## Section 5 - Corporate Governance and Management

### Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 22, 2011, the Registrant's Compensation and Succession Committee and Board of Directors approved revised change of control arrangements for its executives. The net result is reduced benefits payable to certain of its executive officers, including the chief executive officer and the other current named executive officers, in the event of a change of control.

- The Registrant's executive officers who had tier one change-of-control employment agreements, including the chief executive officer and the other current named executive officers, consented to the termination of these agreements effective December 30, 2011. These officers became participants in a new change-in-control severance plan (the "CIC Plan") adopted by the Board of Directors effective December 30, 2011. Compared with the previous tier one agreements, the CIC Plan eliminates all excise tax gross ups; eliminates the lump sum cash pension enhancement based on additional years of age, service, and compensation; and, for all participants other than the chief executive officer, reduces the amount of cash severance payable to two times salary and target annual incentive. In order to receive the cash severance benefits under the CIC Plan following a change in control of the Registrant, a participant must have been terminated by the Registrant (other than for cause, death, or disability) or the participant must have terminated employment for good reason (such as adverse changes in the terms or conditions of employment, including a material reduction in base compensation, a material change in authority, duties, or responsibilities, or a material change in job location) within two years following a change in control.
- The Registrant's Compensation and Succession Committee also altered option and restricted stock unit award agreements (the "Award Agreements") that will be granted under the Registrant's 2009 Equity Incentive Plan to exclude immediate vesting upon a change in control for awards made on after December 30, 2011. The new Award Agreements provide for accelerated vesting of awards upon a change in control of the Registrant only if either the Registrant terminates the award recipient's employment (other than for cause, death, or disability) or the award recipient terminates his or her employment for good reason within two years following a change in control.

The foregoing descriptions of the CIC Plan and the Award Agreements are qualified in their entirety by reference to the full text of the CIC Plan and the Award Agreements attached as Exhibits 10.1, 10.2, and 10.3, respectively, which are incorporated herein by reference.
