**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS**

**AND THE 2007 ANNUAL MEETING**

**Q: *Why am I receiving these materials?***

**A:** The Board of Directors (the Board) of Heska Corporation, a Delaware corporation (Heska or the Company), is providing these proxy materials for you in connection with Heska's Annual Meeting of Stockholders (the Annual Meeting). The 2007 Annual Meeting will take place on Friday, May 4, 2007. As a stockholder, you are invited to attend the 2007 Annual Meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

**Q: *What information is contained in these materials?***

**A:** The information included in this proxy statement relates to the proposals to be voted on at the 2007 Annual Meeting, the voting process, the compensation of our Directors and most highly paid Executive Officers, and certain other required information. Our 2006 Annual Report on Form 10-K as filed with the Securities and Exchange Commission is also enclosed.

**Q: *What items of business will be voted on at the 2007 Annual Meeting?***

**A:** The items of business scheduled to be voted on at the 2007 Annual Meeting are:

- (1) The election of two nominees to serve on our Board of Directors for a three-year term and the ratification of the appointment of a Director to serve on our Board of Directors for a term ending one year after the term to which the Director was previously elected; and
- (2) The ratification of independent registered public accountant for fiscal 2007.

We will also consider other business that properly comes before the 2007 Annual Meeting.

**Q: *How does the Board recommend I vote on the proposals?***

**A:** The Board recommends a vote FOR the election of each of the Director nominees and the ratification of the appointment of a Director to a term ending one year after the term to which the Director was previously elected and FOR the ratification of Ehrhardt Keefe Steiner & Hottman PC (EKS&H) as the Company's independent registered public accountant.

**Q: *Who is entitled to vote?***

**A:** Stockholders as of the close of business on March 26, 2007 (the Record Date) are entitled to vote at the 2007 Annual Meeting. As of the Record Date, 50,832,279 shares of our common stock were issued and outstanding. Each stockholder is entitled to one vote for each share of common stock held on the Record Date. A list of stockholders entitled to vote at the 2007 Annual Meeting will be available at the 2007 Annual Meeting and for ten days prior to the meeting during normal business hours at our offices at 3760 Rocky Mountain Avenue, Loveland, Colorado 80538, by contacting our Secretary.

**Q: *How do I vote?***

**A:** There are two ways you can vote:

Edgar Filing: HESKA CORP - Form DEF 14A

- (1) Sign and date each proxy card you receive and return it in the prepaid envelope.
- (2) Vote in-person at the 2007 Annual Meeting. If your shares are held of record by a broker, bank or other nominee and you wish to vote your shares at the 2007 Annual Meeting, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the 2007 Annual Meeting.

1

---

**Q: *How can I change my vote or revoke my proxy?***

**A:** You have the right to revoke your proxy and change your vote at any time before the meeting by notifying our Secretary, or returning a later-dated proxy card. You may also revoke your proxy and change your vote by voting in person at the meeting.

**Q: *Who can help answer my questions?***

**A:** If you have any questions about the 2007 Annual Meeting or how to vote or revoke your proxy, you should contact:

Heska Corporation

Attn: Secretary

3760 Rocky Mountain Avenue

Loveland, Colorado 80538

(970) 493-7272

If you need additional copies of this proxy statement or voting materials, please contact our Secretary as described above.

**Q: *What does it mean if I get more than one proxy card?***

**A:** It means that you hold shares registered in more than one account. Sign and return all proxies to ensure that all of your shares are voted.

**Q: *Who will serve as inspector of elections?***

**A:** The inspector of elections will be a representative of Computershare Trust Company, Inc., our transfer agent.

**Q: *What are the quorum and voting requirements for the 2007 Annual Meeting?***

**A:** The quorum requirement for holding the 2007 Annual Meeting and transacting business is that holders of a majority of the outstanding shares of our common stock entitled to vote must be present in person at the meeting or represented by proxy. Both abstentions and non-votes are counted for the purposes of determining the presence of a quorum, but not in determining the matter at hand. We will consider an abstention or a non-vote on a given matter to be a forfeiture of the right to vote on that matter and a forfeiture of the voting power present at the 2007 Annual Meeting underlying the forfeited votes regarding that matter. Accordingly, if you abstain on a given matter, your shares will not be voted for or against that matter and will not be considered as present and entitled to vote on that matter. However, you may abstain on a given matter for a certain portion of your shares and vote on the same matter with the remaining portion of your shares without forfeiting the votes underlying the shares you choose to vote. For example, a stockholder who owns 100 shares may choose to abstain on a proposal with 50 shares and vote for a proposal with the other 50 shares. In this case, the stockholder would forfeit his right to vote 50 shares on the proposal and would have his other 50 votes count for the proposal. In addition, an abstention or a non-vote on any matter will not affect your ability to vote on any other matter. If you hold shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters to be acted upon. If you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and, if so, will not be considered as present and entitled to vote with respect to those matters.

Edgar Filing: HESKA CORP - Form DEF 14A

The holders of a majority of the outstanding shares of our common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the 2007 Annual Meeting. Election and ratification of appointment of Director(s) will be determined by a plurality of the votes of the shares present in person or by proxy at the 2007 Annual Meeting and entitled to vote on the election of

2

---

Directors, the standard we use in the election of Directors. The other matters submitted for stockholder approval at the 2007 Annual Meeting, including the ratification of our independent registered public accountant for fiscal 2007, will be decided by the affirmative vote of a majority of the shares having voting power present in person or by proxy at the 2007 Annual Meeting and entitled to vote on the subject matter.

