Euronext N.V. shares can be held in two ways:

- as registered shares (the shareholders are included in the company's shareholders' register); or
- in an account with an account holder or intermediary through Eurodear France S.A. (In this case, the shares are included in the company's shareholders' register in the name of Eurodear France S.A).

Under the articles of association of Euronext N.V., only shareholders included in the shareholders' register of Euronext N.V. are permitted to attend and vote at the EGM. They may alternatively be represented by a proxy authorised by them in writing.

**Record date**

The Managing Board has decided that the persons entitled to attend and cast votes at this EGM will be those who were recorded as having those rights on Tuesday 12 December 2006 after the closing of the books (the record date), regardless of whether they are shareholders at the time of the EGM. As a result, share blocking is not necessary.

**Registered shareholders**

All registered shareholders will receive a letter from the company by post containing an invitation to the EGM, details of the procedures for registering, the agenda for the EGM as well as the Shareholder Circular. To be eligible to exercise voting rights in person at the EGM, registered shareholders must complete and sign the attendance form they receive with the invitation and return it to Netherlands Management Company B.V. (NMC), Euronext's registrar, by 11.59pm CET on Friday 15 December 2006. NMC's timely receipt of the completed and signed form will constitute notice to the company of the registered shareholder's intention to exercise voting and meeting rights. Registered shareholders who wish to be represented by a third party at the EGM must complete and sign an attendance form and an authorised attorney form and return them to NMC by 11.59pm CET on Friday 15 December 2006. NMC's timely receipt of the completed and signed forms will constitute notice to the company of the registered shareholder's intention to be represented by a third party.

**Shareholders holding their shares through Euroclear France S.A.**

Shareholders holding their shares through Euroclear France S.A. are not included in Euronext's shareholders' register. If they wish to attend the EGM or have themselves represented by a third party, they must obtain a power of attorney from Euroclear France S.A. They can do this by obtaining a Request for power of attorney form from their intermediary. Shareholders should return their completed and signed forms to their intermediary, which in turn should ensure that the forms are received by Euronext's global or local registration agent by 11.59pm CET on Friday 15 December 2006. After obtaining a power of attorney, such shareholders will have the right to attend or be represented at the EGM and exercise the voting and meeting rights attached to their Euronext shares.

If shareholders holding their shares through Euroclear France S.A. want Euroclear France S.A. to vote on their behalf, they should provide Euroclear France S.A. with voting instructions for the EGM using a Voting instruction form, which they can obtain from their intermediary at their request. Shareholders should return their completed and signed forms to their intermediary, which in turn should ensure that the forms are received by Euronext's global or local registration agent by 11.59pm CET on Friday 15 December 2006. Euroclear France S.A. will represent these shareholders at the EGM to exercise the voting rights attached to their Euronext shares.

Shareholders holding their shares through Euroclear France S.A. may also transfer their shares in their own name in order to be registered in the company's shareholders' register. To do this, they should contact NMC before the record date.

**Registration and identification of persons attending the EGM**

On the day of the EGM, registration will take place between 9.45am and 10.45am. Once the meeting has started, registration will no longer be possible. Those entitled to attend the EGM will be required to present proof of their identity when registering.
