PROPOSAL
BY THE
BOARD OF DIRECTORS
TO THE
EXTRAORDINARY GENERAL MEETING OF STOCKHOLDERS

TO BE HELD ON MARCH 24, 2011.

Dear Stockholders:

We, the Board of Directors of Companhia Energética de Minas Gerais – Cemig,

• **WHEREAS:**

1) under the **Share Purchase Agreement** signed on December 30, 2009 between **Cemig** and Fundo de Investimento em Participações PCP (**FIP PCP**), in which Equatorial Energia S.A. (**Equatorial**) is consenting party, it is agreed that **Cemig** or a company in which Cemig holds a minimum equity interest of 20% will acquire 55.41% of the voting and total stock held by **FIP PCP** in Redentor Energia S.A. (**Redentor**), a company listed on the *Novo Mercado* of the BM&FBovespa, which holds 100% of **Rio Minas Energia** Participações S.A. (**RME**), which in turn holds 13.03% of the shares of **Light S.A.** (**Light**), signing of this contract having been authorized by the Board of Directors through CRCA 080/2009, of December 30, 2009;

2) the minority stockholders of **Redentor** (44.59% of the registered capital) will have the right to sell their shares to the purchaser for the same amount paid for the shares that are in the controlling stockholding block, through a Public Offering for Acquisition of Shares in a Sale of Control (the **Public Offering**), in the terms of Article 254-A of Law 6404/1976;

3) in view of the financial obligations involved in the acquisitions, the analyses made by **Cemig** have indicated that, as the best alternative, the acquisitions should be made in partnership with a financial partner which would acquire part of the shares and receive, in consideration, an option to sell those shares to **Cemig**, with a minimum guaranteed remuneration and this financial partner would be an Equity

Investment Fund (FIP), the unit holders of which would be financial institutions interested in participating in projects of low performance risk, that are already being operated by a company with proven operational excellence, and in earning an attractive return;

4) the alternative of acquisition of assets in partnership with an FIP was recently used by Cemig in the acquisition of **Terna Participações S.A.**, which showed itself to be an attractive investment opportunity for the market and, for Cemig, an efficient instrument of partnership with the private sector;

5) on February 25, 2010, through CRCA 004/2010, the Board of Directors of Cemig decided to authorize the partnership of **Cemig** with BTG Alpha Participações Ltda. (**BTG Alpha**), and, subsequently, with its successor, Fundo de Investimento em Participações Redentor (**FIP Redentor**), for acquisition of the equity interest owned by **FIP PCP** in **Light**, through the company named **Parati S.A. Participações em Ativos de Energia Elétrica** (**Parati**);

6) on March 24, 2010, Cemig signed a Share Purchase Agreement with **Enlighted Partners** Venture Capital (**Enlighted**), a limited liability company established in Delaware, USA, granting an Option to Sell 100% of the rights of participation in **Luce Investment Fund**, which holds 75% of the units of Luce Brasil Fundo de Investimento em Participações (**FIP Luce**), which, in turn, is the indirect owner of 13.03% (thirteen point zero three per cent) of the registered capital of **Light S.A.** and this Option to Sell could be exercised between October 1 and 6, 2010, and signature of this contract was authorized by the Board of Directors through CRCA 007/2010, of March 19, 2010;