**Q: *Who can attend the 2007 Annual Meeting?***

**A:** All stockholders as of the Record Date can attend. If you wish to vote your shares at the 2007 Annual Meeting and your shares are held of record by a broker, bank or other nominee, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the 2007 Annual Meeting.

**Q: *What happens if additional matters are presented at the 2007 Annual Meeting?***

**A:** Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the 2007 Annual Meeting. If you grant a proxy, the persons named as proxyholders, Robert B. Grieve, Ph.D. our Chairman and Chief Executive Officer, Jason A. Napolitano, our Executive Vice President and Chief Financial Officer and John R. Flanders, our Vice President, General Counsel and Secretary, will have the discretion to vote your shares on any additional matters presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for Director, the persons named as proxyholders, Dr. Grieve, Mr. Napolitano and Mr. Flanders, will vote your proxy for such other candidate or candidates who may be nominated by the Board.

**Q: *Where can I find the voting results of the meeting?***

**A:** We intend to announce preliminary voting results at the 2007 Annual Meeting and publish final results in our quarterly report on Form 10-Q for our second fiscal quarter of 2007.

**Q: *May I propose actions for consideration at next year's Annual Meeting or nominate individuals to serve as Directors?***

**A:** You may submit proposals, including Director nominations, for consideration at future stockholder meetings. All proposals or nominations should be addressed to: Secretary, Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538.

**Stockholder Proposals:** For a stockholder proposal to be considered for inclusion in our proxy statement for the annual meeting next year, the written proposal must be received by our Secretary at our principal executive offices under either (1) Rule 14a-8 under the Securities Exchange Act of 1934, as amended (a Rule 14 Proposal ) or (2) the bylaws of Heska (a Bylaws Proposal ). A Rule 14 Proposal must be received by our Secretary at our principal executive offices no later than December 13, 2007. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable period of time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of stockholder proposals in company-sponsored proxy materials. For a Bylaws Proposal, the stockholder must deliver a written notice of intent to propose such action in accordance with our bylaws, which in general require that the notice be received by us not less than 60 days nor more than 90 days prior to the first anniversary of the date on which notice of the prior year's annual meeting was mailed to stockholders. For the 2008 Annual Meeting, this means that any

such proposal must be received no earlier than February 4, 2008 and no later than March 5, 2008.

**Director Nominees:** You may propose Director candidates for consideration by the Board's Corporate Governance Committee. Any such recommendations should be directed to our Secretary at our principal executive offices. In addition, you may nominate a Director for consideration by Heska's stockholders if you give timely notice to our Secretary of your intention to make such nomination in accordance with our bylaws, which require that the notice be received by the Secretary within the time periods described above under "Stockholder Proposals."

**Copy of Bylaw Provisions:** You may contact our Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating Director candidates.

**Q: *Who bears the costs of soliciting votes for the 2007 Annual Meeting?***

**A:** Heska is making this solicitation and will pay the entire cost of preparing, printing, assembling and mailing these proxy materials. In addition to the mailing of these proxy materials, certain of our Directors and employees may solicit proxies on our behalf in person, by telephone, electronic transmission or facsimile. No additional compensation will be paid to these people for such solicitation. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

## BOARD STRUCTURE AND COMMITTEES

Our Board is divided into three classes serving staggered three-year terms. Our Board has three standing Committees, each of which is chaired by an outside Director: (1) Audit (the Audit Committee ), (2) Compensation (the Compensation Committee ) and (3) Corporate Governance (the Corporate Governance Committee ). The membership during 2006 and the function of each Committee are described below. Our Board held four meetings during 2006. Each current Director attended at least 75% of all Board and applicable Committee meetings. Our Board currently has seven Directors: Robert B. Grieve, Ph.D., Chairman, William A. Aylesworth, Elisabeth DeMarse, A. Barr Dolan, Peter Eio, G. Irwin Gordon and John F. Sasen, Sr. Tina S. Nova, Ph.D. and Lynnor B. Stevenson, Ph.D. also served as Directors in 2006; both Dr. Nova and Dr. Stevenson chose not to stand for re-election to our Board and their service as Directors ended on May 12, 2006 - the day of our 2006 Annual Meeting. Our Board will consist of six rather than the current seven Directors effective at our 2007 Annual Meeting on May 4, 2007. Ms. DeMarse has chosen not to stand for re-election to our Board. While the Company does not have a formal policy, Directors are generally encouraged to attend annual meetings of stockholders. All of our Directors other than Dr. Nova attended our last annual meeting of stockholders.

### *Board Independence*

Our Board has determined that each of the Directors standing for re-election has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and meets the requirements of independence as set forth in the rules and regulations promulgated by the Securities and Exchange Commission (the SEC ) and the Nasdaq Stock Market listing standards (the Nasdaq Listing Standards ). Furthermore, the Board has determined that, with the exception of Dr. Grieve, Heska's Chairman and Chief Executive Officer, all current members of the Board meet the requirements of independence as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

### *Audit Committee*

Our Audit Committee has the following responsibilities:

- appoint and replace our independent auditors;
- compensate and oversee the work of our independent auditors;
- oversee and monitor the integrity of our annual and quarterly financial statements;
- review and discuss with management and our independent auditors significant financial reporting issues and critical accounting policies and practices;
- oversee and monitor the qualifications, independence and performance of our independent auditors;
- oversee and monitor our internal accounting and financial controls; and
- provide the results of examinations and recommendations derived therefrom to the Board.

During 2006, our Audit Committee met eight times. Our Audit Committee has consisted of Mr. Aylesworth, as Chairman, Ms. DeMarse and Mr. Eio since our 2005 Annual Meeting. Our Board has nominated Mr. Gordon to replace Ms. DeMarse as a member of our Audit Committee effective at our 2007 Annual Meeting.

Our Board has determined that each of the current members of our Audit Committee, as well as the proposed nominee, meets the requirements of independence as set forth in Section 10A(m)(3) of the Securities Exchange Act of 1934, the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards. Our Board has also determined that William A. Aylesworth is an Audit Committee financial expert within the meaning of the rules and regulations promulgated by the SEC and he has accounting and related financial management expertise within the meaning of the Nasdaq Listing Standards.

Our Audit Committee has a written charter, which is available on our website at [www.heska.com](http://www.heska.com). *The Company's website address provided above is not intended to function as a hyperlink, and the information on the Company's website is not and should not be considered part of this proxy statement and is not incorporated by reference herein.*

#### **Compensation Committee**

Our Compensation Committee has the following responsibilities:

- discharge the Board's responsibilities relating to compensation of our Executive Officers, including our Chief Executive Officer;
- oversee all compensation programs involving the use of our stock; and
- produce an annual report on Executive compensation for inclusion in our proxy statement for our annual meeting of stockholders.

During 2006, our Compensation Committee met two times. Our Compensation Committee has consisted of Mr. Eio, as Chairman, Mr. Dolan and Mr. Gordon since our 2005 Annual Meeting.

Our Board has determined that each of the current members of our Compensation Committee meets the requirements of independence as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

In August 2002, our Compensation Committee established a Committee designated as the Stock Option Committee, which was authorized to grant new and existing employees options to purchase shares of our common stock up to a specified limit without prior written consent of our Compensation Committee. The establishment of our Stock Option Committee was ratified by our Board in August 2002. In August 2003, the authority of our Stock Option Committee was expanded to include grants of options to purchase shares of our common stock up to a specified limit to consultants and independent contractors who provide bona fide services to Heska. The sole member of our Stock Option Committee since its inception was Dr. Grieve, our Chairman and Chief Executive Officer. In March 2007, our Compensation Committee dissolved our Stock Option Committee.

Our Compensation Committee has a written charter, which is available on our website at [www.heska.com](http://www.heska.com). *The Company's website address provided above is not intended to function as a hyperlink, and the information on the Company's website is not and should not be considered part of this proxy statement and is not incorporated by reference herein.*

#### **Corporate Governance Committee**

Our Corporate Governance Committee has the following responsibilities:

- assist our Board by identifying qualified candidates for Director, and select the Director nominees for each annual meeting of stockholders;

- lead our Board in its annual review of our Board's performance;
- recommend to our Board Director nominees for each Board Committee; and
- develop and recommend to our Board the corporate governance guidelines applicable to the Company.

During 2006, our Corporate Governance Committee met one time. Our Corporate Governance Committee consisted of Mr. Sasen, as Chairman, Mr. Aylesworth and Dr. Nova from our 2005 Annual Meeting to May 12, 2006 – the day of our 2006 Annual Meeting. Our Corporate Governance Committee has consisted of Mr. Sasen, as Chairman, Mr. Aylesworth and Mr. Gordon since May 12, 2006. Our Board has determined that each of the current members of our Corporate Governance Committee meets the requirements of independence as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

Our Corporate Governance Committee has a written charter, which is available on our website at [www.heska.com](http://www.heska.com). In addition, our Corporate Governance Committee prepared, and our full Board has approved Corporate Governance Guidelines outlining the qualifications, responsibilities and other issues related to our Board's governance role and functions, which is available on our website at [www.heska.com](http://www.heska.com). *The Company's website address provided above is not intended to function as a hyperlink, and the information on the Company's website is not and should not be considered part of this proxy statement and is not incorporated by reference herein.*

#### ***Consideration of Director Nominees***

Our Corporate Governance Committee considers candidates for Board membership suggested by its members. Our Corporate Governance Committee has also utilized a third-party executive search firm in the past to identify candidates.

Our Corporate Governance Committee does not have an established policy for minimum qualifications of Director nominees. However, pursuant to our Corporate Governance Guidelines, our Corporate Governance Committee will consider, among other things, diversity, skills and experience in such areas as operations, finance, marketing and sales, manufacturing, technology and the general needs of our Board.

Our Corporate Governance Committee will also consider nominees recommended by stockholders provided such recommendations are made in accordance with the procedures described in this proxy statement under Questions and Answers About the Proxy Materials and the 2007 Annual Meeting. Although to date no stockholder has presented any candidate for Board membership to us, it is expected that recommendations from stockholders would generally be considered in the same manner as recommendations by a Director or an Officer of the Company.

#### ***Stockholder Communication with our Board***

Stockholders can contact our Board, any Committee thereof, or any Director in particular, by writing to them, c/o Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538, Attn: Secretary. We will forward any correspondence sent in the foregoing manner to the appropriate addressee without review by management.

## **DIRECTOR COMPENSATION**

The form and amount of compensation paid to the non-employee Directors is reviewed from time to time by our Corporate Governance and our Compensation Committees. Any revisions to our Director Compensation Policy have been approved by our Corporate Governance Committee, our Compensation Committee and our Board. On November 17, 2006, we amended our Director Compensation Policy with the amended policy to be effective January 1, 2007 and on March 5, 2007, we amended our Director Compensation Policy with the amended policy to be effective July 1, 2007.

*2006 Director Compensation.* In 2006, no employee Director received any separate compensation for their Board activities. Non-employee Directors received the compensation described below.

On May 12, 2006, the date of our 2006 Annual Meeting, all six continuing non-employee Directors who were Directors at the end of the immediately preceding calendar year automatically received options valued at \$30,000 to purchase shares of our common stock, subject to a maximum grant of options to purchase 40,000 shares of our common stock; each non-employee Director who served as Chairperson of a Committee of our Board automatically received additional options valued at \$2,000 to purchase shares of our common stock, subject to a maximum additional grant of options to purchase 2,000 shares of our common stock and each non-employee Director who served on a Committee of our Board, including as Chairperson, automatically received additional options valued at \$1,000 to purchase shares of our common stock, subject to a maximum additional grant of options to purchase 2,000 shares of our common stock. All options granted under the provisions of this paragraph were immediately exercisable and we expect all such options will vest at the time of our 2007 Annual Meeting.

Each non-employee Director was entitled to choose, on an annual basis, whether to receive fees for meeting attendance in the form of cash payment or equity as fully vested stock options. Non-employee Directors received a fee of \$2,000, in cash or equity, per day for each in-person Board and Committee meeting attended and \$500, in cash or equity, per day for each telephonic Board and Committee meeting attended. The value for all options to purchase shares of our common stock issued to non-employee Directors in 2006 was determined pursuant to our option valuation policy at the time of issuance. Directors were also reimbursed for customary and usual travel expenses.

**PROPOSALS TO BE VOTED ON**

**PROPOSAL NO. 1**

**ELECTION AND RATIFICATION OF APPOINTMENT OF DIRECTORS**

Our Board is divided into three classes serving staggered three-year terms. Our Certificate of Incorporation requires us to ensure each class is as nearly equal in number as possible. Directors for each class are elected at the Annual Meeting of Stockholders held in the year in which the term for their class expires.

The terms for two Directors will expire at this 2007 Annual Meeting. Directors elected at the 2007 Annual Meeting will hold office for a three-year term expiring at our 2010 Annual Meeting (or until their respective successors are elected and qualified, or until their earlier death, resignation or removal). At our 2005 Annual Meeting, Dr. Grieve was elected to a three year term scheduled to expire at our 2008 Annual Meeting. On May 12, 2006, our Board appointed Dr. Grieve to a term scheduled to expire at our 2009 Annual Meeting. We previously had only one Director in the class with term set to expire at our 2009 Annual Meeting as both Dr. Nova and Dr. Stevenson decided not to stand for re-election at our 2006 Annual Meeting. Our Certificate of Incorporation requires us to have at least two Directors in each class if our Board consists of six or seven Directors. If ratified, Dr. Grieve will hold office for a term expiring at our 2009 Annual Meeting (or until his successor is elected and qualified or until his earlier death, resignation or removal). Votes cannot be cast and proxies cannot be voted other than for the two nominees and the appointee named below. Both of the nominees and the appointee are currently Directors of Heska. There are no family relationships among Heska's Executive Officers and Directors.

(1) Based on targeted bonus multiplied by the percentage cap in our 2007 Management Incentive Plan ( MIP ). Our 2007 MIP is designed with a cap of \$1.65 million on total payouts, or 150% of projected targeted bonuses. Our 2007 MIP gives our Compensation Committee discretion as to how any payouts will be distributed and the ability to make total payouts above the cap level. Accordingly, although our Compensation Committee has never awarded an MIP Payout to an employee greater than the employee s targeted bonus multiplied by the applicable percentage cap , our Compensation Committee has the ability to make 2007 MIP payouts to Executive Officers in excess of that amount, which is reported as maximum in this column.

(2) Options were fully vested and exercisable at the time of grant with an exercise price equal to 100% of the fair market value of our stock on the date of grant as determined by our Compensation Committee, and with a term of ten years, subject to earlier termination in certain events related to termination of employment.

(3) Grant date fair value of option awards are based on valuation techniques required by Option Accounting Rules. Like any estimate prepared in good faith, the underlying assumptions we use under Option Accounting Rules may vary from our actual future results. The option valuations used for accounting and/or financial reporting purposes do not necessarily represent the value any individual recipient would place on an option award. ## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### Executive Compensation Objective and Philosophy

The Compensation Committee of Heska Corporation's Board of Directors (the Committee) administers our executive compensation program and establishes the salaries of our Executive Officers. The ultimate objective of our executive compensation program is to enhance the value and profitability of Heska Corporation (Heska or the Company) and increase stockholder value. The Committee strives to provide competitive compensation that will attract and retain qualified executives. Inherent in our approach is the philosophy that compensation can align behavior and actions with stockholder interests, attract and retain stronger executives and thus create value for stockholders over time. The Committee's goal in executive compensation is to design and administer programs that best serve these ends.

