**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On February 6, 2012, NGL Energy Partners LP (the *Partnership*) completed its previously announced transaction with North American Propane, Inc. and its affiliated companies (collectively, *North American Propane*). As contemplated by the Asset Purchase Agreement (the *Asset Purchase Agreement*), dated as of January 16, 2012, by and between the Partnership and North American Propane, the Partnership, through certain of its subsidiaries, acquired substantially all of the assets comprising the propane operations of North American Propane in exchange for an adjusted purchase price of approximately \$67.8 million in cash. The purchase price is subject to further adjustment for certain specified working capital items.

The assets acquired from North American Propane include retail propane and distillate operations, wholesale supply and marketing operations and three propane terminals located in Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, Pennsylvania and Rhode Island.

The description of the Asset Purchase Agreement is qualified in its entirety by reference to the full text of the Asset Purchase Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K, and which is incorporated into this Item 2.01 by reference.

The Asset Purchase Agreement contains representations, warranties and other provisions that were made or agreed to, among other things, to provide the parties with specified rights and obligations and to allocate risk among them and is qualified by the related schedules. Accordingly, the Asset Purchase Agreement should not be relied upon as constituting a description of the state of affairs of any of the parties or their affiliates at the time it was entered into or otherwise.

**Item 8.01. Other Events.**

On February 6, 2012, the Partnership issued a press release announcing the completion of the North American Propane transaction. A copy of the press release is furnished as Exhibit 99.1.
