As previously announced, Ms. Georgia Scaife, former Executive Vice President Human Resources and Employee Administration of SuperMedia Inc. (the Company) retired from the Company effective March 31, 2012.

During her employment with the Company, Ms. Scaife participated in the former GTE Corporation (predecessor to Verizon Communications Inc. from which the Company was spun off in 2006) Executive Retiree Life Insurance Plan (the ERLIP), an unfunded non-qualified plan that was designed to provide additional retirement income to certain management employees. In order to be eligible to receive benefits under the ERLIP, a participant (i) must have been within certain salary bands as of December 31, 2001 and (ii) must retire with a pension (other than a deferred vested pension) from a plan that is sponsored by Verizon Communications Inc. or participating affiliate. The exclusion of a participant who was eligible for a deferred vested pension is waived if the employee has attained age 60 as of his or her termination date and has at least 10 years of net credited service. Benefits under the ERLIP are payable in lump sum, approximately six months following retirement.

In connection with Ms. Scaife's retirement, she is entitled to \$745,212.00 under the ERLIP, which will be paid in lump sum approximately six months following her retirement.

The ERLIP was frozen by Verizon Communications Inc. in January 2002, and except for employees whose benefits are grandfathered under the ERLIP, no other employees are eligible to participate in the ERLIP.

The foregoing description of the ERLIP does not purport to be complete and is qualified in its entirety by reference to the full text of the ERLIP, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated in this Item 5.02 by reference.
