Item 5.07 Submission of Matters to a Vote of Security Holders.

On May 23, 2014, Midstates Petroleum Company, Inc. (the "Company") held its Annual Meeting. At the Annual Meeting, the Company's stockholders were requested to: (1) elect two Class II directors, each for a term of three years; (2) approve an amendment to the Company's Amended and Restated Certificate of Incorporation to provide for the annual election of directors (the "Charter Amendment"); (3) approve the Amendment and Restatement of the Midstates Petroleum Company, Inc. 2012 Long Term Incentive Plan; (4) approve material plan terms of the Midstates Petroleum Company, Inc. 2012 Long Term Incentive Plan, as Amended and Restated, for purposes of complying with the requirements of Section 162(m) of the Internal Revenue Code; (5) approve, on an advisory basis, the compensation of the Company's named executive officers; (6) vote, on an advisory basis, on the frequency with which the Company's stockholders will vote on the compensation of the Company's named executive officers; and (7) ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants for 2014.

The Company's Series A Mandatorily Convertible Preferred Stock (the "Preferred Stock") entitles holders of the Preferred Stock to vote on most matters submitted to the holders of the Common Stock for approval, except that the holders of the Preferred Stock are not permitted to vote on proposals involving the election of directors and proposals seeking the approval of certain transactions where the holders of the Preferred Stock would be entitled to consideration at least equal to the current liquidation preference. Each share of Common Stock outstanding on the record date is entitled to one vote and each share of Preferred Stock is entitled to vote with the holders of our Common Stock on permitted matters on an as-converted to Common Stock basis utilizing the then-current conversion ratio. As of the record date, 70,628,558 shares of Common Stock were outstanding and entitled to be voted at the Annual Meeting and 325,000 shares of Preferred Stock were outstanding and convertible into 27,068,487 shares of Common Stock.

The following are the final voting results on proposals considered and voted upon at the meeting, each of which is more fully described in the Company's proxy statement filed on April 8, 2014:

1. Each of the Class II directors that were up for re-election was elected for a term of three years. However, due to the results of voting on the Charter Amendment (as detailed below), the Company's Certificate of Incorporation will be amended to eliminate the classification of the Board and the current term of office of each director, including those elected at the Annual Meeting, will end at the 2015 annual meeting of stockholders. Votes regarding the election of the Class II directors up for re-election were as follows:
