**Item 1.01. Entry into a Material Definitive Agreement.**

On April 30, 2013, in connection with a previously announced private offering, PennyMac Corp. (the Issuer), an indirect, wholly-owned subsidiary of PennyMac Mortgage Investment Trust (the Company), issued \$250 million aggregate principal amount of its 5.375% Exchangeable Senior Notes due 2020 (the Exchangeable Notes), including \$50 million aggregate principal amount of Exchangeable Notes issued pursuant to the exercise in full by the Initial Purchasers (as defined below) of their option to purchase additional Exchangeable Notes granted pursuant to the terms of the purchase agreement executed in connection with the sale. The Exchangeable Notes were issued pursuant to an Indenture, dated as of April 30, 2013 (the Base Indenture), among the Issuer, the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), as supplemented by the First Supplemental Indenture, dated as of April 30, 2013 (the Supplemental Indenture) and, collectively with the Base Indenture, the Indenture), among the Issuer, the Company and the Trustee.

The sale of the Exchangeable Notes generated gross proceeds of \$250 million and net proceeds of approximately \$242.6 million, after deducting the Initial Purchasers' aggregate discounts of approximately \$6.9 million and estimated offering expenses. The net proceeds from the offering are intended to be used to fund the business and investment activities of the Company and its subsidiaries, which may include the acquisition of distressed mortgage loans or other investments; the funding of the continued growth of its correspondent lending business, including the purchase of jumbo loans; the repayment of other indebtedness; and for general corporate purposes.

The Exchangeable Notes will mature on May 1, 2020 unless repurchased or exchanged in accordance with their terms prior to such date. The Exchangeable Notes bear interest at a rate of 5.375% per year, payable semiannually in arrears on May 1 and November 1 of each year, beginning on November 1, 2013. The Exchangeable Notes are fully and unconditionally guaranteed by the Company and exchangeable for the Company's common shares of beneficial interest (Common Shares) at any time until the close of business on the second scheduled trading day immediately preceding the maturity date. The exchange rate initially equals 33.5149 Common Shares per \$1,000 principal amount of Exchangeable Notes (equivalent to an initial exchange price of approximately \$29.84 per Common Share). The exchange rate will be subject to adjustment upon the occurrence of certain events, but will not be adjusted for any accrued and unpaid interest. In addition, following the occurrence of certain corporate events, the Issuer will, in certain circumstances, increase the exchange rate for a holder that exchanges its Exchangeable Notes in connection with such corporate events.

The Issuer may not redeem the Exchangeable Notes prior to maturity, and no sinking fund will be provided for the Exchangeable Notes. If certain corporate events occur, subject to certain conditions, holders of the Exchangeable Notes may require the Issuer to purchase for cash all or part of their Exchangeable Notes at a repurchase price of 100% of the principal amount of the Exchangeable Notes to be repurchased, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date.

The Exchangeable Notes are the Issuer's senior unsecured obligations and will rank senior in right of payment to any of the Issuer's indebtedness that is expressly subordinated in right of payment to the Exchangeable Notes, equal to any of the Issuer's unsecured indebtedness that is not so subordinated, effectively junior to any of the Issuer's secured indebtedness to the extent of the value of the assets securing such indebtedness and structurally junior to all indebtedness and other liabilities (including trade payables) and preferred equity of the Issuer's subsidiaries. The guarantee is the Company's senior

unsecured obligation and will rank senior in right of payment to any of the Company's indebtedness that is expressly subordinated in right of payment to the guarantee, equal to any of the Company's other unsecured indebtedness that is not so subordinated, effectively junior to any of the Company's secured indebtedness to the extent of the value of the assets securing such indebtedness and structurally junior to all indebtedness and other liabilities (including trade payables) and preferred equity of the Company's subsidiaries.

The Issuer offered and sold the Exchangeable Notes to Credit Suisse Securities (USA) LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc., as initial purchasers (collectively, the Initial Purchasers), pursuant to a purchase agreement, dated April 24, 2013, among the Company, the Issuer, PennyMac Operating Partnership, L.P. and PNMAC Capital Management, LLC and the Initial Purchasers. The offering and sale were made by the Issuer to the Initial Purchasers in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the Securities Act), for resale by the Initial Purchasers to qualified institutional buyers (as defined in the Securities Act) pursuant to the exemption from registration provided by Rule 144A under the Securities Act. The Issuer relied on these exemptions from registration based in part on representations made by the Initial Purchasers in the purchase agreement.

The foregoing description of the Indenture and the Exchangeable Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture (including the form of the Exchangeable Notes), filed as an exhibit hereto and incorporated by reference herein.

Neither the Exchangeable Notes nor the Common Shares that may be issued upon exchange thereof will be registered under the Securities Act. Neither the Exchangeable Notes nor the Common Shares that may be issued upon exchange thereof may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act. This Current Report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.
