officers and regular employees of PFI in person or by mail, telephone, facsimile or telegraph without additional compensation payable for that solicitation. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy soliciting materials to the beneficial owners of PFI common stock held of record by these persons, and PFI will reimburse them for reasonable expenses incurred by them in so doing. The cost of the solicitation will be born by PFI. PFI has retained American Stock Transfer and Trust Company, a firm experienced in the solicitation of proxies on behalf of public companies, to assist in the proxy solicitation process at an approximate base fee of \$5,000, which includes all reasonable out-of-pocket expenses. This fee may be higher if PFI requests that American Stock Transfer and Trust Company provide certain additional services.

Dissenters Rights of Appraisal. PFI stockholders are entitled to dissenters' rights of appraisal under Delaware law if they comply strictly with the requirements specified in Section 262 of the DGCL; failure to strictly comply with such requirements will result in the loss of your statutory appraisal rights. If the merger is consummated, dissenting holders of PFI common stock who strictly comply with the procedures specified in Section 262 of the DGCL within the appropriate time periods will be entitled to have their shares of stock appraised by the Delaware Court of Chancery and to receive the fair value of such shares in cash as determined by the court, together with a fair rate of interest, if any, as determined by the court, in lieu of receiving the Per Share Merger Consideration. Dissenting shares for which a PFI stockholder has properly exercised dissenters' rights will not be converted into a right to receive the Per Share Merger Consideration, but will instead entitle their holders to receive such consideration as shall be determined pursuant to the DGCL. However, if after the effective time a holder of dissenting shares fails to perfect or withdraws or loses its right to appraisal, such shares will be treated as if they had converted as of the effective time into a right to receive the Per Share Merger Consideration, without interest, and will no longer be dissenting shares.

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The following is a summary of the steps you must take if you are a PFI stockholder and you wish to exercise your appraisal rights. This summary may not be complete and is qualified

in its entirety by reference to the full text of Section 262 of the DGCL, which is attached to this proxy statement as Annex C. For a more complete summary concerning dissenters' rights of appraisal under Delaware law, see The Merger Material Terms of the Merger Agreement and Related Agreements Dissenters' Rights of Appraisal, beginning on page 40.

You must make a written demand for appraisal of your shares to PFI before the vote on the merger and the Merger Agreement is taken at the special meeting.

You must not vote your shares of PFI common stock for approval of the merger and the Merger Agreement proposal. A signed proxy which does not contain voting instructions will, unless revoked, be voted in favor of approval of the merger and the Merger Agreement. If you wish to exercise your right to dissent and demand appraisal rights, you must either vote against the merger and Merger Agreement or abstain from voting. If you do not return a signed proxy card, you will be deemed to have abstained from voting.

You must continuously hold your shares of PFI common stock from the date you make the demand for appraisal through the effective time of the merger. You will lose any right to appraisal for your shares if you sell or transfer your shares prior to the effective time of the merger.

If you and PFI cannot agree on the fair cash value of your dissenting shares, then within 120 days after the effective time of the merger, but not after, either SBG II, as the surviving corporation in the merger, or any stockholder who has complied with the required conditions of Section 262 of the DGCL and who is otherwise entitled to appraisal rights, may file a petition in the Delaware Court of Chancery demanding that the court determine the value of the shares of PFI common stock held by all of the stockholders who are entitled to appraisal rights. SBG II has no intention at this time, nor any obligation, to file such a petition.

If a petition for appraisal is timely filed, the Delaware Court of Chancery, after a hearing on the petition, will determine which stockholders are entitled to appraisal rights and will determine the fair value of the shares owned by these stockholders, exclusive of any value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value.

You may withdraw your demand for appraisal and accept the Merger Consideration by delivering to PFI a written withdrawal of your demand, except that (i) any attempt to withdraw your demand for appraisal made more than 60 days after the effective time of the merger will require the written approval of SBG II, as the surviving corporation and (ii) no appraisal proceeding in the Delaware Court of Chancery shall be dismissed as to any stockholder without the approval of the court, and such approval may be conditioned upon such terms as the court deems just. If SBG II does not approve your request to withdraw a demand for appraisal when such approval is required or if the Delaware Court of

Chancery does not approve the dismissal of your appraisal proceeding, you would be entitled to receive only the appraised value determined in any such appraisal proceeding, which value could be lower than the value of the Per Share Merger Consideration.

THE MERGER

Background of the Merger

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

From time to time over the past several years, during regularly scheduled meetings of the Board of Directors, the directors of PFI discussed the business and prospects of PFI, conditions of the business and community banking market in Florida, and the merger activity among financial institutions in that state. In addition, during this time, PFI was approached by several parties who expressed moderate to serious interest in acquiring PFI. PFI did not enter into any agreements with the parties because it did not believe that the transactions would afford PFI stockholders the opportunity to receive any meaningful return on their investment.

In September 2004, the PFI Board met for a general discussion of PFI's strategic alternatives, including whether to explore a sale. In October and November 2004, representatives of the PFI Board engaged in discussions with representatives of Hovde to review PFI's strategic options.

On January 27, 2005 the PFI Board met in Naples, Florida with representatives of Hovde to further review PFI's strategic options. The Board decided to retain Hovde to assist it in exploring the possibility of a sale and, on February 16, 2005, Hovde and PFI signed an engagement letter. At the time, representatives of PFI's Board were in discussions with a party that was expressing a serious interest in acquiring PFI. These discussions ultimately did not materialize into a sale agreement and the discussions ended during the latter part of April 2005. Once those discussions ended, as a part of its engagement, Hovde discussed with PFI a process for the marketing of PFI and additional information regarding the banking industry and market conditions in general. Hovde also discussed bank holding companies and investor groups that, in its opinion, could have an interest in acquiring PFI and had the necessary financial resources to carry out the transaction and to obtain regulatory approvals. While not making a final decision whether to pursue any business combination transaction, PFI did authorize Hovde to solicit indications of interest that might warrant serious consideration and potentially result in an agreement to merge or to otherwise acquire PFI. In the latter part of May 2005 and early June 2005, Hovde, with the assistance of PFI's management, completed its due diligence review of PFI.

After a thorough review of potential buyers, Hovde contacted 39 parties. Thirty-two of these potential buyers expressed interest and received a confidential memorandum containing detailed information about PFI. On July 26, 2005 Hovde reported to members of PFI's Board of Directors that 10 institutions had submitted written preliminary indications of interest ranging from \$19 million to \$42 million. Hovde reviewed each of these proposals, including the financial terms, the business, operations and prospects of each bidder, and the financial terms of other business combinations in the banking industry. Of the three highest indications of interest,

two were for all cash (including Stark's) and the third contained a significant amount of stock consideration.

After reviewing the offers, members of the PFI Board directed Hovde to invite the three highest bidders to conduct further due diligence on PFI with the goal of receiving more specific indications of interest. The first party began its due diligence review on August 3, 2005 and finished on August 9, 2005. The second party began its due diligence on August 12, 2005 and withdrew one day later on August 13, 2005. Stark began its due diligence on August 16, 2005 and finished on August 19, 2005. Upon completion of their due diligence review of PFI, the other two bidders ultimately elected to discontinue the bidding process.

On August 26, 2005, the PFI Board received a revised non-binding letter of intent from Stark to acquire all of the outstanding shares of PFI common stock for \$31 million in cash, subject to completion of further due diligence reviews by Stark and also subject to several other conditions (including the sale of PFI's marine loan portfolio). On September 1, 2005 representatives of Hovde met with members of PFI's Board and reviewed the results of the marketing process, as well as Stark's revised indication of interest. PFI's Board directed Hovde to continue discussions with Stark.

The \$31 million offer that was received from Stark on August 26th was subject to several conditions including further due diligence, the sale of the marine lending portfolio, marked-to-market loan portfolio, and marked-to-market securities portfolio. Furthermore, the August 26th offer valued PFI at 2.10 times adjusted book value of PFI. Stark defined adjusted book value to be the tangible equity of PFI multiplied by 7.0% of PFI's total assets at the date of closing. During subsequent negotiations, and after the financial impact of the above conditions became clear, the PFI board desired a firm price and not one that fluctuated based on PFI's tangible book value at the date of closing. Therefore, after further negotiations with PFI and Stark, it was agreed that the final offer would be \$6.00 per share. This final negotiated price took into consideration and incorporated the financial impact of the conditions stated above.

During September 2005 and through much of October 2005, PFI representatives and Stark representatives had several meetings and telephone conversations to discuss the background, philosophies and corporate culture of the two companies, their strategic directions, their possible interest in pursuing a strategic combination of Stark and PFI, and other issues. The parties also discussed the parameters relating to a possible transaction between the two parties, including integration issues, regulatory issues, value, additional due diligence, a \$4 million capital infusion, and other topics, including the sale of PFI's marine loan portfolio and the related Escrow Agreement.

Between September 7, 2005 and November 30, 2005, the parties and their counsel negotiated the terms of the Merger Agreement and related documents. During that time, Stark and its advisors continued their due diligence investigation of PFI.

On November 4, 2005, PFI announced that it had reached an agreement in principle to merge with Stark.

On November 30, 2005, PFI's Board of Directors held a special meeting at which representatives of Hovde were present. Hovde briefed PFI's Board of Directors on final negotiations concerning the Merger Agreement and related matters. PFI's Board of Directors discussed, among other matters, the proposed terms of the merger, including financial terms. Specifically, PFI's Board of Directors discussed the structure of the transaction, merger consideration terms, the representations, warranties and covenants of the parties and certain non-financial issues. PFI's Board of Directors reviewed the most recent drafts of the Merger Agreement and ancillary documents. During this meeting, Hovde delivered its written opinion to PFI's Board of Directors that the merger consideration was fair to PFI's stockholders, from a financial point of view. See Opinion of Hovde Financial, LLC. Following these discussions, PFI's Board of Directors unanimously approved the Merger Agreement and the transactions contemplated by the Merger Agreement. PFI's Board of Directors authorized PFI's officers to execute the Merger Agreement upon receiving confirmation that Stark's Board of Directors had approved the Merger Agreement and the transactions contemplated by the Merger Agreement.

On December 6, 2005, PFI and Stark signed the Merger Agreement and one day later issued a joint press release publicly announcing the merger.

On January 27, 2006, PFI and Stark entered into an amendment to the Merger Agreement. The purpose of the amendment was to increase the dollar thresholds on certain restrictions placed on PFI's business activities prior to the merger; above those thresholds, PFI is required to obtain Stark's consent prior to engaging in the action. A copy of the amendment follows the Merger Agreement contained in Annex A.

Stark completed its due diligence and issued an acceptance letter on December 15, 2005.

PFI has agreed to pay Hovde an aggregate transaction fee of \$404,000, plus expenses, for Hovde's services in connection with the transaction, including Hovde's preparation of its opinion. A significant portion of the transaction fee (\$384,000) is payable to Hovde only upon the consummation of the merger.

Recommendation of PFI's Board of Directors and Reasons for the Merger

The PFI Board of Directors has unanimously approved the merger and the Merger Agreement and recommends that PFI stockholders vote **FOR** approval and adoption of the merger and the Merger Agreement.

The PFI Board of Directors has determined that the merger is fair to, and in the best interests of, PFI and its stockholders. In approving the Merger Agreement, the PFI Board of Directors consulted with Hovde, with respect to the financial aspects and fairness of the merger consideration to be received by PFI stockholders from a financial point of view, and with its legal counsel, as to its legal duties and the terms of the Merger Agreement. In arriving at its determination, the PFI Board of Directors also considered the following material factors:

The Board of Directors familiarity with and review of information concerning the business, results of operations, financial condition, competitive position and future prospects of PFI.

The current and prospective environment in which PFI operates, including national, regional and local economic conditions, the competitive environment for banks and other financial institutions generally, the increased regulatory burdens on financial institutions and public companies generally, and the trend toward consolidation in the banking and financial services industries.

The financial presentation of Hovde and the opinion of Hovde that, as of the date of the opinion, the merger consideration was fair from a financial point of view to the holders of PFI common stock.

The historical market prices of PFI common stock and the fact that the merger consideration represented a 21.1% premium over the per share closing price of PFI common stock on November 3, 2005, the date prior to the announcement that the parties had reached an agreement in principle with respect to the merger.

The PFI Board of Directors considered the financial terms of the proposed merger. PFI stockholders would receive \$6.00 for each share of PFI common stock held, subject to adjustment pursuant to of the Merger Agreement and an escrow of at least \$0.20 per share. The PFI Board of Directors found the proposed consideration attractive because it was favorable relative to the multiples in other recent transactions on a nationwide, regional and statewide basis. Also, the PFI Board of Directors found the premium offered by Stark to be substantial, given PFI's future financial prospects and the other indications of interest it received.

The PFI Board of Directors considered the presentation of Hovde at the November 30, 2005, special meeting concerning the financial terms of the proposed merger. Among other comparisons and financial reports, Hovde presented its comparison of the proposed merger with the pricing terms of select acquisitions of banks and thrifts (i) nationwide since January 1, 2004 having total assets between \$75 million and \$300 million, (ii) in the Southeast region of the United States since January 1, 2003 having total assets less than \$350 million, and (iii) in Florida since January 1, 2001 having total assets less than \$350 million. In addition, Hovde compared the premiums offered by the proposed transaction to publicly traded bank acquisitions having assets under \$3 billion and return on assets under 1% since January 1, 2003. The PFI Board of Directors considered these comparisons favorable because they indicated that the premium to be received by the PFI stockholders was substantial and supported its decision to approve the merger.

The PFI Board of Directors was uncertain, if PFI remained independent, that the anticipated value of PFI common stock in the future, discounted to present value, would equal or exceed the Per Share Merger Consideration that PFI stockholders will receive upon completion of the merger.

The agreement of Stark to purchase \$4.0 million of Series A Convertible Preferred Stock to assist the Bank in complying with the terms of an agreement

with the Office of the Comptroller of the Currency requiring an improvement in the Bank's capital ratios.

The discussion of factors considered by PFI's Board of Directors is not exhaustive, but includes all material factors considered by its members. In approving the Merger Agreement, PFI's Board of Directors did not quantify or assign any specific or relative weights to the various factors considered. Rather, the PFI Board of Directors based its recommendation on the totality of information presented to it. Individual directors may have weighted factors differently. All of the material factors concerning the proposed merger considered by the PFI Board of Directors supported the Board's decision to recommend the transaction to its stockholders. The PFI Board of Directors is not aware of any factor that failed to support its determination.

Opinion of Hovde Financial, LLC

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

PFI engaged Hovde to render financial advisory and investment banking services to and at the request of PFI. Hovde agreed to assist PFI in analyzing, structuring, negotiating and effecting a transaction. PFI selected Hovde because Hovde is a nationally recognized investment-banking firm with substantial experience in transactions similar to the merger and is familiar with PFI and its business. As part of its investment banking business, Hovde is continually engaged in the valuation of financial businesses and their securities in connection with mergers and acquisitions.

As part of its engagement, representatives of Hovde participated in the meeting of PFI's Board of Directors held on November 30 2005, at which PFI's Board of Directors evaluated the proposed merger. At this meeting, Hovde reviewed the financial aspects of the proposed merger and rendered a verbal opinion, subsequently confirmed in writing that, as of such date, the consideration to be received by PFI stockholders in the merger was fair to those stockholders from a financial point of view. PFI's Board of Directors approved the Merger Agreement at this meeting.

The full text of Hovde's written opinion, which sets forth the assumptions made, matters considered and limitations on the review undertaken, is attached as Annex B and is incorporated by reference in this proxy statement. The summary of the Hovde opinion set forth herein is qualified in its entirety by reference to the full text of such opinion. PFI stockholders are urged to read the opinion carefully in its entirety.

Hovde's opinion speaks only as of the date of the opinion. The opinion is directed to PFI's Board of Directors and addresses only the fairness, from a financial point of view, of the merger consideration to the PFI stockholders. It does not address the underlying business decision to proceed with the merger and does not constitute a recommendation to any PFI stockholder as to how the stockholder should vote at the PFI special meeting on the merger or any related matter.

In rendering its opinion, among other things, Hovde:

reviewed the Merger Agreement and the Escrow Agreement;

and Stark;
reviewed certain historical publicly available business and financial information concerning PFI

PFI;
reviewed certain internal financial statements and other financial and operating data concerning

reviewed historical market prices and trading volumes of PFI common stock;

reviewed the terms of recent merger and acquisition transactions, to the extent publicly available, involving banks, thrifts and bank and thrift holding companies that it considered relevant;

reviewed recent transactions in Florida and the range of breakup fees related to those transactions;

analyzed certain financial projections prepared by the management of PFI;

held discussions with members of the senior management of PFI for the purpose of reviewing the future prospects of PFI, including financial forecasts;

analyzed the recent trading price of PFI common stock and compared those prices to the conversion price of the proposed Series A Convertible Preferred Stock to be purchased by Stark; and

performed such other analyses and considered such other factors as we have deemed appropriate.

Hovde also took into account its assessment of general economic, market and financial conditions, its experience in other transactions as well as its knowledge of the banking industry and general experience in securities valuations.

In rendering its opinion, Hovde assumed, without independent verification, the accuracy and completeness of the financial and other information and representations contained in the materials PFI and Stark provided to it and in the discussions with the managements of PFI and Stark. In that regard, Hovde assumed that the financial forecasts, including, without limitation, the projections regarding under-performing and nonperforming assets and net charge-offs were reasonably prepared on a basis reflecting the best currently available information and judgments and estimates of PFI and Stark and that such forecasts will be realized in the amounts and at the times contemplated thereby. Hovde does not have expertise in the

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

evaluation of loan and lease portfolios for purposes of assessing the adequacy of the allowances for losses with respect thereto and assumed that such allowances for PFI and Stark are in the aggregate adequate to cover such losses. Hovde was not retained to, and did not conduct, a physical inspection of any of the properties or facilities of PFI, Stark or their respective subsidiaries. In addition, Hovde did not review individual credit files nor did it make an independent evaluation or appraisal of the assets and liabilities of PFI, Stark or any of their respective subsidiaries and was not furnished with any such evaluations or appraisals.

Hovde further assumed that:

the merger will be consummated substantially in accordance with the terms set forth in the Merger Agreement;

the merger will be accounted for as a purchase under generally accepted accounting principles;

the merger is, and will be, in compliance with all laws and regulations that are applicable to PFI, Stark and their respective subsidiaries;

in the course of obtaining the necessary regulatory and governmental approvals, no restriction will be imposed on Stark or the surviving corporation that would have a material adverse effect on the surviving corporation or the contemplated benefits of the merger;

no change in applicable law or regulation would occur that would cause a material adverse change in the prospects or operations of Stark or the surviving corporation after the merger; and

no factors exist that would impede any necessary regulatory or governmental approval of the merger.

Hovde's opinion was based solely upon the information available to it and the economic, market and other circumstances, as they existed on the date of its opinion. Events occurring and information that becomes available after the date of Hovde's opinion could materially affect the assumptions and analyses used in preparing its opinion. Hovde did not undertake to reaffirm or revise its opinion or otherwise comment upon any events occurring or information that becomes available after the date of its opinion.

The following is a summary of the material financial and comparative analyses presented by Hovde in connection with its opinion to PFI's Board of Directors. The summary includes information presented in a tabular format. In order to understand fully the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.

Aggregate Consideration

The consideration upon which Hovde based its opinion consists of the following:

Based on the 4,494,365 shares of PFI common stock outstanding as of November 30, 2005, the PFI stockholders will receive \$6.00 in cash for each share of common stock held by them on such date, or \$26,966,190 in the aggregate.

Holders of options to purchase shares of PFI common stock having an exercise price less than the Per Share Merger Consideration at the effective time will receive cash in an amount equal to the difference between the Per Share Merger Consideration and the per share option exercise price, or \$743,428 in the aggregate, less an escrow of at least \$0.20 per share.

The aggregate cash consideration to be received for purposes of the Hovde opinion was assumed to be \$27,709,618, based on the total amounts to be paid to stockholders and optionholders as discussed above.

Analysis of Select Merger and Acquisition Transactions

Hovde reviewed and analyzed the financial terms, to the extent publicly available and deemed relevant by it, for select mergers and acquisitions involving the sale of banks and thrifts (i) nationwide since January 1, 2004 having total assets between \$75 million and \$300 million and a return on average assets under 0.00%, (ii) in the Southeast region of the United States (Florida, Georgia, Mississippi, Alabama, Missouri, Tennessee, South Carolina, North Carolina and Virginia) since January 1, 2003 having total assets less than \$350 million and a return on average assets under 0.00%, and (iii) in Florida since July 1, 2001 (the date on which pooling accounting was no longer permitted) having total assets less than \$350 million and a return on average assets under 0.20%. Hovde analyzed, among other things, acquisition price as a multiple of tangible book value and total assets, and premium to core deposits. Hovde was unable to determine the acquisition price as a multiple of the last twelve months of earnings because PFI incurred net losses during that period. Hovde's analyses were based on its review of PFI's financial information and financial information for other bank and thrift transactions obtained from SNL Securities, L.C., which compiles financial information concerning U.S. bank and thrift mergers and acquisitions. Hovde believes that its fairness opinion is supported by its analysis of these transactions.

The following tables provide a comparison of the financial terms of the merger against the financial terms of the select mergers and acquisitions Hovde reviewed in the course of preparing its opinion:

Discounted Cash Flow Analysis

Hovde estimated the present value of each share of PFI common stock by estimating the value of PFI's estimated future earnings stream beginning in 2005. Reflecting PFI's internal projections and Hovde estimates, Hovde assumed net income in 2005, 2006, 2007, 2008, and 2009 of (\$1.02) million, \$0.46 million, \$0.90 million, \$1.66 million, and \$2.43 million, respectively. The present value of these earnings was calculated based on a range of discount rates of 13.0%, 14.0%, 15.0%, 16.0%, and 17.0%, respectively. In order to derive the terminal value of PFI's earnings stream beyond 2009, Hovde assumed a terminal value based on the 15 year Florida average takeout price-to-earnings multiple of 22.7x and a corresponding range of between 21.0x - 25.0x, which was then applied to free cash flows in 2009. The present value of this terminal amount was then calculated based on the range of discount rates mentioned above. These rates and values were chosen to reflect different assumptions regarding the required rates of return of holders or prospective buyers of PFI's common stock. This analysis and its underlying assumptions yielded a range of value for all the shares of PFI's stock of approximately \$4.80 per diluted share (at a 17.0% discount rate and a 21.0x terminal multiple) to \$6.70 per diluted share (at a 13.0% discount rate and a 25.0x terminal multiple) with a midpoint of \$5.61 per diluted share (using a 15.0% discount rate and a 22.7x terminal multiple), compared to the Per Share Merger Consideration of \$6.00.

Material Terms of the Merger Agreement and Related Agreements

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The following is a brief summary of the material terms of the Merger Agreement and related agreements. This summary is qualified in its entirety by reference to the Merger Agreement and the amendment attached to this proxy statement as Annex A and the form of Escrow Agreement attached to this proxy statement as Annex D. We urge you to read the Merger Agreement and amendment and the form of Escrow Agreement carefully.

Merger Consideration

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

As a result of the merger, PFI will be merged with and into SBG II. Each share of PFI common stock will then be converted into \$6.00, subject to adjustment as follows:

In the event that PFI's Final Stockholders Costs (as defined in Section 2.7(b) of the Merger Agreement) are in excess of \$3.0 million, the merger consideration of \$27,709,618 will be reduced by the amount that such costs exceed \$3.0 million. Such costs, which management currently estimates will range from approximately \$2,790,167 to \$3,012,428 in the aggregate, are as follows:

All legal accounting, consulting fees and expenses incurred by PFI or any subsidiary in connection with the negotiation, approval, execution or compliance with the Merger Agreement or the Escrow Agreement, and in the case of the Escrow Agreement, at the option of PFI, the fees of the escrow agent under the Escrow Agreement, which, when taken together, management estimates will range from \$277,000 to \$350,000;

All broker fees and expenses incurred by PFI or its subsidiaries in connection with this transaction (including but not limited to any fees payable to Hovde), which, when taken together, management estimates will total \$404,000;

Any costs or expenses incurred by the PFI or its subsidiaries as a result of the (a) change in control, (b) stay bonus, (c) bonus, (d) incentive compensation or (e) other compensation that accrues as a result of the consummation of the merger, including but not limited to any compensation due to Mr. Howard Montgomery or Mr. Howard Nathan pursuant to employment contacts dated August 1, 2004 and September 27, 2004, respectively, which, when taken together, management estimates will total \$580,000; provided, however, that any stay bonuses or similar compensation approved in writing or granted by Stark will not be included in the calculation of Final Stockholders Costs;

The difference between the Per Share Merger Consideration and the exercise price for any options exercised between January 1, 2005 and the effective time of the merger, and the costs or expenses related to the settlement of outstanding stock options to be paid by SBG II pursuant to Section 2.6 of the Merger Agreement, which, when taken together, management estimates will range between \$678,767 and \$743,428;

Any cost or expenses related to the termination of any leases listed on Schedule 2.7(b)(vi) to the Merger Agreement and agreed to by Stark prior to the expiration of the due diligence period, which, when taken together, management estimates will range between \$400,000 and \$425,000;

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

Any and all costs or expenses and anticipated costs and expenses for tail insurance related coverage required to be provided by Stark pursuant to Section 7.4 of the Merger Agreement, which, when taken together, management estimates will total \$145,000;

Any and all loss, discount or reserve incurred by PFI or any PFI subsidiary as a result of the sale of the marine loan portfolio, which, when taken together, management estimates will range between \$290,400 and \$350,000; and

The payment of any compensation to any officer or employee of the marine lending department of the Bank on or after November 28, 2005, which, when taken together, management estimates will total \$15,000.

If the Bank is required to repurchase any of the marine loans sold to Morgan Keegan and the Bank still owns such loans prior to the closing, then PFI may, in lieu of adding the aggregate amount of the repurchased loans to PFI Final Stockholders Costs, reduce the Merger Consideration by such amount and deposit such amount in escrow for distribution in accordance with the terms of the Escrow Agreement. For a period of 45 days after the closing of the merger, the stockholder representative under the Escrow Agreement may attempt to sell the loan or loans that are the subject of the claim to a third party at a price determined by the stockholder representative. If such loans are sold, the net proceeds will be distributed to the stockholders under the terms of the Escrow Agreement.

The Merger Consideration shall be reduced further by an amount equal to the following:

\$0.20 multiplied by the number of the shares of PFI common stock outstanding as of the effective time, plus

the amount of any disputed PFI Final Stockholders Cost withheld from the Merger Consideration.

Such amounts will be held, and later distributed, in accordance with the terms of the Escrow Agreement.

Dissenting shares for which a PFI stockholder has properly exercised dissenters' rights will not be converted into a right to receive the Per Share Merger Consideration, but will instead entitle their holders to receive such consideration as shall be determined pursuant to the DGCL. However, if after the effective time a holder of dissenting shares fails to perfect or withdraws or loses its right to appraisal, such shares will be treated as if they had converted as of the effective time into a right to receive the Per Share Merger Consideration, without interest, and will no longer be dissenting shares. For a more complete summary concerning dissenters' rights of appraisal under Delaware law, see The Merger Material Terms of the Merger Agreement and Related Agreements Dissenters' Rights of Appraisal, beginning on page 40.

