**Item 1.01 Entry into a Material Definitive Agreement**

Neenah Paper, Inc. (the Company ) today announced that on May 5, 2006, it and one of its subsidiaries, Neenah Paper Company of Canada, entered into a definitive agreement with Wagner Forest Management Limited ( Wagner ) to sell to Wagner approximately 500,000 acres of timberlands in Nova Scotia for \$140 million, subject to normal closing conditions. The parties to the sale agreement have made customary representations, warranties and covenants, including a covenant to take all actions reasonably necessary to consummate the transaction. The Company is providing standard indemnification to Wagner for certain matters, including breach of any representation, warranty or covenant made by the Company. The Company s indemnification obligations for most representations end approximately 24 months after closing.

Net after-tax cash proceeds from the transaction are estimated to be approximately \$120 million and would be received at closing, which is expected to occur by early in the third quarter. The transaction would result in an after-tax gain of approximately \$80 million. Timing of the gain recognition is currently being evaluated.

Terms of the sale also include as a condition for closing that the parties enter into a stumpage agreement with a term of up to 15 years, providing the Company with an annual allotment of standing stumpage. Harvesting of this stumpage will help ensure the Company s Pictou pulp mill will continue to receive fiber for its operations and that the timberlands will continue to be managed in a responsible, sustainable manner.
