Brazilian Appeal Court interim decision on Jaguará Plant concession

Cemig (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid in accordance with CVM Instruction 358 of January 3, 2002, as amended hereby **reports** to the Brazilian Securities Commission (CVM), the São Paulo Stock, Commodities and Futures Exchange (BM&F Bovespa S.A.) and the market in general, as follows:

On June 20, 2013 Brazil's Higher Appeal Court (STJ *Superior Tribunal de Justiça*) issued an interim judgment against the Brazilian Mining and Energy Ministry in the action for mandamus brought by **Cemig GT** (*Cemig Geração e Transmissão S.A.*) for an order to require the Ministry to consider the extension of Cemig GT's concession to operate the **Jaguara Hydroelectric Plant** (generation capacity 424MW, assured power 336 MW). That concession expires on August 28, 2013.

The interim judgment, given by Reporting Justice Sérgio Kukina, ensures that Cemig GT continues to operate the concession of the Jaguará Plant until the final judgment of the action.

Cemig does not yet have access to the full content of the judgment, which is scheduled for publication on June 24, 2013.

It should be noted that this is a preliminary preventive decision by the Judiciary, and that there is at present no decision on the merits of the action. The Higher Appeal Court will examine the merits of the action at a later date.

Edgar Filing: ENERGY CO OF MINAS GERAIS - Form 6-K

Cemig sees this decision as an unequivocal demonstration of the independence and autonomy of Brazil's Judiciary. It underlines Cemig's absolute confidence in the Constitutional powers of the Brazilian republic in their mission to guarantee and uphold the rights of citizens.

Cemig reiterates its commitment to establishing fair prices for services provided to the consumer, and also the quality of services, and their sustainability in the use of natural and human resources so as to ensure that future generations can enjoy the same benefits.

Cemig will keep its stockholders and the market opportunely and appropriately informed on the progress of this case.

We reaffirm that, as part of its strategy, Cemig seeks growth in the short and medium term through acquisitions that are able to add value to the operation of its present assets, and provide our stockholders with an appropriate and attractive return on their investments as expressed at our 18th Annual *Cemig-Apimec* meeting, this year.
