Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On August 19, 2016, Echo Global Logistics, Inc. (the Company) entered into an Amended and Restated Employment Agreement with each of Douglas R. Waggoner, the Company's Chief Executive Officer (the Waggoner Agreement), David B. Menzel, the Company's President and Chief Operating Officer (the Menzel Agreement), and Kyle Sauers, the Company's Chief Financial Officer (the Sauers Agreement, and collectively with the Waggoner Agreement and the Menzel Agreement, the Agreements). The Agreements are effective as of August 19, 2016 and may be terminated at any time, with or without cause. The Agreements replace the prior employment agreements with the executives which, by their terms, were set to expire on December 31, 2016.

The term of each Agreement runs through December 31, 2019, with automatic one-year renewals thereafter unless either party gives 90 days advance notice of intent not to renew the term. The base salaries of the executives were not increased in connection with the execution of the Agreements. The severance and change of control benefit levels for each executive under the Agreements are consistent with those provided under the prior agreements, except that (i) in the context of a termination without cause or for good reason, cash severance is modified from a multiple of the sum of base salary plus the average of the bonuses paid in the prior three years to a multiple of the sum of base salary plus the greater of such three-year bonus average or the target bonus for the year of the termination and (ii) in the event of a change of control, the vesting of outstanding performance-based equity awards is modified from vesting at the target level to vesting at the greater of target or actual performance through the date of the change of control (vesting remains at 50% when there is only a change of control (single trigger) and 100% when there is a change of control plus a qualifying termination of employment (double trigger)).

In addition to the foregoing, the Sauers Agreement has been amended to provide for a two-times (2X) severance multiple in the event that Mr. Sauers experiences a termination of employment without cause or for good reason in connection with a change of control (with his standard severance multiple remaining one times (1X) for qualifying terminations not in connection with an change of control). The severance multiples for Messrs. Waggoner and Menzel continue to be two times (2X) for qualifying terminations, whether or not in connection with a change of control. The non-competition and non-solicitation provisions of the Agreements remain unchanged from those of the prior agreements.

The foregoing description of the Agreements is qualified in its entirety by reference to the actual terms of the Agreements, attached as Exhibits 10.1, 10.2 and 10.3 hereto and incorporated by reference herein.