Table of Contents

- 7) the remaining 25% of the equity in **FIP Luce** is held by Fundação de Seguridade Social Braslight (**Braslight**), and, with **Enlighted** exercising the Option to Sell, **Braslight** will have the right to exercise joint sale of the totality of its holding, as specified in an existing Unit Holders Agreement governing **FIP Luce**;
- 8) on October 6, 2010, **Enlighted** exercised the said Option to Sell and, consequently, **Braslight** also stated its desire to exercise its right of joint sale, so that **Cemig** or a third party indicated by it will have to acquire 100% of the units of **FIP Luce**, which will represent the acquisition of a further 13.03% of the registered and voting capital of **Light**;
- 9) **Cemig** intends to assign all the rights and obligations specified in the contracts referred to above to **Parati**, the purpose of this being to enable continuation of its policy of expansion through other acquisitions, maintaining its indebtedness capacity, and also allowing maintenance of the debts contracted by **Light**, since that company would not become a company subject to state control and, in addition, neither would it be subject to the rules governing containment of credit to the public sector;
- 10) the objects of **Parati** will be to acquire the shares that represent up to 26.06% of equity participation in the voting and total capital of **Light**, held, indirectly, by the **FIP PCP**, and by **Enlighted**;
- 11) **FIP Redentor** has as its unit holders Banco Santander (Brasil) S.A. (**Santander**), Banco Votorantim S.A. (**Votorantim**), BB Banco de Investimento S.A. (**Banco do Brasil**) and Banco BTG Pactual S.A. (**BTG Pactual**), the latter being the administrator of the Fund;
- 12) paying-up by **FIP Redentor** and by **Cemig** of their respective holdings in the registered capital of **Parati** will take place exclusively in Brazilian currency and will be in such a way as results in final ownership by **Cemig** of up to 25%, and by **FIP Redentor** of at least 75%, of the total registered capital of **Parati**, distributed as follows:
- (i) Common shares: up to 50% held by **Cemig**, and 50% or more held by **FIP Redentor**; and
- (ii) Preferred shares: 100% held by **FIP Redentor**;
- 13) the estimated amounts of the disbursements necessary for finalization of the transaction, including for the settlement of the **Public Offering** of shares in **Redentor**, in proportion to the stockholdings of the respective stockholders in **Parati**, are R\$ 379 million for **Cemig**, and R\$ 1.136 billion for **FIP Redentor**, at January 2011 prices;

14) as part of the negotiation the Parties agreed that **Cemig** shall grant an unconditional and irrevocable option, exclusively to **FIP Redentor** (and not to any of its unit holders) (the **Option to Sell**), under which **FIP Redentor** will have the right, at the end of the 60th month from the date of subscription of the shares in **Parati** (the **Exercise Date**), to sell the totality of the shares in Parati belonging to **FIP Redentor** (the **Acquisition Shares**), and **Cemig** shall have the obligation to buy them, or to indicate a third party which shall buy them, on payment of the exercise amount (the **Exercise Amount**), equivalent to the amount paid at the time of paying-up of the shares, plus expenses (all expenses that are provenly incurred by **FIP Redentor** and/or by the Administrator of FIP Redentor, for its constitution and after its constitution, including expenses of auditing, and management and administration fees), less such dividends and Interest on Equity as are received in the period (in the case of Interest on Equity, the amount received shall be multiplied by 0.5721 for the purposes of calculation), all updated by the average rate for Interbank Certificates of Deposit published by Cetip (the Custody and Settlement Chamber) (the **CDI Rate**) plus a rate of 0.9% per year, *pro rata tempore*, from the date of its actual disbursement / payment to the Exercise Date of the Option to Sell;

15) the Option Exercise Date may be brought forward in any one of the following situations:

a) non-compliance, by **Cemig**, with any obligations contained in the Definitive Documents (Subscription Agreement, Stockholders Agreement and Secondary Stockholders Agreement), if the said non-

b) disposal, transfer or assignment to third parties by **Cemig** of the Shares owned by it in **Parati** or of the rights and obligations arising therefrom, without prior written authorization from **FIP Redentor**, except (provided that **Cemig**’s co-obligation in relation to the obligations originally assumed is preserved) between wholly-owned or other subsidiaries of **Cemig**;

c) decision, by any authority, ordering the carrying out of a public offering of shares for change of the control of **Light**, unless **Cemig** bears all the costs and expenses arising from such decision;

d) any termination of concession contracts of **Cemig**, or of its subsidiaries, that represents an amount of 40% (forty per cent) or more of the consolidated Ebitda generated by **Cemig** in the 12 (twelve) months prior to the date of this condition being found;

e) termination of **Light**’s distribution services concession contract;

f) any stockholding reorganization, privatization or merger of **Cemig** that causes significant reduction of **Cemig**’s capacity to comply with any obligations assumed in the Definitive Documents, as judged by **FIP Redentor**, provided that such judgment is made with due grounds;