Treatment of PFI Stock Options

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

Under the Merger Agreement, each option to purchase PFI common stock outstanding as of the effective time of the merger will cease to exist. Any options having an exercise price less than the Per Share Merger Consideration shall be converted into the right to receive an amount equal to the difference between the Per Share Merger Consideration and the per share option exercise price, minus an escrow of \$0.20 per share to cover possible liabilities from the sale of certain marine loans and any additional amounts escrowed pursuant to the Merger Agreement with respect to disputed costs. Within 10 business days after the effective time of the merger, Stark will issue checks to each optionholder for the amount owed to each of them.

Reclassifications, Recapitalizations, Etc.

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

If, between the date of the Merger Agreement and the effective time of the merger, the outstanding shares of PFI common stock shall be changed into a different number of shares by reason of any reclassification, recapitalization or combination, stock split, reverse stock split, stock dividend or rights issued in respect of such stock, or any similar event shall occur, appropriate adjustments will be made to the Per Share Merger Consideration.

Procedures for PFI Stockholders to Receive Payment

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

Promptly after the effective time of the merger, either Stark or SBG II shall arrange for the Exchange Agent to mail a letter of transmittal to each person who, as of the effective time of the merger, owned shares of PFI common stock. The letters of transmittal will contain instructions for the surrender of the PFI common stock certificates for cancellation. Each holder shall, upon surrender of the proper stock certificate, be entitled to receive payment from the Exchange Agent for the number of shares represented by the surrendered stock certificates. No interest will be paid or accrued on the consideration paid to the PFI stockholders in exchange for their surrendered certificates.

In the event any PFI common stock certificate is lost, stolen or destroyed, the Exchange Agent will pay the cash consideration to the person claiming the lost, stolen or destroyed common stock certificate only upon the (i) making of an affidavit of that fact by the person claiming such PFI common stock certificate to be lost, stolen or destroyed and (ii) the posting by such person of a bond in such amount as the exchange agent for the merger may direct as indemnity against any claim that may be made against it with respect to such stock certificate.

Representations and Warranties

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The Merger Agreement contains statements and promises made by PFI about itself called representations and warranties. In addition, the Merger Agreement contains representations and warranties made by Stark. You can review the representations and warranties contained in Articles IV and V of the Merger Agreement attached to this proxy statement as Annex A. The representations and warranties will not survive after the completion of the merger or the termination of the Merger Agreement.

Sale of Series A Convertible Preferred Stock

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

Pursuant to the Merger Agreement, on December 15, 2005, PFI issued and sold 40,000 shares of a newly-created class of Series A Preferred Convertible Stock (Series A Stock) to Stark at a purchase price of \$100 per share for a total purchase price of \$4.0 million.

The Series A Stock is convertible into approximately 761,904 shares of PFI's common stock, subject to adjustment, during certain periods described in the Certificate of Designation of the Powers, Preferences and Rights of Series A Convertible Preferred Stock pursuant to which the Series A Stock was authorized. PFI will be required to redeem the Series A Stock on the later of six months following the termination of the Merger Agreement or October 1, 2006.

In connection with the sale of the Series A Stock, PFI and Stark entered into a Registration Rights Agreement dated as of December 15, 2005 pursuant to which PFI agreed, among other things, to: (i) register the PFI common stock issuable upon conversion of the Series A Stock under the Securities Act of 1933 upon demand of the holders of the Series A Stock after October 1, 2006; and (ii) to include in any registration statement otherwise filed by PFI after October 1, 2006 any shares of PFI common stock issuable upon conversion of the Series A Stock proposed to be included by the holders.

Non-Solicitation

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

PFI agreed that neither it nor any of its directors, officers, agents, affiliates or representatives, sometimes referred to as representatives, would, directly or indirectly, initiate, solicit, encourage or knowingly facilitate (including by way of furnishing information) any inquiries with respect to or the making of any acquisition proposal for PFI. An acquisition proposal means a proposed tender offer, written agreement, understanding or other proposal of any nature pursuant to which any person or group, would directly or indirectly:

Bank; acquire or participate in a merger, share exchange, consolidation or any other business combination involving PFI or the

acquire the right to vote 20% or more of the outstanding voting securities of PFI or the Bank;

acquire 20% or more of the assets or earning power of PFI or of the Bank; or

acquire in excess of 20% of any class of capital stock of PFI or the Bank.

PFI also agreed that it would immediately discontinue any activities, discussions, or negotiations with any parties with respect to any acquisition proposal.

PFI agreed to promptly communicate to Stark any acquisition proposal it receives. PFI may, in response to an unsolicited written proposal with respect to an acquisition proposal from a third party, furnish information to, and negotiate, explore or otherwise engage in substantive discussions with such third party, and enter into any such agreement, arrangement or understandings, and recommend the approval of such acquisition proposal, in each case, only if PFI's Board of Directors determines in good faith by majority vote, after consultation with its financial advisors and outside legal counsel, that failing to take such action would be a breach of the fiduciary duties of PFI's Board of Directors to its stockholders. In the event that PFI enters into an agreement with respect to such an acquisition proposal, it may terminate the Merger Agreement.

In the event PFI's Board of Directors, after consultation with its financial advisors and outside legal counsel, determines in good faith that it would result in a violation of its fiduciary duties under applicable law to recommend the Merger Agreement and the merger to PFI's stockholders for their approval, then in submitting the Merger Agreement to the stockholders, PFI may submit the Merger Agreement without recommendation of approval, in which case the Board of Directors may communicate the basis for its lack of a recommendation of approval to the stockholders in the proxy statement or an appropriate amendment or supplement thereto to the extent required by law.

Indemnification and Insurance

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

Stark agreed that it will, for a period of six years after the effective time of the merger, indemnify all individuals who served as directors or officers of PFI on or before the date the merger was completed, to the extent such indemnification is authorized by the Certificate of Incorporation or Bylaws of PFI, or pursuant to the DGCL. In addition, Stark agreed to obtain directors' and officer's tail coverage insurance for the current and former directors and officers of PFI relating to their service prior to the effective time of the merger. This insurance is required to be substantially similar in all material respects to the insurance coverage provided to them prior to the consummation of the merger. The cost of the premium for this tail coverage insurance will be included in the calculation of Final Stockholders Costs.

To review all of the limitations related to indemnification and the provision of insurance coverage, you should read Section 7.4 of the Merger Agreement attached to this proxy statement as Annex A.

Sale of the Marine Loan Portfolio to Morgan Keegan

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

On December 7, 2005, the Bank entered into a purchase agreement with Morgan Keegan Mortgage Company, Inc., sometimes referred to as Morgan Keegan, pursuant to which Morgan Keegan purchased the boat loan portfolio held by the Bank. Under the agreement, Morgan Keegan has a period of three months after the sale to review the loan portfolio to determine

whether each loan conforms to certain required characteristics. If any loan does not meet the required characteristics, Morgan Keegan will notify the bank within 15 days after the end of the three month review period. If the Bank cannot demonstrate that such loans do meet the required characteristics within 15 days after receipt of notice from Morgan Keegan, it will be required to repurchase such loans.

In addition, the Bank and Morgan Keegan agreed to indemnify, defend and hold harmless the other party against, among other things, breaches of its representations, warranties, covenants and agreements set forth in the purchase agreement and certain liabilities of the other party. The indemnification obligation will expire five years after the date of the purchase.

Escrow Agreement

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

Upon the completion of the merger, PFI and Stark will enter into an Escrow Agreement with Northern Trust Company, as trustee. Stark will deposit into escrow an amount equal to \$.20 for each outstanding share of PFI common stock and each option which is being cashed out in the merger and any additional amounts escrowed pursuant to the Merger Agreement with respect to disputed stockholder costs and, at the option of PFI, an amount equal to the amount paid to repurchase any boat loans repurchased by the Bank from Morgan Keegan and not sold at the effective time of the merger. The escrowed amounts will be held to resolve the following:

any claims for indemnification that may arise under the Morgan Keegan purchase agreement stock, including claims by Morgan Keegan to repurchase any of the loans;

any disputed stockholder costs; and

any boat loans repurchased by the Bank from Morgan Keegan prior to the merger and not sold within 45 days after the completion of the merger.

Upon resolution of claims under the Escrow Agreement, amounts will be distributed to Stark and/or the stockholders, as applicable. Any cash held in the escrow, after settlement of any claims of Stark covered by the escrow, will be paid to stockholders following termination of the escrow in December 2010.

Charles C. Huffman, the Chairman of the Board, President and Chief Executive Officer of PFI, will be designated as the stockholder representative to act on behalf of the stockholders under the Escrow Agreement. The stockholders representative will not be liable to any stockholder for actions taken or omitted to be taken in his capacity as stockholder representative. The stockholder representative will be entitled to be indemnified for all claims and costs, including legal fees, arising out of or relating to the performance by the stockholders representative of his duties under the Escrow Agreement, which indemnification and reimbursement shall be payable from any escrow funds determined to be payable to the stockholders pursuant to this Agreement, provided however, that up to \$25,000 of such indemnification and reimbursement shall be made from the escrow fund prior to any such determination.

The foregoing does not constitute a complete summary of the terms of the Escrow Agreement and reference is made to the complete text of the agreement, a copy of which is attached hereto as Annex D.

Conditions to the Merger

The completion of the merger depends upon the satisfaction or waiver of a number of conditions, including:

the stockholders of PFI approve the Merger Agreement and the transactions contemplated therein;

no order, injunction, or decree has been issued shall be in effect that prevents the consummation of the merger;

no statute, rule, regulation, order, injunction, or decree shall have been enacted, entered, promulgated, or enforced by any governmental entity that prohibits, restricts, or makes illegal the consummation of the merger;

the parties shall have received all governmental approvals and other consents necessary for the merger;

PFI and Stark perform all material acts that are required to be performed by them under the Merger Agreement;

the representations and warranties of PFI and Stark contained in the Merger Agreement are true and correct as of the closing date; and

expiration of the look back period for the return or repurchase of any loan in the marine loan portfolio of PFI, which was sold to Morgan Keegan.

To review all of the conditions contained in the Merger Agreement, you should read Article VIII of the Merger Agreement, which is attached to this proxy statement as Annex A.

Closing Date and Effective Time

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The closing of the merger will take place in Des Moines, Iowa on the last business day of the month after the satisfaction or waiver of the conditions to closing stated in the Merger Agreement, unless Stark and PFI agree in writing to another date, time or place. Contemporaneously with the closing of the merger, the parties will file articles of merger (or their equivalent) with the States of Iowa and Delaware. The merger will take effect at the time those filings are made.

Termination of the Merger Agreement

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The Merger Agreement may be terminated if PFI and Stark mutually agree in writing to do so, as authorized by a majority vote of their respective Boards of Directors. In addition, the Merger Agreement may be terminated by either PFI or Stark:

within 30 days after the date on which any request or application for a regulatory approval was denied or withdrawn at the request or recommendation of the applicable governmental entity, unless within the 30-day period following such denial or withdrawal a petition for rehearing or an amended application has been filed, and provided that no party shall have such right of termination if such denial or withdrawal is due to the failure of the party seeking termination to perform or observe the covenants and agreements of such party set forth in the Merger Agreement;

if any governmental entity of competent jurisdiction shall have issued a final nonappealable order enjoining or otherwise prohibiting the merger;

if the merger is not consummated on or before the Termination Date, unless the failure of the closing to occur by such date shall be due to the failure of the party seeking termination to perform or observe its covenants and agreements set forth in the Merger Agreement;

if PFI has not obtained the approval of its stockholders; or

in event of a material breach of any of the representations, warranties, covenants or agreements set forth in the Merger Agreement on the part of the other party, and such breach is not cured within 30 days following the giving of such written notice, or which, by its nature, cannot be cured prior to the closing; provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained in the Merger Agreement.

In addition, the Merger Agreement can be terminated:

by PFI, if PFI enters into another agreement with respect to an acquisition proposal, as permitted by Section 7.3(c) of the Merger Agreement; or

by Stark, if PFI's Board of Directors, in accordance with Section 7.3(d) of the Merger Agreement, does not recommend the Merger Agreement and the merger to PFI stockholders for their approval.

Termination and Breakup Fees

Under certain circumstances, PFI is liable for termination and breakup fees as follows:

PFI shall pay to Stark a termination fee of \$1,000,000 if PFI terminates the Merger Agreement because it entered into another agreement with respect to an acquisition proposal.

PFI shall pay to Stark a breakup fee of \$250,000 if (i) PFI or Stark terminate the Merger Agreement for any reason or (ii) the effective time of the merger is later than the Termination Date. PFI deposited the breakup fee with Stark upon Stark's purchase of \$4,000,000 of Series A Convertible Preferred Stock of PFI on

December 15, 2005. If the transactions contemplated by the Merger Agreement close prior to the Termination Date, Stark will return the breakup fee to PFI.

Voting Agreements

PFI shall pay to Stark a breakup fee of \$250,000 if (i) PFI or Stark terminate ~~the~~ Merger

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

On November 30, 2005, Charles C. Huffman and Robert C. Huffman, Jr., each a director of PFI, James J. Crandall, Jr., a director of the Bank, and Jennifer A. Goldstein, who is the daughter of Charles C. Huffman and sister of Robert C. Huffman, Jr., entered into voting agreements with Stark under which each of them agreed, among other things, to vote all of the shares of PFI common stock beneficially owned by them (collectively 2,247,505 shares, or more than 50% of the issued and outstanding shares of PFI common stock) in favor of the Merger Agreement and the merger. Such shares are sufficient to approve the Merger Agreement and the merger even if all other PFI stockholders vote against the proposal.

Each of the above named individuals agreed that he or she would vote for the approval of the Merger Agreement and the merger at any meeting of the PFI stockholders held for that purpose. In addition, each of them agreed that, except as provided in Section 7.3 of the Merger Agreement, (i) he or she would not solicit any inquiries or proposals from, or enter into or continue any discussions, negotiations or agreements with, any party other than Stark for the sale of PFI's stock or a significant amount of PFI's assets other than in the ordinary course of business, (ii) he or she would vote against any such proposal or transaction, and (iii) he or she would not contract to sell or otherwise transfer or dispose of his or her PFI common stock or voting rights with respect thereto, except in connection with the merger, with SBG II's consent, or by operation of law.

Stark is required to indemnify each of the individuals signing the voting agreements from any claims arising in connection with the execution, delivery and performance of the voting agreements, provide that the individual is not in breach of certain representations made in the voting agreement.

Charles C. Huffman's voting agreement contains provisions in addition to those described above. His voting agreement includes a representation and warranty that he has no knowledge of any claim which he may have against or concerning PFI, Stark, SBG II, or any of their subsidiaries, affiliates, partners, directors, officers, employees, successors and assigns (the Surviving Group), arising from (i) his rights as a PFI stockholder, (ii) his rights as a director or officer of PFI or the Bank (except for his rights to compensation and indemnification under the Merger Agreement), (iii) PFI's obligations with respect to stock options issued to him, and (iv) the merger itself (except for payment of the Per Share Merger Consideration and indemnification). Charles C. Huffman's voting agreement also includes a provision that requires him to not join in and, if applicable, to opt out of any shareholder derivative action or class action brought against the Surviving Group after the completion of the merger. Stark will indemnify him if he is named as a defendant in such an action.

Consulting Agreement

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

On January 30, 2006, the Bank entered in to a consulting agreement with Stark Consulting Group, Ltd. (the Consultant), a wholly-owned subsidiary of Stark, pursuant to

which the Consultant will identify best practices / profit improvement opportunities and operating efficiencies for the Bank. Based on the work outlined, the Consultant estimates that the project will take approximately four months to complete. At the conclusion of the review, the Consultant will document its findings, recommendations, and benefits for each of the quantified improvement opportunities. All decisions regarding accepting or rejecting the recommendations will be made solely by the management and/or the board of directors of Bank.

The Bank will pay the Consultant fees as follows: 25% of the first year's savings achieved as the result of an action plan agreed to by the Bank based on recommendations made by the Consultant, payable within five months after the end of such first year, 20% of the first years savings, payable one year thereafter and 10% of the first years savings, payable two years thereafter. Expenses for project related travel, report production, etc., are included in the professional fees.

Dissenters Rights of Appraisal

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

If the merger is consummated, dissenting holders of PFI common stock who strictly comply with the procedures specified in Section 262 of the DGCL within the appropriate time periods will be entitled to have their shares of stock appraised by the Delaware Court of Chancery and to receive the fair value of such shares in cash as determined by the court, together with a fair rate of interest, if any, as determined by the court, in lieu of receiving the Per Share Merger Consideration. Dissenting shares for which a PFI stockholder has properly exercised dissenters' rights will not be converted into a right to receive the Per Share Merger Consideration, but will instead entitle their holders to receive such consideration as shall be determined pursuant to the DGCL. However, if after the effective time a holder of dissenting shares fails to perfect or withdraws or loses its right to appraisal, such shares will be treated as if they had converted as of the effective time into a right to receive the Per Share Merger Consideration, without interest, and will no longer be dissenting shares.

The following discussion is not a complete summary of the law relating to appraisal rights under Delaware law and is qualified in its entirety by reference to the text of Section 262 of the DGCL, a copy of which is attached to this proxy statement as Annex C.

Under Section 262 of the DGCL, where a proposed merger is to be submitted for approval at a meeting of stockholders, as is the case of the special meeting, the corporation, not less than 20 days prior to the meeting, must notify each of its stockholders entitled to appraisal rights that such appraisal rights are available and include in such notice a copy of Section 262 of the DGCL. This proxy statement shall constitute such notice to PFI stockholders. PFI stockholders intending to exercise appraisal rights should carefully review Annex C. Failure to follow precisely any of the statutory procedures set forth in Annex C may result in a termination or waiver of these rights.

All references to a stockholder are to the record holder of the shares of PFI common stock as to which appraisal rights are asserted. A person having a beneficial interest in shares of PFI common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow properly the steps summarized below and to perfect in a timely manner appraisal rights.

The following is a summary of the steps you must take if you are a PFI stockholder and you wish to exercise your appraisal rights. This summary may not be complete and is qualified in its entirety by reference to the full text of Section 262 of the DGCL, which is attached to this proxy statement as Annex C. Because of the complexity of the procedures for exercising appraisal rights, if you are considering exercising such rights, we urge you to seek the advice of legal counsel.

1. You must make a written demand for appraisal.

You must deliver a written demand for appraisal of shares to PFI at 3767 Ranchero Drive, Ann Arbor, Michigan 48108, (800) 242-6698, Attention: Secretary, before the vote on the merger and the Merger Agreement is taken at the special meeting. **This written demand must be in addition to and separate from a vote against the merger and the Merger Agreement. A vote against the merger and the Merger Agreement alone will not constitute a valid demand for appraisal, and you therefore must provide a written demand separate from your proxy.** A demand for appraisal must be signed, fully and correctly, by or for the stockholder exactly as the stockholder's name appears on the stockholder's stock certificates.

If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, the demand must be executed by or for the fiduciary, and if the shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand must be executed by or for all joint owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a stockholder of record; however, in the demand, the agent must identify the record owner or owners and expressly disclose that the agent is executing the demand as an agent for the record owner or owners.

A record holder, such as a broker, who holds shares as nominee for several beneficial owners may exercise appraisal rights for the shares held for one or more beneficial owners while not exercising rights for the shares held for other beneficial owners. In this case, the written demand should state the number of shares for which appraisal rights are being demanded. When no number of shares is stated, the demand will be presumed to cover all shares held in the name of the record owner. **If you hold your shares in a brokerage account or other nominee form and wish to exercise your appraisal rights, we urge you to consult with your broker to determine the appropriate procedures for your broker or other nominee to make a demand for appraisal on your behalf.**

Within 10 days after the effective date of the merger, SBG II, as the surviving corporation, must send a notice as to the effectiveness of the merger to each PFI stockholder who has made a written demand for appraisal in accordance with Section 262 of the DGCL and who has not voted in favor of the merger and the Merger Agreement. Within 120 days after the effective date of the merger, but not after, any stockholder who has satisfied the requirements of Section 262 of the DGCL may deliver to SBG II a written demand for a statement listing the aggregate number of shares not voted in favor of the merger and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. SBG II, as the surviving corporation in the merger, must mail such written statement to the dissenting stockholder no later than the later often days after such stockholder's request is received by PFI

or ten days after expiration of the period for delivery of a demand for appraisal under Section 262(d) of the DGCL.

2. *You must refrain from voting for approval of the merger.*

You must not vote your shares of PFI common stock for approval of the Merger Agreement proposal. Because a signed proxy which does not contain voting instructions will, unless revoked, be voted in favor of approval of the merger and the Merger Agreement, if you wish to exercise the right to dissent from the merger and demand appraisal rights under Section 262 of the DGCL, you must either vote against the approval of the merger and Merger Agreement or abstain from voting on the merger and Merger Agreement proposal. If you do not return a signed proxy card, you will be deemed to have abstained from voting.

3. *You must continuously hold your shares of PFI common stock.*

You must continuously hold your shares of PFI common stock from the date you make the demand for appraisal through the effective time of the merger. You will lose any right to appraisal for your shares if you sell or transfer your shares prior to the effective time of the merger.

4. *You must petition the Delaware Court of Chancery.*

If you and PFI cannot agree on the fair cash value of your dissenting shares, then within 120 days after the effective time of the merger, but not after, either SBG II, as the surviving corporation in the merger, or any stockholder who has complied with the required conditions of Section 262 of the DGCL and who is otherwise entitled to appraisal rights, may file a petition in the Delaware Court of Chancery demanding that the court determine the value of the shares of PFI common stock held by all of the stockholders who are entitled to appraisal rights. SBG II has no intention at this time, nor any obligation, to file such a petition. Upon the filing of any petition by a stockholder in accordance with Section 262 of the DGCL, service of a copy must be made upon SBG II, which must, within 20 days after service, file in the office of the Register in Chancery in which the petition was filed, a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the fair value of their shares have not been reached by SBG II. If a petition is filed by SBG II, the petition must be accompanied by the verified list. The Register in Chancery, if so ordered by the court, will give notice of the time and place fixed for the hearing of such petition by registered or certified mail to SBG II and to the stockholders shown on the list at the addresses therein stated, and notice will also be given by publishing a notice at least one week before the day of the hearing in a newspaper of general circulation published in the City of Wilmington, Delaware, or such publication as the court deems advisable. The forms of the notices by mail and by publication must be approved by the court, and the costs thereof will be borne by SBG II.

PFI stockholders seeking to exercise appraisal rights should not assume that the surviving corporation will file such a petition or that the surviving corporation will initiate any negotiations with respect to the fair value of dissenting shares. Accordingly, stockholders who desire to have their shares appraised should initiate any petitions necessary for the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262 of the DGCL. The

failure of a stockholder to do so within the period specified could nullify such stockholder's previous written demand for appraisal. If no petition for appraisal is filed with the court within 120 days after the effective time of the merger, any stockholders' rights of appraisal will cease.

5. Appraisal of shares.

If a petition for appraisal is timely filed, the Delaware Court of Chancery, after a hearing on the petition, will determine which stockholders are entitled to appraisal rights and will determine the fair value of the shares owned by these stockholders, exclusive of any value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining fair value and, if applicable, a fair rate of interest, the Delaware Court of Chancery is to take into account all relevant factors. The costs of the appraisal proceeding may be determined by the court and taxed against the parties, as the court deems equitable under the circumstances. Upon application of a dissenting stockholder, the court may order that all or a portion of the expenses incurred by any dissenting stockholder in connection with the appraisal proceeding, including reasonable attorneys' fees and expenses of experts, be charged *pro rata* against the value of all shares entitled to appraisal. In the absence of a determination or assessment, each party bears his, her or its own expenses. **If you are considering seeking appraisal you should be aware that the fair value of your shares as determined under Section 262 of the DGCL could be more than, the same as, or less than the Per Share Merger Consideration you would receive pursuant to the Merger Agreement if you did not seek appraisal of your shares. You should also be aware that financial advisor opinions are not opinions as to fair value under Section 262 of the DGCL.**

6. Withdrawal of demand.

You may withdraw your demand for appraisal and accept the Merger Consideration by delivering to PFI a written withdrawal of your demand, except that (i) any attempt to withdraw your demand for appraisal made more than 60 days after the effective time of the merger will require the written approval of SBG II, as the surviving corporation and (ii) no appraisal proceeding in the Delaware Court of Chancery shall be dismissed as to any stockholder without the approval of the court, and such approval may be conditioned upon such terms as the court deems just. If SBG II does not approve your request to withdraw a demand for appraisal when such approval is required or if the Delaware Court of Chancery does not approve the dismissal of your appraisal proceeding, you would be entitled to receive only the appraised value determined in any such appraisal proceeding, which value could be lower than the value of the Per Share Merger Consideration. Failure to strictly comply with the procedures required by Section 262 of the DGCL for exercising appraisal rights will result in the loss of your statutory appraisal rights (in which event a PFI stockholder will be entitled to receive the applicable Per Share Merger Consideration with respect to such dissenting shares in accordance with the Merger Agreement). **In view of the complexity of the provisions of Section 262 of the DGCL, PFI stockholders who are considering objecting to the merger are urged to consult their own legal advisors.**

Material United States Federal Income Tax Consequences

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The following discussion summarizes the material federal income tax consequences of the merger of PFI with and into SBG II, assuming that the merger is effected as described in the Merger Agreement and this proxy statement. This discussion is based on currently existing provisions of the Code, existing Treasury Regulations promulgated under the Code and current administrative rulings and court decisions, all of which are subject to change. Any such change, which may or may not be retroactive, could alter the tax consequences of the merger to the stockholders of PFI.

This discussion does not address all U.S. federal income tax considerations that may be relevant to particular PFI stockholders in light of their individual circumstances or to PFI stockholders who are subject to special rules, such as:

financial institutions and mutual funds;

banks;

insurance companies;

investment companies;

retirement plans;

tax-exempt organizations;

dealers in securities;

traders in securities that elect to use a mark-to-market method;

persons that hold their PFI common stock as part of a straddle, a hedge against a currency risk or a constructive sale or conversion transaction;

persons that are or who hold their PFI common stock through partnerships or pass-through entities;

persons who are not citizens or residents of the United States or who are foreign corporations, foreign partnerships or foreign estates or trusts;

persons whose functional currency is not the U.S. dollar;

persons who hold PFI stock as qualified small business stock within the meaning of section 1202 of the Code;

persons who are subject to the alternative minimum tax provisions of the Code; or

persons who acquired their PFI common stock in connection with a stock option or stock purchase plan or in some other compensatory transaction.

This discussion assumes that PFI's stockholders hold their shares of PFI common stock as capital assets. In addition, the following discussion does not address the tax consequences of the merger under foreign, state or local tax laws. Furthermore, the discussion does not address the tax consequences of transactions effected before, after or at the same time as the merger, whether or not they are in connection with the merger, including, without limitation, transactions in which persons acquire PFI common stock. PFI stockholders are urged to consult their tax advisors as to the U.S. federal income tax consequences of the merger, as well as the effects of state, local and non-U.S. tax laws and U.S. tax laws other than income tax laws.

The following U.S. federal income tax consequence will result to PFI stockholders:

A PFI stockholder who does not actually or constructively own any PFI common stock after the exchange of stock for cash will recognize capital gain or loss as a result of the merger in an amount equal to the difference, if any, between the amount of cash received and the PFI stockholder's aggregate tax basis in the shares surrendered in exchange therefor. The gain or loss will be long-term capital gain or loss if the stockholder's holding period is more than one year as of the date of the exchange.

