PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

May 20, 2009

This proxy statement is furnished in connection with the solicitation by the board of directors of Landmark Bancorp of proxies to be voted at the annual meeting of stockholders to be held at the Kansas State University Alumni Center, 17th and Anderson Avenue, Manhattan, Kansas, on Wednesday, May 20, 2009, at 2:00 p.m., local time, and at any adjournments or postponements of the meeting. Our 2008 annual report, which includes consolidated financial statements of Landmark Bancorp and Landmark National Bank, is also enclosed. This proxy statement is first being mailed to Landmark Bancorp's stockholders on or about April 17, 2009.

The following is information regarding the meeting and the voting process, presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on April 3, 2009, the record date for the annual meeting, you owned shares of Landmark Bancorp's common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning the matters to be voted on at the meeting, to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of three Class II directors of Landmark Bancorp for a term expiring in 2012. Additionally, you are being asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the 2009 fiscal year. These matters are more fully described in this proxy statement.

If I am the record holder of my shares, how do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed postage-paid, pre-addressed envelope to our transfer agent, Registrar and Transfer Company, 10 Commerce Drive, Cranford, New Jersey, 07016.

If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct. If you sign and return

your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted for all three nominees named in this proxy statement and for the ratification of KPMG LLP as our independent registered public accounting firm.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting in case your plans change. Please note, that if your shares are held in the name of your broker (or in what is usually referred to as street name), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting.

If I hold shares in the name of a broker or fiduciary, who votes my shares?

If you received this proxy statement from your broker or by a trustee or other fiduciary who may hold your shares, your broker or fiduciary should have given you instructions for directing how they should vote your shares. It will then be their responsibility to vote your shares for you in the manner you direct. As discussed above, if you want to vote in person at the meeting, you will need to arrange to obtain a legal proxy from your broker or fiduciary in order to vote in person at the meeting.

Under NASDAQ rules, brokers may generally vote on routine matters, such as the election of directors and the ratification of the independent registered public accounting firm, but cannot vote on non-routine matters, such as an amendment to our certificate of incorporation or the adoption or amendment of an equity compensation plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on a matter on which your broker does not have discretionary authority to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a broker non-vote and will affect the outcome of the voting as described below, under How many votes are needed for approval of each proposal?

We encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please sign and return ALL proxy forms to ensure that all your shares are voted.

What options do I have in voting on each of the proposals?

You may vote for or withhold authority to vote for each nominee for director. You may vote for, against or abstain on any other proposal that may properly be brought before the meeting. Abstentions will be considered in determining the presence of a quorum but will not affect the vote required for election of our directors or the ratification of our independent registered public accounting firm.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for approval of each proposal?

Directors are elected by a plurality and the three individuals receiving the highest number of votes cast for their election will be elected as Class II directors of Landmark Bancorp. The ratification of our independent registered public

accounting firm and all other matters must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes and abstentions will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- signing another proxy with a later date and returning that proxy to our transfer agent at:

Registrar and Transfer Company
10 Commerce Drive
Cranford, New Jersey, 07016;

- sending notice to our transfer agent that you are revoking your proxy; or
- voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many shares do we need to have represented at the meeting to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- is present in person at the meeting; or

- has properly submitted a signed proxy card or other proxy.

On April 3, 2009, the record date, there were 2,371,450 shares of common stock issued and outstanding. Therefore, at least 1,185,726 shares need to be present at the annual meeting to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than three nominees. The board has no reason to believe any nominee will be unable to stand for re-election.

Where do I find the voting results of the meeting?

If available, we will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ending June 30, 2009.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors or employees of Landmark Bancorp or its subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

PROPOSAL I ELECTION OF DIRECTORS

At the annual meeting of the stockholders to be held on May 20, 2009, our stockholders will be entitled to elect three Class II directors for a term expiring in 2012. Landmark Bancorp's directors are divided into three classes having staggered terms of three years. All the nominees for election as Class II directors are incumbent directors. We have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees becomes unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting.