#### What is Heska's Executive Compensation Program Designed to Reward?

The Committee develops our executive compensation programs to reward Executive Officers for their contribution to Heska's financial performance and to recognize individual initiative, leadership, achievement and other contributions. An effective compensation program will reward executives for working well collectively as well as for strong individual performance.

#### What are the Elements of Heska's Executive Compensation?

In general, the Committee develops executive compensation programs to include the following elements:

- Base salary;
- Performance-based incentive compensation;
- Long-term equity incentive compensation; and
- Other benefits, compensation or arrangements.

#### Why Does Heska Choose to Pay Each Element of Executive Compensation?

*Base salary.* Base salaries are set on an annual or other periodic basis and are used to set bonus targets in our Management Incentive Plan (MIP) discussed below.

*Performance-based incentive compensation.* This form of compensation is based on the achievement of predetermined financial, project, research or other designated objectives. This form of compensation is paid to reward near-term performance (i.e. no longer than the coming year) and encourage executives to optimize immediate opportunities. In recent years, an MIP has been offered to Executive Officers and other managers to provide a performance-based incentive.

*Long-term equity compensation.* This form of compensation is designed to encourage the achievement of superior financial results over an extended period of time and align the interests of stockholders and Executive Officers. It is intended to ensure that Executive Officers make thoughtful decisions about the Company's future and long-term prospects.

*Other benefits, compensation or arrangements.* Other than broad-based programs open to all employees, such as participation in our 401(k) program and employee stock purchase plan, this category tends to be used rarely. Most of our Executive Officers have employment agreements. An Executive Officer's extraordinary performance or participation in an unanticipated endeavor may occasionally trigger such an award in this category.

#### **Perspective on Executive Compensation at Heska**

Heska was founded in 1988 and completed its initial public offering in 1997 but only achieved its first profitable year in 2005. We believe the Company's historical liquidity concerns and efforts to achieve profitability have influenced the Committee's decisions regarding executive compensation, as outlined below.

Profitability has been an important goal for Heska to ensure the sustainability of the business. Profitability has also been critical, not only for its own sake, but also for employee morale, attracting talented individuals to join the Company and commercial perceptions. At the request of Heska's Executive Officers to help achieve profitability, the Committee froze base salaries for all Executive Officers in 2005 and 2006. Similarly, the 2005 MIP called for a performance in excess of the Company's internal budget before any bonus payments were made and no payouts were ultimately made under the 2004 MIP or the 2005 MIP (with the foregoing base salary and MIP information defined as "Historical Cash Compensation").

Stock options have historically had the advantage of allowing the Company to address both liquidity and profitability concerns simultaneously. First, stock options allowed the Committee to compensate employees without a corresponding cash outlay, and, in fact, provide the Company with cash upon exercise in most instances. Secondly, stock options granted have not historically been required to be expensed for financial reporting purposes. Accordingly, the Committee tended to emphasize stock options as a tool for executive compensation. Beginning in 2006, the Company has been required to recognize a cost for certain stock options in its financial statements, as detailed in the "Summary Compensation Table" above; the estimated fair value of stock options granted, rather than the corresponding intrinsic value, is amortized ratably over the vesting periods of the related options. After considering the significant impact that the use of fair values, rather than intrinsic values, would have on our future results of operations, as well as factors including Historical Cash Compensation to Executive Officers and similar cash compensation issues to other employees, the Company accelerated stock option vesting in December 2004 and March 2005 as well as issuing all options with immediate vesting on and between March 30, 2005 and December 31, 2005. This is why virtually all options held by Executive Officers are vested as of December 31, 2006 in the table labeled "Outstanding Equity Awards at Fiscal Year-End" above.

The Committee is also sensitive to, and tries to optimize, tax implications. It is our policy generally to qualify compensation paid to Executive Officers for deductibility under Section 162(m) of the Internal Revenue Code. The Committee has structured the Management Incentive Plan Master Document, its 2006 MIP and the 2007 MIP to qualify as awards under such plans as performance-based compensation and to maximize the tax deductibility of such awards. However, the Committee reserves the discretion to pay compensation to its Executive Officers that may not be deductible.

#### **Determination of Compensation Elements**

In reviewing the compensation of our Executive Officers, the Committee reviews the nature and scope of each Executive Officer's responsibilities as well as his or her effectiveness in that role as well as in supporting the Company's long-term goals. Heska's Board of Directors (the "Board") formally evaluates the Chief Executive Officer (the "CEO"). The CEO communicates his view of the performance of other Executive Officers to the Committee and makes recommendations regarding salary, incentive-based

performance compensation and long-term compensation grants for the Committee's consideration. In the past few years, Heska's Vice President of Human Resources has compiled and presented data discussed below for the Committee's consideration of the different compensation elements discussed below. The Chief Financial Officer (the CFO) also meets with the Committee to communicate on issues of interest to the Committee, such as accounting implications.

Since 2005, the process to determine executive compensation has culminated at our Board meeting held in the fourth quarter. At that time a Committee meeting is held and final determinations are made regarding any base salary increases, MIP Plan adoption or long-term compensation equity grants for the coming year. Accordingly, all option grants to Executive Officers are granted after the market close on the day the Committee meets during the Company's fourth quarter Board meeting. We expect this to be our standard practice going forward.

In 2006, the Committee reviewed compensation data for the following companies as part of its review of Executive Compensation: Abaxis, Abgenix, Arqule, Array Biopharma, Digene, Embrex, Hi Tech Pharmaceuticals, IDEXX Laboratories, Meridian Bioscience, MGI Pharma, Quidel and Savient Pharmaceuticals.

