Item 1.01. Entry into a Material Definitive Agreement.

On February 12, 2016, Watts Water Technologies, Inc. (the Company) entered into a Credit Agreement (the Credit Agreement) among the Company, certain subsidiaries of the Company who become borrowers under the Credit Agreement, JPMorgan Chase Bank, N.A., as Administrative Agent, Swing Line Lender and Letter of Credit Issuer, and the other lenders referred to therein, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference. The following is a summary of the material terms and conditions of the Credit Agreement and is qualified in its entirety by reference to the Credit Agreement.

The Credit Agreement provides for a \$500 million, five-year, senior unsecured revolving credit facility (the Revolving Credit Facility) with a sublimit of up to \$100 million in letters of credit. The Credit Agreement also provides for a \$300 million, five-year, term loan facility (the Term Loan Facility) available to the Company in a single draw.

The Company borrowed \$300 million under the Term Loan Facility on February 12, 2016 (the Closing Date). The Company used approximately \$278 million of the proceeds of the borrowings made on the Closing Date under the Credit Agreement to prepay all outstanding loans, accrued and unpaid interest and fees thereon under the Company's previous Credit Agreement, dated as of February 18, 2014 (the 2014 Credit Agreement). Upon the repayment of all outstanding amounts under the 2014 Credit Agreement, the 2014 Credit Agreement was terminated. The Company intends to use the remaining \$22 million of proceeds from borrowings made on the Closing Date under the Term Loan Facility and future borrowings under the Revolving Credit Facility to pay off all amounts outstanding under its \$225 million of 5.85% senior unsecured notes due April 30, 2016 on their due date. The Company also intends to use future borrowings under the Revolving Credit Facility for acquisitions, working capital and other general corporate purposes.

Borrowings outstanding under the Revolving Credit Facility bear interest at a fluctuating rate per annum equal to an applicable percentage defined as (i) in the case of Eurocurrency rate loans, the British Bankers Association LIBOR rate plus an applicable percentage, ranging from 0.975% to 1.45%, determined by reference to the Company's consolidated leverage ratio plus, or (ii) in the case of base rate loans and swing line loans, the highest of (a) the federal funds rate plus 0.5%, (b) the rate of interest in effect for such day as announced by JPMorgan Chase Bank, N.A. as its prime rate, and (c) the British Bankers Association LIBOR rate plus 1.0%, plus an applicable percentage, ranging from 0.00% to 0.45%, determined by reference to the Company's consolidated leverage ratio.

Borrowings outstanding under the Term Loan Facility bear interest at a fluctuating rate per annum equal to an applicable percentage defined as (i) in the case of Eurocurrency rate loans, the British Bankers Association LIBOR rate plus an applicable percentage, ranging from 1.125% to 1.75%, determined by reference to the Company's consolidated leverage ratio plus, or (ii) in the case of base rate loans, the highest of (a) the federal funds rate plus 0.5%, (b) the rate of interest in effect for such day as announced by JPMorgan Chase Bank, N.A. as its prime rate, and (c) the British Bankers Association LIBOR rate plus 1.0%, plus an applicable percentage, ranging from 0.125% to 0.75%, determined by reference to the Company's consolidated leverage ratio. The loan under the Term Loan Facility amortizes as follows: 0% per annum during the first year, 7.5% in the second and third years, and 10% in the fourth and fifth years. Payments when due are made ratably each year in quarterly installments.

In addition to paying interest under the Credit Agreement, the Company is also required to pay certain fees in connection with the credit facility, including, but not limited to, an unused facility fee and letter of credit fees.

Edgar Filing: WATTS WATER TECHNOLOGIES INC - Form 8-K

The Company's obligations under the Credit Agreement are initially guaranteed by certain of the Company's domestic subsidiaries. The obligations of the Company's Netherlands subsidiary, Watts Water Technologies EMEA, B.V., which is a borrower under the Credit Agreement, are guaranteed by certain of the Company's domestic subsidiaries.

The Credit Agreement matures on February 12, 2021, subject to extension under certain circumstances and subject to the terms of the Credit Agreement. The Company may repay loans outstanding under the Credit Agreement from time to time without premium or penalty, other than customary breakage costs, if any, and subject to the terms of the Credit Agreement. Once repaid, amounts borrowed under the Term Loan Facility may not be reborrowed.

The Credit Agreement imposes various restrictions on the Company and its subsidiaries, including restrictions pertaining to: (i) the incurrence of additional indebtedness, (ii) limitations on liens, (iii) making distributions,

dividends and other payments, (iv) mergers, consolidations and acquisitions, (v) dispositions of assets, (vi) certain consolidated leverage ratios and consolidated interest coverage ratios, (vii) transactions with affiliates, (viii) changes to governing documents, and (ix) changes in control.

The Credit Agreement contains usual and customary events of default for transactions of this type. If an event of default occurs and is continuing, the lenders have the right to accelerate and require the Company to repay all amounts outstanding under the Credit Agreement.

The Company and certain subsidiaries of the Company entered into a Guaranty, dated as of February 12, 2016 (the Credit Guaranty), a copy of which is attached hereto as Exhibit 10.2 and incorporated herein by reference. Pursuant to the Credit Guaranty, the domestic subsidiaries have guaranteed payment of the obligations of the Company and the foreign designated borrowers under the Credit Agreement. The above summary of the Credit Guaranty is qualified in its entirety by reference to the Credit Guaranty.