Other relevant tax considerations in connection with the merger include the following:

In general, PFI stockholders receiving cash in the merger will be subject to information reporting to the Internal Revenue Service. In addition, backup withholding at the applicable rate (currently 28%) will generally apply if the exchanging PFI stockholder fails to provide an accurate taxpayer identification number or fails to properly certify that it is not subject to backup withholding (generally on a substitute IRS Form W-9). Certain holders (including, among others, non-U.S. holders and U.S. corporations) are not subject to information reporting or backup withholding, but they may still need to furnish a substitute IRS Form W-9 or W-8 or otherwise establish an exemption. Any amount withheld as backup withholding from payments to an exchanging PFI stockholder will be creditable against the PFI stockholder's federal income tax liability, provided that it timely furnishes the required information to the Internal Revenue Service. PFI stockholders should consult their tax advisors as to their qualifications for exemption from backup withholding and the procedure for obtaining an exemption.

No ruling from the Internal Revenue Service has been or will be requested in connection with the merger.

The preceding discussion is intended only as a summary of the material United States federal income tax consequences of the merger and does not purport to be a complete analysis or discussion of all potential tax effects relevant thereto. Thus, PFI stockholders are urged to consult their own tax advisors as to the specific tax consequences to them of the merger, including tax return reporting requirements, the applicability and effect of foreign, federal, state, local and other applicable tax laws and the effect of any proposed changes in the tax laws.

Accounting Treatment

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

The merger will be accounted for under the purchase method of accounting. Accordingly, under generally accepted accounting principles, the acquired assets and assumed liabilities of PFI will be recorded on the books of the consolidated Stark entities at their fair values at the date the merger is completed. Any excess of the value of the consideration paid by Stark at the date the merger is completed over the fair value of the identifiable assets of PFI will be treated as goodwill and will be tested for impairment at least annually.

FINANCIAL INTERESTS OF CERTAIN DIRECTORS, OFFICERS AND EMPLOYEES OF PFI AND THE BANK IN MATTERS TO BE ACTED UPON

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

When you consider the recommendation of PFI's Board of Directors, you should be aware that certain PFI and Bank directors, officers and employees, and certain of their family members, may have financial interests in the merger that are far different from your interests as a stockholder generally. The PFI Board of Directors was aware of these interests and considered them when it approved the Merger Agreement. These interests are summarized below.

Certain directors, officers and employees of PFI and the Bank, and certain of their family members, beneficially own 2,247,505 shares of PFI common stock, which represents more than 50% of the outstanding PFI common stock. These holders consist of Charles C. Huffman, the Chairman of the Board, President and Chief Executive Officer of PFI, his son, Robert C. Huffman, Jr., also a director of PFI, his daughter, Jennifer A. Goldstein and James J. Crandall, Jr., a director of the Bank. Each of these holders has agreed in writing to vote in favor of the Merger Agreement, thus assuring its approval.

PFI and Bank directors, officers and employees hold in the money options to purchase 323,705 shares of PFI common stock at exercise prices ranging from \$3.45 per share to \$5.07 per share, which will be converted into the right to receive an amount equal to the difference between the Per Share Merger Consideration and the exercise price, less escrowed amounts. Assuming no adjustment to the Per Share Merger Consideration, these persons will receive \$743,428 for their in the money options, less escrowed amounts. Of this amount, approximately \$54,025 will be paid for options that will vest by virtue of the merger. .

Assuming no adjustment to the Per Share Merger Consideration, directors and officers of PFI will in the aggregate receive \$12,168,654 for their shares of PFI common stock and \$637,539 for their in the money options, for a total of \$13,356,193, less escrowed amounts.

Certain PFI executives have rights under employment, change in control and similar agreements between these executives and PFI. These agreements provide certain executives with severance benefits if their employment is terminated at or after the completion of the merger. The aggregate value of the severance,

employment and change in control agreements is \$580,000 and consist of the following:

PFI was party to an employment agreement, dated August 1, 2004, with Mr. Howard B. Montgomery, the President of the Bank, that provided, among other things for a bonus of \$400,000 if the Bank was sold for a multiple greater than 1.75 times its book value. On February 10, 2006, PFI entered into a severance agreement with Mr. Montgomery, Jr., who resigned as president of the Bank effective as of the close of business on February 10, 2006. Under the severance agreement, the Bank paid Mr. Montgomery a severance of \$482,500 in satisfaction of amounts due or to become due to him under his employment agreement, including the bonus of \$400,000 payable as a result of the merger. In addition, all of the 50,000 options to purchase PFI's stock previously awarded to Mr. Montgomery became immediately exercisable and will not expire prior to the close of business on August 2, 2015, the original expiration date of the options. The severance agreement also contains a mutual release of claims.

PFI has also entered into an agreement, dated September 27, 2004, with Mr. Howard N. Nathan, the Chief Financial Officer of PFI. Under that agreement, Mr. Nathan is entitled to receive a cash bonus in a lump sum amount of \$150,000 bonus payment if during his tenure as Chief Financial Officer PFI and/or the Bank is sold to a third party.

In addition to the agreements with Messrs. Montgomery and Nathan, PFI's Board of Directors has authorized the payment of a stay bonus in the amount of \$30,000 to Mr. Kenneth P. Werner, the Cashier and Senior Vice President of the Bank.

PFI directors and executive officers will be entitled to be indemnified by Stark under the Merger Agreement and also will be covered under a directors' and officers' liability insurance policy.

The Board of Directors of PFI was aware of these interests at the time the Merger was approved.

Within ten (10) business days after the Effective Time, Buyer and Newco shall issue a check to each holder of such options representing the amount payable thereunder pursuant to this Section.

2.7. Computation of Merger Consideration. The Merger Consideration shall be equal to \$6.00 per share multiplied by the number of outstanding shares of the PFI Common Stock at the Effective Time subject to adjustment as provided below:

(a) (i) In the event that the PFI Final Stockholders Costs are in excess of \$3,000,000.00, the Merger Consideration shall be reduced by the amount that the PFI Final Stockholders Costs are in excess of \$3,000,000; and (ii) if any loans have been repurchased by Pelican pursuant to the MK Contract prior to the Closing Date and are still owned by Pelican at the Closing Date, at the option of PFI, in lieu of including such loan in the computation of PFI Final Shareholder Costs, the Merger Consideration shall be reduced by the amount paid by Pelican for the repurchase of said loans and the amount paid by Pelican to repurchase said loans shall be deposited in the Escrow Agreement and distributed in accordance with the terms thereof.

(b) PFI's Final Stockholders Costs shall mean the all of the following out of pocket costs incurred by PFI or its Subsidiaries since June 30, 2005 and costs reasonable anticipated to occur, arising out of or in connection with any of the following:

(vii) Any and all costs or expenses and anticipated costs and expenses for insurance related to coverage required to be provided by Buyer pursuant to Section 7.4 hereof.

(viii) Any and all loss, discount or reserve incurred by PFI or any PFI Subsidiary as a result of: (a) the sale of the Marine Loan Portfolio, or (b) pursuant to Section 4.46 hereof.

(ix) The payment of any compensation to any officer or employee of the marine lending department of Pelican on or after November 28, 2005.

(c) The Merger Consideration shall be reduced by an amount equal to \$.20 multiplied by the number of outstanding shares of the PFI Common Stock at the Effective Time plus an amount pursuant to Section 2.8(d) if applicable. The amount of the reduction provided for in the preceding sentence, together with the amount withheld from persons holding unexercised options pursuant to Section 2.6, shall be deposited with a third party escrow agent at the Effective Time, to hold and distribute in accordance with the Escrow Agreement attached hereto as Exhibit B.

2.8. Determination of Final Stockholders' Costs.

(a) PFI Calculation. As soon as practicable, but in no event later than 15 days prior to closing, PFI shall prepare and deliver to Buyer a calculation of the Final Stockholders' Costs.

(b) Disputes. After receipt of the calculation of the Final Stockholders' Costs, Buyer shall have 7 days (the Review Period) to review the calculation of the Final Stockholders' Costs, together with the work papers used in the preparation thereof. Buyer may dispute items reflected in the calculation of the Final Stockholders' Costs. Unless Buyer delivers written notice to PFI on or prior to the end of the Review Period specifying in reasonable detail the amount, nature and basis of each disputed item, Buyer shall be deemed to have accepted and agreed to the calculation of the Final Stockholders' Costs. If Buyer so notifies PFI of its objection to the calculation of the Final Stockholders' Costs, Buyer and PFI must, within 5 days (or such longer period as the Parties may agree) following such notice (the Resolution Period), attempt to resolve their differences and any resolution by them as to any disputed amounts is final, binding and conclusive on the Parties.

(c) Arbitrators. If, at the conclusion of the Resolution Period, there are any amounts remaining in dispute as to the Final Stockholders' Costs, then all amounts remaining in dispute shall be submitted to McGladrey and Pullen or such other accounting firm mutually selected by the Parties (the Arbitrators) within ten days after the expiration of the Resolution Period. Each Party shall execute, if requested by the Arbitrators, a reasonable engagement letter. All fees and expenses relating to the work, if any, to be performed by the Arbitrators shall be pro

rata as between PFI (via purchase price adjustment) on the one hand and Buyer on the other in proportion to the allocation of the dollar amount of the amounts remaining in dispute between PFI and Buyer made by the Arbitrators such that the prevailing Party shall pay the lesser proportion of such fees and expenses. The Arbitrators shall act as an arbitrator to determine, based solely on the provisions of this Agreement and the presentations by PFI and Buyer, and not by independent review, only those issues still in dispute and only as to whether such amounts were arrived at in accordance with this Agreement. (b) PFI has previously made available to Buyer copies of each employee benefit plan, as defined in Section 3(3) of ERISA, of which PFI or any of the PFI Subsidiaries is a sponsor or participating employer or as to which PFI or any of the PFI Subsidiaries makes contributions or is required to make contributions and which is subject to any provision of ERISA and covers any employee, whether active or retired, of PFI or any of the PFI Subsidiaries, together with all amendments thereto, all currently effective and related summary plan descriptions, the determination letter from the IRS, the annual reports for the most recent three years (Form 5500 including, if applicable, Schedule B thereto, and Form 11-K, if applicable) and a summary of material modifications prepared in connection with any such plan. Such plans are hereinafter referred to collectively as the Employee Plans, and are listed in Section 4.18 of the PFI Disclosure Schedule. No Employee Plan is a multiemployer plan within the meaning of Section 3(37) of ERISA. To the Knowledge of PFI, each Employee Plan that is intended to be qualified in form and operation under Section 401(a) of the Code has received a favorable determination letter from the IRS and the associated trust for each such Employee Plan is exempt from tax under Section 501(a) of the Code. To the Knowledge of PFI, no event has occurred that will subject such Employee Plans to a material amount of tax under Section 511 of the Code. To the Knowledge of PFI, all amendments required to bring each Employee Plan into conformity with all of the applicable provisions of ERISA, the Code and all other applicable Laws have been made, except to the extent that such amendments may be retroactively adopted under Section 401(b) of the Code and the regulations issued thereunder. Except as disclosed in the PFI Disclosure Schedule, all Employee Plans were in effect prior to January 1, 2005, and there has been no material amendment thereof (other than amendments required to comply with applicable Law).

(c) PFI has previously made available to Buyer copies or descriptions of each employment agreement, plan or arrangement maintained or otherwise contributed to by PFI or any PFI Subsidiaries which is not an Employee Plan and which (exclusive of base salary and base wages and any benefit required solely under the Law of any state) provides for any form of current or deferred compensation, bonus, stock option, stock awards, stock-based compensation or other forms of incentive compensation or post-termination benefits or insurance, profit sharing, benefit, retirement, severance, change-in-control, group health or insurance, disability, workers' compensation, vacation benefits, welfare or similar benefits to or for the benefit of any employee or class of employees, or former employees or class of former employees, or directors or former directors, whether active or retired, of PFI or any of the PFI Subsidiaries. Such plans

and arrangements are hereinafter collectively referred to as Benefit Arrangements and are listed in Section 4.18 of the PFI Disclosure Schedule. Except as disclosed in the PFI Disclosure Schedule, all Benefit Arrangements which are in effect were commenced or in effect prior to January 1, 2003. Except as disclosed in the PFI Disclosure Schedule, there has been no amendment thereof since January 1, 2005.

