### **Item 11. Other Information**

Item 11 of the Schedule TO is hereby amended and supplemented by adding a new subsection entitled **Certain Legal Matters** as follows:

#### **Certain Legal Matters**

Subsequent to the public announcement of the proposed acquisition of Hatteras by Annaly, two civil actions have been filed challenging the proposed transaction. On May 11, 2016, James Wilson, who alleges he is a stockholder of Hatteras, commenced an action in the United States District Court for the Middle District of North Carolina against Hatteras and its directors. The plaintiff alleges that the defendants are violating various provisions of the Securities Exchange Act of 1934 because the public disclosures they have made concerning the proposed transaction allegedly are false and misleading. The plaintiff purports to sue directly on behalf of a class consisting of all of Hatteras' common stockholders except for the defendants and their affiliates. The plaintiff seeks an injunction preventing consummation of the proposed transaction, rescission of the proposed transaction in the event it is consummated, the award of damages in an unspecified amount, and the award of litigation expenses in an unspecified amount. On May 12, 2016, Stephen Twiss, who alleges he is a stockholder of Hatteras, commenced an action in the Circuit Court for Baltimore City, Maryland against Hatteras, its directors, Annaly and Offeror. The plaintiff alleges that Hatteras' directors have breached their fiduciary duties by approving the proposed transaction and making public disclosures concerning the proposed transaction that allegedly are false and misleading. The plaintiff alleges that the other defendants are aiding and abetting those breaches of fiduciary duty. The plaintiff purports to sue directly on behalf of a class consisting of all of Hatteras' common stockholders except for the defendants and their affiliates. The plaintiff also purports to sue derivatively on behalf of Hatteras. The plaintiff seeks rescission of the proposed transaction in the

event it is consummated, the award of damages in an unspecified amount, and the award of litigation expenses in an unspecified amount. The defendants believe the actions are without merit.