g) liquidation, intervention, dissolution or extinction of **Cemig**;

h) application of new taxes on any transactions, payments payable and dividends, in the terms of the Definitive Documents, increase of rates of taxes or of the taxes themselves that already are applicable to any transactions specified in the Definitive Documents, or identification of a tax liability not identified on today’s date, such as make or makes any transactions specified in the Definitive Documents unviable or inadvisable, in the judgment of **FIP Redentor**, provided that such judgment is made with due grounds;

i) if the ratio between Net Financial Indebtedness and Ebitda, measured six-monthly, in relation to the prior 12 (twelve) months, based on the revised or audited consolidated balance sheet (as applicable) of **Cemig**, is greater than 3.50x (three point five times);

j) non-approval of the Investment by CADE;

k) any of the following events:

(i) that **LIF** shall hold a minimum of 75% (seventy five per cent) of the unit shares in Luce Brasil Fundo de Investimento em Participações (**FIP Luce**);

(ii) that **FIP Luce** shall have a stockholding of not less than 100% (one hundred per cent) in the registered capital of Luce Empreendimentos e Participações S.A. 16) a further item of the negotiation agreed is that, in the event of the Exercise Amount being higher than the amount paid-up by **FIP Redentor** at the time of the subscription of the shares of **Parati**, an adjustment factor of $(1/(1 - 0.4279) - 1)$ shall be applied to the difference, to be added to the Exercise Amount;

17) the Option to Sell shall be exercised by **FIP Redentor**, upon written notice to Cemig of its intention to exercise the Option to Sell, given with minimum prior notice of 240 (two hundred and forty) days prior to the last day of the sixtieth month counted from the first injection of capital by **FIP Redentor** in **Parati** (the **Exercise Date**);

24) it is the competency of the Extraordinary General Meeting to authorize the grant by the Company of the Option to Sell, in view of the provisions of Article 256 of Law 6404/1976, since, in the event that the Option to Sell is exercised by **FIP Redentor** and if **Cemig** does not indicate a third party to acquire the shares, **Cemig** will be obliged to acquire control of **Parati**, it not being possible to state at the present moment whether in 60 months' time the acquisition referred to will constitute a significant investment for Cemig, nor indeed to calculate whether the shares will exceed one and a half times any of the amounts specified in Item II of Article 256 of Law 6404/1976;

25) on December 6, 2010, the Board of Directors of **Cemig** decided to propose, to the Extraordinary General Meeting of Stockholders, under and for the purposes of Article 256 of Law 6404/1976, authorization of the grant of the Option to Sell;

29) a new convocation of the General Meeting of Stockholders, to decide on the grant of the Option to Sell, now becomes necessary;

30) the General Meeting of Stockholders will be called to decide on possible acquisition of control of another company, and it is necessary that **Cemig** should present the information required in Appendix 19 of CVM Instruction 481/2009, specified in the attached document;

STATEMENT

For the purposes of Item 10 of Appendix 19 to CVM Instruction 481/09, and in compliance with the recommendation of the Board of Directors at a meeting held on December 6, 2010, the Executive Board of Companhia Energética de Minas Gerais – Cemig recommends to stockholders approval of the grant by Cemig, to Redentor Fundo de Investimentos em Participações (FIP Redentor), unconditionally and irrevocably, of an option (the Option to Sell) by which FIP Redentor will have the right, at the end of the 60th month from the date of subscription of the shares of Parati S.A. Participações em Ativos de Energia Elétrica, to sell the totality of the shares owned by FIP Redentor in Parati, and Cemig shall have the obligation to buy them, or to indicate a third party which shall buy them.

The participation of Cemig in the process of consolidation of the electricity sector, sustained by its Long-Term Strategic Plan, has made use of minority and majority stockholding partnerships with the public and private sectors, to leverage new investments, in such a way as to ally growth with maintenance of indebtedness capacity.

The grant of Option to Sell is within the context of the Long-Term Strategic Plan, which specifies the growth of Cemig in all the segments in which it operates, indicating a positive outlook for Cemig's cash position, with the possibility, also, of increase in the amount of dividends distributed, within the policy established by its Bylaws.