(d) With respect to all Employee Plans and Benefit Arrangements, PFI and the PFI Subsidiaries are in compliance (other than noncompliance the cost or liability for which would not have, or would not reasonably be expected to have, a Material Adverse Effect) with the requirements prescribed by any and all statutes, governmental or court orders, or governmental rules or regulations currently in effect, including but not limited to ERISA and the Code, applicable to such plans or arrangements. To the Knowledge of PFI, all government reports and filings required by Law have been properly and timely filed and all information required to be distributed to participants or beneficiaries has been distributed with respect to each Employee Plan and Benefit Arrangement, including, if applicable, Form S-8 registration statements, Forms 11-K and prospectus disclosures with respect to PFI Stock offered under any Employee Plan and Benefit Arrangement (other than noncompliance the cost or liability for which would not have, or would not reasonably be expected to have, a Material Adverse Effect). PFI and the PFI Subsidiaries have performed all of their obligations under all such Employee Plans and Benefit Arrangements in all material aspects. Except as disclosed in Section 4.18 of the Disclosure Schedule, there is no pending or, to the best of PFI's or PFI Subsidiaries' knowledge, threatened legal action, proceeding or investigation against or involving any Employee Plan or Benefit Arrangement, other than routine claims for benefits (other than claims which would not have, or would not reasonably be expected to have, a Material Adverse Effect). No condition exists that could constitute grounds for the termination of any Employee Plan under Section 4042 of ERISA. No prohibited transaction, as defined in Section 406 of ERISA or Section 4975 of the Code, has occurred with respect to any Employee Plan, or any other employee benefit plan maintained by PFI or any of the PFI Subsidiaries which is covered by Title I of ERISA, which could subject any person (other than a person for whom PFI or any PFI Subsidiary is not directly or indirectly responsible) to liability under Title I of ERISA or to the imposition of tax under Section 4975 of the Code (other than any such transaction the cost or liability of which would not have, or would not reasonably be expected to have, a Material Adverse Effect). No Employee Plan subject to Part 3 of Subtitle B of Title I of ERISA or Section 412 of the Code, or both, has incurred any material accumulated funding deficiency, as defined in Section 412 of the Code, whether or not waived, nor has PFI or any PFI Subsidiary failed to make any material contribution or pay any material amount due and owing as required by the terms of any Employee Plan or Benefit Arrangement. To the Knowledge of PFI, no reportable event as defined in ERISA has occurred with respect to any of the Employee Plans. Neither PFI nor any of the PFI Subsidiaries has incurred nor expects to incur, directly or indirectly, any liability under Title IV of ERISA arising in connection with the termination of, or a complete or partial withdrawal from, any plan covered or previously covered by Title IV of ERISA which could constitute a liability of the Surviving Corporation or of any of its Affiliates (including the PFI Subsidiaries) at or after the Effective Time of the Merger (other than plans maintained prior to the Effective Time of the Merger by PFI and any of the PFI Subsidiaries).

(e) Neither PFI nor any of the PFI Subsidiaries has provided or is required to provide security to any Employee Plan pursuant to Section 401(a)(29) of the Code. Except as disclosed in the PFI Disclosure Schedule, each of the Employee Plans that is intended to be a qualified plan under Section 401(a) of the Code has received a favorable determination letter from the IRS and neither PFI nor any PFI Subsidiary knows of any fact that would adversely affect the qualified status of any such Employee Plan and which would not be correctible under the Employee Plans Correction Resolution System (Rev. Proc. 2003-44) without material cost to PFI or any of the PFI Subsidiaries. Except as disclosed in the PFI Disclosure Schedule, as of the date hereof, the Financial Statements of PFI properly reflect all amounts required to be accrued as liabilities to date under each of the Employee Plans. Except as disclosed in the PFI Disclosure Schedule, the fair market value of the assets of each Employee Plan and Benefit Arrangement that is funded, or required to be funded under the terms of the Employee Plan or Benefit Arrangement, ERISA, the Code or any other applicable Law, equals or exceeds the present value of benefit obligations, of such Employee Plan or Benefit Arrangement. Except as disclosed in the PFI Disclosure Schedules, PFI and the PFI Subsidiaries have no obligation to provide post-termination or retiree welfare benefits to any person for any reason, except as may be required by The Consolidated Omnibus Budget Reconciliation Act of 1985, as amended or similar state statute.

(f) Except for the PFI Contracts or as set forth in the PFI Disclosure Schedule, each Employee Plan or Benefit Arrangement and each personal services contract, fringe benefit, consulting contract or similar arrangement with or for the benefit of any officer, director, employee or other person can be terminated by PFI within a period of 30 days following the Effective Time of the Merger, without liability to PFI or any PFI Subsidiaries. There does not now exist, nor to the Knowledge of PFI do any circumstances exist that could result in, any Controlled Group Liability that would be a material liability of the PFI or any of its subsidiaries following the Effective Time. Controlled Group Liability means any and all liabilities (i) under Title IV of ERISA, (ii) under Section 302 of ERISA, (iii) under Sections 412 and 4971 of the Code, or (iv) as a result of a failure to comply with the continuation coverage requirements of Section 601 et seq. of ERISA and Section 4980B of the Code.

(g) All group health plans of PFI and PFI Subsidiaries have been operated in compliance with the group health plan continuation coverage requirements of Section 4980B of the Code and with the group health plan portability, access and renewability requirements of Sections 9801 through 9833 of the Code, and corresponding provisions of ERISA, in all material respects.

(h) To the Knowledge of PFI, to the extent that PFI or any PFI Subsidiaries have used the services of workers who: (i) have been provided by a third party contract labor supplier, (ii) are independent contractors, (iii) are temporary or (iv) are leased employees, as that term is defined in Section 414(n) of the Code (hereinafter referred to as the Workers), for more than six months or who may otherwise be eligible to participate in any of the Employee Plans such Workers have been granted the right to participate in any of the Employee Plans to the extent required by law and such participation or non-participation in such Employee Plans would not result in the disqualification of any of the Employee Plans or the imposition of penalties or excise taxes with respect to the IRS, the Department of Labor, the Pension Benefit Guaranty Corporation or any other Governmental Entity.

(i) With respect to each Employee Plan that is funded wholly or partially through an insurance policy, there will be no material liability of PFI or the PFI Subsidiaries, as of the Closing Date, under any such insurance policy or ancillary agreement with respect to such insurance policy in the nature of a retroactive rate adjustment, loss sharing arrangement or other actual or contingent liability arising wholly or partially out of events occurring prior to the Closing Date.

(j) Except as set forth in the PFI Disclosure Schedule, no PFI Employee Plan or Benefit Arrangement provides a gross-up for any Taxes which may be imposed under Section 4999 of the Code relating to parachute payments or for failure to comply with the requirements of Section 409A of the Code.

(k) Except as set forth in the PFI Disclosure Schedules, there will be no excess parachute payments (within the meaning of Section 280G of the Code) that will be payable in connection with the Merger.

4.19. Certain Contracts. Upon the request of Buyer, and upon Buyer's execution and delivery of a customary waiver, PFI and its Subsidiaries will request its accountants to provide reasonable access to representatives of Buyer's accountants working on behalf of Buyer, to auditors' work papers with respect to the business and properties of PFI and PFI Subsidiaries, including tax accrual work papers prepared for PFI and PFI Subsidiaries during the preceding 60 months, other than (a) books, records and documents covered by the attorney-client privilege, or that are attorneys' work product, and (b) books, records and documents that PFI or PFI Subsidiaries are legally obligated to keep confidential. No examination or review conducted under this Section shall constitute a waiver or relinquishment on the part of Buyer of the right to rely upon the representations and warranties made by PFI herein. All documents and information concerning PFI and PFI Subsidiaries so obtained from any of them (except to the extent that such documents or information are a matter of public record or require disclosure in the Proxy Statement or any of the public portions of any applications required to be filed with any Governmental Entity to obtain the approvals and consents required to effect the transactions contemplated hereby), shall be subject to the Confidentiality Agreement.

(b) The other provisions of this Section 7.2 notwithstanding, neither party nor any of its Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of its customers, jeopardize any attorney-client privilege or contravene any law (including without limitation laws regarding exchange of information), rule, regulation, order, judgment, decree, fiduciary duty or binding agreement entered into prior to the date hereof.

(c) All non-public information furnished to Buyer or PFI by the other party hereto pursuant to this Agreement (other than (i) information already in the receiving party's possession, or (ii) information that is or becomes generally available to the public other than as a result of a disclosure by the receiving party or any of its directors, officers, employees, agents or advisors, or (iii) information that becomes available to the receiving party on a non-confidential basis from a source other than the disclosing party or its advisors, provided that such source is not known by the receiving party after due inquiry to be bound by a confidentiality agreement with or other obligation of secrecy to the disclosing party) shall be kept confidential, and the parties shall maintain, and shall cause each of their respective directors, officers, attorneys and

advisors to maintain, the confidentiality of all information obtained hereunder which is not otherwise publicly disclosed by the other party, said undertakings with respect to confidentiality to survive any termination of this Agreement. In the event of the termination of this Agreement, each party shall return to the other party upon request all confidential information previously furnished in connection with the transactions contemplated by this Agreement.

(d) No investigation by either of the parties or their respective representatives shall affect the representations, warranties, covenants or agreements of the other set forth herein.

7.3. Certain Actions.

(a) Except with respect to this Agreement and the transactions contemplated hereby, neither PFI nor any of its directors, officers, agents, Affiliates or representatives (collectively, Representatives) shall, directly or indirectly, initiate, solicit, encourage or knowingly facilitate (including by way of furnishing information) any inquiries with respect to or the making of any Acquisition Proposal. Notwithstanding the foregoing, PFI may provide any public information to any corporation, association, partnership, person or other entity or group that requests such information without being solicited by or on behalf of PFI after notification to the Buyer of such request.

(b) PFI agrees that it will, and will cause its Representatives to, immediately cease and cause to be terminated any activities, discussions, or negotiations existing as of the date hereof with any parties conducted heretofore with respect to any Acquisition Proposal.

(c) PFI shall promptly communicate to Buyer the terms of any Acquisition Proposal it receives. PFI may, in response to an unsolicited written proposal with respect to an Acquisition Proposal from a third party, furnish information to, and negotiate, explore or otherwise engage in substantive discussions with such third party, and enter into any such agreement, arrangement or understandings, and recommend the approval of such Acquisition Proposal, in each case, only if PFI's Board of Directors determines in good faith by majority vote, after consultation with its financial advisors and outside legal counsel, that failing to take such action would be a breach of the fiduciary duties of PFI's Board of Directors in connection with seeking an Acquisition Proposal. In the event that PFI enters into an agreement with respect to such an Acquisition Proposal, it may terminate this Agreement.

(d) In the event PFI's Board of Directors, after consultation with its financial advisors and outside legal counsel, determines in good faith that it would result in a violation of its fiduciary duties under applicable law to recommend this Agreement and the Merger to PFI's stockholders for their approval, then in submitting this Agreement to the stockholders at the meeting of stockholders, PFI may submit this Agreement without recommendation of approval, in which case the Board of Directors may communicate the basis for its lack of a recommendation of approval to the shareholders in the proxy statement or an appropriate amendment or supplement thereto to the extent required by law.

7.4. Indemnification of PFI Directors and Officers.

(a) For a period of 6 years beginning at the Effective Time, Buyer agrees to indemnify all individuals who are or have been officers or directors of PFI prior to the Effective time from any acts or omissions in such capacities prior to the Effective Time, to the extent that such indemnification is provided pursuant to the Certificate of Incorporation or Bylaws of PFI on the date hereof and is permitted under the DGCL.

(b) Prior to the Effective Time PFI shall obtain a directors and officers liability insurance tail coverage policy with respect to the current and former directors and officers of PFI, relating to periods prior to the Effective Time, with coverages substantially similar to coverages as were in effect under PFI's director and officer liability policy on the date hereof to satisfy its obligations under this Section 7.4. The costs of such insurances shall be subject to the provisions of Section 2.7(b)(vii). Buyer shall maintain such policy in effect for the term of such policy.

(c) The provisions of this Section 7.4 are intended to be for the benefit of, and shall be enforceable by, each current and former director and officer of PFI.

7.5. Stockholder Meeting. Subject to Section 7.3, PFI shall take all steps necessary to duly call, give notice of, convene and hold a meeting of its stockholders to be held as soon as is reasonably practicable after the date on which PFI has responded to all of the comments of the staff of the SEC, if any, for the purpose of voting on the approval of this Agreement and the consummation of the transactions contemplated hereby. PFI shall, through its Board of Directors, subject to Section 7.3, recommend to its stockholders approval of this Agreement and the transactions contemplated hereby and such other matters as may be submitted to its stockholders in connection with this Agreement.

7.6. Legal Conditions to Merger. Each of Buyer and PFI shall, and shall cause its Subsidiaries to, use their reasonable best efforts (a) to take, or cause to be taken, all actions necessary, proper or advisable to comply promptly with all legal requirements which may be imposed on such party or its Subsidiaries with respect to the Merger and, subject to the conditions set forth in Article VIII hereof, to consummate the transactions contemplated by this Agreement and (b) to obtain (and to cooperate with the other party to obtain) any consent, authorization, order or approval of, or any exemption by, any Governmental Entity and any other third party which is required to be obtained by PFI or Buyer in connection with the Merger and the other transactions contemplated by this Agreement, and to comply with the terms and conditions of such consent, authorization, order or approval.

7.7. Accounting Matters. (a) PFI shall cooperate with Buyer concerning (i) accounting and financial matters necessary or appropriate to facilitate the Merger (taking into account Buyer's policies, practices and procedures), including, without limitation, issues arising in connection with record keeping, loan classification, valuation adjustments, levels of loan loss reserves and other accounting practices, and (ii) PFI's lending, investment or

asset/liability management policies; provided, that any action taken pursuant to this Section 7.7 shall not be deemed to constitute or result in the breach of any representation or warranty of PFI contained in this Agreement.

(b) At or immediately prior to the Effective Time, the PFI shall make such accounting entries or adjustments, including additions to its ALL and charge-offs of loans, as Buyer shall direct as a result of its ongoing review of the PFI or in order to implement its plans following the Effective Time or to reflect expenses and costs related to the Merger; provided, however, that unless the adjustment would otherwise be required by applicable law, rule or regulation, or by regulatory accounting principles or GAAP applied on a basis consistent with the financial statements of the PFI, (1) the PFI shall not be required to take such actions prior to the Effective Time or prior to the time Buyer agrees in writing that all of the conditions to its obligation to close as set forth in Article 8 have been satisfied or waived, and (2) no such adjustment shall be made if it would: (i) require any filing with any Governmental Authority, including any SEC Report prior to the Effective Time, (ii) violate GAAP or any law, rule or regulation applicable to PFI, (iii) otherwise materially disadvantage PFI if the Merger is not consummated, (iv) constitute or be deemed to be a breach, violation of or failure to satisfy any representation, warranty, covenant, condition or other provision of this Agreement or otherwise be considered in determining whether any such breach, violation or failure to satisfy shall have occurred or (v) result in a reduction in the Merger Consideration.