**Base Salary.** The Committee reviews each Executive Officer's base salary annually. When reviewing base salaries, the Committee considers compensation data from companies in medical, biotechnology and general industry groups that have similar revenues and/or are in a similar stage of development to Heska. Consideration is also given to prior performance, relevant experience, level of responsibility and skills, and abilities of each Executive Officer. The Committee believes that salary levels for our Executive Officers are set at a level that, at the time such salary determinations were made, were reasonable and necessary given the Company's financial resources and stage of development. The Committee has considered it appropriate, and in the best interests of Heska's stockholders, to endeavor to set our overall Executive Officer compensation near the mid-point of the range of companies in the comparison group it reviewed. The Committee reviews relevant information and makes a case-by-case determination relying on its collective judgment and experience.

In 2006, the Committee was concerned regarding the effect of the three year salary freeze on Executive Officer base salaries versus market levels. The information in the base salary table below was approved for the Named Executive Officers (Dr. Verser voluntarily left the Company effective December 31, so she is not listed). The Committee also agreed to consider a mid-2007 review of base salaries if necessary to bring them more in line with desired rates.

Name	Annual Salary	Percent Increase
Robert B. Grieve	\$ 375,000	10.0 %
Jason A. Napolitano	\$ 232,575	5.0 %
Joseph H. Ritter	\$ 200,070	5.3 %
Michael A. Bent	\$ 165,635	5.5 %

**Performance-Based Incentive Compensation.** The Company first adopted an MIP in 1999 to provide incentives to our Executive Officers, other managers and key employees to meet and exceed certain predetermined annual goals. Target annual incentives and specific performance criteria are established each year by the Committee, with the actual payout based on the extent to which the specified performance criteria are met. We believe this approach provides a strong incentive for our management to achieve the stated annual goals. In late 2005, the Committee adopted the Management Incentive Plan Master Document (the Master Document). A goal of the Master Document is self-funding status for the MIP in any given year. A given year's MIP can be implemented by the Committee agreeing on four parameters: 1) the percent of salary

that is an individual's targeted bonus compensation; 2) the relative weighting of company wide and individual performance, 3) the key parameter(s) the MIP payouts are to be based upon and 4) the Payout Structure by which the MIP is funded. Typically there has been a cap on the MIP of approximately 150% of target payout to all employees, although this is not required in any given year. Each individual has a targeted MIP Payout and this is intended as a guideline. Our CEO will generally make recommendations to the Committee regarding MIP payouts to other MIP Plan participants; all awards under the MIP Plan are at the discretion of the Committee. Any MIP Payouts are to be made in the first quarter of the following year.

In considering the 2006 MIP, the Committee was aware that the Executive Officers were entering their third consecutive year with the same salary and that the Executive Officers had not received any bonus payments in the prior two years. The Committee adopted a plan with relatively low payout thresholds, as detailed below. At the Committee meeting in the fourth quarter of 2005, the Committee adopted the 2006 MIP with the following parameters:

Parameter	Result
% Salary Target	Chief Executive Officer 50% All other Executive Officers 35%
Relative Weighting	75% Company Performance / 25% Individual Performance
Key Parameter	Pre-MIP Net Income
Payout Structure	Funding starts at \$1 of Pre-MIP Net Income 50% Share of every \$1 in additional Pre-MIP Net Income MIP Capped at \$1.5 million (150% of targeted payout)

As an example, if Heska had \$1.2 million in Pre-MIP Net Income, there would be \$600 thousand available for the MIP for the Committee to distribute among plan participants. This represents a plan funded at 60% of target. Dr. Grieve's 2006 salary was \$341,000 and his targeted payout was \$170,500 (50% of \$341,000). In a 60% MIP-funded plan, his targeted payout would drop to \$102,300 (60% of \$170,500). The Committee could then adjust his pay upward for strong individual performance or downward for poor individual performance using a 25% weighting as a guideline for the adjustment. This is a guideline only, however, as the Committee retains discretion to adjust this number as circumstances dictate.

In considering the 2007 MIP, the Committee was aware that the Executive Officers were to receive base salary increases in the coming year and were eligible to receive maximum bonus payouts under the 2006 MIP. The Committee adopted a plan with more aggressive payout thresholds, as detailed below. At the Committee meeting in the fourth quarter of 2006, the Committee adopted the 2007 MIP with the following parameters:

Parameter	Result
% Salary Target	Chief Executive Officer 50% All other Executive Officers 35%
Relative Weighting	75% Company Performance / 25% Individual Performance
Key Parameter	Pre-MIP Operating Income
Payout Structure	Funding starts at \$4.5 million of Pre-MIP Operating Income, as defined 25.14% Share of every additional \$1 in Pre-MIP Operating Income MIP Capped at \$1.65 million (150% of targeted payout)

As an example, if Heska had \$7,125,000 in Pre-MIP Operating Income, there would be \$660 thousand available for the MIP for the Committee to distribute among plan participants. This represents a plan funded at 60% of target. If Dr. Grieve's expected 2007 salary is \$375,000, then his targeted payout would be \$187,500 (50% of \$375,000). In a 60% MIP-funded plan, his targeted payout would drop to \$112,500 (60% of \$187,500). The Committee could then adjust his pay upward for strong individual performance or downward for poor individual performance using a 25% weighting as a guideline for the adjustment. This is a guideline only, however, as the Committee retains discretion to adjust this number as circumstances dictate.

