Press Release

Vale comments on Isaac Plains mine

Rio de Janeiro, September 29, 2014 Vale S.A. (Vale) announces that it is taking the necessary steps to place its Isaac Plains Coal Mine in Australia into care and maintenance, as the operation is not economically feasible under current market conditions. The decision was agreed by Vale and Sumitomo Corporation, the Joint Venture partners of the Isaac Plains mine.

The decision is consistent with Vale's strategy to focus on discipline in capital allocation and maximizing value for its shareholders.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future and not on historical facts, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may