7.8. Employee Benefit Plans: Existing Agreements.

(a) As of the Effective Time, the employees of PFI shall be eligible to participate in employee benefit plans and severance plans of Buyer or its Subsidiaries in which similarly situated employees of Buyer or its Subsidiaries participate, to the same extent that similarly situated employees of Buyer or its Subsidiaries participate (it being understood that inclusion of PFI's employees in Buyer's employee benefit plans may occur at different times with respect to different plans) (hereinafter the "Buyer Plans").

(b) With respect to each Buyer Plan for which length of service is taken into account for any purpose (including Buyer's severance plan), service with PFI (or predecessor employers to the extent PFI provides past service credit) shall be treated as service with Buyer for purposes of determining eligibility to participate, vesting, and entitlement to benefits, including for severance benefits and vacation entitlement (but not for accrual of defined benefit pension benefits); provided however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits. Such service also shall apply for purposes of satisfying any waiting periods, evidence of insurability requirements, or the application of any preexisting condition limitations. To the extent permitted by the Buyer Plans, each Buyer Plan shall waive pre-existing conditions limitations under Buyer Plans with respect to any employee of PFI to the same extent that such condition was covered under the applicable PFI Plan as of the Effective Time. PFI's employees shall be given credit for amounts paid under a corresponding benefit plan during the same period for purposes of applying deductibles, co-payments and out-of-pocket maximums as though such amounts had been paid in accordance with the terms and conditions of the Buyer Plan.

(c) As of the Effective Time, Buyer shall cause Newco to assume and to honor in accordance with their terms all written agreements listed in Section 4.18 of the PFI Disclosure Schedule (the "Benefit Agreements"). Buyer acknowledges and agrees that the Merger will constitute a merger, sale or a change in control of PFI for all purposes under such agreements.

(d) References in this Section 7.8 to employees of PFI shall include employees of each PFI Subsidiary. The provisions of this Section 7.8 are intended to be for the benefit of, and shall be enforceable by, each director, officer and employee of PFI and its Subsidiaries.

(e) As of the Effective Time, Buyer shall merge the Pelican Financial, Inc. Retirement Plan into the Stark Bank Group, Ltd. 401(k) Profit Sharing Plan and Trust (the Buyer's Plan). The Buyer's Plan shall be the surviving plan following the merger.

7.9. Additional Agreements. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full title to all properties, assets, rights, approvals, immunities and franchises of any of the parties to the Merger, the proper officers and directors of each party to this Agreement shall take all such necessary action as may be reasonably requested by Buyer or PFI.

7.10. [Intentionally Omitted]

ARTICLE VIII. CONDITIONS PRECEDENT

8.1. Conditions to Each Party's Obligation To Effect the Merger. The respective obligation of each party to effect the Merger shall be subject to the satisfaction at or prior to the Effective Time of the following conditions:

(a) Stockholder Approval. This Agreement shall have been approved and adopted by the requisite vote of the holders of the outstanding shares of PFI Common Stock under applicable law.

(b) Other Approvals. All regulatory approvals required to consummate the transactions contemplated hereby (including the Merger) shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired (all such approvals and the expiration of all such waiting periods being referred to herein as the Requisite Regulatory Approvals).

(c) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Merger (an Injunction) shall be in effect. No statute, rule, regulation, order, injunction or decree shall have been enacted, entered, promulgated or enforced by any Governmental Entity which prohibits, restricts or makes illegal consummation of the Merger.

8.2. Conditions to Obligations of Buyer. The obligation of Buyer to effect the Merger is also subject to the satisfaction or waiver by Buyer at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of PFI contained in Article 4 hereof shall be true and correct in all respects on and as

of the Closing Date with the same effect as though such representations and warranties had been made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date or for changes expressly contemplated by this Agreement) subject to such exceptions as have not had, or would not be reasonably expected to have, (individually or in the aggregate) a Material Adverse Effect (it being understood that, for purposes of determining the effect of such exceptions, all Material Adverse Effect and materiality qualifications contained in such representations and warranties shall be disregarded). Without limiting the generality of the foregoing, the effects or results of any actions taken by PFI or PFI Subsidiary with the consent or at the request of Buyer shall be excluded from the determination of whether PFI has breached any representation, warranty, covenant or agreement contained in this Agreement.

(b) Authorization of Merger. All corporate actions of the PFI necessary to authorize the execution, delivery and performance of this Agreement by PFI and the consummation of the transactions contemplated hereby shall have been duly and validly taken by the Board of Directors and stockholders of PFI.

(c) Performance of Obligations of PFI. PFI shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date, and Buyer shall have received a certificate signed on behalf of PFI by the Chief Executive Officer or the Chief Financial Officer of PFI to such effect.

(d) [Intentionally Omitted].

(e) Conditions Met. Buyer shall have received a certificate of an executive officer of PFI stating that, to his Knowledge, each of the conditions set forth in Section 8.1 and Section 8.2 have been met.

(f) Expiration of Look Back Period on MK Contract. The period of time that the buyer under the MK Contract has to return or require the repurchase of any loan in the Marine Loan Portfolio pursuant to Section 3(e) of the MK Contract shall have expired (including, unless waived by PFI, any period for determining any disputes with respect thereto) (hereinafter the MK Look Back Period).

8.3. Conditions to Obligations of PFI. The obligation of PFI to effect the Merger is also subject to the satisfaction or waiver by PFI at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of Buyer and Newco contained in Article 5 hereof shall be true and correct in all respects on and as of the Closing Date with the same effect as though such representations and warranties had been made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date or for changes expressly contemplated by this Agreement) subject to such exceptions as have not had, or would not be reasonably expected to have, (individually or in the aggregate) a Material Adverse Effect (it being understood that, for purposes of determining the effect of such exceptions, all Material Adverse Effect and materiality qualifications contained in such representations and warranties

shall be disregarded).

A-50

- (b) Performance of Obligations of Buyer. Buyer shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date, and PFI shall have received a certificate signed on behalf of Buyer by the Chief Executive Officer or the Chief Financial Officer of Buyer to such effect.
- (c) Conditions Met. PFI shall have received a certificate of an executive officer of Buyer stating that, to his Knowledge, each of the conditions set forth in Section 8.1 and Section 8.3 have been met.

ARTICLE IX. TERMINATION AND AMENDMENT

9.1. Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval of the matters presented in connection with the Merger by the stockholders of PFI:

- (a) by mutual consent of PFI and Buyer in a written instrument, if the Board of Directors of each so determines by a vote of a majority of the members of its entire Board;
- (b) by either Buyer or PFI upon written notice to the other party (i) within 30 days after the date on which any request or application for a Requisite Regulatory Approval shall have been denied or withdrawn at the request or recommendation of the Governmental Entity which must grant such Requisite Regulatory Approval, unless within the 30-day period following such denial or withdrawal a petition for rehearing or an amended application has been filed with the applicable Governmental Entity, provided, however, that no party shall have the right to terminate this Agreement pursuant to this Section 9.1(b)(i) if such denial or request or recommendation for withdrawal shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth herein or (ii) if any Governmental Entity of competent jurisdiction shall have issued a final nonappealable order enjoining or otherwise prohibiting the Merger;
- (c) by either Buyer or PFI if the Merger shall not have been consummated on or before the Termination Date, unless the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth herein;
- (d) by either Buyer or PFI if the approval of the stockholders of PFI required for the consummation of the Merger shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of such stockholders or at any adjournment or postponement thereof;

(e) by either Buyer or PFI (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein) if there shall have been a material breach of any of the representations or warranties set forth in this Agreement on the part of the other party, which breach is not cured within 30 days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the Closing; provided, however, that neither party shall have the right to terminate this Agreement pursuant to this Section 9.1(e) unless the breach of representation or warranty,

together with all other such breaches, would entitle the party receiving such representation not to consummate the transactions contemplated hereby under Section 8.2(a) (in the case of a breach of representation or warranty by PFI) or Section 8.3(a) (in the case of a breach of representation or warranty by Buyer), assuming for the purpose of this proviso, that the Closing Date would otherwise be the date 30 days after the date that the notice of breach was given;

(f) by either Buyer or PFI (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein) if there shall have been a material breach of any of the covenants or agreements set forth in this Agreement on the part of the other party, which breach shall not have been cured within 30 days following receipt by the breaching party of written notice of such breach from the other party hereto, or which breach, by its nature, cannot be cured prior to the Closing; or

(g) by PFI pursuant to Section 7.3(c) or by Buyer in the event that PFI's Board of Directors does not recommend this Agreement and the Merger to PFI stockholders for their approval pursuant to Section 7.3(d) (in the event PFI's Board of Directors does not recommend this Agreement and the Merger to PFI stockholders, the Buyers shall have the exclusive right to receive the Termination Fee and Breakup Fee as provided in Section 9.2 (b) and 9.2 (c) and any Shareholders Agreements delivered to the Buyer in connection herewith shall be immediately terminated without liability to the parties thereto).

(h) by the Buyer or PFI if the Buyer fails to deliver the Acceptance Notice in accordance with the provisions of Section 9.5 hereof.

9.2. Effect of Termination; Termination Fee. (a) In the event of termination of this Agreement by either Buyer or PFI as provided in Section 9.1, this Agreement shall forthwith become void and have no effect, and no party shall have any further obligation or liability hereunder except (i) Sections 7.2(c), 9.2 and 10.3 shall survive any termination of this Agreement and (ii) that, notwithstanding anything to the contrary contained in this Agreement, no party shall be relieved or released from any liabilities or damages arising out of its breach of any provision of this Agreement, except as provided in Section 9.2(b) and 9.2(c).

(b) In recognition of the efforts, expenses and other opportunities foregone by Buyer while structuring and pursuing the Merger, the parties agree that a termination fee of \$1,000,000 (the Termination Fee) shall be paid by PFI to Buyer if this Agreement is terminated by PFI pursuant to Section 9.1(g). Except as provided in Section 9.2(c), if PFI is required to pay the Termination Fee hereunder, upon such payment, PFI shall have no further liability for any breach of this Agreement to Buyer.

(c) In recognition of the efforts, expenses and other opportunities foregone by Buyer while structuring and pursuing the Merger, if the Buyer delivers the Acceptance Notice the parties agree that a breakup fee of \$250,000 (collectively, the Breakup Fee) shall be paid by PFI to Buyer if this Agreement is terminated by PFI or Buyer for any reason (other than a termination pursuant to Section 9.1(h)) or the Effective Time is later than Termination Date . In

the event that the transactions contemplated herein close prior to Termination Date, the Breakup Fee shall be returned to PFI. PFI shall deposit the Breakup Fee with the Buyer upon the Buyer's purchase of the Preferred Stock as contemplated in Section 9.5 below. Except as provided in

Section 9.2(b), if PFI is required to pay the Breakup Fee hereunder, upon such payment, PFI shall have no further liability for any breach of this Agreement to Buyer.

(d) If PFI fails to pay all amounts due to Buyer on within three days after receipt of notice from the Buyer of the amounts due, then PFI shall pay all costs and expenses (including reasonable legal fees and expenses) incurred by Buyer in connection with any action or proceeding (including the filing of any lawsuit) taken by it to collect such unpaid amounts, together with interest on such unpaid amounts at the prime lending rate prevailing at such time, as published in the Wall Street Journal, from the date such amounts were required to be paid until the date actually received by Buyer.

9.3. Amendment. Subject to compliance with applicable law, this Agreement may be amended by the parties hereto, by action taken or authorized by their respective Boards of Directors, at any time before or after approval of the matters presented in connection with the Merger by the stockholders of PFI; provided, however, that after any approval of the transactions contemplated by this Agreement by PFI's stockholders, there may not be, without further approval of such stockholders, any amendment of this Agreement which reduces the amount or changes the form of the consideration to be delivered to PFI stockholders hereunder other than as contemplated by this Agreement. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

9.4. Extension; Waiver. At any time prior to the Effective Time, each of the parties hereto, by action taken or authorized by its Board of Directors, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions of the other party contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

9.5. Due Diligence Period. Preferred Stock Purchase.

(a) Due Diligence Period. From the date hereof until 4:00 p.m. Fort Dodge, Iowa, time on the later of: (a) 7 days after the date this Agreement is executed by the parties or (b) 7 days following the date that the definitive and executed MK Contract is delivered to the Buyer, the Buyer shall be allowed to continue its due diligence review of the PFI and the PFI Subsidiaries (the Due Diligence Period). During the Due Diligence Period PFI and its Subsidiaries shall cooperate with the Buyer and shall provide Buyer with access to all of PFI and the PFI Subsidiaries, properties, records, and employees as shall be reasonably requested by the Buyer.

(b) Prior to the expiration of the Due Diligence period, if Buyer decides to proceed with the proposed transactions

contemplated by this Agreement (in its sole and absolute discretion) (i) Buyer shall notify PFI in writing of the Buyer's intention to proceed with the transactions contemplated herein by delivery of the Acceptance Notice in the form set forth in

Exhibit A attached hereto and (ii) if the Buyer delivers the Acceptance Notice, upon receipt of the opinion substantially in the form set forth on Exhibit E the Buyer shall purchase \$4,000,000.00 of the PFI Series A Convertible Preferred Stock the terms of which are set forth on Exhibit C prior to the expiration of the Due Diligence Period.

(c) Notwithstanding anything to the contrary set forth in this Agreement, in the event that the Acceptance Notice is NOT delivered by Buyer prior to the expiration of the Due Diligence Period, the terms and conditions of this Agreement shall be null and void and neither party shall be bound by the provisions of this agreement or be liable to the other for damages. The Buyers decision whether to deliver the Acceptance Notice is at the sole and absolute discretion of the Buyer

(d) If the Buyer delivers the Acceptance Notice as contemplated in paragraph (b) above, the terms and provisions of this Agreement shall be binding upon and enforceable against the Buyer.

