**Section 5 Corporate Governance and Management**

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

(c) Effective November 13, 2006, Richard Rowley was appointed to the position of Vice President, Corporate Controller and Principal Accounting Officer of Adobe Systems Incorporated.

Pursuant to Mr. Rowley's Offer Letter, Mr. Rowley will receive an annual base salary of \$280,000 and is eligible to receive a bonus of up to 40% of his annual base salary upon attainment of certain Company and individual objectives, pro-rated for the 2006 fiscal year based on Mr. Rowley's actual start date. In addition, Mr. Rowley will be eligible to participate in the Adobe profit sharing plan, which could result in a payment to Mr. Rowley of up to 10% of his annual base salary. Such payments are made quarterly based on attainment of certain Company targets, pro-rated for the 4th quarter of fiscal year 2006 based on Mr. Rowley's actual start date.

Mr. Rowley will be granted an option to purchase 50,000 shares of Adobe common stock, which will vest over 4 years, with 25% of the shares vesting on the first anniversary of the grant date and the remaining shares vesting in equal monthly installments over the remaining 36 months. The option will be issued under the Company's 2003 Equity Incentive Plan (the Plan) and will be subject to the terms and conditions of such Plan. The Plan was previously filed with the Securities and Exchange Commission as Appendix A to Adobe's proxy statement, dated February 24, 2006.

As part of the Company's 2006 Performance Share Program (the Program), Mr. Rowley will also be granted a target award of 5,000 Performance Shares pursuant to the terms of the Plan. The Performance Shares will be earned, if at all, following the 2007 fiscal year, based on achievement of specific performance metrics, and will be settled in fully-vested shares of Adobe common stock. Mr. Rowley may receive less than the Performance Share target payout under the Program, and in no event may the actual payout exceed 150% of target payout. The Program was previously filed with the Securities and Exchange Commission as Exhibit 10.1 to Adobe's Current Report on Form 8-K, dated February 24, 2006.

Mr. Rowley is eligible to participate in the Company's standard benefits package, including medical and dental plans, vision care, life insurance and disability coverage, as well as the Company's 401(k) Retirement Savings Plan and the Employee Stock Purchase Plan.

Mr. Rowley will also be eligible to participate in the Adobe Systems Incorporated Deferred Compensation Plan, effective December 2, 2006 (the Deferred Compensation Plan). Mr. Rowley may elect to contribute up to 75% of his base salary and 100% of other specified compensation, including bonus and performance-based restricted stock units. Mr. Rowley will be able to elect the payment of benefits to begin on a specified date at least three years in the future in the form of a lump sum or annual installments over five to fifteen years. The Deferred Compensation Plan was previously filed with the Securities and Exchange Commission as Exhibit 10.1 to Adobe's Current Report on Form 8-K, dated September 26, 2006.

Mr. Rowley is also eligible to participate in the Adobe Systems Incorporated Executive Severance Plan in the Event of a Change of Control (the Change of Control Plan). Pursuant to the Change of Control Plan, if within two years after a change of control (the Covered Period), there is an Involuntary Termination (as defined in the Change of Control Plan) of Mr. Rowley's employment, Mr. Rowley will receive a cash severance payment as follows:

Earned but unpaid salary and the cash equivalent for accrued but unused personal time off through the date of termination; plus, the pro rata portion of the annual bonus for the year in which termination occurs (calculated on the basis of Mr. Rowley's target bonus and on the assumption that all performance targets have been or will be achieved); plus, an amount equal to the product of (i) the sum of Mr. Rowley's Reference Salary and Reference Bonus (each as defined in the Change of Control Plan), multiplied by (ii) two plus one-twelfth for each year of completed service with the Company (not in excess of 12 years) (the Severance Multiple).

All of Mr. Rowley's outstanding options, performance grants and restricted stock awards will accelerate and vest 100% on the date of his Involuntary Termination during the Covered Period (except performance share unit awards, which shall continue to be governed by their current terms). Additionally, the exercise period of all such awards will be extended to 12 months from termination.

Mr. Rowley will receive COBRA premium payments up to the legal limit for such coverage, or for the period of years equal to his Severance Multiple, whichever is less. If Mr. Rowley becomes covered under another employer's group health plan (other than a plan which imposes a pre-existing condition exclusion which applies to Mr. Rowley) during this applicable period of COBRA continuation coverage, the Company's COBRA premium payments will cease. A copy of the Change of Control Plan is attached as Exhibit 10.2 to this Report.

Adobe has entered into an indemnity agreement with Mr. Rowley, which provide, among other things, that Adobe will indemnify him, under the circumstances and to the extent provided for in the agreement, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings which he is or may be made a party to by reason of his position as an officer or other agent of Adobe, and otherwise to the full extent permitted under Delaware law and the Company's bylaws. A form of indemnity agreement was previously filed with the Securities and Exchange Commission as Exhibit 10.25.1 to Adobe's Form 10-Q, dated May 30, 1997.

The summary of the material terms of the Offer Letter set forth above is qualified in its entirety by reference to the Offer Letter, a copy of which is attached as Exhibit 10.1 to this Report and incorporated herein by reference.

From September 2005 to November 2006, Mr. Rowley was an independent consultant. From 1999 to September 2005, Mr. Rowley served as Vice President, Corporate Controller and Principal Accounting Officer, and Corporate Treasurer at Synopsys, Inc., a leading semiconductor design software company. From 1994 to 1999, Mr. Rowley served in several finance-related positions at Synopsys. Mr. Rowley is a certified public accountant and holds a B.A. in Business Economics from the University of California, Santa Barbara. Mr. Rowley is 50 years old.

There is no arrangement or understanding between Mr. Rowley and any other person pursuant to which Mr. Rowley is to be selected as an officer of the Company that would require disclosure under Item 401(b) of Regulation S-K. Additionally, there is no family relationship between Mr. Rowley and any other person that would require disclosure under Item 401(d) of Regulation S-K. Mr. Rowley is also not a party to any transactions that would require disclosure under Item 404(a) of Regulation S-K.

(e) The Change of Control Plan was previously filed with the Securities and Exchange Commission as Exhibit 10.2 to Adobe's Current Report on Form 8-K, dated September 26, 2006. The Change of Control Plan contained a typographical error in the definition of Group I Participant, which has since been corrected. A copy of the Change of Control Plan, as corrected, is attached as Exhibit 10.2 to this Report.
