**Lead Manager:**

Stifel, Nicolaus & Company, Incorporated

**Optional Redemption:**

On or after January 15, 2022, the Issuer may redeem for cash all or part of the Notes if the last reported sale price of its Common Stock equals or exceeds 130% of the conversion price then in effect for at least 20 trading days (whether or not consecutive) during any 30 consecutive trading day period ending on the trading day prior to the date on which the Issuer provides notice of the redemption. The redemption price will be the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

**Settlement Upon Conversion**

Upon conversion of a note, the Issuer will satisfy its conversion obligation by paying or delivering, as applicable, cash, shares of Common Stock or a combination of cash and shares of Common Stock, at its election. If the Issuer elects to satisfy its conversion obligation solely in cash or through payment and delivery, as the case may be, of a combination of cash and shares of Common Stock, the amount of cash and shares of Common Stock, if any, due upon conversion will be based on a daily conversion value (as defined in the Preliminary Prospectus Supplement) calculated on a proportionate basis for each VWAP trading day (as defined in the Preliminary Prospectus Supplement) in a 40 consecutive VWAP trading day observation period (as defined in the Preliminary Prospectus Supplement).

**Adjustment to Conversion Rate Upon Conversion In Connection With a Make Whole Fundamental Change:**

The following table sets forth the number of additional shares of Common Stock, if any, by which the conversion rate will be increased for conversions in connection with a make whole fundamental change (as defined in the Preliminary Prospectus Supplement):

The exact stock price and effective date may not be set forth in the table above, in which case:

- if the stock price is between two stock prices in the table or the effective date is between two

effective dates in the table, the number of additional shares will be determined by a straight-line interpolation between the number of additional shares set forth for the higher and lower stock prices and the earlier and later effective dates based on a 365-day year, as applicable;

- if the stock price is greater than \$120.00 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above as described in the Preliminary Prospectus Supplement), no additional shares will be added to the conversion rate; and
- if the stock price is less than \$29.005 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above as described in the Preliminary Prospectus Supplement), no additional shares will be added to the conversion rate.

Notwithstanding the foregoing, in no event will the conversion rate per \$1,000 principal amount of Notes exceed 34.4768, subject to adjustment in the same manner as the conversion rate as set forth under Description of Notes Conversion Rates Conversion Rate Adjustments in the Preliminary Prospectus Supplement.