In the table named "Grants of Plan-Based Awards" above, we list potential payouts under the 2007 MIP to Named Executive Officers under "Estimated Future Payouts Under Non-Equity Incentive Plan Awards". All "Threshold" MIP Payouts are listed at \$0 as the MIP Plan will not fund if Pre-MIP Operating Income is at the threshold level of \$4.5 million. All "Target" MIP Payouts are as defined above. The "Maximum" MIP Payouts are 50% greater than the "Target" MIP Payouts to reflect that the 2007 MIP Plan is capped at 150% of its targeted funding level. It is possible the Committee may decide to pay a Named Executive Officer greater than this amount, although this did not occur in 2006 when the 2006 MIP Plan reached its capped funding level.

At a Committee meeting in March 2007, our CEO recommended to the Committee that all plan participants be paid an MIP Payout nearly 50% greater than target in accordance with achievement in excess of the MIP cap. The Committee accepted this recommendation. The MIP Payouts to Named Executive Officers are listed as "Non-Equity Incentive Plan Compensation" in the "Summary Compensation Table" above.

**Long-term Equity Compensation.** Historically, we have used stock options to provide long-term equity compensation to our Executive Officers. The Committee is responsible for determining the number and terms of options, or other forms of long-term equity compensation, to be granted to Executive Officers, taking into account such factors as individual and Company performance, policies regarding cash compensation and practices of comparable companies. Options granted to Executive Officers have exercise prices equal to fair market value on the date of grant and expire ten years from the date of grant. Any vesting ceases and the vested portion of options must be exercised within a certain period should an Executive Officer leave Heska's employment (subject to any rights to partial acceleration of vesting upon termination without cause under employment agreements). Accordingly, option grants will provide a return to an Executive Officer only if said Executive Officer remains with the Company and only if Heska's market price per share appreciates over the option term. We believe that these provisions help both to retain qualified employees and to motivate them to achieve long-term increases in stock value, providing continuing benefits to the Company and its stockholders beyond those in the year of grant. There has been agreement among Committee members that long-term equity compensation will involve fewer Company shares than it has in the past. This is an area where there has been considerable discussion among Committee members regarding the proper value, number of shares of Company common stock, vesting provisions and form of future long-term equity compensation. It is possible the Committee will choose to use restricted stock, restricted stock units, some other form of long-term equity compensation, continue to use stock options, or use some combination of the foregoing in the future.

In the fourth quarter of 2006, after significant discussion and considering factors including the Historical Compensation to Executive Officers, the fact that the 2006 MIP was expected to be capped, our expected financial results in the fourth quarter of 2006, the significant impact that the use of fair values for options granted would have on our future results of operations and the total number of options previously granted in 2006, the Committee decided to grant fully-vested options in an amount approximately 60% of the size of the prior year's grant. These options were granted at the close of business on November 17, 2006 - the date of the Committee meeting. Related option grants to Named Executive Officers are reflected in the

Grants of Plan-Based Awards table above in the column labeled All Other Option Awards; Number of Securities Underlying Options (#) .

Option Awards in the Summary Compensation Table above represent the cost of options recognized for financial reporting purposes in 2006 for each of our Named Executive Officers. Other than for Dr. Verser, the majority of the value in each case is related to the November 17, 2006 fully vested grant discussed above. Dr. Verser had announced she was leaving the Company as of December 31, 2006 and therefore did not receive any additional options. For all other Named Executive Officers other than Mr. Napolitano, the only other option cost included is for options granted with a 4-year vesting schedule in January 2003 with monthly vesting in 2006. In addition to such options granted in January 2003, Mr. Napolitano's total also includes option cost from his initial grant of options upon joining the Company in May 2002, which vested monthly in 2006 ending in May.

All Other Compensation in the Summary Compensation Table above represent matching funds received by each of our Named Executive Officers in 2006 under our 401(k) plan, which is open to all employees, as well as life insurance and short-term and long-term disability premiums.

All of our Named Executive Officers had employment contracts in 2006. They entitle Named Executive Officers to payments based on salary, continuing medical benefits for a given period and immediate vesting of unvested options in certain circumstances. Payments based on salary are typically paid monthly. Dr. Grieve is also entitled to payout based on bonus targets in certain circumstances, such as termination without cause, as well. These employment contracts are intended to provide the Named Executive Officers with protections appropriate for, and in line with, those received by comparable executives at companies similar to Heska. Periodically, we review these agreements versus market benchmarks.

In summary, Heska Corporation is changing, having just experienced its second consecutive profitable year and with the current outlook for another record year in terms of revenue and profits in 2007. Heska's Executive Compensation is changing along with the Company. The Committee endeavors to find the proper balance of base salary, performance-based incentive compensation, long-term equity incentive compensation and other forms of compensation.