ARTICLE X. GENERAL PROVISIONS

10.1. Closing. Subject to the terms and conditions of this Agreement, the closing of the Merger (the Closing) will take place on the last business day of the month after all conditions set forth in Article VIII have either been satisfied or waived (other than those conditions which relate to actions to be taken at the Closing) (the Closing Date) at Des Moines, Iowa, provided that if there are less than 5 business days remaining in the month at the time all conditions set forth in Article VIII have either been satisfied or waived, (except for such conditions which are satisfied as of a date that was known at least five business days in advance by the parties), then in such event the closing shall take place on the last business day of the following month or unless another time, date or place is agreed to in writing by the parties hereto or Closing is extended pending a determination pursuant to Section 2.8.

10.2. Nonsurvival of Representations, Warranties and Agreements. None of the representations, warranties, covenants and agreements in this Agreement or in any instrument delivered pursuant to this Agreement (including Exhibits and the PFI Disclosure Schedule) shall survive the Effective Time, except for those covenants and agreements contained herein and therein which by their terms apply in whole or in part after the Effective Time (including, without limitation, those covenants and agreements set forth in Sections 7.2 (Access to Information), 7.7 (Employee Benefit Plans; Existing Agreements) and 7.8 (Indemnification of PFI Directors and Officers)), provided that no such representations, warranties or covenants shall be deemed to be terminated or extinguished so as to deprive Buyer or PFI (or any director, officer or controlling person thereof) of any defense at law or in equity which otherwise would be available against the claims of any third party, including any shareholder or former shareholder of either Buyer or PFI.

10.3. Expenses. Expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses, except as provided in Section 9.2(b).

10.6. Entire Agreement. This Agreement (including the documents and the instruments referred to herein) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof.

10.7. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Iowa, without regard to any applicable conflicts of law.

10.8. Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

10.9. Publicity. Except as expressly permitted by this Agreement or otherwise required by law or the rules of the AMEX so long as this Agreement is in effect, neither Buyer nor PFI shall, or shall permit any of its Subsidiaries to, issue or cause the publication of any press release or other public announcement with respect to, or otherwise make any public statement concerning, the transactions contemplated by this Agreement without the consent of the other party, which consent shall not be unreasonably withheld.

10.10. Assignment; No Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns. Except as otherwise expressly provided herein, this Agreement (including the documents and instruments referred to herein) is not intended to confer upon any person other than the parties hereto any rights or remedies hereunder.

10.11. Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby or thereby may be brought in any federal or state court located in the States of Florida or Iowa, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.

10.12. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

10.13. Attorneys Fees. If any legal action or any arbitration upon mutual agreement is brought for the enforcement of this Agreement or because of an alleged dispute, controversy, breach, or default in connection with this Agreement, the prevailing party shall be entitled to

Opinion of Hovde Financial, LLC

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

November 30, 2005

Board of Directors

Pelican Financial, Inc.

3767 Ranchero Drive

Ann Arbor, MI 48108

Dear Members of the Board:

We understand that Pelican Financial, Inc., a Delaware corporation (PFI), Stark Bank Group, Ltd., an Iowa corporation (Buyer), and SBG II, Co. an Iowa corporation and a wholly owned subsidiary of Buyer (Newco) are about to enter into an Agreement and Plan of Reorganization (the Agreement), to-be-dated on or about November 30, 2005, pursuant to which PFI will merge with and into Newco (the Merger). Capitalized terms not otherwise defined herein shall have the same meaning attributed to them in the Agreement. As set forth in Section 2.5(a) of the Agreement, at the Effective Time, subject to both the exceptions and limitations set forth in Section 2.7 and the escrow set forth in the Escrow Agreement, each share of PFI Common Stock issued and outstanding immediately prior to the Effective Time shall, by virtue of the Agreement and without any action on the part of the holder thereof, be converted into the right to receive \$6.00 per share (the Per Share Merger Consideration).

In connection with the Merger and the Agreement, you have requested our opinion as to the fairness, from a financial point of view, of the Per Share Merger Consideration to be paid to the stockholders of PFI. In issuing this opinion, we have assumed there will be no downward adjustment to the Per Share Merger Consideration pursuant to Section 2.7 (a) and (b) of the Agreement. We have further assumed that the escrow, which will be established pursuant to the Escrow Agreement, will be returned in full to stockholders of PFI at the end of the escrow period and that the escrow amount will be \$965 thousand dollars.

Hovde Financial LLC (Hovde), as part of its investment banking business, is continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive bidding, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. We are familiar with PFI, having acted as its financial advisor in connection with, and having participated in the negotiations leading to, the Agreement.

We were retained by PFI to act as its financial advisor in connection with the Merger. We will receive compensation from PFI in connection with our services, a significant portion of which is contingent upon consummation of the Merger. PFI has agreed to indemnify us for certain liabilities arising out of our engagement.

During the course of our engagement and for the purposes of the opinion set forth herein, we have:

- (i) reviewed the Agreement and the Escrow Agreement;

B-1

- (ii) reviewed certain historical publicly available business and financial information concerning PFI and Buyer;
- (iii) reviewed certain internal financial statements and other financial and operating data concerning PFI;
- (iv) analyzed certain financial projections prepared by the management of PFI;
- (v) held discussions with members of the senior management of PFI for the purpose of reviewing the future prospects of PFI, including financial forecasts;
- (vi) reviewed historical market prices and trading volumes of PFI Common Stock;
- (vii) reviewed the terms of recent merger and acquisition transactions, to the extent publicly available, involving banks, thrifts and bank and thrift holding companies that we considered relevant;
- (viii) reviewed recent transactions in Florida and the range of breakup fees related to those transactions;
- (ix) analyzed the recent trading price of PFI Common Stock and compared those prices to the conversion price of the proposed preferred stock to be infused by Buyer; and
- (x) performed such other analyses and considered such other factors as we have deemed appropriate.

We also took into account our assessment of general economic, market and financial conditions and our experience in other transactions as well as our knowledge of the banking industry and our general experience in securities valuations.

In rendering this opinion, we have assumed, without independent verification, the accuracy and completeness of the financial and other information and representations contained in the materials provided to us by PFI and Buyer and in the discussions with the managements of PFI and Buyer. In that regard, we have assumed that the financial forecasts, including, without limitation, the projections regarding under-performing and nonperforming assets and net charge-offs have been reasonably prepared on a basis reflecting the best currently available information and judgments and estimates of PFI and Buyer and that such forecasts will be realized in the amounts and at the times contemplated thereby. We are not experts in the evaluation of loan and lease portfolios for purposes of assessing the adequacy of the allowances for losses

Edgar Filing: PELICAN FINANCIAL INC - Form DEFM14A

with respect thereto and have assumed that such allowances for PFI and Buyer are in the aggregate adequate to cover such losses. We were not retained to and did not conduct a physical inspection of any of the properties or facilities of PFI, Buyer or their respective subsidiaries. In addition, we have not reviewed individual credit files nor have we made an independent evaluation or appraisal of the assets and liabilities of PFI, Buyer or any of their respective subsidiaries and we were not furnished with any such evaluations or appraisals.

B-2

We have assumed that the Merger will be consummated substantially in accordance with the terms set forth in the Agreement. We have further assumed that the Merger will be accounted for as a purchase under generally accepted accounting principles. We have assumed that the Merger is, and will be, in compliance with all laws and regulations that are applicable to PFI, Buyer and its subsidiaries. In rendering this opinion, Buyer, PFI and we have assumed that there are no factors that would impede any necessary regulatory or governmental approval of the Merger and we have further assumed that, in the course of obtaining the necessary regulatory and governmental approvals, no restriction will be imposed on Buyer or the surviving corporations that would have a material adverse effect on the surviving corporation or the contemplated benefits of the Merger. We have also assumed that no change in applicable law or regulation would occur that would cause a material adverse change in the prospects or operations of Buyer or any of the surviving corporations after the Merger.

Our opinion is based solely upon the information available to us and the economic, market and other circumstances, as they exist as of the date hereof. Events occurring and information that becomes available after the date hereof could materially affect the assumptions and analyses used in preparing this opinion. We have not undertaken to reaffirm or revise this opinion or otherwise comment upon any events occurring or information that becomes available after the date hereof, except as otherwise agreed in our engagement letter.

We are not expressing any opinion that constitutes a recommendation to any holder of PFI's Common Stock as to how such holder should vote with respect to the Agreement at any meeting of holders of PFI's Common Stock.

This letter is solely for the information of the Board of Directors of PFI and is not to be used, circulated, quoted or otherwise referred to for any other purpose, nor is it to be filed with, included in or referred to in whole or in part in any registration statement, proxy statement or any other document, except in each case in accordance with our prior written consent which shall not be unreasonably withheld; provided, however, that we hereby consent to the inclusion and reference to this letter in any registration statement, proxy statement, information statement or tender offer document to be delivered to the holders of PFI's Common Stock in connection with the Merger if and only if this letter is quoted in full or attached as an exhibit to such document and this letter has not been withdrawn prior to the date of such document.

Subject to the foregoing and based on our experience as investment bankers, our activities and assumptions as described above, and other factors we have deemed relevant, we are of the opinion as of the date hereof that the Per Share Merger Consideration to be received by the holders of PFI's Common Stock pursuant to the Agreement is fair, from a financial point of view, to the stockholders of PFI.

Sincerely,

/s/ Hovde Financial LLC

Annex C

**Delaware General Corporation Law
Section 262 - Appraisal Rights**

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective

date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of

any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made

upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

To the extent that the Beneficiaries Representative shall request information about such claim or desires to dispute such claim, Pelican and Purchaser shall cooperate with Beneficiaries Representative, provided however that neither Pelican nor Purchaser shall be required to expend any funds or advance any expenses in the pursuit of such claims.

For the 45 day period following the Purchaser s delivery of a notice of a Post Closing MK Claim, or 45 days following the Effective Time for a Pre-Closing MK Claim, the Beneficiaries Representative shall be authorized to: (a) negotiate with the party making the claim under the MK Contract to resolve the dispute regarding the alleged breach or (b) to attempt to sell the loan or loans that are the subject of the claim to a third party. If Beneficiaries Representative provides a signed release of the noticed claim from the party making the claim under the MK Contract to Escrow Agent and Purchaser s Representative on or prior to the expiration of said 45 day period, the Escrow Agent shall continue to

hold such funds in the Escrow Fund. If Beneficiaries Representative has arranged for the sale of such loan or loans subject to the claim as evidenced by a binding offer for the purchase of such loan from Pelican (such offer shall be without recourse to Pelican or Purchaser), Pelican shall sell such loan pursuant to the offer and the Escrow Agent shall distribute the amount of the claim less the amount of any sale proceeds from the sale of the loan or loans subject to claim (as evidenced by a statement signed by the Purchaser's Representative and Beneficiaries Representative) to the Purchaser, and in the case of a Pre-Closing MK Claim, shall distribute to the Beneficiaries from the Escrow Fund, an amount equal to the proceeds from the sale of the loan which is the subject of the Pre-Closing MK Claim. If a release of the claim is not provided or the loan is not sold pursuant to the immediately preceding sentence within such 45 day period, then the Escrow Agent shall immediately pay the amount of the claim or settlement to the Purchaser. Thereafter, Pelican shall be entitled to dispose or collect the loan without regards to this Escrow Agreement and neither the Beneficiaries Representative nor the Beneficiaries shall have any right, title or interest to claim any recovery or payments received from such loan. Notwithstanding the foregoing, upon expiration of the 45 day period following the Effective Time, the Escrow Agent shall distribute the amount of such Pre-Closing MK Claim to Purchaser and/or the Beneficiaries, as applicable.

(ii) Disputed Stockholder Costs If Seller has elected to have withheld from the Merger Consideration and deposited into the Escrow Fund the amount of any item provided in Section 2.7(b) of the Merger Agreement which is disputed (a Disputed Stockholder Cost) pursuant to Section 2.8(d) of the Merger Agreement, the Purchaser's Representative and the Beneficiaries Representative shall resolve such Disputed Stockholder Costs pursuant to the provisions of Section 2.8 (b) and (c) of the Merger Agreement (and all references in such sections to Buyer shall be deemed to mean the Purchaser's Representative and all references therein to PFI shall be deemed to mean the Beneficiaries Representative). Upon resolution of each Disputed Stockholder Cost, a Representative may (a) send a copy of the written order of the arbitrator indicating the resolution of the Disputed Shareholder Cost or (b) send instructions signed by both Representatives to the Escrow Agent directing the Escrow Agent to distribute the amount of such Disputed Stockholder Cost to Purchaser and/or the Beneficiaries, as applicable.

(c) Final Distribution of Escrow Fund to the Beneficiaries.

On *** 20 , [55 days after the date all claims must be made or presented under the MK Contract], the Escrow Agent shall distribute to the Beneficiaries all of the Escrow Funds that remain in the Escrow Fund and are not claimed or subject to dispute as contemplated above. Such unclaimed Escrow Funds shall be distributed in proportion to the Beneficiaries share/option ownership in PFI at the Effective Time. To the extent that any Escrow Funds that are subject to dispute are subsequently returned to the Escrow Agent after *** the Escrow agent shall

distribute such amounts to the Beneficiaries. Notwithstanding anything in this Agreement to the contrary, any amounts payable to the Beneficiaries, at the option of the Beneficiaries Representative, may be paid to the Beneficiaries Representative to be held in escrow pending the resolution of any Claims for which he is entitled to indemnification under Section 10 or pending the final distribution of all Escrow Funds. Upon receipt of any such certificate or order, Escrow Agent shall comply with its terms. **In case Escrow Agent obeys or complies with any such order, judgment, arbitration or decree of any court, Escrow Agent shall not be liable to any of the parties hereto or to any other person by reason of such compliance, notwithstanding any such order, judgment or decree being subsequently reversed, modified, annulled, set aside, vacated or found to have been entered without jurisdiction.**