Set forth below is information concerning the nominees for election and for the other directors whose terms of office will continue after the meeting, including their age, the year first elected a director and their business experience during the previous five years. The nominees, if elected at the annual meeting of stockholders, will serve as Class II directors for three year terms expiring in 2012. **We unanimously recommend that you vote FOR each of the nominees for director. Unless authority to vote for the nominees is withheld, the shares represented by the enclosed proxy card, if executed and returned, will be voted FOR the election of the nominees proposed by the board of directors.**

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

We currently have ten directors serving as our board, a majority of whom are deemed to be independent, as that term is defined by NASDAQ. Mr. Alexander is not deemed to be independent because of his position as our President and Chief Executive Officer. Mr. Bowman is not deemed to be independent because Landmark Bancorp engaged Bowman, Bowman and Novick, Inc., an architectural firm, of which he is a significant shareholder, in connection with the design and construction of a new branch facility. Additionally, Mr. Snapp is not deemed to be independent because Landmark Bancorp has regularly engaged the law firm of Waite, Snapp & Doll, of which he is a partner, in the past. In accordance with our corporate governance procedures, the board does not involve itself in the day-to-day operations of Landmark Bancorp, which is monitored by our executive officers and management. Our directors fulfill their duties and responsibilities by attending regular meetings of the full board, with additional special meetings held from time to time. Our directors also discuss business and other matters with Mr. Alexander, other key executives and our principal external advisers (legal counsel, auditors and other consultants) at times other than regularly scheduled meetings when appropriate.

The board of directors has, in addition to other committees, an Audit Committee, a Nominating and Governance Committee and a Compensation Committee. Consistent with NASDAQ listing requirements, the independent directors regularly have the opportunity to meet without Mr. Alexander, Mr. Bowman and Mr. Snapp in attendance. During 2008, the independent directors met two times. The current charters of each of these committees are available on Landmark Bancorp's website at www.landmarkbancorpinc.com. Our website also contains a general description about us as well as our Code of Business Conduct and Ethics. Additionally, we maintain a separate website for Landmark National Bank at www.banklandmark.com that contains a description of our banking services and products.

The board held eight regularly scheduled and special meetings during 2008. In 2009, the full board intends to meet six times with special meetings held from time to time when necessary and through committee membership, which is discussed below. During 2008, all directors attended at least 75 percent of the meetings of the board and the committees on which they served. Although we do not have a formal policy regarding director attendance at the annual meeting, we encourage and expect all of our directors to attend. Last year, all of the directors were present at the annual meeting.

Audit Committee

Messrs. Ball, Downey, Pettle, Ross and Schugart and Ms. Roepke served as members of the Audit Committee, with Mr. Pettle serving as Chairman. Each of these members is considered independent, according to listing standards set forth by NASDAQ and Rule 10A-3 of the Securities Exchange Act of 1934 and the board believes that each member of the committee possesses the necessary skills and qualifications to critically analyze our financial statements and financial reporting process. Further, the board has determined that Ms. Roepke qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission. The board based this decision on Ms. Roepke's education and professional experience as a former senior financial executive of a financial institution.

The functions performed by the Audit Committee include, but are not limited to, the following:

- selecting and managing the relationship with our independent registered public accounting firm;
- reviewing the independence of the independent registered public accounting firm;
- reviewing actions by management on recommendations of the independent registered public accounting firm and internal auditors;
- meeting with management, the internal auditors and the independent registered public accounting firm to review the effectiveness of our system of internal control over financial reporting and internal audit procedures;
- reviewing our earnings releases and reports filed with the Securities and Exchange Commission; and
- reviewing reports of bank regulatory agencies and monitoring management's compliance with recommendations contained in those reports.

To promote independence of the audit function, the Audit Committee consults separately and jointly with the independent registered public accounting firm, the internal auditors and management. The internal auditor reports directly to the committee on audit and compliance matters. The committee also reviews and approves the scope of the annual external audit and consults with the independent registered public accounting firm regarding the results of their auditing procedures. We have adopted a written charter, which sets forth the Audit Committee's duties and responsibilities. A copy of the charter is currently available on our website at www.landmarkbancorpinc.com. The Audit Committee for Landmark Bancorp met nine times in 2008.

Compensation Committee

The Compensation Committee is currently comprised of Messrs. Ball, Pettle, and Schugart and Ms. Roepke, with Mr. Ball serving as Chairman. Each of the current members is considered independent, as such term is defined by NASDAQ listing requirements, an outside director pursuant to Section 162(m) of the Internal Revenue Code of 1986, and a non-employee director under Section 16 of the Securities Exchange Act. The Compensation Committee is responsible for matters related to the compensation of our Chief Executive Officer and other executive officers. The Compensation Committee's responsibilities and functions are further described in its charter, which is available on our website at www.landmarkbancorpinc.com. The Compensation Committee met one time in 2008.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is currently comprised of Messrs. Downey, Lewis and Ross, with Mr. Downey serving as the Chairman. Each of the members is deemed to be independent, as such term is defined by NASDAQ. The Nominating and Corporate Governance Committee is charged with overseeing our corporate governance programs as well as nominating directors to serve on the board of directors. The Nominating and Corporate Governance Committee's responsibilities and functions are further described in its charter, which is available on our website at www.landmarkbancorpinc.com. The Nominating and Corporate Governance Committee met one time in 2008.

Director Nominations and Qualifications

In carrying out its nominating function, the Nominating and Corporate Governance Committee evaluates all potential nominees for election, including incumbent directors, board nominees and

stockholder nominees, in the same manner, although it is not currently seeking candidates to serve on the board and we did not receive any stockholder nominations for the 2009 annual meeting. Generally, the Nominating and Corporate Governance Committee believes that, at a minimum, directors should possess certain qualities, including the highest personal and professional ethics and integrity, a sufficient educational and professional background, demonstrated leadership skills, sound judgment, a strong sense of service to the communities which we serve and an ability to meet the standards and duties set forth in our code of conduct. The committee also evaluates potential nominees to determine if they have any conflicts of interest that may interfere with their ability to serve as effective board members and whether they are independent in accordance with NASDAQ requirements (to ensure that at least a majority of the directors will, at all times, be independent). The committee has not, in the past, retained a third party to assist it in identifying candidates, but it has the authority to retain a third party firm or professional for the purpose of identifying candidates.

Stockholder Communication with the Board, Nomination and Proposal Procedures

General Communications with the Board. Stockholders may contact our board of directors by contacting Mark A. Herpich, Corporate Secretary, Landmark Bancorp, Inc., 701 Poyntz Avenue, Manhattan, Kansas 66502 or (785) 565-2000.

Nominations must include the full name and address of the proposed nominee and a brief description of the proposed nominee's business experience for at least the previous five years. All submissions must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. To be considered by the committee as a nominee for inclusion in next year's proxy statement, stockholder nominations must be received no later than December 17, 2009.

We may request additional information after receiving the notification for the purpose of determining the proposed nominee's eligibility to serve as a director. Persons nominated for election to the board pursuant to this paragraph will not be included in our proxy statement.

Other Stockholder Proposals. To be considered for inclusion in our proxy statement and form of proxy for our 2010 annual meeting of stockholders, stockholder proposals must be received by our Corporate Secretary, at the above address, no later than December 17, 2009, and must otherwise comply

with the notice and other provisions of our bylaws, as well as Securities and Exchange Commission rules and regulations.

For proposals to be otherwise brought by a stockholder and voted upon at an annual meeting, the stockholder must file written notice of the proposal to our Corporate Secretary on or before 60 days in advance of the first anniversary of the previous year's annual meeting.

Additional transactions are expected to take place in the future. All outstanding loans, commitments to loan, and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. PROPOSAL II RATIFICATION OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Accountant Fees

Audit Fees. The aggregate amounts of fees billed by KPMG LLP for their audit of our annual financial statements for fiscal years 2008 and 2007 and for their required reviews of our unaudited interim financial statements included in our quarterly reports filed during fiscal years 2008 and 2007 were \$160,000 and \$150,000, respectively.

Audit Related Fees. We did not incur any audit related fees from KPMG LLP for fiscal years 2008 and 2007.

Tax Fees. The aggregate amounts of tax related services billed by KPMG LLP for fiscal years 2008 and 2007 were \$45,930 and \$50,250, respectively, for professional services rendered for tax compliance, tax advice and tax planning. The services provided included assistance with the preparation of our tax return and guidance with respect to estimated tax payments.

All Other Fees. We did not incur fees from KPMG LLP for fiscal years 2008 and 2007 other than the fees reported above.

The Audit Committee, after consideration of these matters, does not believe that the rendering of these services by KPMG LLP to be incompatible with maintaining their independence as our principal accountants.

Audit Committee Pre-Approval Policy

Among other things, the Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent registered public accounting firm. We have adopted a pre-approval policy under which the Audit Committee approves in advance all audit and non-audit services to be performed by our independent registered public accounting firm. As part of its pre-approval policy, the Audit Committee considers whether the provision of any proposed non-audit services is consistent with the SEC's rules on auditor independence. In accordance with the pre-approval policy, the Audit Committee has pre-approved certain specified audit and non-audit services to be provided by KPMG LLP for up to twelve months from the date of the pre-approval. All of the services referred to above in the table for 2008 were pre-approved by the Audit Committee.