**AUDITOR FEES AND SERVICES**

## Edgar Filing: HESKA CORP - Form DEF 14A

KPMG LLP ( KPMG ) was our independent registered public accountant for fiscal 2005. On March 31, 2006, we dismissed KPMG as our independent registered public accountant and engaged EKS&H as our independent registered public accountant. KPMG has continued to bill us for services related to its historical audit opinions, such as actions required to obtain consent to include these opinions in our SEC filings. The following table sets forth the aggregate fees billed by KPMG and EKS&H for audit services rendered in connection with the consolidated financial statements and reports for fiscal years 2005 and 2006, respectively, and for other services rendered during 2005 and 2006 on behalf of Heska and its subsidiaries, as well as all out-of-pocket costs incurred in connection with these services which have been billed to Heska and its subsidiaries. Our Audit Committee has approved all of the below fees.

	<b>KPMG 2005</b>	<b>2006</b>	<b>EKS&amp;H 2006</b>
Audit Fees (1)	\$ 439,352	\$ 28,450	\$ 170,870
Audit Related Fees (2)	18,200		14,000
Tax Fees (3)	69,776	88,147	
All Other Fees (4)			
<b>Total</b>	<b>\$ 527,328</b>	<b>\$ 116,597</b>	<b>\$ 184,870</b>

(1) Audit fees represent fees for the audit of our annual financial statements, review of financial statements included in our Form 10-Q Quarterly Reports and services that are normally provided by the independent auditors in connection with statutory and regulatory filings including consents for historical audit opinions.

(2) Audit related fees are fees for the assurance and related services by the independent auditors that are reasonably related to the performance of the audit or review of our financial statements and are not reported above under Audit Fees. The services for fees disclosed under this category include the annual audit of our 401(k) Retirement Plan.

(3) Tax fees generally consist of professional services rendered by the independent auditors for tax compliance and tax advice. The tax fees for fiscal 2005 include \$63,000 in fees for tax compliance and return preparation services and \$6,776 for other tax services. Tax fees for fiscal 2006 include \$67,300 for tax compliance and return preparation services and \$20,847 for other tax services.

(4) Heska did not engage EKS&H or KPMG for any other services in fiscal year 2005 and 2006.

**Pre-Approval Policy.** Our Audit Committee pre-approves all auditing services and non-audit services not prohibited by law to be performed by our independent registered public accountant. Our Audit Committee also pre-approves all associated fees, except for *de minimus* amounts for non-audit services, which are approved by our Audit Committee prior to the completion of the audit.

## **REPORT OF OUR AUDIT COMMITTEE**

The ultimate responsibility for good corporate governance rests with Heska Corporation's Board of Directors (the Board), whose primary roles are oversight, counseling and direction to Heska Corporation's management in the best long-term interests of Heska Corporation (Heska or the Company) and its stockholders. The Audit Committee of the Board (the Audit Committee) has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of Heska's financial statements.

The Audit Committee operates under a written charter, a copy of which is available on Heska's website at [www.heska.com](http://www.heska.com). As described more fully in its charter, the purpose of the Audit Committee is to assist the Board in its oversight and monitoring of Heska's financial reporting, internal controls and audit function. Management is responsible for the preparation, presentation and integrity of Heska's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Audit Committee has hired an independent registered public accountant, who is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee has ultimate authority and responsibility to select, direct, compensate, evaluate and, when appropriate, replace Heska's independent registered public accountant.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accountant, nor can the Audit Committee certify that the independent registered public accountant is independent under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management on the basis of the information it receives, discussions with management and the independent registered public accountant, and the experience of the Audit Committee's members in business, financial and accounting matters. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

In this context, during the year 2006, we met and held discussions with management and Ehrhardt Keefe Steiner & Hottman PC (EKS&H), Heska's independent registered public accountant. Management represented to us that Heska's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed the consolidated financial statements with management and EKS&H. In Audit Committee meetings with EKS&H, we discussed matters as required by Statement of Auditing Standards No. 61 (Communication with Audit Committees). Our review included a discussion with management of the quality, not merely the acceptability, of Heska's accounting principles, the reasonableness of significant estimates and judgments and the disclosure in Heska's consolidated financial statements.

We received from EKS&H the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with EKS&H its independence. In reliance on the reviews and discussions noted above, and the report of the independent

registered public accountant, we recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2006, and be filed with the Securities and Exchange Commission.

On March 31, 2006, we dismissed KPMG LLP ( KPMG ) as Heska's independent registered public accountant and engaged EKS&H as Heska's independent registered public accountant. An extensive search was conducted to evaluate Heska's alternatives regarding independent registered public accountants, including face-to-face interviews conducted by the Chairman of the Audit Committee. We believe EKS&H is compatible with a company Heska's size and we believe EKS&H conducted a high quality, cost-effective audit for fiscal 2006.

KPMG served as Heska's independent auditors from July 30, 2002 to March 31, 2006. In connection with the audits of the two fiscal years ended December 31, 2004 and 2005, and during the subsequent interim period through March 31, 2006, the Company did not have any disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. In addition, during the fiscal years ended December 31, 2004 and 2005 and through March 31, 2006, the Company had no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

During the years ended December 31, 2004 and 2005 and the subsequent period through March 31, 2006, neither the Company nor anyone acting on the Company's behalf consulted EKS&H regarding: (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (2) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K or a reportable event described in Item 304(a)(1)(v) of Regulation S-K.

## **ADDITIONAL INFORMATION**

### **Householding of Proxy Materials**

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Heska and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Investor Relations, Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538.

### **OTHER MATTERS**

Our Board knows of no other matters to be presented for stockholder action at our 2007 Annual Meeting. However, if other matters do properly come before our Annual Meeting or any adjournments or postponements thereof, our Board intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.
